CAPTION: Zoning Legal Services – Square 739 Minor Modification to PUD

Dear Prospective Respondent:

This letter is a formal request for proposal in accordance with the District of Columbia Housing Authority Procurement Policy and the 24 CFR Part 85.36.

OVERVIEW

DCHA seeks specialized Land Use Planning and Zoning Legal Services to support the DCHA's Office of the General Counsel and Office of Capital Programs with local zoning requirements, on behalf of DCHA and/or designated subsidiaries.

SCOPE OF SERVICES

Qualified firms must be able to offer an expert level of counsel for land use and zoning issues arising in the District of Columbia. DCHA requires a firm that can demonstrate overall experience with handling zoning matters before the District of Columbia Zoning Commission, DC Office of Planning, and Board of Zoning Adjustment. It is crucial that DCHA receives services from a firm that has an active zoning practice in the District of Columbia. In addition to assessing technical proficiency with District of Columbia zoning law, DCHA seeks a firm that has recent experience presenting resolution to zoning/land use controversies in District neighborhoods.

The selected firm will assist DCHA to obtain a minor modification of an existing Planned Unit Development ("PUD") in order to allow for temporary surface parking on Square 739 of the Copper HOPE VI site.

The scope would include, but not be limited to, researching existing zoning and PUD orders; preparing, submitting and taking all appropriate action to obtain all required modifications and receive authorization to include the parcel in the

Washington Nationals parking overlay area; draft proposed orders, correspondence, memoranda and other documentation to submit to appropriate District agencies; conduct outreach to requisite agencies, ANCs, and interested parties; attend and represent DCHA in front of the ANC and the District's Office of Planning and Zoning Commission; prepare orders, memoranda of findings and law and submit such other documentation as may be required to obtain a minor modification of the Capper Carrollsburg PUD to allow for temporary surface parking on Square 739.

SECTION 3 REQUIREMENTS

All Contractors shall comply with the Section 3 Program, as defined in the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Section 3), amended by the Housing and Community Development Act of 1992 (1992 Act commonly known as and herein after as the Section 3 Program). Section 3 compliance requires all Contractors performing work on behalf of the DCHA or any of its subsidiaries to ensure that training, employment, contracting and other economic opportunities generated by the Federal financial assistance shall, to the greatest extent feasible, be directed toward low-income and very-low-income persons, particularly those who are recipients of government assistance for housing. Our first priority will be to a DCHA resident or program participant. The minimum numerical goal for employment shall be equal to 10% of the total number of labor hours on this contract. A 2nd option for compliance under this act is to annually enroll Section 3 individuals totaling at minimum 30% to an Apprenticeship program. Another option is to subcontract to a Section 3 business concern. In accordance with the HUD regulations, 10% of the subcontract may be awarded to section 3 business concerns for construction and 3% of the subcontract may be awarded to section 3 business concerns for non-construction contracts. A 4th option for compliance is to propose a unique program that provides internships for residents or program participants or, provides pro bono services to DCHA program participants or Section 3 businesses. Cash donations to DCHA's Section 3 Fund are presented as a "last resort option" to Contractors who have exhausted all priority preferences and are unable to hire or train Section 3 individuals for the following reasons:

- The contract is immediate and the period is minimal; or
- The skill sets required by the staff are too technical or too advanced for the Section 3 individuals seeking employment.

Cash donations will be equivalent to the hourly wage rate of the lowest paid employee on the project, times 10% of the total labor hours for the task being performed. The funds support the removal of barriers for DCHA residents and program participants by providing resources such as training, or licenses.

Contractors and subcontractors will:

1. Incur all costs required for compliance with the applicable regulations;
2. Be subject to DCHA monitoring for compliance, and
3. Accept any applicable penalties for non-compliance.

The Contractor must include evidence of past performance, an “Action Plan for Section 3 Commitment” and an “Estimated Project Workforce Breakdown” along with their bid proposal. These documents should include a brief narrative description of the contract, and training and/or job opportunities for Section 3 participants as a part of this contract. The respondent should describe, in detail, the type of commitment set forth and methods to be utilized to accomplish the Section 3 Commitment. Specifically, the details of this plan should address the following: (1) indicate whether the firm has a valid Section 3 Certificate (issued by the Department of Housing and Community Development); (2) Provide a detailed description of the hiring plan for DCHA program participants. Include the number and type of jobs to be provided; include the number and type of training plan for DCHA program participants, whether interns will be contracted or, if funding will be provided for training; (4) Outline the firm’s proposal, if any, to subcontract to Section 3 businesses; and (5) Is your firm willing to provide pro bono services to DCHA program participants, or Section 3 businesses? Describe in detail, the type of service to be provided. A template of the Action Plan for Section 3 Commitment and a copy of the Estimated Project Workforce Breakdown have been enclosed with this letter solicitation **(Attachments).**

DCHA recognizes that the Contractor seeks trainees and/or employees that meet certain requirements. In order to better facilitate this goal, all efforts to hire to meet the Contactor’s Section 3 goals must be coordinated through the DCHA Section 3 Compliance Coordinator. Each Section 3 Plan will be rated on the quantity of job opportunities and on the quality of the training and/or the development of skills that lead to economic self-sufficiency and careers.

Non-Compliance Procedures

Any Contractor who fails to make a positive effort to meet the hiring and contracting goals described in the Section 3 Plan may be determined to be non-compliant. After a determination by DCHA that the Contractor has failed to comply with the Section 3 terms of its contract, DCHA shall serve notice of such non-compliance to the Contractor or its representative. The Contractor shall be responsible for notifying any subcontractor(s) which is not in compliance.

Upon request, the Contractor determined to be non-compliant shall meet with DCHA within three (3) working days of written notice in order to determine a method of correcting the deficiencies and determining the time period within such remedy shall be effective. If remedy is not agreed upon within three (3) days of the required notice, DCHA shall prescribe the remedy by which deficiencies shall be corrected and notify the Contractor in writing of such a determination. If the Contractor does not correct the deficiencies in the manner as directed by DCHA

within thirty (30) calendar days DCHA may impose any or all of the following sanctions:

- (a) Withholding payments;
- (b) Termination for default or suspension of contract; or
- (c) Placing the Contractor on a list of Contractors who fail to comply with DCHA Section 3 requirements.

Monitoring

DCHA will review documents that provide evidence of Section 3 activity related to the contract. The Contractor is required to provide weekly payrolls and other supportive documentation i.e. pro bono service agreement, etc.

Reporting

Contractors must submit quarterly reports regarding their Section 3 activities as requested by the Section 3 Compliance Coordinator. If Contractors chose to contract with Section 3 business concerns, they must also submit proof of payment to those businesses. Within five business days of project completion, Contractors are required to provide a narrative of their efforts and outcomes as it relates to Section 3 activity to the DCHA Section 3 Compliance Coordinator.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. - 24 C.F.R. Section 135.1 provides that the purpose of Section 3 of the Housing and Urban Development (HUD) Act of 1968, as amended, 12 U.S.C. 1701u (Section 3) is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed to low and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low and very low-income persons; and
- "Section 3 covered activities" are training, employment, contracting, and other economic opportunities arising from development, operating and modernization assistance funded by HUD notwithstanding the amount of the contract or subcontract, and regardless of whether the activity is fully or partially funded by HUD funds; and
- "Section 3 Resident" means:
 - a. A public housing resident;
 - b. Other DCHA Voucher Program participant; or
 - c. An individual who resides in the District of Columbia and who is a low or very low-income person; and,
- "Section 3 Business" means a business concern that:
 - a. Is a business concern that is 51% or more owned by Section 3 residents; or

District of Columbia Housing Authority
1133 North Capitol Street NE, Washington DC 20002-7599

- The purpose of the Section 3 program is to ensure that employment and other economic opportunities generated by certain types of activities undertaken by DCHA with HUD funding are, to "the greatest extent feasible," directed to:
 - a. Low and very-low income persons, particularly public housing residents and other DCHA Voucher Program participants; and
 - b. Business concerns which provide economic opportunities to such persons; and,
- It is the policy of DCHA to continue to expand the mechanisms through which public housing residents, residents of surrounding communities, and Housing Choice Voucher Program participants can develop careers and generate income that can permanently sustain economic independence; and
- DCHA's implementation of the Section 3 Program provides a mechanism that will enable DCHA to require and help its contractors, subcontractors, vendors and suppliers to provide employment, training, and business opportunities for public housing residents, residents or surrounding communities, and Housing Choice Voucher Program participants; and
- The Section 3 Program promotes economic development through entrepreneurial, self-sufficiency and community reinvestment opportunities; and
- 24 C.F.R. § 135.30 (a) creates a "safe harbor" whereby recipients and covered contractors may demonstrate compliance with the "greatest extent feasible" requirement of Section 3 by meeting the listed numerical requirements.

The undersigned parties agree to comply with the following provisions in accordance with DCHA's Section 3 policy:

1. **Section 3 Hiring Requirements.** Contractor agrees at least 10% of its total labor hours shall be allotted to Section 3 individuals.
 - a. In the event that Contractor fails to reach the 10% requirement, Contractor must provide a written justification of the impediments encountered and what actions or other economic opportunities, such as joint venturing, Contractor attempted in efforts to reach the requirement.
 - b. Contractor must complete and record exit evaluations of "Section 3 Resident" employees for each job assignment completed.
 - c. New hires are subject to contractor's standard employment policies. Moreover, Contractor can hire an applicant to work on the job site or within Contractor's office/plant, etc. The work does not have to be directly related to the contract in question.

2. **Section 3 Contracting Requirements.** Contractor agrees to meet the minimum Section 3 contracting requirements as a safe harbor that meets the "greatest extent feasible" statutory requirement as follows:
 - a. For contracts for building trades work for maintenance, repair, modernization or development, Contractor agrees to award contracts of at least 10% of the total dollar amount of contracts or subcontracts to "Section 3 Businesses".
 - b. For all other covered contracts, Contractor agrees to award contracts of at least 3% of the total dollar amount of contracts or subcontracts to "Section 3 Businesses".
 - c. In the event that the Contractor fails to meet these minimum numerical requirements, Contractor must demonstrate in writing why it was not feasible to meet the numerical requirements, including actions taken and any impediments encountered as well as other economic opportunities that were provided in the absence of meeting the requirement.
 - d. Contractors must differentiate between labor and non-labor (materials and supplies) dollars so that the amount of Section 3 dollars to be expended can be determined. This must be completed within five (5) days after the execution of the contract. Service contractors' total contract amount will be used as their labor dollars in determining the Section 3 dollar amount to be expended unless supplies/materials must also be purchased for this contract; in such case that amount is deducted.
 - e. Contractors must complete the forms included in the bid packets and are further required to submit monthly reports of all payments made to Section 3 subcontractors. If no payment is made in a given month, it must be noted and discussed with the Section 3 Coordinator.
3. **Eligible Section 3 Subcontractors.** A database of eligible "Section 3 Businesses" and suppliers will be developed and maintained by the DC Department of Housing and Community Development (DHCD). This database will be continually updated and made available upon request to Contractor. The database contains the names, addresses and telephone numbers of "Section 3 Businesses" and suppliers, basic firm descriptions, lists of projects completed, references, bonding capacity, union affiliation and certification.
4. **Joint Ventures.** DCHA encourages joint ventures with "Section 3 Businesses" as a means of complying with the requirements of Section 3. In addition to performing the work, joint ventures will help Section 3 businesses strengthen their internal management structures, enhance them to learn from the technical expertise and experience of established contractors.

- a. Section 3 joint venture is an association of business concerns, one of which is a "Section 3 Business". The joint venture must be formed by a written joint venture agreement that must be submitted to the Office of Administrative Services and the Section 3 Coordinator for confirmation that it meets Section 3 requirements.
 - b. Under the terms of the joint venture agreement, the "Section 3 Business" must be responsible for a clearly defined portion of the work and hold management responsibilities. The "Section 3 Business" must perform at least 25% of the work and be contractually entitled to a proportionate share of the compensation.
5. **Section 3 Compliance Procedures.** If Contractor fails to meet the Section 3 hiring and/or contracting requirements, DCHA may determine it to be non-compliant. If DCHA determines that Contractor is non-compliant, DCHA shall serve written notice of its determination of non-compliance on Contractor or its representatives. Contractor shall be responsible for notifying any subcontractor or supplier who is not in compliance.
 - a. **Corrective Plans** – Upon request of DCHA, Contractor agrees to meet with the Section 3 Compliance Coordinator and any other appropriate representative from DCHA within three (3) working days of the written notice in order to determine a Plan for correcting the deficiencies and determining the time period within which such remedy shall be effected.
 - b. If a remedy is not agreed upon within three (3) days of the required notice, the Section 3 Compliance Coordinator shall prescribe the remedy by which deficiencies shall be corrected and notify Contractor in writing of such determination.
6. **Sanctions.** If Contractor does not correct the deficiencies in the manner prescribed within thirty (30) calendar days, the Contracting Officer may impose the following sanctions:

- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/ HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$4.27 per hour or \$170.80 per week or \$740.13 per month

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; 3 weeks after 5 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year, New Year's Day, Martin Luther King Jr's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b), this wage determination does not apply to any employee who individually qualifies as a bona fide executive, administrative, or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals, (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition, because this wage determination may not list a wage rate for some or all occupations within those job families if the survey

data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example, if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate, then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally, because job titles vary widely and change quickly in the computer industry, job titles are not determinative of the application of the computer professional exemption. Therefore, the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

HAZARDOUS PAY DIFFERENTIAL: An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives.

Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving regrading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

** UNIFORM ALLOWANCE **

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage

determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition, April 2006, unless otherwise indicated. Copies of the Directory are available on the Internet. A links to the Directory may be found on the WHD home page at <http://www.dol.gov/esa/whd/> or through the Wage Determinations On-Line (WDOL) Web site at <http://wdol.gov/>.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE (Standard Form 1444 (SF 1444))

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees. The conformed classification, wage rate, and/or fringe benefits shall be retroactive to the commencement date of the contract. (See Section 4.6 (C)(vi)) When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the Wage

and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour decision to the contractor.

6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.
