Section 3 compliance requires all Contractors performing work on behalf of the DCHA or any of its subsidiaries to ensure that training,
employment, contracting and other economic opportunities generated by the Federal financial assistance shall, to the greatest extent feasible, be directed toward low-income and very-low-income persons, particularly those who are recipients of government assistance for housing.

The minimum numerical goal for employment shall be equal to 10% of the total number of labor hours on the contract issued. A 2nd option for compliance under this act is to annually enroll Section 3 individuals totaling at minimum 30% to an Apprenticeship program. Another option is to subcontract to a Section 3 business concern. In accordance with the HUD regulations, 10% of the subcontract may be awarded to section 3 business concerns for construction and 3% of the subcontract may be awarded to section 3 business concerns for non-construction contracts. A 4th option for compliance is to propose a unique program that provides internships for residents or program participants or, provides pro bono services to DCHA program participants or Section 3 businesses. Cash donations to DCHA’s Section 3 Fund are presented as a “last resort option” to all Contractors. The funds received will be used to provide training, uniforms, or transportation for Section 3 individuals.

Contractors and subcontractors will:
1. Incur all costs required for compliance with the applicable regulations;

A template of the Action Plan for Section 3 Commitment and a copy of the Estimated Project Workforce Breakdown have been enclosed with this letter solicitation (Attachments).

DCHA recognizes that the Contractor seeks trainees and/or employees that meet certain requirements. In order to better facilitate this goal, all efforts to hire to meet the Contractor’s Section 3 goals must be coordinated through the DCHA Section 3 Compliance Coordinator. Each Section 3 Plan will be rated on the quantity of job opportunities and on the quality of the training and/or the development of skills that lead to economic self-sufficiency and careers.
Non-Compliance Procedures
Any Contractor who fails to make a positive effort to meet the hiring and contracting goals described in the Section 3 Plan may be determined to be non-compliant. After a determination by DCHA that the Contractor has failed to comply with the Section 3 terms of their contract, DCHA shall serve notice of such non-compliance to the Contractor or its representative. The Contractor shall be responsible for notifying any subcontractor(s) who is not in compliance.
Upon request, the Contractor determined to be non-compliant shall meet with DCHA within three (3) working days of written notice in order to determine a method of correcting the deficiencies and determining the time period within such remedy shall be effective. If remedy is not agreed upon within three (3) days of the required notice, DCHA shall prescribe the remedy by which deficiencies shall be corrected and notify the Contractor in writing of such a determination. If the Contractor does not correct the deficiencies in the manner as directed by DCHA within thirty (30) calendar days DCHA may impose any or all of the following sanctions:

D.10 RESTRICTION ON DISCLOSURE AND USE OF DATA

A Respondent including proprietary or confidential information in its proposal shall conspicuously display the following information on the first page of the Respondent if the respondent does not want the proprietary or confidential information disclosed to the public for any purpose or used by the D.C. Housing Authority except for evaluation purposes:

D.10.1 That the proposal includes proprietary or confidential information that shall not be disclosed outside the D.C. Housing Authority and shall not be duplicated, used, or disclose, in whole or in part, for any purpose other than to evaluate the proposal;

D.10.2 That if a contract is awarded to the respondent, the D.C. Housing Authority shall have the right to duplicate, use or disclose the proprietary or confidential information the extent provided in the contract;

D.10.3 That this restriction does not limit DCHA's right to use the proprietary or confidential information if it is obtained from other source without restriction; and

D.10.4 That the respondent has specifically identified, by page number or otherwise, the proprietary or confidential information subject to the restriction.

D.10.5 The respondent shall not designate as proprietary or confidential information the name of the respondent; the proposal price, or any information that is not actually proprietary or confidential.

In addition to the requirements above, the respondent shall conspicuously mark each separate sheet containing proprietary or confidential information it wishes to restrict with a notation to the effect that the use or disclosure of proprietary or confidential information contained on the sheet is subject to the restriction set forth on the first page of the Respondent.

D.11 QUALIFIED BIDDERS LISTING (QBL)

DCHA will establish with this RFP a Qualified Bidders Listing ("QBL") for all firms determined to be in the competitive range by the Contracting Officer. All firms on the QBL will be eligible for further consideration of contract award for a period up to two years after DCHA Board approval of contracts under this RFP. DCHA will offer the contractor an option to extend its placement on the QBL for an additional two years. Placement on the QBL will not exceed the period of performance specified for the services required under the solicitation.

Any contractor selected for award will be placed on the QBL for consideration of award by an affiliate of DCHA for a period of up to one year after the DCHA Board approval. DCHA will offer the contractor an option to extend its placement on the QBL for an
additional one year. Placement on the QBL will not exceed the period of performance specified for the services required under the solicitation.

DCHA or its affiliated entity reserves the right to award one or multiple contracts for the Services solicited by this RFP.

The Contractor may request removal from the QBL at any time during the active period of the listing. In the event DCHA removes a Contractor from the QBL, the Contractor becomes ineligible to receive any request for legal services for the remaining term of the QBL and cannot be placed on the active QBL until DCHA issues a new solicitation for title services.

The Contractor shall ensure that the prices offered under this solicitation allow for placement on the QBL Listing for a period of two years. Placement on the QBL Listing is not an award of services and guarantees no minimum award amount.

**D.12 RESPONSIBLE CONTRACTORS**

DCHA will award contracts only to responsible prospective contractors who have the ability to perform successfully under the terms and conditions of the proposed contract. In determining the responsibility of the Respondent, DCHA will consider such matters as the Respondent’s:

1. Integrity
2. Compliance with public policy
3. Record of past performance
4. Financial and technical resources

**D.13 EMPLOYEE DISHONESTY INSURANCE**

The Respondent shall provide evidence of employee dishonesty insurance for an amount not less than $250,000, obtained at its own expense, for the purpose of protecting the DCHA against dishonest acts of the Respondent and its employees. The DCHA must be named as the loss payee. The insurance company, form, limits and content of such coverage will be subject to the approval of the DCHA. The Respondent shall indemnify, defend and hold harmless HUD and DCHA from any loss, cost damage, claim, demand, suit, liability, judgment and expense (including any attorney fees and other costs of litigation) arising out of or resulting from or in connection with any breach by the Respondent, its agents, employees and the Respondent of any provision of this contract or any negligent or bad faith act(s) or omission (s) or the negligent performance of this contract by the Respondent, its agents, employees and the Respondent or any other person or entity for which the Respondent may be responsible. The obligations, indemnities and liabilities assumed by the Respondent shall not extend to any liability caused by the negligence of HUD, DCHA or their employees or agents. Any provisions
or limits of insurance set forth in this contract shall not limit the Respondent’s liability. DCHA shall notify the Respondent within a reasonable time of any claim for which the Respondent may be liable under this paragraph. At its own expense, the Respondent shall obtain the necessary insurance coverage acceptable to DCHA to comply with this indemnification requirement; provide evidence of such coverage to the DCHA, and such coverage shall be in place before the execution of the contract awarded and as a condition to it.

D.14 RESPONDENT’S KEY PERSONNEL

The key personnel specified in the Respondent’s proposal are considered to be essential to the work being performed under the contract. Prior to diverting any of the key personnel for any reason(s), the Respondent shall notify the Contracting Officer in writing at least thirty (30) days in advance and shall submit justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on the contract.

D. 15 FAIR HOUSING EQUAL OPPORTUNITY CLAUSE

During the performance of the contract, the Respondent shall not discriminate on the basis of race, color, religion (creed), sex, natural origin, handicap or familial status, or the existence or use of a policy or practice, or any arrangement, criterion or other method of administration which has the effect of denying Equal Housing Opportunity, or which substantially impairs the ability of persons to apply for or receive the benefits of assistance because of race, color, religion (creed), sex, natural origin, handicap or familial status, in the sale, rental or other disposition of residential properties or related facilities, including land to be developed for residential use, or in the use or occupancy thereof.

D.16 THE AMERICAN WITH DISABILITIES ACT OF 1990 (ADA)

During the performance of the contract, the Respondent and all of its subcontractors shall comply with the ADA. The ADA makes it unlawful to discriminate in employment against a qualified individual with disability. See 42 U.S. Code 2101 et.seq.

D.17 SECTION 504 OF THE REHABILITATION ACT OF 1973 (AS AMENDED)

During the performance of the contract, the Respondent and all of its subcontractors shall comply with the Section 504 of the Rehabilitation Act of 1973, as amended. This Act prohibits discrimination against persons with disabilities in federally funded programs and activities.
D.18 NO WARRANTY

Respondent is required to examine the RFP, the specifications and instructions pertaining to the services required. Failure to do so will be at the Respondent's own risk. It is assumed that the Respondent has made full investigation so as to be fully informed of the extent and character of the services requested and of the requirements of the specifications. No warranty is made or implied as to the information contained in the RFP, specifications, and/or instructions.

D.19 EXPENSE OF THE RFP SUBMISSION

All expenses incurred in the preparation and submission of proposals in response to the RFP shall be borne by the Respondent.

D.20 CANCELLATION

DCHA reserves the right to cancel this RFP, or to reject, in whole or in part, any and all proposals received in response to this RFP, upon its determination that such cancellation or rejection is in the best interest of DCHA. DCHA further reserves the right to waive any minor information on any proposal received, if it is in the best interest of DCHA to do so. The decision as to who shall receive a contract award, or whether or not an award shall be made as a result of this RFP, shall be at the sole and absolute discretion of DCHA.

D.21 PROTEST

Any party involved in a dispute with DCHA related to any procurement decision that has unfavorably affected the aggrieved party is entitled to a resolution of the dispute in a timely manner and in accordance with applicable local or Federal law. The protestor, as defined below, in all instances, must pursue a remedy through the established administrative procedures of DCHA prior to pursuing protest with the Federal agency, defined below. Guidelines and procedures that must be followed are presented herein.

DEFINITIONS

Contracting Officer. The person within the DCHA duly authorized by the governing body thereof to administer contracts for, and in the name of, DCHA.

Executive Director. The Executive Director of the District of Columbia Housing Authority.

Federal Agency. Unless otherwise defined, the United States Department of Housing and Urban Development (HUD).
Protester. Any respondent to a solicitation made by DCHA who has submitted a bid, quotation, or proposal meeting all the material requirements of the solicitation, who has received an unfavorable decision concerning the results thereof, and who feels that said decision was reached in an unfair and/or biased manner.

PROCEDURES

1. Any protest against a solicitation must be received before the due date for receipt of bids or proposals, and any protest against the award of a contract must be received within ten calendar days of contract award by the Contracting Officer of the DCHA, or the protest will not be considered, unless a different time period has been established, if applicable. In such cases, the time period set forth in the solicitation and/or contract prevails. The complaint must be in writing, and must identify the aggrieved party by name and address, state the nature and scope of the complaint including costs, if any, being sought by the protester, and be specific as to the solicitation, bid, proposal or contract that gave rise to the protest or complaint.

2. The Contracting Officer, upon receipt of the formal complaint, shall review the merits of the protest and render a decision, in writing, to the Protester. The response shall state if the protest or complaint is eligible for consideration based on its timely submission, or state a finding of fact based on information provided by the Protester and DCHA’s knowledge of the circumstances, and included instructions for further action the Protester may take if said decision is not satisfactory. The Contracting Officer must respond to the protest within fifteen (15) days of its receipt, except where the response time is otherwise stipulated in a contract with the Protester directly related to the disputed issues.

3. If the Contracting Officer does not respond to the formal protest within the allotted time, or the Protester does not agree with the decision rendered, then the Protester may submit an appeal to have the dispute resolved by the DCHA Executive Director. Such request must be in writing and made within ten (10) days of the date of the initial decision rendered by the Contracting Officer, or within ten (10) days after the expiration of the response time allotted. The Executive Director shall respond to protests submitted in a timely manner within ten (10) days of receipt of said protests, except where the response time is otherwise stipulated in a contract with the Protester and directly related to the disputed issues.

4. If the Executive Director does not respond to a properly submitted protest within the allotted time, or the Protester continues to disagree with the decision rendered, then the Protester may submit a formal request to have the dispute settled by the appropriate field office of the U.S. Department of Housing and Urban Development (HUD) or to the District of Columbia Board of Contract Appeals (CAB). Such request must be in writing and made within ten (10) days of receipt of the decision rendered by the Executive
Director. The HUD field office will only review protests that meet one of the following criteria:

I. Violation of Federal law or regulations and the standards of section 200.317-200.326, code of Federal Regulations, title 2 (2 CFR, Part 200). Violations of local law will be under the jurisdictions of local authorities.
II. Violation of DCHA's protest procedures delineated herein based on the failure of DCHA to review a complaint or protest.

5. All protests, except those directed to HUD, or CAB, shall be addressed to the administrative offices of DCHA. The address of the administrative offices of DCHA is as follows:

District of Columbia Housing DCHA
Contracts and Procurement Administration
1133 North Capitol Street, N.E. Room 300
Washington, D.C. 20002-7599
Attn: Contracting Officer

6. All protests directed to the field office of the Federal agency shall be addressed to the following location:

Public Housing Division
U.S. Department of Housing and Urban Development
Washington D.C. Field Office, Region III
Union Center Plaza
820 First Street, N.W.
Washington, D.C. 20002-4205

7. DCHA shall, in all instances, promptly disclose information to HUD to any protests or complaints. However, failure to promptly notify HUD of such matters does not relieve the Protester of the responsibility to comply with the administrative procedures presented herein.

8. In the event the Protester disagrees with the decision rendered by the HUD Field Office and exhausted all administrative remedies, Protester may pursue any and all legal remedies available in the District of Columbia Board of Contract Appeals.

D.22 SIGNING OF PROPOSALS

The Respondent shall sign and print or type its name on the offer/proposal. Erasures or other changes must be initialed by the person signing the proposal. Proposals signed by an agent shall be accompanied by evidence of the agent's authority to bind the
Respondent, unless that evidence has been previously furnished to the Contracting Officer.

Proposals by a partnership must be signed with the partnership name by one of the members of the partnership or by an authorized representative, followed by the signature and designation of the person signing. Proposals by corporations must be signed with the name of the corporation, followed by the signature and designation of the President or Vice President and attested by the Secretary of the Corporation or other persons authorized to bind the Corporation and the Corporate Seal affixed thereto. If the proposal is signed by other than the President or Vice President, evidence of authority to so sign must be furnished in the form of an extract of minutes of a meeting of the board of Directors or extract of by-laws certified by the Corporate Secretary and Corporate Seal affixed thereto.

The names of all persons signing shall be typed or printed below the signatures. A proposal by a person, who affixes to his signature the word “President”, “Vice President”, “Secretary”, “Agent”, or other designation, without disclosing his principal, may be held personally to the proposal. Any proposal submitted by a joint venture must be signed by all authorized venture personnel.

D.23 BEST AND FINAL RESPONDENTS

DCHA may award a contract upon the basis of initial Responses received, without discussion. Therefore, each initial Respondent should contain the Respondent’s best terms, from a cost and technical standpoint. However, if discussions are held with one Respondent, all Respondents within the competitive range will be notified regarding the holding of discussions and will be provided an opportunity to submit written best and final offers (BAFOs) at the designated date and time. If a modification is submitted, it must be received by the date and time specified and is subject to the “Late Submission, Modifications and Withdrawals of Proposals” provisions of this solicitation.

After receipt of best and final offers, no discussions will be reopened unless the Contracting Officer determines that it is in DCHA’s best interest to do so. If discussions are opened, the Contracting Officer shall issue an additional request for best and final Responses to all Respondents still within the competitive range.

D.24 DAVIS BACON REQUIREMENTS – reserved
D.25  MCNAMARA – O’HARA SERVICE CONTRACT ACT

Respondent shall be required to comply with the requirements of the McNamara-O’Hara Service Contract Act of 1965 (SCA), as amended, 41 U.S.C. 351, et seq., and the implementing regulations found in 29 C.F.R. 4. The McNamara-O’Hara Service Contract Act requires contractors and subcontractors performing services on prime contracts in excess of $2,500 to pay service employees in various classes no less than the wage rates and fringe benefits found prevailing in the locality, or the rates (including prospective increases) contained in a predecessor contractor’s collective bargaining agreement. For prime contracts in excess of $100,000, contractors and subcontractors must also, under the provisions of the Contract Work Hours Safety Standards Act, as amended, 40 U.S.C. 3701 et seq., pay laborers and mechanics, including guards and watchmen, at least one and one-half times their regular rate of pay for all hours worked over 40 in a workweek.

SECTION E- EVALUATION CRITERIA

E.1  EVALUATION OF PROPOSALS

All proposals will be evaluated based on the evaluation criteria outlined below. The Evaluation Panel will determine a competitive range based on the established criteria and point system. The Evaluation Panel may consider a proposal unacceptable if it lacks critical information or the submission represents a major deviation from the requirements of this RFP. Minor omissions, such as incomplete references may, at the sole option and discretion of the DCHA, be corrected subsequent to the submission due date.

All proposals will be initially reviewed to determine compliance with the Proposal Format Requirements specified within this solicitation. Proposals that do not comply with these requirements may be rejected without further review.

The evaluation factors and the comparative scoring of the factors shown in E.4 below will be used to determine which Respondents fall within the competitive range and the recommendation made to the Executive Director.

E.2  RELATIVE IMPORTANCE OF TECHNICAL VERSUS COST/PRICE FACTORS

1. DCHA will make an award to the responsible respondent whose Respondent conforms to the solicitation and is most advantageous to the DCHA (i.e., that which represents the best value to the DCHA), cost or price and other factors considered. The proposed cost must be considered reasonable and must reflect the proposed technical approach.
2. The DCHA may award a contract to other than the lowest priced Respondent. In the event that two or more Respondents are considered technically equivalent, the evaluated cost or price will be of primary importance in determining the proposal most advantageous to DCHA.

3. The DCHA may make multiple awards to ensure availability of a wide range of products. The DCHA expects to make awards to a minimum of two and not more than ten responsible respondents whose Respondents conform to the solicitation and are considered to be most advantageous to the DCHA. The proposed cost must be considered reasonable and must reflect the proposed approach. The DCHA may award a contract to other than the lowest priced Respondent.

4. The combined relative merit of the technical evaluation factors listed below will be more significant than cost or price in the selection of the contractor.

E. 3 EVALUATION FACTORS AND SELECTION CRITERIA

The following evaluation factors will be used in determining the competitive rang with a total possible score of 172.5 points:

SECTION 3
The District of Columbia Housing Authority will apply appropriate points as outlined below:

1. Section 3/Resident Hiring: (Weighted Factor 20 points)
   Experience and success in training and hiring residents to achieve maximum benefit from implementation of the development plan:
SECTION 3 REQUIREMENTS

All Contractors shall comply with the Section 3 Program, as defined in the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Section 3), amended by the Housing and Community Development Act of 1992 (1992 Act commonly known as and herein after as the Section 3 Program). Section 3 compliance requires all Contractors performing work on behalf of the DCHA or any of its subsidiaries to ensure that training, employment, contracting and other economic opportunities generated by the Federal financial assistance shall, to the greatest extent feasible, be directed toward low-income and very-low-income persons, particularly those who are recipients of government assistance for housing. Our first priority will be to a DCHA resident or program participant. The minimum numerical goal for employment shall be equal to 10% of the total number of labor hours on this contract. A 2nd option for compliance under this act is to annually enroll Section 3 individuals totaling at minimum 30% to an Apprenticeship program. Another option is to subcontract to a Section 3 business concern. In accordance with the HUD regulations, 10% of the subcontract may be awarded to section 3 business concerns for construction and 3% of the subcontract may be awarded to section 3 business concerns for non-construction contracts. A 4th option for compliance is to propose a unique program that provides internships for residents or program participants or, provides pro bono services to DCHA program participants or Section 3 businesses. Cash donations to DCHA’s Section 3 Fund are presented as a “last resort option” to Contractors who have exhausted all priority preferences and are unable to hire or train Section 3 individuals for the following reasons:

- The contract is immediate and the period is minimal or
- The skill sets required by the staff is too technical or too advanced for the Section 3 individuals seeking employment.

Cash donations will be equivalent to the hourly wage rate of the lowest paid employee on the project, times 10% of the total labor hours for the task being performed. The funds support the removal of barriers for DCHA residents and program participants by providing resources such as training, or licenses.

Contractors and subcontractors will:

1. Incur all costs required for compliance with the applicable regulations;
2. Be subject to DCHA monitoring for compliance, and
3. Accept any applicable penalties for non-compliance.

The Contractor must include evidence of past performance, an “Action Plan for Section 3 Commitment” and an “Estimated Project Workforce Breakdown” along with their bid proposal to be considered for contract award. These documents should include a brief narrative description of the contract, and training and/or job opportunities for Section 3 participants as a part of this contract. The respondent should describe, in detail, the type of commitment set forth and methods to be utilized to accomplish the Section 3 Commitment. Specifically, the details of this plan should address the following: (1) indicate whether the firm has a valid Section 3 Certificate (issued by the Department of Housing and Community
Development); (2) Provide a detailed description of the hiring plan for DCHA program participants. Include the number and type of jobs to be provided; include the number and type of training plan for DCHA program participants, whether interns will be contracted or, if funding will be provided for training; (4) Outline the firm's proposal, if any, to subcontract to Section 3 businesses; and (5) Is your firm willing to provide pro bono services to DCHA program participants, or Section 3 businesses? Describe in detail, the type of service to be provided. A template of the Action Plan for Section 3 Commitment and a copy of the Estimated Project Workforce Breakdown have been enclosed with this letter solicitation (Attachments).

DCHA recognizes that the Contractor seeks trainees and/or employees that meet certain requirements. In order to better facilitate this goal, all efforts to hire to meet the Contactor's Section 3 goals must be coordinated through the DCHA Section 3 Compliance Coordinator. Each Section 3 Plan will be rated on the quantity of job opportunities and on the quality of the training and/or the development of skills that lead to economic self-sufficiency and careers.

The following definitions are applicable to this contract:
(a) "Authority or Housing Authority (HA)" means the Housing Authority.
(b) "Contract" means the contract entered into between the Authority and the Contractor. It includes the contract form, the Certifications and Representations, those contract clauses, and the scope of work. It includes all formal changes to any of those documents by addendum, Change Order, or other modification.

(d) "Day" means calendar days, unless otherwise stated.
(e) "HUD" means the Secretary of Housing and Urban Development, his delegates, successors, and assigns, and the officers and employees of the United States Department of Housing and Urban Development acting for and on behalf of the Secretary.

2. Changes

(a) The HA may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in the services to be performed or supplies to be delivered.
(b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.
(c) The Contractor must assert its right to an equitable adjustment under this clause within 30 days from the date of receipt of the written order. However, if the HA decides that the facts justify it, the HA may receive and act upon a proposal submitted before final payment of the contract.
(d) Failure to agree to any adjustment shall be a dispute under clause Disputes, herein. However, nothing in this clause shall excuse the Contractor from proceeding with the contract as charged.
(e) No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written consent of the HA.

3. Termination for Convenience and Default

(a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). The HA shall terminate by delivering to the Contractor a written Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.
(b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.
(c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.
(d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.
(e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

4. Examination and Retention of Contractor's Records

(a) The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Contractor's direct pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.
(h) The Contractor agrees to include in first-tier subcontracts under this contract a clause substantially the same as paragraph (a) above. "Subcontract," as used in this clause, excludes purchase orders not exceeding $10,000.

(c) The periods of access and examination in paragraphs (a) and (b) above for records relating to:
   (i) appeals under the clause titled Disputes;
   (ii) litigation or settlement of claims arising from the performance of this contract; or,
   (iii) costs and expenses of this contract to which the HA, HUD, or Comptroller General or any of their duly authorized representatives has taken exception shall continue until disposition of such appeals, litigation, claims, or exceptions.

5. Rights in Data (Ownership and Proprietary Interest)

The HA shall have exclusive ownership of, all proprietary interest in, and the right to full and exclusive possession of all information, materials and documents discovered or produced by Contractor pursuant to the terms of this Contract, including but not limited to reports, memoranda or letters concerning the research and reporting tasks of this Contract.

6. Energy Efficiency

The contractor shall comply with all mandatory standards and policies relating to energy efficiency which are contained in the energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163) for the State in which the work under this contract is performed.

7. Disputes

(a) All disputes arising under or relating to this contract, except for disputes arising under clauses contained in Section III, Labor Standards Provisions, including any claims for damages for the alleged breach thereof of which are not disposed of by agreement, shall be resolved under this clause.

(b) All claims by the Contractor shall be made in writing and submitted to the HA. A claim by the HA against the Contractor shall be subject to a written decision by the HA.

(c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.

(d) Provided the Contractor has (i) given the notice within the time stated in paragraph (c) above, and (ii) excepted its claim relating to such decision from the final release, and (iii) brought suit against the HA not later than one year after receipt of final payment, or if final payment has not been made, not later than one year after the Contractor has had a reasonable time to respond to a written request by the HA that it submit a final voucher and release, whichever is earlier, then the HA's decision shall not be final or conclusive, but the dispute shall be determined on the merits by a court of competent jurisdiction.

(e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

8. Contract Termination; Debarment

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as a Contractor and a subcontractor as provided in 24 CFR Part 24.

9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract, except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. If the Contractor is a partnership, this contract shall inure to the benefit of the surviving or remaining member(s) of such partnership approved by the HA.

10. Certificate and Release

Prior to final payment under this contract, or prior to settlement upon termination of this contract, and as a condition precedent thereto, the Contractor shall execute and deliver to the HA a certificate and release, in a form acceptable to the HA, of all claims against the HA by the Contractor under and by virtue of this contract, other than such claims, if any, as may be specifically excepted by the Contractor in stated amounts set forth therein.

11. Organizational Conflicts of Interest

(a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under this contract and a contractor's organizational, financial, contractual or other interests are such that:
   (i) Award of the contract may result in an unfair competitive advantage; or
   (ii) The Contractor's objectivity in performing the contract work may be impaired.

(b) The Contractor agrees that if after award it discovers an organizational conflict of interest with respect to this contract or any task/delivery order under the contract, he or she shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Contractor has taken or intends to take to eliminate or neutralize the conflict. The HA may, however, terminate the contract or task/delivery order for the convenience of the HA if it would be in the best interest of the HA.

(c) In the event the Contractor was aware of an organizational conflict of interest before the award of this contract and intentionally did not disclose the conflict to the Contracting Officer, the HA may terminate the contract for default.

(d) The terms of this clause shall be included in all subcontracts and consulting agreements wherein the work to be performed is similar to the service provided by the prime Contractor. The Contractor shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.

12. Inspection and Acceptance

(a) The HA has the right to review, require correction, if necessary, and accept the work products produced by the Contractor. Such review(s) shall be carried out within 30 days to 90 days to not impact the work of the Contractor. Any
product of work shall be deemed acceptable as submitted if the HA does not issue written comments and/or required corrections within 30 days from the date of receipt of such product from the Contractor. 

(b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or at a later date if extended by the HA.

(c) Failure by the Contractor to proceed with reasonable promptness to make necessary corrections shall be a default. If the Contractor's submission of corrected work remains unacceptable, the HA may terminate this contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

13. Interest of Members of Congress

No member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise therefrom, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

14. Interest of Members, Officers, or Employees and Former Members, Officers, or Employees

No member, officer, or employee of the HA, no member of the governing body of the locality in which the project is situated, no member of the governing body in which the HA was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the project, shall, during his or her tenure, or for one year thereafter, have any interest, direct or indirect, in this contract or the proceeds thereof.

An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

"State" means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

(b) Prohibition.

(i) Section 1352 of title 31, U.S.C. provides in part that no appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(ii) The prohibition does not apply as follows:
(1) Agency and legislative liaison by Own Employees.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

1. Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

2. Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) The following agency and legislative liaison activities are permitted where they are prior to formal solicitation of any covered Federal action:

1. Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

2. Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and

3. Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by subdivision (b)(ii)(1)(a) of this clause are permitted under this clause.

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of:

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(b) For purposes of subdivision (b)(ii)(2)(a) of this clause, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by subdivisions (b)(ii)(2)(a)(ii) and (ii) of this section are permitted under this clause.

(iii) Selling activities by independent sales representatives.

(c) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply to the following selling activities before an agency by independent sales representatives, provided such activities are prior to formal solicitation by an agency and are specifically limited to the merits of the matter:

(i) Discussing with an agency (including individual demonstration) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and

(ii) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) Agreement. In accepting any contract, grant, cooperative agreement, or loan resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.
18. Equal Employment Opportunity

During the performance of this contract, the Contractor agrees as follows:

(a) The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

(b) The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to: (1) employment; (2) upgrading; (3) demotion; (4) transfer; (5) recruitment or recruitment advertising; (6) layoff or termination; (7) rates of pay or other forms of compensation; and (8) selection for training, including apprenticeship.

(c) The Contractor shall post in conspicuous places available to employees and applicants for employment the notices to be provided by the Contracting Officer that explain this clause.

(d) The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

(e) The Contractor shall send, to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, the notice to be provided by the Contracting Officer advising the labor union or workers' representative of the Contractor's commitments under this clause, and post copies of the notice in conspicuous places available to employees and applicants for employment.

(f) The Contractor shall comply with Executive Order 11246, as amended, and the rules, regulations, and orders of the Secretary of Labor.

(g) The Contractor shall furnish all information and reports required by Executive Order 11246, as amended and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto. The Contractor shall permit access to its books, records, and accounts by the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(h) In the event of a determination that the Contractor is not in compliance with this clause or any rule, regulation, or order of the Secretary of Labor, this contract may be canceled, terminated, or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contracts, or federally assisted construction contracts under the procedures authorized in Executive Order 11246, as amended. In addition, sanctions may be imposed and remedies invoked against the Contractor as provided in Executive Order 11246, as amended, the rules, regulations, and orders of the Secretary of Labor, or as otherwise provided by law.

(i) The Contractor shall include the terms and conditions of this clause in every subcontract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued under Executive Order 11246, as amended, so that these terms and conditions will be binding upon each subcontractor or vendor. The Contractor shall take such action with respect to any subcontractor or purchase order as the Secretary of Housing and Urban Development or the Secretary of Labor may direct, as a means of enforcing such provisions, including sanctions for noncompliance, provided that if the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

17. Dissemination or Disclosure of Information

No information or material shall be disseminated or disclosed to the general public, the news media, or any person or organization without prior express written approval by the HA.

18. Contractor's Status

It is understood that the Contractor is an independent contractor and is not to be considered an employee of the HA, or assume any right, privilege or duty of an employer, and shall save harmless the HA and its employees from claims suits, actions and costs of every description resulting from the Contractor's activities on behalf of the HA in connection with this Agreement.

19. Other Contractors

HA may undertake or award other contracts for additional work at or near the site(s) of the work under this contract. The contractor shall fully cooperate with the other contractors and with HA and HUD employees and shall carefully adapt scheduling and performing the work under this contract to accommodate the additional work, heading any direction that may be provided by the Contracting Officer. The contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or HA employee.

20. Liens

The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

(b) The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

(c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of...
apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

(d) The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

(e) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.

SECTION 3 COMPLIANCE DOCUMENTS
Section 3 Contractor Compliance Agreement

This Section 3 Contractor Compliance Agreement is entered into between the District of Columbia Housing Authority (DCHA), located at 1133 North Capitol Street NE, Washington DC 20002-7599; and (name of contractor) located at (address of contractor).

24 C.F.R. Section 135.1 provides that the purpose of Section 3 of the Housing and Urban Development (HUD) Act of 1968, as amended, 12 U.S.C. 1701u (Section 3) is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed to low and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low and very low-income persons; and

"Section 3 covered activities" are training, employment, contracting, and other economic opportunities arising from development, operating and modernization assistance funded by HUD notwithstanding the amount of the contract or subcontract, and regardless of whether the activity is fully or partially funded by HUD funds; and

"Section 3 Resident" means:

- A public housing resident;
- Other DCHA Voucher Program participant; or
- An individual who resides in the District of Columbia and who is a low or very low-income person; and,

"Section 3 Business" means a business concern that:

- Is a business concern that is 51% or more owned by Section 3 residents; or
- A business whose permanent, full-time employees include at least 30% current Section 3 residents (or are within three years of the date of first employment as a Section 3 resident); or
- A business which provides evidence of a commitment to subcontract in excess of 25% or the dollar award of all subcontracts to businesses that meet the tests in (3)(a) or (3)(b) above; and
The purpose of the Section 3 program is to ensure that employment and other economic opportunities generated by certain types of activities undertaken by DCHA with HUD funding are, to "the greatest extent feasible," directed to:

a. Low and very-low income persons, particularly public housing residents and other DCHA Voucher Program participants; and

b. Business concerns which provide economic opportunities to such persons; and,

It is the policy of DCHA to continue to expand the mechanisms through which public housing residents, residents of surrounding communities, and Housing Choice Voucher Program participants can develop careers and generate income that can permanently sustain economic independence; and

DCHA’s implementation of the Section 3 Program provides a mechanism that will enable DCHA to require and help its contractors, subcontractors, vendors and suppliers to provide employment, training, and business opportunities for public housing residents, residents or surrounding communities, and Housing Choice Voucher Program participants; and

The Section 3 Program promotes economic development through entrepreneurial, self-sufficiency and community reinvestment opportunities; and

24 C.F.R. § 135.30 (a) creates a “safe harbor” whereby recipients and covered contractors may demonstrate compliance with the “greatest extent feasible” requirement of Section 3 by meeting the listed numerical requirements.

The undersigned parties agree to comply with the following provisions in accordance with DCHA’s Section 3 policy:

1. Section 3 Hiring Requirements. Contractor agrees at least 10% of its total labor hours shall be allotted to Section 3 individuals.

   a. In the event that Contractor fails to reach the 10% requirement, Contractor must provide a written justification of the impediments encountered and what actions or other economic opportunities, such as joint venturing, Contractor attempted in efforts to reach the requirement.

   b. Contractor must complete and record exit evaluations of “Section 3 Resident” employees for each job assignment completed.

   c. New hires are subject to contractor’s standard employment policies. Moreover, Contractor can hire an applicant to work on the job site or within Contractor’s office/plant, etc. The work does not have to be directly related to the contract in question.
2. **Section 3 Contracting Requirements.** Contractor agrees to meet the minimum Section 3 contracting requirements as a safe harbor that meets the "greatest extent feasible" statutory requirement as follows:

   a. For contracts for building trades work for maintenance, repair, modernization or development, Contractor agrees to award contracts of at least 10% of the total dollar amount of contracts or subcontracts to "Section 3 Businesses".

   b. For all other covered contracts, Contractor agrees to award contracts of at least 3% of the total dollar amount of contracts or subcontracts to "Section 3 Businesses".

   c. In the event that the Contractor fails to meet these minimum numerical requirements, Contractor must demonstrate in writing why it was not feasible to meet the numerical requirements, including actions taken and any impediments encountered as well as other economic opportunities that were provided in the absence of meeting the requirement.

   d. Contractors must differentiate between labor and non-labor (materials and supplies) dollars so that the amount of Section 3 dollars to be expended can be determined. This must be completed within five (5) days after the execution of the contract. Service contractors' total contract amount will be used as their labor dollar in determining the Section 3 dollar amount to be expended unless supplies/materials must also be purchased for this contract; in such case that amount is deducted.

   e. Contractors must complete the forms included in the bid packets and are further required to submit monthly reports of all payments made to Section 3 subcontractors. If no payment is made in a given month, it must be noted and discussed with the Section 3 Coordinator.

3. **Eligible Section 3 Subcontractors.** A database of eligible "Section 3 Businesses" and suppliers will be developed and maintained by the DC Department of Housing and Community Development (DHCD). This database will be continually updated and made available upon request to Contractor. The database contains the names, addresses and telephone numbers of "Section 3 Businesses" and suppliers, basic firm descriptions, lists of projects completed, references, bonding capacity, union affiliation and certification.

4. **Joint Ventures.** DCHA encourages joint ventures with "Section 3 Businesses" as a means of complying with the requirements of Section 3. In addition to performing the work, joint ventures will help Section 3 businesses strengthen their internal management structures, enhance their ability to learn from the technical expertise and experience of established contractors.
a. Section 3 joint venture is an association of business concerns, one of which is a "Section 3 Business". The joint venture must be formed by a written joint venture agreement that must be submitted to the Office of Administrative Services and the Section 3 Coordinator for confirmation that it meets Section 3 requirements.

b. Under the terms of the joint venture agreement, the "Section 3 Business" must be responsible for a clearly defined portion of the work and hold management responsibilities. The "Section 3 Business" must perform at least 25% of the work and be contractually entitled to a proportionate share of the compensation.

5. Section 3 Compliance Procedures. If Contractor fails to meet the Section 3 hiring and/or contracting requirements, DCHA may determine it to be non-compliant. If DCHA determines that Contractor is non-compliant, DCHA shall serve written notice of its determination of non-compliance on Contractor or its representatives. Contractor shall be responsible for notifying any subcontractor or supplier who is not in compliance.

a. Corrective Plans – Upon request of DCHA, Contractor agrees to meet with the Section 3 Compliance Coordinator and any other appropriate representative from DCHA within three (3) working days of the written notice in order to determine a Plan for correcting the deficiencies and determining the time period within which such remedy shall be effected.

b. If a remedy is not agreed upon within three (3) days of the required notice, the Section 3 Compliance Coordinator shall prescribe the remedy by which deficiencies shall be corrected and notify Contractor in writing of such determination.

6. Sanctions. If Contractor does not correct the deficiencies in the manner prescribed within thirty (30) calendar days, the Contracting Officer may impose the following sanctions:

   a. Withholding payments on contracts; and/or
   b. Canceling and suspending contracts; and/or
   c. Placing Contractor on list of contractors who fail to comply with the DCHA's Section 3 requirements.
   d. The Contractor may also be subject to a fine that is equivalent to 10% of the total labor hours for the lowest paid position on the contract.

7. Section 3 Reporting Procedures. Contractor agrees to submit monthly Section 3 Status Reports to the Section 3 Compliance Coordinator.
8. **Section 3 Clauses.** Attachment A to this Contract contains the "Section 3 Clauses". Contractor agrees to include these clauses in all subcontracts related to its contract with DCHA.

9. The parties further certify that the persons executing this Agreement have the authority to so bind the parties to this Agreement.

IN WITNESS WHEREOF, the undersigned parties execute this Agreement, intending to be bound, this _______ day of ________________, 20____ in Washington, D.C.

   (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
   (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or facsimile, and it is determined by the HA/HUD that the late receipt was due solely to mishandling by the HA/HUD after receipt at the HA;
   (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Address, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
   (4) Is the only offer received.
(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.
(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date of the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.
(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.
The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (a) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including telexgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by an offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award
(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.
(b) The HA may
(1) reject any or all offers if such action is in the HA's interest,
(2) accept other than the lowest offer,
(3) waive informalities and minor irregularities in offers received, and
(4) award more than one contract for all or part of the requirements stated.
(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest
Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission
Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to assure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: $4.27 per hour or $170.80 per week or $740.13 per month

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor, 3 weeks after 5 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year: New Year’s Day, Martin Luther King Jr.’s Birthday, Washington’s Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans’ Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b), this wage determination does not apply to any employee who individually qualifies as a bona fide executive, administrative, or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than $27.63 (or on a salary or fee basis at a rate not less than $455 per week) an hour would likely qualify as exempt computer professionals, (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition, because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds $27.63 per hour conformance may be necessary for certain nonexempt employees. For example, if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate, then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally, because job titles vary widely and change quickly in the computer industry, job titles are not determinative of the application of the computer professional exemption. Therefore, the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software, or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY; if you
work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

** HAZARDOUS PAY DIFFERENTIAL **

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dyeing, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder.

All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

** UNIFORM ALLOWANCE **

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of $3.35 per week (or $.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS **

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition (Revision 1),
dated September 2015, unless otherwise indicated.

** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE, Standard Form 1444 (SF-1444) **

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract, a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).

2) After contract award, the contractor prepares a written report listing in order the proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees perform any contract work.

3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the U.S. Department of Labor, Wage and Hour Division, for review (See 29 CFR 4.6(b)(2)(ii)).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" should be used to compare job definitions to ensure that duties
requested are not performed by a classification already listed in the wage
determination. Remember, it is not the job title, but the required tasks that
determine whether a class is included in an established wage determination.
Conformances may not be used to artificially split, combine, or subdivide
classifications listed in the wage determination (See 29 CFR 4.152(c)(1)).
