D.8 CEILING PRICE

The DCHA shall not be obligated to pay the Contractor any amount in excess of the ceiling price (also referred to as the total price) in the Price Schedule(s), and the Contractor shall not be obligated to continue performance if to do so would exceed the ceiling price set forth in the Schedule(s), unless and until the Contracting Officer shall have notified the Contractor in writing that the ceiling price has been increased and shall have specified in the notice a revised ceiling that shall constitute the ceiling price for performance under this contract. When and to the extent that the ceiling price set forth in the Schedule(s) has been increased, any hours expended and material costs incurred by the Contractor in excess of the ceiling price before the increase shall be allowable to the same extent as if the hours expended and material costs had been incurred after the increase in the ceiling price.

D.9 AFFIRMATIVE ACTION PROGRAM

If requested, Respondent shall submit two (2) copies of an Affirmative Action Program (AAP) and Goals and Time Tables (G&T), "Compliance with Equal Opportunity Obligations in Contracts" and the Office of Human Rights Regulations, Chapter 11, "Equal employment Opportunity Requirements in Contracts", promulgated August 15, 1986.

D.10 SECTION 3 REQUIREMENTS

All Contractors shall comply with the Section 3 Program, as defined in the Housing and Urban Development Act of 1968 (12 U. S. C. 1701u) (Section 3), amended by the Housing and Community Development Act of 1992 (1992 Act) (commonly known as and herein after as the Section 3 Program). Section 3 compliance requires all Contractors performing work on behalf of the DCHA or any of its subsidiaries to ensure that training, employment, contracting and other economic opportunities generated by the Federal financial assistance shall, to the greatest extent feasible, be directed toward low-income

and very-low-income persons, particularly those who are recipients of government assistance for housing.

The minimum numerical goal for employment shall be equal to 10% of the total number of labor hours on the contract issued. A 2nd option for compliance under this act is to annually enroll Section 3 individuals totaling at minimum 30% to an Apprenticeship program. Another option is to subcontract to a Section 3 business concern. In accordance with the HUD regulations, 10% of the subcontract may be awarded to section 3 business concerns for construction and 3% of the subcontract may be awarded to section 3 business concerns for non-construction contracts. A 4th option for compliance is to propose a unique program that provides internships for residents or program participants or, provides pro bono services to DCHA program participants or Section 3 businesses. Cash donations to DCHA's Section 3 Fund are presented as a "last resort option" to all Contractors. This option is made available to Contractors who have exhausted all priority preferences and are unable to hire or train Section 3 individuals as the contract is immediate and the period is minimal or, the skill sets required by the staff is too technical or too advanced for the Section 3 individuals seeking employment. The funds received will be used to provide training, uniforms, or transportation for Section 3 individuals.

Contractors and subcontractors will:

1. Incur all costs required for compliance with the applicable regulations;
2. Be subject to DCHA monitoring for compliance, and
3. Accept any applicable penalties for noncompliance.

The Contractor must provide an "Action Plan for Section 3 Commitment" and an "Estimated Project Workforce Breakdown" along with their bid proposal to be considered for contract award. These documents should include a brief narrative description of the contract, and training and/or job opportunities for Section 3 participants as a part of this contract. The details of this plan should include the number of Section 3 participants to be hired, a list of tasks, description of skills associated to those tasks, the estimated total hours of those tasks under this contract, and a description of the methods to be used to achieve the respective Section 3 Commitment. A template of the Action Plan for Section 3 Commitment and a copy of the Estimated Project Workforce Breakdown have been enclosed with this letter solicitation (**Attachments**).

DCHA recognizes that the Contractor seek trainees and/or employees that meet certain requirements. In order to better facilitate this goal, all efforts to hire to meet the Contractor's Section 3 goals must be coordinated through the DCHA Section 3 Compliance Coordinator. Each Section 3 Plan will be rated on the quantity of job opportunities and on the quality of the training and/or the development of skills that lead to economic self-sufficiency and careers.

Examples of Opportunities

Administrative/ Management	accounting, payroll, research, bookkeeping, purchasing, word processing

See Attachment L- Benchmark Standards & Menu of Expanded Options for Compliance with DCHA's Section 3 Program

Non-Compliance Procedures

Any Contractor who fails to make a positive effort to meet the hiring and contracting goals described in the Section 3 Plan may be determined to be non-compliant. After a determination by DCHA that the Contractor has failed to comply with the Section 3 terms of their contract, DCHA shall serve notice of such non-compliance to the Contractor or its representative. The Contractor shall be responsible for notifying any subcontractor(s) who is not in compliance.

Upon request, the Contractor determined to be non-compliant shall meet with DCHA within three (3) working days of written notice in order to determine a method of correcting the deficiencies and determining the time period within such remedy shall be effective. If remedy is not agreed upon within three (3) days of the required notice, DCHA shall prescribe the remedy by which deficiencies shall be corrected and notify the Contractor in writing of such a determination. If the Contractor does not correct the deficiencies in the manner as directed by DCHA within thirty (30) calendar days DCHA may impose any or all of the following sanctions:

- (a) Withholding payments;
- (b) Termination for default or suspension of contract; or
- (c) Placing the Contractor on a list of Contractors who fail to comply with DCHA Section 3 requirements.

Monitoring

DCHA will conduct unscheduled site visits to interview all Section 3 hires. DCHA will also review weekly payrolls and other supportive documentation.

Reporting

Contractor must submit quarterly reports regarding their Section 3 activities as requested by the Section 3 Compliance Coordinator. If Contractors chose to contract with Section 3 business concerns they must also submit proof of payment to those businesses.

Within five business days of project completion, Contractors are required to provide a narrative of their efforts and outcomes as it relates to Section 3 activity to the DCHA Section 3 Compliance Coordinator.

A Respondent including proprietary or confidential information in its proposal shall conspicuously display the following information on the first page of the offer if the Respondent does not want the proprietary or confidential information disclosed to the public for any purpose or used by DCHA and, its wholly-owned subsidiaries except for evaluation purposes:

- D.11.1 That the proposal includes proprietary or confidential information that shall not be disclosed outside of DCHA and, its wholly-owned subsidiaries and shall not be duplicated, used, or disclosed, in whole or in part, for any purpose other than to evaluate the proposal;
- D.11.2 That if a contract is awarded to the Respondent, DCHA and its wholly-owned subsidiaries shall have the right to duplicate, use, or disclose the proprietary or confidential information to the extent provided in the contract;
- D.11.3 That this restriction does not limit DCHA and its wholly-owned subsidiaries right to use the proprietary or confidential information if it is obtained from another source without restriction; and
- D.11.4 That the Respondent has specifically identified, by page number or otherwise, the proprietary or confidential information subject to the restriction.
- D.11.5 The Respondent shall not designate as proprietary or confidential information the name of the respondent, the proposal price, or any information that is not actually proprietary or confidential.

In addition to the requirements above, the Respondent shall conspicuously mark each separate sheet containing proprietary or confidential information it wishes to restrict with a notation to the effect that the use or disclosure of proprietary or confidential information contained on the sheet is subject to the restriction set forth on the first page of the proposal.

D.12 RESPONSIBLE CONTRACTORS

1. Integrity
2. Compliance with public policy
3. Record of past performance
4. Financial and technical resources

Before a proposal is considered for award, the Respondent may be requested by DCHA to submit documentation regarding any of the items in the paragraphs above. Failure by the Respondent to provide such additional information shall render the Respondent ineligible for award. In addition, the DCHA may conduct site visits to the Respondent's office or facility to verify information contained in the proposal.

D.13 EMPLOYEE DISHONESTY INSURANCE

The Respondent shall provide evidence of employee dishonesty insurance for an amount not less than \$250,000, obtained at its own expense, for the purpose of protecting DCHA against dishonest acts of the Respondent and its employees. The DCHA must be named as the loss payee. The insurance company, form, limits and content of such coverage will be subject to the approval of DCHA. The obligations, indemnities and liabilities assumed by the Respondent shall not extend to any liability caused by the negligence of HUD, DCHA or their employees or agents. Any provisions or limits of insurance set forth in this contract shall not limit the Respondent's liability. At its own expense, the Respondent shall obtain the necessary insurance coverage acceptable to DCHA to comply with this indemnification requirement; provide evidence of such coverage to the DCHA, and such coverage shall be in place before the execution of the contract awarded and as a condition to it.

D.14 RESPONDENT'S KEY PERSONNEL

The key personnel specified in the Respondent's proposal are considered to be essential to the work being performed under the contract. Prior to diverting any of the key personnel for any reason(s), the Respondent shall notify the Contracting Officer in

writing at least thirty (30) days in advance and shall submit justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on the contract.

D.15 CONSENT TO SUBCONTRACT

The Respondent must obtain the consent of DCHA to subcontract any portion of the work. All Respondents are required to include in their proposal a list of any proposed subcontractors, and a list of tasks/items, if any, which the Respondent intends to subcontract all or any portion of work.

D. 16 FAIR HOUSING EQUAL OPPORTUNITY CLAUSE

During the performance of the contract, the Respondent shall not discriminate on the basis of race, color, religion (creed), sex, natural origin, handicap or familial status, or the existence or use of a policy or practice, or any arrangement, criterion or other method of administration which has the effect of denying Equal Housing Opportunity, or which substantially impairs the ability of persons to apply for or receive the benefits of assistance because of race, color, religion (creed), sex, natural origin, handicap or familial status, in the sale, rental or other disposition of residential properties or related facilities, including land to be developed for residential use, or in the use or occupancy thereof.

D.17 THE AMERICAN WITH DISABILITIES ACT OF 1990 (ADA)

During the performance of the contract, the Respondent and all of its subcontractors shall comply with the ADA. The ADA makes it unlawful to discriminate in employment against a qualified individual with disability. See 42 U.S. Code 2101 et.seq.

D.18 SECTION 504 OF THE REHABILITATION ACT OF 1973 (AS AMENDED)

During the performance of the contract, the Respondent and all of its subcontractors shall comply with the Section 504 of the Rehabilitation Act of 1973, as amended. See 29 U.S.C. §794

It is assumed that the Respondent has made full investigation so as to be fully informed of the extent and character of the services requested and of the requirements of the

specifications. No warranty is made or implied as to the information contained in the RFP, specifications, and/or instructions.

D.20 EXPENSE OF THE RFP SUBMISSION

All expenses incurred in the preparation and submission of proposals in response to the RFP shall be borne by the Respondent.

D.21 CANCELLATION

DCHA reserves the right to cancel this RFP, or to reject, in whole or in part, any and all proposals received in response to this RFP, upon its determination that such cancellation or rejection is in the best interest of DCHA. DCHA further reserves the right to waive any minor information on any proposal received, if it is in the best interest of DCHA to do so. The decision as to who shall receive a contract award, or whether or not an award shall be made as a result of this RFP, shall be at the sole and absolute discretion of DCHA.

D.22 PROTEST

Any party involved in a dispute with DCHA related to any procurement decision that has unfavorably affected the aggrieved party is entitled to a resolution of the dispute in a timely manner and in accordance with applicable local or Federal law. The protestor, as defined below, in all instances, must pursue a remedy through the established administrative procedures of DCHA prior to pursuing protest with the Federal agency, defined below. Guidelines and procedures that must be followed are presented herein.

DEFINITIONS

Contracting Officer. The person within the DCHA duly authorized by the governing body thereof to administer contracts for, and in the name of, DCHA.

Executive Director. The Executive Director of the District of Columbia Housing Authority, or any official of DCHA acting in said capacity.

Federal Agency. Unless otherwise defined, the United States Department of Housing and Urban Development (HUD).

Protester. Any respondent to a solicitation made by DCHA who has submitted a bid, quotation, or proposal meeting all the material requirements of the solicitation, who has received an unfavorable decision concerning the results thereof, and who feels that said decision was reached in an unfair and/or biased manner.

PROCEDURES

1. Any protest against a solicitation must be received before the due date for receipt of bids or proposals, and any protest against the award of a contract must be received within ten calendar days of contract award by the Contracting Officer of the DCHA, or the protest will not be considered, unless a different time period has been established, if applicable. In such cases, the time period set forth in the solicitation and/or contract prevails. The complaint must be in writing, and must identify the aggrieved party by name and address, state the nature and scope of the complaint including costs, if any, being sought by the protester, and be specific as to the solicitation, bid, proposal or contract that gave rise to the protest or complaint.
2. The Contracting Officer, upon receipt of the formal complaint, shall review the merits of the protest and render a decision, in writing, to the Protester. The response shall state if the protest or complaint is eligible for consideration based on its timely submission, or state a finding of fact based on information provided by the Protester and DCHA's knowledge of the circumstances, and included instructions for further action the Protester may take if said decision is not satisfactory. The Contracting Officer must respond to the protest within fifteen (15) days of its receipt, except where the response time is otherwise stipulated in a contract with the Protester directly related to the disputed issues.
3. If the Contracting Officer does not respond to the formal protest within the allotted time, or the Protester does not agree with the decision rendered, then the Protester may submit an appeal to have the dispute resolved by the DCHA Executive Director. Such request must be in writing and made within ten (10) days of the date of the initial decision rendered by the Contracting Officer, or within ten (10) days after the expiration of the response time allotted. The Executive Director shall respond to protests submitted in a timely manner within ten (10) days of receipt of said protests, except where the response time is otherwise stipulated in a contract with the Protester and directly related to the disputed issues.
4. If the Executive Director does not respond to a properly submitted protest within the allotted time, or the Protester continues to disagree with the decision rendered, then the Protester may submit a formal request to have the dispute settled by the appropriate field office of the U.S. Department of Housing and Urban Development (HUD) or to the District of Columbia Board of Contract Appeals (CAB). Such request must be in writing and made within ten (10) days of receipt of the decision rendered by the Executive Director. The HUD field office will only review protests that meet one of the following criteria:
 - I. Violation of Federal law or regulations and the standards of section 200.317-200.326, code of Federal Regulations, title 2 (2 CFR, Part 200). Violations of local law will be under the jurisdictions of local authorities.
 - II. Violation of DCHA's protest procedures delineated herein based on the failure of DCHA to review a complaint or protest.

5. All protests, except those directed to HUD, or CAB, shall be addressed to the administrative offices of DCHA. The address of the administrative offices of DCHA is as follows:

District of Columbia Housing DCHA
Contracts and Procurement Administration
1133 North Capitol Street, N.E. Room 300
Washington, D.C. 20002-7599
Attn: Contracting Officer

6. All protests directed to the field office of the Federal agency shall be addressed to the following location:

Public Housing Division
U.S. Department of Housing and Urban Development
Washington D.C. Field Office, Region III
Union Center Plaza
820 First Street, N.W.
Washington, D.C. 20002-4205

7. DCHA shall, in all instances, promptly disclose information to HUD to any protests or complaints. However, failure to promptly notify HUD of such matters does not relieve the Protester of the responsibility to comply with the administrative procedures presented herein.
8. In the event the Protester disagrees with the decision rendered by the HUD Field Office and exhausted all administrative remedies, Protester may pursue any and all legal remedies available in the District of Columbia Board of Contract Appeals.

D.23 BEST AND FINAL OFFERS

DCHA may award a contract upon the basis of initial responses received, without discussion. Therefore, each initial proposal should contain the Respondent's best terms, from a cost and technical standpoint. However, if discussions are held with one Respondent, all Respondents within the competitive range will be notified regarding the holding of discussions and will be provided an opportunity to submit written best and final offers ("BAFO"s) at the designated date and time. If a modification is submitted, it must be received by the date and time specified and is subject to the "Late Submission, Modifications and Withdrawals of Proposals" provisions of this solicitation.

After receipt of best and final offers, no discussions will be reopened unless the Contracting Officer determines that it is in DCHA's best interest to do so. If discussions are opened, the Contracting Officer shall issue an additional request for best and final Responses to all Respondents still within the competitive range.

D.25 MCNAMARA – O’HARA SERVICE CONTRACT ACT

SECTION E- EVALUATION CRITERIA

E.1 EVALUATION OF PROPOSALS

All proposals will be evaluated based on the evaluation criteria outlined below. The Contracting Officer will determine a competitive range based on the established criteria and point system. The Evaluation Panel may consider a proposal unacceptable if it lacks critical information or the submission represents a major deviation from the requirements of this RFP. Minor omissions, such as incomplete references may, at the sole option and discretion of the DCHA, be corrected subsequent to the submission due date.

All proposals will be initially reviewed to determine compliance with the proposal requirements specified within this solicitation. Proposals that do not comply with these requirements may be rejected without further review.

The evaluation factors and the comparative scoring of the factors shown in E.3 below will be used to determine which Respondents fall within the competitive range and the recommendation made to the Executive Director.

E.2 RELATIVE IMPORTANCE OF TECHNICAL VERSUS COST/PRICE FACTORS

1. DCHA will make an award to the responsible respondent whose Respondent conforms to the solicitation and is most advantageous to the DCHA (i.e., that which represents the best value to the DCHA), cost or price and other factors considered. The proposed cost must be considered reasonable and must reflect the proposed technical approach.

2. DCHA may award a contract to other than the lowest priced Proposal. In the event that two or more Respondents are considered technically equivalent, the evaluated cost or price will be of primary importance in determining the proposal most advantageous to DCHA. The proposed cost must be considered reasonable and must reflect the proposed approach.
3. DCHA may make multiple awards to ensure availability of a wide range of services.
4. The combined relative merit of the technical evaluation factors listed below will be more significant than cost or price in the selection of the Contractor.

E. 3 EVALUATION FACTORS AND SELECTION CRITERIA

Respondents are required to respond thoroughly to each of the following evaluation factors, with focus on providing answers that are both clear and concise. If any requirement listed cannot be met, full disclosure must be given, along with an explanation and proposed alternative, if appropriate.

DCHA will add additional points for Business Enterprise Designations after the technical evaluations have been completed and the competitive range has been established by the Contracting Officer.

This Section 3 Contractor Compliance Agreement is entered into between the District of Columbia Housing Authority (DCHA), located at 1133 North Capitol Street NE, Washington DC

20002-7599; and (name of contractor) _____ located at

(address of contractor) _____.

- 24 C.F.R. Section 135.1 provides that the purpose of Section 3 of the Housing and Urban Development (HUD) Act of 1968, as amended, 12 U.S.C. 1701u (Section 3) is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed to low and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low and very low-income persons; and
- "Section 3 covered activities" are training, employment, contracting, and other economic opportunities arising from development, operating and modernization assistance funded by HUD notwithstanding the amount of the contract or subcontract, and regardless of whether the activity is fully or partially funded by HUD funds; and
- "Section 3 Resident" means:
 - a. A public housing resident;
 - b. Other DCHA Voucher Program participant; or
 - c. An individual who resides in the District of Columbia and who is a low or very low-income person; and,
- "Section 3 Business" means a business concern that:
 - a. Is a business concern that is 51% or more owned by Section 3 residents; or
 - b. A business whose permanent, full-time employees include at least 30% current Section 3 residents (or are within three years of the date of first employment as a Section 3 resident); or
 - c. A business which provides evidence of a commitment to subcontract in excess of 25% or the dollar award of all subcontracts to businesses that meet the tests in (3)(a) or (3)(b) above; and

- The purpose of the Section 3 program is to ensure that employment and other economic opportunities generated by certain types of activities undertaken by DCHA with HUD funding are, to "the greatest extent feasible," directed to:
 - a. Low and very-low income persons, particularly public housing residents and other DCHA Voucher Program participants; and
 - b. Business concerns which provide economic opportunities to such persons; and,
- It is the policy of DCHA to continue to expand the mechanisms through which public housing residents, residents of surrounding communities, and Housing Choice Voucher Program participants can develop careers and generate income that can permanently sustain economic independence; and
- DCHA's implementation of the Section 3 Program provides a mechanism that will enable DCHA to require and help its contractors, subcontractors, vendors and suppliers to provide employment, training, and business opportunities for public housing residents, residents of surrounding communities, and Housing Choice Voucher Program participants; and
- The Section 3 Program promotes economic development through entrepreneurial, self-sufficiency and community reinvestment opportunities; and
- 24 C.F.R. § 135.30 (a) creates a "safe harbor" whereby recipients and covered contractors may demonstrate compliance with the "greatest extent feasible" requirement of Section 3 by meeting the listed numerical requirements.

The undersigned parties agree to comply with the following provisions:

1. **Section 3 Hiring Requirements.** Contractor agrees at least 30% of its aggregate new hires over a one year period shall be "Section 3 residents." The 30% minimum represents a safe harbor for hiring that meets the "greatest extent feasible" statutory requirement.
 - a. In the event that Contractor fails to reach the 30% requirement, Contractor must provide a written justification of the impediments encountered and what actions or other economic opportunities, such as joint venturing, Contractor attempted in efforts to reach the requirement.
 - b. Contractor must complete and record exit evaluations of "Section 3 Resident" employees for each job assignment completed.
 - c. New hires are subject to contractor's standard employment policies. Moreover, Contractor can hire an applicant to work on the job site or within Contractor's office/plant, etc. The work does not have to be directly related to the contract in question.

2. **Section 3 Contracting Requirements.** Contractor agrees to meet the minimum Section 3 contracting requirements as a safe harbor that meets the "greatest extent feasible" statutory requirement as follows:
 - a. For contracts for building trades work for maintenance, repair, modernization or development, Contractor agrees to award contracts of at least 10% of the total dollar amount of contracts or subcontracts to "Section 3 Businesses".
 - b. For all other covered contracts, Contractor agrees to award contracts of at least 3% of the total dollar amount of contracts or subcontracts to "Section 3 Businesses".
 - c. In the event that the Contractor fails to meet these minimum numerical requirements, Contractor must demonstrate in writing why it was not feasible to meet the numerical requirements, including actions taken and any impediments encountered as well as other economic opportunities that were provided in the absence of meeting the requirement.
 - d. Contractors must differentiate between labor and non-labor (materials and supplies) dollars so that the amount of Section 3 dollars to be expended can be determined. This must be completed within five (5) days after the execution of the contract. Service contractors' total contract amount will be used as their labor dollars in determining the Section 3 dollar amount to be expended unless supplies/materials must also be purchased for this contract; in such case that amount is deducted.
 - e. Contractors must complete the forms included in the bid packets and are further required to submit monthly reports of all payments made to Section 3 subcontractors. If no payment is made in a given month, it must be noted and discussed with the Section 3 Coordinator.
3. **Eligible Section 3 Subcontractors.** A database of eligible "Section 3 Businesses" and suppliers will be developed and maintained by the DCHA Office of Administrative Services. This database will be continually updated and made available upon request to Contractor. The database contains the names, addresses and telephone numbers of "Section 3 Businesses" and suppliers, basic firm descriptions, lists of projects completed, references, bonding capacity, union affiliation and certification.
4. **Joint Ventures.** DCHA encourages joint ventures with "Section 3 Businesses" as a means of complying with the requirements of Section 3. In addition to performing the work, joint ventures will help Section 3 businesses strengthen their internal

management structures, enhance them to learn from the technical expertise and experience of established contractors.

- a. Section 3 joint venture is an association of business concerns, one of which is a "Section 3 Business". The joint venture must be formed by a written joint venture agreement that must be submitted to the Office of Administrative Services and the Section 3 Coordinator for confirmation that it meets Section 3 requirements.
- b. Under the terms of the joint venture agreement, the "Section 3 Business" must be responsible for a clearly defined portion of the work and hold management responsibilities. The "Section 3 Business" must perform at least 25% of the work and be contractually entitled to a proportionate share of the compensation.
5. **Section 3 Compliance Procedures.** If Contractor fails to meet the Section 3 hiring and/or contracting requirements, DCHA may determine it to be non-compliant. If DCHA determines that Contractor is non-compliant, DCHA shall serve written notice of its determination of non-compliance on Contractor or its representatives. Contractor shall be responsible for notifying any subcontractor or supplier who is not in compliance.
 - a. **Corrective Plans** – Upon request of DCHA, Contractor agrees to meet with the Section 3 Compliance Coordinator and any other appropriate representative from DCHA within three (3) working days of the written notice in order to determine a Plan for correcting the deficiencies and determining the time period within which such remedy shall be effected.
 - b. If a remedy is not agreed upon within three (3) days of the required notice, the Section 3 Compliance Coordinator shall prescribe the remedy by which deficiencies shall be corrected and notify Contractor in writing of such determination.
6. **Sanctions.** If Contractor does not correct the deficiencies in the manner prescribed within thirty (30) calendar days, the Contracting Officer may impose the following sanctions:
 - a. Withholding payments on contracts; and/or
 - b. Canceling and suspending contracts; and/or
 - c. Placing Contractor on list of contractors who fail to comply with the DCHA's Section 3 requirements.
7. **Section 3 Reporting Procedures.** Contractor agrees to submit monthly Section 3 Status Reports to the Office of Administrative Services.

The District of Columbia Housing Authority
1133 North Capitol Street NE, Washington, DC 20002

8. **Section 3 Clauses.** Attachment D to this Contract contains the "Section 3 Clauses". Contractor agrees to include these clauses in all subcontracts related to its contract with DCHA.
9. The parties further certify that the persons executing this Agreement have the authority to so bind the parties to this Agreement.

Instructions to Offerors Non-Construction

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

- 03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
 - (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
 - (3) letter or telegram, or
 - (4) facsimile, if facsimile offers are authorized in the solicitation.
- The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the first calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/HUD that the late receipt was due solely to mishandling by the HA/HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraph (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date, and the offer, modification, or withdrawal shall be processed as if mailed on that date. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals before the offer's specified expiration time, the HA may accept an offer whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer to the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. Each proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receipt procedures are: date and time stamp those envelopes identifying proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors, applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is the victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$4.41 per hour or \$176.40 per week or \$764.40 per month

HEALTH & WELFARE EO 13706: \$4.13 per hour, or \$165.20 per week, or \$715.87 per month

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor, 3 weeks after 5 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year: New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b), this wage determination does not apply to any employee who individually qualifies as a bona fide executive, administrative, or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals, (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition, because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example, if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate, then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally, because job titles vary widely and change quickly in the computer

industry, job titles are not determinative of the application of the computer professional exemption. Therefore, the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

** HAZARDOUS PAY DIFFERENTIAL **

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder.

All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

** UNIFORM ALLOWANCE **

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to

this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

**** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS ****

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition (Revision 1), dated September 2015, unless otherwise indicated.

**** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE, Standard Form 1444 (SF-1444) ****

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract, a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order the proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the U.S. Department of Labor, Wage and Hour Division, for review (See 29 CFR 4.6(b)(2)(ii)).
- 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or

disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1)).
