SECTION A –INTRODUCTION

A.1 OVERVIEW

The District of Columbia Housing Authority (DCHA) is dedicated to enhancing the quality of life in the District of Columbia by providing and effectively managing affordable housing, which is diverse, well maintained, and aesthetically pleasing for those whose circumstances prevent them from competing in the general marketplace. Besides subsidizing over 8,300 units with public housing operating subsidy, DCHA also contracts approximately 14,000 private units through its Housing Choice Voucher Program. DCHA has embarked on an ambitious program of development and redevelopment to create economically diverse communities and neighborhoods. DCHA is one of the most innovative housing authorities in the nation and is actively pursuing non-governmental sources of financing to promote HCVP homeownership assistance programs, project-based public housing subsidies, and implement more creative uses of its authority through the United States Department of Housing and Urban Development (HUD)'s Moving to Work (MTW) Demonstration Program.

D.10 SECTION 3 REQUIREMENTS- [Mandatory for All Respondents]

All Contractors shall comply with the Section 3 Program, as defined in the Housing and Urban Development Act of 1968 (12 U. S. C. 1701u) (Section 3), amended by the Housing and Community Development Act of 1992 (1992 Act) (commonly known as and herein after as the Section 3 Program). Section 3 compliance requires all Contractors performing work on behalf of the DCHA or any of its subsidiaries to ensure that training, employment, contracting and other economic opportunities generated by the Federal financial assistance shall, to the greatest extent feasible, be directed toward low-income and very-low-income persons, particularly those who are recipients of government assistance for housing.

The minimum numerical goal for employment shall be equal to ten percent (10%) of the total number of labor hours on the contract issued. A second option for compliance under this act is to annually enroll Section 3 individuals, totaling a minimum of thirty percent (30%), into an Apprenticeship program. A third option is to subcontract to a Section 3 business concern. In accordance with the HUD regulations, ten percent (10%) of the subcontract may be awarded to Section 3 business concerns for construction and three percent (3%) of the subcontract may be awarded to Section 3 business concerns for non-construction contracts. A fourth option for compliance is to propose a unique program that provides internships for residents or program participants or provides pro bono services to DCHA program participants or Section 3 businesses. Cash donations to DCHA's Section 3 Fund are presented as a "last resort option" to all Contractors. This option is made available to Contractors who have exhausted all priority preferences and are unable to hire or train Section 3 individuals as the contract is immediate and the period is minimal or the skill sets required by the staff is too technical or too advanced for the Section 3 individuals seeking employment. The funds received will be used to provide training, uniforms, or transportation for Section 3 individuals.

Contractors and subcontractors will:

- 1) Incur all costs required for compliance with the applicable regulations;
- 2) Be subject to DCHA monitoring for compliance; and
- 3) Accept any applicable penalties for noncompliance.

The Contractor must provide an "Action Plan for Section 3 Commitment" and an "Estimated Project Workforce Breakdown" along with their bid proposal to be considered for contract award. A Section 3 Commitment is required prior to and as a condition of contract award. DCHA contracts will not be awarded without an approved Section 3 Commitment. These documents should include a brief narrative description of the contract, training and/or job opportunities for Section 3 participants as a part of this contract. The details of this plan should include the number of Section 3 participants to be hired, a list of tasks, description of skills associated to those tasks, the estimated total hours of those tasks under this contract, and a description of the methods to be used to achieve the respective Section 3 Commitment. A template of the Action

Plan for Section 3 Commitment and a copy of the Estimated Project Workforce Breakdown have been enclosed with this solicitation (**Attachments**).

DCHA recognizes that the Contractor seeks trainees and/or employees that meet certain requirements. In order to better facilitate this goal, all efforts to hire to meet the Contractor’s Section 3 goals must be coordinated through the DCHA Section 3 Compliance Coordinator. **Each Section 3 Plan will be rated on the quantity of job opportunities and on the quality of the training and/or the development of skills that lead to economic self-sufficiency and careers.**

Examples of Opportunities

Non-Compliance Procedures

Any Contractor who fails to make a positive effort to meet the hiring and contracting goals described in the Section 3 Plan may be determined to be non-compliant. After a determination by DCHA that the Contractor has failed to comply with the Section 3 terms of their contract, DCHA shall serve notice of such non-compliance to the Contractor or its representative. The Contractor shall be responsible for notifying any subcontractor(s) who is not in compliance.

Upon request, the Contractor determined to be non-compliant shall meet with DCHA within three (3) working days of written notice in order to determine a method of correcting the deficiencies and determining the time period within which such remedy shall be effective. If remedy is not agreed upon within three (3) working days of the required notice, DCHA shall prescribe the remedy by which deficiencies shall be corrected and notify the Contractor in writing of such a determination. If the Contractor does not correct the deficiencies in the manner as directed by DCHA within thirty (30) calendar days, DCHA may impose any or all of the following sanctions:

- (a) Withholding payments;
- (b) Termination for default or suspension of contract; or
- (c) Placing the Contractor on a list of Contractors who fail to comply with DCHA Section 3 requirements.

Monitoring

DCHA will conduct unscheduled site visits to interview all Section 3 hires. DCHA will also review weekly payrolls and other supportive documentation.

Reporting

Contractor must submit quarterly reports regarding their Section 3 activities as requested by the Section 3 Compliance Coordinator. If Contractors choose to contract with Section 3 business concerns, they must also submit proof of payment to those businesses.

Within five (5) business days of project completion, Contractors are required to provide a narrative of their efforts and outcomes as it relates to Section 3 activity to the DCHA Section 3 Compliance Coordinator.

- D.11.1 That the proposal includes proprietary or confidential information that shall not be disclosed outside of DCHA and shall not be duplicated, used, or disclosed, in whole or in part, for any purpose other than to evaluate the proposal;
- D.11.2 That if a contract is awarded to the Respondent, DCHA shall have the right to duplicate, use or disclose the proprietary or confidential information to the extent provided in the contract;
- D.11.3 That this restriction does not limit DCHA's right to use the proprietary or confidential information if it is obtained from another source without restriction;
- D.11.4 That the Respondent has specifically identified, by page number or otherwise, the proprietary or confidential information subject to the restriction; and
- D.11.5 The Respondent shall not designate as proprietary or confidential information the name of the Respondent, the proposal price, or any information that is not actually proprietary or confidential.

In addition to the requirements above, the Respondent shall conspicuously mark each separate sheet containing proprietary or confidential information it wishes to restrict with a notation to the effect that the use or disclosure of proprietary or confidential information contained on the sheet is subject to the restriction set forth on the first page of the proposal.

D.12 RESPONSIBLE CONTRACTORS

DCHA will only award contracts to responsible prospective contractors who have the ability to perform successfully under the terms and conditions of the proposed contract. In determining the responsibility of a Respondent, DCHA will consider such matters as the Respondent's:

- b. Compliance with public policy;
- c. Record of past performance; and
- d. Financial and technical resources.

Before a proposal is considered for award, the Respondent may be requested by DCHA to submit documentation regarding any of the items in the paragraphs above. Failure by the Respondent to provide such additional information shall render the Respondent ineligible for award. In addition, DCHA may conduct site visits to the Respondent's office or facility to verify information contained in the proposal.

D.13 EMPLOYEE DISHONESTY INSURANCE

Upon contract award, Respondent shall provide evidence of Employee Dishonesty Insurance for an amount not less than Two Hundred Fifty Thousand Dollars (\$250,000.00), obtained at its own expense, for the purpose of protecting against dishonest acts of the Respondent and its employees. D.14 RESPONDENT'S KEY PERSONNEL

The key personnel specified in the Respondent's proposal are considered to be essential to the work being performed under the contract. Prior to diverting any of the key personnel for any reason(s), the Respondent shall notify the Contracting Officer in writing at least thirty (30) days in advance and shall submit justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on the contract.

D.15 CONSENT TO SUBCONTRACT

The Respondent must obtain the consent of DCHA to subcontract any portion of the work. All Respondents are required to include in their proposal a list of any proposed subcontractors, and a list of tasks/items, if any, which the Respondent intends to subcontract all or any portion of work.

D.16 FAIR HOUSING EQUAL OPPORTUNITY CLAUSE

During the performance of the contract, the Contractor shall not discriminate on the basis of race, color, religion (creed), sex, national origin, handicap or familial status, or the existence or use of a policy or practice, or any arrangement, criterion or other method of administration which has the effect of denying Equal Housing Opportunity, or which substantially impairs the ability of persons to apply for or receive the benefits of assistance because of race, color, religion (creed), sex, national origin, handicap or

familial status, in the sale, rental or other disposition of residential properties or related facilities, including land to be developed for residential use, or in the use or occupancy thereof.

D.17 THE AMERICAN WITH DISABILITIES ACT OF 1990 (ADA)

During the performance of the contract, the Contractor and all of its subcontractors shall comply with the ADA. The ADA makes it unlawful to discriminate in employment against a qualified individual with a disability. See 42 U.S.C. §2101, *et.seq.*

D.18 SECTION 504 OF THE REHABILITATION ACT OF 1973 (AS AMENDED)

During the performance of the contract, the Contractor and all of its subcontractors shall comply with the Section 504 of the Rehabilitation Act of 1973, as amended. This Act prohibits discrimination against persons with disabilities in federally funded programs and activities. DCHA has entered into a Voluntary Compliance Agreement that requires a minimum of 6 percent (6%) of the public housing units constructed will comply with Uniform Federal Accessibility Standards (“UFAS”). DCHA may require more than 6 percent (6%) in an applicable revitalization plan. In addition, all other units constructed must comply, as applicable, with the Fair Housing Act guidelines on accessibility. See 29 U.S.C. §794.

D.19 NO WARRANTY

Respondent is required to examine the RFP, specifications and instructions pertaining to the services required. Failure to do so will be at the Respondent’s own risk. It is assumed that the Respondent has made full investigation so as to be fully informed of the extent and character of the services requested and of the requirements of the specifications. No warranty is made or implied as to the information contained in the RFP, specifications, and/or instructions.

D.20 EXPENSE OF THE RFP SUBMISSION

All expenses incurred in the preparation and submission of proposals in response to the RFP shall be borne by the Respondent.

D.21 CANCELLATION

DCHA reserves the right to cancel this RFP, or to reject, in whole or in part, any and all proposals received in response to this RFP, upon its determination that such cancellation or rejection is in the best interest of DCHA. DCHA further reserves the right to waive any minor information on any proposal received, if it is in the best interest of DCHA to do so. The decision as to who shall receive a contract award, or whether or not an award shall be made as a result of this RFP, shall be at the sole and absolute discretion of DCHA.

D.22 PROTEST

Any party involved in a dispute with DCHA related to any procurement decision that has unfavorably affected the aggrieved party is entitled to a resolution of the dispute in a timely manner and in accordance with applicable local or Federal law. The protestor, as

D.23 BEST AND FINAL OFFERS

DCHA may award a contract upon the basis of initial responses received, without discussion. Therefore, each initial Proposal should contain the Respondent's best terms from a cost and technical standpoint. However, if discussions are held with one Respondent, all Respondents within the competitive range will be notified regarding the holding of discussions and will be provided an opportunity to submit written best and final offers ("BAFO's") at the designated date and time. If modification is submitted, it must be received by the date and time specified and is subject to the "Late Submission, Modifications and Withdrawals of Proposals" provisions of this solicitation.

For prime contracts in excess of \$100,000, contractors and subcontractors must also, under the provisions of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. 3701 *et seq.*, pay laborers and mechanics, including guards and

watchmen, at least one and one-half times their regular rate of pay for all hours worked over forty (40) in a workweek.

D.26 SELECTION NON-BINDING

The selection by DCHA of a Respondent to be s the most responsive or included in the competitive range indicates only DCHA's intent to negotiate with the Respondent, and the selection does not constitute a commitment by DCHA to execute a final agreement or contract with the Respondent.

Respondents therefore agree and acknowledge that they are barred from claiming to have detrimentally relied on DCHA for any costs or liabilities incurred as a result of responding to this solicitation.

D.27 QUALIFIED BIDDERS LISTING (QBL)

DCHA will establish with this RFP a Qualified Bidders Listing ("QBL") for all Respondents determined to be in the competitive range by the Contracting Officer but not selected for award. DCHA reserves the right to award one or multiple contracts in each area as defined in Section B – Description of Services.

Any Respondent not selected for award but within the competitive range will be placed on the QBL for further consideration of contract award by an affiliate of DCHA for a period of up to one year after the DCHA Board approval. DCHA will offer the contractor an option to extend its placement on the QBL for an additional one year. Placement on the QBL will not exceed the period of performance specified for the services required under the solicitation.

DCHA or its instrumentalities reserve the right to award one or multiple contracts for the Services solicited by this solicitation.

The Respondent may request removal from the QBL at any time during the active period of the listing. The Respondent shall ensure that the prices offered under this solicitation allow for placement on the QBL Listing for a period of two years. Placement on the QBL Listing is not an award of services and guarantees no minimum award amount.

SECTION E - EVALUATION FACTORS FOR AWARD

E.1 EVALUATION OF PROPOSALS

All proposals will be evaluated based on the evaluation criteria outlined below. The Contracting Officer will determine a competitive range based on the established criteria and point system. The Evaluation Panel may consider a proposal unacceptable if it lacks critical information or the submission represents a major deviation from the requirements of this RFP. Minor omissions such as, incomplete references may, at the sole option and discretion of the DCHA, be corrected subsequent to the submission due date.

All proposals will be initially reviewed to determine compliance with the proposal format requirements specified within this solicitation under Section C. Proposals that do not comply with these requirements may be rejected without further review.

The evaluation factors and the comparative scoring of the factors shown in Section E.3 below will be used to determine which Respondents fall within the competitive range and the recommendation made to the Executive Director.

E.2 RELATIVE IMPORTANCE OF TECHNICAL VERSUS COST/PRICE FACTORS

E.2.1 DCHA will make an award to the most responsible and responsive Respondent whose offer conforms to the solicitation and is most advantageous to the DCHA (i.e., that which represents the best value to the DCHA), cost or price and other factors considered.

E.2.2 DCHA may award a contract to other than the lowest priced Proposal. In the event that two or more proposals are considered technically equivalent, the evaluated cost or price will be of primary importance in determining the proposal most responsive.

E.2.3 The proposed cost must be considered reasonable and reflect the proposed approach.

E.2.4 DCHA intends to make multiple awards to ensure availability of a wide range of products or services.

E.2.5 The combined relative merit of the technical evaluation factors listed below will be more significant than cost or price in the selection of the Respondent.

E.3 EVALUATION AND SELECTION CRITERIA

Respondents are required to respond thoroughly to each of the following evaluation factors, with focus on providing answers that are both clear and concise. If any requirement listed cannot be met, full disclosure must be given, along with an explanation and proposed alternative, if appropriate.

DCHA will add additional points for Business Enterprise Designations after the technical evaluations have been completed and the competitive range has been established by the Contracting Officer.
