THE DISTRICT OF COLUMBIA HOUSING AUTHORITY

NOTICE OF FINAL RULEMAKING

The Board of Commissioners of the District of Columbia Housing Authority (DCHA), pursuant to the District of Columbia Housing Authority Act of 1999, effective May 9, 2000 (D.C. Law 13-105; D.C. Official Code § 6-203 (2012 Repl.)), hereby gives notice of the adoption of the following amendments to Section 25 (Preferences for Placement Eligibility for Housing Choice Voucher Applicants) of Chapter 61 (Public Housing: Admission and Recertification) of Title 14 (Housing) of the District of Columbia Municipal Regulations (DCMR).

The purpose of the proposed amendments is to allow DCHA to offer, in limited instances, housing choice vouchers to public housing residents when DCHA determines they cannot remain in their current homes due to emergency conditions in the unit or another threat to life, safety, or health. Making these vouchers available will allow DCHA to re-house these families in suitable housing as quickly as possible, when DCHA determines no other appropriate public housing units are available.

These rules were previously published as proposed rulemaking on September 21, 2018 at 65 DCR 9835. No comments were received. No changes have been made to the regulations from the previous publication. These regulations will become effective upon publication of this notice in the *D.C. Register*.

Up to 362 vouchers are authorized for this purpose; provided however, to the extent any voucher issued under this provision is attired, the number of vouchers authorized for this purpose shall be reduced and such voucher shall be returned to the DCHA HCVP inventory.

Section 6125.11 is amended to read as follows:

6125.1 Long Term Care Housing Limited Local Preference – HCVP Applicants are included under this preference if an applicant is referred to DCHA by an agency of the District of Columbia government as a person in need of housing with added wrap-around health care and in-home and community based services. The applicants are either people with disabilities or the elderly who desire to

maintain their independent living. Up to 65 vouchers are authorized for this purpose; provided however, to the extent any voucher issued under this provision is attired, the number of vouchers authorized for this purpose shall be reduced and such voucher shall be returned to the DCHA HCVP inventory.

Section 6125.12 is amended to read as follows:

6125.12 Shelter System Relief- Limited Local Preference – Applicants are included under this preference if an applicant is referred to DCHA by District of Columbia Department of Human Services ("DHS") or some other District agency as designated by the Office of the Mayor as a homeless individual or family temporarily housed in a shelter and such applicant meets the DHS eligibility requirements in addition to the DCHA HCVP program requirements. Up to 113 vouchers are authorized for this purpose; provided however, to the extent any voucher issued under this provision is attired, the number of vouchers authorized for this purpose shall be reduced and such voucher shall be returned to the DCHA HCVP inventory.

Section 6125 is amended to add a new Section 6125.13 which shall read as follows:

6125.13 Limited Local Preference for Condemnation Vouchers. Applicants are included under this preference if the Family is an occupant in a designated property the District of Columbia government has identified to DCHA as targeted for condemnation due to an inability to meet District of Columbia housing codes. The aggregate number of outstanding vouchers authorized for use is set by the Board of Commissioners from time to time; provided however, to the extent any voucher issued under this provision is attired, the number of vouchers authorized for this purpose shall be reduced and such voucher shall be returned to the DCHA HCVP inventory.
