Chapter 3

**ELIGIBILITY**

## INTRODUCTION

---

## PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS

### I.A. OVERVIEW

---

### I.B. FAMILY AND HOUSEHOLD

---

### I.C. FAMILY BREAK-UP AND REMAINING MEMBER OF TENANT FAMILY

---

### I.D. HEAD OF HOUSEHOLD

---

### I.E. SPOUSE, COHEAD, AND OTHER ADULT

---

### I.F. DEPENDENT

---

### I.G. FULL-TIME STUDENT

---

### I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY

---

### I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY

---

### I.J. GUESTS

---

### I.K. FOSTER CHILDREN AND FOSTER ADULTS

---

### I.L. ABSENT FAMILY MEMBERS

---

### I.M. LIVE-IN AIDE

---

## PART II: BASIC ELIGIBILITY CRITERIA

### II.A. INCOME ELIGIBILITY AND TARGETING

---

### II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS

---

### II.C. SOCIAL SECURITY NUMBERS

---

### II.D. FAMILY CONSENT TO RELEASE OF INFORMATION

---

### II.E. STUDENTS ENROLLED IN INSTITUTIONS OF HIGHER EDUCATION

---

### II.F. EIV SYSTEM SEARCHES

---

## PART III: DENIAL OF ADMISSION

### III.A. OVERVIEW

---

### III.B. MANDATORY DENIAL OF ADMISSION

---

### III.C. OTHER PERMITTED REASONS FOR DENIAL OF ADMISSION

---

### III.D. SCREENING

---

### III.E. CRITERIA FOR DECIDING TO DENY ADMISSION

---

### III.F. NOTICE OF ELIGIBILITY OR DENIAL

---

### III.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING

---

## EXHIBITS

### 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

---

### 3-2: DETAILED DEFINITIONS OF INSTITUTION OF HIGHER LEARNING

---

### 3-3: DETAILED DEFINITIONS RELATED TO FAMILIES

---

Chapter 17
PROJECT-BASED VOUCHERS

INTRODUCTION ..................................................................................................................... 17-1

PART I: GENERAL REQUIREMENTS
I.A. OVERVIEW .................................................................................................................. 17-2
I.B. TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE ......................... 17-4

PART II: PBV OWNER PROPOSALS
II.A. OVERVIEW .................................................................................................................. 17-5
II.B. OWNER PROPOSAL SELECTION PROCEDURES .................................................. 17-5
II.C. HOUSING TYPE ......................................................................................................... 17-12
II.D. PROHIBITION OF ASSISTANCE FOR CERTAIN UNITS ..................................... 17-13
II.E. SUBSIDY LAYERING REQUIREMENTS ..................................................................... 17-14
II.F. CAP ON NUMBER OF PBV UNITS IN EACH PROJECT .......................................... 17-15
II.G. SITE SELECTION STANDARDS .................................................................................. 17-18
II.H. ENVIRONMENTAL REVIEW ...................................................................................... 17-20

PART III: DWELLING UNITS
III.A. OVERVIEW ............................................................................................................... 17-21
III.B. HOUSING QUALITY STANDARDS .......................................................................... 17-21
III.C. HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES ...................... 17-21
III.D. INSPECTING UNITS ................................................................................................. 17-22

PART IV: REHABILITATED AND NEWLY CONSTRUCTED UNITS
IV.A. OVERVIEW ................................................................................................................. 17-24
IV.B. AGREEMENT TO ENTER INTO HAP CONTRACT ................................................... 17-24
IV.C. CONDUCT OF DEVELOPMENT WORK .................................................................... 17-26
IV.D. COMPLETION OF HOUSING ..................................................................................... 17-27

PART V: HOUSING ASSISTANCE PAYMENTS CONTRACT (HAP)
V.A. OVERVIEW .................................................................................................................. 17-28
V.B. HAP CONTRACT REQUIREMENTS ............................................................................ 17-28
V.C. AMENDMENTS TO THE HAP CONTRACT .............................................................. 17-32
V.D. HAP CONTRACT YEAR, ANNIVERSARY AND EXPIRATION DATES .................... 17-32
V.E. OWNER RESPONSIBILITIES UNDER THE HAP CONTRACT ..................................... 17-33
V.F. ADDITIONAL HAP REQUIREMENTS ......................................................................... 17-34

PART VI: SELECTION OF PBV PROGRAM PARTICIPANTS
VI.A. OVERVIEW ................................................................................................................. 17-35
VI.B. ELIGIBILITY FOR PBV ASSISTANCE ................................................................. 17-35
VI.C. ORGANIZATION OF THE WAITING LIST ............................................................. 17-37
Table of Contents

VI.D. SELECTION FROM THE WAITING LIST ............................................................... 17-38
VI.E. OFFER OF PBV ASSISTANCE ........................................................................... 17-40
VI.F. OWNER SELECTION OF TENANTS ................................................................. 17-41
VI.G. TENANT SCREENING ..................................................................................... 17-42

PART VII: OCCUPANCY

VII.A. OVERVIEW ........................................................................................................... 17-43
VII.B. LEASE .................................................................................................................. 17-43
VII.C. MOVES ................................................................................................................ 17-47
VII.C. EXCEPTIONS TO THE OCCUPANCY CAP ....................................................... 17-50

PART VIII: DETERMINING RENT TO OWNER

VIII.A. OVERVIEW ......................................................................................................... 17-52
VIII.B. RENT LIMITS ..................................................................................................... 17-52
VIII.C. REASONABLE RENT .......................................................................................... 17-56
VIII.D. EFFECT OF OTHER SUBSIDY AND RENT CONTROL .................................... 17-57

PART IX: PAYMENTS TO OWNER

IX.A. HOUSING ASSISTANCE PAYMENTS ................................................................. 17-58
IX.B. VACANCY PAYMENTS ....................................................................................... 17-58
IX.C. TENANT RENT TO OWNER ................................................................................ 17-60
IX.D. OTHER FEES AND CHARGES ......................................................................... 17-61

EXHIBITS

17-1: PBV DEVELOPMENT LIST .................................................................................. 17-62
17-2: PBV DEVELOPMENT INFORMATION ............................................................... 17-64
17-3: SPECIAL PROVISIONS APPLYING TO TPVS AWARDED AS PART OF A VOLUNTARY UNIT CONVERSION OF PUBLIC HOUSING UNITS THAT INCLUDE RAD PBV UNITS .................................................................................. 17-67
Chapter 18
PROJECT BASED VOUCHERS (PBV) UNDER THE RENTAL ASSISTANCE DEMONSTRATION (RAD) PROGRAM

INTRODUCTION .......................................................................................................................... 18-1

PART I: GENERAL REQUIREMENTS
I.A. OVERVIEW AND HISTORY OF THE RAD PROGRAM .................................................. 18-2
I.B. APPLICABLE REGULATIONS ......................................................................................... 18-3
I.C. TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE .............................. 18-6
I.D. RELOCATION REQUIREMENTS .................................................................................... 18-6
I.E. EQUAL OPPORTUNITY REQUIREMENTS ................................................................. 18-9

PART II: PBV PROJECT SELECTION
II.A. OVERVIEW .................................................................................................................. 18-10
II.B. OWNERSHIP AND CONTROL .................................................................................. 18-10
II.C. PHA-OWNED UNITS ............................................................................................... 18-12
II.D. SUBSIDY LAYERING REQUIREMENTS .................................................................. 18-13
II.E. PBV PERCENTAGE LIMITATION AND UNIT CAP ............................................... 18-15
II.F. SITE SELECTION STANDARDS ................................................................................. 18-16
II.G. ENVIRONMENTAL REVIEW ..................................................................................... 18-16

PART III: DWELLING UNITS
III.A. OVERVIEW ................................................................................................................ 18-17
III.B. HOUSING QUALITY STANDARDS ......................................................................... 18-17
III.C. HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES .......................... 18-17
III.D. INSPECTING UNITS ............................................................................................... 18-18

PART IV: HOUSING ASSISTANCE PAYMENTS (HAP) CONTRACT
IV.A. OVERVIEW ................................................................................................................ 18-20
IV.B. HAP CONTRACT REQUIREMENTS ......................................................................... 18-20
IV.C. AMENDMENTS TO THE HAP CONTRACT .............................................................. 18-22
IV.D. HAP CONTRACT YEAR AND ANNIVERSARY DATES ............................................ 18-22
IV.E. OWNER RESPONSIBILITIES UNDER THE HAP CONTRACT ................................ 18-23
IV.F. VACANCY PAYMENTS ............................................................................................ 18-23

PART V: SELECTION OF PBV PROGRAM PARTICIPANTS
VA. OVERVIEW ................................................................................................................... 18-24
V.B. PROHIBITED RESCREENING OF EXISTING TENANTS UPON CONVERSION .......... 18-24
V.C. ELIGIBILITY FOR PBV ASSISTANCE ..................................................................... 18-25
# Table of Contents

V.D. ORGANIZATION OF THE WAITING LIST .................................................................................... 18-26
V.E. SELECTION FROM THE WAITING LIST .................................................................................. 18-27
V.F. OFFER OF PBV ASSISTANCE .................................................................................................. 18-28
V.G. OWNER SELECTION OF TENANTS ......................................................................................... 18-29
V.H. TENANT SCREENING .............................................................................................................. 18-30

## PART VI: OCCUPANCY

VI.A. OVERVIEW .......................................................................................................................... 18-31
VI.B. LEASE ................................................................................................................................. 18-31
VI.C. PUBLIC HOUSING FSS AND ROSS PARTICIPANTS .......................................................... 18-36
VI.D. RESIDENT PARTICIPATION AND FUNDING .................................................................. 18-36
VI.E. MOVES .............................................................................................................................. 18-37
VI.F. REEXAMINATIONS ............................................................................................................ 18-42
VI.G. EARNED INCOME DISALLOWANCE ............................................................................... 18-42
VI.H. RESIDENTS’ PROCEDURAL RIGHTS .............................................................................. 18-42
VI.I. INFORMAL REVIEWS AND HEARINGS ............................................................................ 18-43

## PART VII: DETERMINING CONTRACT RENT

VII.A. INITIAL CONTRACT RENTS .............................................................................................. 18-44
VII.B. ADJUSTING CONTRACT RENTS ....................................................................................... 18-45
VII.C. UTILITY ALLOWANCES ................................................................................................... 18-46
VII.D. REASONABLE RENT ......................................................................................................... 18-47

## PART VIII: PAYMENTS TO OWNER

VII.A. HOUSING ASSISTANCE PAYMENTS ................................................................................ 18-48
VII.B. VACANCY PAYMENTS .................................................................................................... 18-49
VII.C. TENANT RENT TO OWNER ............................................................................................ 18-50

Introduction

ABOUT THE REFERENCES CITED IN THE ADMINISTRATIVE PLAN

AUTHORITIES FOR POLICIES IN THE ADMINISTRATIVE PLAN

The authority for DCHA policies is derived from many sources. Primary among these sources are federal statutes, federal regulations, and guidance issued by HUD. District law also directs DCHA policy. District law must be followed where such law exists and does not conflict with federal regulations. Industry practice may also be used to develop policy as long as it does not conflict with federal requirements or prohibitions.

HUD

HUD provides the primary source of DCHA policy through federal regulations, HUD notices, and handbooks. Compliance with federal regulations, current HUD notices, and current HUD handbooks is mandatory.

HUD also provides guidance to PHAs through other means such as HUD-published guidebooks, expired HUD notices, and expired handbooks. Basing DCHA policy on HUD guidance is optional, as long as DCHA policies comply with federal law, federal regulations and mandatory policy. Because HUD has already determined that the guidance it provides is consistent with mandatory policies, DCHA reliance on HUD guidance provides the DCHA with a “safe harbor.” Material posted on the HUD website can provide further clarification of HUD policies. For example, FAQs on the HUD website can provide direction on the application of federal regulations in various aspects of the program.

District Law

Where there is no mandatory federal guidance, PHAs must comply with District law, if it exists. Where District law is more restrictive than federal law, but does not conflict with it, the DCHA should follow the district law.

Industry Practice

Where no law or HUD authority exists on a particular subject, industry practice may support DCHA policy. Industry practice refers to a way of doing things or a policy that has been adopted by a majority of PHAs.

RESOURCES CITED IN THE ADMINISTRATIVE PLAN

The administrative plan cites several documents. Where a document or resource is cited frequently, it may be abbreviated. Where it is cited only once or twice, the administrative plan may contain the entire name of the document or resource. Following is a key to abbreviations used for various sources that are frequently cited in the administrative plan and a list of references and document locations that are referenced in the administrative plan or that may be helpful to you.
HUD HCV Guidebook

In November 2019 HUD began issuing a new version of the HCV Guidebook chapter-by-chapter. Unlike the previous version of the HCV Guidebook in which chapters were numbered, the new version of the guidebook includes chapter names, but no numbers. As the new version of the guidebook has not yet been fully released, and since the previous version of the guidebook contains guidance not found in the new version, the policy cites both versions of the guidebook. Therefore, where the HCV Guidebook is cited in the policy, the citation will make a distinction between the “old” and “new” versions of the guidebook. The “old” version of the guidebook will continue to be cited as HCV GB with a chapter/page reference (example: HCV GB, p. 5-4). If HUD has also released a new chapter on the same topic with information that either adds new information or updates existing information from the previous guidebook, the new guidebook will be cited as New HCV GB with a chapter title and page reference (example: New HCV GB, Payment Standards, p. 11).

Abbreviations

Throughout the administrative plan, abbreviations are used to designate certain documents in citations. The following is a table of abbreviations of documents cited in the administrative plan.

Chapter 1

OVERVIEW OF THE PROGRAM AND PLAN

INTRODUCTION
The District of Columbia Housing Authority (DCHA) receives its funding for the Housing Choice Voucher (HCV) program from the Department of Housing and Urban Development. The DCHA is not a federal department or agency. The DCHA is a governmental or public body, created and authorized by district law to develop and operate housing and housing programs for low-income families. The DCHA enters into an Annual Contributions Contract with HUD to administer the program requirements on behalf of HUD. The DCHA must ensure compliance with federal laws, regulations and notices and must establish policy and procedures to clarify federal requirements and to ensure consistency in program operation.

In 2003, DCHA became one of only 39 original agencies currently designated by the U.S. Department of Housing and Urban Development (HUD) to participate in the MTW program. MTW allows participating agencies to design and test inventive approaches to local housing and policy issues. MTW also allows agencies to combine funding awarded by the U.S. Department of Housing and Urban Development (HUD) into one single budget with the flexibility to fund services and initiatives that may have been delayed or not undertaken at all due to funding gaps or other limitations. In FY2016, DCHA’s MTW agreement with HUD was extended to 2028. As a result, DCHA is able to continue implementation of the flexibilities made possible by the MTW designation, in addition to identifying other innovations designed to address local affordable housing issues.

This chapter contains information about the District of Columbia Housing Authority (DCHA) and its programs with emphasis on the HCV program. It also contains information about the purpose, intent and use of the plan and guide.

There are three parts to this chapter:

Part I: This part includes a description of the District of Columbia Housing Authority (DCHA), its jurisdiction, its programs, and its mission and intent.

Part II: The HCV Program. This part contains information about the Housing Choice Voucher program operation, roles and responsibilities, and partnerships.

Part III: The HCV Administrative Plan. This part discusses the purpose and organization of the plan and its revision requirements.

PART I: THE DCHA

1-I.A. OVERVIEW
This part explains the origin of the District of Columbia Housing Authority’s (DCHA) creation and authorization, the general structure of the organization, and the relationship between the DCHA Board and staff.
1-I.B. ORGANIZATION AND STRUCTURE OF THE DCHA

The Section 8 tenant-based Housing Choice Voucher (HCV) assistance program is funded by the federal government and administered by the District of Columbia Housing Authority for the jurisdiction of the District of Columbia.

PHAs are governed by a board of officials that are generally called “commissioners.” Although some PHAs may use a different title for their officials, this document will hitherto refer to the “board of commissioners” or the “board” when discussing the board of governing officials.

Commissioners are appointed in accordance with district housing law and generally serve in the same capacity as the directors of a corporation. The board of commissioners establishes policies under which the DCHA conducts business, and ensures that those policies are followed by DCHA staff. The board is responsible for preserving and expanding the agency’s resources and assuring the agency’s continued viability and success.

Formal actions of the DCHA are taken through written resolutions, adopted by the board of commissioners and entered into the official records of the DCHA.

The principal staff member of the DCHA is the executive director (ED), hired and appointed by the board of commissioners. The executive director is directly responsible for carrying out the policies established by the board and is delegated the responsibility for hiring, training and supervising the DCHA’s staff, as well as budgeting and financial planning for the agency. Additionally, the ED is charged with ensuring compliance with federal and district laws, and program mandates. In some PHAs, the ED is known by another title, such as chief executive officer or president.

1-I.C. DCHA MISSION

The purpose of a mission statement is to communicate the purpose of the agency to people inside and outside of the agency. It provides guiding direction for developing strategy, defining critical success factors, searching out key opportunities, making resource allocation choices, satisfying clients and stakeholders, and making decisions.

DCHA Policy

The District of Columbia Housing Authority provides quality affordable housing to extremely low- through moderate-income households, fosters sustainable communities, and cultivates opportunities for residents to improve their lives.

1-I.D. THE DCHA’S PROGRAMS

The following programs are included under this administrative plan:

DCHA Policy

The DCHA’s administrative plan is applicable to the operation of the Housing Choice Voucher program.
1-I.E. THE DCHA’S COMMITMENT TO ETHICS AND SERVICE

As a public service agency, the DCHA is committed to providing excellent service to HCV program participants, owners, and to the community. The DCHA’s standards include:

- Administer applicable federal and district laws and regulations to achieve high ratings in performance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.

- Provide decent, safe, and sanitary housing – in compliance with program housing quality standards – for very low income families while ensuring that family rents are fair, reasonable, and affordable.

- Encourage self sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational and other human services needs.

- Promote fair housing and the equal opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.

- Promote a housing program which maintains quality service and integrity.

- Promote a market-driven housing program that will help qualified low-income families be successful in obtaining affordable housing and increase the supply of housing choices for such families.

- Create positive public awareness and expand the level of family, owner, and community support in accomplishing the PHA’s mission.

- Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.

- Administer an efficient, high-performing agency through continuous improvement of the PHA’s support systems and a high level of commitment to our employees and their development.

The DCHA will make every effort to keep program participants informed of HCV program rules and regulations, and to advise participants of how the program rules affect them.
PART II: THE HOUSING CHOICE VOUCHER (HCV) PROGRAM

1-II.A. OVERVIEW AND HISTORY OF THE PROGRAM

The intent of this section is to provide the public and staff with information related to the overall operation of the program. There have been many changes to the program since its inception in 1974 and a brief history of the program will assist the reader to better understand the program.

The United States Housing Act of 1937 (the “Act”) is responsible for the birth of federal housing program initiatives. The Act was intended to provide financial assistance to states and cities for public works projects, slum clearance and the development of affordable housing developments for low-income residents.

The Housing and Community Development (HCD) Act of 1974 created a new federally assisted housing program – the Section 8 Existing program (also known as the Section 8 Certificate program). The HCD Act represented a significant shift in federal housing strategy from locally owned public housing to privately owned rental housing.

Under the Certificate program, federal housing assistance payments were made directly to private owners of rental housing, where this housing was made available to lower-income families. Eligible families were able to select housing in the private rental market. Assuming that the housing met certain basic physical standards of quality (“housing quality standards”) and was within certain HUD-established rent limitations (“fair market rents”), the family would be able to receive rental assistance in the housing unit. Family contribution to rent was generally set at 30 percent of the family’s adjusted income, with the remainder of the rent paid by the program.

Another unique feature of the Certificate program was that the rental assistance remained with the eligible family, if the family chose to move to another privately-owned rental unit that met program requirements (in contrast to the public housing program where the rental assistance remains with the unit, should the family decide to move). Consequently, the Certificate program was characterized as tenant-based assistance, rather than unit-based assistance.

The Housing and Community Development (HCD) Act of 1987 authorized a new version of tenant-based assistance – the Section 8 Voucher program. The Voucher program was very similar to the Certificate program in that eligible families were able to select housing in the private rental market and receive assistance in that housing unit.

However, the Voucher program permitted families more options in housing selection. Rental housing still had to meet the basic housing quality standards, but there was no fair market rent limitation on rent. In addition, family contribution to rent was not set at a limit of 30 percent of adjusted income. Consequently, depending on the actual rental cost of the unit selected, a family might pay more or less than 30 percent of their adjusted income for rent.

From 1987 through 1999, public housing agencies managed both the Certificate and Voucher tenant-based assistance programs, with separate rules and requirements for each. From 1994 through 1998, HUD published a series of new rules, known as “conforming” rules, to more closely combine and align the two similar housing programs, to the extent permitted by the law.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) – also known as the Public Housing Reform Act – was signed into law. QHWRA eliminated all statutory differences between the Certificate and Voucher tenant-based programs and required that the two programs
be merged into a single tenant-based assistance program, now known as the Housing Choice Voucher (HCV) program.

The HCV program was modeled closely on the pre-merger Voucher program. However, unlike the pre-merger Voucher program, the HCV program requires an assisted family to pay at least 30 percent of adjusted income for rent.

The transition of assistance from the Certificate and Voucher programs to the new HCV program began in October 1999. By October 2001, all families receiving tenant-based assistance were converted to the HCV program.
1-II.B. HCV PROGRAM BASICS

The purpose of the HCV program is to provide rental assistance to eligible families. The rules and regulations of the HCV program are determined by the U.S. Department of Housing and Urban Development. The DCHA is afforded choices in the operation of the program which are included in the DCHA’s administrative plan, a document approved by the board of commissioners of the DCHA.

The HCV program offers mobility to eligible families because they may search for suitable housing anywhere in the PHA’s jurisdiction and may also be eligible to move under portability to other PHAs’ jurisdictions.

When a family is determined to be eligible for the program and funding is available, the DCHA issues the family a housing voucher. When the family finds a suitable housing unit and funding is available, the DCHA will enter into a contract with the owner and the family will enter into a lease with the owner. Each party makes their respective payment to the owner so that the owner receives full rent.

Even though the family is determined to be eligible for the program, the owner has the responsibility of approving the family as a suitable renter. The DCHA continues to make payments to the owner as long as the family is eligible and the housing unit continues to qualify under the program.

1-II.C. THE HCV PARTNERSHIPS

To administer the HCV program, the DCHA enters into a contractual relationship with HUD (Consolidated Annual Contributions Contract). The DCHA also enters into contractual relationships with the assisted family and the owner or landlord of the housing unit.

For the HCV program to work and be successful, all parties involved – HUD, the DCHA, the owner, and the family – have important roles to play. The roles and responsibilities of all parties are defined in federal regulations and in legal documents that parties execute to participate in the program.

The chart on the following page illustrates key aspects of these relationships.
The HCV Relationships:

Congress Appropriates Funding

HUD Provides Funding To PHA

Program Regulations and ACC specifies PHA Obligations and Voucher Funding

PHA Administers Program

Voucher specifies Family Obligations

Housing Assistance Payments (HAP) Contract specifies Owner and PHA Obligations

Family (Program Participant)

Lease specifies Tenant and Landlord Obligations

Owner / Landlord
What Does HUD Do?

HUD has the following major responsibilities:

- Develop regulations, requirements, handbooks, notices and other guidance to implement HCV housing program legislation passed by Congress;
- Allocate HCV program funds to PHAs;
- Provide technical assistance to PHAs on interpreting and applying HCV program requirements;
- Monitor DCHA compliance with HCV program requirements and DCHA performance in program administration.

What Does the DCHA Do?

The DCHA administers the HCV program under contract with HUD and has the following major responsibilities:

- Establish local policies to administer the program;
- Review applications from interested applicants to determine whether they are eligible for the program;
- Maintain a waiting list and select families for admission;
- Issue vouchers to eligible families and provide information on how to lease a unit;
- Conduct outreach to owners, with special attention to owners outside areas of poverty or minority concentration;
- Approve the rental unit (including assuring compliance with housing quality standards and rent reasonableness), the owner, and the tenancy;
- Make housing assistance payments to the owner in a timely manner;
- Recertify families for continued eligibility under the program;
- Ensure that owners and families comply with their contractual obligations;
- Provide families and owners with prompt, professional service;
- Comply with all fair housing and equal opportunity requirements, HUD regulations and requirements, the Annual Contributions Contract, HUD-approved applications for funding, the DCHA’s Moving to Work (MTW) plan, and other applicable federal, district and local laws.
What Does the Owner Do?

The owner has the following major responsibilities:

- Screen families who apply for tenancy, to determine suitability as renters.
  - The DCHA can provide some information to the owner, but the primary responsibility for tenant screening rests with the owner.
  - The owner should consider family background factors such as rent and bill-paying history, history of caring for property, respecting the rights of others to peaceful enjoyment of the property, compliance with essential conditions of tenancy, whether the family is engaging in drug-related criminal activity or other criminal activity that might threaten others.
- Comply with the terms of the Housing Assistance Payments contract executed with the DCHA;
- Comply with all applicable fair housing laws and do not discriminate against anyone;
- Maintain the housing unit in accordance with Housing Quality Standards (HQS) and make necessary repairs in a timely manner;
- Collect rent due from the assisted family and otherwise comply with and enforce provisions of the dwelling lease.
What Does the Family Do?

The family has the following responsibilities:

• Provide the DCHA with complete and accurate information as determined by the DCHA to be necessary for administration of the program;

• Make their best and most timely efforts to locate qualified and suitable housing;

• Attend all appointments scheduled by the DCHA;

• Allow the DCHA to inspect the unit at reasonable times and after reasonable notice;

• Take responsibility for care of the housing unit, including any violations of housing quality standards caused by the family;

• Comply with the terms of the lease with the owner;

• Comply with the family obligations of the voucher;

• Not commit serious or repeated violations of the lease;

• Not engage in drug-related or violent criminal activity;

• Notify the DCHA and the owner before moving or terminating the lease;

• Use the assisted unit only for residence and as the sole residence of the family. Not sublet the unit, assign the lease, or have any interest in the unit;

• Promptly notify the DCHA of any changes in family composition;

• Not commit fraud, bribery, or any other corrupt or criminal act in connection with any housing programs.
1-II.D. APPLICABLE REGULATIONS

Applicable regulations include:

- 24 CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 35: Lead-Based Paint
- 24 CFR Part 100: The Fair Housing Act
- 24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program
- 24 CFR Part 983: Project-Based Vouchers
- 24 CFR Part 985: The Section 8 Management Assessment Program (SEMAP)
PART III: THE HCV ADMINISTRATIVE PLAN

1-III.A. OVERVIEW AND PURPOSE OF THE PLAN

The administrative plan is required by HUD. The purpose of the administrative plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives contained in the DCHA’s agency plan. This administrative plan is a supporting document to the DCHA agency plan, and is available for public review as required by CFR 24 Part 903.

This administrative plan is set forth to define the DCHA's local policies for operation of the housing programs in accordance with federal laws and regulations. All issues related to the HCV program not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices, and other applicable law. The policies in this administrative plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

The DCHA is responsible for complying with all changes in HUD regulations pertaining to the HCV program. If such changes conflict with this plan, HUD regulations will have precedence.

Administration of the HCV program and the functions and responsibilities of DCHA staff shall be in compliance with the DCHA's personnel policy and HUD regulations as well as all federal, district and local fair housing laws and regulations.

1-III.B. CONTENTS OF THE PLAN [24 CFR 982.54]

The HUD regulations at 24 CFR 982.54 define the policies that must be included in the administrative plan. They are as follow:

- Selection and admission of applicants from the DCHA waiting list, including any DCHA admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening the DCHA waiting list (Chapter 4);
- Issuing or denying vouchers, including DCHA policy governing the voucher term and any extensions of the voucher term. If the DCHA decides to allow extensions of the voucher term, the DCHA MTW plan must describe how the DCHA determines whether to grant extensions, and how the DCHA determines the length of any extension (Chapter 5);
- Any special rules for use of available funds when HUD provides funding to the DCHA for a special purpose (e.g., desegregation), including funding for specified families or a specified category of families (Chapter 4);
- Occupancy policies, including definition of what group of persons may qualify as a 'family', definition of when a family is considered to be 'continuously assisted'; standards for denying admission or terminating assistance based on criminal activity or alcohol abuse in accordance with 982.553 (Chapters 3 and 12);
- Encouraging participation by owners of suitable units located outside areas of low income or minority concentration (Chapter 13);
- Assisting a family that claims that illegal discrimination has prevented the family from leasing a suitable unit (Chapter 2);
• Providing information about a family to prospective owners (Chapters 3 and 9);
• Disapproval of owners (Chapter 13);
• Subsidy standards (Chapter 5);
• Family absence from the dwelling unit (Chapter 12);
• How to determine who remains in the program if a family breaks up (Chapter 3);
• Informal review procedures for applicants (Chapter 16);
• Informal hearing procedures for participants (Chapter 16);
• The process for establishing and revising voucher payment standards, including policies on administering decreases in the payment standard during the HAP contract term (Chapter 16);
• The method of determining that rent to owner is a reasonable rent (initially and during the term of a HAP contract) (Chapter 8);
• Special policies concerning special housing types in the program (e.g., use of shared housing) (Chapter 15);
• Policies concerning payment by a family to the DCHA of amounts the family owes the DCHA (Chapter 16);
• Interim redeterminations of family income and composition (Chapter 11);
• Restrictions, if any, on the number of moves by a participant family (Chapter 10);
• Approval by the board of commissioners or other authorized officials to charge the administrative fee reserve (Chapter 16);
• Procedural guidelines and performance standards for conducting required housing quality standards inspections (Chapter 8); and
• DCHA screening of applicants for family behavior or suitability for tenancy (Chapter 3).

Mandatory vs. Discretionary Policy

HUD makes a distinction between:

• Mandatory policies: those driven by legislation, regulations, current handbooks, notices, and legal opinions, and
• Optional, non-binding guidance, including guidebooks, notices that have expired and recommendations from individual HUD staff.

HUD expects PHAs to adopt local policies and procedures that are consistent with mandatory policies in areas where HUD gives the DCHA discretion. The DCHA's MTW plan is the foundation of those policies and procedures. HUD’s directions require PHAs to make policy choices that provide sufficient guidance to staff and ensure consistency to program applicants and participants.

Creating policies based upon HUD guidance is not mandatory, but provides a PHA with a “safe harbor.” HUD has already determined that the recommendations and suggestions it makes are
consistent with mandatory policies. If a PHA adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than HUD’s safe harbor, but PHAs should carefully think through those decisions.

1-III.C. ORGANIZATION OF THE PLAN

The plan is organized to provide information to users in particular areas of operation.

1-III.D. UPDATING AND REVISING THE PLAN

The DCHA will revise this administrative plan as needed to comply with changes in HUD regulations. The original plan and any changes must be approved by the board of commissioners of the agency, the pertinent sections included in the Agency Plan, and a copy provided to HUD after the Agency published them as regulations.

DCHA Policy

The DCHA will review and update the plan as needed, to reflect changes in regulations, DCHA operations, or when needed to ensure staff consistency in operation.
Chapter 2

FAIR HOUSING AND EQUAL OPPORTUNITY

INTRODUCTION

This chapter explains the laws and HUD regulations requiring PHAs to affirmatively further civil rights and fair housing in all federally assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and processes. The responsibility to further nondiscrimination pertains to all areas of the DCHA’s housing choice voucher (HCV) operations.

This chapter describes HUD regulations and DCHA policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of the DCHA regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the housing choice voucher program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42.U.S.C.) and Section 504 of the Rehabilitation Act of 1973, and incorporate guidance from the Joint Statement of The Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

PART I: NONDISCRIMINATION

2-I.A. OVERVIEW

Federal laws require PHAs to treat all applicants and participants equally, providing the same opportunity to access services, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. In addition, HUD regulations provide for additional protections regarding sexual orientation, gender identity, and marital status. The DCHA will comply fully with all federal, district, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Orders 11063 and 13988
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- The Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Final Rule, published in the Federal Register February 3, 2012 and further clarified in Notice PIH 2014-20
- Violence Against Women Reauthorization Act of 2022 (VAWA)

When more than one civil rights law applies to a situation, the laws will be read and applied together.

Any applicable district laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted will also apply.

DCHA Policy

The District of Columbia Housing Authority (DCHA) will protect individual rights of tenants, applicants or staff according to the District of Columbia Housing Authority Human Rights Act of 1977 and Regulation Revisions (Section 4-705 Filing of Complaints) and all federal nondiscrimination laws listed above.
2-I.B. NONDISCRIMINATION

Federal regulations prohibit discrimination against certain protected classes and other groups of people. District and local requirements, as well as DCHA policies, can prohibit discrimination based on other factors.

The DCHA shall not discriminate because of race, color, sex, religion, familial status, age, disability or national origin (called “protected classes”)

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

The DCHA will not discriminate on the basis of marital status, gender identity, or sexual orientation [FR Notice 02/03/12; Executive Order 13988].

DCHA Policy

The District of Columbia Housing Authority (DCHA) will not discriminate on the basis of the following protected classes defined in the District of Columbia Human Rights Act below:

1. **Age**: 18 years of age or older
2. **Color**: skin pigmentation, including variations in skin pigmentation
3. **Credit Information**: any written, oral, or other communication of information bearing on an employee's creditworthiness, credit standing, credit capacity, credit score, or credit history.
4. **Disability**: a physical or mental impairment substantially limiting one or more major life activities; physical can include auditory, speech, visual, and/or neurological impairments and mental can include cognitive and learning impairments
5. **Family Responsibilities**: supporting an individual in a legal dependent or blood relationship, which includes, but is not limited to children, grandchildren, and parents
6. **Familial Status**: a pregnant individual or a parent, guardian, or caregiver who has legal status with respect to children under the age of 18
7. **Gender Identity**: a gender-related identity, appearance, expression, or behavior of an individual, regardless of the individual’s assigned sex at birth
8. **Genetic Information**: an individual’s DNA or genetic predisposition, a family member’s genetic predisposition; information resulting from requests for genetic testing, or history which may indicate the likelihood or increase risk of an individual’s predisposition to develop a disease, illness, syndrome, or condition
9. **Homeless Status**: an individual, family, or youth who lacks, lost, or will imminently lose a fixed, regular, and adequate nighttime residence, which can include the result of escaping an unsafe environment
10. **Marital Status**: married, in a domestic partnership, single, divorced, separated or widowed, and the usual conditions associated therewith, including pregnancy or parenthood
11. **Matriculation**: being enrolled in a college, university, or some type of secondary school or program, including vocational programs
12. **National Origin**: the state, country, or nation state where an individual or their ancestors are from
13. Personal Appearance: outward appearance, irrespective of sex and gender identity or expression, including hair style and color, facial hair, tattoos, body size or shape, and body piercings, subject to business requirements and standards
14. Place of Residence or Business: the geographical location of home or work
15. Political Affiliation: the state of belonging to or endorsing any political party
16. Race: classification or association based on an individual’s ancestry, ethnicity and/or physical traits
17. Religion: a personal set or institutionalized system of attitudes, beliefs, and practices relating to a supernatural force or being, or its equivalent in secular faiths, including the presence or absence of commitment or devotion to any faith
18. Sealed Eviction Record: an eviction record that has been sealed by the Superior Court of the District of Columbia for specific reasons or upon motion by the tenant demonstrating that sealing is warranted
19. Sex: the state of being biologically male, female, or intersex including medical conditions and reproductive health decisions associated therewith
20. Sexual Orientation: an individual’s romantic and/or sexual attraction for another person(s); includes relationship types such as asexual, non-monogamy, open relationships, polyamory, etc.
21. Source of Income: the origination of an individual’s personal and professional finances, including from housing choice vouchers (Section 8), emergency assistance payments, SSI Income, alimony, and disability benefit programs
22. Status as a Victim or Family Member of a Victim of Domestic Violence, a Sexual Offense, or Stalking (DVSOS): when an individual is a victim or family member of a victim of domestic violence, sexual offense, or stalking
23. Status as a Victim of an Intrafamily Offense: an individual, their family, or a household member who is a victim of domestic violence, sexual assault, stalking, and/or cruelty to the victim’s animal

The DCHA will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the housing choice voucher program
- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Subject anyone to sexual harassment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or participant toward or away from a particular area based any of these factors
- Deny anyone access to the same level of services
- Deny anyone the opportunity to participate in a planning or advisory group that is an
integral part of the housing program

• Discriminate in the provision of residential real estate transactions

• Discriminate against someone because they are related to or associated with a member of a protected class

• Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class

**Providing Information to Families and Owners**

The DCHA must take steps to ensure that families and owners are fully aware of all applicable civil rights laws. As part of the briefing process, the DCHA must provide information to HCV applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods [24 CFR 982.301]. The Housing Assistance Payments (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the contract.

**Discrimination Complaints**

If an applicant or participant believes that any family member has been discriminated against by the DCHA or an owner, the family should advise the DCHA. The DCHA should make every reasonable attempt to determine whether the applicant’s or participant’s assertions have merit and take any warranted corrective action. In addition, the DCHA is required to provide the applicant or participant with information about how to file a discrimination complaint [24 CFR 982.304].

Upon receipt of a housing discrimination complaint, the DCHA is required to:

• Provide written notice of the complaint to those alleged and inform the complainant that such notice was made

• Investigate the allegations and provide the complainant and those alleged with findings and either a proposed corrective action or an explanation of why corrective action is not warranted

• Keep records of all complaints, investigations, notices, and corrective actions [Notice PIH 2014-20]

**DCHA Policy**

Applicants or participants who believe that they have been subject to unlawful discrimination may notify the DCHA either orally or in writing.

Within 10 business days of receiving the complaint, the DCHA will provide a written notice to those alleged to have violated the rule. The DCHA will also send a written notice to the complainant informing them that notice was sent to those alleged to have violated the rule, as well as information on how to complete and submit a housing discrimination complaint form to HUD’s Office of Fair Housing and Equal Opportunity (FHEO).

The DCHA will attempt to remedy discrimination complaints made against the DCHA and will conduct an investigation into all allegations of discrimination.
Within 10 business days following the conclusion of the DCHA's investigation, the DCHA will provide the complainant and those alleged to have violated the rule with findings and either a proposed corrective action plan or an explanation of why corrective action is not warranted.

The DCHA will keep a record of all complaints, investigations, notices, and corrective actions. (See Chapter 16.)
PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES

2-II.A. OVERVIEW

One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

The DCHA must ensure that persons with disabilities have full access to the DCHA’s programs and services. This responsibility begins with the first contact by an interested family and continues through every aspect of the program.

DCHA Policy

The DCHA will ask all applicants and participants if they require any type of accommodations, in writing, on the intake application, reexamination documents, and notices of adverse action by the DCHA, by including the following language:

“If you or anyone in your family is a person with disabilities, and you require a specific accommodation in order to fully utilize our programs and services, please contact the housing authority.”

A specific name and phone number of designated staff will be provided to process requests for accommodation.

The DCHA will display posters and other housing information and signage in locations throughout the DCHA’s office in such a manner as to be easily readable from a wheelchair.
2-II.B. DEFINITION OF REASONABLE ACCOMMODATION

A reasonable accommodation is an adjustment made to a rule, policy, practice, or service that allows a person with a disability to have equal access to the HCV program. For example, reasonable accommodations may include making home visits, extending the voucher term, or approving an exception payment standard in order for a participant to lease an accessible dwelling unit.

Federal regulations stipulate that requests for accommodations will be considered reasonable if they do not create an “undue financial and administrative burden” for the DCHA, or result in a “fundamental alteration” in the nature of the program or service offered. A fundamental alteration is a modification that alters the essential nature of a provider’s operations.

Types of Reasonable Accommodations

When needed, the DCHA will modify normal procedures to accommodate the needs of a person with disabilities. Examples include but are not limited to:

- Permitting applications and reexaminations to be completed by mail
- Conducting home visits
- Using higher payment standards (either within the acceptable range or with HUD approval of a payment standard outside the DCHA range) if the DCHA determines this is necessary to enable a person with disabilities to obtain a suitable housing unit
- Providing time extensions for locating a unit when necessary because of lack of availability of accessible units or special challenges of the family in seeking a unit
- Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with DCHA staff
- Providing “large print” versions of all required resident documentation
2-II.C. REQUEST FOR AN ACCOMMODATION

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that the DCHA treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to the DCHA’s programs and services.

If the need for the accommodation is not readily apparent or known to the DCHA, the family must explain the relationship between the requested accommodation and the disability. There must be an identifiable connection, or nexus, between the requested accommodation and the individual’s disability.

DCHA Policy

The DCHA will encourage the family to make its request in writing using a reasonable accommodation request form. However, the DCHA will consider the accommodation any time the family indicates that an accommodation is needed whether or not a formal written request is submitted.
2-II.D. VERIFICATION OF DISABILITY

The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of disability which is used for waiting list preferences and income allowances.

Before providing an accommodation, the DCHA must determine that the person meets the definition of a person with a disability, and that the accommodation will enhance the family’s access to the DCHA’s programs and services.

If a person’s disability is obvious or otherwise known to the DCHA, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to the DCHA, the DCHA must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

When verifying a disability, the DCHA will follow the verification policies provided in Chapter 7. All information related to a person’s disability will be treated in accordance with the confidentiality policies provided in Chapter 16. In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual’s disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]

- The DCHA must request only information that is necessary to evaluate the disability-related need for the accommodation. The DCHA will not inquire about the nature or extent of any disability.

- Medical records will not be accepted or retained in the participant file.

- In the event that the DCHA does receive confidential information about a person’s specific diagnosis, treatment, or the nature or severity of the disability, the DCHA will dispose of it. In place of the information, the DCHA will note in the file that the disability and other requested information have been verified, the date the verification was received, and the name and address of the knowledgeable professional who sent the information [Notice PIH 2010-26].
2-II.E. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act, Notice PIH 2010-26].

The DCHA must approve a request for an accommodation if the following three conditions are met:

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on the DCHA, or fundamentally alter the nature of the DCHA’s HCV operations (including the obligation to comply with HUD requirements and regulations).

Requests for accommodations must be assessed on a case-by-case basis, taking into account factors such as the overall size of the DCHA’s program with respect to the number of employees, type of facilities and size of budget, type of operation including composition and structure of workforce, the nature and cost of the requested accommodation, and the availability of alternative accommodations that would effectively meet the family’s disability-related needs.

Before making a determination whether to approve the request, the DCHA may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that the DCHA may verify the need for the requested accommodation.

**DCHA Policy**

After a request for accommodation is presented, the DCHA will endeavor to respond in writing within 10 business days of receipt of the request or receipt of the information required to verify the need for accommodation.

If the DCHA denies a request for an accommodation because there is no relationship, or nexus, found between the disability and the requested accommodation, the notice will inform the family of the right to appeal the DCHA’s decision through an informal review (if applicable) or informal hearing (see Chapter 16).

If the DCHA denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden or fundamentally alter the nature of the DCHA’s operations), the DCHA will discuss with the family whether an alternative accommodation could effectively address the family’s disability-related needs without a fundamental alteration to the HCV program and without imposing an undue financial and administrative burden.

If the DCHA believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, the DCHA will notify the family in writing of its determination within 10 business days from the date of the most recent discussion or communication with the family. The notice will inform the family of the right to appeal the DCHA’s decision through an informal hearing (if applicable) or the grievance process (see Chapter 14).
2-II.F. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS

HUD regulations require the DCHA to ensure that persons with disabilities related to hearing and vision have reasonable access to the DCHA's programs and services [24 CFR 8.6].

At the initial point of contact with each applicant, the DCHA shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

**DCHA Policy**

To meet the needs of persons with hearing impairments, TTD/TTY (text telephone display / teletype) communication will be available.

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with DCHA staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are sign language interpretation; having material explained orally by staff; or having a third party representative (a friend, relative or advocate, named by the applicant) to receive, interpret and explain housing materials and be present at all meetings.
2-II.G. PHYSICAL ACCESSIBILITY

The DCHA must comply with a variety of regulations pertaining to physical accessibility, including the following:

- Notice PIH 2010-26
- Section 504 of the Rehabilitation Act of 1973
- The Americans with Disabilities Act of 1990
- The Architectural Barriers Act of 1968
- The Fair Housing Act of 1988

The DCHA’s policies concerning physical accessibility must be readily available to applicants and participants. They can be found in three key documents:

- This plan describes the key policies that govern the DCHA’s responsibilities with regard to physical accessibility.
- Notice PIH 2010-26 summarizes information about pertinent laws and implementing regulations related to nondiscrimination and accessibility in federally-funded housing programs.
- The DCHA Plan provides information about self-evaluation, needs assessment, and transition plans.

The design, construction, or alteration of DCHA facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Newly-constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the HCV program.

When issuing a voucher to a family that includes an individual with disabilities, the DCHA will include a current list of available accessible units known to the DCHA and will assist the family in locating an available accessible unit, if necessary.

In general, owners must permit the family to make reasonable modifications to the unit. However, the owner is not required to pay for the modification and may require that the unit be restored to its original state at the family’s expense when the family moves.
2-II.H. DENIAL OR TERMINATION OF ASSISTANCE

A PHA’s decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 982.552 (2)(iv)].

When applicants with disabilities are denied assistance, the notice of denial must inform them of the DCHA’s informal review process and their right to request an informal review. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal review process.

When a participant family’s assistance is terminated, the notice of termination must inform them of the DCHA’s informal hearing process and their right to request a hearing and reasonable accommodation.

When reviewing reasonable accommodation requests, the DCHA must consider whether any mitigating circumstances can be verified to explain and overcome the problem that led to the DCHA’s decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, the DCHA must make the accommodation.
PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)

2-III.A. OVERVIEW

Language for Limited English Proficiency Persons (LEP) can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates the Final Guidance to Federal Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons, published January 22, 2007, in the Federal Register.

The DCHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP is defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak or understand English. For the purposes of this administrative plan, LEP persons are HCV applicants and participants, and parents and family members of applicants and participants.

In order to determine the level of access needed by LEP persons, the DCHA will balance the following four factors: (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the Housing Choice Voucher program; (2) the frequency with which LEP persons come into contact with the program; (3) the nature and importance of the program, activity, or service provided by the program to people’s lives; and (4) the resources available to the DCHA and costs. Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on the DCHA. This will be incorporated into DCHA’s Language Access Plan (see Addendum A).
2-III.B. ORAL INTERPRETATION

The DCHA will offer competent interpretation services free of charge, upon request, to the LEP person.

**DCHA Policy**

The DCHA will utilize a language line for telephone interpreter services.

When exercising the option to conduct remote briefings, informal reviews, or hearings, however, the DCHA will coordinate with a remote interpretation service which, when available, uses video conferencing technology rather than voice-only interpretation.

Where LEP persons desire, they will be permitted to use, at their own expense, an interpreter of their own choosing, in place of or as a supplement to the free language services offered by the DCHA. The DCHA, at its discretion, may choose to use the language services even when LEP persons desire to use an interpreter of their choosing. The interpreter may be a family member or friend. If the interpreter chosen by the family is a minor, the DCHA will not rely on the minor to serve as the interpreter.

The DCHA will analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. “Reasonable steps” may not be reasonable where the costs imposed substantially exceed the benefits.

Where feasible and possible, according to its language assistance plan (LAP), the DCHA will train and hire bilingual staff to be available to act as interpreters and translators, will pool resources with other PHAs, and will standardize documents.

2-III.C. WRITTEN TRANSLATION

Translation is the replacement of a written text from one language into an equivalent written text in another language.

**DCHA Policy**

In order to comply with written-translation obligations, the DCHA will take the following steps:

The DCHA will provide written translations of vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. Translation of other documents, if needed, can be provided orally; or

If there are fewer than 50 persons in a language group that reaches the 5 percent trigger, the DCHA does not translate vital written materials, but provides written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.
2-III.D. IMPLEMENTATION PLAN

After completing the four-factor analysis and deciding what language assistance services are appropriate, the DCHA shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the LEP populations it serves.

If the DCHA determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to the DCHA’s Housing Choice Voucher program and services.

DCHA Policy

If it is determined that the DCHA serves very few LEP persons, and the DCHA has very limited resources, the DCHA will not develop a written LEP plan, but will consider alternative ways to articulate in a reasonable manner a plan for providing meaningful access. Entities having significant contact with LEP persons, such as schools, grassroots and faith-based organizations, community groups, and groups working with new immigrants will be contacted for input into the process.

If the DCHA determines it is appropriate to develop a written LEP plan, the following five steps will be taken: (1) Identifying LEP individuals who need language assistance; (2) identifying language assistance measures; (3) training staff; (4) providing notice to LEP persons; and (5) monitoring and updating the LEP plan.

<th>EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3 and 100.201]</th>
</tr>
</thead>
<tbody>
<tr>
<td>A person with a disability, as defined under federal civil rights laws, is any person who:</td>
</tr>
<tr>
<td>• Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or</td>
</tr>
<tr>
<td>• Has a record of such impairment, or</td>
</tr>
<tr>
<td>• Is regarded as having such impairment</td>
</tr>
<tr>
<td>The phrase “physical or mental impairment” includes:</td>
</tr>
<tr>
<td>• Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or</td>
</tr>
<tr>
<td>• Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.</td>
</tr>
<tr>
<td>“Major life activities” includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.</td>
</tr>
<tr>
<td>“Has a record of such impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.</td>
</tr>
<tr>
<td>“Is regarded as having an impairment” is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as the DCHA) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment.</td>
</tr>
</tbody>
</table>
The definition of a person with disabilities does not include:

- Current illegal drug users
- People whose alcohol use interferes with the rights of others
- Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the HCV program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this disability is not entitled to a reasonable accommodation under federal civil rights and fair housing laws and regulations.

The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the $400 elderly/disabled household deduction, the $480 dependent deduction, the allowance for medical expenses, or the allowance for disability assistance expenses.

The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the HCV program, yet an accommodation is needed to provide equal opportunity.
Chapter 3
ELIGIBILITY

INTRODUCTION

The DCHA is responsible for ensuring that every individual and family admitted to the HCV program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by the DCHA to confirm eligibility and determine the level of the family’s assistance.

To be eligible for the HCV program:

- The applicant family must:
  - Qualify as a family as defined by HUD and the DCHA.
  - Have income at or below HUD-specified income limits.
  - Qualify on the basis of citizenship or the eligible immigrant status of family members.
  - Provide social security number information for household members as required.
  - Consent to the DCHA’s collection and use of family information as provided for in DCHA-provided consent forms.
  - Not currently be receiving a duplicative subsidy.

- The DCHA must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or the DCHA. For more detailed information, please see 3.III.C

This chapter contains three parts:

  Part I: Definitions of Family and Household Members. This part contains HUD and DCHA definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

  Part II: Basic Eligibility Criteria. This part discusses income eligibility, and rules regarding citizenship, social security numbers, and family consent.

  Part III: Denial of Assistance. This part covers factors related to an applicant’s past or current conduct (e.g. criminal activity) that can cause the DCHA to deny assistance.
PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS

3-I.A. OVERVIEW

Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others apply to individual persons who will live in the assisted unit. This part provides information that is needed to correctly identify family and household members, and to apply HUD's eligibility rules.

3-I.B. FAMILY AND HOUSEHOLD [24 CFR 982.201(c); FR Notice 02/03/12; Notice PIH 2014-20]

The terms family and household have different meanings in the HCV program.

Family

To be eligible for assistance, an applicant must qualify as a family. Family as defined by HUD includes, but is not limited to the following, regardless actual or perceived sexual orientation, gender identity, or marital status, a single person, who may be an elderly person, disabled person, near-elderly person, or any other single person; or a group of persons residing together. Such group includes, but is not limited to a family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family), an elderly family, a near-elderly family, a disabled family, a displaced family, or the remaining member of a tenant family. The DCHA has the discretion to determine if any other group of persons qualifies as a family.

Gender Identity means actual or perceived gender characteristics.

Sexual orientation means homosexuality, heterosexuality, or bisexuality.

DCHA Policy

In addition to the above definitions, the DCHA adheres to definitions presented in the DC Human Rights Act (See Exhibit 3-3).

A family also includes two or more individuals who are not related by blood, marriage, adoption, or other operation of law but who either can demonstrate that they have lived together previously or certify that each individual’s income and other resources will be available to meet the needs of the family.

Each family must identify the individuals to be included in the family at the time of application, and must notify the DCHA if the family’s composition changes.

Household

Household is a broader term that includes additional people who, with the DCHA’s permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.
3-I.C. FAMILY BREAKUP AND REMAINING MEMBER OF TENANT FAMILY

Family Breakup [24 CFR 982.315; Notice PIH 2017-08]

Except under the following conditions, the DCHA has discretion to determine which members of an assisted family continue to receive assistance if the family breaks up:

- If the family breakup results from an occurrence of domestic violence, dating violence, sexual assault, or stalking, the DCHA must ensure that the victim retains assistance. (For documentation requirements and policies related to domestic violence, dating violence, sexual assault, and stalking, see section 16-IX.D of this plan.)

- In accordance with Notice PIH 2017-08, for HUD–Veterans Affairs Supportive Housing (HUD–VASH) vouchers, when the veteran is the perpetrator of domestic violence, dating violence, sexual assault, or stalking, the victim must continue to be assisted. Upon termination of the perpetrator’s HUD–VASH voucher, the victim should be given a regular HCV if one is available, and the perpetrator’s HUD–VASH voucher should be used to serve another eligible family. If a regular HCV is not available, the victim will continue to use the HUD–VASH voucher, which must be issued to another eligible family upon the voucher’s turnover.

- If a court determines the disposition of property between members of the assisted family, the DCHA is bound by the court’s determination of which family members continue to receive assistance.

DCHA Policy

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may make a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while receiving assistance, only one of the new families will continue to be assisted.

If a court determines the disposition of property between members of an applicant or resident family, the DCHA will abide by the court's determination.

In the absence of a judicial decision or an agreement among the original family members, the DCHA will determine which family will retain their placement on the waiting list or continue to receive assistance. In making its determination, the DCHA will take into consideration the following factors: (1) the interest of any minor children, including custody arrangements; (2) the interest of any ill, elderly, or disabled family members; (3) the interest of any family member who is the victim of domestic violence, dating violence, sexual assault, or stalking, including a family member who was forced to leave an assisted unit as a result of such actual or threatened abuse; and (4) any possible risks to family members as a result of criminal activity.
Remaining Member of a Tenant Family [24 CFR 5.403]

The HUD definition of family includes the *remaining member of a tenant family*, which is a member of an assisted family who remains in the unit when other members of the family have left the unit. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family.

If dependents are the only “remaining members of a tenant family” and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on “Caretakers for a Child.”

3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]

*Head of household* means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

**DCHA Policy**

The family may designate any qualified family member as the head of household.

The head of household must have the legal capacity to enter into a lease under District and local law. A minor who is emancipated under District law may be designated as head of household.

3-I.E. SPOUSE, COHEAD, AND OTHER ADULT

A family may have a spouse or cohead.

*Spouse* means the marriage partner of the head of household.

**DCHA Policy**

A *marriage partner* includes the partner in a "common law" marriage as defined in District law. The term “spouse” does not apply to friends, roommates, or significant others who are not marriage partners. A minor who is emancipated under district law may be designated as a spouse.

A *cohead* is an individual in the household who is equally responsible with the head of household for ensuring that the family fulfills all of its responsibilities under the program. A family can have only one cohead.

**DCHA Policy**

Minors who are emancipated under district law may be designated as a cohead.

*Other adult* means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults.
3-I.F. DEPENDENT [24 CFR 5.603]

A dependent is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults and live-in aides. Identifying each dependent in the family is important because each dependent qualifies the family for a dependent allowance as described in Chapter 6.

Joint Custody of Dependents

DCHA Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 50 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the DCHA will make the determination based on available documents such as court orders, an IRS income tax return showing which family has claimed the child for income tax purposes, school records, or other credible documentation.

3-I.G. FULL-TIME STUDENT [24 CFR 5.603; HCV GB, p. 5-29]

A full-time student (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to be full-time is defined by the educational institution.

Identifying each FTS is important because: (1) each family member that is an FTS, other than the head, spouse, or cohead, qualifies the family for a dependent allowance, and (2) the earned income of such an FTS is treated differently from the income of other family members.

3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY

[24 CFR 5.100 and 5.403, FR Notice 02/03/12]

Elderly Persons

An elderly person is a person who is at least 62 years of age.

Near-Elderly Persons

A near-elderly person is a person who is 50-61 years of age.

Elderly Family

An elderly family is one in which the head, spouse, cohead, or sole member is an elderly person. Identifying elderly families is important because elderly families qualify for the elderly family allowance as described in Chapter 6.
3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY [24 CFR 5.403, FR Notice 02/03/12]

Persons with Disabilities

Under the HCV program, special rules apply to persons with disabilities and to any family whose head, spouse, or cohead is a person with disabilities. The technical definitions of individual with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end of this chapter. These definitions are used for a number of purposes including ensuring that persons with disabilities are not discriminated against based upon disability.

As discussed in Chapter 2, the DCHA must make all aspects of the HCV program accessible to persons with disabilities and consider reasonable accommodations requested based upon a person’s disability.

Disabled Family

A disabled family is one in which the head, spouse, or cohead is a person with disabilities. Identifying disabled families is important because these families qualify for the disabled family allowance as described in Chapter 6.

Even though persons with drug or alcohol dependencies are considered persons with disabilities, including family members, this does not prevent the DCHA from denying assistance for reasons related to alcohol and drug abuse in accordance with the policies found in Part III of this chapter, or from terminating assistance in accordance with the policies in Chapter 12.

3-I.J. GUESTS [24 CFR 5.100]

A guest is a person temporarily staying in the unit with the consent of a member of the household who has expressed or implied authority to so consent.

DCHA Policy

A guest can remain in the assisted unit no longer than 30 consecutive days or a total of 90 cumulative calendar days during any 12-month period, unless otherwise noted in the landlord lease.

Children who are subject to a joint custody arrangement or for whom a family has written visitation privileges, that are not included as a family member because they live outside of the assisted household more than 50 percent of the time, are not subject to the time limitations of guests as described above.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure is expected to last 40 consecutive days). An exception will not be made unless the family can identify and provide written documentation of the residence to which the guest will return. This is subject to termination in chapter 12.

Guests who represent the unit address as their residence address or address of record for receipt of benefits or any other purposes will be considered unauthorized occupants. In addition, guests who remain in the unit beyond the allowable time limit will be considered to be unauthorized occupants, and their presence constitutes a violation of the guest policy. This is subject to termination in chapter 12.
3-I.K. FOSTER CHILDREN AND FOSTER ADULTS

Foster adults are usually persons with disabilities, unrelated to the tenant family, who are unable to live alone [24 CFR 5.609].

The term foster child is not specifically defined by the regulations.

Foster children and foster adults who are living with an applicant or who have been approved by the DCHA to live with a participant family are considered household members but not family members. The income of foster children/adults is not counted in family annual income, and foster children/adults do not qualify for a dependent deduction [24 CFR 5.603; HUD-50058 IB, p. 13].

DCHA Policy

A foster child is a child that is in the legal guardianship or custody of a district, county, or private adoption or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.

A foster child or foster adult may be allowed to reside in the unit if their presence would not result in a violation of HQS space standards according to 24 CFR 982.401.

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

3-I.L. ABSENT FAMILY MEMBERS

Individuals may be absent from the family, either temporarily or permanently, for a variety of reasons including educational activities, placement in foster care, employment, illness, incarceration, and court order.

Definitions of Temporarily and Permanently Absent

DCHA Policy

Generally an individual who is or is expected to be absent from the assisted unit for 120 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the assisted unit for more than 120 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

Absent Students

DCHA Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the DCHA indicating that the student has established a separate household or the family declares that the student has established a separate household.
Absences Due to Placement in Foster Care [24 CFR 5.403]

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.

**DCHA Policy**

If a child has been placed in foster care, the DCHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

**Absent Head, Spouse, or Cohead**

**DCHA Policy**

An employed head, spouse, or cohead absent from the unit more than 120 consecutive days due to employment will continue to be considered a family member.

**Family Members Permanently Confined for Medical Reasons [HCV GB, p. 5-22]**

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

**DCHA Policy**

An individual confined to a nursing home or hospital on a permanent basis is not considered a family member.

The DCHA will request verification of the family member’s permanent absence from a responsible medical professional. If the responsible medical professional cannot provide a determination, the person will be considered temporarily absent. If the family certifies that the family member is confined on a permanent basis, they may present, and the DCHA will consider, any additional documentation or evidence.

**Return of Permanently Absent Family Members**

**DCHA Policy**

The family must request DCHA approval for the return of any adult family members that the DCHA previously determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.
3-I.M. LIVE-IN AIDE

A live-in aide is a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the persons, (2) is not obligated for the support of the persons, and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

The DCHA must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by the family member with disabilities.

The income of a live-in aide is not counted in the calculation of annual income for the family [24 CFR 5.609(b)]. Relatives may be approved as live-in aides if they meet all of the criteria defining a live-in aide. Because live-in aides are not family members, a relative who serves as a live-in aide would not be considered a remaining member of a tenant family; therefore, they are ineligible for residual tenancy or right to voucher exercised under the status of family member.

**DCHA Policy**

A family’s request for a live-in aide must be made in writing. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker, that the live-in aide is essential for the care and well-being of the elderly, near-elderly, or disabled family member. For continued approval, the family must submit a new, written request-subject to DCHA verification-at each biennial/triennial reexamination.

In addition, the family and live-in aide will be required to submit a certification stating that the live-in aide is (1) not obligated for the support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services.

The DCHA will not approve a particular person as a live-in aide, and may withdraw such approval if [24 CFR 982.316(b)]:

- The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The person commits drug-related criminal activity or violent criminal activity; or
- The person currently owes rent or other amounts to the DCHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

The DCHA will notify the family of its decision in writing within 20 business days of receiving a request for a live-in aide, including all required documentation related to the request. For additional requirements related to appeals, please see chapter 12.
PART II: BASIC ELIGIBILITY CRITERIA

3-II.A. INCOME ELIGIBILITY AND TARGETING

Income Limits

HUD establishes income limits for all areas of the country and publishes them annually in the Federal Register. They are based upon estimates of median family income with adjustments for family size. The income limits are used to determine eligibility for the program and for income targeting purposes as discussed in this section.

Definitions of the Income Limits [24 CFR 5.603(b)]

Low-income family. A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

Very low-income family. A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

Extremely low-income family. A family whose annual income does not exceed the federal poverty level or 30 percent of the median income for the area, whichever number is higher.

Area median income is determined by HUD, with adjustments for smaller and larger families. HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Using Income Limits for Eligibility [24 CFR 982.201]

Income limits are used for eligibility only at admission. Income eligibility is determined by comparing the annual income of an applicant to the applicable income limit for their family size. In order to be income eligible, an applicant family must be one of the following:

- A very low-income family
- A low-income family that has been "continuously assisted" under the 1937 Housing Act. A family is considered to be continuously assisted if the family is already receiving assistance under any 1937 Housing Act program at the time the family is admitted to the HCV program [24 CFR 982.4; 24 CFR 982.201(b)]
- A low-income family that qualifies for voucher assistance as a non-purchasing household living in HOPE 1 (public housing homeownership), HOPE 2 (multifamily housing homeownership) developments, or other HUD-assisted multifamily homeownership programs covered by 24 CFR 248.173
- A low-income or moderate-income family that is displaced as a result of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract on eligible low-income housing as defined in 24 CFR 248.101

DCHA Policy

The DCHA will consider a family to be continuously assisted if the family was leasing a unit under any 1937 Housing Act program at the time they were selected from the DCHA’s waiting list.
Using Income Limits for Targeting [24 CFR 982.201]

At least 75 percent of the families admitted to the DCHA’s program during a DCHA fiscal year must be extremely low-income families. HUD may approve exceptions to this requirement if the DCHA demonstrates that it has made all required efforts, but has been unable to attract an adequate number of qualified extremely low-income families.

Families continuously assisted under the 1937 Housing Act and families living in eligible low-income housing that are displaced as a result of prepayment of a mortgage or voluntary termination of a mortgage insurance contract are not counted for income targeting purposes.
3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]

Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), or noncitizens that have eligible immigration status. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with the DCHA’s Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

Declaration [24 CFR 5.508]

HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals and eligible noncitizens the declaration must be signed personally by the head, spouse, cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults.

U.S. Citizens and Nationals

In general, citizens and nationals are required to submit only a signed declaration as verification of their status. However, HUD regulations permit the DCHA to request additional documentation of their status, such as a passport.

DCHA Policy

Family members who declare citizenship or national status will not be required to provide additional documentation unless the DCHA receives information indicating that an individual’s declaration may not be accurate.

Eligible Noncitizens

In addition to providing a signed declaration, those declaring eligible noncitizen status must sign a verification consent form and cooperate with DCHA efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, the person’s age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].
Ineligible Noncitizens

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a noncontending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. The DCHA is not required to verify a family member’s ineligible status and is not required to report an individual’s unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

Mixed Families

A family is eligible for assistance as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered mixed families. Such families will be given notice that their assistance will be prorated, and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are prorated, and Chapter 16 for a discussion of informal hearing procedures.

Ineligible Families [24 CFR 5.514(d), (e), and (f)]

A PHA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by the DCHA that the individual or at least one family member is eligible. Verification of eligibility for this purpose occurs when the individual or family members have submitted documentation to the DCHA in accordance with program requirements [24 CFR 5.512(a)].

DCHA Policy

The DCHA will not provide assistance to a family before the verification of at least one family member.

When a DCHA determines that an applicant family does not include any citizens, nationals, or eligible noncitizens, following the verification process, the family will be sent a written notice within 10 business days of the determination.

The notice will explain the reasons for the denial of assistance, that the family may be eligible for proration of assistance, and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services (USCIS), or to request an informal hearing with the DCHA. The informal hearing with the DCHA may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the conclusion of the USCIS appeal process, but that it may be delayed pending the completion of the informal hearing process.

Informal hearing procedures are contained in Chapter 16.
Timeframe for Determination of Citizenship Status [24 CFR 5.508(g)]

For new occupants joining the assisted family, the DCHA must verify status at the first interim or regular reexamination following the person’s occupancy, whichever comes first.

If an individual qualifies for a time extension for the submission of required documents, the DCHA must grant such an extension for no more than 30 days [24 CFR 5.508(h)].

Each family member is required to submit evidence of eligible status only one time during continuous occupancy.

DCHA Policy

The DCHA will verify the citizenship status of applicants at the time other eligibility factors are determined.

3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218, Notice PIH 2018-24]

The applicant and all members of the applicant’s household must disclose the complete and accurate social security number (SSN) assigned to each household member, and the documentation necessary to verify each SSN. If a child under age 6 has been added to an applicant family within 6 months prior to voucher issuance, an otherwise eligible family may be admitted to the program and must disclose and document the child’s SSN within 90 days of the effective date of the initial HAP contract. A detailed discussion of acceptable documentation is provided in Chapter 7.

Note: These requirements do not apply to noncitizens who do not contend eligible immigration status.

In addition, each participant who has not previously disclosed an SSN, has previously disclosed an SSN that HUD or the SSA determined was invalid, or has been issued a new SSN must submit their complete and accurate SSN and the documentation required to verify the SSN at the time of the next interim or annual reexamination or recertification. Participants age 62 or older as of January 31, 2010, whose determination of eligibility was begun before January 31, 2010, are exempt from this requirement and remain exempt even if they move to a new assisted unit.

The DCHA must deny assistance to an applicant family if they do not meet the SSN disclosure and documentation requirements contained in 24 CFR 5.216.

3-II.D. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.230; HCV GB, p. 5-13]

HUD requires each adult family member, and the head of household, spouse, or cohead, regardless of age, to sign form HUD-9886, Authorization for the Release of Information/Privacy Act Notice, the form HUD-52675 Debts Owed to Public Housing Agencies and Terminations, and other consent forms as needed to collect information relevant to the family’s eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements.

The DCHA must deny admission to the program if any member of the applicant family fails to sign and submit the consent forms for obtaining information in accordance with 24 CFR 5, Subparts B and F [24 CFR 982.552(b)(3)].
3-II.E. STUDENTS ENROLLED IN INSTITUTIONS OF HIGHER EDUCATION
[24 CFR 5.612, FR Notice 4/10/06, FR Notice 9/21/16]

Section 327 of Public Law 109-115 and the implementing regulation at 24 CFR 5.612 established new restrictions on the eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student’s eligibility must be examined along with the income eligibility of the student’s parents. In these cases, both the student and the student’s parents must be income eligible for the student to receive HCV assistance. If, however, a student in these circumstances is determined independent from their parents in accordance with DCHA policy, the income of the student’s parents will not be considered in determining the student’s eligibility.

The new law does not apply to students who reside with parents who are applying to receive HCV assistance. It is limited to students who are seeking assistance on their own, separately from their parents.

Definitions

In determining whether and how the new eligibility restrictions apply to a student, the DCHA will rely on the following definitions [FR Notice 4/10/06, FR Notice 9/21/16].

**Dependent Child**

In the context of the student eligibility restrictions, *dependent child* means a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of *dependent* in 24 CFR 5.603, which states that the dependent must be a member of the assisted family, other than the head of household or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student. Foster children and foster adults are not considered dependents.
Independent Student

DCHA Policy

The DCHA will consider a student “independent” from their parents and the parents’ income will not be considered when determining the student’s eligibility if the following four criteria are all met:

The individual is of legal contract age under district law.

The individual has established a household separate from their parents for at least one year prior to application for occupancy or the individual meets the U.S. Department of Education’s definition of independent student.

To be considered an independent student according to the Department of Education, a student must meet one or more of the following criteria:

The individual is at least 24 years old by December 31 of the award year for which aid is sought

The individual is an orphan, in foster care, or a ward of the court, or was an orphan, in foster care, or ward of the court at any time when the individual was 13 years of age or older

The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual’s state of legal residence

The individual is a veteran of the U.S. Armed Forces or is currently serving on active duty in the Armed Forces for other than training purposes

The individual is a graduate or professional student

The individual is married

The individual has one or more legal dependents other than a spouse (for example, dependent children or an elderly dependent parent)

The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:

A local educational agency homeless liaison

The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director

A financial aid administrator
The individual is a student for whom a financial aid administrator makes a documented determination of independence by reason of other unusual circumstances.

The individual was not claimed as a dependent by their parents pursuant to IRS regulations, as demonstrated on the parents’ most recent tax forms.

The individual provides a certification of the amount of financial assistance that will be provided by their parents. This certification must be signed by the individual providing the support and must be submitted even if no assistance is being provided.

If the DCHA determines that an individual meets the definition of a vulnerable youth such a determination is all that is necessary to determine that the person is an independent student for the purposes of using only the student’s income for determining eligibility for assistance.

The DCHA will verify that a student meets the above criteria in accordance with the policies in Section 7-II.E.

**Institution of Higher Education**

The DCHA will use the statutory definition under section 102 of the Higher Education Act of 1965 to determine whether a student is attending an institution of higher education (see Exhibit 3-2).

**Parents**

DCHA Policy

For purposes of student eligibility restrictions, the definition of parents includes biological or adoptive parents, stepparents (as long as they are currently married to the biological or adoptive parent), and guardians (e.g., grandparents, aunt/uncle, godparents, etc).

**Person with Disabilities**

The DCHA will use the statutory definition under section 3(b)(3)(E) of the 1937 Act to determine whether a student is a person with disabilities (see Exhibit 3-1).

**Veteran**

DCHA Policy

A veteran is a person who served in the active military, naval, or air service and who was discharged or released from such service under conditions other than dishonorable.

**Vulnerable Youth**

DCHA Policy

A vulnerable youth is an individual who meets the U.S. Department of Education’s definition of independent student in paragraphs (b), (c), or (h), as adopted in Section II of FR Notice 9/21/16:
The individual is an orphan, in foster care, or a ward of the court, or was an orphan, in foster care, or ward of the court at any time when the individual was 13 years of age or older.

The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual’s state of legal residence.

The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:

- A local educational agency homeless liaisons
- The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director
- A financial aid administrator

**Determining Student Eligibility**

If a student is applying for assistance on their own, apart from their parents, the DCHA must determine whether the student is subject to the eligibility restrictions contained in 24 CFR 5.612. If the student is subject to those restrictions, the DCHA must ensure that: (1) the student is individually eligible for the program, (2) either the student is independent from their parents or the student’s parents are income eligible for the program, and (3) the “family” with which the student is applying is collectively eligible for the program.

**DCHA Policy**

For any student who is subject to the 5.612 restrictions, the DCHA will:

- Follow its usual policies in determining whether the student individually and the student’s “family” collectively are eligible for the program
- Determine whether the student is independent from their parents in accordance with the definition of independent student in this section
- Follow the policies below, if applicable, in determining whether the student’s parents are income eligible for the program

If the DCHA determines that the student, the student’s parents (if applicable), or the student’s “family” is not eligible, the DCHA will send a notice of denial in accordance with the policies in Section 3-III.F, and the applicant family will have the right to request an informal review in accordance with the policies in Section 16-III.B.

**Determining Parental Income Eligibility**

**DCHA Policy**

For any student who is subject to the 5.612 restrictions and who does not satisfy the definition of independent student in this section, the DCHA will determine the income eligibility of the student’s parents as follows:

If the student’s parents are married and living together, the DCHA will obtain a joint income declaration and certification of joint income from the parents.
If the student’s parent is widowed or single, the DCHA will obtain an income declaration and certification of income from that parent.

If the student’s parents are divorced or separated, the DCHA will obtain an income declaration and certification of income from each parent.

If the student has been living with one of their parents and has not had contact with or does not know where to contact their other parent, the DCHA will require the student to submit a certification under penalty of perjury describing the circumstances and stating that the student does not receive financial assistance from the other parent. The DCHA will then obtain an income declaration and certification of income from the parent with whom the student has been living or had contact.

In determining the income eligibility of the student’s parents, the DCHA will use the income limits for the jurisdiction in which the parents live.

3-II.F. EIV SYSTEM SEARCHES [Notice PIH 2018-18; EIV FAQs; EIV System Training 9/30/20]

Existing Tenant Search

Prior to admission to the program, the DCHA must search for all household members using the EIV Existing Tenant Search module. The DCHA must review the reports for any SSA matches involving another PHA or a multifamily entity and follow up on any issues identified. The DCHA must provide the family with a copy of the Existing Tenant Search results if requested.

At no time may any family member receive duplicative assistance.

If the tenant is a new admission to the DCHA, and a match is identified at a multifamily property, the DCHA must report the program admission date to the multifamily property and document the notification in the tenant file. The family must provide documentation of move-out from the assisted unit, as applicable.

DCA Policy

The DCHA will contact the PHA or owner identified in the report to confirm that the family has moved out of the unit and obtain documentation of current tenancy status, including a form HUD-50058 or 50059, as applicable, showing an end of participation. The DCHA will only approve assistance contingent upon the move-out from the currently occupied assisted unit.
Debts Owed to PHAs and Terminations

All adult household members must sign the form HUD-52675 Debts Owed to Public Housing and Terminations. Prior to admission to the program, the DCHA must search for each adult family member in the Debts Owed to PHAs and Terminations module.

If a current or former tenant disputes the information in the module, the tenant should contact the PHA directly in writing to dispute the information and provide any documentation that supports the dispute. If the DCHA determines that the disputed information is incorrect, the DCHA will update or delete the record from EIV. Former tenants may dispute debt and termination information for a period of up to three years from the end of participation date in the program.

DCHA Policy

The DCHA will require each adult household member to sign the form HUD-52675 once at the eligibility determination. Any new members added to the household after admission will be required to sign the form HUD-52675 prior to being added to the household.

The DCHA will search the Debts Owed to PHAs and Terminations module as part of the eligibility determination for new households and as part of the screening process for any household members added after the household is admitted to the program. If any information on debts or terminations is returned by the search, the DCHA will determine if this information warrants a denial in accordance with the policies in Part III of this chapter.

Income and Income Validation Tool (IVT) Reports

For each new admission, the DCHA is required to review the EIV Income and IVT Reports to confirm and validate family reported income within 120 days of the IMS/PIC submission date of the new admission. The DCHA must print and maintain copies of the EIV Income and IVT reports in the tenant file and resolve any discrepancies with the family within 60 days of the EIV Income or IVT report dates. The DCHA will also run these reports at re-examination, see chapter 11.
PART III: DENIAL OF ASSISTANCE

3-III.A. OVERVIEW

A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied assistance. In this section we will discuss other situations and circumstances in which denial of assistance is mandatory for the DCHA, and those in which denial of assistance is optional for the DCHA.

While the regulations state that the DCHA must prohibit admission for certain types of criminal activity and give the DCHA the option to deny for other types of previous criminal history, more recent HUD rules and OGC guidance must also be taken into consideration when determining whether a particular individual’s criminal history merits denial of admission.

When considering any denial of admission, PHAs may not use arrest records as the basis for the denial. Further, HUD does not require the adoption of “One Strike” policies and reminds PHAs of their obligation to safeguard the due process rights of applicants and tenants [Notice PIH 2015-19].

HUD’s Office of General Counsel issued a memo on April 4, 2016, regarding the application of Fair Housing Act standards to the use of criminal records. This memo states that a PHA violates the Fair Housing Act when their policy or practice has an unjustified discriminatory effect, even when the PHA had no intention to discriminate. Where a policy or practice that restricts admission based on criminal history has a disparate impact on a particular race, national origin, or other protected class, that policy or practice is in violation of the Fair Housing Act if it is not necessary to serve a substantial, legitimate, nondiscriminatory interest of the DCHA, or if that interest could be served by another practice that has a less discriminatory effect [OGC Memo 4/4/16].

PHAs who impose blanket prohibitions on any person with any conviction record, no matter when the conviction occurred, what the underlying conduct entailed, or what the convicted person has done since then will be unable to show that such policy or practice is necessary to achieve a substantial, legitimate, nondiscriminatory interest. Even a PHA with a more tailored policy or practice that excludes individuals with only certain types of convictions must still prove that its policy is necessary. To do this, the DCHA must show that its policy accurately distinguishes between criminal conduct that indicates a demonstrable risk to resident safety and property and criminal conduct that does not.
Forms of Denial [24 CFR 982.552(a)(2); HCV GB, p. 5-35]

Denial of assistance includes any of the following:

- Not placing the family's name on the waiting list
- Denying or withdrawing a voucher
- Not approving a request for tenancy or refusing to enter into a HAP contract
- Refusing to process a request for or to provide assistance under portability procedures

Prohibited Reasons for Denial of Program Assistance [24 CFR 982.202(b), 24 CFR 5.2005(b)]

HUD rules prohibit denial of program assistance to the program based on any of the following criteria:

- Age, disability, race, color, religion, sex, or national origin (See Chapter 2 for additional information about fair housing and equal opportunity requirements.)
- Where a family lives prior to admission to the program
- Where the family will live with assistance under the program. Although eligibility is not affected by where the family will live, there may be restrictions on the family’s ability to move outside the DCHA’s jurisdiction under portability. (See Chapter 10.)
- Whether members of the family are unwed parents, recipients of public assistance, or children born out of wedlock
- Whether the family includes children
- Whether a family decides to participate in a family self-sufficiency program
- Whether or not a qualified applicant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking if the applicant is otherwise qualified for assistance (See section 3-III.G.)
3-III.B. MANDATORY DENIAL OF ASSISTANCE [24 CFR 982.553(a)]

HUD requires the DCHA to deny assistance in the following cases:

- Any member of the household has been evicted from federally assisted housing in the last three years for drug-related criminal activity. HUD permits, but does not require, the DCHA to admit an otherwise-eligible family if the household member has completed a DCHA-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g., the person involved in the criminal activity no longer lives in the household).

  DCHA Policy
  The DCHA will admit an otherwise-eligible family who was evicted from federally assisted housing within the past five years for drug-related criminal activity if the DCHA is able to verify that the household member who engaged in the criminal activity has completed a supervised drug rehabilitation program approved by the DCHA, or the person who committed the crime, is no longer living in the household.

- The DCHA determines that any household member is currently engaged in the use of illegal drugs.

  DCHA Policy
  *Currently engaged in* is defined as any use of illegal drugs during the previous three months.

- The DCHA has reasonable cause to believe that any household member’s current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

  DCHA Policy
  In determining reasonable cause, the DCHA will consider all credible evidence, including but not limited to, any record of convictions, arrests, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. A record or records of arrest will not be used as the sole basis of determining reasonable cause. The DCHA will also consider evidence from treatment providers or community-based organizations providing services to household members.

- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing

- Any household member is subject to a lifetime registration requirement under a state sex offender registration program
3-III.C. OTHER PERMITTED REASONS FOR DENIAL OF ASSISTANCE

HUD permits, but does not require, the DCHA to deny assistance for the reasons discussed in this section.

Criminal Activity [24 CFR 982.553]

HUD permits, but does not require, the DCHA to deny assistance if the DCHA determines that any household member is currently engaged in, or has engaged in during a reasonable time before the family would receive assistance, certain types of criminal activity.

DCHA Policy

If any household member is currently engaged in, or has engaged in any of the following criminal activities, within the past five years, the family will be denied assistance.

*Drug-related criminal activity*, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].

*Violent criminal activity*, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].

Criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or

Criminal activity that may threaten the health or safety of property owners, management staff, and persons performing contract administration functions or other responsibilities on behalf of the DCHA (including a PHA employee or a PHA contractor, subcontractor, or agent).

Immediate vicinity means within a three-block radius of the premises.

Evidence of such criminal activity includes, but is not limited to:

Any conviction for drug-related or violent criminal activity within the past five years.

Records of arrests for drug-related or violent criminal activity within the past five years, although a record or records of arrest will not be used as the sole basis for the denial or proof that the applicant engaged in disqualifying criminal activity.

Except as mandated by federal law, no applicant will be automatically denied because of his or her criminal background. For applicants not barred by federal law, the applicant’s criminal conviction(s) will be assessed to determine the risk the applicant poses to the safety and well-being of the community.

In making its decision to deny assistance, the DCHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, the DCHA may, on a case-by-case basis, decide not to deny assistance.
Previous Behavior in Assisted Housing [24 CFR 982.552(c)]

HUD authorizes the DCHA to deny assistance based on the family’s previous behavior in assisted housing.

PHAs are not permitted to deny assistance to a family because the family previously failed to meet its obligations under the Family Self-Sufficiency (FSS) program [24 CFR 984.101(d)].

DCHA Policy

The DCHA will deny assistance to an applicant family if:

The family does not provide information that the DCHA or HUD determines is necessary in the administration of the program.

The family does not provide complete and true information to the DCHA.

Any family member has been evicted from federally assisted housing in the last three years.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family owes rent or other amounts to any PHA in connection with Section 8 or other public housing assistance under the 1937 Act, unless the family repays the full amount of the debt prior to being selected from the waiting list.

If the family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease, unless the family repays the full amount of the debt prior to being selected from the waiting list.

The family has breached the terms of a repayment agreement entered into with the PHA, unless the family repays the full amount of the debt covered in the repayment agreement prior to being selected from the waiting list.

When denying admission due to family debts as shown in HUD’s EIV system, the DCHA will provide the family with a copy of the EIV Debt Owed to PHA and Termination report.

If the family wishes to dispute the information in the report, the family must contact the PHA that entered the information in EIV in writing, explaining why EIV information is disputed. The family must also provide a copy of the letter and all applicable verification to the DCHA to support the family’s claim. The DCHA will consider the information provided by the family prior to issuing a notice of denial.
A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.

*Abusive or violent behavior towards DCHA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

*Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to deny assistance, the DCHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, the DCHA may, on a case-by-case basis, decide not to deny assistance. Except as mandated by federal law, no applicant will be automatically denied because of his or her criminal background. For applicants not barred by federal law, the applicant’s criminal conviction(s) will be assessed to determine the risk the applicant poses to the safety and well-being of the community.
3-III.D. SCREENING

Screening for Eligibility

PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the HCV program. This authority assists the DCHA in complying with HUD requirements and DCHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records the DCHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

**DCHA Policy**

The DCHA will perform a criminal background check through local and national law enforcement for every adult household member.

While a PHA has regulatory authority to use criminal conviction records for the purpose of applicant screening for admission, there is no corresponding authority to use these records to check for criminal and illegal drug activity by participants, and therefore, PHAs may not use records for this purpose.

PHAs are required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 982.553(a)(2)(i)].

**DCHA Policy**

The DCHA will use the Dru Sjodin National Sex Offender database to screen applicants for admission.

Additionally, PHAs must ask whether the applicant, or any member of the applicant’s household, is subject to a lifetime registered sex offender registration requirement in any state [Notice PIH 2012-28].

If the DCHA proposes to deny assistance based on a criminal record or on lifetime sex offender registration information, the DCHA must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission. [24 CFR 5.903(f) and 5.905(d)].
Screening for Suitability as a Tenant [24 CFR 982.307]

The DCHA has no liability or responsibility to the owner for the family’s behavior or suitability for tenancy. The DCHA has the authority to conduct additional screening to determine whether an applicant is likely to be a suitable tenant.

DCHA Policy

The DCHA will not conduct additional screening to determine an applicant family’s suitability for tenancy.

The owner is responsible for screening and selection of the family to occupy the owner’s unit. The DCHA must inform the owner that screening and selection for tenancy is the responsibility of the owner. An owner may consider a family’s history with respect to factors such as: payment of rent and utilities, caring for a unit and premises, respecting the rights of other residents to the peaceful enjoyment of their housing, criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

HUD requires the DCHA to provide prospective owners with the family's current and prior address (as shown in PHA records) and the name and address (if known) of the owner at the family's current and prior addresses. HUD permits the DCHA to provide owners with additional information, as long as families are notified that the information will be provided, and the same type of information is provided to all owners.

The DCHA may not disclose to the owner any confidential information provided to the DCHA by the family in response to a PHA request for documentation of domestic violence, dating violence, sexual assault, or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(a)(4)].

DCHA Policy

The DCHA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the initial HQS inspection or before. The DCHA will not provide any additional information to the owner, such as tenancy history or criminal history, etc.
3-III.E. CRITERIA FOR DECIDING TO DENY ASSISTANCE

Evidence [24 CFR 982.553(c)]

DCHA Policy

The DCHA will use the concept of the preponderance of the evidence as the standard for making all admission decisions.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not.

Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Consideration of Circumstances [24 CFR 982.552(c)(2)]

HUD authorizes the DCHA to consider all relevant circumstances when deciding whether to deny assistance based on a family’s past history except in the situations for which denial of assistance is mandatory (see Section 3-III.B).

DCHA Policy

The DCHA will consider the following facts and circumstances prior to making its decision:

- The seriousness of the case, especially with respect to how it would affect other residents’ safety or property
- The effects that denial of assistance may have on other members of the family who were not involved in the action or failure to act
- The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or (as discussed further in section 3-III.G) a victim of domestic violence, dating violence, sexual assault, or stalking
- The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family’s recent history and the likelihood of favorable conduct in the future

While a record or records of arrest will not be used as the sole basis for denial, an arrest may trigger an investigation to determine whether the applicant actually engaged in disqualifying criminal activity. As part of its investigation, the DCHA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. The DCHA may also consider:

- Any statements made by witnesses or the applicant not included in the police report
- Whether criminal charges were filed
- Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal
Any other evidence relevant to determining whether or not the applicant engaged in disqualifying activity

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

The DCHA will require the applicant to submit evidence of the household member’s current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

**Removal of a Family Member's Name from the Application**

Should the DCHA’s screening process reveal that an applicant’s household includes an individual subject to state lifetime registered sex offender registration, the DCHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the DCHA must deny admission to the family [Notice PIH 2012-28].

For other criminal activity, the DCHA may permit the family to exclude the culpable family members as a condition of eligibility. [24 CFR 982.552(c)(2)(ii)].

**DCHA Policy**

As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit, stay as a guest, or reside in the assisted unit.

After admission to the program, the family must present evidence of the former family member’s current address upon DCHA request.

**Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]**

If the family includes a person with disabilities, the DCHA’s decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

**DCHA Policy**

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of assistance, the DCHA will determine whether the behavior is related to the stated disability. If so, upon the family’s request, the DCHA will determine whether admitting the family as a reasonable accommodation is appropriate. The DCHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of assistance. See Chapter 2 for a discussion of reasonable accommodation.
3-III.F. NOTICE OF ELIGIBILITY OR DENIAL

If the family is eligible for assistance, the DCHA will notify the family in writing and schedule a tenant briefing, as discussed in Chapter 5.

If the DCHA determines that a family is not eligible for the program for any reason, the family must be notified promptly. The notice will describe: (1) the reasons for which assistance has been denied, (2) the family’s right to an informal review, and (3) the process for obtaining the informal review [24 CFR 982.554 (a)]. See Chapter 16, for informal review policies and procedures.

DCHA Policy

The family will be notified of a decision to deny assistance in writing within 10 business days of the determination.

If a PHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before the DCHA can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)]. The DCHA must give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance with program requirements [24 CFR 982.553(d)].

DCHA Policy

If based on a criminal record or sex offender registration information, an applicant family appears to be ineligible, the DCHA will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 10 business days to dispute the accuracy and relevance of the information. If the family does not contact the DCHA to dispute the information within that 10-day period, the DCHA will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal review process.

Notice requirements related to denying assistance to noncitizens are contained in Section 3-II.B. Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, sexual assault or stalking are contained in Section 3-III.G.
3-III.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

The Violence against Women Act of 2022 (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying an applicant admission to the HCV program on the basis or as a direct result of the fact that the applicant is or has been a victim of domestic violence, dating violence, sexual assault or stalking, if the applicant otherwise qualifies for assistance or admission.

Definitions of key terms used in VAWA are provided in section 16-IX of this plan, where general VAWA requirements and policies pertaining to notification, documentation, and confidentiality are also located.

Notification

The VAWA Reauthorization Act of 2022 expanded VAWA requirements by prohibiting retaliation against persons exercising their rights or participating in processes related to VAWA housing protections; protecting the right to report crime from one’s home; expanding the definition of “covered housing program” to include additional housing and homelessness programs, including the Section 202 Direct Loan (1959 – 1974) and National Housing Trust Fund (NHTF) programs. Previously, VAWA 2013 expanded notification requirements to include the obligation for PHAs to provide applicants who are denied assistance with a VAWA Notice of Occupancy Rights (form HUD-5380) and a domestic violence certification form (HUD-5382) at the time the applicant is denied.

DCHA Policy

The DCHA acknowledges that a victim of domestic violence, dating violence, sexual assault, or stalking may have an unfavorable history (e.g., a poor credit history, poor rental history, a record of previous damage to an apartment, a prior arrest record) due to adverse factors that would warrant denial under the DCHA’s policies.

While the DCHA is not required to identify whether adverse factors that resulted in the applicant’s denial are a result of domestic violence, dating violence, sexual assault, or stalking, the applicant may inform the DCHA that their status as a victim is directly related to the grounds for the denial. The DCHA will request that the applicant provide enough information to the DCHA to allow the DCHA to make an objectively reasonable determination, based on all circumstances, whether the adverse factor is a direct result of their status as a victim.

The DCHA will include in its notice of denial the VAWA information described in section 16-IX.C of this plan as well as including a copy of the form HUD-5382. The DCHA will request in writing that an applicant wishing to claim protection under VAWA notify the DCHA within 14 business days.
Documentation

Victim Documentation [24 CFR 5.2007]

DCHA Policy

If an applicant claims the protection against denial of assistance that VAWA provides to
victims of domestic violence, dating violence, sexual assault or stalking, the DCHA will
request in writing that the applicant provide documentation supporting the claim in
accordance with section 16-IX.D of this plan.

Perpetrator Documentation

DCHA Policy

If the perpetrator of the abuse is a member of the applicant family, the applicant must
provide additional documentation consisting of one of the following:

A signed statement (1) requesting that the perpetrator be removed from the
application and (2) certifying that the perpetrator will not be permitted to visit or
to stay as a guest in the assisted unit

Documentation that the perpetrator has successfully completed, or is successfully
undergoing, rehabilitation or treatment. The documentation must be signed by an
employee or agent of a domestic violence service provider or by a medical or
other knowledgeable professional from whom the perpetrator has sought or is
receiving assistance in addressing the abuse. The signer must attest under penalty
of perjury to their belief that the rehabilitation was successfully completed or is
progressing successfully. The victim and perpetrator must also sign or attest to the
documentation.
EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

Person with Disabilities [24 CFR 5.403]

The term *person with disabilities* means a person who has any of the following types of conditions:

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:

  Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months; or

  In the case of an individual who has attained the age of 55 and is blind (within the meaning of “blindness” as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity, requiring skills or ability comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.

- Has a developmental disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C.15002(8)], which defines developmental disability in functional terms as follows:

  (A) In General

  The term “developmental disability” means a severe, chronic disability of an individual that:

  (i) is attributable to a mental or physical impairment or combination of mental and physical impairments;

  (ii) is manifested before the individual attains age 22;

  (iii) is likely to continue indefinitely;

  (iv) results in substantial functional limitations in 3 or more of the following areas of major life activity: (I) Self-care, (II) Receptive and expressive language, (III) Learning, (IV) Mobility, (V) Self-direction, (VI) Capacity for independent living, (VII) Economic self-sufficiency; and

  (v) reflects the individual’s need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.
(B) Infants and Young Children

An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting 3 or more of the criteria described in clauses (i) through (v) of subparagraph (A) if the individual, without services and supports, has a high probability of meeting those criteria later in life.

- Has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration; substantially impedes their ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for AIDS are not excluded from this definition.

A person whose disability is based solely on any drug or alcohol dependence does not qualify as a person with disabilities for the purposes of this program.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

Individual with Handicaps [24 CFR 8.3]

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others.

As used in this definition, the phrase:

1. Physical or mental impairment includes:
   (a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
   (b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

2. Major life activities means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

3. Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

4. Is regarded as having an impairment means:
(a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;

(b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or

(c) Has none of the impairments defined in paragraph (1) of this section but is treated by a recipient as having such an impairment.
EXHIBIT 3-2: DEFINITION OF INSTITUTION OF HIGHER EDUCATION
[20 U.S.C. 1001 and 1002]

Eligibility of Students for Assisted Housing Under Section 8 of the U.S. Housing Act of 1937; Supplementary Guidance; Notice [Federal Register, April 10, 2006]

_Institution of Higher Education_ shall have the meaning given this term in the Higher Education Act of 1965 in 20 U.S.C. 1001 and 1002.

**Definition of ‘Institution of Higher Education’ From 20 U.S.C. 1001**

(a) Institution of higher education. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” means an educational institution in any State that

1. Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;
2. Is legally authorized within such State to provide a program of education beyond secondary education;
3. Provides an educational program for which the institution awards a bachelor’s degree or provides not less than a 2-year program that is acceptable for full credit toward such a degree;
4. Is a public or other nonprofit institution; and
5. Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted preaccreditation status by such an agency or association that has been recognized by the Secretary for the granting of preaccreditation status, and the Secretary has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.

(b) Additional institutions included. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” also includes—

1. Any school that provides not less than a 1-year program of training to prepare students for gainful employment in a recognized occupation and that meets the provision of paragraphs (1), (2), (4), and (5) of subsection (a) of this section; and
2. A public or nonprofit private educational institution in any State that, in lieu of the requirement in subsection (a)(1) of this section, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

(c) List of accrediting agencies. For purposes of this section and section 1002 of this title, the Secretary shall publish a list of nationally recognized accrediting agencies or associations that the Secretary determines, pursuant to subpart 2 of part G of subchapter IV of this chapter, to be reliable authority as to the quality of the education or training offered.

**Definition of ‘Institution of Higher Education’ From 20 U.S.C. 1002**

(a) Definition of institution of higher education for purposes of student assistance programs
(1) Inclusion of additional institutions. Subject to paragraphs (2) through (4) of this subsection, the term “institution of higher education” for purposes of subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 includes, in addition to the institutions covered by the definition in section 1001 of this title—

(A) A proprietary institution of higher education (as defined in subsection (b) of this section);

(B) A postsecondary vocational institution (as defined in subsection (c) of this section); and

(C) Only for the purposes of part B of subchapter IV of this chapter, an institution outside the United States that is comparable to an institution of higher education as defined in section 1001 of this title and that has been approved by the Secretary for the purpose of part B of subchapter IV of this chapter.

(2) Institutions outside the United States

(A) In general. For the purpose of qualifying as an institution under paragraph (1)(C), the Secretary shall establish criteria by regulation for the approval of institutions outside the United States and for the determination that such institutions are comparable to an institution of higher education as defined in section 1001 of this title (except that a graduate medical school, or a veterinary school, located outside the United States shall not be required to meet the requirements of section 1001 (a)(4) of this title).

Such criteria shall include a requirement that a student attending such school outside the United States is ineligible for loans made, insured, or guaranteed under part B of subchapter IV of this chapter unless—

(i) In the case of a graduate medical school located outside the United States—

(I)(aa) At least 60 percent of those enrolled in, and at least 60 percent of the graduates of, the graduate medical school outside the United States were not persons described in section 1091(a)(5) of this title in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; and

(bb) At least 60 percent of the individuals who were students or graduates of the graduate medical school outside the United States or Canada (both nationals of the United States and others) taking the examinations administered by the Educational Commission for Foreign Medical Graduates received a passing score in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; or

(II) The institution has a clinical training program that was approved by a State as of January 1, 1992; or

(ii) In the case of a veterinary school located outside the United States that does not meet the requirements of section 1001(a)(4) of this title, the institution’s students complete their clinical training at an approved veterinary school located in the United States.

(B) Advisory panel
(i) In general. For the purpose of qualifying as an institution under paragraph (1)(C) of this subsection, the Secretary shall establish an advisory panel of medical experts that shall—

(I) Evaluate the standards of accreditation applied to applicant foreign medical schools; and

(II) Determine the comparability of those standards to standards for accreditation applied to United States medical schools.

(ii) Special rule if the accreditation standards described in clause (i) are determined not to be comparable, the foreign medical school shall be required to meet the requirements of section 1001 of this title.

(C) Failure to release information. The failure of an institution outside the United States to provide, release, or authorize release to the Secretary of such information as may be required by subparagraph (A) shall render such institution ineligible for the purpose of part B of subchapter IV of this chapter.

(D) Special rule. If, pursuant to this paragraph, an institution loses eligibility to participate in the programs under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, then a student enrolled at such institution may, notwithstanding such loss of eligibility, continue to be eligible to receive a loan under part B while attending such institution for the academic year succeeding the academic year in which such loss of eligibility occurred.

(3) Limitations based on course of study or enrollment. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution—

(A) Offers more than 50 percent of such institution’s courses by correspondence, unless the institution is an institution that meets the definition in section 2471 (4)(C) of this title;

(B) Enrolls 50 percent or more of the institution’s students in correspondence courses, unless the institution is an institution that meets the definition in such section, except that the Secretary, at the request of such institution, may waive the applicability of this subparagraph to such institution for good cause, as determined by the Secretary in the case of an institution of higher education that provides a 2- or 4-year program of instruction (or both) for which the institution awards an associate or baccalaureate degree, respectively;

(C) Has a student enrollment in which more than 25 percent of the students are incarcerated, except that the Secretary may waive the limitation contained in this subparagraph for a nonprofit institution that provides a 2- or 4-year program of instruction (or both) for which the institution awards a bachelor’s degree, or an associate’s degree or a postsecondary diploma, respectively; or

(D) Has a student enrollment in which more than 50 percent of the students do not have a secondary school diploma or its recognized equivalent, and does not provide a 2- or 4-year program of instruction (or both) for which the institution awards a bachelor’s degree or an associate’s degree, respectively, except that the Secretary may waive the
limitation contained in this subparagraph if a nonprofit institution demonstrates to the satisfaction of the Secretary that the institution exceeds such limitation because the institution serves, through contracts with Federal, District, or local government agencies, significant numbers of students who do not have a secondary school diploma or its recognized equivalent.

(4) Limitations based on management. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if—

(A) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management or policies of the institution, has filed for bankruptcy, except that this paragraph shall not apply to a nonprofit institution, the primary function of which is to provide health care educational services (or an affiliate of such an institution that has the power, by contract or ownership interest, to direct or cause the direction of the institution’s management or policies) that files for bankruptcy under chapter 11 of title 11 between July 1, 1998, and December 1, 1998; or

(B) The institution’s owner, or the institution’s chief executive officer has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, or has been judicially determined to have committed fraud involving funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42.

(5) Certification. The Secretary shall certify an institution’s qualification as an institution of higher education in accordance with the requirements of subpart 3 of part G of subchapter IV of this chapter.

(6) Loss of eligibility. An institution of higher education shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution is removed from eligibility for funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 as a result of an action pursuant to part G of subchapter IV of this chapter.

(b) Proprietary institution of higher education

(1) Principal criteria. For the purpose of this section, the term “proprietary institution of higher education” means a school that—

(A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;

(B) Meets the requirements of paragraphs (1) and (2) of section 1001 (a) of this title;

(C) Does not meet the requirement of paragraph (4) of section 1001 (a) of this title;

(D) Is accredited by a nationally recognized accrediting agency or association recognized by the Secretary pursuant to part G of subchapter IV of this chapter;

(E) Has been in existence for at least 2 years; and

(F) Has at least 10 percent of the school’s revenues from sources that are not derived from funds provided under subchapter IV of this chapter and part C of subchapter I of
chapter 34 of title 42, as determined in accordance with regulations prescribed by the Secretary.

(2) Additional institutions. The term “proprietary institution of higher education” also includes a proprietary educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

(c) Postsecondary vocational institution.

(1) Principal criteria. For the purpose of this section, the term “postsecondary vocational institution” means a school that—

(A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;

(B) Meets the requirements of paragraphs (1), (2), (4), and (5) of section 1001 (a) of this title; and

(C) Has been in existence for at least 2 years.

(2) Additional institutions. The term “postsecondary vocational institution” also includes an educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.
According to the District of Columbia Municipal Code § 32–701 under Chapter 7, “Family” is defined as the pairing of the following members of a household listed below:

“Family member” means:
- A domestic partner; or
- A dependent child of a domestic partner, which shall include, for the purposes of this section, an unmarried person under 22 years of age, an unmarried person under 25 years of age who is a full-time student, or an unmarried person regardless of age who is incapable of self-support because of a mental or physical disability that existed before age 22. A dependent child of a domestic partner shall include a natural child, adopted child, stepchild, foster child, or child in the legal custody of a domestic partner.

“Committed relationship” means:
- A familial relationship between 2 individuals characterized by mutual caring and the sharing of a mutual residence.

With respect to an individual's status as a family member of a victim of domestic violence, sexual abuse, or stalking, the following household members are recognized:
- A spouse, including the person identified by an individual as his or her domestic partner, as defined in § 32-701(3);
- The parents of a spouse;
- Children (including foster children and grandchildren);
- The spouses of children;
- Parents;
- Brothers and sisters;
- The spouses of brothers and sisters;
- A child who lives with an individual and for whom the individual permanently assumes and discharges parental responsibility; and
- A person with whom the individual shares or has shared, for not less than the preceding 12 months, a mutual residence and with whom the individual maintains a committed relationship, as defined in § 32-701(1).
Chapter 4

APPLICATIONS, WAITING LIST AND TENANT SELECTION

INTRODUCTION

When a family wishes to receive assistance under the HCV program, the family must submit an application that provides the DCHA with the information needed to determine the family’s eligibility. HUD requires the DCHA to place all families that apply for assistance on a waiting list. When HCV assistance becomes available, the DCHA must select families from the waiting list in accordance with HUD requirements and DCHA policies as stated in the administrative plan and the Moving to Work (MTW) plan.

The DCHA is required to adopt clear policies and procedures for accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow these policies and procedures consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the DCHA that justify their selection. Examples of this are the selection of families for income targeting and the selection of families that qualify for targeted funding.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that the DCHA affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that the DCHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and DCHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how the DCHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how the DCHA’s waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process the DCHA will use to keep the waiting list current.

Part III: Selection for HCV Assistance. This part describes the policies that guide the DCHA in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person interviews will be used to ensure that the DCHA has the information needed to make a final eligibility determination.
PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW
This part describes the DCHA policies for making applications available, accepting applications making preliminary determinations of eligibility, and the placement of applicants on the waiting list. This part also describes the DCHA’s obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice PIH 2009-36]
Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits the DCHA to determine the format and content of HCV applications, as well how such applications will be made available to interested families and how applications will be accepted by the DCHA. The DCHA must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the DCHA’s application.

DCHA Policy
The DCHA will use a two-step application process.

Under the two-step application process, the DCHA initially will require families to provide only the information needed to make an initial assessment of the family’s eligibility, and to determine the family’s placement on the waiting list. The family will be required to provide all of the information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list.

Families may obtain application forms from the DCHA’s website. Families may also request – by telephone or by mail – that an application be mailed to them via first class mail.

Completed applications must be returned to the DCHA by portal, mail, or electronically via email. Applications must be complete in order to be accepted by the DCHA for processing.
4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]

The DCHA must take steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard DCHA application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). The DCHA must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or the DCHA must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of the DCHA’s policies related to providing reasonable accommodations for people with disabilities.

Limited English Proficiency

PHAs are required to take reasonable steps to ensure equal access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the DCHA’s policies related to ensuring access to people with limited English proficiency (LEP).
4-I.D. PLACEMENT ON THE WAITING LIST

The DCHA must review each complete application received and make a preliminary assessment of the family’s eligibility. The DCHA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [24 CFR 982.206(b)(2)]. Where the family is determined to be ineligible, the DCHA must notify the family in writing [24 CFR 982.201(f)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR 982.202(c)].

Ineligible for Placement on the Waiting List

DCHA Policy

All applications will be processed and an initial determination of eligibility made unless, the application contains incomplete information

Eligible for Placement on the Waiting List

DCHA Policy

The DCHA’s electronic system will advise the applicant that their application has been accepted.

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

Applicants will be placed on the waiting list according to the date and time their complete application is received by the DCHA.
PART II: MANAGING THE WAITING LIST

4-II.A. OVERVIEW

The DCHA must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how a PHA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 and 205]

The DCHA’s HCV waiting list must be organized in such a manner to allow the DCHA to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- Family unit size;
- Date and time of application;
- Qualification for any local preference;
- Racial or ethnic designation of the head of household.

HUD requires the DCHA to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. Such PHAs are permitted, but not required, to maintain a separate waiting list for each county or municipality served.

**DCHA Policy**

The DCHA will maintain a single waiting list for the HCV program.

HUD directs that a family that applies for assistance from the HCV program must be offered the opportunity to be placed on the waiting list for any public housing, project-based voucher or moderate rehabilitation program the DCHA operates if 1) the other programs’ waiting lists are open, and 2) the family is qualified for the other programs.

HUD permits, but does not require, that PHAs maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs.

A family’s decision to apply for, receive, or refuse other housing assistance must not affect the family’s placement on the HCV waiting list, or any preferences for which the family may qualify.

**DCHA Policy**

The DCHA will not merge the HCV waiting list with the waiting list for any other program the DCHA operates. When the waiting list is closed, DCHA will not maintain a list of individuals who wish to be notified when the waiting list is reopened.
DCHA will establish and manage separate waiting lists for individual projects or buildings that are receiving RAD PBV assistance.
4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]

Closing the Waiting List

A PHA is permitted to close the waiting list if it has an adequate pool of families to use its available HCV assistance. Alternatively, the DCHA may elect to continue to accept applications only from certain categories of families that meet particular preferences or funding criteria.

DCHA Policy

The DCHA will close the waiting list when the estimated waiting period for housing assistance for applicants on the list reaches 12 months for the most current applicants. Where the DCHA has particular funding criteria that require a specific category of family, the DCHA may elect to continue to accept applications from these applicants while closing the waiting list to others.

Reopening the Waiting List

If the waiting list has been closed, it cannot be reopened until the DCHA publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

DCHA Policy

The DCHA will announce the reopening of the waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

The DCHA will give public notice by publishing the relevant information in suitable media outlets to be determined at the time of opening.

The notice will contain: 1) When the waiting list will be open; 2) The deadline for receipt of applications; 3) How and where to apply (see Section 4-I.B); 4) The programs for which applications will be taken; 5) A brief description of the program; 6) DCHA’s preferences; and, 7) Limitations, if any, on who may apply.
4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]

The DCHA must conduct outreach as necessary to ensure that the DCHA has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires the DCHA to admit a specified percentage of extremely low-income families to the program (see Chapter 4, Part III), the DCHA may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

DCHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

DCHA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

**DCHA Policy**

The DCHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in the DCHA’s jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.
4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

DCHA Policy
While the family is on the waiting list, the family must immediately inform the DCHA of changes in contact information, including current residence, mailing address, and phone number. The changes must be submitted via DCHA’s designated wait list update email address: updatewaitlist@dchousing.org or through mail to: 1133 North Capitol Street, NE 20002 within 10 days.

4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]

HUD requires the DCHA to establish policies to use when removing applicant names from the waiting list.

Purging the Waiting List
The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to a PHA request for information or updates, and the DCHA determines that the family did not respond because of the family member’s disability, the DCHA must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204(c)(2)].

DCHA Policy
The waiting list will be updated as needed to ensure that all applicants and applicant information is current and timely.

To purge the waiting list, the DCHA will send an update request via first class mail and email (if available) to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program. This purge request will be sent to the last address(es) that the DCHA has on record for the family. The purge request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant’s name being removed from the waiting list.

The family’s response must be in writing and may be delivered by mail or by email. Responses should be postmarked or received by the DCHA not later than 30 calendar days from the date of the DCHA letter.

If the family fails to respond within 30 calendar days, the family will be removed from the waiting list without further notice or right to appeal.

If the notice is returned by the post office with no forwarding address and the family does not respond via email, the applicant will be removed from the waiting list without further notice or right to appeal.

If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated unless the family has responded by email or through the portal. In this case, the family will have 30 calendar days to respond from the date the letter was re-sent.

If a family is removed from the waiting list for failure to respond, the DCHA may reinstate the family if it is determined that the lack of response was due to DCHA error, or to circumstances beyond the family’s control. When a family is removed from the
waiting list during the purge process for failure to respond, no informal hearing will be offered.

**Removal from the Waiting List**

**DCHA Policy**

If at any time an applicant family is on the waiting list, the DCHA determines that the family is not eligible for assistance (see Chapter 3), the family will be removed from the waiting list.

If a family is removed from the waiting list because the DCHA has determined the family is not eligible for assistance, a notice will be sent to the family’s address of record. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding the DCHA’s decision (see Chapter 16) [24 CFR 982.201(f)].

DCHA will remove an applicant from the waiting list upon request by the applicant family. In such cases no informal hearing is required. Such requests must be submitted in writing.
PART III: SELECTION FOR HCV ASSISTANCE

4-III.A. OVERVIEW

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families are selected from the waiting list depends on the selection method chosen by the DCHA and is impacted in part by any selection preferences for which the family qualifies. The availability of targeted funding also may affect the order in which families are selected from the waiting list.

The DCHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the DCHA’s selection policies [24 CFR 982.204(b) and 982.207(e)].

4-III.B. SELECTION AND HCV FUNDING SOURCES

Special Admissions [24 CFR 982.203]

HUD may award funding for specifically-named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, the DCHA may admit such families whether or not they are on the waiting list, and, if they are on the waiting list, without considering the family’s position on the waiting list. These families are considered non-waiting list selections. The DCHA must maintain records showing that such families were admitted with special program funding.

DCHA Policy

The DCHA may add or move to the top of the waiting list families that meet these special admissions requirements: families displaced due to natural disaster, government action or demo/disposition of DCHA’s properties

Targeted Funding [24 CFR 982.204(e)]

HUD may award a PHA funding for a specified category of families on the waiting list. The DCHA must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, the DCHA may skip families that do not qualify within the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

DCHA Policy

The DCHA administers the following types of targeted funding (See Chapter 19):

- VASH
- Family Unification Program (FUP)
- Non-Elderly Disabled (NED)
- Foster Youth Initiative (FYI)
- Mainstream Voucher
Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.
4-III.C. SELECTION METHOD

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the DCHA will use [24 CFR 982.202(d)].

Local Preferences [24 CFR 982.207; HCV p. 4-16]

PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the DCHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the DCHA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

DCHA Policy

The DCHA will select families from the waiting list based on date and time of application.

Income Targeting Requirement [24 CFR 982.201(b)(2)]

HUD requires that extremely low-income (ELI) families make up at least 75 percent of the families admitted to the HCV program during the DCHA’s fiscal year. ELI families are those with annual incomes at or below the federal poverty level or 30 percent of the area median income, whichever number is higher. To ensure this requirement is met, a PHA may skip non-ELI families on the waiting list in order to select an ELI family.

Low-income families admitted to the program that are “continuously assisted” under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

DCHA Policy

The DCHA will monitor progress in meeting the income targeting requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income targeting requirement is met.

Order of Selection

The DCHA system of preferences may select families based on local preferences according to the date and time of application or by a random selection process (lottery) [24 CFR 982.207(c)]. If a PHA does not have enough funding to assist the family at the top of the waiting list, it is not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

DCHA Policy

Families will be selected on a first-come, first-served basis according to the date and time and targeted program funding their complete application is received by the DCHA.
4-III.D. NOTIFICATION OF SELECTION

When a family has been selected from the waiting list, the DCHA must notify the family [24 CFR 982.554(a)].

**DCHA Policy**

The DCHA will notify the family by first class mail and/or email when it is selected from the waiting list. The notice will inform the family of the following:

- Date, time, and location of the scheduled application interview, including any procedures for rescheduling the interview
- Who is required to attend the interview
- All documents that must be provided at the interview, including information about what constitutes acceptable documentation

If a notification letter is returned to the DCHA with no forwarding address and the email rejects as an invalid address, the family will be removed from the waiting list. A notice of denial (see Chapter 3) will be sent to the family’s address of record.
4-III.E. THE APPLICATION INTERVIEW

HUD recommends that the DCHA obtain the information and documentation needed to make an eligibility determination though a face-to-face interview with a PHA representative [HCV GB, pg. 4-16]. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if the DCHA determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by the DCHA [Notice PIH 2018-24].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability.

**DCHA Policy**

Families selected from the waiting list are required to participate in an eligibility interview.

All adult members of the households must attend the eligibility interview. The DCHA may waive this requirement on a case-by-case basis for purposes of reasonable accommodation. Verification of information pertaining to adult members of the household not present at the interview will not begin until signed release forms are returned to the DCHA.

The head of household or spouse/cohead must provide acceptable documentation of legal identity. (Chapter 7 provides a discussion of proper documentation of legal identity.) If the family representative does not provide the required documentation at the time of the interview, they will be required to provide it within 10 business days.

Pending disclosure and documentation of social security numbers, the DCHA will allow the family to retain its place on the waiting list for 30 days. If all household members have disclosed their SSNs at the next time the DCHA is issuing vouchers, the DCHA will issue a voucher to the next eligible applicant family on the waiting list.

The family must provide the information necessary to establish the family’s eligibility and determine the appropriate level of assistance, and must complete required forms, provide required signatures, and submit required documentation. If any materials are missing, the DCHA will provide the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide at the interview must be provided within 10 business days of the interview (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension for an additional 10 business days. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (See Chapter 3).

An advocate, interpreter, or other assistant may assist the family with the application and the interview process. If the family needs a reasonable accommodation, the DCHA will try to comply with their request.
Interviews will be conducted in English. For limited English proficient (LEP) applicants, the DCHA will provide translation services in accordance with the DCHA’s LEP plan.

If the family is unable to attend a scheduled interview, the family should contact the DCHA in advance of the interview to schedule a new appointment. In all circumstances, if a family does not attend a scheduled interview, the DCHA will send another notification letter with a new interview appointment time. Applicants who fail to attend two scheduled interviews without DCHA approval will be denied assistance based on the family’s failure to supply information needed to determine eligibility. A notice of denial will be issued in accordance with policies contained in Chapter 3.
4-III.F. COMPLETING THE APPLICATION PROCESS

The DCHA must verify all information provided by the family (see Chapter 7). Based on verified information, the DCHA must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted funding admission, or selection preference that affected the order in which the family was selected from the waiting list.

DCHA Policy

At final determination of eligibility, as applicants are pulled from the waiting lists and forwarded for lease-up, DCHA extended the length of time to 180 days that the verified application data is deemed valid per its MTW Status. This has reduced the amount of duplicative work required of eligibility staff in DCHA’s Client Placement Division as well as reduce the time necessary to build a qualified applicant pool.

If the DCHA determines that the family is ineligible, the DCHA will send written notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review (Chapter 16).

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be returned to its original position on the waiting list. The DCHA will notify the family in writing that it has been returned to the waiting list, and will specify the reasons for it.

If the DCHA determines that the family is eligible to receive assistance, the DCHA will invite the family to attend a briefing in accordance with the policies in Chapter 5.
Chapter 5
BRIEFINGS AND VOUCHER ISSUANCE

INTRODUCTION

This chapter explains the briefing and voucher issuance process. When a family is determined to be eligible for the Housing Choice Voucher (HCV) program, the DCHA must ensure that the family fully understands the way the program operates and the family’s obligations under the program. This is accomplished through both an oral briefing and provision of a briefing packet containing the HUD-required documents and other information the family needs to know in order to lease a unit under the program. Once the family is fully informed of the program’s requirements, the DCHA issues the family a voucher. The voucher includes the unit size for which the family qualifies based on the DCHA’s subsidy standards, as well as the issue and expiration date of the voucher. The voucher is the document that authorizes the family to begin its search for a unit, and limits the amount of time the family has to successfully locate an acceptable unit.

This chapter describes HUD regulations and DCHA policies related to these topics in two parts:

Part I: Briefings and Family Obligations. This part details the program’s requirements for briefing families orally, and for providing written materials describing the program and its requirements. It includes a particular focus on the family’s obligations under the program.

Part II: Subsidy Standards and Voucher Issuance. This part discusses the DCHA’s standards for determining how many bedrooms a family of a given composition qualifies for, which in turn affects the amount of subsidy the family can receive. It also discusses the policies that dictate how vouchers are issued, and how long families have to locate a unit.

PART I: BRIEFINGS AND FAMILY OBLIGATIONS

5-I.A. OVERVIEW

HUD regulations require the DCHA to conduct mandatory briefings for applicant families who qualify for a voucher. The briefing provides a broad description of owner and family responsibilities, explains the DCHA’s procedures, and includes instructions on how to lease a unit. This part describes how oral briefings will be conducted, specifies what written information will be provided to families, and lists the family’s obligations under the program.
5-I.B. BRIEFING [24 CFR 982.301]

Notification of Briefing

Prior to issuance of a voucher, the DCHA must give the family an oral briefing and provide the family with a briefing packet containing written information about the program. Families may be briefed in individual face-to-face meetings, through group briefing sessions, or via remote briefing sessions.

**DCHA Policy**

Families will be notified of their eligibility for assistance at the time they are invited to a briefing. The notice will be sent electronically.

The notice will advise the family of the type of briefing, who is required to attend the briefing, and the date and time of the briefing. The notice will also inform the family of any additional requirements as addressed in relevant policy elsewhere in this section.

If the notice is undelivered, the applicant will be denied and their name will not be placed back on the waiting list.

**In-Person Briefings**

At the briefing, the DCHA must ensure effective communication in accordance with Section 504 requirements (Section 504 of the Rehabilitation Act of 1973) and ensure that the briefing site is accessible to individuals with disabilities. For a more thorough discussion of accessibility requirements, refer to Chapter 2.

**DCHA Policy**

Generally, briefings are conducted remotely. However, at the DCHA’s discretion or at the family’s written request, the DCHA may provide an in-person briefing. In-person briefings may be conducted in either one-on-one sessions or in group meetings.

Generally, the head of household is required to attend the briefing. If the head of household is unable to attend, the DCHA may approve another adult family member to attend the briefing.

Families that attend group briefings and still need individual assistance will be referred to an appropriate PHA staff person.

Briefings will be conducted in English. For limited English proficient (LEP) applicants, the DCHA will provide interpretation services in accordance with the DCHA’s LEP plan (See Chapter 2).

**Attendance**

**DCHA Policy**

Applicants who fail to attend a scheduled in-person briefing will be scheduled for another briefing automatically. The DCHA will notify the family of the date and time of the second scheduled briefing. Applicants who fail to attend two scheduled briefings, without prior DCHA approval, will be denied assistance (see Chapter 3).
Remote Briefings [Notice PIH 2020-32]

Remote briefings may be conducted over the phone, via video conferencing, or through other virtual platforms.

**DCHA Policy**

The DCHA has the sole discretion to require that briefings be conducted remotely. If the DCHA schedules a remote briefing, the DCHA will conduct a face-to-face briefing upon request of the applicant as a reasonable accommodation for a person with a disability if safety and health concerns can be reasonably addressed.

In addition, the DCHA will conduct a briefing remotely upon request of the applicant as a reasonable accommodation. The DCHA will consider other reasonable requests for a remote briefing on a case-by-case basis.

**Accessibility Requirements for Persons with Disabilities and LEP Individuals**

As with in-person briefings, the platform for conducting remote briefings must be accessible and the briefing conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual.

If no method of conducting a remote briefing is available that appropriately accommodates an individual’s disability, the DCHA may not hold against the individual their inability to participate in the remote briefing, and the DCHA should consider whether postponing the remote briefing to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation, will depend on the specific circumstances.

Limited English Proficiency (LEP) requirements also apply to remote briefings, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote briefings.
Conducting Remote Briefings

The DCHA must ensure that the lack of technology or inability to use technology for remote briefings does not pose a disadvantage to families that may not be apparent to the DCHA. The DCHA must ensure that the family has appropriate technological access in order to fully participate in the remote briefing.

DCHA Policy

At least 10 business days prior to scheduling the remote briefing, the DCHA will provide written notification to families participating in the briefing to advise of technological requirements and to request the family notify the DCHA of any known barriers. The DCHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person briefing or have a one-on-one briefing over the phone, as appropriate.

The DCHA will conduct remote briefings via a video conferencing platform and telephone conferencing call-in, simultaneously, providing the family with both login information and conferencing call-in information. The family may then choose which platform to utilize.

The DCHA will provide the briefing packet electronically. The DCHA will provide a paper copy of the briefing packet upon family request, and may reschedule the briefing to allow adequate time for the family to receive the physical briefing packet.

The DCHA will ensure that all electronic information stored or transmitted as part of the briefing meets the requirements for accessibility for persons with disabilities and persons with LEP, and is secure, including ensuring personally identifiable information (PII) is protected.

The DCHA will ensure that families who participate in remote briefings have the opportunity to ask questions as part of the briefing.

If families lose connectivity during any remote briefing or otherwise feel they were unable to access information presented during the briefing, the family may request a one-on-one briefing over the phone or in person with the DCHA.
Oral Briefing [24 CFR 982.301(a)]

Each briefing must provide information on the following subjects:

- How the Housing Choice Voucher program works;
- Family and owner responsibilities;
- Where the family can lease a unit, including renting a unit inside or outside the DCHA’s jurisdiction;
- An explanation of how portability works. The DCHA may not discourage the family from choosing to live anywhere in the DCHA jurisdiction or outside the DCHA jurisdiction under portability, unless otherwise expressly authorized by statute, regulation, PIH Notice, or court order;
- The DCHA must inform the family of how portability may affect the family’s assistance through screening, subsidy standards, payment standards, and any other elements of the portability process which may affect the family’s assistance;
- The advantages of areas that do not have a high concentration of low-income families; and
- For families receiving welfare-to-work vouchers, a description of any local obligations of a welfare-to-work family and an explanation that failure to meet the obligations is grounds for denial of admission or termination of assistance.

In briefing a family that includes a person with disabilities, DCHA must also take steps to ensure effective communication.
Briefing Packet [24 CFR 982.301(b); New HCV GB, Housing Search and Leasing, p. 7]

Documents and information provided in the briefing packet must include the following:

- The term of the voucher, voucher suspensions, and the DCHA’s policies on any extensions of the term. If the DCHA allows extensions, the packet must explain how the family can request an extension.

- A description of the method used to calculate the housing assistance payment for a family, including how the DCHA determines the payment standard for a family, how the DCHA determines total tenant payment for a family, and information on the payment standard and utility allowance schedule.

- An explanation of how the DCHA determines the maximum allowable rent for an assisted unit.

- Where the family may lease a unit and an explanation of how portability works, including information on how portability may affect the family’s assistance through screening, subsidy standards, payment standards, and any other elements of the portability process that may affect the family’s assistance.

- The HUD-required tenancy addendum, which must be included in the lease.

- The form the family must use to request approval of tenancy, and a description of the procedure for requesting approval for a tenancy.

- A statement of the DCHA policy on providing information about families to prospective owners.

- The DCHA subsidy standards including when and how exceptions are made.

- Materials (e.g., brochures) on how to select a unit and any additional information on selecting a unit that HUD provides (e.g., HUD brochure entitled, “A Good Place to Live”).

- Information on federal, district and local equal opportunity laws and a copy of the housing discrimination complaint form, including information on how to complete the form and file a fair housing complaint.

- A list of landlords known to the DCHA who may be willing to lease a unit to the family or other resources (e.g., newspapers, organizations, online search tools) known to the DCHA that may assist the family in locating a unit. PHAs must ensure that the list of landlords or other resources covers areas outside of poverty or minority concentration.

- Notice that if the family includes a person with disabilities, the family may request a list of available accessible units known to the DCHA.

- The family obligations under the program, including any obligations of a welfare-to-work family, and any obligations of other special programs if the family is participating in one of those programs.

- The grounds on which the DCHA may terminate assistance for a participant family because of family action or failure to act.

- DCHA informal hearing procedures including when the DCHA is required to offer a participant family the opportunity for an informal hearing, and how to request the hearing.
• An explanation of the advantages of moving to an area that does not have a high concentration of low-income families.

• The HUD pamphlet on lead-based paint entitled, “Protect Your Family from Lead in Your Home.”

If the DCHA is located in a metropolitan area, the following additional information must be included in the briefing packet in order to receive full points under SEMAP Indicator 7, Expanding Housing Opportunities [24 CFR 985.3(g)]:

• Maps showing areas with housing opportunities outside areas of poverty or minority concentration, both within its jurisdiction and its neighboring jurisdiction

• Information about the characteristics of these areas including job opportunities, schools, transportation, and other services

• An explanation of how portability works, including a list of portability contact persons for neighboring PHAs with names, addresses, and telephone numbers

Additional Items to Be Included in the Briefing Packet

In addition to items required by the regulations, PHAs may wish to include supplemental materials to help explain the program to both participants and owners [HCV GB p. 8-7, Notice PIH 2017-12].

DCHA Policy

The DCHA will provide the following additional materials in the briefing packet:

Information on how to fill out and file a housing discrimination complaint form

The form HUD-5380 domestic violence certification form and the form HUD-5382 notice of occupancy rights, which contains information on VAWA protections for victims of domestic violence, dating violence, sexual assault, and stalking

“Is Fraud Worth It?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse

“What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12

Housing Enjoyable Living Program (HELP) briefing information

Housing Search Log
5-I.C. FAMILY OBLIGATIONS

Obligations of the family are described in the housing choice voucher (HCV) regulations and on the voucher itself. These obligations include responsibilities the family is required to fulfill, as well as prohibited actions. The DCHA must inform families of these obligations during the oral briefing, and the same information must be included in the briefing packet. When the family’s unit is approved and the HAP contract is executed, the family must meet those obligations in order to continue participating in the program. Violation of any family obligation may result in termination of assistance, as described in Chapter 12.

Time Frames for Reporting Changes Required by Family Obligations

DCHA Policy

Unless otherwise noted below, when family obligations require the family to respond to a request or notify the DCHA of a change, notifying the DCHA of the request or change within 10 business days is considered prompt notice.

When a family is required to provide notice to the DCHA, the notice must be in writing. This includes electronic notification to the DCHA.

Family Obligations [24 CFR 982.551]

The family obligations of the voucher are listed as follows:

- The family must supply any information that the DCHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the DCHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

DCHA Policy

Damages beyond normal wear and tear will be considered to be damages which could be assessed against the security deposit.

- The family must allow the DCHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
• The family must not commit any serious or repeated violation of the lease.

DCHA Policy

The DCHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner’s notice to evict, police reports, and affidavits from the owner, neighbors, or other credible parties with direct knowledge.

*Serious and repeated lease violations* will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault, or stalking will not be construed as serious or repeated lease violations by the victim [24 CFR 5.2005(c)(1)].

• The family must notify the DCHA and the owner before moving out of the unit or terminating the lease.

DCHA Policy

The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to the DCHA at the same time the owner is notified.

• The family must promptly give the DCHA a copy of any owner eviction notice.

• The family must use the assisted unit for residence by the family. The unit must be the family’s only residence.

• The composition of the assisted family residing in the unit must be approved by the DCHA. The family must promptly notify the DCHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request DCHA approval to add any other family member as an occupant of the unit.

DCHA Policy

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. The DCHA will determine eligibility of the new member in accordance with the policies in Chapter 3.

• The family must promptly notify the DCHA in writing if any family member no longer lives in the unit.

• If the DCHA has given approval, a foster child or a live-in aide may reside in the unit. The DCHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when DCHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (sections I.K and I.M), and Chapter 11 (section II.B).
• The family must not sublease the unit, assign the lease, or transfer the unit.

  **DCHA Policy**
  
  Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

• The family must supply any information requested by the DCHA to verify that the family is living in the unit or information related to family absence from the unit.

• The family must promptly notify the DCHA when the family is absent from the unit.

  **DCHA Policy**
  
  Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to the DCHA at the start of the extended absence.

• The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].

• The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).

• Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).

• Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and DCHA policies related to drug-related and violent criminal activity.

• Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and DCHA policies related to alcohol abuse.

• An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, district or local housing assistance program.

• A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the DCHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]
PART II: SUBSIDY STANDARDS AND VOUCHER ISSUANCE

5-II.A. OVERVIEW

The DCHA must establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. This part presents the policies that will be used to determine the family unit size (also known as the voucher size) a particular family should receive, and the policies that govern making exceptions to those standards. The DCHA must also establish policies related to the issuance of the voucher, to the voucher term, and to any extensions of the voucher term.

5-II.B. DETERMINING FAMILY UNIT (VOUCHER) SIZE [24 CFR 982.402]

For each family, the DCHA determines the appropriate number of bedrooms under the DCHA subsidy standards and enters the family unit size on the voucher that is issued to the family. The family unit size does not dictate the size of unit the family must actually lease, nor does it determine who within a household will share a bedroom/sleeping room.

The following requirements apply when the DCHA determines family unit size:

- The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
- The subsidy standards must be consistent with space requirements under the housing quality standards.
- The subsidy standards must be applied consistently for all families of like size and composition.
- A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.
- A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
- Any live-in aide (approved by the DCHA to reside in the unit to care for a family member who is disabled or is at least 50 years of age) must be counted in determining the family unit size;
- Unless a live-in-aide resides with a family, the family unit size for any family consisting of a single person must be either a zero- or one-bedroom unit, as determined under the DCHA subsidy standards.
DCHA Policy

The DCHA will assign one bedroom for each two persons within the household, except in the following circumstances:

- Single person families will be allocated one bedroom.
- A single head of household will receive their own bedroom.
- Other adult family members shall not be allocated a bedroom with a minor other than a single parent and their child under age five.
- Persons of opposite gender (other than spouses, and children under age 5) will be allocated separate bedrooms.
- Two minors of the same gender shall be allocated one bedroom. However, no individual 13 or older will share a bedroom with a member with a 5 year or more age difference, other than a single parent (who is not the head of household) and their child under age five.
- Live-in aides will be allocated a separate bedroom. No additional bedrooms will be allocated for family members of a live-in aide.

The DCHA will reference the following chart in determining the appropriate voucher size for a family:

<table>
<thead>
<tr>
<th>Voucher Size</th>
<th>Persons in Household (Minimum – Maximum)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 Bedroom</td>
<td>1-2</td>
</tr>
<tr>
<td>2 Bedrooms</td>
<td>2-4</td>
</tr>
<tr>
<td>3 Bedrooms</td>
<td>3-6</td>
</tr>
<tr>
<td>4 Bedrooms</td>
<td>4-8</td>
</tr>
<tr>
<td>5 Bedrooms</td>
<td>6-10</td>
</tr>
</tbody>
</table>
5-II.C. EXCEPTIONS TO SUBSIDY STANDARDS

In determining family unit size for a particular family, the DCHA may grant an exception to its established subsidy standards if the DCHA determines that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances [24 CFR 982.402(b)(8)]. Reasons may include, but are not limited to:

- A need for an additional bedroom for medical equipment
- A need for a separate bedroom for reasons related to a family member’s disability, medical or health condition

For a single person who is not elderly, disabled, or a remaining family member, an exception cannot override the regulatory limit of a zero or one bedroom [24 CFR 982.402(b)(8)].

**DCHA Policy**

The DCHA will consider granting an exception for any of the reasons specified in the regulation: the age, sex, health, handicap, or relationship of family members or other personal circumstances.

The family must request any exception to the subsidy standards in writing. The request must explain the need or justification for a larger family unit size, and must include appropriate documentation. Requests based on health-related reasons must be verified by a knowledgeable professional source (e.g., doctor or health professional), unless the disability and the disability-related request for accommodation is readily apparent or otherwise known. The family’s continued need for an additional bedroom due to special medical equipment must be re-verified at biennial/triennial reexamination.

The DCHA will notify the family of its determination within 10 business days of receiving the family’s request. If a participant family’s request is denied, the notice will inform the family of their right to request an informal hearing.
5-II.D. VOUCHER ISSUANCE [24 CFR 982.302]

When a family is selected from the waiting list (or as a special admission as described in Chapter 4), or when a participant family wants to move to another unit, the DCHA issues a Housing Choice Voucher, form HUD-52646. This chapter deals only with voucher issuance for applicants. For voucher issuance associated with moves of program participants, please refer to Chapter 10.

The voucher is the family’s authorization to search for housing. It specifies the unit size for which the family qualifies, and includes both the date of voucher issuance and date of expiration. It contains a brief description of how the program works and explains the family obligations under the program. The voucher is evidence that the DCHA has determined the family to be eligible for the program, and that the DCHA expects to have money available to subsidize the family if the family finds an approvable unit. However, the DCHA does not have any liability to any party by the issuance of the voucher, and the voucher does not give the family any right to participate in the DCHA’s housing choice voucher program [Voucher, form HUD-52646]

A voucher can be issued to an applicant family only after the DCHA has determined that the family is eligible for the program based on verification of information received within the 60 days prior to issuance [24 CFR 982.201(e)] and after the family has attended an oral briefing [HCV 8-1].

**DCHA Policy**

Vouchers will be issued to eligible applicants immediately following the mandatory briefing.

The DCHA should have sufficient funds to house an applicant before issuing a voucher. If funds are insufficient to house the family at the top of the waiting list, the DCHA must wait until it has adequate funds before it calls another family from the list [HCV GB p. 8-10].

**DCHA Policy**

Prior to issuing any vouchers, the DCHA will determine whether it has sufficient funding in accordance with the policies in Part VIII of Chapter 16.

If the DCHA determines that there is insufficient funding after a voucher has been issued, the PHA may rescind the voucher and place the affected family back on the waiting list.
5-II.E. VOUCHER TERM AND EXTENSIONS

Voucher Term [24 CFR 982.303]
The initial term of a voucher must be at least 60 calendar days. The initial term must be stated on
the voucher [24 CFR 982.303(a)].

DCHA Policy
The initial voucher term will be 180 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the
180-day period unless the DCHA grants an extension.

Extensions of Voucher Term [24 CFR 982.303(b)]
The DCHA has the authority to grant extensions of search time, to specify the length of an
extension, and to determine the circumstances under which extensions will be granted. There is
no limit on the number of extensions that the DCHA can approve. Discretionary policies related
to extension and expiration of search time must be described in the DCHA’s administrative plan
[24 CFR 982.54].

PHAs must approve additional search time if needed as a reasonable accommodation to make the
program accessible to and usable by a person with disabilities. The extension period must be
reasonable for the purpose.

The family must be notified in writing of the DCHA’s decision to approve or deny an extension.
The DCHA’s decision to deny a request for an extension of the voucher term is not subject to
informal review [24 CFR 982.554(c)(4)].

DCHA Policy
The DCHA may consider extensions after term of voucher only in the following
circumstances:

It is necessary as a reasonable accommodation for a person with disabilities.

It is necessary due to reasons beyond the family’s control, as determined by the
DCHA. Following is a list of extenuating circumstances that the DCHA may
consider in making its decision. The presence of these circumstances does not
guarantee that an extension will be granted:

Whether the family has already submitted requests for tenancy approval
that were not approved by the DCHA

Whether family size or other special circumstances make it difficult to
find a suitable unit

Any request for an additional extension must include the reason(s) an additional
extension is necessary. The DCHA may require the family to provide documentation to
support the request or obtain verification from a qualified third party.

All requests for extensions to the voucher term must be made in writing and submitted to
the DCHA prior to the expiration date of the voucher (or extended term of the voucher).

The DCHA will decide whether to approve or deny an extension request within 10
business days of the date the request and supporting documentation (including
independent DCHA verification) is received, and will immediately provide the family written notice of its decision.

Suspensions of Voucher Term [24 CFR 982.303(c)]

The DCHA must provide for suspension of the initial or any extended term of the voucher from the date the family submits a request for DCHA approval of the tenancy until the date the DCHA notifies the family in writing whether the request has been approved or denied.

Expiration of Voucher Term

DCHA Policy

If an applicant family’s voucher term or extension expires before the DCHA has approved a tenancy, the DCHA will require the family to reapply for assistance.

Within 10 business days after the expiration of the voucher term or any extension, the DCHA will notify the family in writing that the voucher term has expired and that the family must reapply when the waiting list is open in order to be placed on the waiting list.
Chapter 6

INCOME AND SUBSIDY DETERMINATIONS
[24 CFR Part 5, Subparts E and F; 24 CFR 982]

INTRODUCTION

A family’s income determines eligibility for assistance and is also used to calculate the family’s payment and the DCHA’s subsidy. The DCHA will use the policies and methods described in this chapter to ensure that only eligible families receive assistance and that no family pays more or less than its obligation under the regulations. This chapter describes HUD regulations and DCHA policies related to these topics in three parts as follows:

- **Part I: Annual Income.** HUD regulations specify the sources of income to include and exclude to arrive at a family’s annual income. These requirements and DCHA policies for calculating annual income are found in Part I.

- **Part II: Adjusted Income.** Once annual income has been established HUD regulations require the DCHA to subtract from annual income any of five mandatory deductions for which a family qualifies. These requirements and DCHA policies for calculating adjusted income are found in Part II.

- **Part III: Calculating Family Share and DCHA Subsidy.** This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining DCHA subsidy and required family payment.
6-I.A. OVERVIEW

The general regulatory definition of annual income shown below is from 24 CFR 5.609.

5.609 Annual income.
(a) Annual income means all amounts, monetary or not, which:
(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
(3) Which are not specifically excluded in paragraph [5.609(c)].
(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

In addition to this general definition, HUD regulations establish policies for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:

- Annual Income Inclusions (Exhibit 6-1)
- Annual Income Exclusions (Exhibit 6-2)
- Treatment of Family Assets (Exhibit 6-3)
- Earned Income Disallowance for Persons with Disabilities (Exhibit 6-4)
- The Effect of Welfare Benefit Reduction (Exhibit 6-5)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. HUD regulations present income inclusions and exclusions separately [24 CFR 5.609(b) and 24 CFR 5.609(c)]. In this plan, however, the discussions of income inclusions and exclusions are integrated by topic (e.g., all policies affecting earned income are discussed together in section 6-I.D). Verification requirements for annual income are discussed in Chapter 7.
6-I.B. HOUSEHOLD COMPOSITION AND INCOME

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

<table>
<thead>
<tr>
<th>Summary of Income Included and Excluded by Person</th>
</tr>

<tr>
<td>Children under 18 years of age</td>
</tr>
<tr>
<td>Full-time students 18 years of age or older (not head, spouse, or cohead)</td>
</tr>
</tbody>
</table>
Temporarily Absent Family Members
The income of family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit [HCV GB, p. 5-18].

DCHA Policy
Generally an individual who is or is expected to be absent from the assisted unit for 120 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the assisted unit for more than 120 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

Absent Students
DCHA Policy
When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the DCHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

Absences Due to Placement in Foster Care
Children temporarily absent from the home as a result of placement in foster care are considered members of the family [24 CFR 5.403].

DCHA Policy
If a child has been placed in foster care, the DCHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

Absent Head, Spouse, or Cohead
DCHA Policy
An employed head, spouse, or cohead absent from the unit more than 120 consecutive days due to employment will continue to be considered a family member.
Family Members Permanently Confined for Medical Reasons

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

DCHA Policy

The DCHA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

When an individual who has been counted as a family member is determined permanently absent, the family is eligible for the medical expense deduction only if the remaining head, spouse, or cohead qualifies as an elderly person or a person with disabilities.

Joint Custody of Dependents

DCHA Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 50 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the DCHA will make the determination based on available documents such as court orders, school records, or an IRS return showing which family has claimed the child for income tax purposes.
Caretakers for a Child

DCHA Policy

The approval of a caretaker is at the owner and DCHA’s discretion and subject to the owner and DCHA’s screening criteria. If neither a parent nor a designated guardian remains in a household receiving HCV assistance, the DCHA will take the following actions.

(1) If a responsible agency has determined that another adult is to be brought into the assisted unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.

(2) If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 90 days. After the 90 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker’s role is temporary. In such cases the PHA will extend the caretaker’s status as an eligible visitor.

(3) At any time that custody or guardianship legally has been awarded to a caretaker, the housing choice voucher will be transferred to the caretaker.

(4) During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify the family for any deductions from income.
6-I.C. ANTICIPATING ANNUAL INCOME

The DCHA is required to count all income “anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date” [24 CFR 5.609(a)(2)]. Policies related to anticipating annual income are provided below.

**Basis of Annual Income Projection**

The DCHA generally will use current circumstances to determine anticipated income for the coming 12-month period. HUD authorizes the PHA to use other than current circumstances to anticipate income when:

- An imminent change in circumstances is expected [HCV GB, p. 5-17]
- It is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income) [24 CFR 5.609(d)]
- The DCHA believes that past income is the best available indicator of expected future income [24 CFR 5.609(d)]

PHAs are required to use HUD’s Enterprise Income Verification (EIV) system in its entirety as a third party source to verify employment and income information, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR 5.233(a)(2)].

HUD allows PHAs to use tenant-provided documents (pay stubs) to project income once EIV data has been received in such cases where the family does not dispute the EIV employer data and where the PHA does not determine it is necessary to obtain additional third-party data.

**DCHA Policy**

When EIV is obtained and the family does not dispute the EIV employer data, the DCHA will use current tenant-provided documents to project annual income. When the tenant-provided documents are pay stubs, the PHA will make every effort to obtain current and consecutive pay stubs dated within the last 60 days.

The DCHA will obtain written and/or oral third-party verification in accordance with the verification requirements and policy in Chapter 7 in the following cases:

- If EIV or other UIV data is not available,
- If the family disputes the accuracy of the EIV employer data, and/or
- If the DCHA determines additional information is needed.

In such cases, the DCHA will review and analyze current data to anticipate annual income. In all cases, the family file will be documented with a clear record of the reason for the decision, and a clear audit trail will be left as to how the DCHA annualized projected income.

When the DCHA cannot readily anticipate income based upon current circumstances (e.g., in the case of seasonal employment, unstable working hours, or suspected fraud), the DCHA will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income.
Any time current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases the family may present information and documentation to the DCHA to show why the historic pattern does not represent the family’s anticipated income.

**Known Changes in Income**

If the DCHA verifies an upcoming increase or decrease in income, annual income will be calculated by applying each income amount to the appropriate part of the 12-month period.

**Example:** An employer reports that a full-time employee who has been receiving $8/hour will begin to receive $8.25/hour in the eighth week after the effective date of the reexamination. In such a case the PHA would calculate annual income as follows:

\[
($8/\text{hour} \times 40 \text{ hours} \times 7 \text{ weeks}) + ($8.25 \times 40 \text{ hours} \times 45 \text{ weeks}).
\]

The family may present information that demonstrates that implementing a change before its effective date would create a hardship for the family. In such cases the DCHA will calculate annual income using current circumstances and then require an interim reexamination when the change actually occurs. This requirement will be imposed even if the DCHA’s policy on reexaminations does not require interim reexaminations for other types of changes.

When tenant-provided third-party documents are used to anticipate annual income, they will be dated within the last 60 days of the reexamination interview date.

**Projecting Income**

In HUD’s EIV webcast of January 2008, HUD made clear that PHAs are not to use EIV quarterly wages to project annual income.
6-I.D. EARNED INCOME

Types of Earned Income Included in Annual Income

Wages and Related Compensation

The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services is included in annual income [24 CFR 5.609(b)(1)].

**DCHA Policy**

For persons who regularly receive bonuses or commissions, the DCHA will verify and then average amounts received for the one year preceding admission or reexamination. If only a one-year history is available, the DCHA will use the prior year amounts. In either case the family may provide, and the DCHA will consider, a credible justification for not using this history to anticipate future bonuses or commissions. If a new employee has not yet received any bonuses or commissions, the DCHA will count only the amount estimated by the employer. The file will be documented appropriately.

Some Types of Military Pay

All regular pay, special pay and allowances of a member of the Armed Forces are counted [24 CFR 5.609(b)(8)] except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(c)(7)].

Types of Earned Income Not Counted in Annual Income

**Temporary, Nonrecurring, or Sporadic Income** [24 CFR 5.609(c)(9)]

This type of income (including gifts) is not included in annual income. Sporadic income includes temporary payments from the U.S. Census Bureau for employment lasting no longer than 180 days [Notice PIH 2009-19].

**DCHA Policy**

Sporadic income is income that is not received periodically and cannot be reliably predicted. For example, the income of an individual who works occasionally as a handyman would be considered sporadic if future work could not be anticipated and no historic, stable pattern of income existed.

Children’s Earnings

Employment income earned by children (including foster children) under the age of 18 years is not included in annual income [24 CFR 5.609(c)(1)]. (See Eligibility chapter for a definition of foster children.)

Certain Earned Income of Full-Time Students

Earnings in excess of $480 for each full-time student 18 years old or older (except for the head, spouse, or cohead) are not counted [24 CFR 5.609(c)(11)]. To be considered “full-time,” a student must be considered “full-time” by an educational institution with a degree or certificate program [HCV GB, p. 5-29].
**Income of a Live-in Aide**

Income earned by a live-in aide, as defined in [24 CFR 5.403], is not included in annual income [24 CFR 5.609(c)(5)]. (See Eligibility chapter for a full discussion of live-in aides.)

**Income Earned under Certain Federal Programs**

Income from some federal programs is specifically excluded from consideration as income [24 CFR 5.609(c)(17)], including:

- Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)

- Awards under the federal work-study program (20 U.S.C. 1087 uu)

- Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))

- Allowances, earnings, and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))

- Allowances, earnings, and payments to participants in programs funded under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

**Resident Service Stipend**

Amounts received under a resident service stipend are not included in annual income. A resident service stipend is a modest amount (not to exceed $200 per individual per month) received by a resident for performing a service for the DCHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the DCHA’s governing board. No resident may receive more than one such stipend during the same period of time [24 CFR 5.600(c)(8)(iv)].
**State and Local Employment Training Programs**

Incremental earnings and benefits to any family member resulting from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program [24 CFR 5.609(c)(8)(v)].

**DCHA Policy**

The DCHA defines *training program* as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period of time. It is designed to lead to a higher level of proficiency, and it enhances the individual’s ability to obtain employment. It may have performance standards to measure proficiency. Training may include, but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

The DCHA defines *incremental earnings and benefits* as the difference between: (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program, and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, the DCHA will use as the pre-enrollment income the total annualized amount of the family member’s welfare assistance and earnings reported on the family’s most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with the DCHA’s interim reporting requirements.
HUD-Funded Training Programs

Amounts received under training programs funded in whole or in part by HUD [24 CFR 5.609(c)(8)(i)] are excluded from annual income. Eligible sources of funding for the training include operating subsidy, Section 8 administrative fees, and modernization, Community Development Block Grant (CDBG), HOME program, and other grant funds received from HUD.

DCHA Policy

To qualify as a training program, the program must meet the definition of training program provided above for state and local employment training programs.

Earned Income Tax Credit

Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j)), are excluded from annual income [24 CFR 5.609(c)(17)]. Although many families receive the EITC annually when they file taxes, an EITC can also be received throughout the year. The prorated share of the annual EITC is included in the employee’s payroll check.

Earned Income Disallowance

The earned income disallowance for persons with disabilities is discussed in section 6-I.E below.
6-I.E. EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES

The earned income disallowance (EID) encourages people with disabilities to enter the work force by not including the full value of increases in earned income for a period of time. The full text of 24 CFR 5.617 is included as Exhibit 6-4 at the end of this chapter. Eligibility criteria and limitations on the disallowance are summarized below.

Eligibility

This disallowance applies only to individuals in families already participating in the HCV program (not at initial examination). To qualify, the family must experience an increase in annual income that is the result of one of the following events:

- Employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment. Previously unemployed includes a person who annually has earned not more than the minimum wage applicable to the community multiplied by 500 hours. The applicable minimum wage is the federal minimum wage unless there is a higher state or local minimum wage.

- Increased earnings by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency or job-training program. A self-sufficiency program includes a program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work to such families [24 CFR 5.603(b)].

- New employment or increased earnings by a family member who is a person with disabilities and who has received benefits or services under Temporary Assistance for Needy Families (TANF) or any other state program funded under Part A of Title IV of the Social Security Act within the past six months. If the benefits are received in the form of monthly maintenance, there is no minimum amount. If the benefits or services are received in a form other than monthly maintenance, such as one-time payments, wage subsidies, or transportation assistance, the total amount received over the six-month period must be at least $500.
Calculation of the Disallowance

Calculation of the earned income disallowance for an eligible member of a qualified family begins with a comparison of the member’s current income with their “baseline income.” The family member’s baseline income is their income immediately prior to qualifying for the EID. The family member’s baseline income remains constant throughout the period that they are participating in the EID.

Calculation Method

Initial 12-Month Exclusion

During the initial exclusion period of 12 consecutive months, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded.

DCHA Policy
The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

Second 12-Month Exclusion

During the second exclusion period of 12 consecutive months, the PHA must exclude at least 50 percent of any increase in income attributable to employment or increased earnings.

DCHA Policy
During the second 12-month exclusion period, the PHA will exclude 100 percent of any increase in income attributable to new employment or increased earnings.

Lifetime Limitation

The EID has a two-year (24-month) lifetime maximum. The two-year eligibility period begins at the same time that the initial exclusion period begins and ends 24 months later. During the 24-month period, an individual remains eligible for EID even if they begin to receive assistance from a different housing agency, move between public housing and Section 8 assistance, or have breaks in assistance.
6-I.F. BUSINESS INCOME [24 CFR 5.609(b)(2)]

Annual income includes “the net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family” [24 CFR 5.609(b)(2)].

Business Expenses

Net income is “gross income less business expense” [HCV GB, p. 5-19].

DCHA Policy

To determine business expenses that may be deducted from gross income, the DCHA will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described below.

Business Expansion

HUD regulations do not permit the DCHA to deduct from gross income expenses for business expansion.

DCHA Policy

*Business expansion* is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.

Capital Indebtedness

HUD regulations do not permit the DCHA to deduct from gross income the amortization of capital indebtedness.

DCHA Policy

*Capital indebtedness* is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means the DCHA will allow as a business expense interest, but not principal, paid on capital indebtedness.
Negative Business Income

If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income.

Withdrawal of Cash or Assets from a Business

HUD regulations require the DCHA to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

DCHA Policy

Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of an assisted family provided an up-front loan of $2,000 to help a business get started, the DCHA will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid. Investments do not include the value of labor contributed to the business without compensation.

Co-owned Businesses

DCHA Policy

If a business is co-owned with someone outside the family, the family must document the share of the business it owns. If the family’s share of the income is lower than its share of ownership, the family must document the reasons for the difference.
6-I.G. ASSETS [24 CFR 5.609(b)(3); 24 CFR 5.603(b)]

Overview

There is no asset limitation for participation in the HCV program. However, HUD requires that the DCHA include in annual income the anticipated “interest, dividends, and other net income of any kind from real or personal property” [24 CFR 5.609(b)(3)]. This section discusses how the income from various types of assets is determined. For most types of assets, the DCHA must determine the value of the asset in order to compute income from the asset. Therefore, for each asset type, this section discusses:

- How the value of the asset will be determined
- How income from the asset will be calculated

Exhibit 6-1 provides the regulatory requirements for calculating income from assets [24 CFR 5.609(b)(3)], and Exhibit 6-3 provides the regulatory definition of net family assets. This section begins with a discussion of general policies related to assets and then provides HUD rules and DCHA policies related to each type of asset.

Optional policies for family self-certification of assets are found in Chapter 7.

General Policies

Income from Assets

The DCHA generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. As is true for all sources of income, HUD authorizes the DCHA to use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected (2) it is not feasible to anticipate a level of income over 12 months or (3) the DCHA believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income but the property is currently vacant, the DCHA can take into consideration past rental income along with the prospects of obtaining a new tenant.

DCHA Policy

Under the authority granted to the DCHA under its Moving to Work (MTW) status, the DCHA will require families to declare assets only if the total value of all assets is $15,000 or more. If the total value of all assets is less than $15,000, the DCHA will accept the family’s certification of the value of assets. The DCHA will not include income from assets in its income calculation unless the total value of all assets is $15,000 or more.

Anytime current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases the family may present information and documentation to the DCHA to show why the asset income determination does not represent the family’s anticipated asset income.
Valuing Assets

The calculation of asset income sometimes requires the DCHA to make a distinction between an asset’s market value and its cash value.

- The market value of an asset is its worth in the market (e.g., the amount a buyer would pay for real estate or the total value of an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

DCHA Policy

Reasonable costs that would be incurred when disposing of an asset include, but are not limited to, penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions [HCV GB, p. 5-28].

Lump-Sum Receipts

Payments that are received in a single lump sum, such as inheritances, capital gains, lottery winnings, insurance settlements, and proceeds from the sale of property, are generally considered assets, not income. However, such lump-sum receipts are counted as assets only if they are retained by a family in a form recognizable as an asset (e.g., deposited in a savings or checking account) [RHIIP FAQs]. (For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.)

Imputing Income from Assets [24 CFR 5.609(b)(3), Notice PIH 2012-29]

When net family assets are $5,000 or less, the DCHA will include in annual income the actual income anticipated to be derived from the assets. When the family has net family assets in excess of $5,000, the DCHA will include in annual income the greater of (1) the actual income derived from the assets or (2) the imputed income. Imputed income from assets is calculated by multiplying the total cash value of all family assets by an average passbook savings rate as determined by the DCHA.

- Note: The HUD field office no longer provides an interest rate for imputed asset income. The “safe harbor” is now for the DCHA to establish a passbook rate within 0.75 percent of a national average.
- The DCHA must review its passbook rate annually to ensure that it remains within 0.75 percent of the national average.

DCHA Policy

The DCHA initially set the imputed asset passbook rate at the national rate established by the Federal Deposit Insurance Corporation (FDIC).

The DCHA will review the passbook rate annually. The rate will not be adjusted unless the current DCHA rate is no longer within 0.75 percent of the national rate. If it is no longer within 0.75 percent of the national rate, the passbook rate will be set at the current national rate.

The effective date of changes to the passbook rate will be determined at the time of the review.
**Determining Actual Anticipated Income from Assets**

It may or may not be necessary for the DCHA to use the value of an asset to compute the actual anticipated income from the asset. When the value is required to compute the anticipated income from an asset, the market value of the asset is used. For example, if the asset is a property for which a family receives rental income, the anticipated income is determined by annualizing the actual monthly rental amount received for the property; it is not based on the property’s market value. However, if the asset is a savings account, the anticipated income is determined by multiplying the market value of the account by the interest rate on the account.

**Withdrawal of Cash or Liquidation of Investments**

Any withdrawal of cash or assets from an investment will be included in income except to the extent that the withdrawal reimburses amounts invested by the family. For example, when a family member retires, the amount received by the family from a retirement investment plan is not counted as income until the family has received payments equal to the amount the family member deposited into the retirement investment plan.

**Jointly Owned Assets**

The regulation at 24 CFR 5.609(a)(4) specifies that annual income includes “amounts derived (during the 12-month period) from assets to which any member of the family has access.”

**DCHA Policy**

If an asset is owned by more than one person and any family member has unrestricted access to the asset, the DCHA will count the full value of the asset. A family member has unrestricted access to an asset when they can legally dispose of the asset without the consent of any of the other owners.

If an asset is owned by more than one person, including a family member, but the family member does not have unrestricted access to the asset, the DCHA will prorate the asset according to the percentage of ownership. If no percentage is specified or provided for by state or local law, the DCHA will prorate the asset evenly among all owners.
Assets Disposed of for Less than Fair Market Value [24 CFR 5.603(b)]

HUD regulations require the DCHA to count as a current asset any business or family asset that was disposed of for less than fair market value during the two years prior to the effective date of the examination/reexamination, except as noted below.

Minimum Threshold

The HCV Guidebook permits the DCHA to set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

DCHA Policy

The DCHA will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than $1,000.

When the two-year period expires, the income assigned to the disposed asset(s) also expires. If the two-year period ends between annual recertifications, the family may request an interim recertification to eliminate consideration of the asset(s).

Assets placed by the family in nonrevocable trusts are considered assets disposed of for less than fair market value except when the assets placed in trust were received through settlements or judgments.

Separation or Divorce

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.

DCHA Policy

All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

Foreclosure or Bankruptcy

Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale.

Family Declaration

DCHA Policy

Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. The DCHA may verify the value of the assets disposed of if other information available to the DCHA does not appear to agree with the information reported by the family.
Types of Assets

Checking and Savings Accounts

For regular checking accounts and savings accounts, cash value has the same meaning as market value. If a checking account does not bear interest, the anticipated income from the account is zero.

DCHA Policy

In determining the value of checking account and savings accounts, the DCHA will use the current balance.

In determining the anticipated income from an interest-bearing checking or savings account, the DCHA will multiply the value of the account by the current rate of interest paid on the account.

Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds

Interest or dividends earned by investment accounts are counted as actual income from assets even when the earnings are reinvested. The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.

DCHA Policy

In determining the market value of an investment account, the DCHA will use the value of the account on the most recent investment report.

How anticipated income from an investment account will be calculated depends on whether the rate of return is known.

For assets that are held in an investment account with a known rate of return (e.g., savings certificates), asset income will be calculated based on that known rate (market value multiplied by rate of earnings).

When the anticipated rate of return is not known (e.g., stocks), the DCHA will calculate asset income based on the earnings for the most recent reporting period.
**Equity in Real Property or Other Capital Investments**

Equity (cash value) in a property or other capital asset is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset [HCV GB, p. 5-25].

**DCHA Policy**

In determining the equity, the DCHA will determine market value by examining recent sales of at least three properties in the surrounding or similar neighborhood that possess comparable factors that affect market value.

The DCHA will first use the payoff amount for the loan (mortgage) as the unpaid balance to calculate equity. If the payoff amount is not available, the DCHA will use the basic loan balance information to deduct from the market value in the equity calculation.

Equity in real property and other capital investments is considered in the calculation of asset income except for the following types of assets:

- Equity accounts in HUD homeownership programs [24 CFR5.603(b)]
- The value of a home currently being purchased with assistance under the HCV program Homeownership Option for the first 10 years after the purchase date of the home [24 CFR 5.603(b), Notice PIH 2012-3]
- Equity in owner-occupied cooperatives and manufactured homes in which the family lives [HCV GB, p. 5-25]
- Equity in real property when a family member’s main occupation is real estate [HCV GB, p. 5-25]. This real estate is considered a business asset, and income related to this asset will be calculated as described in section 6-I.F.
- Interests in Indian Trust lands [24 CFR 5.603(b)]
- Real property and capital assets that are part of an active business or farming operation [HCV GB, p. 5-25]

The DCHA must also deduct from the equity the reasonable costs for converting the asset to cash. Using the formula for calculating equity specified above, the net cash value of real property is the market value minus the balance of the loan (mortgage) minus the expenses to convert to cash [Notice PIH 2012-3].

**DCHA Policy**

For the purposes of calculating expenses to convert to cash for real property, the DCHA will use ten percent of the market value of the home.

A family may have real property as an asset in two ways: (1) owning the property itself and (2) holding a mortgage or deed of trust on the property. In the case of a property owned by a family member, the anticipated asset income generally will be in the form of rent or other payment for the use of the property. If the property generates no income, actual anticipated income from the asset will be zero.
In the case of a mortgage or deed of trust held by a family member, the outstanding balance (unpaid principal) is the cash value of the asset. The interest portion only of payments made to the family in accordance with the terms of the mortgage or deed of trust is counted as anticipated asset income.

**DCHA Policy**

In the case of capital investments owned jointly with others not living in a family’s unit, a prorated share of the property’s cash value will be counted as an asset unless the DCHA determines that the family receives no income from the property and is unable to sell or otherwise convert the asset to cash.

**Trusts**

A trust is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries).

**Revocable Trusts**

If any member of a family has the right to withdraw the funds in a trust, the value of the trust is considered an asset [HCV GB, p. 5-25]. Any income earned as a result of investment of trust funds is counted as actual asset income, whether the income is paid to the family or deposited in the trust.

**Nonrevocable Trusts**

In cases where a trust is not revocable by, or under the control of, any member of a family, the value of the trust fund is not considered an asset. However, any income distributed to the family from such a trust is counted as a periodic payment or a lump-sum receipt, as appropriate [24 CFR 5.603(b)]. (Periodic payments are covered in section 6-I.H. Lump-sum receipts are discussed earlier in this section.)

**Retirement Accounts**

**Company Retirement/Pension Accounts**

In order to correctly include or exclude as an asset any amount held in a company retirement or pension account by an employed person, the DCHA must know whether the money is accessible before retirement [HCV GB, p. 5-26].

While a family member is employed, only the amount the family member can withdraw without retiring or terminating employment is counted as an asset [HCV GB, p. 5-26].

After a family member retires or terminates employment, any amount distributed to the family member is counted as a periodic payment or a lump-sum receipt, as appropriate [HCV GB, p. 5-26], except to the extent that it represents funds invested in the account by the family member. (For more on periodic payments, see section 6-I.H.) The balance in the account is counted as an asset only if it remains accessible to the family member.

**IRA, Keogh, and Similar Retirement Savings Accounts**

IRA, Keogh, and similar retirement savings accounts are counted as assets even though early withdrawal would result in a penalty [HCV GB, p. 5-25].
**Personal Property**

Personal property held as an investment, such as gems, jewelry, coin collections, antique cars, etc., is considered an asset [HCV GB, p. 5-25].

**DCHA Policy**

In determining the value of personal property held as an investment, the DCHA will use the family’s estimate of the value. The DCHA may obtain an appraisal to confirm the value of the asset if there is reason to believe that the family’s estimated value is off by $50 or more. The family must cooperate with the appraiser, but cannot be charged any costs related to the appraisal.

Generally, personal property held as an investment generates no income until it is disposed of. If regular income is generated (e.g., income from renting the personal property), the amount that is expected to be earned in the coming year is counted as actual income from the asset.

Necessary items of personal property are not considered assets [24 CFR 5.603(b)].

**DCHA Policy**

Necessary personal property consists of only those items not held as an investment, and may include clothing, furniture, household furnishings, jewelry, and vehicles, including those specially equipped for persons with disabilities.

**Life Insurance**

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy, is included in the calculation of the value of the family’s assets [HCV GB 5-25]. The cash value is the surrender value. If such a policy earns dividends or interest that the family could elect to receive, the anticipated amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.
6-I.H. PERIODIC PAYMENTS

Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are and are not included in annual income.

**Periodic Payments Included in Annual Income**

- Periodic payments from sources such as social security, unemployment and welfare assistance, annuities, insurance policies, retirement funds, and pensions. However, periodic payments from retirement accounts, annuities, and similar forms of investments are counted only after they exceed the amount contributed by the family [24 CFR 5.609(b)(4) and (b)(3)].

- Disability or death benefits and lottery receipts paid periodically, rather than in a single lump sum [24 CFR 5.609(b)(4) and HCV, p. 5-14].

**Lump-Sum Payments for the Delayed Start of a Periodic Payment**

Most lump-sums received as a result of delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income. However, lump-sum receipts for the delayed start of periodic Social Security or Supplemental Security Income (SSI) payments are not counted as income. Additionally, any deferred disability benefits that are received in a lump-sum or in prospective monthly amounts from the Department of Veterans Affairs are to be excluded from annual income [24 CFR 5.609(c)(14)].

**DCHA Policy**

When a delayed-start payment is received and reported during the period in which the DCHA is processing an annual reexamination, the DCHA will adjust the family share and DCHA subsidy retroactively for the period the payment was intended to cover. The family may pay in full any amount due or request to enter into a repayment agreement with the DCHA.

**Treatment of Overpayment Deductions from Social Security Benefits**

The DCHA must make a special calculation of annual income when the Social Security Administration (SSA) overpays an individual, resulting in a withholding or deduction from their benefit amount until the overpayment is paid in full. The amount and duration of the withholding will vary depending on the amount of the overpayment and the percent of the benefit rate withheld. Regardless of the amount withheld or the length of the withholding period, the DCHA must use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount [Notice PIH 2018-24].

**Applying SSA COLA to Current Annual and Interim Reexaminations**

Effective the day after SSA has announced the COLA, PHAs are required to factor in the COLA when determining Social Security and SSI annual income for all annual reexaminations and interim reexaminations of family income that have not yet been completed and will be effective January 1st or later of the upcoming year [Notice PIH 2018-24].
Periodic Payments Excluded from Annual Income

- Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the assisted family, who are unable to live alone) [24 CFR 5.609(c)(2)]. Kinship guardianship assistance payments (Kin-GAP) and other similar guardianship payments are treated the same as foster care payments and are likewise excluded from annual income [Notice PIH 2012-1].

**DCHA Policy**

The DCHA will exclude payments for the care of foster children and foster adults only if the care is provided through an official arrangement with a local welfare agency [HCV GB, p. 5-18].

- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)].

- Amounts received under the Low-Income Home Energy Assistance Program (42 U.S.C. 1626(c)) [24 CFR 5.609(c)(17)].

- Amounts received under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q) [24 CFR 5.609(c)(17)].

- **Earned Income Tax Credit (EITC)** refund payments (26 U.S.C. 32(j)) [24 CFR 5.609(c)(17)].

  *Note: EITC may be paid periodically if the family elects to receive the amount due as part of payroll payments from an employer.*

- Lump-sums received as a result of delays in processing Social Security and SSI payments (see section 6-I.H.) [24 CFR 5.609(c)(14)].

- Lump-sums or prospective monthly amounts received as deferred disability benefits from the Department of Veterans Affairs (VA) [24 CFR 5.609(c)(14)].
6-I.I. PAYMENTS IN LIEU OF EARNINGS

Payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation, and severance pay, are counted as income [24 CFR 5.609(b)(5)] if they are received either in the form of periodic payments or in the form of a lump-sum amount or prospective monthly amounts for the delayed start of a periodic payment. If they are received in a one-time lump sum (as a settlement, for instance), they are treated as lump-sum receipts [24 CFR 5.609(c)(3)]. (See also the discussion of periodic payments in section 6-I.H and the discussion of lump-sum receipts in section 6-I.G.)
6-I.J. WELFARE ASSISTANCE

Overview

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].

Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]

The DCHA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was receiving HCV assistance at the time the sanction was imposed.

Covered Families

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a State or other public agency (‘welfare agency’) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)]

Imputed Income

When a welfare agency imposes a sanction that reduces a family’s welfare income because the family commits fraud or fails to comply with the agency’s economic self-sufficiency program or work activities requirement, the DCHA must include in annual income “imputed” welfare income. The DCHA must request that the welfare agency provide the reason for the reduction of benefits and the amount of the reduction of benefits. The imputed welfare income is the amount that the benefits were reduced as a result of the sanction.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

Offsets

The amount of the imputed welfare income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].
6-I.K. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(b)(7)]

Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with an assisted family.

**Alimony and Child Support**

The DCHA must count alimony or child support amounts awarded as part of a divorce or separation agreement.

**DCHA Policy**

The DCHA shall count court-awarded amounts for alimony and child support unless the DCHA verifies that the payments have not been made in the last six (6) months.

If the amounts received for child support or alimony are not received on a regular basis, the DCHA shall anticipate income by performing an average of the last twelve (12) complete months. The average shall include months in which no payments were received and months in which lump sum amounts were received to catch up for prior missed payments.

The DCHA will count court-awarded amounts for alimony and child support unless the DCHA verifies that: (1) the payments are not being made, and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].

Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.

**Regular Contributions or Gifts**

The DCHA must count as income regular monetary and nonmonetary contributions or gifts from persons not residing with an assisted family [24 CFR 5.609(b)(7)]. Temporary, nonrecurring, or sporadic income and gifts are not counted [24 CFR 5.609(c)(9)].

**DCHA Policy**

Examples of regular contributions include: (1) regular payment of a family’s bills (e.g., utilities, telephone, rent, credit cards, and car payments), (2) cash or other liquid assets provided to any family member on a regular basis, and (3) “in-kind” contributions such as groceries and clothing provided to a family on a regular basis.

Nonmonetary contributions will be valued at the cost of purchasing the items, as determined by the DCHA. For contributions that may vary from month to month (e.g., utility payments), the DCHA will include an average amount based upon past history.
6-I.L. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9); Notice PIH 2015-21]

In 2005, Congress passed a law (for Section 8 programs only) requiring that certain student financial assistance be included in annual income. Prior to that, the full amount of student financial assistance was excluded. For some students, the full exclusion still applies.

**Student Financial Assistance Included in Annual Income [24 CFR 5.609(b)(9); FR 4/10/06; Notice PIH 2015-21]**

The regulation requiring the inclusion of certain student financial assistance applies only to students who satisfy all of the following conditions:

- They are enrolled in an institution of higher education, as defined under the Higher Education Act (HEA) of 1965.
- They are seeking or receiving Section 8 assistance on their own—that is, apart from their parents—through the HCV program, the project-based voucher program, or the moderate rehabilitation program.
- They are under 24 years of age OR they have no dependent children.

For students who satisfy these three conditions, any financial assistance in excess of tuition and any other required fees and charges received: (1) under the 1965 HEA, (2) from a private source, or (3) from an institution of higher education, as defined under the 1965 HEA, must be included in annual income.

To determine annual income in accordance with the above requirements, the DCHA will use the definitions of *dependent child, institution of higher education*, and *parents* in section 3-II.E, along with the following definitions [FR 4/10/06, pp. 18148-18150]:

- **Assistance from private sources** means assistance from nongovernmental sources, including parents, guardians, and other persons not residing with the student in an HCV assisted unit.
- **Tuition and fees** are defined in the same manner in which the Department of Education defines *tuition and fees* [Notice PIH 2015-21].
  - This is the amount of tuition and required fees covering a full academic year most frequently charged to students.
  - The amount represents what a typical student would be charged and may not be the same for all students at an institution.
  - If tuition is charged on a per-credit-hour basis, the average full-time credit hour load for an academic year is used to estimate average tuition.
  - Required fees include all fixed-sum charges that are required of a large proportion of all students. Examples include, but are not limited to, writing and science lab fees and fees specific to the student’s major or program (i.e., nursing program).
- Expenses related to attending an institution of higher education must not be included as tuition. Examples include, but are not limited to, room and board, books, supplies, meal plans, transportation and parking, student health insurance plans, and other non-fixed-sum charges.

**Student Financial Assistance Excluded from Annual Income [24 CFR 5.609(c)(6)]**

Any student financial assistance not subject to inclusion under 24 CFR 5.609(b)(9) is fully excluded from annual income under 24 CFR 5.609(c)(6), whether it is paid directly to the student or to the educational institution the student is attending. This includes any financial assistance received by:

- Students residing with parents who are seeking or receiving Section 8 assistance
- Students who are enrolled in an educational institution that does not meet the 1965 HEA definition of *institution of higher education*
- Students who are over 23 AND have at least one dependent child, as defined in section 3-II.E
- Students who are receiving financial assistance through a governmental program not authorized under the 1965 HEA.
6-I.M. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME

Other exclusions contained in 24 CFR 5.609(c) that have not been discussed earlier in this chapter include the following:

- Reimbursement of medical expenses [24 CFR 5.609(c)(4)]
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred and which are made solely to allow participation in a specific program [24 CFR 5.609(c)(8)(iii)]
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(c)(8)(ii)]
- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era [24 CFR 5.609(c)(10)]
- Adoption assistance payments in excess of $480 per adopted child [24 CFR 5.609(c)(12)]
- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(c)(15)]
- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)]
- Amounts specifically excluded by any other federal statute [24 CFR 5.609(c)(17), FR Notice 5/20/14]. HUD publishes an updated list of these exclusions periodically. It includes:
  (a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017 (b))
  (b) Benefits under Section 1780 of the School Lunch Act and Child Nutrition Act of 1966, including WIC
  (c) Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
  (d) Payments received under the Alaska Native Claims Settlement Act (43 U.S.C. 1626(c))
  (e) Income derived from certain submarginal land of the United States that is held in trust for certain Indian tribes (25 U.S.C. 459e)
  (f) Payments or allowances made under the Department of Health and Human Services’ Low-Income Home Energy Assistance Program (42 U.S.C. 8624(f))
  (g) Payments received under programs funded in whole or in part under the Workforce Investment Act of 1998 (29 U.S.C. 2931)
  (h) Deferred disability benefits from the Department of Veterans Affairs, whether received as a lump sum or in monthly prospective amounts
  (i) Income derived from the disposition of funds to the Grand River Band of Ottawa Indians (Pub. L. 94-540, 90 Stat. 2503-04)
(j) Payments, funds, or distributions authorized, established, or directed by the Seneca Nation Settlement Act of 1990 (25 U.S.C. 1774f(b))

(k) A lump sum or periodic payment received by an individual Indian pursuant to the Class Action Settlement Agreement in the United States District Court case entitled *Elouise Cobell et al. v. Ken Salazar et al.*, for a period of one year from the time of receipt of that payment as provided in the Claims Resolution Act of 2010

(l) The first $2,000 of per capita shares received from judgment funds awarded by the Indian Claims Commission or the U. S. Claims Court, the interests of individual Indians in trust or restricted lands, including the first $2,000 per year of income received by individual Indians from funds derived from interests held in such trust or restricted lands (25 U.S.C. 1407-1408)

(m) Benefits under the Indian Veterans Housing Opportunity Act of 2010 (only applies to Native American housing programs)

(n) Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))

(o) Payments received on or after January 1, 1989, from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in *In Re Agent Orange* product liability litigation, M.D.L. No. 381 (E.D.N.Y.)

(p) Payments received under 38 U.S.C. 1833(c) to children of Vietnam veterans born with spinal bifida, children of women Vietnam veterans born with certain birth defects, and children of certain Korean service veterans born with spinal bifida

(q) Payments received under the Maine Indian Claims Settlement Act of 1980 (25 U.S.C. 1721)

(r) The value of any child care provided or arranged (or any amount received as payment for such care or reimbursement for costs incurred for such care) under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q)

(s) Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j))

(t) Payments by the Indian Claims Commission to the Confederated Tribes and Bands of Yakima Indian Nation or the Apache Tribe of Mescalero Reservation (Pub. L. 95-433)

(u) Amounts of scholarships funded under Title IV of the Higher Education Act of 1965j, including awards under federal work-study programs or under the Bureau of Indian Affairs student assistance programs (20 U.S.C. 1087uu). For Section 8 programs, the exception found in § 237 of Public Law 109–249 applies and requires that the amount of financial assistance in excess of tuition and mandatory fees shall be considered income in accordance with the provisions codified at 24 CFR 5.609(b)(9), except for those persons with disabilities as defined by 42 U.S.C. 1437a(b)(3)(E) (Pub. L. 109–249) (See See Section 6-I.L. for exceptions.)

(v) Allowances, earnings and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
(w) Any amount of crime victim compensation (under the Victims of Crime Act) received through crime victim assistance (or payment or reimbursement of the cost of such assistance) as determined under the Victims of Crime Act because of the commission of a crime against the applicant under the Victims of Crime Act (42 U.S.C. 10602)

(x) Any amounts in an "individual development account" as provided by the Assets for Independence Act, as amended in 2002

(y) Payments made from the proceeds of Indian tribal trust cases as described in Notice PIH 2013–30, "Exclusion from Income of Payments under Recent Tribal Trust Settlements" (25 U.S.C. 117b(a))

(z) Major disaster and emergency assistance received under the Robert T. Stafford Disaster Relief and Emergency Assistance Act and comparable disaster assistance provided by states, local governments, and disaster assistance organizations

(aa) Distributions from an ABLE account, and actual or imputed interest on the ABLE account balance
PART II: ADJUSTED INCOME

6-II.A. INTRODUCTION

Overview

HUD regulations require PHAs to deduct from annual income any of five mandatory deductions for which a family qualifies. The resulting amount is the family’s adjusted income. Mandatory deductions are found in 24 CFR 5.611.

5.611(a) Mandatory deductions. In determining adjusted income, the responsible entity [DCHA] must deduct the following amounts from annual income:

1. $480 for each dependent;
2. $400 for any elderly family or disabled family;
3. The sum of the following, to the extent the sum exceeds three percent of annual income:
   i. Unreimbursed medical expenses of any elderly family or disabled family;
   ii. Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and
4. Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7.

Anticipating Expenses

DCHA Policy

Generally, the DCHA will use current circumstances to anticipate expenses. When possible, for costs that are expected to fluctuate during the year (e.g., child care during school and non-school periods and cyclical medical expenses), the DCHA will estimate costs based on historic data and known future costs.

If a family has an accumulated debt for medical or disability assistance expenses, the DCHA will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in a preceding period. The DCHA may require the family to provide documentation of payments made in the preceding year.
6-II.B. DEPENDENT DEDUCTION

An allowance of $480 is deducted from annual income for each dependent [24 CFR 5.611(a)(1)]. Dependent is defined as any family member other than the head, spouse, or cohead who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

6-II.C. ELDERLY OR DISABLED FAMILY DEDUCTION

A single deduction of $400 is taken for any elderly or disabled family [24 CFR 5.611(a)(2)]. An elderly family is a family whose head, spouse, cohead, or sole member is 62 years of age or older, and a disabled family is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].
6-II.D. MEDICAL EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i)]

Unreimbursed medical expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed three percent of annual income.

The medical expense deduction is permitted only for families in which the head, spouse, or cohead is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted [VG, p. 28].

Definition of Medical Expenses

HUD regulations define medical expenses at 24 CFR 5.603(b) to mean “medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.”

DCHA Policy

The most current IRS Publication 502, Medical and Dental Expenses, will be used as a reference to determine the costs that qualify as medical expenses.

Note: This chart provides a summary of eligible medical expenses only. Detailed information is provided in IRS Publication 502. Medical expenses are considered only to the extent they are not reimbursed by insurance or some other source.
Families That Qualify for Both Medical and Disability Assistance Expenses

DCHA Policy

This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, the DCHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.
6-II.E. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]

Reasonable expenses for attendant care and auxiliary apparatus for a disabled family member may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed three percent of annual income, and (4) do not exceed the earned income received by the family member who is enabled to work.

Earned Income Limit on the Disability Assistance Expense Deduction

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of “earned income received by family members who are 18 years of age or older and who are able to work” because of the expense [24 CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any earned income disallowances or income exclusions are applied.

DCHA Policy

The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family’s request, the DCHA will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.

When the DCHA determines that the disability assistance expenses enable more than one family member to work, the expenses will be capped by the sum of the family members’ incomes.
Eligible Disability Expenses

Examples of auxiliary apparatus are provided in the *HCV Guidebook* as follows: “Auxiliary apparatus are items such as wheelchairs, ramps, adaptations to vehicles, or special equipment to enable a blind person to read or type, but only if these items are directly related to permitting the disabled person or other family member to work” [HCV GB, p. 5-30].

HUD advises PHAs to further define and describe auxiliary apparatus [VG, p. 30].

**Eligible Auxiliary Apparatus**

**DCHA Policy**

Expenses incurred for maintaining or repairing an auxiliary apparatus are eligible. In the case of an apparatus that is specially adapted to accommodate a person with disabilities (e.g., a vehicle or computer), the cost to maintain the special adaptations (but not maintenance of the apparatus itself) is an eligible expense. The cost of service animals trained to give assistance to persons with disabilities, including the cost of acquiring the animal, veterinary care, food, grooming, and other continuing costs of care, will be included.

**Eligible Attendant Care**

The family determines the type of attendant care that is appropriate for the person with disabilities.

**DCHA Policy**

Attendant care includes, but is not limited to, reasonable costs for home medical care, nursing services, in-home or center-based care services, interpreters for persons with hearing impairments, and readers for persons with visual disabilities.

Attendant care expenses will be included for the period that the person enabled to work is employed plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, the DCHA will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.
Payments to Family Members

No disability assistance expenses may be deducted for payments to a member of an assisted family [24 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the assisted family may be deducted if they are not reimbursed by an outside source.

Necessary and Reasonable Expenses

The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

DCHA Policy

The DCHA determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality. To establish typical costs, the DCHA will collect information from organizations that provide services and support to persons with disabilities. A family may present, and the DCHA will consider, the family’s justification for costs that exceed typical costs in the area.

Families That Qualify for Both Medical and Disability Assistance Expenses

DCHA Policy

This policy applies only to families in which the head or spouse is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, the DCHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.
6-II.F. CHILD CARE EXPENSE DEDUCTION

HUD defines child care expenses at 24 CFR 5.603(b) as “amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.”

Clarifying the Meaning of Child for This Deduction

Child care expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family’s household [VG, p. 26]. However, child care expenses for foster children that are living in the assisted family’s household are included when determining the family’s child care expenses [HCV GB, p. 5-29].

Qualifying for the Deduction

Determining Who Is Enabled to Pursue an Eligible Activity

DCHA Policy

The family must identify the family member(s) enabled to pursue an eligible activity. The term eligible activity in this section means any of the activities that may make the family eligible for a child care deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family’s request, the DCHA will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work

DCHA Policy

If the child care expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member’s efforts to obtain employment at each reexamination. The deduction may be reduced or denied if the family member’s job search efforts are not commensurate with the child care expense being allowed by the DCHA.
**Furthering Education**

**DCHA Policy**

If the child care expense being claimed is to enable a family member to further their education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the child care claimed.

**Being Gainfully Employed**

**DCHA Policy**

If the child care expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member’s employment during the time that child care is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

**Earned Income Limit on Child Care Expense Deduction**

When a family member looks for work or furthers their education, there is no cap on the amount that may be deducted for child care – although the care must still be necessary and reasonable. However, when child care enables a family member to work, the deduction is capped by “the amount of employment income that is included in annual income” [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any earned income disallowances or income exclusions are applied.

When the person who is enabled to work is a person with disabilities who receives the earned income disallowance (EID) or a full-time student whose earned income above $480 is excluded, child care costs related to enabling a family member to work may not exceed the portion of the person’s earned income that actually is included in annual income. For example, if a family member who qualifies for the EID makes $15,000 but because of the EID only $5,000 is included in annual income, child care expenses are limited to $5,000.

The DCHA must not limit the deduction to the least expensive type of child care. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].

**DCHA Policy**

When the child care expense being claimed is to enable a family member to work, only one family member’s income will be considered for a given period of time. When more than one family member works during a given period, the DCHA generally will limit allowable child care expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.
Eligible Child Care Expenses

The type of care to be provided is determined by the assisted family. The DCHA may not refuse to give a family the child care expense deduction because there is an adult family member in the household that may be available to provide child care [VG, p. 26].

Allowable Child Care Activities

DCHA Policy

For school-age children, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities after school or during school holidays (e.g., summer day camp, after-school sports league) are allowable forms of child care.

The costs of general housekeeping and personal services are not eligible. Likewise, child care expenses paid to a family member who lives in the family’s unit are not eligible; however, payments for child care to relatives who do not live in the unit are eligible.

If a child care provider also renders other services to a family or child care is used to enable a family member to conduct activities that are not eligible for consideration, the DCHA will prorate the costs and allow only that portion of the expenses that is attributable to child care for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless otherwise specified by the child care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Necessary and Reasonable Costs

Child care expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further their education, and (2) the family certifies, and the child care provider verifies, that the expenses are not paid or reimbursed by any other source.

DCHA Policy

Child care expenses will be considered for the time required for the eligible activity plus reasonable transportation time. For child care that enables a family member to go to school, the time allowed may include not more than one study hour for each hour spent in class.

To establish the reasonableness of child care costs, the DCHA will use the schedule of child care costs from a qualified local entity that either subsidizes child care costs or licenses child care providers. Families may present, and the DCHA will consider, justification for costs that exceed typical costs in the area.
PART III: CALCULATING FAMILY SHARE AND DCHA SUBSIDY

6-III.A. OVERVIEW OF RENT AND SUBSIDY CALCULATIONS

TTP Formula [24 CFR 5.628]

HUD regulations specify the formula for calculating the total tenant payment (TTP) for an assisted family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family’s monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family’s monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between $0 and $50 that is established by the DCHA

The DCHA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family’s TTP but may be greater than the TTP depending on the rent charged for the unit the family selects.

Welfare Rent [24 CFR 5.628]

- DCHA Policy
  - Welfare rent does not apply in this locality.

Minimum Rent [24 CFR 5.630]

- DCHA Policy
  - The minimum rent for this locality is $0.

Family Share [24 CFR 982.305(a)(5)]

If a family chooses a unit with a gross rent (rent to owner plus an allowance for tenant-paid utilities) that exceeds the DCHA’s applicable payment standard: (1) the family will pay more than the TTP, and (2) at initial occupancy the DCHA may not approve the tenancy if it would require the family share to exceed 40 percent of the family’s monthly adjusted income. The income used for this determination must have been verified no earlier than 60 days before the family’s voucher was issued. (For a discussion of the application of payment standards, see section 6-III.C.)
DCHA Subsidy [24 CFR 982.505(b)]

The DCHA will pay a monthly housing assistance payment (HAP) for a family that is equal to the lower of (1) the applicable payment standard for the family minus the family’s TTP or (2) the gross rent for the family’s unit minus the TTP. (For a discussion of the application of payment standards, see section 6-III.C.)

Utility Reimbursement [24 CFR 982.514(b); 982.514(c)]

When the DCHA subsidy for a family exceeds the rent to owner, the family is due a utility reimbursement. HUD permits the DCHA to pay the reimbursement to the family or directly to the utility provider.

**DCHA Policy**

The DCHA will make utility reimbursements to the family.

The DCHA may make all utility reimbursement payments to qualifying families on a monthly basis or may make quarterly payments when the monthly reimbursement amount is $15.00 or less. Reimbursements must be made once per calendar-year quarter and must be prorated if the family leaves the program in advance of its next quarterly reimbursement. The DCHA must also adopt hardship policies for families for whom receiving quarterly reimbursement would create financial hardship.

**DCHA Policy**

The DCHA will issue all utility reimbursements monthly.
6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]

DCHA Policy

The financial hardship rules described below do not apply in this jurisdiction because the DCHA has established a minimum rent of $0.

Overview

If the DCHA establishes a minimum rent greater than zero, the DCHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family’s TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the DCHA determines that a hardship exists, the family share is the highest of the remaining components of the family’s calculated TTP.

HUD-Defined Financial Hardship

Financial hardship includes the following situations:

(1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

(2) The family would be evicted because it is unable to pay the minimum rent.

(3) Family income has decreased because of changed family circumstances, including the loss of employment.

(4) A death has occurred in the family.

(5) The family has experienced other circumstances determined by the DCHA.
Implementation of Hardship Exemption

**Determination of Hardship**

When a family requests a financial hardship exemption, the DCHA must suspend the minimum rent requirement beginning the first of the month following the family’s request.

The DCHA then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

When the minimum rent is suspended, the family share reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

<table>
<thead>
<tr>
<th>Family Share – No Hardship</th>
<th>Family Share – With Hardship</th>
</tr>
</thead>
<tbody>
<tr>
<td>$0 30% of monthly adjusted income</td>
<td>$0 30% of monthly adjusted income</td>
</tr>
<tr>
<td>$15 10% of monthly gross income</td>
<td>$15 10% of monthly gross income</td>
</tr>
<tr>
<td>N/A Welfare rent</td>
<td>N/A Welfare rent</td>
</tr>
<tr>
<td>$50 Minimum rent</td>
<td>$50 Minimum rent</td>
</tr>
</tbody>
</table>

**Example: Impact of Minimum Rent Exemption**

Assume the DCHA has established a minimum rent of $50.

<table>
<thead>
<tr>
<th>Minimum rent applies.</th>
<th>Hardship exemption granted.</th>
</tr>
</thead>
<tbody>
<tr>
<td>TTP = $50</td>
<td>TTP = $15</td>
</tr>
</tbody>
</table>

**No Financial Hardship**

If the DCHA determines there is no financial hardship, the DCHA will reinstate the minimum rent and require the family to repay the amounts suspended.

**Temporary Hardship**

If the DCHA determines that a qualifying financial hardship is temporary, the DCHA must suspend the minimum rent for the 90-day period beginning the first of the month following the date of the family’s request for a hardship exemption.

At the end of the 90-day suspension period, the family must resume payment of the minimum rent and must repay the DCHA the amounts suspended. HUD requires the DCHA to offer a reasonable repayment agreement, on terms and conditions established by the DCHA. The DCHA also may determine that circumstances have changed and the hardship is now a long-term hardship.

**Long-Term Hardship**

If the DCHA determines that the financial hardship is long-term, the DCHA must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family’s request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.
6-III.C. APPLYING PAYMENT STANDARDS [24 CFR 982.505; 982.503(b)]

Overview

The DCHA’s schedule of payment standards is used to calculate housing assistance payments for HCV families. This section covers the application of the DCHA’s payment standards. The establishment and revision of the DCHA’s payment standard schedule are covered in Chapter 16.

Payment standard is defined as “the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family)” [24 CFR 982.4(b)].

The payment standard for a family is the lower of (1) the payment standard for the family unit size, which is defined as the appropriate number of bedrooms for the family under the DCHA’s subsidy standards [24 CFR 982.4(b)], or (2) the payment standard for the size of the dwelling unit rented by the family.

If the DCHA has established an exception payment standard for a designated part of a zip code area or FMR area and a family’s unit is located in the exception area, the DCHA must use the appropriate payment standard for the exception area.

The DCHA is required to pay a monthly housing assistance payment (HAP) for a family that is the lower of (1) the payment standard for the family minus the family’s TTP or (2) the gross rent for the family’s unit minus the TTP.

If during the term of the HAP contract for a family’s unit, the owner lowers the rent, the DCHA will recalculate the HAP using the lower of the initial payment standard or the gross rent for the unit [HCV GB, p. 7-8].

Changes in Payment Standards

When the DCHA revises its payment standards during the term of the HAP contract for a family’s unit, it will apply the new payment standards in accordance with HUD regulations.

Decreases

If a DCHA changes its payment standard schedule, resulting in a lower payment standard amount, during the term of a HAP contract, the DCHA is not required to reduce the payment standard used to calculate subsidy for families under HAP contract as long as the HAP contract remains in effect [FR Notice 11/16/16].

However, if the DCHA does choose to reduce the payment standard for families currently under HAP contract, the initial reduction to the payment standard may not be applied any earlier than the effective date of the family’s second regular reexamination following the effective date of the decrease in the payment standard amount. At that point, the DCHA may either reduce the payment standard to the current amount in effect on the DCHA’s payment standard schedule, or may reduce the payment standard to another amount that is higher than the normally applicable amount on the schedule. The DCHA may also establish different policies for designated areas within their jurisdiction (e.g., different zip code areas).
In any case, the DCHA must provide the family with at least 12 months’ notice that the payment standard is being reduced before the effective date of the change. The DCHA’s policy on decreases in the payment standard during the term of the HAP contract apply to all families under HAP contract at the time of the effective date of the decrease in the payment standard within the designated area.

**DCHA Policy**

If a DCHA changes its payment standard schedule resulting in a lower payment standard amount, during the term of a HAP contract, the DCHA will make a determination as to when the new, lower payment standard will be applied at the time the change is made.

The DCHA will not establish different policies for decreases in the payment standard for designated areas within their jurisdiction.

**Increases**

If the payment standard is increased during the term of the HAP contract, the increased payment standard will be used to calculate the monthly housing assistance payment for the family beginning on the effective date of the family’s first regular reexamination on or after the effective date of the increase in the payment standard.

Families requiring or requesting interim reexaminations will not have their HAP payments calculated using the higher payment standard until their next annual reexamination [HCV GB, p. 7-8].

**Changes in Family Unit Size (Voucher Size)**

Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size must be used to determine the payment standard for the family beginning at the family’s first regular reexamination following the change in family unit size.

**Reasonable Accommodation**

If a family requires a higher payment standard as a reasonable accommodation for a family member who is a person with disabilities, the DCHA is allowed to establish a higher payment standard for the family of not more than 120 percent of the published FMR.
6-III.D. APPLYING UTILITY ALLOWANCES [24 CFR 982.517]

Overview

A DCHA-established utility allowance schedule is used in determining family share and DCHA subsidy. A family's utility allowance is determined by the size of dwelling unit leased by a family or the voucher unit size for which the family qualifies using DCHA subsidy standards, whichever is the lowest of the two. See Chapter 5 for information on the DCHA’s subsidy standards.

For policies on establishing and updating utility allowances, see Chapter 16.

Reasonable Accommodation and Individual Relief

On request from a family that includes a person with disabilities, the DCHA must approve a utility allowance which is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible and usable by the family member with a disability [24 CFR 982.517(e)]. (See Chapter 2 for policies regarding the request and approval of reasonable accommodations.)

Further, the DCHA may grant requests for individual relief from charges in excess of the utility allowance on reasonable grounds, such as special factors not within control of the resident, as the DCHA deems appropriate. The family must request the higher allowance and provide the DCHA an explanation of the need for individual relief and an explanation about the amount of additional allowance required [see HCV GB, p. 18-8].
DCHAs should develop criteria for granting individual relief, notify residents about the availability of individual relief, and notify participants about the availability of individual relief programs (sometimes referred to as “Medical Baseline discounts”) offered by the local utility company.

**DCHA Policy**

The family must request the higher allowance and provide the DCHA with information about the amount of additional allowance required.

The DCHA will consider the following criteria as valid reasons for granting individual relief:

- The family’s consumption was mistakenly portrayed as excessive due to defects in the meter or errors in the meter reading.

- The excessive consumption is caused by a characteristic of the unit or owner-supplied equipment that is beyond the family’s control, such as a particularly inefficient refrigerator or inadequate insulation. The allowance should be adjusted to reflect the higher consumption needs associated with the unit until the situation is remedied. The resident should be granted individual relief until the allowance is adjusted.

- The excessive consumption is due to special needs of the family that are beyond their control, such as the need for specialized equipment in the case of a family member who is ill, elderly, or who has a disability.

In determining the amount of the reasonable accommodation or individual relief, the DCHA will allow a reasonable measure of additional usage as necessary. To arrive at the amount of additional utility cost of specific equipment, the family may provide information from the manufacturer of the equipment, or the family or DCHA may conduct an internet search for an estimate of usage or additional monthly cost.

Information on reasonable accommodation and individual relief for charges in excess of the utility allowance will be provided to all families at admission as part of the information on payment standards and utility allowances in the briefing packet. The DCHA will also provide information on utility relief programs or medical discounts (sometimes referred to as “Medical Baseline discounts”) that may be available through local utility providers.

At its discretion, the DCHA may reevaluate the need for the increased utility allowance at any regular reexamination.

If the excessive consumption is caused by a characteristic of the unit or DCHA-supplied equipment that is beyond the family’s control, such as a particularly inefficient refrigerator or inadequate insulation, the individual relief to the resident will cease when the situation is remedied.
Utility Allowance Revisions

At reexamination, the DCHA must use the current utility allowance schedule [HCV GB, p. 18-8].

*DCHA Policy*

Revised utility allowances will be applied to a family’s rent and subsidy calculations at the first annual reexamination that is effective after the allowance is adopted.
6-III.E. PRORATED ASSISTANCE FOR MIXED FAMILIES [24 CFR 5.520]

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. The DCHA must prorate the assistance provided to a mixed family. The DCHA will first determine assistance as if all family members were eligible and then prorate the assistance based upon the percentage of family members that actually are eligible. For example, if the DCHA subsidy for a family is calculated at $500 and two of four family members are ineligible, the DCHA subsidy would be reduced to $250.
EXHIBIT 6-1: ANNUAL INCOME INCLUSIONS

24 CFR 5.609

(a) Annual income means all amounts, monetary or not, which:

1. Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

3. Which are not specifically excluded in paragraph (c) of this section.

4. Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

(b) Annual income includes, but is not limited to:

1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;

2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of $5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;

3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family.

4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);

5. Payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation and severance pay (except as provided in paragraph (c)(3) of this section);
(6) Welfare assistance payments.

(i) Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

(A) Qualify as assistance under the TANF program definition at 45 CFR 260.31; and

(B) Are not otherwise excluded under paragraph (c) of this section.

(ii) If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

(A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family’s welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage.

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

(8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section)

(9) For section 8 programs only and as provided in 24 CFR 5.612, any financial assistance, in excess of amounts received for tuition, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 et seq.), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for persons over the age of 23 with dependent children. For purposes of this paragraph, “financial assistance” does not include loan proceeds for the purpose of determining income.

HHS DEFINITION OF "ASSISTANCE"

45 CFR: GENERAL TEMPORARY ASSISTANCE FOR NEEDY FAMILIES

260.31 What does the term “assistance” mean?

(a)(1) The term “assistance” includes cash, payments, vouchers, and other forms of benefits designed to meet a family’s ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

(2) It includes such benefits even when they are:

(i) Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and

(ii) Conditioned on participation in work experience or community service (or any other work activity under 261.30 of this chapter).

1 Text of 45 CFR 260.31 follows.
(3) Except where excluded under paragraph (b) of this section, it also includes supportive services such as transportation and child care provided to families who are not employed.

(b) [The definition of “assistance”] excludes: (1) Nonrecurrent, short-term benefits that:

(i) Are designed to deal with a specific crisis situation or episode of need;

(ii) Are not intended to meet recurrent or ongoing needs; and

(iii) Will not extend beyond four months.

(2) Work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training);

(3) Supportive services such as child care and transportation provided to families who are employed;

(4) Refundable earned income tax credits;

(5) Contributions to, and distributions from, Individual Development Accounts;

(6) Services such as counseling, case management, peer support, child care information and referral, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support; and

(7) Transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of [the Social Security] Act, to an individual who is not otherwise receiving assistance.
EXHIBIT 6-2: ANNUAL INCOME EXCLUSIONS

24 CFR 5.609

(c) Annual income does not include the following:

(1) Income from employment of children (including foster children) under the age of 18 years;

(2) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);

(3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses (except as provided in paragraph (b)(5) of this section);

(4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;

(5) Income of a live-in aide, as defined in Sec. 5.403;

(6) Subject to paragraph (b)(9) of this section, the full amount of student financial assistance paid directly to the student or to the educational institution;

(7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

(8) (i) Amounts received under training programs funded by HUD;

(ii) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);

(iii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;

(iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed $200 per month) received by a resident for performing a service for the DCHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the DCHA's governing board. No resident may receive more than one such stipend during the same period of time;

(v) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;

(9) Temporary, nonrecurring or sporadic income (including gifts);

(10) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
(11) Earnings in excess of $480 for each full-time student 18 years old or older (excluding the head of household and spouse);

(12) Adoption assistance payments in excess of $480 per adopted child;

(13) [Reserved]

(14) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts, or any deferred Department of Veterans Affairs disability benefits that are received in a lump sum amount or prospective monthly amounts.

(15) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

(16) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

(17) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(c) apply. A notice will be published in the Federal Register and distributed to PHAs and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary. [See Section 6-I.M. for a list of benefits that qualify for this exclusion.]
EXHIBIT 6-3: TREATMENT OF FAMILY ASSETS

24 CFR 5.603(b) Net Family Assets

(1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under Sec. 5.609.

(3) In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

(4) For purposes of determining annual income under Sec. 5.609, the term "net family assets" does not include the value of a home currently being purchased with assistance under part 982, subpart M of this title. This exclusion is limited to the first 10 years after the purchase date of the home.
EXHIBIT 6-4: EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES

24 CFR 5.617 Self-sufficiency incentives for persons with disabilities—Disallowance of increase in annual income.

(a) Applicable programs. The disallowance of earned income provided by this section is applicable only to the following programs: HOME Investment Partnerships Program (24 CFR part 92); Housing Opportunities for Persons with AIDS (24 CFR part 574); Supportive Housing Program (24 CFR part 583); and the Housing Choice Voucher Program (24 CFR part 982).

(b) Definitions. The following definitions apply for purposes of this section.

Baseline income. The annual income immediately prior to implementation of the disallowance described in paragraph (c)(1) of this section of a person with disabilities (who is a member of a qualified family).

Disallowance. Exclusion from annual income.

Previously unemployed includes a person with disabilities who has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

Qualified family. A family residing in housing assisted under one of the programs listed in paragraph (a) of this section or receiving tenant-based rental assistance under one of the programs listed in paragraph (a) of this section.

1) Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

2) Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or

3) Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance—provided that the total amount over a six-month period is at least $500.
(c) Disallowance of increase in annual income—

(1) Initial twelve month exclusion. During the 12-month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income (as defined in the regulations governing the applicable program listed in paragraph (a) of this section) of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.

(2) Second twelve month exclusion and phase-in. Upon expiration of the 12-month period defined in paragraph (c)(1) of this section and for the subsequent 12-month period, the responsible entity must exclude from annual income of a qualified family at least 50 percent of any increase in income of such family member as a result of employment over the family member’s baseline income.

(3) Maximum 2-year disallowance. The disallowance of increased income of an individual family member who is a person with disabilities as provided in paragraph (c)(1) or (c)(2) of this section is limited to a lifetime 24-month period. The disallowance applies for a maximum of 12 months for disallowance under paragraph (c)(1) of this section and a maximum of 12 months for disallowance under paragraph (c)(2) of this section, during the 24-month period starting from the initial exclusion under paragraph (c)(1) of this section.

(4) Effect of changes on currently participating families. Families eligible for and participating in the disallowance of earned income under this section prior to May 9, 2016 will continue to be governed by this section in effect as it existed immediately prior to that date (see 24 CFR parts 0 to 199, revised as of April 1, 2016).

(d) Inapplicability to admission. The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).
EXHIBIT 6-5: THE EFFECT OF WELFARE BENEFIT REDUCTION

24 CFR 5.615

Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) Applicability. This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) Definitions. The following definitions apply for purposes of this section:

Covered families. Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at Sec. 5.603.

Imputed welfare income. The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

Specified welfare benefit reduction.

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) Imputed welfare income.

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefit reduction, as specified in notice to the DCHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of the DCHA, the welfare agency will inform the DCHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the DCHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The DCHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the DCHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the DCHA by the welfare agency).
(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed

(5) The DCHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

(d) Review of DCHA decision.

(1) Public housing. If a public housing tenant claims that the DCHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the HA denies the family's request to modify such amount, the DCHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the DCHA determination of the amount of imputed welfare income. The DCHA notice shall also state that if the tenant does not agree with the DCHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the DCHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the DCHA determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the DCHA determination of the amount of imputed welfare income that must be included in the family's annual income as a result of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the DCHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(e) DCHA relation with welfare agency.

(1) The DCHA must ask welfare agencies to inform the DCHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the DCHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The DCHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction, as determined by the welfare agency, and specified in the notice by the welfare agency to the DCHA. However, the DCHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The DCHA shall be entitled to rely on the welfare agency notice to the DCHA of the welfare agency's
determination of a specified welfare benefits reduction.
Chapter 7

VERIFICATION

INTRODUCTION

The DCHA must verify all information that is used to establish the family’s eligibility and level of assistance and is required to obtain written authorization from the family in order to collect the information. Applicants and program participants must cooperate with the verification process as a condition of receiving assistance. The DCHA must not pass on the cost of verification to the family.

The DCHA will follow the verification guidance provided by HUD in Notice PIH 2018-18 and any subsequent guidance issued by HUD. This chapter summarizes those requirements and provides supplementary DCHA policies.

Part I describes the general verification process. Part II provides more detailed requirements related to family information. Part III provides information on income and assets, and Part IV covers mandatory deductions.

Verification policies, rules and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies of the DCHA.

PART I: GENERAL VERIFICATION REQUIREMENTS

7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 982.516 AND 982.551, 24 CFR 5.230]

The family must supply any information that the DCHA or HUD determines is necessary to the administration of the program and must consent to DCHA verification of that information [24 CFR 982.551].

Consent Forms

It is required that all adult applicants and participants sign form HUD-9886, Authorization for Release of Information. The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provides the family’s consent only for the specific purposes listed on the form. HUD and the DCHA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Adult family members must sign other consent forms as needed to collect information relevant to the family’s eligibility and level of assistance.

Penalties for Failing to Consent [24 CFR 5.232]

If any family member who is required to sign a consent form fails to do so, the DCHA will deny admission to applicants and terminate assistance of participants. The family may request an informal review (applicants) or informal hearing (participants) in accordance with DCHA procedures.
7-I.B. OVERVIEW OF VERIFICATION REQUIREMENTS

HUD’s Verification Hierarchy [Notice PIH 2018-18]

HUD mandates the use of the EIV system and offers administrative guidance on the use of other methods to verify family information and specifies the circumstances in which each method will be used. In general HUD requires the DCHA to use the most reliable form of verification that is available and to document the reasons when the DCHA uses a lesser form of verification.

In order of priority, the forms of verification that the DCHA will use are:

- Up-front Income Verification (UIV) using HUD’s Enterprise Income Verification (EIV) system
- Up-front Income Verification (UIV) using a non-HUD system
- Written Third-Party Verification (may be provided by applicant or participant)
- Written Third-party Verification Form
- Oral Third-party Verification
- Self-Certification

Each of the verification methods is discussed in subsequent sections below.

Requirements for Acceptable Documents

DCHA Policy

Any documents used for verification must be dated within 60 days of the DCHA request. The documents must not be damaged, altered or in any way illegible.

Any family self-certifications must be made in a format acceptable to the DCHA and must be signed by the family member whose information or status is being verified.
File Documentation

The DCHA must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will be recorded in the family’s file in sufficient detail to demonstrate that the DCHA has followed all of the verification policies set forth in this plan. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and conclusions reached.

DCHA Policy

The DCHA will document, in the family file, the following:

- Reported family annual income and verification of family income
- Value of assets and verification of assets
- Expenses related to deductions from annual income and verification of all expenses and deductions
- Rent Calculation worksheets
- Notices to Participants and Landlords on Rent Calculations
- Other factors influencing adjusted income

When the DCHA is unable to obtain third-party verification, the DCHA will document in the family file the reason that third-party verification was not available [24 CFR 982.516(a)(2); Notice PIH 2018-18].

7-I.C. UP-FRONT INCOME VERIFICATION (UIV)

Up-front income verification (UIV) refers to the DCHA’s use of the verification tools available from independent sources that maintain computerized information about earnings and benefits. UIV will be used to the extent that these systems are available to the DCHA.

There may be legitimate differences between the information provided by the family and UIV-generated information. If the family disputes the accuracy of UIV data, no adverse action can be taken until the DCHA has independently verified the UIV information and the family has been granted an opportunity to contest any adverse findings through the informal review/hearing process of the DCHA.

See Chapter 6 for the DCHA’s policy on the use of UIV/EIV to project annual income.
Upfront Income Verification Using HUD’s Enterprise Income Verification (EIV) System (Mandatory)

PHAs must use HUD’s EIV system in its entirety as a third-party source to verify tenant employment and income information during mandatory reexaminations or recertifications of family composition and income in accordance with 24 CFR 5.236 and administrative guidance issued by HUD. The EIV system contains data showing earned income, unemployment benefits, social security benefits, and SSI benefits for participant families. The following policies apply to the use of HUD’s EIV system.

**EIV Income and IVT Reports**

The data shown on income and income validation tool (IVT) reports is updated quarterly. Data may be between 3 and 6 months old at the time reports are generated.

**DCHA Policy**

The DCHA will obtain income and IVT reports for applicants and participants upon biennial/triennial reexaminations and on a regular basis.

Income and IVT reports will be compared to family-provided information as part of the biennial/triennial reexamination process. Income reports may be used in the calculation of annual income, as described in Chapter 6-I.C. Income reports may also be used to meet the regulatory requirement for third party verification, as described above. Policies for resolving discrepancies between income reports and family-provided information will be resolved as described in Chapter 6-I.C. and in this chapter.

Income and IVT reports will be used in interim reexaminations to identify any discrepancies between reported income and income shown in the EIV system, and as necessary to verify earned income, and to verify and calculate unemployment benefits, Social Security and/or SSI benefits. EIV will also be used to verify that families claiming zero income are not receiving income from any of these sources.

Income and IVT reports will be retained in participant files with the applicable annual or interim reexamination documents.

When the DCHA determines through EIV reports and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.
**EIV Identity Verification**

The EIV system verifies tenant identities against SSA records. These records are compared to PIC data for a match on social security number, name, and date of birth.

PHAs are required to use EIV’s *Identity Verification Report* on a monthly basis to improve the availability of income information in EIV [Notice PIH 2018-18].

When identity verification for a participant fails, a message will be displayed within the EIV system and no income information will be displayed.

**DCHA Policy**

The DCHA will identify participants whose identity verification has failed by reviewing EIV’s *Identity Verification Report* on a monthly basis.

The DCHA will attempt to resolve PIC/SSA discrepancies by obtaining appropriate documentation from the participant. When the DCHA determines that discrepancies exist due to DCHA errors such as spelling errors or incorrect birth dates, the errors will be corrected promptly.

**Upfront Income Verification Using Non-HUD Systems (Optional)**

In addition to mandatory use of the EIV system, HUD encourages PHAs to utilize other upfront verification sources.

**DCHA Policy**

The DCHA will inform all applicants and participants, electronically, of its use of the following UIV resources during the admission and reexamination process:

- HUD’s EIV system
- Work Number,
- Other resources as available
7-I.D. THIRD-PARTY WRITTEN AND ORAL VERIFICATION

HUD’s current verification hierarchy defines two types of written third-party verification. The more preferable form, “written third-party verification,” consists of an original document generated by a third-party source, which may be received directly from a third-party source or provided to the DCHA by the family. If written third-party verification is not available, the DCHA must attempt to obtain a “written third-party verification form.” This is a standardized form used to collect information from a third party.

Written Third-Party Verification [Notice PIH 2018-18]

Written third-party verification documents must be original and authentic and may be supplied by the family or received from a third-party source.

Examples of acceptable tenant-provided documents include, but are not limited to: pay stubs, payroll summary reports, employer notice or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

The DCHA is required to obtain, at minimum, two current and consecutive pay stubs for determining annual income from wages.

The DCHA may reject documentation provided by the family if the document is not an original, if the document appears to be forged, or if the document is altered, mutilated, or illegible.

DCHA Policy

Third-party documents provided by the family must be dated within 60 days of the DCHA request date.

If the DCHA determines that third-party documents provided by the family are not acceptable, the DCHA will explain the reason to the family and request additional documentation.

As verification of earned income, the DCHA will require the family to provide up to six of the most current, consecutive pay stubs. At the DCHA’s discretion, if additional paystubs are needed due to the family’s circumstances (e.g., sporadic income, fluctuating schedule, etc.), the DCHA may request additional paystubs or a payroll record.
Written Third-Party Verification Form

When upfront verification is not available and the family is unable to provide written third-party documents, the DCHA must request a written third-party verification form. HUD’s position is that this traditional third-party verification method presents administrative burdens and risks which may be reduced through the use of family-provided third-party documents.

PHAs may mail, fax, or email third-party written verification form requests to third-party sources.

DCHA Policy

The DCHA will send third-party verification forms directly to the third party.

Third-party verification forms will be sent when third-party verification documents are unavailable or are rejected by the DCHA.

Oral Third-Party Verification [Notice PIH 2018-18]

For third-party oral verification, PHAs contact sources, identified by UIV techniques or by the family, by telephone or in person.

Oral third-party verification is mandatory if neither form of written third-party verification is available.

Third-party oral verification may be used when requests for written third-party verification forms have not been returned within a reasonable time—e.g., 10 business days.

PHAs should document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, as well as the information confirmed.

DCHA Policy

In collecting third-party oral verification, DCHA staff will record in the family’s file the name and title of the person contacted, the date and time of the conversation (or attempt), the telephone number used, and the facts provided.

When any source responds verbally to the initial written request for verification the DCHA will accept the verbal response as oral verification but will also request that the source complete and return any verification forms that were provided.
When Third-Party Verification is Not Required [Notice PIH 2018-18]

Third-party verification may not be available in all situations. HUD has acknowledged that it may not be cost-effective or reasonable to obtain third-party verification of income, assets, or expenses when these items would have a minimal impact on the family’s total tenant payment.

DCHA Policy

If the family cannot provide original documents, the DCHA will pay the service charge required to obtain third-party verification, unless it is not cost effective in which case a self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.

The cost of postage and envelopes to obtain third-party verification of income, assets, and expenses is not an unreasonable cost [VG, p. 18].

Primary Documents

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

Imputed Assets

HUD permits PHAs to accept a self-certification from a family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28].

DCHA Policy

The DCHA will accept a self-certification from a family as verification of assets disposed of for less than fair market value.

Value of Assets and Asset Income [24 CFR 982.516(a)]

For families with net assets totaling $5,000 or less, the DCHA may accept the family’s declaration of asset value and anticipated asset income. However, the DCHA is required to obtain third-party verification of all assets regardless of the amount during the intake process and at least every three years thereafter.

DCHA Policy

Under the authority granted to the DCHA under its Moving to Work (MTW) status, the DCHA will require families to declare assets only if the total value of all assets is $15,000 or more. If the total value of all assets is less than $15,000, the DCHA will accept the family’s certification of the value of assets. The DCHA will not include income from assets in its income calculation unless the total value of all assets is $15,000 or more.

All family members 18 years of age and older must sign the family’s declaration.

The DCHA will use third-party documentation for assets if the total value of all assets is $15,000 or more, or if the DCHA receives information indicating the family’s certification of total asset value being less than $15,000 is incorrect.
7-I.E. SELF-CERTIFICATION

When HUD requires third-party verification, self-certification or “tenant declaration,” is used as a last resort when the DCHA is unable to obtain third-party verification.

Self-certification, however, is an acceptable form of verification when:

- A source of income is fully excluded
- Net family assets total $5,000 or less and the DCHA has adopted a policy to accept self-certification at annual recertification, when applicable
- The DCHA has adopted a policy to implement streamlined annual recertifications for fixed sources of income (See Chapter 11)

When the DCHA was required to obtain third-party verification but instead relies on a tenant declaration for verification of income, assets, or expenses, the family’s file must be documented to explain why third-party verification was not available.

**DCHA Policy**

When information cannot be verified by a third party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to the DCHA.

The DCHA may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to the DCHA and must be signed by the family member whose information or status is being verified.
PART II: VERIFYING FAMILY INFORMATION

7-II.A. VERIFICATION OF LEGAL IDENTITY

DCHA Policy

The DCHA will require families to furnish verification of legal identity for each household member.

<table>
<thead>
<tr>
<th>Verification of Legal Identity for Adults</th>
<th>Verification of Legal Identity for Children</th>
</tr>
</thead>
<tbody>
<tr>
<td>Certificate of birth, naturalization papers</td>
<td>Certificate of birth</td>
</tr>
<tr>
<td>Church issued baptismal certificate</td>
<td>Adoption papers</td>
</tr>
<tr>
<td>Current, valid driver's license or Department of Motor Vehicles identification card</td>
<td>Custody agreement</td>
</tr>
<tr>
<td>U.S. military discharge (DD 214)</td>
<td>Health and Human Services ID</td>
</tr>
<tr>
<td>Current U.S. passport</td>
<td>Certified school records</td>
</tr>
<tr>
<td>Current government employer identification card with picture</td>
<td></td>
</tr>
</tbody>
</table>

If a document submitted by a family is illegible for any reason or otherwise questionable, more than one of these documents may be required.

If none of these documents can be provided and at the DCHA’s discretion, a third party who knows the person may attest to the person’s identity. The certification must be provided in a format acceptable to the DCHA and must be signed by the family member whose information or status is being verified.

Legal identity will be verified for all applicants at the time of eligibility determination and in cases where the DCHA has reason to doubt the identity of a person representing themselves to be a participant.

The family must provide documentation of a valid social security number (SSN) for each member of the household, with the exception of individuals who do not contend eligible immigration status. Exemptions also include existing program participants who were at least 62 years of age as of January 31, 2010, and had not previously disclosed an SSN.

Note that an individual who previously declared to have eligible immigration status may not change their declaration for the purpose of avoiding compliance with the SSN disclosure and documentation requirements or penalties associated with noncompliance with these requirements. Nor may the head of household opt to remove a household member from the family composition for this purpose.

The DCHA must accept the following documentation as acceptable evidence of the social security number:

- An original SSN card issued by the Social Security Administration (SSA)
- An original SSA-issued document, which contains the name and SSN of the individual
- An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

The DCHA may only reject documentation of an SSN provided by an applicant or participant if the document is not an original document or if the original document has been altered, mutilated, is illegible, or appears to be forged.

**DCHA Policy**

The DCHA will explain to the applicant or participant the reasons the document is not acceptable and request that the individual obtain and submit acceptable documentation of the SSN to the DCHA within 30 days.

In the case of Moderate Rehabilitation Single Room Occupancy (SRO) individuals, the required documentation must be provided within 90 calendar days from the date of admission into the program. The DCHA must grant one additional 90-day extension if it determines that the applicant’s failure to comply was due to circumstances that were beyond the applicant’s control and could not have been reasonably foreseen.

**DCHA Policy**

The DCHA will grant one additional 90-day extension if needed for reasons beyond the participant’s control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency. If the individual fails to comply with SSN disclosure and documentation requirements upon expiration of the provided time period, the DCHA will terminate the individual’s assistance.
If an applicant family includes a child under 6 years of age who joined the household within the 6 months prior to the date of voucher issuance, an otherwise eligible family may be admitted to the program and the family must provide documentation of the child’s SSN within 90 days of the effective date of the initial HAP contract. A 90-day extension will be granted if the DCHA determines that the participant’s failure to comply was due to unforeseen circumstances and was outside of the participant’s control.

**DCHA Policy**

The DCHA will grant one additional 90-day extension if needed for reasons beyond the applicant’s control, such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

When a participant requests to add a new household member who is at least 6 years of age, or who is under the age of 6 and has an SSN, the participant must provide the complete and accurate SSN assigned to each new member at the time of reexamination or recertification, in addition to the documentation required to verify it. The DCHA may not add the new household member until such documentation is provided.

When a participant requests to add a new household member who is under the age of 6 and has not been assigned an SSN, the participant must provide the SSN assigned to each new child and the required documentation within 90 calendar days of the child being added to the household. A 90-day extension will be granted if the DCHA determines that the participant’s failure to comply was due to unforeseen circumstances and was outside of the participant’s control. During the period the DCHA is awaiting documentation of the SSN, the child will be counted as part of the assisted household.

**DCHA Policy**

The DCHA will grant one additional 90-day extension if needed for reasons beyond the participant’s control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

Social security numbers must be verified only once during continuously-assisted occupancy.

**DCHA Policy**

The DCHA will verify each disclosed SSN by:

- Obtaining documentation from applicants and participants that is acceptable as evidence of social security numbers
- Making a copy of the documentation submitted, returning it to the individual, and retaining a copy in the file folder
Once the individual’s verification status is classified as “verified,” the DCHA may, at its discretion, remove and destroy copies of documentation accepted as evidence of social security numbers. The retention of the EIV Summary Report or Income Report is adequate documentation of an individual’s SSN.

DCHA Policy

Once an individual’s status is classified as “verified” in HUD’s EIV system, the DCHA will not remove and destroy copies of documentation accepted as evidence of social security numbers.

7-II.C. DOCUMENTATION OF AGE

A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members an original document that provides evidence of the receipt of social security retirement benefits is acceptable.

DCHA Policy

If an official record of birth or evidence of social security retirement benefits cannot be provided, the DCHA will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if birth year is recorded) and to provide a self-certification.

Age must be verified only once during continuously assisted occupancy.

7-II.D. FAMILY RELATIONSHIPS

Applicants and program participants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in the Eligibility chapter.

DCHA Policy

Family relationships are verified only to the extent necessary to determine a family’s eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships.

Marriage

DCHA Policy

Certification by the head of household is normally sufficient verification. If the DCHA has reasonable doubts about a marital relationship, the DCHA will require the family to document the marriage.

A marriage certificate generally is required to verify that a couple is married.

In the case of a common law marriage, the couple must demonstrate that they hold themselves to be married (e.g., by telling the community they are married, calling each other husband and wife, using the same last name, filing joint income tax returns).
Separation or Divorce

DCHA Policy

Certification by the head of household is normally sufficient verification. If the DCHA has reasonable doubts about a separation or divorce, the DCHA will require the family to provide documentation of the divorce or separation.

A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

Absence of Adult Member

DCHA Policy

If an adult member who was formerly a member of the household is reported to be permanently absent, the family must provide evidence to support that the person is no longer a member of the family (e.g., documentation of another address at which the person resides such as a lease or utility bill), if the DCHA so requests.

Foster Children and Foster Adults

DCHA Policy

Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.
7-II.E. VERIFICATION OF STUDENT STATUS

General Requirements

DCHA Policy

The DCHA requires families to provide information about the student status of all students who are 18 years of age or older. This information will be verified only if:

- The family reports full-time student status for an adult other than the head, spouse, or cohead.
- The family reports child care expenses to enable a family member to further their education.
- The family includes a student enrolled in an *institution of higher education*.

Restrictions on Assistance to Students Enrolled in Institutions of Higher Education

This section applies only to students who are seeking assistance on their own, separately from their parents. It does not apply to students residing with parents who are seeking or receiving HCV assistance.

DCHA Policy

In accordance with the verification hierarchy described in section 7-I.B, the DCHA will determine whether the student is exempt from the restrictions in 24 CFR 5.612 by verifying any one of the following exemption criteria:

- The student is enrolled at an educational institution that does not meet the definition of *institution of higher education* in the Higher Education Act of 1965 (see section Exhibit 3-2).
- The student is at least 24 years old.
- The student is a veteran, as defined in section 3-II.E.
- The student is married.
- The student has at least one dependent child, as defined in section 3-II.E.
- The student is a person with disabilities, as defined in section 3-II.E, and was receiving assistance prior to November 30, 2005.

If the DCHA cannot verify at least one of these exemption criteria, the DCHA will conclude that the student is subject to the restrictions on assistance at 24 CFR 5.612. In addition to verifying the student’s income eligibility, the DCHA will then proceed to verify either the student’s parents’ income eligibility (see section 7-III.J) or the student’s independence from their parents (see below).
Independent Student

DCHA Policy

The DCHA will verify a student’s independence from their parents to determine that the student’s parents’ income is not relevant for determining the student’s eligibility by doing all of the following:

Either reviewing and verifying previous address information to determine whether the student has established a household separate from their parents for at least one year, or reviewing and verifying documentation relevant to determining whether the student meets the U.S. Department of Education’s definition of independent student (see section 3-II.E)

Reviewing the student’s prior year income tax returns to verify the student is independent or verifying the student meets the U.S. Department of Education’s definition of independent student (see section 3-II.E)

Requesting and obtaining written certification directly from the student’s parents identifying the amount of support they will be providing to the student, even if the amount of support is $0, except in cases in which the DCHA determines that the student is a vulnerable youth (see section 3-II.E)
7-II.F. DOCUMENTATION OF DISABILITY

The DCHA must verify the existence of a disability in order to allow certain income disallowances and deductions from income. The DCHA is not permitted to inquire about the nature or extent of a person’s disability [24 CFR 100.202(c)]. The DCHA may not inquire about a person’s diagnosis or details of treatment for a disability or medical condition. If the DCHA receives a verification document that provides such information, the DCHA will not place this information in the tenant file. Under no circumstances will the DCHA request a participant’s medical record(s). For more information on health care privacy laws, see the Department of Health and Human Services’ website at http://www.hhs.gov/ocr/privacy/.

The above cited regulation does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

- Inquiry into an applicant’s ability to meet the requirements of ownership or tenancy
- Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability
- Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability
- Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance
- Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance

Family Members Receiving SSA Disability Benefits

Verification of the receipt of disability benefits from the Social Security Administration (SSA) is sufficient verification of disability for the purpose of qualifying for waiting list preferences (if applicable) or certain income disallowances and deductions [VG, p. 23].

DCHA Policy

For family members claiming disability who receive disability benefits from the SSA, the DCHA will attempt to obtain information about disability benefits through the HUD Enterprise Income Verification (EIV) system. If documentation from HUD’s EIV System is not available, the DCHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If the family is unable to provide the document(s), the DCHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from www.ssa.gov. Once the applicant or participant receives the benefit verification letter they will be required to provide it to the DCHA.
Family Members Not Receiving SSA Disability Benefits

Receipt of veteran’s disability benefits, worker’s compensation, or other non-SSA benefits based on the individual’s claimed disability are not sufficient verification that the individual meets HUD’s definition of disability in 24 CFR 5.403.

DCHA Policy

For family members claiming disability who do not receive disability benefits from the SSA, a knowledgeable professional must provide third-party verification that the family member meets the HUD definition of disability. See the Eligibility chapter for the HUD definition of disability. The knowledgeable professional will verify whether the family member does or does not meet the HUD definition.
7-II.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]

Overview
Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. A detailed discussion of eligibility requirements is in the Eligibility chapter. This verifications chapter discusses HUD and DCHA verification requirements related to citizenship status.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen or an ineligible noncitizen and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual it need not be collected or verified again during continuously-assisted occupancy. [24 CFR 5.508(g)(5)]

U.S. Citizens and Nationals
HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

The DCHA may request verification of the declaration by requiring presentation of a birth certificate, United States passport or other appropriate documentation.

DCHA Policy
Family members who claim U.S. citizenship or national status will not be required to provide additional documentation unless the DCHA receives information indicating that an individual’s declaration may not be accurate.

Eligible Immigrants
Documents Required
All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.

The documentation required for eligible noncitizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-1 at the end of this chapter summarizes documents family members must provide.

DCHA Verification [HCV GB, pp. 5-3 and 5-7]
For family members age 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this plan. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, the DCHA must verify immigration status with the United States Citizenship and Immigration Services (USCIS).

The DCHA will follow all USCIS protocols for verification of eligible immigration status.
7-II.H. VERIFICATION OF PREFERENCE STATUS

The DCHA must verify any preferences claimed by an applicant that determined placement on the waiting list.

**DCHA Policy**

The DCHA selects from the waiting list based on date and time of application; the DCHA has no preferences.
PART III: VERIFYING INCOME AND ASSETS

Chapter 6, Part I of this plan describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any assets and income reported by the family must be verified. This part provides DCHA policies that supplement the general verification procedures specified in Part I of this chapter.

7-III.A. EARNED INCOME

Tips

DCHA Policy

Unless tip income is included in a family member’s W-2 by the employer, persons who work in industries where tips are standard will be required to sign a certified estimate of tips received for the prior year and tips anticipated to be received in the coming year.

Wages

DCHA Policy

As verification of earned income, the DCHA will require the family to provide up to six of the most current, consecutive pay stubs. At the DCHA’s discretion, if additional paystubs are needed due to the family’s circumstances (e.g., sporadic income, fluctuating schedule, etc.), the DCHA may request additional paystubs or a payroll record.

7-III.B. BUSINESS AND SELF EMPLOYMENT INCOME

DCHA Policy

Business owners and self-employed persons will be required to provide:

- If conducted, the audited financial statement for the previous fiscal year. If an audit was not conducted, a profit and loss statement must be submitted and the business owner or self-employed person must certify to its accuracy.
- The DCHA reserves the right to request all schedules completed for filing federal and local taxes in the preceding year.
- If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of straight-line depreciation.

The DCHA will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and to certify to its accuracy at all future reexaminations. At any reexamination the DCHA may request documents that support submitted financial statements such as manifests, appointment books, cash books, or bank statements.

If a family member has been self-employed less than three (3) months, the DCHA will accept the family member's certified estimate of income and schedule an interim reexamination in three (3) months. If the family member has been self-employed for three (3) to twelve (12) months the DCHA will require the family to provide documentation of income and expenses for this period and use that information to project income.
7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS

For policies governing streamlined income determinations for fixed sources of income, please see Chapter 11.

Social Security/SSI Benefits [Notice PIH 2018-24]

Verification requirements for Social Security (SS) and Supplemental Security Income (SSI) benefits differ for applicants and participants.

For applicants, since EIV does not contain SS or SSI benefit information, the DCHA must ask applicants to provide a copy of their current SS and/or SSI benefit letter (dated within the last 60 calendar days) for each family member that receives SS and/or SSI benefits. If the family is unable to provide the document or documents, the DCHA should help the applicant request a benefit verification letter from SSA’s website at www.ssa.gov or ask the family to request one by calling SSA at 1-800-772-1213. The DCHA must obtain the original benefit letter from the applicant, make a photocopy of the document for the file, and return the original to the family.

For participants, the DCHA must obtain information through the HUD EIV system and confirm with the participants that the current listed benefit amount is correct.

If the participant agrees with the amount reported in EIV, the DCHA must use the EIV-reported gross benefit amount to calculate annual income from Social Security. PHAs are required to use the EIV-reported SS and SSI benefit amounts when calculating income unless the tenant disputes the EIV-reported amount. For example, an SSA benefit letter may list the monthly benefit amount as $450.80 and EIV displays the amount as $450.00. The DCHA must use the EIV-reported amount unless the participant disputes the amount.

If the participant disputes the EIV-reported benefit amount, or if benefit information is not available in EIV, the DCHA must request a current SSA benefit verification letter (dated within the last 60 calendar days) from each family member that receives SS and/or SSI benefits. If the family is unable to provide the document or documents, the DCHA should help the participant request a benefit verification letter from SSA’s website at www.ssa.gov or ask the family to request one by calling SSA at 1-800-772-1213. The DCHA must obtain the original benefit letter from the participant, make a photocopy of the document for the file, and return the original to the family.

Photocopies of social security checks or bank statements are not acceptable forms of verification for SS/SSI benefits.
7-III.D. ALIMONY OR CHILD SUPPORT

DCHA Policy

The methods the DCHA will use to verify alimony and child support payments differ depending on whether the family declares that it receives regular payments.

If the family declares that it receives regular payments, verification will be obtained in the following order of priority:

- Copies of the receipts and/or payment stubs for the one year prior to DCHA request
- Third-party verification form from the state or local child support enforcement agency
- Third-party verification form from the person paying the support
- Family's self-certification of amount received

If the family declares that it receives irregular or no payments, in addition to the verification process listed above, the family must provide a self-certification that it has taken all reasonable efforts to collect amounts due.

Note: Families are not required to undertake independent enforcement action.
7-III.E. ASSETS AND INCOME FROM ASSETS

Assets Disposed of for Less than Fair Market Value

The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. The DCHA needs to verify only those certifications that warrant documentation [HCV GB, p. 5-28].

DCHA Policy

The DCHA will verify the value of assets disposed of only if:

1. The DCHA does not already have a reasonable estimation of its value from previously collected information, or
2. The amount reported by the family in the certification appears obviously in error.

Example 1: An elderly participant reported a $10,000 certificate of deposit at the last annual reexamination and the DCHA verified this amount. Now the person reports that she has given this $10,000 to her son. The DCHA has a reasonable estimate of the value of the asset; therefore, reverification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately $5,000. Based upon market conditions, this declaration does not seem realistic. Therefore, the DCHA will verify the value of this asset.

7-III.F. NET INCOME FROM RENTAL PROPERTY

DCHA Policy

The family must provide:

1. A current executed lease for the property that shows the rental amount or certification from the current tenant
2. A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year, and the most recent IRS Form 1040 with Schedule E (Rental Income).

The PHA may request additional documentation to verify net rental income.
7-III.G. RETIREMENT ACCOUNTS

DCHA Policy

The DCHA will accept written third-party documents supplied by the family as evidence of the status of retirement accounts.

The type of original document that will be accepted depends upon the family member’s retirement status.

Before retirement, the DCHA will accept an original document from the entity holding the account with a date that shows it is the most recently scheduled statement for the account but in no case earlier than 6 months from the effective date of the examination.

Upon retirement, the DCHA will accept an original document from the entity holding the account that reflects any distributions of the account balance, any lump sums taken and any regular payments.

After retirement, the DCHA will accept an original document from the entity holding the account dated no earlier than 12 months before that reflects any distributions of the account balance, any lump sums taken and any regular payments.
7-III.H. INCOME FROM EXCLUDED SOURCES

A detailed discussion of excluded income is provided in Chapter 6, Part I.

HUD guidance on verification of excluded income draws a distinction between income which is fully excluded and income which is only partially excluded.

For fully excluded income, the DCHA is not required to follow the verification hierarchy, document why third-party verification is not available, or report the income on the 50058. Fully excluded income is defined as income that is entirely excluded from the annual income determination (for example, food stamps, earned income of a minor, or foster care funds) [Notice PIH 2013-04].

PHAs may accept a family’s signed application or reexamination form as self-certification of fully excluded income. They do not have to require additional documentation. However, if there is any doubt that a source of income qualifies for full exclusion, PHAs have the option of requiring additional verification.

For partially excluded income, the DCHA is required to follow the verification hierarchy and all applicable regulations, and to report the income on the 50058. Partially excluded income is defined as income where only a certain portion of what is reported by the family qualifies to be excluded and the remainder is included in annual income (for example, the income of an adult full-time student, or income excluded under the earned income disallowance).

**DCHA Policy**

The DCHA will accept the family’s self-certification as verification of fully excluded income. The DCHA may request additional documentation if necessary to document the income source.

The DCHA will verify the source and amount of partially excluded income as described in Part 1 of this chapter.

7-III.I. ZERO ANNUAL INCOME STATUS

**DCHA Policy**

The DCHA will check UIV sources and/or request information from third-party sources to verify that certain forms of income such as unemployment benefits, TANF, SS, SSI, and earnings are not being received by families claiming to have zero annual income.
7-III.J. STUDENT FINANCIAL ASSISTANCE [Notice PIH 2015-21]

Any financial assistance, in excess of amounts received for tuition, fees, and other required charges that a person attending an institution of higher education receives under the Higher Education Act of 1965, from private sources, or from an institution of higher education must be considered income unless the student is over the age of 23 with dependent children or is residing with parents who are seeking or receiving HCV assistance [24 CFR 5.609(b)(9) and FR 4/10/06].

For students over the age of 23 with dependent children or students residing with parents who are seeking or receiving HCV assistance, the full amount of student financial assistance is excluded from annual income [24 CFR 5.609(c)(6)]. The full amount of student financial assistance is also excluded for students attending schools that do not qualify as institutions of higher education (as defined in Exhibit 3-2). Excluded amounts are verified only if, without verification, the DCHA would not be able to determine whether or to what extent the income is to be excluded (see section 7-III.H).

DCHA Policy

For a student subject to having a portion of their student financial assistance included in annual income in accordance with 24 CFR 5.609(b)(9), the DCHA will request written third-party verification of both the source and the amount. Family-provided documents from the educational institution attended by the student will be requested, as well as documents generated by any other person or entity providing such assistance, as reported by the student.

In addition, the DCHA will request written verification of the student’s tuition, fees, and other required charges.

If the DCHA is unable to obtain third-party written verification of the requested information, the DCHA will pursue other forms of verification following the verification hierarchy in section 7-I.B.
7-III.K. PARENTAL INCOME OF STUDENTS SUBJECT TO ELIGIBILITY RESTRICTIONS

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the income of the student’s parents must be considered when determining income eligibility, unless the student is determined independent from their parents or a vulnerable youth in accordance with DCHA policy [24 CFR 5.612, FR Notice 4/10/06, p. 18146, and FR Notice 9/21/16].

This provision does not apply to students residing with parents who are seeking or receiving HCV assistance. It is limited to students who are seeking or receiving assistance on their own, separately from their parents.

DCHA Policy

If the DCHA is required to determine the income eligibility of a student’s parents, the DCHA will request an income declaration and certification of income from the appropriate parent(s) (as determined in section 3-II.E). The DCHA will send the request directly to the parents, who will be required to certify to their income under penalty of perjury. The parents will be required to submit the information directly to the DCHA. The required information must be submitted (postmarked) within 10 business days of the date of the DCHA’s request or within any extended timeframe approved by the DVHA.

The DCHA reserves the right to request and review supporting documentation at any time if it questions the declaration or certification. Supporting documentation may include, but is not limited to, Internal Revenue Service (IRS) tax returns, consecutive and original pay stubs, bank statements, pension benefit statements, benefit award letters, and other official and authentic documents from a federal, state, or local agency.
PART IV: VERIFYING MANDATORY DEDUCTIONS

7-IV.A. DEPENDENT AND ELDERLY/DISABLED HOUSEHOLD DEDUCTIONS

The dependent and elderly/disabled family deductions require only that the DCHA verify that the family members identified as dependents or elderly/disabled persons meet the statutory definitions. No further verifications are required.

**Dependent Deduction**

See Chapter 6 (6-II.B.) for a full discussion of this deduction. The DCHA must verify that:

- Any person under the age of 18 for whom the dependent deduction is claimed is not the head, spouse, or cohead of the family and is not a foster child
- Any person age 18 or older for whom the dependent deduction is claimed is not a foster adult or live-in aide, and is a person with a disability or a full time student

**Elderly/Disabled Family Deduction**

See Eligibility chapter for a definition of elderly and disabled families and Chapter 6 (6-II.C.) for a discussion of the deduction. The DCHA must verify that the head, spouse, or cohead is 62 years of age or older or a person with disabilities.

7-IV.B. MEDICAL EXPENSE DEDUCTION

Policies related to medical expenses are found in 6-II.D. The amount of the deduction will be verified following the standard verification procedures described in Part I.

**Amount of Expense**

**DCHA Policy**

Medical expenses will be verified through:

- Written third-party documents provided by the family, such as pharmacy printouts or receipts.
- The DCHA will make a best effort to determine what expenses from the past are likely to continue to occur in the future. The DCHA will also accept evidence of monthly payments or total payments that will be due for medical expenses during the upcoming 12 months.
- Written third-party verification forms, if the family is unable to provide acceptable documentation.

If third-party or document review is not possible, written family certification as to costs anticipated to be incurred during the upcoming 12 months.

In addition, the DCHA must verify that:

- The household is eligible for the deduction.
- The costs to be deducted are qualified medical expenses.
- The expenses are not paid for or reimbursed by any other source.
- Costs incurred in past years are counted only once.
Eligible Household

The medical expense deduction is permitted only for households in which the head, spouse, or cohead is at least 62, or a person with disabilities. The DCHA must verify that the family meets the definition of an elderly or disabled family provided in the Eligibility chapter and as described in Chapter 7 (7-IV.A.) of this plan.

Qualified Expenses

To be eligible for the medical expenses deduction, the costs must qualify as medical expenses. See Chapter 6 (6-II.D.) for the DCHA’s policy on what counts as a medical expense.

Unreimbursed Expenses

To be eligible for the medical expenses deduction, the costs must not be reimbursed by another source.

DCHA Policy

The family will be required to certify that the medical expenses are not paid or reimbursed to the family from any source. If expenses are verified through a third party, the third party must certify that the expenses are not paid or reimbursed from any other source.

Expenses Incurred in Past Years

DCHA Policy

When anticipated costs are related to on-going payment of medical bills incurred in past years, the DCHA will verify:

- The anticipated repayment schedule
- The amounts paid in the past, and
- Whether the amounts to be repaid have been deducted from the family’s annual income in past years
7-IV.C. DISABILITY ASSISTANCE EXPENSES

Policies related to disability assistance expenses are found in 6-II.E. The amount of the deduction will be verified following the standard verification procedures described in Part I.

Amount of Expense

Attendant Care

DCHA Policy

Expenses for attendant care will be verified through:

- Written third-party documents provided by the family, such as receipts or cancelled checks.
- Third-party verification form signed by the provider, if family-provided documents are not available.
- If third-party verification is not possible, written family certification as to costs anticipated to be incurred for the upcoming 12 months.

Auxiliary Apparatus

DCHA Policy

Expenses for auxiliary apparatus will be verified through:

- Written third-party documents provided by the family, such as billing statements for purchase of auxiliary apparatus, or other evidence of monthly payments or total payments that will be due for the apparatus during the upcoming 12 months.
- Third-party verification form signed by the provider, if family-provided documents are not available.
- If third-party verification is not possible, written family certification of estimated apparatus costs for the upcoming 12 months.

In addition, the DCHA must verify that:

- The family member for whom the expense is incurred is a person with disabilities (as described in 7-II.F above).
- The expense permits a family member, or members, to work (as described in 6-II.E.).
- The expense is not reimbursed from another source (as described in 6-II.E.).
Family Member is a Person with Disabilities

To be eligible for the disability assistance expense deduction, the costs must be incurred for attendant care or auxiliary apparatus expense associated with a person with disabilities. The DCHA will verify that the expense is incurred for a person with disabilities (See 7-II.F.).

Family Member(s) Permitted to Work

The DCHA must verify that the expenses claimed actually enable a family member, or members, (including the person with disabilities) to work.

DCHA Policy

The DCHA will request third-party verification from a rehabilitation agency or knowledgeable medical professional indicating that the person with disabilities requires attendant care or an auxiliary apparatus to be employed, or that the attendant care or auxiliary apparatus enables another family member, or members, to work (See 6-II.E.). This documentation may be provided by the family.

If third-party verification has been attempted and is either unavailable or proves unsuccessful, the family must certify that the disability assistance expense frees a family member, or members (possibly including the family member receiving the assistance), to work.

Unreimbursed Expenses

To be eligible for the disability expenses deduction, the costs must not be reimbursed by another source.

DCHA Policy

The family will be required to certify that attendant care or auxiliary apparatus expenses are not paid by or reimbursed to the family from any source.
7-IV.D. CHILD CARE EXPENSES

Policies related to child care expenses are found in Chapter 6 (6-II.F). The amount of the deduction will be verified following the standard verification procedures described in Part I of this chapter. In addition, the DCHA must verify that:

- The child is eligible for care (12 or younger).
- The costs claimed are not reimbursed.
- The costs enable a family member to work, actively seek work, or further their education.
- The costs are for an allowable type of child care.
- The costs are reasonable.

Eligible Child

To be eligible for the child care deduction, the costs must be incurred for the care of a child under the age of 13. The DCHA will verify that the child being cared for (including foster children) is under the age of 13 (See 7-II.C.).

Unreimbursed Expense

To be eligible for the child care deduction, the costs must not be reimbursed by another source.

DCHA Policy

The family (and the care provider) will be required to certify that the child care expenses are not paid or reimbursed to the family from any source.
Pursuing an Eligible Activity

The DCHA must verify that the family member(s) that the family has identified as being enabled to seek work, pursue education, or be gainfully employed, are actually pursuing those activities.

DCHA Policy

Information to be Gathered

The DCHA will verify information about how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the time required for study (for students), the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work

Whenever possible the DCHA will use documentation from a state or local agency that monitors work-related requirements (e.g., welfare or unemployment). In such cases the DCHA will request family-provided verification from the agency of the member’s job seeking efforts to date, and require the family to submit to the DCHA any reports provided to the other agency.

In the event third-party verification is not available, the DCHA will provide the family with a form on which the family member must record job search efforts. The DCHA will review this information at each subsequent reexamination for which this deduction is claimed.

Furthering Education

The DCHA will request third-party documentation to verify that the person permitted to further their education by the child care is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family.

Gainful Employment

The DCHA will seek third-party verification of the work schedule of the person who is permitted to work by the child care. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family.
Allowable Type of Child Care

The type of care to be provided is determined by the family, but must fall within certain guidelines, as discussed in Chapter 6.

**DCHA Policy**

The DCHA will verify that the type of child care selected by the family is allowable, as described in Chapter 6 (6-II.F).

The DCHA will verify that the fees paid to the child care provider cover only child care costs (e.g., no housekeeping services or personal services) and are paid only for the care of an eligible child (e.g., prorate costs if some of the care is provided for ineligible family members).

The DCHA will verify that the child care provider is not an assisted family member. Verification will be made through the head of household’s declaration of family members who are expected to reside in the unit.

Reasonableness of Expenses

Only reasonable child care costs can be deducted.

**DCHA Policy**

The actual costs the family incurs will be compared with the DCHA’s established standards of reasonableness for the type of care in the locality to ensure that the costs are reasonable.

If the family presents a justification for costs that exceed typical costs in the area, the PHA will request additional documentation, as required, to support a determination that the higher cost is appropriate.
**EXHIBIT 7-1: SUMMARY OF DOCUMENTATION REQUIREMENTS FOR NONCITIZENS [HCV GB, pp. 5-9 and 5-10]**

- **All** noncitizens claiming eligible status must sign a declaration of eligible immigrant status on a form acceptable to the DCHA.
- Except for persons 62 or older, all noncitizens must sign a verification consent form.
- Additional documents are required based upon the person's status.

**Elderly Noncitizens**
- A person 62 years of age or older who claims eligible immigration status also must provide proof of age such as birth certificate, passport, or documents showing receipt of SS old-age benefits.

**All other Noncitizens**
- Noncitizens that claim eligible immigration status also must present the applicable USCIS document. Acceptable USCIS documents are listed below.

<table>

Chapter 8

HOUSING QUALITY STANDARDS AND RENT REASONABLENESS DETERMINATIONS
[24 CFR 982 Subpart I and 24 CFR 982.507]

INTRODUCTION

HUD requires that all units occupied by families receiving Housing Choice Voucher (HCV) assistance meet HUD's Housing Quality Standards (HQS) and permits the DCHA to establish additional requirements. The use of the term "HQS" in this plan refers to the combination of both HUD and DCHA-established requirements.

All units must pass an HQS inspection prior to the approval of a lease and at least once every 24 months during the term of the contract, and at other times as needed, to determine that the unit meets HQS. HUD also requires PHAs to determine that rents for units under the program are reasonable when compared to comparable unassisted units in the market area.

This chapter explains HUD and DCHA requirements related to housing quality and rent reasonableness as follows:

Part I. Physical Standards. This part discusses the physical standards required of units occupied by HCV-assisted families and identifies decisions about the acceptability of the unit that may be made by the family based upon the family's preference. It also identifies life-threatening conditions that must be addressed on an expedited basis.

Part II. The Inspection Process. This part describes the types of inspections the DCHA will make and the steps that will be taken when units do not meet HQS.

Part III. Rent Reasonableness Determinations. This part discusses the policies the DCHA will use to make rent reasonableness determinations.

Special HQS requirements for homeownership, manufactured homes, and other special housing types are discussed in Chapter 15 to the extent that they apply in this jurisdiction.
PART I: PHYSICAL STANDARDS

8-I.A. GENERAL HUD REQUIREMENTS

HUD Performance and Acceptability Standards

HUD's performance and acceptability standards for HCV-assisted housing are provided in 24 CFR 982.401. These standards cover the following areas:

- Sanitary facilities
- Food preparation and refuse disposal
- Space and Security
- Thermal Environment
- Illumination and electricity
- Structure and materials
- Interior Air Quality
- Water Supply
- Lead-based paint
- Access
- Site and neighborhood
- Sanitary condition
- Smoke Detectors

A summary of HUD performance criteria is provided in Exhibit 8-1. Additional guidance on these requirements is found in the following HUD resources:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Tenant Preference Items

HUD requires the DCHA to enforce minimum HQS but also recognizes that certain judgments about the acceptability of the unit are left to the family. For example, the DCHA must ensure that the unit contains the required sanitary facilities, but the family decides whether the cosmetic appearance of the facilities is acceptable. Exhibit 8-2 summarizes those items that are considered tenant preferences.
Modifications to Provide Accessibility

Under the Fair Housing Act of 1988 an owner must not refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit. Such modifications are at the family's expense. The owner may require restoration of the unit to its original condition if the modification would interfere with the owner or next occupant's full enjoyment of the premises. The owner may not increase a customarily required security deposit. However, the landlord may negotiate a restoration agreement that requires the family to restore the unit and, if necessary to ensure the likelihood of restoration, may require the tenant to pay a reasonable amount into an interest bearing escrow account over a reasonable period of time. The interest in any such account accrues to the benefit of the tenant. The owner may also require reasonable assurances that the quality of the work will be acceptable and that any required building permits will be obtained. [24 CFR 100.203; Notice 2003-31].

Modifications to units to provide access for a person with a disability must meet all applicable HQS requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [28 CFR 35.151(c) and Notice 2003-31] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.

DCHA Policy

Any owner that intends to negotiate a restoration agreement or require an escrow account must submit the agreement(s) to the DCHA for review.
8-I.B. ADDITIONAL LOCAL REQUIREMENTS

The DCHA may impose variations to the HQS as long as the additional criteria are not likely to adversely affect the health or safety of participant families or severely restrict housing choices for families. HUD approval is required for variations to the HQS. HUD approval is not required if the variations are clarifications of HUD's acceptability criteria or performance standards [24 CFR 982.401(a)(4)].

**Thermal Environment [HCV GB p.10-7]**

The DCHA must define a “healthy living environment” for the local climate. This may be done by establishing a temperature that the heating system must be capable of maintaining, that is appropriate for the local climate.

**DCHA Policy**

The heating system must be capable of maintaining an interior temperature of 68 degrees Fahrenheit between October 15 and May 15.
Clarifications of HUD Requirements

DCHA Policy

As permitted by HUD, the DCHA has adopted the following specific requirements that elaborate on HUD standards.

Walls

In areas where plaster or drywall is sagging, severely cracked, or otherwise damaged, it must be repaired or replaced.

Windows

Window sashes must be in good condition, solid and intact, and properly fitted to the window frame. Damaged or deteriorated sashes must be replaced.

Windows must be weather-stripped as needed to ensure a weather-tight seal.

Window screens must be in good condition (applies only if screens are present).

Doors

All exterior doors must be weather-tight to avoid any air or water infiltration, be lockable, have no holes, have all trim intact, and have a threshold.

All interior doors must have no holes, have all trim intact, and be openable without the use of a key.

Floors

All wood floors must be sanded to a smooth surface and sealed. Any loose or warped boards must be resecured and made level. If they cannot be leveled, they must be replaced.

All floors must be in a finished state. Raw wood or unsealed concrete is not permitted.

All floors should have some type of base shoe, trim, or sealing for a "finished look." Vinyl base shoe is permitted.

Sinks

All sinks and commode water lines must have shut off valves, unless faucets are wall mounted.

All sinks must have functioning stoppers.

Toilets

All worn or cracked toilet seats and tank lids must be replaced and toilet tank lid must fit properly.
Security

If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the quick release system.

8-I.C. LIFE-THREATENING CONDITIONS [24 CFR 982.404(a); FR Notice 1/18/17]

HUD requires the DCHA to define life-threatening conditions and to notify the owner or the family (whichever is responsible) of the corrections required. The responsible party must correct life-threatening conditions within 24 hours of DCHA notification.

DCHA Policy

The following are considered life-threatening conditions:

Any condition that jeopardizes the security of the unit

Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling

Natural or LP gas or fuel oil leaks

A fuel storage vessel, fluid line, valve, or connection that supplies fuel to a HVAC unit is leaking or a strong odor is detected with potential for explosion or fire or that results in a health risk if inhaled

Any electrical problem or condition that could result in shock or fire

A light fixture is readily accessible, is not securely mounted to the ceiling or wall, and electrical connections or wires are exposed

A light fixture is hanging by its wires

A light fixture has a missing or broken bulb, and the open socket is readily accessible to the tenant during the day-to-day use of the unit

A receptacle (outlet) or switch is missing or broken and electrical connections or wires are exposed

An open circuit breaker position is not appropriately blanked off in a panel board, main panel board, or other electrical box that contains circuit breakers or fuses

A cover is missing from any electrical device box, panel box, switch gear box, control panel, etc., and there are exposed electrical connections

Any nicks, abrasions, or fraying of the insulation that exposes conducting wire

Exposed bare wires or electrical connections

Any condition that results in openings in electrical panels or electrical control device enclosures
Water leaking or ponding near any electrical device

Any condition that poses a serious risk of electrocution or fire and poses an immediate life-threatening condition

Absence of a working heating system when outside temperature is below 50 degrees Fahrenheit.

Utilities not in service, including no running hot water

Conditions that present the imminent possibility of injury

Obstacles that prevent safe entrance or exit from the unit

Any components that affect the function of the fire escape are missing or damaged

Stored items or other barriers restrict or prevent the use of the fire escape in the event of an emergency

The building’s emergency exit is blocked or impeded, thus limiting the ability of occupants to exit in a fire or other emergency

Absence of a functioning toilet in the unit

Inoperable or missing smoke detectors

Missing or inoperable carbon monoxide detector

Missing, damaged, discharged, overcharged, or expired fire extinguisher (where required)

Gas/oil-fired water heater or heating, ventilation, or cooling system with missing, damaged, improper, or misaligned chimney venting

The chimney or venting system on a fuel-fired water heater is misaligned, negatively pitched, or damaged, which may cause improper or dangerous venting or gases

A gas dryer vent is missing, damaged, or is visually determined to be inoperable, or the dryer exhaust is not vented to the outside

A fuel-fired space heater is not properly vented or lacks available combustion air

A non-vented space heater is present

Safety devices on a fuel-fired space heater are missing or damaged

The chimney or venting system on a fuel-fired heating, ventilation, or cooling system is misaligned, negatively pitched, or damaged, which may cause improper or dangerous venting of gas
Deteriorating paint as defined at 24 CFR 35.110 in a unit built before 1978 that is to be occupied by a family with a child under six years of age if it would prevent the family from moving into the unit

If an owner fails to correct life-threatening conditions as required by the DCHA, the DCHA will enforce the HQS in accordance with HUD requirements. See 8-II-G.

If a family fails to correct a family-caused life-threatening condition as required by the DCHA, the DCHA will enforce the family obligations. See 8-II.H.

The owner will be required to repair an inoperable smoke detector unless the DCHA determines that the family has intentionally disconnected it (by removing batteries or other means). In this case, the family will be required to repair the smoke detector within 24 hours.
8-I.D. OWNER AND FAMILY RESPONSIBILITIES [24 CFR 982.404]

Family Responsibilities

The family is responsible for correcting the following HQS deficiencies:

- Tenant-paid utilities not in service
- Failure to provide or maintain appliances owned by the family
- Damage to the unit or premises caused by a household member or guest beyond normal wear and tear that results in a breach of the HQS. "Normal wear and tear" is defined as items which could not be charged against the tenant's security deposit under state law or court practice.

Owner Responsibilities

The owner is responsible for all HQS violations not listed as a family responsibility above, even if the violation is caused by the family's living habits (e.g., vermin infestation). However, if the family's actions constitute a serious or repeated lease violation the owner may take legal action to evict the family.
8-I.E. SPECIAL REQUIREMENTS FOR CHILDREN WITH ELEVATED BLOOD LEAD LEVEL [24 CFR 35.1225; FR Notice 1/13/17; Notice PIH 2017-13]

If a PHA is notified by a public health department or other medical health care provider, or verifies information from a source other than a public health department or medical health care provider, that a child of less than six years of age, living in an HCV-assisted unit has been identified as having an elevated blood lead level, the DCHA must complete an environmental investigation of the dwelling unit within 15 calendar days after being notified by a public health department or other medical health care provider. The environmental investigation must be completed in accordance with program requirements, and the result of the environmental investigation must be immediately provided to the owner of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information must be provided to the owner.

Within 30 days after receiving the environmental investigation report from the DCHA, or the evaluation from the public health department, the owner is required to complete the reduction of identified lead-based paint hazards in accordance with the lead-based paint regulations [24 CFR 35.1325 and 35.1330; 40 CFR 745.227]. If the owner does not complete the “hazard reduction” as required, the dwelling unit is in violation of HQS and the DCHA will take action in accordance with Section 8-II.G.

DCHA reporting requirements, and data collection and record keeping responsibilities related to children with an elevated blood lead level are discussed in Chapter 16.

A dwelling unit must:

- Provide adequate space and security for the family
- Have at least one bedroom or living/sleeping room for each two persons

A unit that does not meet these HQS space standards is defined as overcrowded.

A living room may be used as sleeping (bedroom) space, but no more than two persons may occupy the space [HCV GB p. 10-6]. A bedroom or living/sleeping room must have at least:

- One window
- Two electrical outlets in proper operating condition (permanent overhead or wall-mounted light fixtures may count as one of the required electrical outlets)

If the DCHA determines that a unit is overcrowded because of an increase in family size or a change in family composition, the DCHA must issue the family a new voucher, and the family and DCHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the DCHA must terminate the HAP contract in accordance with its terms.
PART II: THE INSPECTION PROCESS

8-II.A. OVERVIEW [24 CFR 982.405]

Types of Inspections

The DCHA conducts the following types of inspections as needed. Each type of inspection is discussed in the paragraphs that follow.

- **Initial Inspections.** The DCHA conducts initial inspections in response to a request from the family to approve a unit for participation in the HCV program. The unit must pass HQS inspection on or before the effective date of the HAP contract.

- **Annual/Biennial Inspections.** HUD requires the DCHA to inspect each unit under lease at least annually or biennially, depending on DCHA policy, to confirm that the unit still meets HQS. The inspection may be conducted in conjunction with the family's annual reexamination but also may be conducted separately.

- **Special Inspections.** A special inspection may be requested by the owner, the family, or a third party as a result of problems identified with a unit between annual inspections.

- **Quality Control Inspections.** HUD requires that a sample of units be inspected by a supervisor or other qualified individual to evaluate the work of the inspector(s) and to ensure that inspections are performed in compliance with the HQS.

**Inspection of DCHA-Owned Units [24 CFR 982.352(b)]**

The DCHA must obtain the services of an independent entity to perform all HQS inspections in cases where an HCV family is receiving assistance in a DCHA-owned unit. A DCHA-owned unit is defined as a unit that is owned by the DCHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the DCHA). The independent agency must communicate the results of each inspection to the family and the DCHA. The independent agency must be approved by HUD and may be the unit of general local government for the DCHA jurisdiction (unless the DCHA is itself the unit of general local government or an agency of such government).

**DCHA Policy**

Under the authority granted to the DCHA under its Moving-to-Work (MTW) status, the DCHA may conduct its own inspections of some DCHA-owned units.
Inspection Costs [Notice PIH 2016-05]

The DCHA may not charge the family for unit inspections or reinspections [24 CFR 982.405(e)]. In the case of inspections of DCHA-owned units, the DCHA may compensate the independent agency from ongoing administrative fee for inspections performed. The DCHA and the independent agency may not charge the family any fee or charge for the inspection [24 CFR.982.352(b)].

The DCHA may not charge the owner for the inspection of the unit prior to the initial term of the lease or for a first inspection during assisted occupancy of the unit. However, the CDHA may charge a reasonable fee to owners for reinspections in two situations: when the owner notifies the DCHA that a repair has been made but the deficiency has not been corrected, and when the time for repairs has elapsed and the deficiency has not been corrected. Fees may not be imposed for tenant-caused damages, for cases in which the inspector could not gain access to the unit, or for new deficiencies discovered during a reinspection.

The owner may not pass the cost of a reinspection fee to the family. Reinspection fees must be added to the DCHA’s administrative fee reserves and may only be used for activities related to the provision of tenant-based assistance.

DCHA Policy

The DCHA will charge the owner a $100 fee only if the owner requests a second reinspection of a unit under contract, and requests this third inspection at least 10 business days prior to any scheduled effective date of HAP Contract termination.

Remote Video Inspections (RVIs) [Notice PIH 2020-31]

As an alternative to some or all on-site inspections, the DCHA may, but is not required to, perform HQS inspections from a remote location using video streaming technology and a proxy at the inspection site. Since there may be some circumstances in which the application of technology provides insufficient information or evidence to allow the DCHA to make appropriate determinations about whether a condition violates HQS, Notice PIH 2020-31 requires that if a DCHA chooses to implement RVIs, the DCHA should have policies and procedures in place to address such limitations.

DCHA Policy

At the DCHA’s discretion, the DCHA may use remote video inspections (RVIs) for all inspection types as an alternative to an onsite inspection. The DCHA will not, however, conduct RVIs in pre-1978 units where a child or children under six will reside. For these units, the DCHA will conduct an onsite inspection unless the participant requests an RVI as a reasonable accommodation.

Before conducting an RVI, both the DCHA and impacted party with legal possession of the unit must agree to its use. Prior to conducting any RVI, the DCHA will agree with the relevant parties to use an RVI rather than an onsite inspection. For unoccupied units, this agreement will be between the DCHA and the owner. For occupied units, the agreement will be between the DCHA and the tenant or other adult household member. In either case, if an agreement cannot be reached, the CDHA will conduct an onsite inspection.
When selecting a proxy, the DCHA may rely on the owner, property representative, tenant, or any adult associated with tenancy. The proxy will be selected through a mutual decision between the DCHA, owner, and family.

When selecting the proxy, the DCHA will:

- Verify that, for properties built before 1978 where a child under six resides or will reside, the proxy has completed the **HUD Lead-Based Paint Visual Assessment Training Course**;

- Ensure the proxy is able to determine whether there is a smell of natural gas, methane, or other noxious gas; and

- Ensure that on the day of the inspection the proxy has a:
  - Tape measure.
  - Working flashlight.
  - Circuit analyzer to test the low-voltage operation of electrical lines.
  - Means to test smoke and carbon monoxide detectors.
  - Temperature gun.
  - Smartphone or tablet reliable internet connection either through 4G or 5G connectivity and sufficient data or reliable Wi-Fi available onsite. The device must have a high camera resolution (megapixels, sensors, and pixel size).

If the DCHA cannot identify a proxy that is able to meet the above criteria, the DCHA will conduct an in-person inspection.

The proxy must follow the directions of the inspector. The proxy will live stream the inspection using the DCHA’s designated streaming web-based platform. The RVI may not be recorded.

During the RVI, the HQS inspector will:

- Verify the address and street name outside the unit match that of the unit to be inspected.

- Inspect the unit’s exterior and adjoining properties in accordance with HQS through the proxy.

- Inspect all interior spaces in accordance with HQS through the proxy.

- For pre-1978 properties, follow all national and state lead-based paint requirements.

During the RVI, the proxy will:

- Examine all sides of a structure, including fences and outbuildings, visually examining paint conditions of all siding, trim, windows, porches, steps, columns, and any other painted areas on the unit’s exterior.

- Review each room separately and visually examine the paint conditions of walls, ceilings, steps, floors, doors, door frames, and windows, including window troughs.
Document the amount of deterioration, indicating whether the scale is greater or less than the HUD de minimis amounts for deteriorated paint (including cracked, chipped, or otherwise damaged paint).

If at any time it becomes clear that the connection is unreliable, the lighting in the unit is insufficient, the necessary tools are unavailable, the noise level in or outside the unit is unacceptable, or any other circumstances as determined by the inspector, the inspector will record the unit as failed and schedule an in-person inspection.

**Notice and Scheduling**

The family must allow the DCHA to inspect the unit at reasonable times with reasonable notice [24 CFR 982.551(d)].

**DCHA Policy**

Both the family and the owner will be given reasonable notice of all inspections. Except in the case of a life-threatening emergency, reasonable notice is considered to be not less than 48 hours. Inspections may be scheduled between 8:00 a.m. and 7:00 p.m. Generally, inspections will be conducted on business days only. In the case of a life-threatening emergency, the DCHA will give as much notice as possible, given the nature of the emergency.

**Owner and Family Inspection Attendance**

HUD permits the DCHA to set policy regarding family and owner presence at the time of inspection [HCV GB p. 10-27].

**DCHA Policy**

When a family occupies the unit at the time of inspection an authorized adult must be present for the inspection. The presence of the owner or the owner's representative is encouraged but is not required.

At initial inspection of a vacant unit, the DCHA will inspect the unit in the presence of the owner or owner’s representative. The presence of a family representative is permitted but is not required.
8-II.B. INITIAL HQS INSPECTION [24 CFR 982.401(a)]

Initial Inspections [FR Notice 1/18/17]

The PHA may not give approval for the family of the assisted tenancy, or execute a HAP contract, until the PHA has determined that all the following meet program requirements:

(1) The unit is eligible;

(2) The unit has been inspected by the PHA and passes HQS;

HUD requires the unit to pass HQS before the effective date of the lease and HAP Contract. HUD requires PHAs with fewer than 1,250 budgeted units to complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA).

DCHA Policy
The unit must pass the HQS inspection on or before the effective date of the HAP contract.

The DCHA will not rely on alternative inspections and will conduct an HQS inspection for each unit prior to executing a HAP contract with the owner.

Timing of Initial Inspections

HUD requires PHAs with fewer than 1,250 budgeted units to complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA). For PHAs with 1,250 or more budgeted units, to the extent practicable such inspection and determination must be completed within 15 days. The 15-day period is suspended for any period during which the unit is not available for inspection [982.305(b)(2)].

DCHA Policy
To the extent practicable, the DCHA will complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA).
Initial Inspection Results and Reinspections

DCHA Policy

If any HQS violations are identified, the owner will be notified of the deficiencies and be given a 14 days time frame to correct them. A reinspection will be scheduled to take place on the deadline.

If requested by the owner, the time frame for correcting the deficiencies may be extended by the DCHA for good cause.

If the owner notifies the DCHA prior to the deadline that the deficiencies have been corrected, the DCHA will reinspect the unit as soon as practically possibly after that notification.

If the unit fails HQS at the time of the reinspection, the DCHA will notify the owner and the family that the unit has been rejected and that the family must search for another unit. The DCHA may agree to conduct a second reinspection, for good cause, at the request of the family and owner. The DCHA will not conduct a third reinspection for the same unit.

Following a failed reinspection, the family may submit a new Request for Tenancy Approval for the same unit after the owner has made repairs, if they are unable to locate another suitable unit. However, the unit must pass the initial inspection.

Utilities

Generally, at initial lease-up the owner is responsible for demonstrating that all utilities are in working order including those utilities that the family will be responsible for paying.

DCHA Policy

Utilities must be in service at the time of the HQS inspection. All utilities must be in service prior to the effective date of the HAP contract. If the utilities are not in service at the time of inspection, the inspector will notify the participant or owner (whomever is responsible for the utilities according to the RFTA) to have the utilities turned on.

Appliances [Form HUD-52580]

DCHA Policy

Working appliances must be in place at the time of the HQS inspection.
8-II.C. ANNUAL/BIENNIAL HQS INSPECTIONS [24 CFR 982.405 and 982.406; Notice PIH 2016-05]

DCHA Policy

Each unit under HAP contract must be inspected biennially within 24 months of the last full HQS inspection. The DCHA reserves the right to require annual inspections of any unit or owner at any time.

The DCHA will not rely on alternative inspection standards.

Scheduling the Inspection

DCHA Policy

If an adult cannot be present on the scheduled date, the family should request that the DCHA reschedule the inspection. The DCHA and family will agree on a new inspection date that generally should take place within five business days of the originally scheduled date. The DCHA may schedule an inspection more than five business days after the original date for good cause.

If the family misses the first scheduled appointment without requesting a new inspection date, the DCHA will automatically schedule a second inspection. If the family misses two scheduled inspections without DCHA approval, the DCHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family’s assistance in accordance with Chapter 12.

8-II.D. SPECIAL INSPECTIONS [24 CFR 982.405(g)]

If a participant or government official reports a life-threatening condition which the owner would be required to repair within 24 hours, the DCHA must inspect the unit within 24 hours of notification. If the reported condition is not life-threatening, the DCHA must inspect the unit within 15 days of notification.

DCHA Policy

During a special inspection, the DCHA generally will inspect only those deficiencies that were reported. However, the inspector will record any additional HQS deficiencies that are observed and will require the responsible party to make the necessary repairs.

If the biennial inspection has been scheduled or is due within 90 days of the date the special inspection is scheduled the DCHA may elect to conduct a full biennial inspection.

8-II.E. QUALITY CONTROL INSPECTIONS [24 CFR 982.405(b); 24 CFR 985.3(e); HCV GB, p. 10-32]

HUD requires a DCHA supervisor or other qualified person to conduct quality control inspections of a sample of units to ensure that each inspector is conducting accurate and complete inspections and that there is consistency in the application of the HQS.

The unit sample must include only units that have been inspected within the preceding three months. The selected sample should be drawn to represent a cross section of neighborhoods and the work of a cross section of inspectors. Sample should include type of inspection (initial,
annual, and special), inspections completed by each inspector and units from a cross-section of neighborhoods.

8-II.F. INSPECTION RESULTS AND REINSPECTIONS FOR UNITS UNDER HAP CONTRACT

Notification of Corrective Actions

The owner and the family will be notified in writing of the results of all inspections. When an inspection identifies HQS failures, the DCHA will determine (1) whether or not the failure is a life-threatening condition and (2) whether the family or owner is responsible.

DCHA Policy

When life-threatening conditions are identified, the DCHA will immediately notify both parties by telephone or email. The notice will specify who is responsible for correcting the violation. The corrective actions must be taken within 24 hours of the DCHA’s notice.

When failures that are not life-threatening are identified, the DCHA will send the owner and the family a written notification of the inspection results within five business days of the inspection. The written notice will specify who is responsible for correcting the violation, and the time frame within which the failure must be corrected. Generally, not more than 30 days will be allowed for the correction.

The notice of inspection results will inform the owner that if life-threatening conditions are not corrected within 24 hours, and non-life threatening conditions are not corrected within the specified time frame (or any DCHA-approved extension), the owner’s HAP will be abated in accordance with DCHA policy (see 8-II.G.).

Likewise, in the case of family caused deficiencies, the notice will inform the family that if corrections are not made within the specified time frame (or any DCHA-approved extension, if applicable) the family’s assistance will be terminated in accordance with DCHA policy (see Chapter 12).
Extensions

For conditions that are life-threatening, the DCHA cannot grant an extension to the 24 hour corrective action period. For conditions that are not life-threatening, the DCHA may grant an exception to the required time frames for correcting the violation, if the DCHA determines that an extension is appropriate [24 CFR 982.404].

**DCHA Policy**

Extensions will be granted in cases where the DCHA has determined that the owner has made a good faith effort to correct the deficiencies and is unable to for reasons beyond the owner’s control. Reasons may include, but are not limited to:

- A repair cannot be completed because required parts or services are not available.
- A repair cannot be completed because of weather conditions.
- A reasonable accommodation is needed because the family includes a person with disabilities.

The length of the extension will be determined on a case by case basis, but will not exceed 60 days, except in the case of delays caused by weather conditions. In the case of weather conditions, extensions may be continued until the weather has improved sufficiently to make repairs possible. The necessary repairs must be made within 15 calendar days, once the weather conditions have subsided.

Reinspections

**DCHA Policy**

The DCHA will conduct a reinspection immediately following the end of the corrective period, or any DCHA approved extension.

The family and owner will be given reasonable notice of the reinspection appointment. If the deficiencies have not been corrected by the time of the reinspection, the DCHA will send a notice of abatement to the owner, or in the case of family caused violations, a notice of termination to the family, in accordance with DCHA policies. If the DCHA is unable to gain entry to the unit in order to conduct the scheduled reinspection, the DCHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family’s assistance in accordance with Chapter 12.
8-II.G. ENFORCING OWNER COMPLIANCE

If the owner fails to maintain the dwelling unit in accordance with HQS, the DCHA must take prompt and vigorous action to enforce the owner obligations.

HAP Abatement

If an owner fails to correct HQS deficiencies by the time specified by the DCHA, HUD requires the DCHA to abate housing assistance payments no later than the first of the month following the specified correction period (including any approved extension) [24 CFR 985.3(f)]. No retroactive payments will be made to the owner for the period of time the rent was abated. Owner rents are not abated as a result of HQS failures that are the family's responsibility.

DCHA Policy

The DCHA will make all HAP abatements effective the first of the month following the expiration of the DCHA specified correction period (including any extension).

To the extent practicable, the DCHA will inspect abated units within five business days of the owner's notification that the work has been completed. Payment will resume effective on the day the unit passes inspection.

No retroactive payments will be made to the owner for the period of time the rent was abated. Owner rents are not abated as a result of HQS deficiencies that are the family’s responsibility.

In the case where the owner agreed to pay a $100 reinspection fee (see 8-II.A. OVERVIEW; Reinspection Costs), payment will be deducted from the next payment.During any abatement period the family continues to be responsible for its share of the rent. The owner must not seek payment from the family for abated amounts and may not use the abatement as cause for eviction.

HAP Contract Termination

The DCHA must decide how long any abatement period will continue before the HAP contract will be terminated. The DCHA should not terminate the contract until the family finds another unit, provided the family does so in a reasonable time [HCV GB p. 10-29] and must give the owner reasonable notice of the termination. The DCHA will issue a voucher to permit the family to move to another unit as described in Chapter 10.

DCHA Policy

The maximum length of time that HAP may be abated is 90 days. However, if the owner completes corrections and notifies the DCHA before the termination date of the HAP contract, the DCHA may rescind the termination notice if (1) the family still resides in the unit and wishes to remain in the unit and (2) the unit passes inspection.

Reasonable notice of HAP contract termination by the DCHA is 30 days.
8-II.H. ENFORCING FAMILY COMPLIANCE WITH HQS [24 CFR 982.404(b)]

Families are responsible for correcting any HQS violations listed in paragraph 8.I.D. If the family fails to correct a violation within the period allowed by the DCHA (and any extensions), the DCHA will terminate the family’s assistance, according to the policies described in Chapter 12.

If the owner carries out a repair for which the family is responsible under the lease, the owner may bill the family for the cost of the repair.
PART III: RENT REASONABLENESS [24 CFR 982.507]

8-III.A. OVERVIEW

Except in the case of certain LIHTC- and HOME-assisted units, no HAP contract can be approved until the DCHA has determined that the rent for the unit is reasonable. The purpose of the rent reasonableness test is to ensure that a fair rent is paid for each unit rented under the HCV program.

HUD regulations define a reasonable rent as one that does not exceed the rent charged for comparable, unassisted units in the same market area. HUD also requires that owners not charge more for assisted units than for comparable units on the premises. This part explains the method used to determine whether a unit’s rent is reasonable.

DCHA-Owned Units [24 CFR 982.352(b)]

In cases where an HCV family is receiving assistance in a DCHA-owned unit, the DCHA must obtain the services of an independent entity to determine rent reasonableness in accordance with program requirements, and to assist the family in negotiating the contract rent when the family requests assistance. A DCHA-owned unit is defined as a unit that is owned by the DCHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the DCHA). The independent agency must communicate the results of the rent reasonableness determination to the family and the DCHA. The independent agency must be approved by HUD, and may be the unit of general local government for the DCHA jurisdiction (unless the DCHA is itself the unit of general local government or an agency of such government).
8-III.B. WHEN RENT REASONABLENESS DETERMINATIONS ARE REQUIRED

Owner-Initiated Rent Determinations

The DCHA must make a rent reasonableness determination at initial occupancy and whenever the owner requests a rent adjustment.

The owner and family first negotiate the rent for a unit. The DCHA (or independent agency in the case of DCHA-owned units) will assist the family with the negotiations upon request. At initial occupancy the DCHA must determine whether the proposed rent is reasonable before a HAP Contract is signed. The owner must not change the rent during the initial lease term. Subsequent requests for rent adjustments must be consistent with the lease between the owner and the family. Rent increases will not be approved unless any failed items identified by the most recent HQS inspection have been corrected.

DCHA Policy

DCHA will complete a rent reasonableness determination at initial lease up. And upon request by the owner after the initial lease has expired in and in accordance with the owner’s lease. For rent increase requests after initial lease-up, the DCHA may request owners to provide information about the rents charged for other units on the premises, if the premises include more than 4 units. In evaluating the proposed rents in comparison to other units on the premises the DCHA will consider unit size and length of tenancy in the other units.

The DCHA will attempt to determine whether the requested increase is reasonable within 14 business days of receiving the request from the owner. The owner will be notified of the determination in writing.

All rents adjustments will be effective the first of the month following 60 days after the DCHA’s receipt of the owner’s request or on the date specified by the owner, whichever is later.

DCHA and HUD-Initiated Rent Reasonableness Determinations

HUD requires the DCHA to make a determination of rent reasonableness (even if the owner has not requested a change) if there is a 10 percent decrease in the fair market rent that goes into effect at least 60 days before the contract anniversary date. HUD also may direct the DCHA to make a determination at any other time. The DCHA may decide that a new determination of rent reasonableness is needed at any time.

DCHA Policy

In addition to the instances described above, the DCHA will make a determination of rent reasonableness at any time after the initial occupancy period if: (1) the DCHA determines that the initial rent reasonableness determination was in error or (2) the DCHA determines that the information provided by the owner about the unit or other units on the same premises was incorrect.
LIHTC and HOME-Assisted Units [24 CFR 982.507(c)]

For units receiving low-income housing tax credits (LIHTCs) or units assisted under HUD’s HOME Investment Partnerships (HOME) Program, a rent comparison with unassisted units is not required if the voucher rent does not exceed the rent for other LIHTC- or HOME-assisted units in the project that are not occupied by families with tenant-based assistance.

For LIHTCs, if the rent requested by the owner does exceed the LIHTC rents for non-voucher families, the DCHA must perform a rent comparability study in accordance with program regulations. In such cases, the rent shall not exceed the lesser of: (1) the reasonable rent as determined from the rent comparability study; or (2) the payment standard established by the DCHA for the unit size involved.

8-III.C. HOW COMPARABILITY IS ESTABLISHED

Factors to Consider

HUD requires PHAs to take into consideration the factors listed below when determining rent comparability. The DCHA may use these factors to make upward or downward adjustments to the rents of comparison units when the units are not identical to the HCV-assisted unit.

- Location and age
- Unit size including the number of rooms and square footage of rooms
- The type of unit including construction type (e.g., single family, duplex, garden, low-rise, high-rise)
- The quality of the units including the quality of the original construction, maintenance and improvements made
- Amenities, services, and utilities included in the rent

Units that Must Not Be Used as Comparables

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: Section 8 project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program-assisted units in which the rents are subsidized; units subsidized through federal, state, or local tax credits; units subsidized by the Department of Agriculture rural housing programs, and units that are rent-controlled by local ordinance [Notice PIH 2002-22, Notice PIH 2005-20, and Notice PIH 2020-19].

Note: Notice PIH 2020-19, issued August 21, 2020, provides further guidance on the issue of what constitutes an assisted unit.
Rents Charged for Other Units on the Premises

The Request for Tenancy Approval (HUD-52517) requires owners to provide information, on the form itself, about the rent charged for other unassisted comparable units on the premises if the premises include more than 4 units.

By accepting the DCHA payment each month the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises. If asked to do so, the owner must give the DCHA information regarding rents charged for other units on the premises.
8-III.D. DCHA RENT REASONABLENESS METHODOLOGY

How Market Data Is Collected

DCHA Policy

The DCHA will collect and maintain data on market rents in the DCHA's jurisdiction. Information sources include newspapers, realtors, market surveys, inquiries of owners and other available sources. The data will be maintained by bedroom size and market areas. Market areas may be defined by zip codes, census tract, neighborhood, and identifiable natural or man-made boundaries. The data will be updated on an ongoing basis and rent information that is more than 12 months old will be eliminated from the database.

How Rents Are Determined

DCHA Policy

DCHA uses a Third-party company to complete Reasonableness Determinations.

The rent for a unit proposed for HCV assistance will be compared to the rent charged for comparable units in the same market area, and, where appropriate, to information provided by owners on the Request for Tenancy Approval for rents charged for other unassisted comparable units on the premises (if the premises include more than 4 units).

Typically units may be similar, but not exactly like the unit proposed for HCV assistance. Therefore, the DCHA may make upward and downward dollar adjustments for differences between the proposed HCV unit and the comparables to determine the reasonable rent for the HCV unit.

The adjustment must reflect the local market. Not all differences in units require adjustments (e.g., the presence or absence of a garbage disposal may not affect the rent in some market areas).

Adjustments may vary by unit type (e.g., a second bathroom may be more valuable in a three-bedroom unit than in a two-bedroom).

The adjustment must reflect the rental value of the difference—not its construction costs (e.g., it might cost $20,000 to put on a new roof, but the new roof might not make any difference in what a tenant would be willing to pay because rental units are presumed to have functioning roofs).

When a comparable project offers rent concessions (e.g., first month rent-free, or reduced rent) reported monthly rents will be adjusted accordingly. For example, if a comparable project reports rents of $500/month but new tenants receive the first month's rent free, the actual rent for the unit would be calculated as follows: $500 x 11 months = $5500/12 months = actual monthly rent of $488.

The DCHA will notify the owner of the rent the DCHA can approve based upon its analysis of rents for comparable units. The owner may submit information about other comparable units in the market area. The DCHA will confirm the accuracy of the information provided and consider this additional information when making rent determinations. The owner must submit any additional information within five business
days of the DCHA’s request for information or the owner’s request to submit information.
EXHIBIT 8-1: OVERVIEW OF HUD HOUSING QUALITY STANDARDS

Note: This document provides an overview of HQS. For more detailed information see the following documents:

- 24 CFR 982.401, Housing Quality Standards (HQS)
- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Sanitary Facilities
The dwelling unit must include sanitary facilities within the unit. The sanitary facilities must be usable in privacy and must be in proper operating condition and adequate for personal cleanliness and disposal of human waste.

Food Preparation and Refuse Disposal
The dwelling unit must have space and equipment suitable for the family to store, prepare, and serve food in a sanitary manner.

Space and Security
The dwelling unit must provide adequate space and security for the family. This includes having at least one bedroom or living/sleeping room for each two persons.

Thermal Environment
The unit must have a safe system for heating the dwelling unit. Air conditioning is not required but if provided must be in proper operating condition. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Portable electric room heaters or kitchen stoves with built-in heating units are not acceptable as a primary source of heat for units located in climatic areas where permanent heat systems are required.

Illumination and Electricity
Each room must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of occupants. The dwelling unit must have sufficient electrical sources so occupants can use essential electrical appliances. Minimum standards are set for different types of rooms. Once the minimum standards are met, the number, type and location of electrical sources are a matter of tenant preference.

Structure and Materials
The dwelling unit must be structurally sound. Handrails are required when four or more steps (risers) are present, and protective railings are required when porches, balconies, and stoops are thirty inches or more off the ground. The elevator servicing the unit must be working [if there is one]. Manufactured homes must have proper tie-down devices capable of surviving wind loads common to the area.
**Interior Air Quality**

The dwelling unit must be free of air pollutant levels that threaten the occupants’ health. There must be adequate air circulation in the dwelling unit. Bathroom areas must have one openable window or other adequate ventilation. Any sleeping room must have at least one window. If a window was designed to be opened, it must be in proper working order.

**Water Supply**

The dwelling unit must be served by an approved public or private water supply that is sanitary and free from contamination. Plumbing fixtures and pipes must be free of leaks and threats to health and safety.

**Lead-Based Paint**

Lead-based paint requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero bedroom dwellings. Owners must:

- Disclose known lead-based paint hazards to prospective tenants before the lease is signed,
- provide all prospective families with "Protect Your Family from Lead in Your Home",
- Stabilize deteriorated painted surfaces and conduct hazard reduction activities within 30 days when identified by the DCHA
- Notify tenants each time such an activity is performed
- Conduct all work in accordance with HUD safe practices
- As part of ongoing maintenance ask each family to report deteriorated paint
- Maintain covered housing without deteriorated paint if there is child under six in the family

For units occupied by elevated blood lead level (lead poisoned) children under six years of age, an environmental investigation must be conducted (paid for by the DCHA). If lead hazards are identified during the environmental investigation, the owner must complete hazard reduction activities within 30 days.

See HCV GB p. 10-15 for a detailed description of these requirements. For additional information on lead-based paint requirements see 24 CFR 35, Subparts A, B, M, and R.

**Access**

Use and maintenance of the unit must be possible without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire.

**Site and Neighborhood**

The site and neighborhood must be reasonably free from disturbing noises and reverberations, excessive trash or vermin, or other dangers to the health, safety, and general welfare of the occupants.
Sanitary Condition

The dwelling unit and its equipment must be in sanitary condition and free of vermin and rodent infestation. The unit must have adequate barriers to prevent infestation.

Smoke Detectors

Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any person with a hearing impairment, smoke detectors must have an appropriate alarm system as specified in NFPA 74 (or successor standards).

Hazards and Health/Safety

The unit, interior and exterior common areas accessible to the family, the site, and the surrounding neighborhood must be free of hazards to the family’s health and safety.
EXHIBIT 8-2: SUMMARY OF TENANT PREFERENCE AREAS RELATED TO HOUSING QUALITY

Note: This document provides an overview of unit and site characteristics and conditions for which the family determines acceptability. For more detailed information see the following documents:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Provided the minimum housing quality standards have been met, HUD permits the family to determine whether the unit is acceptable with regard to the following characteristics.

- **Sanitary Facilities.** The family may determine the adequacy of the cosmetic condition and quality of the sanitary facilities, including the size of the lavatory, tub, or shower; the location of the sanitary facilities within the unit; and the adequacy of the water heater.

- **Food Preparation and Refuse Disposal.** The family selects size and type of equipment it finds acceptable. When the family is responsible for supplying cooking appliances, the family may choose to use a microwave oven in place of a conventional oven, stove, or range. When the owner is responsible for providing cooking appliances, the owner may offer a microwave oven in place of an oven, stove, or range only if other subsidized and unsubsidized units on the premises are furnished with microwave ovens only. The adequacy of the amount and type of storage space, the cosmetic conditions of all equipment, and the size and location of the kitchen are all determined by the family.

- **Space and Security.** The family may determine the adequacy of room sizes and room locations. The family is also responsible for deciding the acceptability of the type of door and window locks.

- **Energy conservation items.** The family may determine whether the amount of insulation, presence of absence of storm doors and windows and other energy conservation items are acceptable.

- **Illumination and Electricity.** The family may determine whether the location and the number of outlets and fixtures (over and above those required to meet HQS standards) are acceptable or if the amount of electrical service is adequate for the use of appliances, computers, or stereo equipment.
• **Structure and Materials.** Families may determine whether minor defects, such as lack of paint, or worn flooring or carpeting will affect the livability of the unit.

• **Indoor Air.** Families may determine whether window and door screens, filters, fans, or other devices for proper ventilation are adequate to meet the family’s needs. However, if screens are present they must be in good condition.

• **Sanitary Conditions.** The family determines whether the sanitary conditions in the unit, including minor infestations, are acceptable.

• **Neighborhood conditions.** Families may determine whether neighborhood conditions such as the presence of drug activity, commercial enterprises, and convenience to shopping will affect the livability of the unit.

Families have no discretion with respect to lead-based paint standards and smoke detectors.
Chapter 9
GENERAL LEASING POLICIES

INTRODUCTION

Chapter 9 covers the lease-up process from the family's submission of a Request for Tenancy Approval to execution of the HAP contract.

In order for the DCHA to assist a family in a particular dwelling unit, or execute a Housing Assistance Payments (HAP) contract with the owner of a dwelling unit, the DCHA must determine that all the following program requirements are met:

- The unit itself must qualify as an eligible unit [24 CFR 982.305(a)]
- The unit must be inspected by the DCHA and meet the Housing Quality Standards (HQS) [24 CFR 982.305(a)]
- The lease offered by the owner must be approvable and must include the required Tenancy Addendum [24 CFR 982.305(a)]
- The rent to be charged by the owner for the unit must be reasonable [24 CFR 982.305(a)]
- The owner must be an eligible owner, approvable by the DCHA, with no conflicts of interest [24 CFR 982.306]
- For families initially leasing a unit only: Where the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family cannot exceed 40 percent of the family’s monthly adjusted income [24 CFR 982.305(a)]
9-I.A. TENANT SCREENING

The DCHA has no liability or responsibility to the owner or other persons for the family’s behavior or suitability for tenancy [24 CFR 982.307(a)(1)].

The DCHA may elect to screen applicants for family behavior or suitability for tenancy. See Chapter 3 for a discussion of the DCHA’s policies with regard to screening applicant families for program eligibility [24 CFR 982.307(a)(1)].

The owner is responsible for screening and selection of the family to occupy the owner’s unit. At or before DCHA approval of the tenancy, the DCHA must inform the owner that screening and selection for tenancy is the responsibility of the owner [24 CFR 982.307(a)(2)]. The DCHA must also inform the owner or manager or their rights and obligations under the Violence against Women Act of 2022 (VAWA) [24 CFR 5.2005(a)(2)].

The DCHA must provide the owner with the family’s current and prior address (as shown in the DCHA records) and the name and address (if known to the DCHA) of the landlord at the family’s current and prior address [24 CFR 982.307(b)(1)].

The DCHA is permitted, but not required, to offer the owner other information in the DCHA’s possession about the tenancy history or drug trafficking of family members [24 CFR 982.307(b)(2)].

The DCHA’s policy on providing information to the owner must be included in the family’s briefing packet [24 CFR 982.307(b)(3)].

The DCHA may not disclose to the owner any confidential information provided by the family in response to a DCHA request for documentation of domestic violence, dating violence, sexual assault, or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(b)(4)].

**DCHA Policy**

The DCHA will not screen applicants for family behavior or suitability for tenancy.

The DCHA will not provide additional screening information to the owner.
9-I.B. REQUESTING TENANCY APPROVAL [Form HUD-52517]

After the family is issued a voucher, the family must locate an eligible unit, with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request the DCHA to approve the assisted tenancy in the selected unit.

The owner and the family must submit two documents to the DCHA:

- Completed Request for Tenancy Approval (RTA) – Form HUD-52517
- Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum – Form HUD-52641-A

The RTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the rent, and the requested beginning date of the lease, necessary for the DCHA to determine whether to approve the assisted tenancy in this unit.

Owners must certify to the most recent amount of rent charged for the unit and provide an explanation for any difference between the prior rent and the proposed rent.

Owners must certify that they are not the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the DCHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household.

For units constructed prior to 1978, owners must either 1) certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or 2) attach a lead-based paint disclosure statement.
Both the RTA and the proposed lease must be submitted no later than the expiration date stated on the voucher. [HCV GB p.8-15].

**DCHA Policy**

The RTA must be signed by both the family and the owner.

The owner may submit the RTA on behalf of the family.

Completed RTA (including the proposed dwelling lease) must be submitted electronically through the DCHA’s portal, except for purposes of reasonable accommodation.

The family may not submit, and the DCHA will not process, more than one (1) RTA at a time.

When the family submits the RTA the DCHA will review the RTA for completeness.

  If the RTA is incomplete (including lack of signature by family, owner, or both), or if the dwelling lease is not submitted with the RTA, the DCHA will notify the family and the owner of the deficiencies.

  Any missing or incomplete documents must be (re)submitted electronically through the DCHA’s portal.

When the family submits the RTA and proposed lease, the DCHA will also review the terms of the RTA for consistency with the terms of the proposed lease.

  If the terms of the RTA are not consistent with the terms of the proposed lease, the DCHA will notify the family and the owner of the discrepancies.

  Any corrected documents must be resubmitted electronically through the DCHA’s portal.

Because of the time sensitive nature of the tenancy approval process, the DCHA will communicate with the owner and family electronically on the status of the RTA.

**9-I.C. OWNER PARTICIPATION**

The DCHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the DCHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. There are also criteria for which the DCHA must disapprove an owner. No owner has a right to participate in the HCV program [24 CFR 982.306(e)]

See Chapter 13 for a full discussion of owner qualification to participate in the HCV program.
9-I.D. ELIGIBLE UNITS

There are a number of criteria that a dwelling unit must meet in order to be eligible for assistance under the voucher program. Generally, a voucher-holder family may choose any available rental dwelling unit on the market in the DCHA’s jurisdiction. This includes the dwelling unit they are currently occupying.

Ineligible Units [24 CFR 982.352(a)]

The DCHA may not assist a unit under the voucher program if the unit is a public housing or Indian housing unit; a unit receiving project-based assistance under section 8 of the 1937 Act (42 U.S.C. 1437f); nursing homes, board and care homes, or facilities providing continual psychiatric, medical, or nursing services; college or other school dormitories; units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions; a unit occupied by its owner or by a person with any interest in the unit.

DCHA-Owned Units [24 CFR 982.352(b)]

Otherwise eligible units that are owned or substantially controlled by the DCHA issuing the voucher may also be leased in the voucher program. In order for a DCHA-owned unit to be leased under the voucher program, the unit must not be ineligible housing and the DCHA must inform the family, both orally and in writing, that the family has the right to select any eligible unit available for lease and that the family is free to select a DCHA-owned unit without any pressure or steering by the DCHA.

DCHA Policy

The DCHA does have eligible DCHA-owned units available for leasing under the voucher program.

Special Housing Types [24 CFR 982 Subpart M]

HUD regulations permit, but do not generally require, the DCHA to permit families to use voucher assistance in a number of special housing types in accordance with the specific requirements applicable to those programs. These special housing types include single room occupancy (SRO) housing, congregate housing, group home, shared housing, manufactured home space (where the family owns the manufactured home and leases only the space), cooperative housing and homeownership option. See Chapter 15 for specific information and policies on any of these housing types that the DCHA has chosen to allow.

The regulations do require the DCHA to permit use of any special housing type if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.
**Duplicative Assistance [24 CFR 982.352(c)]**

A family may not receive the benefit of HCV tenant-based assistance while receiving the benefit of any of the following forms of other housing subsidy, for the same unit or for a different unit:

- Public or Indian housing assistance;
- Other Section 8 assistance (including other tenant-based assistance);
- Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing and Community Development Act of 1974);
- Section 101 rent supplements;
- Section 236 rental assistance payments;
- Tenant-based assistance under the HOME Program;
- Rental assistance payments under Section 521 of the Housing Act of 1949 (a program of the Rural Development Administration);
- Any local or district rent subsidy;
- Section 202 supportive housing for the elderly;
- Section 811 supportive housing for persons with disabilities; (11) Section 202 projects for non-elderly persons with disabilities (Section 162 assistance); or
- Any other duplicative federal, district, or local housing subsidy, as determined by HUD. For this purpose, 'housing subsidy' does not include the housing component of a welfare payment, a social security payment received by the family, or a rent reduction because of a tax credit.

**Housing Quality Standards (HQS) [24 CFR 982.305 and 24 CFR 982.401]**

In order to be eligible, the dwelling unit must be in decent, safe and sanitary condition. This determination is made using HUD’s Housing Quality Standards (HQS) and/or equivalent district or local standards approved by HUD. See Chapter 8 for a full discussion of the HQS standards, as well as the process for HQS inspection at initial lease-up.
**Unit Size**

In order to be eligible, the dwelling unit must be appropriate for the number of persons in the household. A family must be allowed to lease an otherwise acceptable dwelling unit with fewer bedrooms than the number of bedrooms stated on the voucher issued to the family, provided the unit meets the applicable HQS space requirements [24 CFR 982.402(d)]. The family must be allowed to lease an otherwise acceptable dwelling unit with more bedrooms than the number of bedrooms stated on the voucher issued to the family. See Chapter 5 for a full discussion of subsidy standards.

**Rent Reasonableness [24 CFR 982.305 and 24 CFR 982.507]**

In order to be eligible, the dwelling unit must have a reasonable rent. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See Chapter 8 for a full discussion of rent reasonableness and the rent reasonableness determination process.

**Rent Burden [24 CFR 982.508]**

Where a family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the family share cannot exceed 40 percent of the family’s adjusted monthly income. The term “family share” refers to the amount the family pays toward rent and utilities. The gross rent for the unit minus the total housing assistance payment (HAP) for the unit equals the family share. See Chapter 6 for a discussion of calculation of gross rent, the use of payment standards, and calculation of family income, family share of rent and HAP.
9-I.E. LEASE AND TENANCY ADDENDUM

The family and the owner must execute a written dwelling lease agreement for the assisted unit. This written lease is a contract between the tenant family and the owner; the DCHA is not a party to this contract.

The tenant must have legal capacity to enter a lease under district and local law. 'Legal capacity' means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner [24 CFR 982.308(a)]

Lease Form and Tenancy Addendum [24 CFR 982.308]

If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease. The HAP contract prescribed by HUD contains the owner's certification that if the owner uses a standard lease form for rental to unassisted tenants, the lease for the assisted tenants is in such standard form.

All provisions in the HUD-required Tenancy Addendum must be added word-for-word to the owner's standard lease form. The Tenancy Addendum includes the HUD requirements for the tenancy. Because it is a part of the lease, the tenant shall have the right to enforce the Tenancy Addendum against the owner. If there is a conflict between the owner’s lease and the Tenancy Addendum, the terms of the Tenancy Addendum shall prevail over any other provisions of the lease.

DCHA Policy

The DCHA does not provide a model or standard dwelling lease for owners to use in the HCV program.

Lease Information [24 CFR 982.308(d)]

The assisted dwelling lease must contain all of the required information as listed below:

- The names of the owner and the tenant:
- The unit rented (address, apartment number, and any other information needed to identify the contract unit)
- The term of the lease (initial term and any provisions for renewal)
- The amount of the monthly rent to owner
- A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family
**Term of Assisted Tenancy**

The initial term of the assisted dwelling lease must be for at least one year [24 CFR 982.309]. The initial lease term is also stated in the HAP contract.

The HUD program regulations permit the CDHA to approve a shorter initial lease term if certain conditions are met.

**DCHA Policy**

The DCHA will not approve an initial lease term of less than one (1) year.

During the initial term of the lease, the owner may not raise the rent to owner [24 CFR 982.309].

Any provisions for renewal of the dwelling lease will be stated in the dwelling lease [HCV Guidebook, pg. 8-22]. There are no HUD requirements regarding any renewal extension terms, except that they must be stated in the dwelling lease if they exist.

The DCHA may execute the HAP contract even if there is less than one year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC. [24 CFR 982.309(b)].

**Security Deposit [24 CFR 982.313 (a) and (b)]**

The owner may collect a security deposit from the tenant. The DCHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. However, if the DCHA chooses to do so, language to this effect must be added to Part A of the HAP contract [Form HUD-52641].

**DCHA Policy**

The DCHA will restrict the security deposit amount to no more than one month’s contract rent. Under district law, security deposits are not subject to interest.
Separate Non-Lease Agreements between Owner and Tenant

Owners may not demand or accept any rent payment from the family in excess of the rent to the owner as approved by the DCHA minus the DCHA’s housing assistance payments to the owner [24 CFR 982.451(b)(4)].

The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)].

DCHA Policy

The DCHA permits owners and families to execute separate, non-lease agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease ie: storage areas, parking, bicycle storage, etc.

Any items, appliances, or other services that are customarily provided to unsubsidized families as part of the dwelling lease with those families, or are permanently installed in the dwelling unit must be included in the dwelling lease for the assisted family. These items, appliances or services cannot be placed under a separate non-lease agreement between the owner and family. Side payments for additional rent, or for items, appliances or services customarily provided to unsubsidized families as part of the dwelling lease for those families, are prohibited.

Any items, appliances, or other services that are not customarily provided to unsubsidized families as part of the dwelling lease with those families, are not permanently installed in the dwelling unit and where the family has the sole option of not utilizing the item, appliance or service, may be included in a separate non-lease agreement between the owner and the family.

The family is not liable and cannot be held responsible under the terms of the assisted dwelling lease for any charges pursuant to a separate non-lease agreement between the owner and family. Non-payment of any charges pursuant to a separate non-lease agreement between the owner and the family cannot be a cause for eviction or termination of tenancy under the terms of the assisted dwelling lease.

Separate non-lease agreements that involve additional items, appliances or other services may be considered amenities offered by the owner and may be taken into consideration when determining the reasonableness of the rent for the property.
DCHA Review of Lease

The DCHA will review the dwelling lease for compliance with all applicable requirements.

DCHA Policy

If the dwelling lease is incomplete or incorrect, the DCHA will notify the owner of the deficiencies. Any missing or incomplete documents must be resubmitted electronically through the DCHA’s portal.

Corrected documents must be submitted electronically via the online portal. The DCHA will not accept missing and corrected information over the phone.

The DCHA is permitted, but is not required, to review the lease to determine if the lease complies with district and local law and is permitted to decline to approve the tenancy if the DCHA determines that the lease does not comply with district or local law [24 CFR 982.308(c)]

DCHA Policy

The DCHA will not review the owner’s lease for compliance with district/local law.
9-I.F. TENANCY APPROVAL [24 CFR 982.305]

After receiving the family's Request for Tenancy Approval, with proposed dwelling lease, the DCHA must promptly notify the family and owner whether the assisted tenancy is approved.

Prior to approving the assisted tenancy and execution of a HAP contract, the DCHA must ensure that all required actions and determinations, discussed in Part I of this chapter have been completed.

These actions include ensuring that the unit is eligible; the unit has been inspected by the DCHA and meets the Housing Quality Standards (HQS); the lease offered by the owner is approvable and includes the required Tenancy Addendum; the rent to be charged by the owner for the unit must is reasonable; where the family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family does not exceed 40 percent of the family’s monthly adjusted income [24 CFR 982.305(a)]; the owner is an eligible owner, not disapproved by the DCHA, with no conflicts of interest [24 CFR 982.306]; the family and the owner have executed the lease, including the Tenancy Addendum, and the lead-based paint disclosure information [24 CFR 982.305(b)].

**DCHA Policy**

The DCHA will complete its determination within 10 business days of receiving all required information.

If the terms of the RTA/proposed lease are changed for any reason, including but not limited to negotiation with the DCHA, the DCHA will obtain corrected copies of the RTA and proposed lease, signed by the family and the owner.

Corrections to the RTA/proposed lease will only be accepted through the DCHA’s electronic portal. The DCHA will not accept corrections over the phone.

If the DCHA determines that the tenancy cannot be approved for any reason, the owner and the family will be notified in writing and given the opportunity to address any reasons for disapproval. The DCHA will instruct the owner and family of the steps that are necessary to obtain approval of the tenancy.

Where the tenancy is not approvable because the unit is not approvable, the family must continue to search for eligible housing within the timeframe of the issued voucher.

If the tenancy is not approvable due to rent affordability or rent reasonableness, the DCHA will attempt to negotiate the rent with the owner. If a new, approvable rent is negotiated, the tenancy will be approved. If the owner is not willing to negotiate an approvable rent, the family must continue to search for eligible housing within the timeframe of the issued voucher.
9-I.G. HAP CONTRACT EXECUTION [24 CFR 982.305]

The HAP contract is a written agreement between the DCHA and the owner of the dwelling unit. Under the HAP contract, the DCHA agrees to make housing assistance payments to the owner on behalf of the family, and the owner agrees to comply with all program requirements as stated in the HAP contract.

The HAP contract form is prescribed by HUD.

If the DCHA has given approval for the family of the assisted tenancy, the owner and the DCHA must execute the HAP contract.

The term of the HAP contract must be the same as the term of the lease [24 CFR 982.451(a)(2)]. The DCHA is permitted to execute a HAP contract even if the funding currently available does not extend for the full term of the HAP contract.

The DCHA must make a best effort to ensure that the HAP contract is executed before the beginning of the lease term. Regardless, the HAP contract must be executed no later than 60 calendar days from the beginning of the lease term.

The DCHA may not pay any housing assistance payment to the owner until the HAP contract has been executed. If the HAP contract is executed during the period of 60 calendar days from the beginning of the lease term, the DCHA will pay housing assistance payments after execution of the HAP contract (in accordance with the terms of the HAP contract), to cover the portion of the lease term before execution of the HAP contract (a maximum of 60 days).

Any HAP contract executed after the 60-day period is void, and the DCHA may not pay any housing assistance payment to the owner.

**DCHA Policy**

Owners who have not previously participated in the HCV program must attend a virtual meeting with the DCHA in which the terms of the Tenancy Addendum and the HAP contract will be explained. The DCHA may waive this requirement on a case-by-case basis, if it determines that the owner is sufficiently familiar with the requirements and responsibilities under the HCV program.

The owner and the assisted family will execute the dwelling lease and the owner must provide a copy to the DCHA.

The owner and the DCHA will execute the HAP contract. The DCHA will not execute the HAP contract until the owner has submitted IRS form W-9. The DCHA will ensure that the owner receives a copy of the executed HAP contract.

As required under VAWA 2022, once the initial HAP contract and lease have been executed and the family has been admitted to the program, the DCHA will notify families of their rights under VAWA by providing all families with a copy of the domestic violence certification form (HUD-5382) as well as the VAWA notice of occupancy rights (form HUD-5380).

See Chapter 13 for a discussion of the HAP contract and contract provisions.
9-I.H. CHANGES IN LEASE OR RENT [24 CFR 982.308]

If the tenant and the owner agree to any changes in the lease, such changes must be in writing, and the owner must immediately give the DCHA a copy of such changes. The lease, including any changes, must remain in accordance with the requirements of this chapter.

Generally, DCHA approval of tenancy and execution of a new HAP contract are not required for changes in the lease. However, under certain circumstances, the execution of a new lease and HAP contract are required. These circumstances include:

- Changes in lease requirements governing tenant or owner responsibilities for utilities or appliances
- Changes in lease provisions governing the term of the lease
- The family moves to a new unit, even if the unit is in the same building or complex

In these cases, if the HCV assistance is to continue, the family must submit a new Request for Tenancy Approval (RTA) along with a new dwelling lease containing the proposed changes. A new tenancy must then be approved in accordance with this chapter.

Where the owner is changing the amount of the rent to owner, the owner must notify the DCHA at least 60 days before any such changes go into effect [24 CFR 982.308(g)(4)]. The DCHA will agree to such an increase only if the amount of the rent to owner is considered reasonable according to the rent reasonableness standards discussed in Chapter 8. If the requested rent is not found to be reasonable, the owner must either reduce the requested rent increase, or terminate the tenancy in accordance with the terms of the lease.

No rent increase is permitted during the initial term of the lease [24 CFR 982.309(a)(3)].

**DCHA Policy**

The DCHA will determine whether the requested increase is reasonable within 14 business days of receiving the request from the owner. The owner will be notified of the determination in writing.

All rent adjustments will be effective the first of the month following 60 days after the DCHA’s receipt of the owner’s request or on the date specified by the owner, whichever is later. For more information on requesting a rent increase, please see Chapter 8.
Chapter 10

MOVING WITH CONTINUED ASSISTANCE AND PORTABILITY

INTRODUCTION

Freedom of housing choice is a hallmark of the housing choice voucher (HCV) program. In general, HUD regulations impose few restrictions on where families may live or move with HCV assistance. This chapter sets forth HUD regulations and DCHA policies governing moves within or outside the DCHA’s jurisdiction in two parts:

Part I: Moving with Continued Assistance. This part covers the general rules that apply to all moves by a family assisted under the DCHA’s HCV program, whether the family moves to another unit within the DCHA’s jurisdiction or to a unit outside the DCHA’s jurisdiction under portability.

Part II: Portability. This part covers the special rules that apply to moves by a family under portability, whether the family moves out of or into the DCHA’s jurisdiction. This part also covers the special responsibilities that the DCHA has under portability regulations and procedures.

PART I: MOVING WITH CONTINUED ASSISTANCE

10-I.A. ALLOWABLE MOVES

HUD lists six regulatory conditions under which an assisted family is allowed to move to a new unit with continued assistance. Permission to move is subject to the restrictions set forth in section 10-I.B.

- The family has a right to terminate the lease on notice to the owner (for the owner’s breach or otherwise) and has given a notice of termination to the owner in accordance with the lease [24 CFR 982.354(b)(3)]. If the family terminates the lease on notice to the owner, the family must give the DCHA a copy of the notice at the same time [24 CFR 982.354(d)(1)].

- The lease for the family’s unit has been terminated by mutual agreement of the owner and the family [24 CFR 982.354(b)(1)(ii)].

  DCHA Policy

  If the family and the owner mutually agree to terminate the lease for the family’s unit, the family must give the DCHA a copy of the termination agreement.
• The owner has given the family a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the family [24 CFR 982.354(b)(2)]. The family must give the DCHA a copy of any owner eviction notice [24 CFR 982.551(g)].

• The family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, or stalking and the move is needed to protect the health or safety of the family or family member [24 CFR 982.354(b)(4)]. This condition applies even when the family has moved out of its unit in violation of the lease, with or without prior notification to the DCHA, if the family or family member who is the victim reasonably believed that they were imminently threatened by harm from further violence if they remained in the unit [24 CFR 982.354(b)(4), 24 CFR 982.353(b)]. The DCHA must adopt an emergency transfer plan as required by regulations at 24 CFR 5.2007(e).

DCHA Policy

If a family requests permission to move with continued assistance or for an external transfer to another covered housing program operated by the DCHA based on a claim that the move is necessary to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault, or stalking, the DCHA will request that the resident request the emergency transfer using form HUD-5383, and the DCHA will request documentation in accordance with section 16-IX.D of this plan.

The DCHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the family or family member will suffice. In such cases the DCHA will document the waiver.

The DCHA may choose to provide a voucher to facilitate an emergency transfer of the victim without first terminating the assistance of the perpetrator.

Before granting an emergency transfer, the DCHA will ensure the victim is eligible to receive continued assistance based on the citizenship or immigration status of the victim.

The DCHA has adopted an emergency transfer plan, which is included as Exhibit 16-3 to this plan and discusses external transfers to other covered housing programs.

• The DCHA has terminated the HAP contract for the family’s unit for the owner’s breach [24 CFR 982.354(b)(1)(i)].

• The DCHA determines that the family’s current unit does not meet the HQS space standards because of an increase in family size or a change in family composition. In such cases, the DCHA must issue the family a new voucher, and the family and DCHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for the family, the DCHA must terminate the HAP contract for the family’s old unit in accordance with the HAP contract terms and must notify both the family and the owner of the termination. The HAP contract terminates at the end of the calendar month that follows the calendar month in which the DCHA gives notice to the owner. [24 CFR 982.403(a) and (c)]
10-I.B. RESTRICTIONS ON MOVES

A family’s right to move is generally contingent upon the family’s compliance with program requirements [24 CFR 982.1(b)(2)]. HUD specifies two conditions under which a DCHA may deny a family permission to move and two ways in which a DCHA may restrict moves by a family.

Denial of Moves

HUD regulations permit the DCHA to deny a family permission to move under the following conditions:

Insufficient Funding

The DCHA may deny a family permission to move either within or outside the DCHA’s jurisdiction if the DCHA does not have sufficient funding for continued assistance [24 CFR 982.354(e)(1)]. However, Notice PIH 2016-09 significantly restricts the ability of PHAs to deny permission to move due to insufficient funding and places further requirements on PHAs regarding moves denied due to lack of funding. The requirements found in this notice are mandatory.

DCHA Policy

The DCHA will deny a family permission to move on grounds that the DCHA does not have sufficient funding for continued assistance if (a) the move is initiated by the family, not the owner or the DCHA; (b) the DCHA can demonstrate that the move will, in fact, result in higher subsidy costs (c) the DCHA can demonstrate, in accordance with the policies in Part VIII of Chapter 16, that it does not have sufficient funding in its annual budget to accommodate the higher subsidy costs; and (d) for portability moves, the receiving PHA is not absorbing the voucher.

If the DCHA does not have sufficient funding for continued assistance, but the family must move from their unit (e.g., the unit failed HQS), the family may move to a higher cost unit if the move is within the DCHA’s jurisdiction. The DCHA, however, will not allow the family to move under portability in this situation if the family wishes to move to a higher cost area.

For both moves within the DCHA’s jurisdiction and outside under portability, the DCHA will not deny a move due to insufficient funding if the DCHA previously approved the move and subsequently experienced a funding shortfall if the family cannot remain in their current unit. The DCHA will rescind the voucher in this situation if the family will be allowed to remain in their current unit.

The DCHA will create a list of families whose moves have been denied due to insufficient funding. The DCHA will keep the family’s request open indefinitely, and when funds become available, the families on this list will take precedence over families on the waiting list. The DCHA will use the same procedures for notifying families with open requests to move when funds become available as it uses for notifying families on the waiting list (see section 4-III.D).

The DCHA will inform the family of its policy regarding moves denied due to insufficient funding in a letter to the family at the time the move is denied.
**Grounds for Denial or Termination of Assistance**

The DCHA may deny a family permission to move if it has grounds for denying or terminating the family’s assistance [24 CFR 982.354(e)(2)].

**DCHA Policy**

If the DCHA has grounds for denying or terminating a family’s assistance, the DCHA will act on those grounds in accordance with the regulations and policies set forth in Chapters 3 and 12, respectively. In general, it will not deny a family permission to move for this reason; however, it retains the discretion to do so under special circumstances.

**Restrictions on Elective Moves [24 CFR 982.354(c)]**

HUD regulations permit the DCHA to prohibit any elective move by a participant family during the family’s initial lease term. They also permit the DCHA to prohibit more than one elective move by a participant family during any 12-month period. However, such prohibitions, if adopted, do not apply when the family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, or stalking and the move is needed to protect the health or safety of the family or family member. (For the policy on documentation of abuse, see section 10-I.A.) In addition, the DCHA may not establish a policy permitting moves only at reexamination [Notice PIH 2016-09].

**DCHA Policy**

The DCHA will deny a family permission to make an elective move during the family’s initial lease term. This policy applies to moves within the DCHA’s jurisdiction or outside it under portability.

The DCHA will also deny a family permission to make more than one elective move during any 12-month period. For elective moves during the 12-month period, the DCHA will only allow a new lease to begin on the first of the month. This policy applies to all assisted families residing in the DCHA’s jurisdiction.

The DCHA will consider exceptions to these policies for the following reasons: to protect the health or safety of a family member (e.g., lead-based paint hazards, domestic violence, witness protection programs), to accommodate a change in family circumstances (e.g., new employment, school attendance in a distant area), or to address an emergency situation over which a family has no control.

In addition, the DCHA will allow exceptions to these policies for purposes of reasonable accommodation of a family member who is a person with disabilities (see Chapter 2).
10-I.C. MOVING PROCESS

Notification
If a family wishes to move to a new unit, the family must notify the DCHA and the owner before moving out of the old unit or terminating the lease on notice to the owner [24 CFR 982.354(d)(2)]. If the family wishes to move to a unit outside the DCHA’s jurisdiction under portability, the notice to the DCHA must specify the area where the family wishes to move [24 CFR 982.354(d)(2)]. The notices must be in writing [24 CFR 982.5].

Approval

DCHA Policy
Upon receipt of a family’s notification that it wishes to move, the DCHA will determine whether the move is approvable in accordance with the lease, regulations and policies set forth in sections 10-I.A and 10-I.B. The DCHA will notify the family in writing of its determination within 14 business days following receipt of the family’s notification.

Reexamination of Family Income and Composition

DCHA Policy
For families approved to move to a new unit within the DCHA’s jurisdiction, the DCHA will not perform a new biennial/triennial reexamination in accordance with the policies set forth in Chapter 11 of this plan, unless the biennial/triennial reexamination is due with the effective date of the move.

For families moving into or families approved to move out of the DCHA’s jurisdiction under portability, the DCHA will follow the policies set forth in Part II of this chapter.

Voucher Issuance and Briefing

DCHA Policy
Families approved to move to a new unit within the DCHA’s jurisdiction are required to attend an online transfer briefing. Post-attendance, the family will be electronically provided with their voucher.

The DCHA will follow the policies set forth in Chapter 5 on voucher term, extension, and expiration. If a family does not locate a new unit within the term of the voucher and any extensions, the family may remain in its current unit with continued voucher assistance if the owner agrees and the DCHA approves. Otherwise, the family will lose its assistance.

For families moving into or families approved to move out of the DCHA’s jurisdiction under portability, the DCHA will follow the policies set forth in Part II of this chapter.
Housing Assistance Payments [24 CFR 982.311(d)]

When a family moves out of an assisted unit, the DCHA may not make any housing assistance payment to the owner for any month after the month the family moves out. The owner may keep the housing assistance payment for the month when the family moves out of the unit.

If a participant family moves from an assisted unit with continued tenant-based assistance, the term of the assisted lease for the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of the last housing assistance payment (for the month when the family moves out of the old unit) and the first assistance payment for the new unit, is not considered to constitute a duplicative housing subsidy.

Zero HAP Families Who Wish to Move [24 CFR 982.455]

A participant who is not receiving any subsidy, but whose HAP contract is still in force, may request a voucher to move to a different unit. The DCHA must issue a voucher to move unless it has grounds to deny assistance under the program regulations. However, if the DCHA determines no subsidy would be paid at the new unit, the DCHA may refuse to enter into a HAP contract on behalf of the family.

DCHA Policy

If a zero HAP family requests to move to a new unit, the family may request a voucher to move. However, if no subsidy will be paid at the unit to which the family requests to move, the DCHA will not enter into a HAP contract on behalf of the family for the new unit.
PART II: PORTABILITY

10-II.A. OVERVIEW

Within the limitations of the regulations and this plan, a participant family or an applicant family that has been issued a voucher has the right to use tenant-based voucher assistance to lease a unit anywhere in the United States providing that the unit is located within the jurisdiction of a PHA administering a tenant-based voucher program [24 CFR 982.353(b)]. The process by which a family obtains a voucher from one PHA and uses it to lease a unit in the jurisdiction of another PHA is known as portability. The PHA that issues the voucher is called the initial PHA. The PHA that has jurisdiction in the area to which the family wants to move is called the receiving PHA.

The receiving PHA has the option of administering the family’s voucher for the initial PHA or absorbing the family into its own program. Under the first option, the receiving PHA provides all housing services for the family and bills the initial PHA for the family’s housing assistance payments and the fees for administering the family’s voucher. Under the second option, the receiving PHA pays for the family’s assistance with its own program funds, and the initial PHA has no further relationship with the family. The initial PHA must contact the receiving PHA via email or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the initial PHA’s voucher. Based on the receiving PHA’s response, the initial PHA must determine whether they will approve or deny the portability request [Notice PIH 2016-09].

PHAs commonly act as both the initial and receiving PHA because families may move into or out of their jurisdiction under portability. Each role involves different responsibilities. The PHA will follow the rules and policies in section 10-II.B when it is acting as the initial PHA for a family. It will follow the rules and policies in section 10-II.C when it is acting as the receiving PHA for a family.

In administering portability, the initial PHA and the receiving PHA must comply with financial procedures required by HUD, including the use of HUD-required forms [24 CFR 982.355(e)(5)]. PHAs must also comply with billing and payment deadlines. HUD may reduce an administrative fee to an initial or receiving PHA if the PHA does not comply with HUD portability requirements [24 CFR 982.355(e)(7)].
10-II.B. INITIAL PHA ROLE

Allowable Moves under Portability

A family may move with voucher assistance only to an area where there is at least one PHA administering a voucher program [24 CFR 982.353(b)]. If there is more than one PHA in the area, the initial PHA provides the family with the contact information for the receiving PHAs that serve the area, and the family selects the receiving PHA. The family must inform the initial PHA which receiving PHA it has selected. If the family prefers not to select the receiving PHA, the initial PHA will select the receiving PHA on behalf of the family [24 CFR 982.255(b)].

Applicant families that have been issued vouchers as well as participant families may qualify to lease a unit outside the PHA’s jurisdiction under portability. HUD regulations and PHA policy determine whether a family qualifies.

Applicant Families

Under HUD regulations, most applicant families qualify to lease a unit outside the DCHA’s jurisdiction under portability. However, HUD gives the DCHA discretion to deny a portability move by an applicant family for the same two reasons that it may deny any move by a participant family: insufficient funding and grounds for denial or termination of assistance. If a PHA intends to deny a family permission to move under portability due to insufficient funding, the PHA must notify HUD within 10 business days of the determination to deny the move [24 CFR 982.355(e)].

DCHA Policy

DCHA will follow the HUD regulations related to portability. If DCHA lacks sufficient funding or has grounds for denying assistance to the family, DCHA will notify HUD in writing within 10 business days.

In addition, the initial PHA may establish a policy denying the right to portability to nonresident applicants during the first 12 months after they are admitted to the program [24 CFR 982.353(c)].

DCHA Policy

If neither the head of household nor the spouse/cohead of an applicant family had a domicile (legal residence) in the initial PHA’s jurisdiction at the time that the family’s initial application for assistance was submitted, the family must lease a unit within the initial PHA’s jurisdiction for at least 12 months before requesting portability.

The DCHA will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2) or reasons related to domestic violence, dating violence, sexual assault, or stalking.
**Participant Families**

The initial PHA must not provide portable assistance for a participant if a family has moved out of its assisted unit in violation of the lease [24 CFR 982.353(b)]. The Violence against Women Act of 2022 (VAWA) creates an exception to this prohibition for families who are otherwise in compliance with program obligations but have moved to protect the health or safety of a family member who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking and who reasonably believed they were imminently threatened by harm from further violence if they remained in the unit [24 CFR 982.353(b)].

**DCHA Policy**

The DCHA will determine whether a participant family may move out of the PHA’s jurisdiction with continued assistance in accordance with the regulations and policies set forth here and in sections 10-I.A and 10-I.B of this chapter. The DCHA will notify the family of its determination in accordance with the approval policy set forth in section 10-I.C of this chapter.

**Determining Income Eligibility**

**Applicant Families**

An applicant family may lease a unit in a particular area under portability only if the family is income eligible for admission to the voucher program in that area [24 CFR 982.353(d)(1)]. The family must specify the area to which the family wishes to move [24 CFR 982.355(c)(1)].

The initial PHA is responsible for determining whether the family is income eligible in the area to which the family wishes to move [24 CFR 982.353(d)(1), 24 CFR 982.355(9)]. If the applicant family is not income eligible in that area, the DCHA must inform the family that it may not move there and receive voucher assistance [Notice PIH 2016-09].

**Participant Families**

The income eligibility of a participant family is not redetermined if the family moves to a new jurisdiction under portability [24 CFR 982.353(d)(2)].

**Reexamination of Family Income and Composition**

No new reexamination of family income and composition is required for an applicant family.

**DCHA Policy**

For a participant family approved to move out of its jurisdiction and into DCHA’s jurisdiction, under portability, the DCHA generally will not conduct a reexamination of family income and composition.

The DCHA will make any exceptions to this policy necessary to remain in compliance with HUD regulations.
Briefing

The regulations and policies on briefings set forth in Chapter 5 of this plan require the DCHA to provide information on portability to all applicant families that qualify to lease a unit outside the DCHA’s jurisdiction under the portability procedures. Therefore, no special briefing is required for these families.

DCHA Policy

No formal briefing will be required for a participant family wishing to move outside the DCHA’s jurisdiction under portability. However, the DCHA will provide the family with the same oral and written explanation of portability that it provides to applicant families selected for admission to the program (see Chapter 5).

The DCHA will provide the name, address, and phone of the contact for the PHAs in the jurisdiction to which they wish to move. If there is more than one PHA with jurisdiction over the area to which the family wishes to move, the DCHA will advise the family that the family selects the receiving PHA and notify the initial PHA of which receiving PHA was selected. The DCHA will provide the family with contact information for all of the receiving PHAs that serve the area. The DCHA will not provide any additional information about receiving PHAs in the area. The DCHA will further inform the family that if the family prefers not to select the receiving PHA, the initial PHA will select the receiving PHA on behalf of the family. In this case, the DCHA will not provide the family with information for all receiving PHAs in the area.

The DCHA will advise the family that they will be under the receiving PHA’s policies and procedures, including screening, subsidy standards, voucher extension policies, and payment standards.

Voucher Issuance and Term

An applicant family has no right to portability until after the family has been issued a voucher [24 CFR 982.353(b)]. In issuing vouchers to applicant families, the DCHA will follow the regulations and procedures set forth in Chapter 5.

DCHA Policy

For participating families approved to move under portability, the DCHA will issue a new voucher within 10 business days of the DCHA’s written approval to move.
Voucher Extensions and Expiration

DCHA Policy

The initial PHA will approve no extensions to a voucher issued to an applicant or participant family porting out of the DCHA’s jurisdiction except under the following circumstances: (a) the initial term of the voucher will expire before the portable family will be issued a voucher by the receiving PHA, (b) the family decides to return to the initial PHA’s jurisdiction and search for a unit there, or (c) the family decides to search for a unit in a third PHA’s jurisdiction. In such cases, the policies on voucher extensions set forth in Chapter 5, section 5-II.E, of this plan will apply, including the requirement that the family apply for an extension in writing prior to the expiration of the initial voucher term.

To receive or continue receiving assistance under the initial PHA’s voucher program, a family that moves to another PHA’s jurisdiction under portability must be under HAP contract in the receiving PHA’s jurisdiction within 90 days following the expiration date of the initial PHA’s voucher term (including any extensions). (See below under “Initial Billing Deadline” for one exception to this policy.)

Preapproval Contact with the Receiving PHA

Prior to approving a family’s request to move under portability, the initial PHA must contact the receiving PHA via email or other confirmed delivery method to determine whether the receiving DCHA will administer or absorb the family’s voucher. Based on the receiving PHA’s response, the initial PHA must determine whether it will approve or deny the move [24 CFR 982.355(c)(3)].

DCHA Policy

The PHA will use email, when possible, to contact the receiving PHA regarding whether the receiving PHA will administer or absorb the family’s voucher.

Initial Notification to the Receiving PHA

After approving a family’s request to move under portability, the initial PHA must promptly notify the receiving PHA via email or other confirmed delivery method to expect the family [24 CFR 982.355(c)(3); 24 CFR 982.355(c)(7)]. The initial PHA must also advise the family how to contact and request assistance from the receiving PHA [24 CFR 982.355(c)(6)].

DCHA Policy

Because the portability process is time-sensitive, the DCHA will notify the receiving PHA by phone, fax, or email to expect the family. The initial PHA will also ask the receiving PHA to provide any information the family may need upon arrival, including the name, fax, email address, and telephone number of the staff person responsible for business with incoming portable families and procedures related to appointments for voucher issuance. The DCHA will pass this information along to the family. The DCHA will also ask for the name, address, telephone number, fax and email of the person responsible for processing the billing information.
Sending Documentation to the Receiving PHA

The initial PHA is required to send the receiving PHA the following documents:

- Form HUD-52665, Family Portability Information, with Part I filled out [Notice PIH 2016-09]
- A copy of the family’s voucher [Notice PIH 2016-09]
- A copy of the family’s most recent form HUD-50058, Family Report, or, if necessary in the case of an applicant family, family and income information in a format similar to that of form HUD-50058 [24 CFR 982.355(c)(7), Notice PIH 2016-09]
- Copies of the income verifications backing up the form HUD-50058, including a copy of the family’s current EIV data [24 CFR 982.355(c)(7), Notice PIH 2016-09]

DCHA Policy

In addition to these documents, the DCHA will provide the following information, if available, to the receiving PHA:

- Social security numbers (SSNs)

The DCHA will notify the family in writing regarding any information provided to the receiving PHA [HCV GB, p. 13-3].
Initial Billing Deadline [Notice PIH 2016-09]

The deadline for submission of initial billing is 90 days following the expiration date of the voucher issued to the family by the initial PHA. In cases where suspension of the voucher delays the initial billing submission, the receiving PHA must notify the initial PHA of delayed billing before the billing deadline and document the delay is due to the suspension. In this case, the initial PHA must extend the billing deadline by 30 days.

If the initial PHA does not receive a billing notice by the deadline and does not intend to honor a late billing submission, it must notify the receiving PHA in writing. The initial PHA may report to HUD the receiving PHA’s failure to comply with the deadline.

If the initial PHA will honor the late billing, no action is required.

DCHA Policy

The initial PHA’s decision as to whether to accept late billing will be based on internal PHA factors, including the initial PHA’s leasing or funding status. If the DCHA has not received an initial billing notice from the receiving PHA within the billing deadline and does not intend to honor the late billing, it will contact the receiving PHA to inform them that it will not honor a late billing submission and will return any subsequent billings that it receives on behalf of the family. In this case, the DCHA will send the receiving PHA a written confirmation of its decision by email or efax.

Among other considerations as to whether to accept late billing will be if the family includes a person with disabilities and the late billing is a result of a reasonable accommodation granted to the family by the receiving PHA.
Monthly Billing Payments [24 CFR 982.355(e), Notice PIH 2016-09]

If the receiving PHA is administering the family’s voucher, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. When reimbursing for administrative fees, the initial PHA must promptly reimburse the receiving PHA for the lesser of 80 percent of the initial PHA ongoing administrative fee or 100 percent of the receiving PHA’s ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill [24 CFR 982.355(e)(2)].

The initial PHA is responsible for making billing payments in a timely manner. The first billing amount is due within 30 calendar days after the initial PHA receives Part II of form HUD-52665 from the receiving PHA. Subsequent payments must be received by the receiving PHA no later than the fifth business day of each month. The payments must be provided in a form and manner that the receiving PHA is able and willing to accept.

The initial PHA may not terminate or delay making payments under existing portability billing arrangements as a result of overleasing or funding shortfalls. The DCHA must manage its tenant-based program in a manner that ensures that it has the financial ability to provide assistance for families that move out of its jurisdiction under portability and are not absorbed by receiving PHAs as well as for families that remain within its jurisdiction.

**DCHA Policy**

The initial PHA will utilize direct deposit to ensure that the payment is received by the deadline unless the receiving PHA notifies the initial PHA that direct deposit is not acceptable to them.

If the initial PHA extends the term of the voucher, the receiving PHA’s voucher will expire 30 calendar days from the new expiration date of the initial PHA’s voucher.

Annual Updates of Form HUD-50058

If the initial PHA is being billed on behalf of a portable family, it should receive an updated form HUD-50058 each year from the receiving PHA. If the initial PHA fails to receive an updated 50058 by the family’s annual reexamination date, the initial PHA should contact the receiving PHA to verify the status of the family. The initial PHA must continue paying the receiving PHA based on the last form HUD-50058 received, unless instructed otherwise by HUD. The initial PHA may seek absorption of the vouchers by following steps outlined in Notice PIH 2016-09.

Denial or Termination of Assistance [24 CFR 982.355(c)(17)]

At any time, either the initial PHA or the receiving PHA may make a determination to deny or terminate assistance with the family in accordance with 24 CFR 982.552 and 24 CFR 982.553. (For DCHA policies on denial and termination, see Chapters 3 and 12, respectively.)
10-II.C. RECEIVING PHA ROLE

If a family has a right to lease a unit in the receiving PHA’s jurisdiction under portability, the receiving PHA must provide assistance for the family [24 CFR 982.355(10)]. HUD may determine in certain instances that a PHA is not required to accept incoming portable families, such as a PHA in a declared disaster area. However, the DCHA must have approval in writing from HUD before refusing any incoming portable families [24 CFR 982.355(b)].

Administration of the voucher must be in accordance with the receiving PHA’s policies. This requirement also applies to policies of Moving to Work agencies. The receiving PHA procedures and preferences for selection among eligible applicants do not apply to the family, and the receiving PHA waiting list is not used [24 CFR 982.355(c)(10)]. The family’s unit, or voucher, size is determined in accordance with the subsidy standards of the receiving PHA [24 CFR 982.355(c)(12)], and the receiving PHA’s policies on extensions of the voucher term apply [24 CFR 982.355(c)(14)].

Responding to Initial PHA’s Request [24 CFR 982.355(c)]

The receiving PHA must respond via email or other confirmed delivery method to the initial PHA’s inquiry to determine whether the family’s voucher will be billed or absorbed [24 CFR 982.355(c)(3)]. If the receiving PHA informs the initial PHA that it will be absorbing the voucher, the receiving PHA cannot reverse its decision at a later date without consent of the initial PHA (24 CFR 982.355(c)(4)).

**DCHA Policy**

The DCHA will use email to notify the initial PHA whether it will administer or absorb the family’s voucher.

Under the authority granted to the DCHA under its Moving to Work status, the DCHA does not administer the Family Self-Sufficiency (FSS) Program for port-in families. Therefore, the DCHA will also notify the initial PHA that the initial PHA should address the status of an FSS family’s escrow account.

Initial Contact with Family

When a family moves into the PHA’s jurisdiction under portability, the family is responsible for promptly contacting the PHA and complying with the PHA’s procedures for incoming portable families. The family’s failure to comply may result in denial or termination of the receiving PHA’s voucher [24 CFR 982.355(c)(8)].

If the voucher issued to the family by the initial PHA has expired, the receiving PHA must contact the initial PHA to determine if it will extend the voucher [24 CFR 982.355(c)(13)]. An informal hearing is not required when a voucher has expired without the family leasing a unit.

If for any reason the receiving PHA refuses to process or provide assistance to a family under the portability procedures, the family must be given the opportunity for an informal review or hearing [Notice PIH 2016-09]. (For more on this topic, see later under “Denial or Termination of Assistance.”)
**Briefing**

HUD allows the receiving PHA to require a briefing for an incoming portable family as long as the requirement does not unduly delay the family’s search [Notice PIH 2016-09].

**DCHA Policy**

The DCHA requires the family to attend a virtual briefing. The DCHA will provide the family with a briefing packet (as described in Chapter 5) and are informed the family about the DCHA’s payment and subsidy standards, procedures for requesting approval of a unit, the unit inspection process, and the leasing process.

**Income Eligibility and Reexamination**

The receiving PHA does not redetermine eligibility for a portable family that was already receiving assistance in the initial PHA’s voucher program [24 CFR 982.355(c)(9)]. If the receiving PHA opts to conduct a new reexamination for a current participant family, the receiving PHA may not delay issuing the family a voucher or otherwise delay approval of a unit [24 CFR 982.355(c)(11)].

**DCHA Policy**

For any family moving into its jurisdiction under portability, the DCHA will not conduct a new reexamination of family income and composition, unless the family income is older than 90 days or the household composition has changed. The effective date of the HAP Contract/lease is the family’s anniversary date.
Voucher Issuance

When a family moves into its jurisdiction under portability, the receiving PHA is required to issue the family a voucher [24 CFR 982.355(c)(13)]. The family must submit a request for tenancy approval to the receiving PHA during the term of the receiving PHA’s voucher [24 CFR 982.355(c)(15)].

Timing of Voucher Issuance

HUD expects the receiving PHA to issue the voucher within two weeks after receiving the family’s paperwork from the initial PHA if the information is in order, the family has contacted the receiving PHA, and the family complies with the receiving PHA’s procedures [Notice PIH 2016-09].

DCHA Policy

When a family ports into its jurisdiction, the DCHA will issue the family a voucher based on the paperwork provided by the initial PHA unless the family’s paperwork from the initial PHA is incomplete, the family’s voucher from the initial PHA has expired or the family does not comply with the DCHA’s procedures.

Voucher Term

The term of the receiving PHA’s voucher may not expire before 30 calendar days from the expiration of the initial PHA’s voucher [24 CFR 982.355(c)(13)]. If the initial PHA extends the term of the voucher, the receiving PHA’s voucher may not expire before 30 days from the new expiration date of the initial PHA’s voucher [Notice PIH 2016-09].

DCHA Policy

The receiving PHA’s voucher will expire 30 calendars days from the expiration date of the initial PHA’s voucher. If the initial PHA extends the term of the voucher, the receiving PHA’s voucher will expire 30 calendar days from the new expiration date of the initial PHA’s voucher.

Voucher Extensions [24 CFR 982.355(c)(14), Notice 2016-09]

Once the receiving PHA issues the portable family a voucher, the receiving PHA’s policies on extensions of the voucher term apply. The receiving PHA must inform the initial PHA of any extension granted to the term of the voucher. It must also bear in mind the billing deadline provided by the initial PHA. Unless willing and able to absorb the family, the receiving PHA should ensure that any voucher expiration date would leave sufficient time to process a request for tenancy approval, execute a HAP contract, and deliver the initial billing to the initial PHA.

DCHA Policy

The DCHA generally will not extend the term of the voucher that it issues to an incoming portable family unless the DCHA plans to absorb the family into its own program, in which case it will follow the policies on voucher extension set forth in section 5-II.E.

The DCHA will consider an exception to this policy as a reasonable accommodation to a person with disabilities (see Chapter 2).
**Voucher Suspensions [24 CFR 982.303, 24 CFR 982.355(c)(15)]**

If the family submits a request for tenancy approval during the term of the receiving PHA’s voucher, the DCHA must suspend the term of that voucher. The term of the voucher stops from the date that the family submits a request for DCHA approval of the tenancy until the date the DCHA notifies the family in writing whether the request has been approved or denied [24 CFR 982.4(b)] (see Section 5-I.I.E).

DCHA Policy:

DCHA will follow its policies set forth in Section 5.

**Notifying the Initial PHA**

The receiving PHA must promptly notify the initial PHA if the family has leased an eligible unit under the program or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the receiving PHA’s voucher [24 CFR 982.355(c)(16)]. The receiving PHA is required to use Part II of form HUD-52665, Family Portability Information, for this purpose [Notice PIH 2016-09]. (For more on this topic and the deadline for notification, see below under “Administering a Portable Family’s Voucher.”)

If an incoming portable family ultimately decides not to lease in the jurisdiction of the receiving PHA but instead wishes to return to the initial PHA’s jurisdiction or to search in another jurisdiction, the receiving PHA must refer the family back to the initial PHA. In such a case the voucher of record for the family is once again the voucher originally issued by the initial PHA. Any extension of search time provided by the receiving PHA’s voucher is only valid for the family’s search in the receiving PHA’s jurisdiction [Notice PIH 2016-09].

**Administering a Portable Family’s Voucher**

**Portability Billing [24 CFR 982.355(e)]**

To cover assistance for a portable family that was not absorbed, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. The amount of the housing assistance payment for a portable family in the receiving PHA’s program is determined in the same manner as for other families in the receiving PHA’s program.

The receiving PHA may bill the initial PHA for the lesser of 80 percent of the initial PHA’s ongoing administrative fee or 100 percent of the receiving PHA’s ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill (i.e., the receiving PHA may bill for the lesser of 80 percent of the initial PHA’s prorated ongoing administrative fee or 100 percent of the receiving PHA’s ongoing administrative fee).

If both PHAs agree, the PHAs may negotiate a different amount of reimbursement.

**DCHA Policy**

Unless the DCHA negotiates a different amount of reimbursement with the initial PHA, the DCHA will bill the initial PHA the maximum amount of administrative fees allowed, ensuring any administrative fee proration has been properly applied.
**Initial Billing Deadline**

If a portable family’s search for a unit is successful and the receiving PHA intends to administer the family’s voucher, the receiving PHA must submit its initial billing notice (Part II of form HUD-52665) in time that the notice will be received no later than 90 days following the expiration date of the family’s voucher issued by the initial PHA [Notice PIH 2016-09]. This deadline may be extended for 30 additional days if the delay is due to suspension of the voucher’s term (see Initial Billing Section). A copy of the family’s form HUD-50058, Family Report, completed by the receiving PHA must be attached to the initial billing notice. The receiving PHA may send these documents by mail, fax, or email.

**DCHA Policy**

The DCHA will send its initial billing notice by efax or email to meet the billing deadline.

If the receiving PHA fails to send the initial billing by the deadline, it is required to absorb the family into its own program unless (a) the initial PHA is willing to accept the late submission or (b) HUD requires the initial PHA to honor the late submission (e.g., because the receiving PHA is overleased) [Notice PIH 2016-09].

**Ongoing Notification Responsibilities [Notice PIH 2016-09, HUD-52665]**

**Annual Reexamination.** The receiving PHA must send the initial PHA a copy of a portable family’s updated form HUD-50058 after each annual reexamination for the duration of time the receiving PHA is billing the initial PHA on behalf of the family, regardless of whether there is a change in the billing amount.

**DCHA Policy**

The DCHA will send a copy of the updated HUD-50058 by regular mail no later than 10 business days after the effective date of the reexamination.

**Change in Billing Amount.** The receiving PHA is required to notify the initial PHA, using form HUD-52665, of any change in the billing amount for the family as a result of:

- A change in the HAP amount (because of a reexamination, a change in the applicable payment standard, a move to another unit, etc.)
- An abatement or subsequent resumption of the HAP payments
- Termination of the HAP contract
- Payment of a damage/vacancy loss claim for the family
- Termination of the family from the program
The timing of the notice of the change in the billing amount should correspond with the notification to the owner and the family in order to provide the initial PHA with advance notice of the change. Under no circumstances should the notification be later than 10 business days following the effective date of the change in the billing amount. If the receiving PHA fails to send Form HUD-52665 within 10 days of effective date of billing changes, the initial PHA is not responsible for any increase prior to notification. If the change resulted in a decrease in the monthly billing amount, the initial PHA will offset future monthly payments until the difference is reconciled.

**Late Payments [Notice PIH 2016-09]**

If the initial PHA fails to make a monthly payment for a portable family by the fifth business day of the month, the receiving PHA must promptly notify the initial PHA in writing of the deficiency. The notice must identify the family, the amount of the billing payment, the date the billing payment was due, and the date the billing payment was received (if it arrived late). The receiving PHA must send a copy of the notification to the Office of Public Housing (OPH) in the HUD area office with jurisdiction over the receiving PHA. If the initial PHA fails to correct the problem by the second month following the notification, the receiving PHA may request by memorandum to the director of the OPH with jurisdiction over the receiving PHA that HUD transfer the unit in question. A copy of the initial notification and any subsequent correspondence between the PHAs on the matter must be attached. The receiving PHA must send a copy of the memorandum to the initial PHA. If the OPH decides to grant the transfer, the billing arrangement on behalf of the family ceases with the transfer, but the initial PHA is still responsible for any outstanding payments due to the receiving PHA.

**Overpayments [Notice PIH 2016-09]**

In all cases where the receiving PHA has received billing payments for billing arrangements no longer in effect, the receiving PHA is responsible for returning the full amount of the overpayment (including the portion provided for administrative fees) to the initial PHA.

In the event that HUD determines billing payments have continued for at least three months because the receiving PHA failed to notify the initial PHA that the billing arrangement was terminated, the receiving PHA must take the following steps:

- Return the full amount of the overpayment, including the portion provided for administrative fees, to the initial PHA.
- Once full payment has been returned, notify the Office of Public Housing in the HUD area office with jurisdiction over the receiving PHA of the date and the amount of reimbursement to the initial PHA.

At HUD’s discretion, the receiving PHA will be subject to the sanctions spelled out in Notice PIH 2016-09.
Denial or Termination of Assistance

At any time, the receiving PHA may make a determination to deny or terminate assistance to a portable family for family action or inaction [24 CFR 982.355(c)(17)].

In the case of a termination, the DCHA should provide adequate notice of the effective date to the initial PHA to avoid having to return a payment. In no event should the receiving PHA fail to notify the initial PHA later than 10 business days following the effective date of the termination of the billing arrangement [HUD-52665; Notice PIH 2016-09].

DCHA Policy

If the DCHA elects to deny or terminate assistance for a portable family, the DCHA will notify the initial PHA within 10 business days after the informal review or hearing if the denial or termination is upheld. The DCHA will base its denial or termination decision on the policies set forth in Chapter 3 or Chapter 12, respectively. The informal review or hearing will be held in accordance with the policies in Chapter 16. The receiving PHA will furnish the initial PHA with a copy of the review or hearing decision.
Absorbing a Portable Family

The receiving PHA may absorb an incoming portable family into its own program when the DCHA executes a HAP contract on behalf of the family or at any time thereafter providing that the DCHA has funding available under its annual contributions contract (ACC) [24 CFR 982.355(d)(1), Notice PIH 2016-09].

If the receiving PHA absorbs a family from the point of admission, the admission will be counted against the income targeting obligation of the receiving PHA [24 CFR 982.201(b)(2)(vii)].

If the receiving PHA absorbs a family after providing assistance for the family under a billing arrangement with the initial PHA, the receiving PHA must send an updated form HUD-52665 to the initial PHA no later than 10 business days following the effective date of the termination of the billing arrangement [Notice PIH 2016-09].

DCHA Policy

If the DCHA decides to absorb a portable family upon the execution of a HAP contract on behalf of the family, the DCHA will notify the initial PHA by the initial billing deadline specified on form HUD-52665. The effective date of the HAP contract will be the effective date of the absorption.

If the DCHA decides to absorb a family after that, it will provide the initial PHA with 30 days’ advance notice, but no later than 10 business days following the effective date of the termination of the billing arrangement.

Following the absorption of an incoming portable family, the family is assisted with funds available under the consolidated ACC for the receiving PHA’s voucher program [24 CFR 982.355(d)], and the receiving PHA becomes the initial PHA in any subsequent moves by the family under portability [24 CFR 982.355(e)(4)].
Chapter 11

REEXAMINATIONS

INTRODUCTION

Using its MTW authority, The DCHA is required to reexamine each family’s income and composition on a bi-annual and tri-annual basis, and to adjust the family’s level of assistance accordingly. Interim reexaminations are also needed in certain situations. This chapter discusses both annual and interim reexaminations, and the recalculation of family share and subsidy that occurs as a result. HUD regulations and DCHA policies concerning reexaminations are presented in three parts:

Part I: Annual Reexaminations. This part discusses the process for conducting annual reexaminations.

Part II: Interim Reexaminations. This part details the requirements for families to report changes in family income and composition between annual reexaminations.

Part III: Recalculating Family Share and Subsidy Amount. This part discusses the recalculation of family share and subsidy amounts based on the results of annual and interim reexaminations.

Policies governing reasonable accommodation, family privacy, required family cooperation, and program abuse, as described elsewhere in this plan, apply to both annual and interim reexaminations.

PART I: ANNUAL REEXAMINATIONS [24 CFR 982.516]

11-I.A. OVERVIEW

The DCHA must conduct a reexamination of family income and composition at least annually. This includes gathering and verifying current information about family composition, income, and expenses. Based on this updated information, the family’s income and rent must be recalculated. This part discusses the schedule for annual reexaminations, the information to be collected and verified, and annual reexamination effective dates.
11-I.B. STREAMLINED REEXAMINATIONS [24 CFR 982.516(b); New HCV GB, Reexaminations]

HUD permits PHAs to streamline the income determination process for family members with fixed sources of income. While third-party verification of all income sources must be obtained during the intake process and every three years thereafter, in the intervening years the DCHA may determine income from fixed sources by applying a verified cost of living adjustment (COLA) or rate of interest. The DCHA may, however, obtain third-party verification of all income, regardless of the source. Further, upon request of the family, the DCHA must perform third-party verification of all income sources.

Fixed sources of income include Social Security and SSI benefits, pensions, annuities, disability or death benefits, and other sources of income subject to a COLA or rate of interest. The determination of fixed income may be streamlined even if the family also receives income from other non-fixed sources.

Two streamlining options are available, depending upon the percentage of the family’s income that is received from fixed sources. If at least 90 percent of the family’s income is from fixed sources, the DCHA may streamline the verification of fixed income but is not required to verify non-fixed income amounts. If the family receives less than 90 percent of its income from fixed sources, the DCHA may streamline the verification of fixed income and must verify non-fixed income annually.

DCHA Policy

The DCHA will always fully verify fixed sources of income.
11-I.C. SCHEDULING ANNUAL REEXAMINATIONS

The DCHA must establish a policy to ensure that the annual reexamination for each family is completed within a 12-month period and may require reexaminations more frequently [HCV GB p. 12-1].

DCHA Policy

Under the authority granted to the DCHA under its Moving to Work status, the DCHA conducts biennial and triennial reexaminations.

The DCHA will conduct triennial reexaminations for families where:

- All members of the family are either elderly or disabled; and
- All sources of income are fixed. Fixed income is defined as non-wage income of a fixed monthly or yearly amount.

The DCHA will conduct biennial reexaminations for all families not qualifying for a triennial reexamination.

The DCHA will begin the annual reexamination process 150 days in advance of its scheduled effective date. Generally, the DCHA will schedule reexamination effective dates to coincide with the family’s anniversary date.

*Anniversary date* is defined as 24 (bi-annual) or 36 months (tri-annual) from the effective date of the family’s last annual reexamination or, during a family’s first year in the program, from the effective date of the family’s initial examination (admission).

If the family moves to a new unit, the DCHA will not perform a new reexamination.

The DCHA also may schedule a reexamination for completion prior to the anniversary date for administrative purposes.

Notification of and Participation in the Reexamination Process

The DCHA is required to obtain the information needed to conduct reexaminations. How that information will be collected is left to the discretion of the DCHA. However, PHAs should give tenants who were not provided the opportunity the option to complete Form HUD-92006 at this time [Notice PIH 2009-36].

DCHA Policy

Families generally are not required to participate in a reexamination interview. The DCHA will notify participants electronically of the recertification process and any documentation needed.
11-I.D. CONDUCTING REEXAMINATIONS

As part of the reexamination process, families are required to provide updated information to the DCHA regarding the family’s income, expenses, and composition [24 CFR 982.551(b)].

DCHA Policy

Families will be notified electronically or by mail regarding the biennial/triennial reexamination requirements.

Families will be asked to provide all required information (as described in the reexamination notice) to the DCHA by an established deadline. The required information will include a DCHA-designated reexamination form, an Authorization for the Release of Information/Privacy Act Notice, as well as supporting documents or forms related to the family’s income, expenses, and family composition.

If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

If the family does not provide the required documents or information within the required time period (plus any extensions), the family will be sent a notice of termination (See Chapter 12).

Additionally, HUD recommends that at annual reexaminations PHAs ask whether the tenant, or any member of the tenant’s household, is subject to a lifetime sex offender registration requirement in any state [Notice PIH 2012-28].

DCHA Policy

The DCHA will ask whether the tenant, or any member of the tenant’s household, is subject to a lifetime sex offender registration requirement in any state. The DCHA will use the Dru Sjodin National Sex Offender database to verify the information provided by the tenant.

If the DCHA proposes to terminate assistance based on lifetime sex offender registration information, the DCHA must notify the household of the proposed action and must provide the subject of the record and the tenant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to termination. [24 CFR 5.903(f) and 5.905(d)]. (See Chapter 12.)
The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the DCHA has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
- Social security numbers
- A person’s disability status
- Citizenship or immigration status

If adding a new family member to the unit causes overcrowding according to the housing quality standards (HQS) (see Chapter 8), the DCHA must issue the family a new voucher, and the family and DCHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the DCHA must terminate the HAP contract in accordance with its terms [24 CFR 982.403].
11-I.E. DETERMINING ONGOING ELIGIBILITY OF CERTAIN STUDENTS
[24 CFR 982.552(b)(5)]

Section 327 of Public Law 109-115 established new restrictions on the ongoing eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled in an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student’s eligibility must be reexamined along with the income eligibility of the student’s parents on an annual basis. In these cases, both the student and the student’s parents must be income eligible for the student to continue to receive HCV assistance. If, however, a student in these circumstances is determined independent from their parents or is considered a *vulnerable youth* in accordance with DCHA policy, the income of the student’s parents will not be considered in determining the student’s ongoing eligibility.

Students who reside with parents in an HCV assisted unit are not subject to this provision. It is limited to students who are receiving assistance on their own, separately from their parents.

**DCHA Policy**

During the biennial/triennial reexamination process, the DCHA will determine the ongoing eligibility of each student who is subject to the eligibility restrictions in 24 CFR 5.612 by reviewing the student’s individual income as well as the income of the student’s parents. If the student has been determined “independent” from their parents or is considered a *vulnerable youth* based on the policies in Sections 3-II.E and 7-II.E, the parents’ income will not be reviewed.

If the student is no longer income eligible based on their own income or the income of their parents, the student’s assistance will be terminated in accordance with the policies in Section 12-I.D.

If the student continues to be income eligible based on their own income and the income of their parents (if applicable), the DCHA will process a reexamination in accordance with the policies in this chapter.
11-I.F. EFFECTIVE DATES

The DCHA must establish policies concerning the effective date of changes that result from an annual reexamination [24 CFR 982.516].

**DCHA Policy**

In general, an *increase* in the family share of the rent that results from a biennial/triennial reexamination will take effect on the family’s anniversary date, and the family will be notified at least 30 days in advance.

- If less than 30 days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.
- If a family moves to a new unit, the increase will take effect on the effective date of the new lease and HAP contract, and no 30-day notice is required.
- If the DCHA chooses to schedule an reexamination for completion prior to the family’s anniversary date for administrative purposes, the effective date will be determined by the DCHA, but will always allow for the 30-day notice period.
- If the family causes a delay in processing the biennial/triennial reexamination, *increases* in the family share of the rent will be applied retroactively, to the scheduled effective date of the reexamination. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a *decrease* in the family share of the rent that results from a biennial/triennial reexamination will take effect on the family’s anniversary date.

- If a family moves to a new unit, the decrease will take effect on the effective date of the new lease and HAP contract.
- If the DCHA chooses to schedule a reexamination for completion prior to the family’s anniversary date for administrative purposes, the effective date will be determined by the DCHA.
- If the family causes a delay in processing the reexamination, *decreases* in the family share of the rent will be applied prospectively, from the first day of the month following completion of the reexamination processing.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by the DCHA by the date specified, and this delay prevents the DCHA from completing the reexamination as scheduled.
PART II: INTERIM REEXAMINATIONS [24 CFR 982.516]

11-II.A. OVERVIEW

Family circumstances may change between annual reexaminations. HUD and DCHA policies dictate what kinds of information about changes in family circumstances must be reported, and under what circumstances the DCHA must process interim reexaminations to reflect those changes. HUD regulations also permit the DCHA to conduct interim reexaminations of income or family composition at any time. When an interim reexamination is conducted, only those factors that have changed are verified and adjusted [HCV GB, p. 12-10].

In addition to specifying what information the family must report, HUD regulations permit the family to request an interim determination if other aspects of the family’s income or composition changes. The DCHA must complete the interim reexamination within a reasonable time after the family’s request.

This part includes HUD and DCHA policies describing what changes families are required to report, what changes families may choose to report, and how the DCHA will process both DCHA- and family-initiated interim reexaminations.

11-II.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION

The family is required to report all changes in family composition. The DCHA must adopt policies prescribing when and under what conditions the family must report changes in income and family composition. However, due to family obligations under the program, the DCHA has limited discretion in this area.

DCHA Policy

The DCHA will conduct interim reexaminations to account for any changes in household composition that occur between biennial/triennial reexaminations.

All families must notify DCHA if the following changes in family and household composition that occur between annual or bi/tri reexaminations within 10 days.

New Family Members Not Requiring DCHA Approval

The addition of a family member as a result of birth, adoption, or court-awarded custody does not require DCHA approval. However, the family is required to promptly notify the DCHA of the addition [24 CFR 982.551(h)(2)].

DCHA Policy

The family must inform the DCHA of the birth, adoption, or court-awarded custody of a child within 10 business days.
New Family and Household Members Requiring Approval

With the exception of children who join the family as a result of birth, adoption, or court-awarded custody, a family must request DCHA approval to add a new family member [24 CFR 982.551(h)(2)] or other household member (live-in aide or foster child) [24 CFR 982.551(h)(4)].

Although the DCHA must verify aspects of program eligibility when any new family member is added, the Streamlining Final Rule removed the requirement that PHAs conduct a reexamination of income whenever a new family member is added. The DCHA may state in policy that an income reexamination will be conducted.

If a change in family size causes a violation of Housing Quality Standards (HQS) space standards (see Chapter 8), the DCHA must issue the family a new voucher, and the family and DCHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the DCHA must terminate the family’s HAP contract in accordance with its terms [24 CFR 982.403].

DCHA Policy

The DCHA will not add a new adult to the family if doing so will result in an increase in family unit size (voucher size). This restriction does not apply for minor children, including the minor children of a newly added adult family member. Exceptions will be made on a case-by-case basis for purposes of reasonable accommodation.

Any person not on the lease who is expected to stay in the unit for more than 30 consecutive days or 90 cumulative days within a 12-month period and therefore no longer qualifies as a “guest.

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. The DCHA will determine eligibility of the new member in accordance with the policies in Chapter 3.

The DCHA will conduct interim reexaminations to account for any changes in household composition that occur between annual reexaminations.

The DCHA will not approve the addition of a foster child or foster adult if it will cause a violation of HQS space standards.

If the DCHA determines an individual meets the DCHA’s eligibility criteria and documentation requirements, the DCHA will provide written approval to the family. If the approval of a new family member or live-in aide will cause overcrowding according to HQS standards, the approval letter will explain that the family will be issued a voucher and will be required to move.

If the DCHA determines that an individual does not meet the DCHA’s eligibility criteria or documentation requirements, the DCHA will notify the family in writing of its decision to deny approval of the new family or household member and the reasons for the denial.

The DCHA will make its determination within 14 business days of receiving all information required to verify the individual’s eligibility.
**Departure of a Family or Household Member**

Families must promptly notify the DCHA if any family member no longer lives in the unit [24 CFR 982.551(h)(3)]. Because household members are considered when determining the family unit (voucher) size [24 CFR 982.402], the DCHA also needs to know when any live-in aide, foster child, or foster adult ceases to reside in the unit.

**DCHA Policy**

If a household member ceases to reside in the unit, the family must inform the DCHA within 10 business days. This requirement also applies to a family member who has been considered temporarily absent at the point that the family concludes the individual is permanently absent, and if a live-in aide, foster child, or foster adult ceases to reside in the unit.
11-II.C. CHANGES AFFECTING INCOME OR EXPENSES

Interim reexaminations can be scheduled either because the DHA has reason to believe that changes in income or expenses may have occurred, or because the family reports a change. When a family reports a change, the DCHA may take different actions depending on whether the family reported the change voluntarily, or because it was required to do so.

DCHA-Initiated Interim Reexaminations

DCHA-initiated interim reexaminations are those that are scheduled based on circumstances or criteria defined by the DCHA. They are not scheduled because of changes reported by the family.

**DCHA Policy**

The DCHA will conduct interim reexaminations in each of the following instances:

- If the family has reported zero income, the DCHA may conduct an interim reexamination every 6 months as long as the family continues to report that they have no income.

  Zero income families are families with zero annual income, as calculated under HUD rules. *Example:* A family’s only source of income is food stamps. Food stamps are excluded from annual income. This is a zero income family.

- If at the time of the biennial/triennial reexamination, it is not feasible to anticipate a level of income for the next 12 months (e.g. seasonal or cyclic income), the DCHA will schedule an interim reexamination to coincide with the end of the period for which it is feasible to project income.

- If at the time of the biennial/triennial reexamination, tenant declarations were used on a provisional basis due to the lack of third-party verification, and third-party verification becomes available, the DCHA will conduct an interim reexamination.

- The DCHA may conduct an interim reexamination at any time in order to correct an error in a previous reexamination, or to investigate a tenant fraud complaint.
Family-Initiated Interim Reexaminations

The DCHA must adopt policies prescribing when and under what conditions the family must report changes in family income or expenses [24 CFR 982.516(c)]. In addition, HUD regulations require that the family be permitted to obtain an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)].

Required Reporting

HUD regulations give the DCHA the freedom to determine the circumstances under which families will be required to report changes affecting income.

DCHA Policy

Zero income families are required to report all increases in income between biennial/triennial reexaminations.

Zero income families are families with zero annual income, as calculated under HUD rules. Example: A family’s only source of income is food stamps. Food stamps are excluded from annual income. This is a zero income family.

Other than zero income families, families are not required to report increases in income between biennial/triennial reexaminations.

The DCHA will only conduct interim reexaminations for zero income families reporting an increase in income.

Optional Reporting

The family may request an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)]. The DCHA must process the request if the family reports a change that will result in a reduced family income [HCV GB, p. 12-9].

If a family reports a decrease in income from the loss of welfare benefits due to fraud or non-compliance with a welfare agency requirement to participate in an economic self-sufficiency program, the family’s share of the rent will not be reduced [24 CFR 5.615]. For more information regarding the requirement to impute welfare income see Chapter 6.

DCHA Policy

If a family reports a change that it was not required to report and that would result in an increase in the family share of the rent, the DCHA will note the information in the tenant file, but will not conduct an interim reexamination.

If a family reports a change that it was not required to report and that would result in a decrease in the family share of rent, the DCHA will conduct an interim reexamination. See Section 11-II.D. for effective dates.

Families may report changes in income or expenses at any time.
11-II.D. PROCESSING THE INTERIM REEXAMINATION

Method of Reporting

DCHA Policy

The family must notify the DCHA of changes in writing. If the family provides oral notice, the DCHA will also require the family to submit the changes in writing.

The family will not be required to attend an interview for an interim reexamination.

Based on the type of change reported, the DCHA will determine the documentation the family will be required to submit. The family must submit any required information or documents within 10 business days of receiving a request from the DCHA. This time frame may be extended for good cause with DCHA approval. The DCHA will accept required documentation by mail, by email, in person or through the DCHA’s portal.

Effective Dates

The DCHA must establish the time frames in which any changes that result from an interim reexamination will take effect [24 CFR 982.516(d)]. The changes may be applied either retroactively or prospectively, depending on whether there is to be an increase or a decrease in the family share of the rent, and whether the family reported any required information within the required time frames [HCV GB, p. 12-10].

DCHA Policy

If the family share of the rent is to increase:

The increase generally will be effective on the first of the month following 30 days’ notice to the family.

If a family fails to report a change within the required time frames, or fails to provide all required information within the required time frames, the increase will be applied retroactively, to the date it would have been effective had the information been provided on a timely basis. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

If the family share of the rent is to decrease:

The decrease will be effective on the first day of the month following the month in which the change was reported and all required documentation was submitted. In cases where the change cannot be verified until after the date the change would have become effective, the change will be made retroactively.
PART III: RECALCULATING FAMILY SHARE AND SUBSIDY AMOUNT

11-III.A. OVERVIEW

After gathering and verifying required information for an annual or interim reexamination, the DCHA must recalculate the family share of the rent and the subsidy amount, and notify the family and owner of the changes [24 CFR 982.516(d)(2), HCV 12-6 and 12-10]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

11-III.B. CHANGES IN PAYMENT STANDARDS AND UTILITY ALLOWANCES

In order to calculate the family share of the rent and HAP amount correctly, changes in payment standards, subsidy standards, or utility allowances may need to be updated and included in the DCHA’s calculations.

Specific policies governing how subsidy standards, payment standards, and utility allowances are applied are discussed below.

Payment Standards [24 CFR 982.505]

The family share of the rent and HAP calculations must use the correct payment standard for the family, taking into consideration the family unit size, the size of unit, and the area in which the unit is located [HCV GB, p. 12-5]. See Chapter 6 for information on how to select the appropriate payment standard.

When the DCHA changes its payment standards or the family’s situation changes, new payment standards are applied at the following times:

- If the DCHA’s payment standard amount changes during the term of the HAP contract, the date on which the new standard is applied depends on whether the standard has increased or decreased:
  - If the payment standard amount has increased, the increased payment standard will be applied at the first annual reexamination following the effective date of the increase in the payment standard.
  - If the payment standard amount has decreased, during the term of a HAP contract, the DCHA is not required to reduce the payment standard as long as the HAP contract remains in effect. At the family’s second annual reexamination, the DCHA may, but is not required to, apply the decreased payment standard or may gradually implement the reduced payment standard (See Chapter 6 for the DCHA’s policy on decreases in the payment standard).

- If the family moves to a new unit, or a new HAP contract is executed due to changes in the lease (even if the family remains in place) the current payment standard applicable to the family will be used when the new HAP contract is processed.
**Subsidy Standards [24 CFR 982.505(c)(4)]**

If there is a change in the family unit size that would apply to a family during the HAP contract term, either due to a change in family composition, or a change in the DCHA’s subsidy standards (see Chapter 5), the new family unit size must be used to determine the payment standard amount for the family at the family’s first annual reexamination following the change in family unit size.

**Utility Allowances [24 CFR 982.517(d)]**

The family share of the rent and HAP calculations must reflect any changes in the family’s utility arrangement with the owner, or in the DCHA’s utility allowance schedule [HCV GB, p. 12-5]. Chapter 16 discusses how utility allowance schedules are established.

When there are changes in the utility arrangement with the owner, the DCHA must use the utility allowances in effect at the time the new lease and HAP contract are executed.

At reexamination, the DCHA must use the DCHA current utility allowance schedule [HCV GB, p. 18-8].

**DCHA Policy**

Revised utility allowances will be applied to a family’s rent and subsidy calculations at the first biennial/triennial reexamination after the allowance is adopted.

**11-III.C. NOTIFICATION OF NEW FAMILY SHARE AND HAP AMOUNT**

The DCHA must notify the owner and family of any changes in the amount of the HAP payment [HUD-52641, HAP Contract]. The notice must include the following information [HCV GB, p. 12-6]:

- The amount and effective date of the new HAP payment
- The amount and effective date of the new tenant rent to owner

The family must be given an opportunity for an informal hearing regarding the DCHA’s determination of their annual or adjusted income, and the use of such income to compute the housing assistance payment [24 CFR 982.555(a)(1)(i)] (see Chapter 16).

**DCHA Policy**

The notice to the family will include the annual and adjusted income amounts that were used to calculate the family share of the rent and the housing assistance payment.

The notice will state the family has the right to request an explanation (Rent Review) of how the assistance was calculated and if the family disagrees, they have the right to informal hearing. The notice will include the procedures for requesting an informal hearing.
11-III.D. DISCREPANCIES

During a scheduled (biannual or triannual) reexamination or interim reexamination, the DCHA may discover that information previously reported by the family was in error related to income or to family composition, or that the family intentionally misrepresented information. In addition, the DCHA may discover errors made by the DCHA. When errors resulting in the overpayment or underpayment of subsidy are discovered, corrections will be made in accordance with the policies in Chapter 13.
Chapter 12

TERMINATION OF ASSISTANCE AND TENANCY

HUD regulations specify mandatory and optional grounds for which a PHA can terminate a family’s assistance. They also specify the circumstances under which an owner may terminate the tenancy of an assisted family. This chapter describes the policies that govern mandatory and optional terminations of assistance, and termination of tenancy by the owner. It is presented in three parts:

Part I: Grounds for Termination of Assistance. This part describes the various circumstances under which assistance under the program can be terminated by the family or by the DCHA.

Part II: Approach to Termination of Assistance. This part describes the policies and the process that the DCHA will use in evaluating decisions on whether to terminate assistance due to actions or inactions of the family where termination is an option. It specifies the alternatives that the DCHA may consider in lieu of termination, the criteria the DCHA will use when deciding what action to take, and the steps the DCHA must take when terminating a family’s assistance.

Part III: Termination of Tenancy by the Owner. This part describes the HUD policies that govern the owner’s right to terminate an assisted tenancy.

PART I: GROUNDS FOR TERMINATION OF ASSISTANCE

12-I.A. OVERVIEW

HUD requires the DCHA to terminate assistance for certain actions and inactions of the family and when the family no longer requires assistance due to increases in family income. HUD permits the DCHA to terminate assistance for certain other actions or inactions of the family. In addition, a family may decide to withdraw from the program and terminate their HCV assistance at any time by notifying the DCHA.

12-I.B. FAMILY NO LONGER REQUIRES ASSISTANCE [24 CFR 982.455]

As a family’s income increases, the amount of the housing assistance payment decreases. If the amount of assistance provided by the DCHA is reduced to zero, the family's assistance terminates automatically 180 days after the last HAP payment.

DCHA Policy

If the amount of assistance provided by the DCHA is reduced to zero, the family’s assistance terminates automatically for 180 days after the last HAP payment.
12-I.C. FAMILY CHOOSES TO TERMINATE ASSISTANCE
The family may request that the DCHA terminate housing assistance payments on behalf of the family at any time.

DCHA Policy
The request to terminate assistance should be made in writing and signed by the head of household, and spouse or cohead if applicable. Before terminating the family’s assistance, the DCHA will follow the notice requirements in Section 12-II.F.

12-I.D. MANDATORY TERMINATION OF ASSISTANCE
HUD requires the DCHA to terminate assistance in the following circumstances.

Eviction [24 CFR 982.552(b)(2), 24 CFR 5.2005(c)(1)]
The DCHA must terminate assistance whenever a family is evicted from a unit assisted under the HCV program for a serious or repeated violation of the lease. As discussed further in section 12-II.E, incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking may not be construed as serious or repeated violations of the lease by the victim or threatened victim of such violence or stalking.

DCHA Policy
A family will be considered evicted if the family moves after a legal eviction order has been issued, whether or not physical enforcement of the order was necessary.

If a family moves after the owner has given the family an eviction notice for serious or repeated lease violations but before a legal eviction order has been issued, termination of assistance is not mandatory. In such cases the DCHA will determine whether the family has committed serious or repeated violations of the lease based on available evidence and may terminate assistance or take any of the alternative measures described in section 12-II.C. In making its decision, the DCHA will consider the factors described in sections 12-II.D and 12-II.E. Upon consideration of such factors, the DCHA may, on a case-by-case basis, choose not to terminate assistance.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests.

Failure to Provide Consent [24 CFR 982.552(b)(3)]
The DCHA must terminate assistance if any family member fails to sign and submit any consent form they are required to sign for a regular or interim reexamination. See Chapter 7 for a complete discussion of consent requirements.
Failure to Document Citizenship [24 CFR 982.552(b)(4) and [24 CFR 5.514(c)]

The DCHA must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member’s citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family; or (3) a family member, as determined by the DCHA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit.

For (3) above, such termination must be for a period of at least 24 months. This does not apply to ineligible noncitizens already in the household where the family’s assistance has been prorated. See Chapter 7 for a complete discussion of documentation requirements.

Failure to Disclose and Document Social Security Numbers [24 CFR 5.218(c), Notice PIH 2018-24]

The DCHA must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and the DCHA determines that the family’s failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family’s control, the DCHA may defer the family’s termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date the DCHA determined the family to be noncompliant.

**DCHA Policy**

The DCHA will defer the family’s termination and provide the family with the opportunity to comply with the requirement for a period of 90 calendar days for circumstances beyond the participant’s control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency, if there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline.

Methamphetamine Manufacture or Production [24 CFR 982.553(b)(1)(ii)]

The DCHA must terminate assistance if any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally assisted housing.

Lifetime Registered Sex Offenders [Notice PIH 2012-28]

Should a DCHA discover that a member of an assisted household was subject to a lifetime registration requirement at admission and was erroneously admitted after June 25, 2001, the DCHA must immediately terminate assistance for the household member.

In this situation, the DCHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the DCHA must terminate assistance for the household.
Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR 982.552(b)(5) and FR 4/10/06]

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have dependent children, is not residing with their parents in an HCV assisted household, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the DCHA must the terminate the student’s assistance if, at the time of reexamination, either the student’s income or the income of the student’s parents (if applicable) exceeds the applicable income limit.

If a participant household consists of both eligible and ineligible students, the eligible students shall not be terminated, but must be issued a voucher to move with continued assistance in accordance with program regulations and DCHA policies, or must be given the opportunity to lease in place if the terminated ineligible student members elect to move out of the assisted unit.

Death of the Sole Family Member [24 CFR 982.311(d) and Notice PIH 2010-9]

The DCHA must immediately terminate program assistance for deceased single member households.

12-I.E. MANDATORY POLICIES AND OTHER AUTHORIZED TERMINATIONS

Mandatory Policies [24 CFR 982.553(b) and 982.551(l)]

HUD requires the DCHA to establish policies that permit the DCHA to terminate assistance if the DCHA determines that:

- Any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member’s abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member has violated the family’s obligation not to engage in any drug-related criminal activity
- Any household member has violated the family’s obligation not to engage in violent criminal activity
Use of Illegal Drugs and Alcohol Abuse

DCHA Policy

The DCHA will terminate a family’s assistance if any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The DCHA will terminate assistance if any household member’s abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

Currently engaged in is defined as any use of illegal drugs during the previous three months.

The DCHA will consider all credible evidence, including but not limited to, any record of arrests, convictions, or eviction of household members related to the use of illegal drugs or abuse of alcohol.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, the DCHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the DCHA may, on a case-by-case basis, choose not to terminate assistance.
Drug-Related and Violent Criminal Activity [24 CFR 5.100]

*Drug* means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

*Drug-related criminal activity* is defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.

*Violent criminal activity* means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

**DCHA Policy**

The DCHA will terminate a family’s assistance if any household member has violated the family’s obligation not to engage in any drug-related or violent criminal activity during participation in the HCV program.

The DCHA will consider all credible evidence, including but not limited to, any record of arrests and/or convictions of household members related to drug-related or violent criminal activity, and any eviction or notice to evict based on drug-related or violent criminal activity.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, the DCHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the DCHA may, on a case-by-case basis, choose not to terminate assistance.
Other Authorized Reasons for Termination of Assistance
[24 CFR 982.552(c), 24 CFR 5.2005(c), 24 CFR 984.101(d)]

HUD permits the DCHA to terminate assistance under a number of other circumstances. It is left to the discretion of the DCHA whether such circumstances in general warrant consideration for the termination of assistance. As discussed further in section 12-II.E, the Violence against Women Act of 2022 explicitly prohibits PHAs from considering incidents of, or criminal activity directly related to, domestic violence, dating violence, sexual assault, or stalking as reasons for terminating the assistance of a victim of such abuse.

Additionally, per 24 CFR 984.101(d), PHAs are no longer permitted to terminate assistance to a family due to the family’s failure to meet its obligations under the Family Self-Sufficiency (FSS) contract of participation.

CDHA Policy

The DCHA will terminate a family’s assistance if:

- The family has failed to comply with any family obligations under the program. See Exhibit 12-1 for a listing of family obligations and related DCHA policies.
- Any family member has been evicted from federally assisted housing in the last five years.
- Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.
- The family currently owes rent or other amounts to any DCHA in connection with Section 8 or public housing assistance under the 1937 Act.
- The family has not reimbursed any DCHA for amounts the DCHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
- The family has breached the terms of a repayment agreement entered into with the DCHA.
- A family member has engaged in or threatened violent or abusive behavior toward DCHA personnel.

  *Abusive or violent behavior towards DCHA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

  *Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to terminate assistance, the DCHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the DCHA may, on a case-by-case basis, choose not to terminate assistance.
Family Absence from the Unit [24 CFR 982.312]

The family may be absent from the unit for brief periods. The DCHA must establish a policy on how long the family may be absent from the assisted unit. However, the family may not be absent from the unit for a period of more than 180 consecutive calendar days for any reason. Absence in this context means that no member of the family is residing in the unit.

**DCHA Policy**

If the family is absent from the unit for more than 180 consecutive calendar days, the family’s assistance will be terminated. To verify absence, DCHA may attempt to contact the family electronically, write letters to the family at the unit; Telephone the family at the unit; Interview neighbors; Verify if utilities are in service; and/or check with the post office

Notice of termination will be sent in accordance with Section 12-II.F.
Insufficient Funding [24 CFR 982.454]

The DCHA may terminate HAP contracts if the DCHA determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

DCHA Policy

The DCHA will determine whether there is sufficient funding to pay for currently assisted families according to the policies in Part VIII of Chapter 16. If the DCHA determines there is a shortage of funding, prior to terminating any HAP contracts, the DCHA will determine if any other actions can be taken to reduce program costs.

In the event that the DCHA decides to stop issuing vouchers as a result of a funding shortfall, and the DCHA is not assisting the required number of special purpose vouchers (NED families, HUD-Veterans Affairs Supportive Housing (VASH) families, and family unification program (FUP) families), when the DCHA resumes issuing vouchers, the DCHA will issue vouchers first to the special purpose voucher families on its waiting list until it has reached the required number of special purpose vouchers, when applicable.

If after implementing all reasonable cost cutting measures there is not enough funding available to provide continued assistance for current participants, the DCHA will terminate HAP contracts as a last resort.

Prior to terminating any HAP contracts, the DCHA will inform the local HUD field office. The DCHA will terminate the minimum number needed in order to reduce HAP costs to a level within the DCHA’s annual budget authority.

If the DCHA must terminate HAP contracts due to insufficient funding, the DCHA will do so in accordance with the following criteria and instructions:

Families who have been assisted in the HCV program the longest will be the first to be terminated, excluding families that include elderly or disabled family members.

Families comprising the required number of special purpose vouchers, including nonelderly disabled (NED), HUD-Veteran’s Affairs Supportive Housing (HUD-VASH), and family unification program (FUP) will be the last to be terminated.
PART II: APPROACH TO TERMINATION OF ASSISTANCE

12-II.A. OVERVIEW

The DCHA is required by regulation to terminate a family’s assistance for certain actions or inactions of the family. For other types of actions or inactions of the family, the regulations give the DCHA the authority to either terminate the family’s assistance or to take another action. This part discusses the various actions the DCHA may choose to take when it has discretion, and outlines the criteria the DCHA will use to make its decision about whether or not to terminate assistance. It also specifies the requirements for the notification to the family of the DCHA’s intent to terminate assistance.

12-II.B. METHOD OF TERMINATION [24 CFR 982.552(a)(3)]

Termination of assistance for a participant may include any or all of the following:

- Terminating housing assistance payments under a current HAP contract,
- Refusing to enter into a new HAP contract or approve a lease, or
- Refusing to process a request for or to provide assistance under portability procedures.

12-II.C. ALTERNATIVES TO TERMINATION OF ASSISTANCE

Change in Household Composition

As a condition of continued assistance, the DCHA may require that any household member who participated in or was responsible for an offense no longer resides in the unit [24 CFR 982.552(c)(2)(ii)].

DCHA Policy

As a condition of continued assistance, the head of household must certify that the culpable family member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former family member’s current address upon DCHA request.

Repayment of Family Debts

DCHA Policy

If a family owes amounts to the DCHA or other PHA, as a condition of continued assistance, the DCHA will require the family to repay the full amount or to enter into a repayment agreement, within 30 days of receiving notice from the DCHA of the amount owed. See Chapter 16 for policies on repayment agreements.
12-ILD. CRITERIA FOR DECIDING TO TERMINATE ASSISTANCE

Evidence
For criminal activity, HUD permits the DCHA to terminate assistance if a *preponderance of the evidence* indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted [24 CFR 982.553(c)].

DCHA Policy
The DCHA will use the concept of the preponderance of the evidence as the standard for making all termination decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

Use of Criminal Conviction Records after Admission [24 CFR 5.903]
The regulation at 24 CFR 5.903 governs a PHA’s access to and use of criminal conviction records obtained from a “law enforcement agency” such as the National Crime Information Center (NCIC), police departments, and other law enforcement agencies that hold criminal conviction records. While the regulatory listing of permitted uses for these records includes DCHA screening of applicants for admission to the HCV program, it specifically excludes the use of records for lease enforcement and eviction of HCV participants and excludes by omission a PHA’s use of records to terminate assistance for participants. While a PHA has regulatory authority to use criminal conviction records for the purpose of applicant screening for admission, there is no corresponding authority to use these records to check for criminal and illegal drug activity by participants, and therefore, PHAs may not use records for this purpose. The limitations, however, do not apply to criminal conviction information searches from non-federal sources (i.e., sources other than the “law enforcement agencies” defined in 24 CFR 5.902(b)). There is no prohibition that bars a PHA from using non-federal sources to conduct criminal background checks of program participants.
Consideration of Circumstances [24 CFR 982.552(c)(2)(i)]

The DCHA is permitted, but not required, to consider all relevant circumstances when determining whether a family’s assistance should be terminated.

**DCHA Policy**

The DCHA will consider the following facts and circumstances when making its decision to terminate assistance:

- The seriousness of the case, especially with respect to how it would affect other residents’ safety or property
- The effects that termination of assistance may have on other members of the family who were not involved in the action or failure to act
- The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities or (as discussed further in section 12-II.E) a victim of domestic violence, dating violence, sexual assault or stalking
- The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family’s recent history and the likelihood of favorable conduct in the future
- While a record or records of arrest will not be used as the sole basis for termination, an arrest may, however, trigger an investigation to determine whether the participant actually engaged in disqualifying criminal activity. As part of its investigation, the DCHA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. The DCHA may also consider:
  - Any statements made by witnesses or the participant not included in the police report
  - Whether criminal charges were filed
  - Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal
  - Any other evidence relevant to determining whether or not the participant engaged in disqualifying activity

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

- The DCHA will require the participant to submit evidence of the household member’s current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

In the case of program abuse, the dollar amount of the overpaid assistance and whether or not a false certification was signed by the family
Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, the DCHA’s decision to terminate the family’s assistance is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

DCHA Policy

If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of assistance, the DCHA will determine whether the behavior is related to the disability. If so, upon the family’s request, the DCHA will determine whether alternative measures are appropriate as a reasonable accommodation. The DCHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed termination of assistance. See Chapter 2 for a discussion of reasonable accommodation.
12-II.E. TERMINATIONS RELATED TO DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT OR STALKING

This section describes the protections against termination of assistance that the Violence against Women Act of 2022 (VAWA) provides for victims of domestic violence, dating violence, sexual assault and stalking. For general VAWA requirements, key VAWA definitions, and DCHA policies pertaining to notification, documentation, and confidentiality, see section 16-IX of this plan.

VAWA Protections against Termination

VAWA provides four specific protections against termination of HCV assistance for victims of domestic violence, dating violence, sexual assault or stalking. (Note: The second, third, and fourth protections also apply to terminations of tenancy or occupancy by owners participating in the HCV program, as do the limitations discussed under the next heading.)

First, VAWA provides that a PHA may not terminate assistance to a family that moves out of an assisted unit in violation of the lease, with or without prior notification to the DCHA, if the move occurred to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed they were imminently threatened by harm from further violence if they remained in the unit [24 CFR 982.354(b)(4)].

Second, it provides that an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking may not be construed either as a serious or repeated lease violation by the victim or as good cause to terminate the assistance of the victim [24 CFR 5.2005(c)(1)].

Third, it provides that criminal activity directly related to domestic violence, dating violence, sexual assault or stalking may not be construed as cause for terminating the assistance of a tenant if a member of the tenant’s household, a guest, or another person under the tenant’s control is the one engaging in the criminal activity and the tenant or affiliated individual or other individual is the actual or threatened victim of the domestic violence, dating violence, or stalking [24 CFR 5.2005(c)(2)].

Fourth, it gives PHAs the authority to terminate assistance to any tenant or lawful occupant who engages in criminal acts of physical violence against family members or others without terminating assistance to, or otherwise penalizing, the victim of the violence [24 CFR 5.2009(a)].
Limitations on VAWA Protections [24 CFR 5.2005(d) and (e)]

VAWA does not limit the authority of a PHA to terminate the assistance of a victim of abuse for reasons unrelated to domestic violence, dating violence, sexual assault or stalking so long as the DCHA does not subject the victim to a more demanding standard than it applies to other program participants [24 CFR 5.2005(d)(1)].

Likewise, VAWA does not limit the authority of a PHA to terminate the assistance of a victim of domestic violence, dating violence, sexual assault or stalking if the DCHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the assisted property if the victim is not terminated from assistance [24 CFR 5.2005(d)(2)].

HUD regulations define *actual and imminent threat* to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame, and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk
- The nature and severity of the potential harm
- The likelihood that the potential harm will occur
- The length of time before the potential harm would occur [24 CFR 5.2005(e)]

In order to demonstrate an actual and imminent threat, the DCHA must have objective evidence of words, gestures, actions, or other indicators. Even when a victim poses an actual and imminent threat, however, HUD regulations authorize a PHA to terminate the victim’s assistance “only when there are no other actions that could be taken to reduce or eliminate the threat” [24 CFR 5.2005(d)(3)].

**DCHA Policy**

In determining whether a program participant who is a victim of domestic violence, dating violence, sexual assault or stalking is an actual and imminent threat to other tenants or those employed at or providing service to a property, the DCHA will consider the following, and any other relevant, factors:

- Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, sexual assault or stalking
- Whether the threat is a physical danger beyond a speculative threat
- Whether the threat is likely to happen within an immediate time frame
- Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the participant wishes to contest the DCHA’s determination that they are an actual and imminent threat to other tenants or employees, the participant may do so as part of the informal hearing.
Documentation of Abuse [24 CFR 5.2007]

DCHA Policy

When an individual facing termination of assistance for reasons related to domestic violence, dating violence, sexual assault or stalking claims protection under VAWA, the DCHA will request that the individual provide documentation supporting the claim in accordance with the policies in section 16-IX.D of this plan.

The DCHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases the DCHA will document the waiver.

Terminating the Assistance of a Domestic Violence Perpetrator

Although VAWA provides protection against termination of assistance for victims of domestic violence, it does not provide such protection for perpetrators. VAWA gives the DCHA the explicit authority to “terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others” without terminating assistance to “or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant” [24 CFR 5.2009(a)]. This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if the DCHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance. This means that the DCHA must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [3/16/07 Federal Register notice on the applicability of VAWA to HUD programs].

If the perpetrator remains in the unit, the DCHA continues to pay the owner until the DCHA terminates the perpetrator from the program. The DCHA must not stop paying HAP until 30 days after the owner bifurcates the lease to evict the perpetrator. The DCHA may pay HAP for the full month if the 30-day period will end mid-month [Notice PIH 2017-08].

If the perpetrator is the only participant eligible to receive assistance, the DCHA will provide any remaining participant a chance to establish eligibility for the program. If the remaining participant cannot do so, the DCHA will provide them with 30 days to establish eligibility for another housing program prior to termination of the HAP contract.
**DCHA Policy**

The DCHA will terminate assistance to a family member if the DCHA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the assistance of the remaining, nonculpable family members.

In making its decision, the DCHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-5382) or other documentation of abuse submitted to the DCHA by the victim in accordance with this section and section 16-IX.D. The DCHA will also consider the factors in section 12-IL.D. Upon such consideration, the DCHA may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.

If the DCHA does terminate the assistance of the culpable family member, it will do so in accordance with applicable law, HUD regulations, and the policies in this plan.
12-II.F. TERMINATION NOTICE

HUD regulations require PHAs to provide written notice of termination of assistance to a family only when the family is entitled to an informal hearing. However, since the family’s HAP contract and lease will also terminate when the family’s assistance terminates [form HUD-52641], it is a good business practice to provide written notification to both owner and family anytime assistance will be terminated, whether voluntarily or involuntarily.

DCHA Policy

Whenever a family’s assistance will be terminated, the DCHA will send a written notice of termination to the family and to the owner. The DCHA will also send a form HUD-5382 and form HUD-5380 to the family with the termination notice. The notice will state the date on which the termination will become effective. This date generally will be at least 30 calendar days following the date of the termination notice, but exceptions will be made whenever HUD rules, other DCHA policies, or the circumstances surrounding the termination require.

When the DCHA notifies an owner that a family’s assistance will be terminated, the DCHA will, if appropriate, advise the owner of their right to offer the family a separate, unassisted lease.

If a family whose assistance is being terminated is entitled to an informal hearing, the notice of termination that the DCHA sends to the family must meet the additional HUD and DCHA notice requirements discussed in section 16-III.C of this plan. VAWA 2022 expands notification requirements to require PHAs to provide notice of VAWA rights and the HUD 5382 form when a DCHA terminates a household’s housing benefits.

DCHA Policy

Whenever the DCHA decides to terminate a family’s assistance because of the family’s action or failure to act, the DCHA will include in its termination notice the VAWA information described in section 16-IX.C of this plan and a form HUD-5382 and form HUD-5380. The DCHA will request in writing that a family member wishing to claim protection under VAWA notify the DCHA within 14 business days.

Still other notice requirements apply in two situations:

- If a criminal record is the basis of a family’s termination, the DCHA must provide a copy of the record to the subject of the record and the tenant so that they have an opportunity to dispute the accuracy and relevance of the record [24 CFR 982.553(d)(2)].
- If immigration status is the basis of a family’s termination, as discussed in section 12-I.D, the special notice requirements in section 16-III.D must be followed.
PART III: TERMINATION OF TENANCY BY THE OWNER

12-III.A. OVERVIEW
Termination of an assisted tenancy is a matter between the owner and the family; the DCHA is not directly involved. However, the owner is under some constraints when terminating an assisted tenancy. Termination of tenancy for certain reasons will also result in termination of assistance as discussed in this section.

12-III.B. GROUNDS FOR OWNER TERMINATION OF TENANCY [24 CFR 982.310, 24 CFR 5.2005(c), and Form HUD-52641-A, Tenancy Addendum]
During the term of the lease, the owner is not permitted to terminate the tenancy except for serious or repeated violations of the lease, certain violations of state or local law, or other good cause.

Serious or Repeated Lease Violations
The owner is permitted to terminate the family’s tenancy for serious or repeated violations of the terms and conditions of the lease, except when the violations are related to incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking and the victim is protected from eviction by the Violence against Women Act of 2022 (see section 12-II.E). A serious lease violation includes failure to pay rent or other amounts due under the lease.

Violation of Federal, State, or Local Law
The owner is permitted to terminate the tenancy if a family member violates federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

Criminal Activity or Alcohol Abuse
The owner may terminate tenancy during the term of the lease if any covered person—meaning any member of the household, a guest, or another person under the tenant’s control—commits any of the following types of criminal activity (for applicable definitions see 24 CFR 5.100):

- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises)
- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises
- Any violent criminal activity on or near the premises
- Any drug-related criminal activity on or near the premises

However, in the case of criminal activity directly related to domestic violence, dating violence, sexual assault or stalking, if the tenant or an affiliated individual is the victim, the criminal activity may not be construed as cause for terminating the victim’s tenancy (see section 12-II.E).
The owner may terminate tenancy during the term of the lease if any member of the household is:

- Fleeing to avoid prosecution, custody, or confinement after conviction for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or

- Violating a condition of probation or parole imposed under federal or state law.

The owner may terminate tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

**Evidence of Criminal Activity**

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction. This is the case except in certain incidents where the criminal activity directly relates to domestic violence, dating violence, sexual assault, or stalking, and the tenant or an affiliated individual is the victim or threatened victim of the domestic violence, dating violence, sexual assault, or stalking.

**Other Good Cause**

During the initial lease term, the owner may not terminate the tenancy for “other good cause” unless the owner is terminating the tenancy because of something the family did or failed to do. During the initial lease term or during any extension term, other good cause includes the disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises.

After the initial lease term, “other good cause” for termination of tenancy by the owner includes:

- Failure by the family to accept the offer of a new lease or revision

- The owner’s desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit

- A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, or desire to lease the unit at a higher rent)

After the initial lease term, the owner may give the family notice at any time, in accordance with the terms of the lease.

If a property is subject to foreclosure, during the term of the lease, the new owner of the property does not have good cause to terminate the tenant’s lease, unless the new owner will occupy the unit as their primary residence and has provided the tenant with at least a 90-day notice. In that case, the lease may be terminated effective on the date of sale, although the tenant is still entitled to a 90-day notice to vacate. See Section 13-II.G for a discussion of DCHA policies relating to units in foreclosure.
12-III.C. EVICTION [24 CFR 982.310(e) and (f) and Form HUD-52641-A, Tenancy Addendum]

The owner must give the tenant a written notice that specifies the grounds for termination of tenancy during the term of the lease. The tenancy does not terminate before the owner has given this notice, and the notice must be given at or before commencement of the eviction action.

The notice of grounds may be included in, or may be combined with, any owner eviction notice to the tenant.

Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. The owner may only evict the tenant from the unit by instituting a court action. The owner must give the DCHA a copy of any eviction notice at the same time the owner notifies the family. The family is also required to give the DCHA a copy of any eviction notice (see Chapter 5).

DCHA Policy

If the eviction action is finalized in court, the owner must provide the DCHA with documentation related to the eviction, including notice of the eviction date, as soon as possible, but no later than 5 business days following the court-ordered eviction.
12-III.D. DECIDING WHETHER TO TERMINATE TENANCY [24 CFR 982.310(h), 24 CFR 982.310(h)(4)]

An owner who has grounds to terminate a tenancy is not required to do so, and may consider all of the circumstances relevant to a particular case before making a decision. These might include:

- The nature of the offending action
- The seriousness of the offending action;
- The effect on the community of the termination, or of the owner’s failure to terminate the tenancy;
- The extent of participation by the leaseholder in the offending action;
- The effect of termination of tenancy on household members not involved in the offending activity;
- The demand for assisted housing by families who will adhere to lease responsibilities;
- The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- The effect of the owner’s action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the owner may require the tenant to submit evidence of the household member’s current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of tenancy actions must be consistent with the fair housing and equal opportunity provisions in 24 CFR 5.105.

An owner’s decision to terminate tenancy for incidents related to domestic violence, dating violence, sexual assault or stalking is limited by the Violence against Women Act of 2022 (VAWA) and the conforming regulations in 24 CFR Part 5, Subpart L. (See section 12-II.E.)

12-III.E. EFFECT OF TENANCY TERMINATION ON THE FAMILY’S ASSISTANCE

If a termination is not due to a serious or repeated violation of the lease, and if the DCHA has no other grounds for termination of assistance, the DCHA may issue a new voucher so that the family can move with continued assistance (see Chapter 10).
EXHIBIT 12-1: STATEMENT OF FAMILY OBLIGATIONS

Following is a listing of a participant family’s obligations under the HCV program:

- The family must supply any information that the DCHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.

- The family must supply any information requested by the DCHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.

- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.

- Any information supplied by the family must be true and complete.

- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

  **DCHA Policy**

  Damages beyond normal wear and tear will be considered to be damages which could be assessed against the security deposit.

- The family must allow the DCHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.

- The family must not commit any serious or repeated violation of the lease.

  **DCHA Policy**

  The DCHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner’s notice to evict, police reports, and affidavits from the owner, neighbors, or other credible parties with direct knowledge.

  **Serious and repeated lease violations** will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault or stalking will not be construed as serious or repeated lease violations by the victim [24 CFR 5.2005(c)(1)].

- The family must notify the DCHA and the owner before moving out of the unit or terminating the lease.

  **DCHA Policy**

  The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to the DCHA at the same time the owner is notified.
• The family must promptly give the DCHA a copy of any owner eviction notice.
• The family must use the assisted unit for residence by the family. The unit must be the family’s only residence.
• The composition of the assisted family residing in the unit must be approved by the DCHA. The family must promptly notify the DCHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request DCHA approval to add any other family member as an occupant of the unit.

**DCHA Policy**

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. The DCHA will determine eligibility of the new member in accordance with the policies in Chapter 3.

• The family must promptly notify the DCHA in writing if any family member no longer lives in the unit.

• If the DCHA has given approval, a foster child or a live-in aide may reside in the unit. The DCHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when DCHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).

• The family must not sublease the unit, assign the lease, or transfer the unit.

**DCHA Policy**

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

• The family must supply any information requested by the DCHA to verify that the family is living in the unit or information related to family absence from the unit.

• The family must promptly notify the DCHA when the family is absent from the unit.

**DCHA Policy**

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to the DCHA at the start of the extended absence.

• The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].

• The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).

• Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).
• Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and DCHA policies related to drug-related and violent criminal activity.

• Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and DCHA policies related to alcohol abuse.

• An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal or District housing assistance program.

• A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the DCHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]
Chapter 13

OWNERS

INTRODUCTION

Owners play a major role in the HCV program by supplying decent, safe, and sanitary housing for participating families.

The term “owner” refers to any person or entity with the legal right to lease or sublease a unit to a participant in the HCV program [24 CFR 982.4(b)]. The term “owner” includes a principal or other interested party [24 CFR 982.453; 24 CFR 982.306(f)], such as a designated agent of the owner.

Owners have numerous responsibilities under the program, including screening and leasing to families, maintaining the dwelling unit, enforcing the lease, and complying with various contractual obligations.

The chapter is organized in two parts:

- **Part I: Owners in the HCV Program.** This part discusses the role of an owner in the DCHA’s HCV program and highlights key owner rights and responsibilities.

- **Part II: HAP Contracts.** This part explains provisions of the HAP contract and the relationship between the DCHA and the owner as expressed in the HAP contract.

For detailed information about HCV program responsibilities and processes, including DCHA policies in key areas, owners will need to refer to several other chapters in this plan. Where appropriate, Chapter 13 will reference the other chapters.
PART I. OWNERS IN THE HCV PROGRAM

13-I.A. OWNER RECRUITMENT AND RETENTION [HCV GB, pp. 2-4 to 2-6; HCV Landlord Strategy Guidebook for PHAs]

Recruitment

PHAs are responsible for ensuring that very low-income families have access to all types and ranges of affordable housing in the DCHA’s jurisdiction, particularly housing outside areas of poverty or minority concentration. A critical element in fulfilling this responsibility is for the DCHA to ensure that a sufficient number of owners, representing all types and ranges of affordable housing in the DCHA’s jurisdiction, are willing to participate in the HCV program.

To accomplish this objective, PHAs must identify and recruit new owners to participate in the program.

If the DCHA will be conducting outreach events, the DCHA must ensure that notices and communications during outreach events are provided in a manner that is effective for persons with hearing, visual, and other communications-related disabilities. PHAs must also take reasonable steps to ensure meaningful access to programs to persons with limited English proficiency.

DCHA Policy

The DCHA will conduct owner outreach to ensure that owners are familiar with the program and its advantages. The DCHA will actively recruit property owners with property located outside areas of poverty and minority concentration. These outreach strategies may include:

- Distributing printed material about the program to property owners and managers
- Contacting property owners and managers by phone or in-person
- Holding ongoing virtual owner information sessions
- Participating in community-based organizations comprised of private property and apartment owners and managers
- Developing working relationships with owners, apartment associations, industry investor groups, and real estate brokers associations
- To the extent practical, partnering with and attending events hosted by other area agencies to deliver information about the HCV program

Outreach strategies will be monitored for effectiveness and adapted accordingly.
Retention

In addition to recruiting owners to participate in the HCV program, the DCHA must also provide the kind of customer service that will encourage participating owners to remain active in the program.

DCHA Policy

All DCHA activities that may affect an owner’s ability to lease a unit will be processed as rapidly as possible, in order to minimize vacancy losses for owners.

The DCHA will provide owners with online information that explains the program, including HUD and DCHA policies and procedures, in easy-to-understand language.

The DCHA will give special attention to helping new owners succeed through activities such as:

- Providing the owner with a designated DCHA contact person.
- Coordinating inspection and leasing activities between the DCHA, the owner, and the family.
- Initiating contact with the owner to direct them to the DCHA’s online resources that explain the inspection process and provide other information about HUD housing quality standards.
- Providing other written information about how the program operates including answers to frequently asked questions.
- Contacting owners to disseminate information.

Additional services may be undertaken on an as-needed basis, and as resources permit.
13-I.B. BASIC HCV PROGRAM REQUIREMENTS

HUD requires the DCHA to assist families in their housing search by providing the family with a list of landlords or other parties known to the DCHA who may be willing to lease a unit to the family, or to help the family find a unit. Although the DCHA cannot maintain a list of owners that are pre-qualified to participate in the program, owners may indicate to the DCHA their willingness to lease a unit to an eligible HCV family, or to help the HCV family find a unit [24 CFR 982.301(b)(11)].

DCHA Policy

Owners that wish to indicate their willingness to lease a unit to an eligible HCV family or to help the HCV family find a unit must notify the DCHA. The DCHA will maintain a listing of such owners and provide this listing to the HCV family as part of the informational briefing packet.

When a family approaches an owner to apply for tenancy, the owner is responsible for screening the family and deciding whether to lease to the family, just as the owner would with any potential unassisted tenant. The DCHA has no liability or responsibility to the owner or other persons for the family’s behavior or suitability for tenancy. See chapters 3 and 9 for more detail on tenant family screening policies and process.

If the owner is willing, the family and the owner must jointly complete a Request for Tenancy Approval (RTA, Form HUD 52517), which constitutes the family’s request for assistance in the specified unit, and which documents the owner’s willingness to lease to the family and to follow the program’s requirements. When submitted to the DCHA, this document is the first step in the process of obtaining approval for the family to receive the financial assistance it will need in order to occupy the unit. Also submitted with the RTA is a copy of the owner’s proposed dwelling lease, including the HUD-required Tenancy Addendum (Form HUD-52641-A). See Chapter 9 for more detail on request for tenancy approval policies and process.

HUD regulations stipulate requirements for the approval of an assisted tenancy.

The owner must be qualified to participate in the program [24 CFR 982.306]. Some owners are precluded from participating in the program, or from renting to a particular family, either because of their past history with this or another federal housing program, or because of certain conflicts of interest. Owner qualifications are discussed later in this chapter.

The selected unit must be of a type that is eligible for the program [24 CFR 982.305(a)]. Certain types of dwelling units cannot be assisted under the HCV program. Other types may be assisted under certain conditions. See chapter 9 for more detail on unit eligibility policies and process.

The selected unit must meet HUD’s Housing Quality Standards (HQS) and/or equivalent district or local standards approved by HUD [24 CFR 982.305(a)]. The DCHA will inspect the owner’s dwelling unit at least annually to ensure that the unit continues to meet HQS requirements. See chapter 8 for a discussion of the HQS standards and policies for HQS inspections at initial lease-up and throughout the family’s tenancy.
The DCHA must determine that the proposed rent for the unit is reasonable [24 CFR 982.305(a)]. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See chapter 8 for a discussion of requirements and policies on rent reasonableness, rent comparability and the rent reasonableness determination process.

At initial lease-up of a unit, if the gross rent exceeds the applicable payment standard, the DCHA must ensure that the family share does not exceed 40 percent of the family’s monthly adjusted income [24 CFR 982.305(a)]. See chapter 6 for a discussion of the calculation of family income, family share of rent and HAP.

The dwelling lease must comply with all program requirements [24 CFR 982.308]. Owners are encouraged to use their standard leases when renting to an assisted family. The HUD Tenancy Addendum includes the HUD requirements governing the tenancy and must be added word-for-word to the owner’s lease. See chapter 9 for a discussion of the dwelling lease and tenancy addendum, including lease terms and provisions.

The DCHA and the owner must execute a Housing Assistance Payment (HAP) Contract (Form HUD-52641). The HAP contract format is prescribed by HUD. See chapter 9 for a discussion of the HUD requirements for execution of the HAP contract.
13-I.C. OWNER RESPONSIBILITIES [24 CFR 982.452]

The basic owner responsibilities in the HCV program are outlined in the regulations as follows:

- Complying with all of the owner’s obligations under the housing assistance payments (HAP) contract and the lease
- Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit
- Maintaining the unit in accordance with the Housing Quality Standards (HQS), including performance of ordinary and extraordinary maintenance
- Complying with equal opportunity requirements
- Preparing and furnishing to the DCHA information required under the HAP contract
- Collecting the security deposit, the tenant rent, and any charges for unit damage by the family.
- Enforcing tenant obligations under the dwelling lease
- Paying for utilities and services that are not the responsibility of the family as specified in the lease
- Allowing reasonable modifications to a dwelling unit occupied or to be occupied by a disabled person [24 CFR 100.203]
- Complying with the Violence against Women Reauthorization Act of 2013 (VAWA) when screening prospective HCV tenants or terminating the tenancy of an HCV family (see 24 CFR Part 5, Subpart L; 24 CFR 982.310(h)(4); and 24 CFR 982.452(b)(1))
13-I.D. OWNER QUALIFICATIONS

The DCHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the DCHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)].

Owners Barred from Participation [24 CFR 982.306(a) and (b)]

The DCHA must not approve the assisted tenancy if the DCHA has been informed that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24. HUD may direct the DCHA not to approve a tenancy request if a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements, or if such an action is pending.

Leasing to Relatives [24 CFR 982.306(d), HCV GB p. 11-2]

The DCHA must not approve a tenancy if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family. The DCHA may make an exception as a reasonable accommodation for a family member with a disability. The owner is required to certify that no such relationship exists. This restriction applies at the time that the family receives assistance under the HCV program for occupancy of a particular unit. Current contracts on behalf of owners and families that are related may continue, but any new leases or contracts for these families may not be approved.

Conflict of Interest [24 CFR 982.161; HCV GB p. 8-19; Form HUD-52641, Section 13]

The DCHA must not approve a tenancy in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:

- Any present or former member or officer of the DCHA (except a participant commissioner)
- Any employee of the DCHA, or any contractor, subcontractor or agent of the DCHA, who formulates policy or who influences decisions with respect to the programs
- Any public official, member of a governing body, or district or local legislator, who exercises functions or responsibilities with respect to the programs
- Any member of the Congress of the United States

Such “covered individual” may not have any direct or indirect interest in the HAP contract or in any benefits or payments under the contract (including the interest of an immediate family member of such covered individual) while such person is a covered individual or for one year thereafter.

*Immediate family member* means the spouse, parent (including a stepparent), child (including a stepchild), grandparent, grandchild, sister, or brother (including a stepsister or stepbrother) of any covered individual.
HUD may waive the conflict of interest requirements, except for members of Congress, for good cause. The DCHA must submit a waiver request to the appropriate HUD Field Office for determination.

Any waiver request submitted by the DCHA must include the following [HCV Guidebook pp.11-2 and 11-3]:

- Complete statement of the facts of the case;
- Analysis of the specific conflict of interest provision of the HAP contract and justification as to why the provision should be waived;
- Analysis of and statement of consistency with district and local laws. The local HUD office, the DCHA, or both parties may conduct this analysis. Where appropriate, an opinion by the district’s attorney general should be obtained;
- Opinion by the local HUD office as to whether there would be an appearance of impropriety if the waiver were granted;
- Statement regarding alternative existing housing available for lease under the HCV program or other assisted housing if the waiver is denied;
- If the case involves a hardship for a particular family, statement of the circumstances and discussion of possible alternatives;
- If the case involves a public official or member of the governing body, explanation of their duties under district or local law, including reference to any responsibilities involving the HCV program;
- If the case involves employment of a family member by the DCHA or assistance under the HCV program for an eligible DCHA employee, explanation of the responsibilities and duties of the position, including any related to the HCV program;
- If the case involves an investment on the part of a member, officer, or employee of the DCHA, description of the nature of the investment, including disclosure/divestiture plans.

Where the DCHA has requested a conflict of interest waiver, the DCHA may not execute the HAP contract until HUD has made a decision on the waiver request.

**DCHA Policy**

In considering whether to request a conflict of interest waiver from HUD, the DCHA will consider certain factors such as consistency of the waiver with district and local laws, the existence of alternative housing available to families, the individual circumstances of a particular family, the specific duties of individuals whose positions present a possible conflict of interest, the nature of any financial investment in the property and plans for disclosure/divestiture, and the possible appearance of impropriety.
Owner Actions That May Result in Disapproval of a Tenancy Request [24 CFR 982.306(c)]

HUD regulations permit the DCHA to disapprove a request for tenancy for various actions and inactions of the owner.

If the DCHA disapproves a request for tenancy because an owner is not qualified, it may not terminate the HAP contract for any assisted families that are already living in the owner’s properties unless the owner has violated the HAP contract for those units [HCV GB p. 11-4].

DCHA Policy

The DCHA may refuse to approve a request for tenancy if the DCHA becomes aware that any of the following are true:

- The owner has violated obligations under a HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f);
- The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The owner has engaged in any drug-related criminal activity or any violent criminal activity;
- The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs, or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program;
- The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest or another person under the control of any member of the household that:
  - Threatens the right to peaceful enjoyment of the premises by other residents;
  - Threatens the health or safety of other residents, of employees of the DCHA, or of owner employees or other persons engaged in management of the housing;
  - Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or
  - Is drug-related criminal activity or violent criminal activity; or
- The owner has a history or practice of renting units that fail to meet district or local housing codes.

In considering whether to disapprove owners for any of the discretionary reasons listed above, the DCHA will consider any mitigating factors. Such factors may include, but are not limited to, the seriousness of the violation in relation to program requirements, the impact on the ability of families to lease units under the program, health and safety of participating families, among others. Upon
consideration of such circumstances, the DCHA may, on a case-by-case basis, choose to approve an owner.

**Legal Ownership of Unit**

The following represents DCHA policy on legal ownership of a dwelling unit to be assisted under the HCV program.

**DCHA Policy**

The DCHA will only enter into a contractual relationship with the legal owner of a qualified unit. No tenancy will be approved without acceptable documentation of legal ownership (e.g., deed, deed of trust, proof of taxes for most recent year).

**13-I.E. NON-DISCRIMINATION [HAP Contract – Form HUD-52641]**

The owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability, in connection with any actions or responsibilities under the HCV program and the HAP contract with the DCHA.

The owner must cooperate with the DCHA and with HUD in conducting any equal opportunity compliance reviews and complaint investigations in connection with the HCV program and the HAP contract with the DCHA.

See Chapter 2 for a more thorough discussion of Fair Housing and Equal Opportunity requirements in the HCV program.
PART II. HAP CONTRACTS

13-II.A. OVERVIEW

The HAP contract represents a written agreement between the DCHA and the owner of the dwelling unit occupied by a HCV assisted family. The contract spells out the owner’s responsibilities under the program, as well as the DCHA’s obligations. Under the HAP contract, the DCHA agrees to make housing assistance payments to the owner on behalf of the family approved by the DCHA to occupy the unit.

The HAP contract is used for all HCV tenant-based program tenancies except for assistance under the Section 8 homeownership program, and assistance to families that own a manufactured home and use their assistance to lease the space for the manufactured home. See chapter 15 for a discussion of any special housing types included in the DCHA’s HCV program.

When the DCHA has determined that the unit meets program requirements and the tenancy is approvable, the DCHA and owner must execute the HAP contract. See chapter 9 for a discussion of the leasing process, including provisions for execution of the HAP contract.
13-II.B. HAP CONTRACT CONTENTS

The HAP contract format is required by HUD, specifically Housing Assistance Payment (HAP) Contract, Form HUD-52641.

The HAP contract contains three parts.

Part A of the contract includes basic contract information: the names of the tenant and all household members, the address of the contract unit, start and end dates of initial lease term, the amount of initial monthly rent to owner, the amount of initial housing assistance payment, the utilities and appliances to be supplied by owner and tenant, and the signatures of the DCHA representative and owner [HCV Guidebook, pp. 11-10 and 11-11].

In general, the HAP contract cannot be modified. However, PHAs do have the discretion to add language to Part A of the HAP contract which prohibits the owner from collecting a security deposit in excess of private market practices or in excess of amounts charged to unassisted tenants. DCHA policy on the amount of security deposit an owner may collect is found in Chapter 9.

PHAs also have the discretion to add language to Part A of the HAP contract that defines when the housing assistance payment by the DCHA is deemed received by the owner (e.g., upon mailing by the PHA or actual receipt by the owner).
Part B is the body of the contract. It describes in detail program requirements affecting the owner and owner roles and responsibilities under the HCV program. Most of the requirements contained in Part B of the HAP contract are outlined elsewhere in this plan. Topics addressed in Part B include:

- Lease of Contract Unit
- Maintenance, Utilities, and Other Services
- Term of HAP Contract
- Provision and Payment of Utilities and Appliances
- Rent to Owner: Reasonable Rent
- DCHA Payment to Owner
- Prohibition of Discrimination
- Owner’s Breach of HAP Contract
- DCHA and HUD Access to Premises and Owner’s Records
- Exclusion of Third Party Rights
- Conflict of Interest
- Assignment of the HAP Contract
- Written Notices
- Entire Agreement Interpretation

Part C of the contract includes the Tenancy Addendum (Form HUD-52641-A). The addendum sets forth the tenancy requirements for the program and the composition of the household, as approved by the DCHA. The tenant has the right to enforce the Tenancy Addendum against the owner. The terms of the Tenancy Addendum prevail over any other provisions of the lease.
13-II.C. HAP CONTRACT PAYMENTS

General
During the term of the HAP contract, and subject to the provisions of the HAP contract, the DCHA must make monthly HAP payments to the owner on behalf of the family at the beginning of each month. If a lease term begins after the first of the month, the HAP payment for the first month is prorated for a partial month.

The amount of the HAP payment is determined according to the policies described in Chapter 6 and is subject to change during the term of the HAP contract. The DCHA must notify the owner and the family in writing of any changes in the HAP payment.

HAP payments can be made only during the lease term, and only while the family is residing in the unit.

The monthly HAP payment by the DCHA is credited toward the monthly rent to owner under the family’s lease. The total of the rent paid by the tenant and the HAP payment is equal to the rent to owner as specified in the lease.

The family is not responsible for payment of the HAP payment, and the DCHA is not responsible for payment of the family share of rent.

The family’s share of the rent cannot be more than the difference between the rent to owner and the HAP payment. The owner may not demand or accept any rent payment from the tenant in excess of this maximum [24 CFR 982.451(b)(4)]. The owner may not charge the tenant extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)]. See chapter 9 for a discussion of separate, non-lease agreements for services, appliances and other items that are not included in the lease.

If the owner receives any excess HAP from the DCHA, the excess amount must be returned immediately. If the DCHA determines that the owner is not entitled to all or a portion of the HAP, the DCHA may deduct the amount of overpayment from any amounts due to the owner, including amounts due under any other Section 8 HCV contract. See Chapter 16 for additional detail on owner reimbursement of HAP overpayments.

Owner Certification of Compliance
Unless the owner complies with all provisions of the HAP contract, the owner is not entitled to receive housing assistance payments under the HAP contract [HAP Contract – Form HUD-52641].

By accepting the monthly check from the DCHA, the owner certifies to compliance with the terms of the HAP contract. This includes certification that the owner is maintaining the unit and premises in accordance with HQS; that the contract unit is leased to the tenant family and, to the best of the owner’s knowledge, the family resides in the unit as the family’s only residence; the rent to owner does not exceed rents charged by the owner for comparable unassisted units on the premises; and that the owner does not receive (other than rent to owner) any additional payments or other consideration for rent of the contract unit during the HAP term.
Late HAP Payments [24 CFR 982.451(a)(5)]

The DCHA is responsible for making HAP payments promptly when due to the owner, in accordance with the terms of the HAP contract. After the first two calendar months of the HAP contract term, the HAP contract provides for late penalties if the DCHA fails to make the HAP payment on time.

Penalties for late HAP payments can only be imposed if 1) the penalties are in accordance with generally accepted local rental market practices and law governing penalties for late payment by tenants; 2) it is the owner’s normal business practice to charge late payment penalties for both assisted and unassisted families; and 3) the owner charges the assisted family for late payment of the family’s share of the rent.

The DCHA is not required to pay a late payment penalty if HUD determines that the payment is late for reasons beyond the DCHA’s control. In addition, late payment penalties are not required if the DCHA intentionally delays or denies payment as a remedy to an owner breach of the HAP contract [HCV Guidebook p. 11-7].

Termination of HAP Payments [24 CFR 982.311(b)]

The DCHA must continue making housing assistance payments to the owner in accordance with the HAP contract as long as the tenant continues to occupy the unit and the HAP contract is not violated.

HAP payments terminate when the HAP contract terminates or when the tenancy is terminated in accordance with the terms of the lease.

If the owner has initiated eviction proceedings against the family and the family continues to reside in the unit, the DCHA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

DCHA Policy

The owner must inform the DCHA when the owner has initiated eviction proceedings against the family and the family continues to reside in the unit.

The owner must inform the DCHA when the owner has obtained a court judgment or other process allowing the owner to evict the tenant and provide the DCHA with a copy of such judgment or determination.

After the owner has obtained a court judgment or other process allowing the owner to evict the tenant, the DCHA will continue to make HAP payments to the owner until the family actually moves from the unit or until the family is physically evicted from the unit, whichever is earlier. The owner must inform the DCHA of the date when the family actually moves from the unit or the family is physically evicted from the unit.
13-II.D. BREACH OF HAP CONTRACT [24 CFR 982.453]

Any of the following actions by the owner constitutes a breach of the HAP contract:

- If the owner violates any obligations under the HAP contract including failure to maintain the unit in accordance with HQS
- If the owner has violated any obligation under any other HAP contract under Section 8
- If the owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program
- For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulation for the applicable program; or if the owner has committed fraud, bribery or any other corrupt or criminal act in connection with the mortgage or loan
- If the owner has engaged in drug-related criminal activity
- If the owner has committed any violent criminal activity

If the DCHA determines that a breach of the HAP contract has occurred, it may exercise any of its rights and remedies under the HAP contract.

The DCHA rights and remedies against the owner under the HAP contract include recovery of any HAP overpayment, suspension of housing assistance payments, abatement or reduction of the housing assistance payment, termination of the payment or termination of the HAP contract. The DCHA may also obtain additional relief by judicial order or action.

The DCHA must notify the owner of its determination and provide in writing the reasons for the determination. The notice may require the owner to take corrective action by an established deadline. The DCHA must provide the owner with written notice of any reduction in housing assistance payments or the termination of the HAP contract.

DCHA Policy

Before the DCHA invokes a remedy against an owner, the DCHA will evaluate all information and documents available to determine if the contract has been breached.

If relevant, the DCHA will conduct an audit of the owner’s records pertaining to the tenancy or unit.

If it is determined that the owner has breached the contract, the DCHA will consider all of the relevant factors including the seriousness of the breach, the effect on the family, the owner’s record of compliance and the number and seriousness of any prior HAP contract violations.
13-II.E. HAP CONTRACT TERM AND TERMINATIONS

The term of the HAP contract runs concurrently with the term of the dwelling lease [24 CFR 982.451(a)(2)], beginning on the first day of the initial term of the lease and terminating on the last day of the term of the lease, including any lease term extensions.

The HAP contract and the housing assistance payments made under the HAP contract terminate if [HCV Guidebook pp.11-4 and 11-5, pg. 15-3]:

- The owner or the family terminates the lease;
- The lease expires;
- The DCHA terminates the HAP contract;
- The DCHA terminates assistance for the family;
- The family moves from the assisted unit. In this situation, the owner is entitled to keep the housing assistance payment for the month when the family moves out of the unit.
- 180 calendar days have elapsed since the DCHA made the last housing assistance payment to the owner;
- The family is absent from the unit for longer than the maximum period permitted by the DCHA (see Chapter 12);
- The Annual Contributions Contract (ACC) between the DCHA and HUD expires;
- The DCHA elects to terminate the HAP contract.

DCHA Policy

The DCHA may elect to terminate the HAP contract in each of the following situations:

- Available program funding is not sufficient to support continued assistance for families in the program [24 CFR 982.454];
- The unit does not meet HQS size requirements due to change in family composition [24 CFR 982.403] – see chapter 8;
- The unit does not meet HQS [24 CFR 982.404] – see chapter 8;
- The family breaks up [HUD Form 52641] – see chapter 3;
- The owner breaches the HAP contract [24 CFR 982.453(b)] – see Section 13-II.D.
If the DCHA terminates the HAP contract, the DCHA must give the owner and the family written notice. The notice must specify the reasons for the termination and the effective date of the termination. Once a HAP contract is terminated, no further HAP payments may be made under that contract [HCV Guidebook pg.15-4].

**DCHA Policy**

Generally, the HAP contract terminates at the end of the calendar month that follows the calendar month in which the DCHA gives written notice to the owner.

The DCHA cannot make any HAP payment for any month after the month the family vacates the unit.

The owner is not entitled to any housing assistance payment after this period and must return to the DCHA any housing assistance payment received after this period.

If the family moves from the assisted unit into a new unit, even if the new unit is in the same building or complex as the assisted unit, the HAP contract for the assisted unit terminates. A new HAP contract would be required [HCV GB, p. 11-17].

When the family moves from an assisted unit into a new unit, the term of the HAP contract for the new unit may begin in the same month in which the family moves out of its old unit. This is not considered a duplicative subsidy [HCV GB, p. 8-22].
13-II.F. CHANGE IN OWNERSHIP / ASSIGNMENT OF THE HAP CONTRACT [HUD-52641]

The HAP contract cannot be assigned to a new owner without the prior written consent of the DCHA.

An owner under a HAP contract must notify the DCHA in writing prior to a change in the legal ownership of the unit. The owner must supply all information as requested by the DCHA.

Prior to approval of assignment to a new owner, the new owner must agree to be bound by and comply with the HAP contract. The agreement between the new owner and the former owner must be in writing and in a form that the DCHA finds acceptable. The new owner must provide the DCHA with a copy of the executed agreement.

**DCHA Policy**

Assignment of the HAP contract will be approved only if the new owner is qualified to become an owner under the HCV program according to the policies in Section 13-I.D. of this chapter.

The DCHA must receive a signed, written request from the existing owner stating the name and address of the new HAP payee and the effective date of the assignment in order to change the HAP payee under an outstanding HAP contract.

Within 10 business days of receiving the owner’s request, the DCHA will inform the current owner in writing whether the assignment may take place.

The new owner must provide a written certification to the DCHA that includes:

- A copy of the escrow statement or other document showing the transfer of title and recorded deed;
- A copy of the owner’s IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the social security number of the new owner;
- The effective date of the HAP contract assignment;
- A written agreement to comply with the terms of the HAP contract; and
- A certification that the new owner is not a prohibited relative.

If the new owner does not agree to an assignment of the HAP contract, or fails to provide the necessary documents, the DCHA will terminate the HAP contract with the old owner. If the new owner wants to offer the family a new lease, and the family elects to stay with continued assistance, the DCHA will process the leasing in accordance with the policies in Chapter 9. No new HAP or lease will be needed if the assignment is accepted.
13-II.G. FORECLOSURE [Notice PIH 2010-49]

Families receiving HCV assistance are entitled to certain protections set forth under the Protecting Tenants at Foreclosure Act (PTFA). During the term of the lease, the new owner of the property does not have good cause to terminate the tenant’s lease, unless the new owner will occupy the unit as their primary residence and has provided the tenant with at least a 90-day notice. In that case, the lease may be terminated effective on the date of sale, although the tenant is still entitled to a 90-day notice to vacate. Further, the new owner assumes interest in the lease between the prior owner and the tenant and to the HAP contract.

Any district or local law that provides longer time periods or other additional protections for tenants also applies.

DCHA Policy

If a property is in foreclosure, the DCHA will make all reasonable efforts to determine the status of the foreclosure and ownership of the property and will continue to make payments to the original owner until ownership legally transfers in accordance with the HAP contract.

The DCHA will attempt to obtain a written acknowledgement of the assignment of the HAP contract from the successor in interest. This will include a request for owner information, including a tax identification number and payment instructions from the new owner. Even if the new owner does not acknowledge the assignment of the HAP contract in writing, the assignment is still effective by operation of law.

The DCHA will inform the tenant that they must continue to pay rent in accordance with the lease, and if the new owner refuses to accept payment or cannot be identified, the tenant should pay rent into escrow. Failure to pay rent may constitute an independent ground for eviction.

In the event that the DCHA is unable to make HAP payments to the new owner due to an action or inaction by the new owner that prevents such payments (e.g., rejection of payments or failure to maintain the property according to HQS), or due to an inability to identify the new owner, the DCHA will either use the funds to pay:

The utilities that are the owner’s responsibility after taking reasonable steps to notify the owner; except that if the unit has been or will be rendered uninhabitable due to termination or threat of termination of service, prior notice is not required. In the latter case, the DCHA shall notify the owner within a reasonable time after making the utility payment; or

For the family’s reasonable moving costs, including security deposit costs.

The DCHA will also refer the tenant, as needed, to the local legal aid office in order to ensure adequate protection of the tenant’s rights and enforcement of the successor in interest’s performance under the HAP contract.

See Section 12-III.B for a discussion of foreclosure as it pertains to owner termination of tenancy.
Chapter 14

PROGRAM INTEGRITY

INTRODUCTION

The DCHA is committed to ensuring that subsidy funds made available to the DCHA are spent in accordance with HUD requirements.

This chapter covers HUD and DCHA policies designed to prevent, detect, investigate, and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents DCHA policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures the DCHA must and may take when errors or program abuses are found.
PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE

14-I.A. PREVENTING ERRORS AND PROGRAM ABUSE

HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and detecting program abuse. PHAs are required to use the EIV system in its entirety in accordance with HUD administrative guidance [24 CFR 5.233]. PHAs are further required to:

- Provide applicants and participants with form HUD-52675, “Debts Owed to PHAs and Terminations”
- Require all adult members of an applicant or participant family to acknowledge receipt of form HUD-52675 by signing a copy of the form for retention in the family file

DCHA Policy

To ensure that the DCHA’s HCV program is administered according to the highest ethical and legal standards, the DCHA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

The DCHA will discuss program compliance and integrity issues during the voucher briefing sessions described in Chapter 5.

The DCHA will provide each applicant and participant with a copy of “Is Fraud Worth It?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse.

The DCHA will provide each applicant and participant with a copy of “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12. In addition, the DCHA will require the head of each household to acknowledge receipt of the guide by signing a copy for retention in the family file.

The DCHA will place a warning statement about the penalties for fraud (as described in 18 U.S.C. 1001 and 1010) on key DCHA forms and form letters that request information from a family or owner.

DCHA staff will be required to review and explain the contents of all HUD- and DCHA-required forms prior to requesting family member signatures.

At every regular reexamination, DCHA staff will explain any changes in HUD regulations or DCHA policy that affect program participants.

The DCHA may require first-time owners (or their agents) to participate in a briefing session on HAP contract requirements.

The DCHA will provide owners with ongoing information about the program, with an emphasis on actions and situations to avoid.

The DCHA will provide each DCHA employee with the necessary training on program rules and the organization’s standards of conduct and ethics.
For purposes of this chapter the term *error* refers to an unintentional error or omission. *Program abuse or fraud* refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

**14-LB. DETECTING ERRORS AND PROGRAM ABUSE**

In addition to taking steps to prevent errors and program abuse, the DCHA will use a variety of activities to detect errors and program abuse.

**Quality Control and Analysis of Data**

Under the Section 8 Management Assessment Program (SEMAP), HUD requires the DCHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure HQS compliance [24 CFR, Part 985]. (See Chapter 16 for additional information about SEMAP requirements).

**DCHA Policy**

In addition to the DCHA quality control requirements, the DCHA will employ a variety of methods to detect errors and program abuse.

The DCHA routinely will use HUD and other non-HUD sources of up-front income verification. This may include The Work Number and any other private or public databases available to the DCHA.

At each biennial/triennial reexamination, current information provided by the family will be compared to information provided at the last reexamination to identify inconsistencies and incomplete information. See chapter 11 for a complete list of items required for reexamination.

The DCHA will compare family-reported income and expenditures to detect possible unreported income.

**Independent Audits and HUD Monitoring**

OMB Circular A-133 requires all PHAs that expend $500,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of PHA activities and notifies the DCHA of errors and potential cases of program abuse.

**DCHA Policy**

The DCHA will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of the DCHA’s error detection and abuse prevention efforts.

**Individual Reporting of Possible Errors and Program Abuse**

**DCHA Policy**

The DCHA will encourage staff, program participants, and the public to report possible program abuse.
14-L.C. INVESTIGATING ERRORS AND PROGRAM ABUSE

When the DCHA Will Investigate

DCHA Policy

The DCHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for the DCHA to investigate, the allegation must contain at least one independently verifiable item of information, such as the name of an employer or the name of an unauthorized household member.

The DCHA will investigate when inconsistent or contradictory information is detected through file reviews and the verification process.

Consent to Release of Information [24 CFR 982.516]

The DCHA may investigate possible instances of error or abuse using all available DCHA and public records. If necessary, the DCHA will require HCV families to sign consent forms for the release of additional information.

Analysis and Findings

DCHA Policy

The DCHA will base its evaluation on a preponderance of the evidence collected during its investigation.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

For each investigation the DCHA will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed the DCHA, and (3) what corrective measures or penalties will be assessed.
Consideration of Remedies

All errors and instances of program abuse must be corrected prospectively. Whether the DCHA will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

DCHA Policy

In the case of family-caused errors or program abuse, the DCHA will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

In the case of owner-caused errors or program abuse, the DCHA will take into consideration (1) the seriousness of the offense, (2) the length of time since the violation has occurred, and (3) the effects of a particular remedy on family members who were not involved in the offense.

Notice and Appeals

DCHA Policy

The DCHA will inform the relevant party in writing of its findings and remedies within 10 business days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which the DCHA determined the error or program abuses, (3) the remedies to be employed, and (4) the family’s right to appeal the results through the informal review or hearing process, if applicable (see Chapter 16).
PART II: CORRECTIVE MEASURES AND PENALTIES

14-II.A. SUBSIDY UNDER- OR OVERPAYMENTS

A subsidy under- or overpayment includes (1) an incorrect housing assistance payment to the owner, (2) an incorrect family share established for the family, and (3) an incorrect utility reimbursement to a family.

Corrections

Whether the incorrect subsidy determination is an overpayment or underpayment of subsidy, the DCHA must promptly correct the HAP, family share, and any utility reimbursement prospectively.

DCHA Policy

Increases in the family share will be implemented on the first of the month following a written 30-day notice.

Any decreases in family share will become effective the first of the month following the discovery of the error.

Reimbursement

Whether the family or owner is required to reimburse the DCHA or the DCHA is required to make retroactive subsidy payments to the owner or family depends upon which party is responsible for the incorrect subsidy payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.
14-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE

Family obligations and general administrative requirements for participating in the program are discussed throughout this plan. This section deals specifically with errors and program abuse by family members.

An incorrect subsidy determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows the DCHA to use incorrect information provided by a third party.

**Family Reimbursement to DCHA [HCV GB pp. 22-12 to 22-13]**

DCHA Policy

In the case of family-caused errors or program abuse, the family will be required to repay any excess subsidy received. The DCHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, the DCHA will terminate the family’s assistance in accordance with the policies in Chapter 12.

**DCHA Reimbursement to Family [HCV GB p. 22-12]**

DCHA Policy

The DCHA will not reimburse the family for any underpayment of assistance when the underpayment clearly is caused by the family. For errors due to DCHA processing, DCHA will reimburse the family.
Prohibited Actions

An applicant or participant in the HCV program must not knowingly:

- Make a false statement to the DCHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.552(c)(iv)].

DCHA Policy

Any of the following will be considered evidence of family program abuse:

- Payment to the owner in excess of amounts authorized by the DCHA for rent, security deposit, and additional services
- Offering bribes or illegal gratuities to the DCHA Board of Commissioners, employees, contractors, or other DCHA representatives
- Offering payments or other incentives to the owner or a third party as an inducement for the third party to make false or misleading statements to the DCHA on the family’s behalf
- Use of a false name or the use of falsified, forged, or altered documents
- Intentional misreporting of family information or circumstances (e.g. income, family composition)
- Omitted facts that were obviously known by a family member (e.g., not reporting employment income)
- Admission of program abuse by an adult family member

The DCHA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

Penalties for Program Abuse

In the case of program abuse caused by a family the DCHA may, at its discretion, impose any of the following remedies.

- The DCHA may require the family to repay excess subsidy amounts paid by the DCHA, as described earlier in this section.
- The DCHA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 12 (for participants).
- The DCHA may deny or terminate the family’s assistance following the policies set forth in Chapter 3 and Chapter 12 respectively.
- The DCHA may refer the family for district or federal criminal prosecution as described in section 14-II.E.
14-II.C. OWNER-CAUSED ERROR OR PROGRAM ABUSE

Owner requirements that are part of the regular process of offering, leasing, and maintaining a unit (e.g., HQS compliance, fair housing) are addressed in the appropriate chapters of this plan. This section focuses on errors and program abuse by owners.

An incorrect subsidy determination caused by an owner generally would be the result of an incorrect owner statement about the characteristics of the assisted unit (e.g., the number of bedrooms, which utilities are paid by the family). It also includes accepting duplicate housing assistance payments for the same unit in the same month, or after a family no longer resides in the unit.

Owner Reimbursement to the DCHA

In all cases of overpayment of subsidy caused by the owner, the owner must repay to the DCHA any excess subsidy received. The DcHA may recover overpaid amounts by withholding housing assistance payments due for subsequent months, or if the debt is large, the DCHA may allow the owner to pay in installments over a period of time [HCV GB p. 22-13].

DCHA Policy

In cases where the owner has received excess subsidy, the DCHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

Prohibited Owner Actions

An owner participating in the HCV program must not:

- Make any false statement to the DCHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.453(a)(3)] including:
DCHA Policy

Any of the following will be considered evidence of owner program abuse:

- Charging the family rent above or below the amount specified by the DCHA
- Charging a security deposit other than that specified in the family’s lease
- Charging the family for services that are provided to unassisted tenants at no extra charge
- Knowingly accepting housing assistance payments for any month(s) after the family has vacated the unit
- Knowingly accepting incorrect or excess housing assistance payments
- Offering bribes or illegal gratuities to the DCHA Board of Commissioners, employees, contractors, or other DCHA representatives
- Offering payments or other incentives to an HCV family as an inducement for the family to make false or misleading statements to the DCHA
- Residing in the unit with an assisted family
- Committing sexual or other harassment, either quid pro quo or hostile environment, based on the protected classes defined in Chapter 2
- Retaliating against any applicant or participant reporting/alleging sexual or other harassment, either quid pro quo or hostile environment, based on the protected classes defined in Chapter 2

Remedies and Penalties

When the DCHA determines that the owner has committed program abuse, the DCHA may take any of the following actions:

- Require the owner to repay excess housing assistance payments, as discussed earlier in this section and in accordance with the policies in Chapter 16.
- Terminate the HAP contract (See Chapter 13).
- Bar the owner from future participation in any DCHA programs.
- Refer the case to district or federal officials for criminal prosecution as described in section 14-II.E.
14-ILD. DCHA-CAUSED ERRORS OR PROGRAM ABUSE

The responsibilities and expectations of DCHA staff with respect to normal program administration are discussed throughout this plan. This section specifically addresses actions of a DCHA staff member that are considered errors or program abuse related to the HCV program. Additional standards of conduct may be provided in the DCHA personnel policy.

DCHA-caused incorrect subsidy determinations include (1) failing to correctly apply HCV rules regarding family composition, income, assets, and expenses, (2) assigning the incorrect voucher size to a family, (3) errors in utility allowance payment and (4) errors in calculation.

Repayment to the DCHA

Neither a family nor an owner is required to repay an overpayment of subsidy if the error or program abuse is caused by DCHA staff [HCV GB. 22-12].

DCHA Reimbursement to Family or Owner

The DCHA must reimburse a family for any underpayment of subsidy, regardless of whether the underpayment was the result of staff-caused error or staff or owner program abuse. Funds for this reimbursement must come from the DCHA’s administrative fee reserves [HCV GB p. 22-12].

Prohibited Activities

DCHA Policy

Any of the following will be considered evidence of program abuse by DCHA staff:

- Failing to comply with any HCV program requirements for personal gain
- Failing to comply with any HCV program requirements as a result of a conflict of interest relationship with any applicant, participant, or owner
- Seeking or accepting anything of material value from applicants, participating families, vendors, owners, contractors, or other persons who provide services or materials to the DCHA
- Disclosing confidential or proprietary information to outside parties
- Gaining profit as a result of insider knowledge of DCHA activities, policies, or practices
- Misappropriating or misusing HCV funds
- Destroying, concealing, removing, or inappropriately using any records related to the HCV program
- Committing any other corrupt or criminal act in connection with any federal housing program
14-I.E. CRIMINAL PROSECUTION

DCHA Policy

When the DCHA determines that program abuse by an owner, family, or DCHA staff member has occurred and the amount of overpaid subsidy meets or exceeds the threshold for prosecution under local or district law, the DCHA will refer the matter to the appropriate entity for prosecution. When the amount of overpaid assistance meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General (OIG).

Other criminal violations related to the HCV program will be referred to the appropriate local, district, or federal entity.
14-II.F. FRAUD AND PROGRAM ABUSE RECOVERIES

The DCHA may retain a portion of program fraud losses that the DCHA recovers from a family or owner through litigation, court order, or a repayment agreement [24 CFR 982.163].

The DCHA must be the principal party initiating or sustaining the action to recover amounts due from tenants that are due as a result of fraud and abuse. 24 CFR 792.202 permits the DCHA to retain the greater of:

- 50 percent of the amount it actually collects from a judgment, litigation (including settlement of a lawsuit) or an administrative repayment agreement, or
- Reasonable and necessary costs that the DCHA incurs related to the collection including costs of investigation, legal fees, and agency collection fees.

The family must be afforded the opportunity for an informal hearing in accordance with requirements in 24 CFR 982.555.

If HUD incurs costs on behalf of the DCHA related to the collection, these costs must be deducted from the amount retained by the DCHA.
Chapter 15

SPECIAL HOUSING TYPES
[24 CFR 982 Subpart M; New HCV GB, Special Housing Types]

INTRODUCTION
The DCHA may permit a family to use any of the special housing types discussed in this chapter. However, the DCHA is not required to permit families receiving assistance in its jurisdiction to use these housing types, except that PHAs must permit use of any special housing type if needed as a reasonable accommodation for a person with a disability. The DCHA also may limit the number of families who receive HCV assistance in these housing types and cannot require families to use a particular housing type. No special funding is provided for special housing types.

DCHA Policy
Families will be permitted to use
1) Single Room Occupancy,
1) Cooperative Housing, and
1) Homeownership.

Families will not be permitted to use any other special housing types, unless use is needed as a reasonable accommodation so that the program is readily accessible to a person with disabilities.

Special housing types include single room occupancy (SRO), congregate housing, group homes, shared housing, cooperative housing, manufactured homes where the family owns the home and leases the space, and homeownership [24 CFR 982.601]. A single unit cannot be designated as more than one type of special housing. The DCHA cannot give preference to households that wish to live in any of these types of housing and cannot require households to select any of these types of housing [New HCV GB, Special Housing Types, p. 3].

This chapter consists of the following seven parts. Each part contains a description of the housing type and any special requirements associated with it. Except as modified by this chapter, the general requirements of the HCV program apply to special housing types.

Part I: Single Room Occupancy
Part II: Congregate Housing
Part III: Group Homes
Part IV: Shared Housing
Part V: Cooperative Housing
Part VI: Manufactured Homes (including manufactured home space rental)
Part VII: Homeownership
PART I: SINGLE ROOM OCCUPANCY

[24 CFR 982.602 through 982.605; Form HUD-52641; New HCV GB, Special Housing Types, p. 4]

15-I.A. OVERVIEW

A single room occupancy (SRO) unit provides living and sleeping space for the exclusive use of the occupant but requires the occupant to share sanitary and/or food preparation facilities with others. More than one person may not occupy an SRO unit. HCV regulations do not limit the number of units in an SRO facility, but the size of a facility may be limited by local ordinances.

When providing HCV assistance in an SRO unit, a separate lease and HAP contract are executed for each assisted person. The standard form of the HAP contract is used (form HUD-52641) with the special housing type specified in Part A of the HAP contract, as follows: “This HAP contract is used for the following special housing type under HUD regulations for the Section 8 voucher program: Single room occupancy (SRO) housing.”

15-I.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

The payment standard for SRO housing is 75 percent of the zero-bedroom payment standard amount on the DCHA’s payment standard schedule.

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero-bedroom utility allowance.

The HAP for an assisted occupant in an SRO facility is the lower of the SRO payment standard amount minus the TTP or the gross rent for the unit minus the TTP.

15-I.C. HOUSING QUALITY STANDARDS (HQS)

HQS requirements described in Chapter 8 apply to SRO housing except that sanitary facilities, and space and security characteristics must meet local code standards for SRO housing. In the absence of applicable local code standards for SRO housing, the following standards apply:

- **Access**: Access doors to the SRO unit must have working locks for privacy. The occupant must be able to access the unit without going through any other unit. Each unit must have immediate access to two or more approved means of exit from the building, appropriately marked and leading to safe and open space at ground level. The SRO unit must also have any other means of exit required by State or local law.

- **Fire Safety**: All SRO facilities must have a sprinkler system that protects major spaces. “Major spaces” are defined as hallways, large common areas, and any other areas specified in local fire, building, or safety codes. SROs must also have hard-wired smoke detectors, and any other fire and safety equipment required by state or local law.

Sanitary facilities and space and security standards must meet local code requirements for SRO housing. In the absence of local code standards, the requirements discussed below apply [24 CFR 982.605].
• **Sanitary Facilities:** At least one flush toilet that can be used in privacy, a lavatory basin, and a bathtub or shower in proper operating condition must be provided for each six persons (or fewer) residing in the SRO facility. If the SRO units are leased only to males, flush urinals may be substituted for up to one half of the required number of toilets. Sanitary facilities must be reasonably accessible from a common hall or passageway to all persons sharing them and may not be located more than one floor above or below the SRO unit. They may not be located below grade unless the SRO units are located on that level.

• **Space and Security:** An SRO unit must contain at least 110 square feet of floor space, and at least four square feet of closet space with an unobstructed height of at least five feet, for use by the occupant. If the closet space is less than four square feet, the habitable floor space in the SRO unit must be increased by the amount of the deficiency. Exterior doors and windows accessible from outside the SRO unit must be lockable.

Because no children live in SRO housing, the housing quality standards applicable to lead-based paint do not apply.
PART II: CONGREGATE HOUSING
[24 CFR 982.606 through 982.609; Form HUD-52641; New HCV GB,
Special Housing Types, p. 6]

15-II.A. OVERVIEW

Congregate housing is intended for use by elderly persons or persons with disabilities. A congregate housing facility contains a shared central kitchen and dining area and a private living area for the individual household that includes at least a living room, bedroom and bathroom. Food service for residents must be provided.

If approved by the DCHA, a family member or live-in aide may reside with the elderly person or person with disabilities. The DCHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in congregate housing, a separate lease and HAP contract are executed for each assisted family. The standard form of the HAP contract is used (form HUD-52641) with the special housing type specified in Part A of the HAP contract, as follows: “This HAP contract is used for the following special housing type under HUD regulations for the Section 8 voucher program: Congregate housing.”
15-II.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

The payment standard for an individual unit in a congregate housing facility is based on the number of rooms in the private living area for the assisted family. If there is only one room in the unit (not including the bathroom or the kitchen, if a kitchen is provided), the DCHA must use the payment standard for a zero-bedroom unit. If the unit has two or more rooms (other than the bathroom and the kitchen), the DCHA must use the one-bedroom payment standard.

The HAP for an assisted occupant in a congregate housing facility is the lower of the applicable payment standard minus the TTP or the gross rent for the unit minus the TTP.

The gross rent for the unit for the purpose of calculating HCV assistance is the shelter portion (including utilities) of the resident’s monthly housing expense only. The residents’ costs for food service should not be included in the rent for a congregate housing unit.

15-II.C. HOUSING QUALITY STANDARDS

HQS requirements as described in Chapter 8 apply to congregate housing except for the requirements stated below. Congregate housing must have a refrigerator of appropriate size in the private living area of each resident, a central kitchen and dining facilities located within the premises and accessible to the residents, and food service for the residents, that is not provided by the residents themselves.

The congregate housing must contain adequate facilities and services for the sanitary disposal of food waste and refuse, including facilities for temporary storage where necessary.

The housing quality standards applicable to lead-based paint do not apply unless a child under the age of six is expected to reside in the unit.
PART III: GROUP HOME

[24 CFR 982.610 through 982.614; Form HUD-52641; New HCV GB, Special Housing Types, p. 8]

15-III.A. OVERVIEW

A group home is a state-approved (licensed, certified, or otherwise approved in writing by the state) facility intended for occupancy by elderly persons and/or persons with disabilities. Except for live-in aides, all persons living in a group home, whether assisted or not, must be elderly persons or persons with disabilities. Persons living in a group home must not require continuous medical or nursing care.

A group home consists of bedrooms for residents, which can be shared by no more than two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents. No more than 12 persons may reside in a group home including assisted and unassisted residents and any live-in aides.

If approved by the DCHA, a live-in aide may live in the group home with a person with disabilities. The DCHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in a group home, a separate lease and HAP contract is executed for each assisted family. The standard form of the HAP contract is used (form HUD-52641) with the special housing type specified in Part A of the HAP contract, as follows: “This HAP contract is used for the following special housing type under HUD regulations for the Section 8 voucher program: Group home.”

15-III.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

Unless there is a live-in aide, the family unit size (voucher size) for an assisted occupant of a group home must be zero- or one-bedroom. If there is a live-in aide, the aide must be counted in determining the household’s unit size.

The payment standard used to calculate the HAP is the lower of the payment standard for the family unit size or the prorata share of the payment standard for the group home size. The prorata share is calculated by dividing the number of persons in the assisted household by the number of persons (assisted and unassisted) living in the group home. The number of persons in the assisted household equals one assisted person plus any DCHA-approved live-in aide.

The HAP for an assisted occupant in a group home is the lower of the payment standard minus the TTP or the gross rent minus the TTP.

The utility allowance for an assisted occupant in a group home is the prorata share of the family unit size to the utility allowance for the group home.
The rents paid for participants residing in group homes are subject to generally applicable standards for rent reasonableness. The rent for an assisted person must not exceed the prorata portion of the reasonable rent for the group home. In determining reasonable rent, the DCHA must consider whether sanitary facilities and facilities for food preparation and service are common facilities or private facilities.

15-III.C. HOUSING QUALITY STANDARDS

The entire unit must comply with HQS requirements described in Chapter 8, except for the requirements stated below.

- **Sanitary Facilities**: A group home must have at least one bathroom in the facility, with a flush toilet that can be used in privacy, a fixed basin with hot and cold running water, and a shower or bathtub with hot and cold running water. A group home may contain private or common bathrooms. However, no more than four residents can be required to share a bathroom.

- **Food Preparation and Service**: Group home units must contain a kitchen and dining area with adequate space to store, prepare, and serve food. The facilities for food preparation and service may be private or may be shared by the residents. The kitchen must contain a range, an oven, a refrigerator, and a sink with hot and cold running water. The sink must drain into an approvable public or private disposal system.

- **Space and Security**: Group homes must contain at least one bedroom of appropriate size for every two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents. Doors and windows accessible from outside the unit must be lockable.

- **Structure and Material**: To avoid any threat to the health and safety of the residents, group homes must be structurally sound. Elevators must be in good condition. Group homes must be accessible to and usable by residents with disabilities.
• Site and Neighborhood: Group homes must be located in a residential setting. The site and neighborhood should be reasonably free from disturbing noises and reverberations, and other hazards to the health, safety, and general welfare of the residents, and should not be subject to serious adverse conditions, such as:
  - Dangerous walks or steps
  - Instability
  - Flooding, poor drainage
  - Septic tank back-ups, sewage hazards
  - Mud slides
  - Abnormal air pollution
  - Smoke or dust
  - Excessive noise
  - Vibrations or vehicular traffic
  - Excessive accumulations of trash
  - Vermin or rodent infestation, and
  - Fire hazards.

The housing quality standards applicable to lead-based paint do not apply unless a child under the age of six is expected to reside in the unit.
PART IV: SHARED HOUSING
[24 CFR 982.615 through 982.618; Form HUD-52641; Notice PIH 2021-05; New HCV GB, Special Housing Types, p. 11]

15-IV.A. OVERVIEW

Families in markets with tight rental conditions or with a prevalence of single-family housing may determine a shared housing living arrangement to be a useful way to secure affordable housing. PHAs offering shared housing as a housing solution may also experience some reduction in the average per-unit-cost (PUC) paid on behalf of assisted families.

Shared housing is a single housing unit occupied by an assisted family and another resident or residents. The unit may be a house or an apartment. The shared unit consists of both common space for use by the occupants of the unit and separate private space for each assisted family.

An assisted family may share a unit with other persons assisted under the HCV program or with other unassisted persons.

Shared housing may be offered in a number of ways, including for-profit co-living (such as a boarding house, single bedroom with common living room/kitchen/dining room) run by a private company [Notice PIH 2021-05].

The owner of a shared housing unit may reside in the unit, but housing assistance may not be paid on behalf of the owner. The resident owner may not be related by blood or marriage to the assisted family.

If approved by the DCHA, a live-in aide may reside with the family to care for a person with disabilities. The DCHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When shared housing is offered as a housing option, HUD encourages PHAs to consider ways in which the families may be assisted in finding shared housing, including for-profit shared housing matching (such as roommates or single-family homes) and online sites that charge a fee for their matching services, or nonprofit shared housing matching services. HUD further encourages PHAs to include information about this housing possibility in the family’s voucher briefing.

PHAs should be aware of potential local legal barriers to HCV participants using shared housing, which can create additional obstacles for shared housing:

- Municipalities may have occupancy limits for the number of unrelated persons who may share a housing unit.
- Local zoning codes for single family housing may restrict occupancy in certain areas to households whose family members are related by blood.
PHAs should work with local jurisdictions to find solutions that encourage affordable housing and are consistent with the Fair Housing Act, Title VI, and other federal, state, and local fair housing laws. PHAs should inform HUD if they encounter barriers to shared housing that may conflict with fair housing laws.

**DCHA Policy**

The DCHA will work with local jurisdictions as necessary to identify solutions consistent with fair housing laws and will inform HUD if the DCHA encounters barriers to shared housing that conflict with fair housing laws. Families will be advised they can conduct their own internet search. Families will be cautioned to not enter into any rental agreement or pay any deposit or rental payment until the tenancy is approved by the DCHA.

When providing HCV assistance in shared housing, a separate lease and HAP contract are executed for each assisted family. The standard form of the HAP contract is used (form HUD-52641) with the special housing type specified in Part A of the HAP contract, as follows: “This HAP contract is used for the following special housing type under HUD regulations for the Section 8 voucher program: Shared housing.”

**15-IV.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION**

The payment standard for a family in shared housing is the lower of the payment standard for the family unit size (voucher size) or the prorata share of the payment standard for the shared housing unit size.

The prorata share is calculated by dividing the number of bedrooms available for occupancy by the assisted family in the private, non-shared space by the total number of bedrooms in the unit.

**Example:** Family holds a two-bedroom voucher.

- Shared housing unit size: bedrooms available to assisted family = 2
- Total bedrooms in the unit: 3
- 2 Bedrooms for assisted family
  \[ \div 3 \text{ Bedrooms in the unit} \]
  \[ = .667 \text{ pro-rata share} \]
- 2 BR payment standard: $1200

3 BR payment standard: $1695

\[ 1695 \times .667 = 1131 \]

$1131 is lower than the $1200 payment standard for the 2 BR family unit size. $1131 is the payment standard used to calculate the HAP.

The HAP for a family in shared housing is the lower of the payment standard minus the TTP or the gross rent minus the TTP.
The utility allowance for an assisted family living in shared housing is the prorata share of the utility allowance for the shared housing unit.

**Example:** A family holds a 2-bedroom voucher. The family decides to occupy 3 out of 4 bedrooms available in the unit.

- The utility allowance for a 4-bedroom unit equals $200
- The utility allowance for a 2-bedroom unit equals $100
- The prorata share of the utility allowance is $150 (3/4 of $200)
- The DCHA will use the 2-bedroom utility allowance of $100.

The rents paid for families living in shared housing are subject to generally applicable standards for rent reasonableness. The rent paid to the owner for the assisted family must not exceed the pro-rata portion of the reasonable rent for the shared unit. In determining reasonable rent, the DCHA may consider whether sanitary and food preparation areas are private or shared.

**15-IV.C. HOUSING QUALITY STANDARDS**

The DCHA may not give approval to reside in shared housing unless the entire unit, including the portion of the unit available for use by the assisted family under its lease, meets the housing quality standards.

HQS requirements described in Chapter 8 apply to shared housing except for the requirements stated below.

- **Facilities Available for the Family:** Facilities available to the assisted family, whether shared or private, must include a living room, a bathroom, and food preparation and refuse disposal facilities.

- **Space and Security:** The entire unit must provide adequate space and security for all assisted and unassisted residents. The private space for each assisted family must contain at least one bedroom for each two persons in the family. The number of bedrooms in the private space of an assisted family must not be less than the family unit size (voucher size). A zero-bedroom or one-bedroom unit may not be used for shared housing.
PART V: COOPERATIVE HOUSING

[24 CFR 982.619; New HCV GB, Special Housing Types, p. 14]

15-V.A. OVERVIEW

This part applies to rental assistance for a cooperative member residing in cooperative housing. It does not apply to assistance for a cooperative member who has purchased membership under the HCV homeownership option, or to rental assistance for a family that leases a cooperative housing unit from a cooperative member.

A cooperative is a form of ownership (nonprofit corporation or association) in which the residents purchase memberships in the ownership entity. Rather than being charged “rent” a cooperative member is charged a “carrying charge.” The monthly carrying charge includes the member’s share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. It does not include down payments or other payments to purchase the cooperative unit or to amortize a loan made to the family for this purpose.

The occupancy agreement or lease and other appropriate documents must provide that the monthly carrying charge is subject to Section 8 limitations on rent to owner, and the rent must be reasonable as compared to comparable unassisted units.

When providing HCV assistance in cooperative housing, the standard form of the HAP contract is used with the special housing type specified in Part A of the HAP contract, as follows: “This HAP contract is used for the following special housing type under HUD regulations for the Section 8 voucher program: Cooperative housing.”

15-V.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

The payment standard and utility allowance are determined according to regular HCV program requirements.

The HAP for a cooperative housing unit is the lower of the payment standard minus the TTP or the gross rent (monthly carrying charge for the unit, plus any utility allowance) minus the TTP. The monthly carrying charge includes the member’s share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. The carrying charge does not include down payments or other payments to purchase the cooperative unit or to amortize a loan made to the family for this purpose.

15-V.C. HOUSING QUALITY STANDARDS

All standard HQS requirements apply to cooperative housing units. There are no additional HQS requirements. The DCHA remedies described in 24 CFR 982.404 do not apply. Rather, if the unit and premises are not maintained in accordance with HQS, the DCHA may exercise all available remedies regardless of whether the family or cooperative is responsible for the breach of HQS.

No housing assistance payment can be made unless unit meets HQS and the defect is corrected within the period as specified by the DCHA and the DCHA verifies correction (see Chapter 8).

In addition to regular breaches of HQS, breaches of HQS by the family include failure to perform any maintenance for which the family is responsible in accordance with the terms of the cooperative occupancy agreement [HCV GB].
PART VI: MANUFACTURED HOMES
[24 CFR 982.620 through 982.624; FR Notice 1/18/17; New HCV GB, Special Housing Types, p. 15:]

15-VI.A. OVERVIEW

A manufactured home is a manufactured structure, transportable in one or more parts, that is built on a permanent chassis, and designed for use as a principal place of residence. HCV-assisted families may occupy manufactured homes in three different ways.

(1) A family can choose to rent a manufactured home already installed on a space and the DCHA must permit it. In this instance program rules are the same as when a family rents any other residential housing, except that there are special HQS requirements as provided in 15-VI.D below.

(2) A family can purchase a manufactured home under the Housing Choice Voucher Homeownership program.

(3) HUD also permits an otherwise eligible family that owns a manufactured home to rent a space for the manufactured home and receive HCV assistance with the rent for the space as well as certain other housing expenses. PHAs may, but are not required to, provide assistance for such families.

15-VI.B. SPECIAL REQUIREMENTS FOR MANUFACTURED HOME OWNERS WHO LEASE A SPACE

Family Income

In determining the annual income of families leasing manufactured home spaces, the value of the family’s equity in the manufactured home in which the family resides is not counted as a family asset.

Lease and HAP Contract

There is a designated HAP Contract (form HUD-52642) and designated Tenancy Addendum (form HUD 52642-A) for this special housing type.
15-VI.C. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION
[FR Notice 1/18/17]

Payment Standards

The FMR for manufactured homes space is generally 40 percent of the published FMR, is
determined in accordance with 24 CFR 982.505 and is the payment standard used for the
DCHA’s HCV program. It is based on the applicable FMR for the area in which the
manufactured home space is located. DCHA should note that they may establish a payment
standard for a manufactured home between 90 – 100 percent of the FMR.

The payment standard for the family is the lower of the family unit size (voucher size) or the
payment standard for the number of bedrooms in the manufactured home.

Utility Allowance

The DCHA must establish utility allowances for manufactured home space rental. For the first
12 months of the initial lease term only, the allowance must include an amount for a utility hook-
up charge if the family actually incurred a hook-up charge because of a move. This allowance
will not be given to a family that leases in place. Utility allowances for manufactured home
space must not include the costs of digging a well or installing a septic system.

If the amount of the monthly assistance payment for a family exceeds the monthly rent for the
manufactured home space (including the owner’s monthly management and maintenance
charges), the DCHA may pay the remainder to the family, lender, or utility company.

Space Rent

The rent for the manufactured home space (including other eligible housing expenses) is the
total of:

- The rent charged for the manufactured home space;
- Owner maintenance and management charges for the space;
- The monthly payments made by the family to amortize the cost of purchasing the
  manufactured home, including any required insurance and property taxes; and
- The applicable allowance for tenant-paid unities.
Amortization Costs

The monthly payment made by the family to amortize the cost of purchasing the manufactured home is the debt service established at the time of application to a lender for financing the purchase of the manufactured home if monthly payments are still being made. Any increase in debt service due to refinancing after purchase of the home may not be included in the amortization cost. Debt service for set-up charges incurred by a family may be included in the monthly amortization payments made by the family. In addition, set-up charges incurred before the family became an assisted family may be included in the amortization cost if monthly payments are still being made to amortize the charges.

Housing Assistance Payment

The HAP for a manufactured home space under the housing choice voucher program is the lower of the payment standard minus the TTP or the manufactured home space rent (including other eligible housing expenses) minus the TTP.

Rent Reasonableness

Initially, and at least annually thereafter, the DCHA must determine that the rent for the manufactured home space is reasonable based on rents for comparable manufactured home spaces. The DCHA must consider the location and size of the space, and any services and maintenance to be provided by the owner. By accepting the monthly housing assistance payment, the owner of the manufactured home space certifies that the rent does not exceed rents charged by the owner for comparable unassisted spaces in the same manufactured home park or elsewhere.

If requested by the DCHA, the owner must give the DCHA information on rents charged by the owner for other manufactured home spaces.
15-VI.D. HOUSING QUALITY STANDARDS

Under either type of occupancy described in 15-VI.A above, the manufactured home must meet all HQS performance requirements and acceptability criteria discussed in Chapter 8 of this plan. In addition, the following requirement applies:

Manufactured Home Tie-Down

A manufactured home must be placed on the site in a stable manner and must be free from hazards such as sliding or wind damage. The home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist overturning and sliding.
PART VII: HOMEOWNERSHIP
[24 CFR 982.625 through 982.643]

15-VII.A. OVERVIEW [24 CFR 982.625]

The homeownership option is used to assist a family residing in a home purchased and owned by one or more members of the family. A family assisted under this option may be newly admitted or an existing participant in the HCV program. The DCHA must have the capacity to operate a successful HCV homeownership program as defined by the regulations.

**DCHA Policy**

The DCHA has instituted a minimum homeowner down payment requirement of at least three percent of the purchase price, and requires that at least one percent of the purchase price come from the family's personal resources.

There are two forms of homeownership assistance described in the regulations: monthly homeownership assistance payments and single down payment assistance grants. However, PHAs may not offer down payment assistance until and unless funding is allocated by Congress. Since this has not yet happened, only monthly homeownership assistance may be offered.

**DCHA Policy**

The DCHA will offer the monthly homeownership assistance payments to qualified families.

The DCHA may choose not to offer homeownership assistance. However, the DCHA must offer homeownership assistance if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. It is the sole responsibility of the DCHA to determine whether it is reasonable to implement a homeownership program as a reasonable accommodation. The DCHA must determine what is reasonable based on the specific circumstances and individual needs of the person with a disability. The DCHA may determine that it is not reasonable to offer homeownership assistance as a reasonable accommodation in cases where the DCHA has otherwise opted not to implement a homeownership program.

The DCHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.
15-VII.B. FAMILY ELIGIBILITY [24 CFR 982.627]

DCHA offers the homeownership option and participation by the family is optional. However, the family must meet all of the requirements listed below before the commencement of homeownership assistance. The DCHA may also establish additional initial requirements as long as they are described in the DCHA administrative plan.

- The family must have been admitted to the Housing Choice Voucher program.
- The family must qualify as a first-time homeowner, or may be a cooperative member.

**Policy**

The family may not include any person who has held an ownership interest in a residence during the three (3) years prior to commencement of homeownership assistance except as follows:

- Equitable interest in a property under the terms of a lease-purchase agreement prior to exercise of the purchase option.
- A single parent or displaced homemaker who, while married, owned a home with their spouse or resided in a home owned by their spouse.
  - “Displaced homemaker”, as defined in 12 U.S.C. 12713 means an individual who – (A) is an adult; (B) has not worked full-time, full-year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family; and (C) is unemployed or underemployed and is experiencing difficulty in obtaining or upgrading employment. An individual who is now single, but had previously owned a home with his or her former spouse even within the three year period.

- The family must meet the Federal minimum income requirement. The family must have a gross annual income equal to the Federal minimum wage multiplied by 2000, based on the income of adult family members who will own the home. The DCHA may establish a higher income standard for families. However, a family that meets the federal minimum income requirement (but not the DCHA’s requirement) will be considered to meet the minimum income requirement if it can demonstrate that it has been pre-qualified or pre-approved for financing that is sufficient to purchase an eligible unit.

**DCHA Policy**

The DCHA will establish a higher minimum income requirement of $25,000 in gross annual income per year.

- For disabled families, the minimum income requirement is equal to the current SSI monthly payment for an individual living alone, multiplied by 12.
- For elderly or disabled families, welfare assistance payments for adult family members who will own the home will be included in determining whether the family meets the minimum income requirement. It will not be included for other families.
- The family must satisfy the employment requirements by demonstrating that one or more adult members of the family who will own the home at commencement of homeownership
assistance is currently employed on a full-time basis (the term 'full-time employment' means not less than an average of 30 hours per week); and has been continuously so employed during the year before commencement of homeownership assistance for the family. The family has not defaulted on a mortgage securing debt to purchase a home under the homeownership option.

**DCHA Policy**

Under the authority granted to the DCHA under Initiative 3 in its Moving to Work (MTW) plan, the DCHA requires that at least one borrower shall have been employed for at least two (2) continuous years preceding the beginning of homeownership assistance. Families will be considered “continuously employed” if the break in employment does not exceed four months.

The DCHA will count self-employment in a business when determining whether the family meets the employment requirement.

- The employment requirement does not apply to elderly and disabled families. In addition, if a family, other than an elderly or disabled family includes a person with disabilities, the DCHA must grant an exemption from the employment requirement if the DCHA determines that it is needed as a reasonable accommodation.

- The family has not defaulted on a mortgage securing debt to purchase a home under the homeownership option.

- Except for cooperative members who have acquired cooperative membership shares prior to commencement of homeownership assistance, no family member has a present ownership interest in a residence at the commencement of homeownership assistance for the purchase of any home.

- Except for cooperative members who have acquired cooperative membership shares prior to the commencement of homeownership assistance, the family has entered a contract of sale in accordance with 24 CFR 982.631(c).

**DCHA Policy**

The DCHA will impose additional eligibility requirements. To be eligible to participate in the homeownership option, families must meet the following criteria:

- The family has had no family-caused violations of HUD’s Housing Quality standards within the past year.

- The family is not within the initial one-year period of a HAP Contract.

- The family owes no money to the DCHA.

- The family owes no monies under the lease and has not committed any serious or repeated violations of a DCHA-assisted lease within the past year.

- The family has not committed fraud in connection with the HCV program or any other federal housing program.
15-VII.C. SELECTION OF FAMILIES [24 CFR 982.626]

Unless otherwise provided (under the homeownership option), the DCHA may limit homeownership assistance to families or purposes defined by the DCHA, and may prescribe additional requirements for commencement of homeownership assistance for a family. Any such limits or additional requirements must be described in the DCHA administrative plan.

If the DCHA limits the number of families that may participate in the homeownership option, the DCHA must establish a system by which to select families to participate.

DCHA Policy

All families must meet eligibility requirements as defined in Section 15-VII.B. of this plan.
15-VII.D. ELIGIBLE UNITS [24 CFR 982.628]

In order for a unit to be eligible, the DCHA must determine that the unit satisfies all of the following requirements:

- The unit must meet HUD’s “eligible housing” requirements. The unit may not be any of the following:
  - A public housing or Indian housing unit;
  - A unit receiving Section 8 project-based assistance;
  - A nursing home, board and care home, or facility providing continual psychiatric, medical or nursing services;
  - A college or other school dormitory;
  - On the grounds of penal, reformatory, medical, mental, or similar public or private institutions.
- The unit must be a one-unit property or a single dwelling unit in a cooperative or condominium.
- The unit must have been inspected by the DCHA and by an independent inspector designated by the family.
- The unit must meet Housing Quality Standards (see Chapter 8).
- For a unit where the family will not own fee title to the real property (such as a manufactured home), the home must have a permanent foundation and the family must have the right to occupy the site for at least 40 years.
- Families may enter into contracts of sale for units not yet under construction. However, the DCHA will not commence homeownership assistance for the family for that unit until:
  1. Either the responsible entity completes the environmental review as required by 24 CFR part 58 and HUD approved the environmental certification and request for release of funds prior to commencement of construction or HUD performed an environmental review under CFR part 50 and notified the DCHA in writing of environmental approval of the site prior to construction commencement; and
  2. Construction of the unit has been completed and the unit has passed the required HQS inspection and independent inspection as addressed elsewhere in this chapter.
• For DCHA-owned units all of the following conditions must be satisfied:
  - The DCHA informs the family, both orally and in writing, that the family has the right to purchase any eligible unit and a DCHA-owned unit is freely selected by the family without DCHA pressure or steering;
  - The unit is not ineligible housing;
  - The DCHA obtains the services of an independent agency to inspect the unit for compliance with HQS, review the independent inspection report, review the contract of sale, determine the reasonableness of the sales price and any DCHA provided financing. All of these actions must be completed in accordance with program requirements.

The DCHA must not approve the unit if the DCHA has been informed that the seller is debarred, suspended, or subject to a limited denial of participation.

15-VII.E. ADDITIONAL DCHA REQUIREMENTS FOR SEARCH AND PURCHASE [24 CFR 982.629]

It is the family’s responsibility to find a home that meets the criteria for voucher homeownership assistance. The DCHA may establish the maximum time that will be allowed for a family to locate and purchase a home and may require the family to report on their progress in finding and purchasing a home. If the family is unable to purchase a home within the maximum time established by the DCHA, the DCHA may issue the family a voucher to lease a unit or place the family’s name on the waiting list for a voucher.

DCHA Policy

Once the DCHA has determined the family eligible for the homeownership assistance based on the factors listed in Section 15-VII.B, the family will attend a homeownership briefing. The family must also meet counseling and education requirements (Section 15-VII.F.). Upon completion of these steps, the family will be issued a Preliminary Certificate of Assistance. The DCHA will also provide a Preliminary Certificate of Assistance document to the family’s lender of choice.

Once the family has been issued the Preliminary Certificate of Assistance, the family has 30 calendar days to obtain mortgage pre-approval. The family must submit the pre-approval letter to the DCHA within 10 calendar days. Once the family provides written proof of being pre-approved for a loan to the DCHA, the DCHA will issue them a Home Search Authorization. The mortgage pre-approval letter shall reflect the maximum purchase price, first trust mortgage loan amount, interest rate, and term of loan.

Once the family receives their Home Search Authorization, the family will be allowed 180 days to identify a unit and submit a sales contract to the DCHA for review, and to close on the home. PHAs may grant up to two extensions of three months each for good cause.

During these periods, the family will continue to receive HCV rental assistance in accordance with any active lease and HAP contract until the family vacates the rental unit for its purchased home.
All requests for extensions must be submitted in writing to the DCHA prior to the expiration of the period for which the extension is being requested. The DCHA will approve or disapprove the extension request within 10 business days. The family will be notified of the DCHA’s decision in writing.

If the family does not meet one of the time requirements above, and is not receiving rental assistance under a HAP contract at the time the search and purchase time period expires, the family will be issued a voucher to lease a unit, and required to wait one year before they shall be again allowed to participate in the DCHA’s Homeownership program.
15-VII.F. HOMEOWNERSHIP COUNSELING [24 CFR 982.630]

Before commencement of homeownership assistance for a family, the family must attend and satisfactorily complete the pre-assistance homeownership and housing counseling program required by the DCHA. HUD suggests the following topics for the DCHA-required pre-assistance counseling:

- Home maintenance (including care of the grounds);
- Budgeting and money management;
- Credit counseling;
- How to negotiate the purchase price of a home;
- How to obtain homeownership financing and loan pre-approvals, including a description of types of financing that may be available, and the pros and cons of different types of financing;
- How to find a home, including information about homeownership opportunities, schools, and transportation in the DCHA jurisdiction;
- Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;
- Information on fair housing, including fair housing lending and local fair housing enforcement agencies; and
- Information about the Real Estate Settlement Procedures Act (12 U.S.C. 2601 et seq.) (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.

The DCHA may adapt the subjects covered in pre-assistance counseling (as listed) to local circumstances and the needs of individual families.

The DCHA may also offer additional counseling after commencement of homeownership assistance (ongoing counseling). If the DCHA offers a program of ongoing counseling for participants in the homeownership option, the DCHA shall have discretion to determine whether the family is required to participate in the ongoing counseling.

If the DCHA does not use a HUD-approved housing counseling agency to provide the counseling, the DCHA should ensure that its counseling program is consistent with the counseling provided under HUD’s Housing Counseling program.

**DCHA Policy**

Pre-purchase homeownership counseling is provided through the District of Columbia Housing and Community Development Home Purchase Assistance Program (DHCD HPAP). The family must provide the DCHA with a copy of the Certificate of Completion provided to them from the DHCD HPAP.

Post-purchase homeownership counseling is required by the DCHA, provided by DCHA-approved entities. The DCHA may require families to attend and complete other post-purchase homeownership counseling as determined necessary by the DCHA.
15-VII.G. HOME INSPECTIONS, CONTRACT OF SALE, AND PHA DISAPPROVAL OF SELLER [24 CFR 982.631]

Home Inspections

The DCHA may not commence monthly homeownership assistance payments for a family until the DCHA has inspected the unit and has determined that the unit passes HQS.

DCHA Policy

When the family locates a home they wish to purchase and submits a copy of their purchase offer/contract, the DCHA will conduct a housing quality standards (HQS) inspection within 10 business days. Any items found not to meet HQS must be repaired before the unit can be determined eligible for the homeownership program.

Generally, if a unit fails inspection three times, the family must attempt to locate another unit within the term of the homeownership voucher. The DCHA may allow an additional inspection if HQS deficiencies are minor and can be reasonably expected to be addressed within a timely manner.

Whenever possible, the DCHA will conduct in-person inspections. If not possible (such as due to federal distancing requirements), the DCHA may conduct remote inspections in accordance with requirements in Chapter 8.

An independent professional inspector selected by and paid for by the family must also inspect the unit. The independent inspection must cover major building systems and components, including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components.

The DCHA may not require the family to use an independent inspector selected by the DCHA. The independent inspector may not be a DCHA employee or contractor, or other person under control of the DCHA. However, the DCHA may establish standards for qualification of inspectors selected by families under the homeownership option.

DCHA Policy

The family must hire an independent professional inspector, whose report must be submitted to the DCHA for review. This inspector must be a member of the American Society of Home Inspectors (ASHI) or other recognized professional society, or a licensed engineer. The inspector cannot be a DCHA employee or contractor.

The family must provide a copy of the inspection report to the DCHA within five working days of receiving the report.
The DCHA may disapprove a unit for assistance based on information in the independent inspector’s report, even if the unit was found to comply with HQS.

**DCHA Policy**

The DCHA will review the professional report in a timely fashion and, based on the presence of major physical problems, may disapprove the purchase of the home.

If the DCHA disapproves the purchase of a home, the family will be notified in writing of the reasons for the disapproval.

While the family is receiving homeownership assistance, the DCHA will not conduct HQS inspections.

**Contract of Sale**

Before commencement of monthly homeownership assistance payments, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give the DCHA a copy of the contract of sale. The contract of sale must:

- Specify the price and other terms of sale by the seller to the purchaser;
- Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser;
- Provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser;
- Provide that the purchaser is not obligated to pay for any necessary repairs; and
- Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation under CFR part 24.

A contract for the sale of a unit not yet under construction must meet all above requirements, and requirements below. Commencement of construction in violation of the below requirements voids the purchase contract.

- The purchaser is not obligated to purchase the unit unless an environmental review has been performed and the site received environmental approval prior to commencement of construction in accordance with 24 CFR 982.628; and
- The construction will not commence until the environmental review has been completed and the seller has received written notice from the DCHA that environmental approval has been obtained. Environmental approval may be conditioned on the contracting parties’ agreement to modification to the unit design or to mitigation actions.

**Disapproval of a Seller**

In its administrative discretion, the DCHA may deny approval of a seller for the same reasons a DCHA may disapprove an owner under the regular HCV program [see 24 CFR 982.306(c)].
15-VII.H. FINANCING [24 CFR 982.632]

The DCHAHA may establish requirements for financing purchase of a home under the homeownership option. This may include requirements concerning qualification of lenders, terms of financing, restrictions concerning debt secured by the home, lender qualifications, loan terms, and affordability of the debt. The DCHAHA must establish policies describing these requirements in the administrative plan.

A DCHA may not require that families acquire financing from one or more specified lenders, thereby restricting the family’s ability to secure favorable financing terms.

**DCHA Policy**

As a check against predatory lending, the DCHA will review the financing of each purchase transaction, including estimated closing costs. The DCHA will review the loans for features, such as balloon payments, adjustable rate mortgages, and unusually high interest rates, all of which are prohibited. The DCHA also will not approve “seller financing” or “owner-held” mortgages. Beyond these basic criteria, the DCHA will rely on the lenders to determine that the loan will be affordable to program participants.

The mortgage the family applies for must require a minimum down payment of at least 3% of the sales price with 1% of the down payment coming from the purchaser’s personal funds. The DCHA will not require that the family have any more than the minimum of 1% of their own money in the transaction. However, in cases where a lender is requiring a larger amount, the family may be held to the underwriting guidelines set by their lending institution.

The DCHA will approve a family’s request to utilize its Family Self-Sufficiency escrow account after final disbursement for down payment and/or closing costs when purchasing a unit under the HCV homeownership option.
15-VII.I. CONTINUED ASSISTANCE REQUIREMENTS; FAMILY OBLIGATIONS [24 CFR 982.633]

Homeownership assistance may only be paid while the family is residing in the home. If the family moves out of the home, the DCHA may not continue homeownership assistance after the month when the family moves out. The family or lender is not required to refund to the DCHA the homeownership assistance for the month when the family moves out.

Before commencement of homeownership assistance, the family must execute a statement of family obligations in the form prescribed by HUD [form HUD-52649]. In the statement, the family agrees to comply with all family obligations under the homeownership option.

The family must comply with the following obligations:

- The family must comply with the terms of the mortgage securing debt incurred to purchase the home, or any refinancing of such debt.
- The family may not convey or transfer ownership of the home, except for purposes of financing, refinancing, or pending settlement of the estate of a deceased family member. Use and occupancy of the home are subject to 24 CFR 982.551 (h) and (i).
- The family must supply information to the DCHA or HUD as specified in 24 CFR 982.551(b). The family must further supply any information required by the DCHA or HUD concerning mortgage financing or refinancing, sale or transfer of any interest in the home, or homeownership expenses.

**DCHA Policy**

The family shall obtain written approval from the DCHA before securing any refinancing on the primary loan, subordinate equity loan or line of credit.

- The family must notify the DCHA before moving out of the home.
- The family must notify the DCHA if the family defaults on the mortgage used to purchase the home.
- The family must provide the DCHA with information on any satisfaction or payment of the mortgage debt.
- No family member may have any ownership interest in any other residential property.
- The family must comply with the obligations of a participant family described in 24 CFR 982.551, except for the following provisions which do not apply to assistance under the homeownership option: 24 CFR 982.551(c), (d), (e), (f), (g) and (j).
DCHA Policy

- The DCHA will require families to establish and deposit a minimum of $50 a month into a maintenance reserve account.

- The family must attend a DCHA scheduled annual meeting, and provide what documentation is required at that meeting.

- The DCHA will terminate the family’s homeownership assistance if the family’s income falls below the minimum annual income requirements as established in Section 15-VIII.B. Family Eligibility for more than 12 consecutive months.

- If, during the first ten years of homeownership, the family sells the unit the DCHA will recapture a percentage of the homeownership proceeds provided to the family, unless proceeds are invested in purchasing another home under the Homeownership program.

The DCHA shall also recapture a percentage of any proceeds realized upon refinancing that are retained by the household (i.e. during a "cash-out" of the refinanced debt).

Recapture Amount.

Sale of the Home: In the case of the sale of the home, the recapture amount shall be in the amount equaling the lesser of the following:

1. The amount of Homeownership assistance provided to the household, adjusted to reflect the automatic reduction provided in “Reduction of Recapture Amount” below; and
2. The difference between the sales price and the purchase price of the home, minus:
   i. The cost of any documented capital expenditures; and
   ii. The cost incurred by the household in the sale of the home, such as brokerage fees or repair and fix-up costs; and
   iii. The amount of the difference between the sales price and purchase price that is being used upon sale, toward the purchase of a new home under the Home Ownership Program; and
   iv. Any amounts previously recaptured.

Refinancing of the Home: In the case of a refinancing of the home, the recapture shall be the amount equaling the lesser of the following:

1. The amount of Homeownership assistance provided to the household, adjusted to reflect the automatic reduction provided in “Reduction of Recapture Amount” below; or
2. The difference between the current mortgage debt and the new mortgage debt; minus:
   i. The cost of any documented capital expenditures; and
   ii. The cost incurred by the household in the refinancing of the home, such as reasonable and customary closing costs; and
   iii. Any amounts previously recaptured.
Reduction of Recapture Amount. The amount of the recapture shall be reduced in increments of ten percent (10%) for each full year of receipt of HCV Homeownership Assistance/subsidies with, no recapture required after the end of the 10th year of participation.
At the time of purchase, the household shall execute a Recapture Agreement and Mortgage document which obligates the household to repay a portion of the Subsidy under certain circumstances, and secures the DCHA’s right to recapture Homeownership Assistance Subsidy.

Subordinate Lien: The lien securing the recapture may be subordinated to the mortgage lien of the primary loan and other subordinate liens securing repayment of down-payment assistance.
15-VII.J. MAXIMUM TERM OF HOMEOWNER ASSISTANCE [24 CFR 982.634]

Except in the case of a family that qualifies as an elderly or disabled family, other family members (described below) shall not receive homeownership assistance for more than:

- Fifteen years, if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or
- Ten years, in all other cases.

The maximum term described above applies to any member of the family who:

- Has an ownership interest in the unit during the time that homeownership payments are made; or
- Is the spouse of any member of the household who has an ownership interest in the unit during the time homeownership payments are made.

In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family.

If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance).

If the family has received such assistance for different homes, or from different PHAs, the total of such assistance terms is subject to the maximum term described in this part.
15-VII.K. HOMEOWNERSHIP ASSISTANCE PAYMENTS AND HOMEOWNERSHIP EXPENSES [24 CFR 982.635]

The monthly homeownership assistance payment is the lower of: the voucher payment standard minus the total tenant payment, or the monthly homeownership expenses minus the total tenant payment.

In determining the amount of the homeownership assistance payment, the DCHA will use the same payment standard schedule, payment standard amounts, and subsidy standards as those described elsewhere in this plan for the Housing Choice Voucher program. The payment standard for a family is the greater of (i) The payment standard as determined at the commencement of homeownership assistance for occupancy of the home, or (ii) The payment standard at the most recent regular reexamination of family income and composition since the commencement of homeownership assistance for occupancy of the home.

The DCHA must adopt policies for determining the amount of homeownership expenses to be allowed by the DCHA in accordance with HUD requirements.

Homeownership expenses (not including cooperatives) must include amounts allowed by the DCHA to cover:

- Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
- Real estate taxes and public assessments on the home;
- Home insurance;
- The DCHA allowance for maintenance expenses;
- The DCHA allowance for costs of major repairs and replacements;
- The DCHA utility allowance for the home;
- Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the DCHA determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person;
- Land lease payments where a family does not own fee title to the real property on which the home is located; [see 24 CFR 982.628(b)].
- For a condominium unit, condominium operating charges or maintenance fees assessed by the condominium homeowner association.

The DCHA does not have the discretion to exclude any of the listed homeownership expenses or to add any additional items.
Homeownership expenses for a cooperative member include amounts allowed by the DCHA to cover:

- The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;
- Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;
- Home insurance;
- The DCHA allowance for maintenance expenses;
- The DCHA allowance for costs of major repairs and replacements;
- The DCHA utility allowance for the home; and
- Principal and interest on debt incurred to finance major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the DCHA determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.
- Cooperative operating charges or maintenance fees assessed by the cooperative homeowner association.

**DCHA Policy**

The DCHA will use the following amounts for homeownership expenses:

**Monthly homeownership payment.** This includes principal and interest on initial mortgage debt, taxes and insurance, public assessments, and any mortgage insurance premium, if applicable.

**Utility allowance.** The DCHA’s utility allowance for the unit, based on the current HCV utility allowance schedule.

**Monthly maintenance/major repair/replacement allowance.** A single monthly maintenance/repair/replacement allowance will be provided at $50 per month.

**Monthly co-op/condominium assessments.** If applicable, the monthly amount of co-op or condominium association operation and maintenance assessments.

**Monthly principal and interest on debt for improvements.** Principal and interest for major home repair, replacements, or improvements, if applicable.

**Land lease payments.** Land lease payments where a family does not own fee title to the real property on which the home is located.
The DCHA may pay the homeownership assistance payments directly to the family, or at the DCHA’s discretion, to a lender on behalf of the family. If the assistance payment exceeds the amount due to the lender, the DCHA must pay the excess directly to the family.

**DCHA Policy**

The DCHA’s housing assistance payment will be paid directly to the family via direct deposit. It will be the family’s responsibility to make the entire payment to the lender. The DCHA may make an exception if the family requests the payment to go directly to the lender, and this arrangement is acceptable to the mortgage company. If the assistance payment exceeds the amount due to the lender, the DCHA must pay the excess directly to the family.

The DCHA will require families to establish and deposit a minimum of $50 a month into a maintenance reserve account.

**15-VII.L. PORTABILITY [24 CFR 982.636, 982.637, 982.353(b) and (c), 982.552, 982.553]**

Subject to the restrictions on portability included in HUD regulations and DCHA policies, a family may exercise portability if the receiving PHA is administering a voucher homeownership program and accepting new homeownership families. The receiving PHA may absorb the family into its voucher program, or bill the initial PHA.

The family must attend the briefing and counseling sessions required by the receiving PHA. The receiving PHA will determine whether the financing for, and the physical condition of the unit, are acceptable. The receiving PHA must promptly notify the initial PHA if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by the PHA.

**DCHA Policy**

Under the authority granted to the DCPHA under its Moving to Work (MTW) status, homeownership families may not exercise portability.
15-VII.M. MOVING WITH CONTINUED ASSISTANCE [24 CFR 982.637]

A family receiving homeownership assistance may move with continued tenant-based assistance or with voucher homeownership assistance.

The DCHA must determine that all initial requirements have been satisfied if a family that has received homeownership assistance wants to move with continued homeownership assistance. However, the following do not apply:

- The requirement that a family must be a first-time homeowner is not applicable.
- The requirement for pre-assistance counseling is not applicable. However, the DCHA may require that the family complete additional counseling (before or after moving to a new unit with continued homeownership assistance).

Continued tenant-based assistance for a new unit cannot begin so long as any family member holds title to the prior home. However, when the family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault or stalking and the move is needed to protect the health or safety of the family or family member (or any family member has been the victim of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the family’s request to move), such family or family member may be assisted with continued tenant-based assistance even if they own any title or other interest in the prior home.

The DCHA may deny permission to move to a new unit with continued voucher assistance:

- If the DCHA has insufficient funding to provide continued assistance.
- In accordance with 24 CFR 982.638, regarding denial or termination of assistance. In this case, the DCHA must provide written notification to the local HUD Office within 10 business days of determining it is necessary to deny moves based on insufficient funding.
- In accordance with the DCHA’s policy regarding number of moves within a 12-month period.

The DCHA must deny the family permission to move to a new unit with continued voucher rental assistance if:

- The family defaulted on an FHA-insured mortgage; and
- The family fails to demonstrate that the family has conveyed, or will convey, title to the home, as required by HUD, to HUD or HUD’s designee; and
- The family has moved, or will move, from the home within the period established or approved by HUD.

**DCHA Policy**

For families participating in the homeownership option, requests to move will be approved and/or denied in accordance with DCHA policies in Chapter 10.

The DCHA may require additional counseling of any families who move with continued assistance in accordance with Section 15-VII.F.
15-VII.N. DENIAL OR TERMINATION OF ASSISTANCE [24 CFR 982.638]

At any time, the DCHA may deny or terminate homeownership assistance in accordance with HCV program requirements in 24 CFR 982.552 (Grounds for denial or termination of assistance) or 24 CFR 982.553 (Crime by family members).

The DCHA may also deny or terminate assistance for violation of participant obligations described in 24 CFR Parts 982.551 or 982.633 and in accordance with its own policy.

Homeownership assistance for a family automatically terminates 180 calendar days after the last homeownership assistance payment on behalf of the family. However, a PHA may grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

**DCHA Policy**

In order for the DCHA to consider granting relief from the requirement to automatically terminate homeownership assistance 180 days following the DCHA’s last housing assistance payment on behalf of the family, the family must submit a written request to the DCHA at least 30 days prior to the date of automatic termination. The request must include an explanation of the circumstances that will cause an extreme hardship for the family (e.g., the imminent loss of income or employment) as well as documentation supporting the request. The DCHA will determine on a case-by-case basis whether to grant relief from the requirement and for what period of time. In no case will the DCHA postpone termination beyond an additional 90 days.

The DCHA must terminate voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of foreclosure on any mortgage (whether FHA insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt.

**DCHA Policy**

The DCHA will terminate a family’s homeownership assistance if the family violates any of the homeowner obligations listed in Section 1, as well as for any of the reasons listed in Section 2 of form HUD-52649, Statement of Homeowner Obligations Housing Choice Homeownership Voucher Program.

In making its decision to terminate homeownership assistance, the DCHA will consider alternatives as described in Section 12-II.C and other factors described in Section 12-II.D. Upon consideration of such alternatives and factors, the DCHA may, on a case-by-case basis, choose not to terminate assistance.

Termination notices will be sent in accordance with the requirements and policies set forth in Section 12-II.F.
Chapter 16

PROGRAM ADMINISTRATION

INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this plan. The policies are discussed in seven parts as described below:

Part I: Administrative Fee Reserve. This part describes the DCHA’s policies with regard to oversight of expenditures from its administrative fee reserve.

Part II: Setting Program Standards and Schedules. This part describes what payment standards are, and how they are updated, as well as how utility allowances are established and revised.

Part III: Informal Reviews and Hearings. This part outlines the requirements and procedures for informal reviews and hearings, and for informal hearings regarding citizenship status.

Part IV: Owner or Family Debts to the DCHA. This part describes policies for recovery of monies that the DCHA has overpaid on behalf of families, or to owners, and describes the circumstances under which the DCHA will offer repayment agreements to owners and families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part V: Section 8 Management Assessment Program (SEMAP). This part describes what the SEMAP scores represent, how they are established, and how those scores affect a PHA.

Part VI: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies the DCHA will follow.

Part VII: Reporting and Record Keeping for Children with Elevated Blood Lead Level. This part describes the DCHA’s responsibilities for reporting, data collection, and record keeping relative to children with elevated blood lead levels that are less than six years of age, and are receiving HCV assistance.

Part VIII: Determination of Insufficient Funding. This part describes the DCHA’s policies for determining if there is sufficient funding to issue vouchers, to approve moves to higher cost units or areas, and to continue assistance for all participant families.

Part IX: Violence against Women Act (VAWA): Notification, Documentation, Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families and owners about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, sexual assault, and stalking; and maintaining the confidentiality of information obtained from victims.
PART I: ADMINISTRATIVE FEE RESERVE [24 CFR 982.155]

The DCHA will maintain administrative fee reserves, or unrestricted net assets (UNA) for the program to pay program administrative expenses in excess of administrative fees paid by HUD for a PHA fiscal year. HUD appropriations acts beginning with FFY 2004 have specified that administrative fee funding may be used only for activities related to the provision of HCV assistance, including related development activities. Notice PIH 2012-9 cites two examples of related development activities: unit modification for accessibility purposes and development of project-based voucher units. The notice makes clear that other activities may also qualify as related development activities. Administrative fees that remain in the UNA account from funding provided prior to 2004 may be used for “other housing purposes permitted by state and local law,” in accordance with 24 CFR 982.155(b)(1).

In addition, as specified in Notice PIH 2022-18, PHAs may use administrative fee funding for both administrative and “other expenses” needed to employ strategies and undertake activities beyond regular administrative responsibilities to facilitate the successful leasing and use of housing choice vouchers by families, such as through the use of security deposit assistance and landlord recruitment and incentive payments, among other allowable expenses specified in the notice. PHAs are also permitted to use UNP for these expenses [Notice PIH 2022-18].

If a PHA has not adequately administered its HCV program, HUD may prohibit use of funds in the UNP Account and may direct the DCHA to use funds in that account to improve administration of the program, for HCV HAP expenses, or to reimburse ineligible expenses in accordance with the regulation at 24 CFR 982.155(b)(3).

HUD requires the DCHA Board of Commissioners or other authorized officials to establish the maximum amount that may be charged against the UNP account without specific approval.

DCHA Policy

Expenditures from the UNP account will be made in accordance with all applicable federal requirements. Expenditures will not exceed $250,000 per occurrence without the prior approval of the DCHA’s Board of Commissioners.
PART II: SETTING PROGRAM STANDARDS AND SCHEDULES

16-II.A. OVERVIEW

Although many of the program’s requirements are established centrally by HUD, the HCV program’s regulations recognize that some flexibility is required to allow the DCHA to adapt the program to local conditions. This part discusses how the DCHA establishes and updates certain schedules and standards that are used to administer the program locally. Details about how these schedules are applied to individual families are provided in other chapters. The schedules and standards discussed here include:

• Payment Standards, which dictate the maximum subsidy a family can receive (application of the payment standards is discussed in Chapter 6); and

• Utility Allowances, which specify how a family’s payment should be adjusted to account for tenant-paid utilities (application of utility allowances is discussed in Chapter 6).

DCHA Policy

Copies of the payment standard and utility allowance schedules are available for review in the DCHA’s offices during normal business hours. Payment standard schedules are also available on the DCHA’s website.

The DCHA will maintain documentation to support its annual review of payment standards and utility allowance schedules. This documentation will be retained for at least 7 years or more.

Establishing and updating the DCHA passbook rate, which is used to calculate imputed income from assets, is covered in Chapter 6 (see Section 6-I.G.).

16-II.B. PAYMENT STANDARDS [24 CFR 982.503; HCV GB, Chapter 7]

The payment standard sets the maximum subsidy payment a family can receive from the DCHA each month [24 CFR 982.505(a)]. Payment standards are based on fair market rents (FMRs) published annually by HUD. FMRs are set at a percentile within the rent distribution of standard quality rental housing units in each FMR area. For most jurisdictions FMRs are set at the 40th percentile of rents in the market area.

The DCHA must establish a payment standard schedule that establishes payment standard amounts for each FMR area within the DCHA’s jurisdiction, and for each unit size within each of the FMR areas. For each unit size, the DCHA may establish a single payment standard amount for the whole FMR area, or may set different payment standards for different parts of the FMR area. Unless HUD grants an exception, the DCHA is required to establish a payment standard within a “basic range” established by HUD – between 90 and 110 percent of the published FMR for each unit size.
Updating Payment Standards

When HUD updates its FMRs, the DCHA must update its payment standards if the standards are no longer within the basic range [24 CFR 982.503(b)]. HUD may require the DCHA to make further adjustments if it determines that rent burdens for assisted families in the DCHA’s jurisdiction are unacceptably high [24 CFR 982.503(g)].

DCHA Policy

The DCHA will review the appropriateness of the payment standards on an annual basis when the new FMR is published, and at other times as determined necessary as referenced in Initiative 8 of the Agency’s MTW plan. In addition to ensuring the payment standards are always within the “authorized range” the DCHA will consider the following factors when determining whether an adjustment should be made to the payment standard schedule:

**Funding Availability:** The DCHA will review the budget to determine the impact projected subsidy adjustments will have on funding available for the program and the number of families served. The DCHA will compare the number of families who could be served under revised payment standard amounts with the number assisted under current payment standard amounts.

**Rent Burden of Participating Families:** Rent burden will be determined by identifying the percentage of families, for each unit size, that are paying more than 30 percent of their monthly adjusted income as the family share. When 40 percent or more of families, for any given unit size, are paying more than 30 percent of adjusted monthly income as the family share, the DCHA will consider increasing the payment standard. In evaluating rent burdens, the DCHA will not include families renting a larger unit than their family unit size.

**Quality of Units Selected:** The DCHA may review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that payment standard increases are only made when needed to reach the mid-range of the market.

**Changes in Rent to Owner:** The DCHA may review a sample of the units to determine how often owners are increasing or decreasing rents and the average percent of increases/decreases by bedroom size.

**Unit Availability:** The DCHA may review the availability of units for each unit size, particularly in areas with low concentrations of poor and minority families.

**Lease-up Time and Success Rate:** The DCHA may consider the percentage of families that are unable to locate suitable housing before the voucher expires and whether families are leaving the jurisdiction to find affordable housing.

Effective dates of changes to payment standard amounts will be determined at time of update. The DCHA will always ensure the payment standards will be within the authorized range.

A non-SAFMR PHA may establish an exception payment standard for a zip code area of up to and including 110 percent of the SAFMR determined by HUD for that zip code area. Regardless of the level of the exception payment standard compared to the metropolitan area FMRs (MAFMRs), the PHA must send an email to SAFMRs@hud.gov to notify HUD that it has adopted an exception payment standard based on the SAFMR. A PHA that adopts an exception payment standard pursuant to this authority must apply it to the entire ZIP code area, for both its HCV, and if applicable, its PBV program. For the PBV program, this means that the rent to owner may not exceed the new exception payment standard amount, provided the rent is still reasonable. A PHA that adopts an exception payment standard area must revise its briefing materials to make families aware of the exception payment standard and the area that it covers.

In addition, HUD allows PHAs to establish a HUD-Veterans Affairs Supportive Housing (HUD-VASH) exception payment standard. PHAs may go up to but no higher than 120 percent of the FMR or SAFMR specifically for VASH families. PHAs who want to establish a VASH exception payment standard over 120 percent must still request a waiver from HUD (See Section 19-III.E.).

Voluntary Use of Small Area FMRs [24 CFR 982.503, Notice PIH 2018-01]

PHAs that administer vouchers in a metropolitan area where the adoption of SAFMRs is not required may request approval from HUD to voluntarily adopt SAFMRs. SAFMRs may be voluntarily adopted for one or more zip code areas.

Unit-by-Unit Exceptions [24 CFR 982.503(b), 24 CFR 982.505(d), Notice PIH 2010-26]

Unit-by-unit exceptions to the PHA’s payment standards generally are not permitted. However, an exception may be made as a reasonable accommodation for a family that includes a person with disabilities. (See Chapter 2 for a discussion of reasonable accommodations.) This type of exception does not affect the PHA’s payment standard schedule.

When needed as a reasonable accommodation, the PHA may make an exception to the payment standard without HUD approval if the exception amount does not exceed 120 percent of the applicable FMR for the unit size [24 CFR 982.503(b)]. The PHA may request HUD approval for an exception to the payment standard for a particular family if the required amount exceeds 120 percent of the FMR.

DCHA Policy

A family that requires a reasonable accommodation may request a higher payment standard at the time the Request for Tenancy Approval (RTA) is submitted. The family must document the need for the exception. In order to approve an exception, or request an exception from HUD, the DCHA must determine that:

- There is a shortage of affordable units that would be appropriate for the family;
- The family’s TTP would otherwise exceed 40 percent of adjusted monthly income; and
- The rent for the unit is reasonable.

"Success Rate" Payment Standard Amounts [24 CFR 982.503(c)]
If a substantial percentage of families have difficulty finding a suitable unit, the DCHA may request a “success rate payment standard” that applies to the entire jurisdiction. If approved by HUD, a success rate payment standard allows the DCHA to set its payment standards at 90-110 percent of a higher FMR (the 50th, rather than the 40th percentile FMR). To support the request, the DCHA must demonstrate that during the most recent 6-month period for which information is available:

- Fewer than 75 percent of families who were issued vouchers became participants;
- The DCHA had established payment standards for all unit sizes, and for the entire jurisdiction, at 110 percent of the published FMR; and
- The DCHA had a policy of allowing voucher holders who made sustained efforts to locate units at least 90 days to search for a unit.

Although HUD approves the success rate payment standard for all unit sizes in the FMR area, the DCHA may choose to adjust the payment standard for only some unit sizes in all, or a designated part, of the DCHA’s jurisdiction within the FMR area.

**Decreases in the Payment Standard below the Basic Range [24 CFR 982.503(d)]**

The DCHA must request HUD approval to establish a payment standard amount that is lower than the basic range. At HUD’s sole discretion, HUD may approve establishment of a payment standard lower than the basic range. HUD will not approve a lower payment standard if the family share for more than 40 percent of program participants exceeds 30 percent of adjusted monthly income.
16-II.C. UTILITY ALLOWANCES [24 CFR 982.517]

A PHA-established utility allowance schedule is used in determining family share and DCHA subsidy. The PHA must maintain a utility allowance schedule for (1) all tenant-paid utilities, (2) the cost of tenant-supplied refrigerators and ranges, and (3) other tenant-paid housing services such as trash collection.

The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the DCHA must use normal patterns of consumption for the community as a whole, and current utility rates.

The utility allowance must include the utilities and services that are necessary in the locality to provide housing that complies with housing quality standards. Costs for telephone, cable/satellite television, and internet services are not included in the utility allowance schedule.

In the utility allowance schedule, the DCHA must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection; other electric; cost of tenant-supplied refrigerator; cost of tenant-supplied range; and other specified housing services.

The cost of each utility and housing service must be stated separately by unit size and type. Chapter 18 of the HCV Guidebook provides detailed guidance to the DCHA about establishing utility allowance schedules.

**Air Conditioning**

An allowance for air-conditioning must be provided when the majority of housing units in the market have central air-conditioning or are wired for tenant-installed air conditioners.

**DCHA Policy**

DCHA will complete a utility allowance annually and update the schedule based on the regulations.
Reasonable Accommodation and Individual Relief

On request from a family that includes a person with disabilities, the DCHA must approve a utility allowance which is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible and usable by the family member with a disability [24 CFR 982.517(e)]. See Chapter 2 for policies regarding the request and approval of reasonable accommodations.

Further, the DCHA may grant requests for relief from charges in excess of the utility allowance on reasonable grounds, such as special needs of the elderly, ill, or residents with disabilities, or special factors not within control of the resident, as the DCHA deems appropriate. The family must request the higher allowance and provide the DCHA with an explanation of the need for the individual relief and information about the amount of additional allowance required [see HCV GB, p. 18-8].

PHAs should develop criteria for granting individual relief and to notify residents about the availability of individual relief, and also to notify participants about the availability of individual relief programs (sometimes referred to as “Medical Baseline discounts”) offered by the local utility company. Policies for granting exception utility allowances can be found in Section 6-III.D. of this plan.

Utility Allowance Revisions

The DCHA must review its schedule of utility allowances each year, and must revise the schedule if there has been a change of 10 percent or more in any utility rate since the last time the allowance for that utility was revised [24 CFR 982.517(c)(1)].

The DCHA must maintain information supporting its annual review of utility allowance and any revisions made in its utility allowance schedule.
PART III: INFORMAL REVIEWS AND HEARINGS

16-III.A. OVERVIEW

Both applicants and participants have the right to disagree with, and appeal, certain decisions of the DCHA that may adversely affect them. PHA decisions that may be appealed by applicants and participants are discussed in this section.

The process for applicant appeals of PHA decisions is called the “informal review.” For participants (or applicants denied admission because of citizenship issues), the appeal process is called an “informal hearing.” PHAs are required to include informal review procedures for applicants and informal hearing procedures for participants in their administrative plans [24 CFR 982.54(d)(12) and (13)].

16-III.B. INFORMAL REVIEWS

Informal reviews are provided for program applicants. An applicant is someone who has applied for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a “minimum hearing requirement” [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements [Federal Register 60, no. 127 (3 July 1995): 34690].

Decisions Subject to Informal Review [24 CFR 982.554(a) and (c)]

The DCHA must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- Denying listing on the DCHA waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures

Informal reviews are not required for the following reasons [24 CFR 982.554(c)]:

- Discretionary administrative determinations by the DCHA
- General policy issues or class grievances
- A determination of the family unit size under the DCHA subsidy standards
- A DCHA determination not to approve an extension of a voucher term
- A DCHA determination not to grant approval of the tenancy
- A DCHA determination that the unit is not in compliance with the HQS
- A DCHA determination that the unit is not in accordance with the HQS due to family size or composition
DCHA Policy

The DCHA will only offer an informal review to applicants for whom assistance is being denied as mentioned above.

Additional denial of assistance includes: determining a family ineligible to assistance, denying listing on the DCHA waiting list; denying or withdrawing a voucher; refusing to process or provide assistance under portability procedures; refusing to enter into a HAP contract or approve a lease for reasons unrelated to HQS (see Chapter 8) or owner disapproval (see Chapter 13).

Notice to the Applicant [24 CFR 982.554(a)]

The DCHA must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for the DCHA decision, and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

Scheduling an Informal Review

DCHA Policy

A request for an informal review must be made in writing and delivered to the DCHA electronically, in person, or by first class mail, by the close of the business day, no later than 14 business days from the date of the DCHA’s denial of assistance.

The DCHA must schedule and send written notice of the informal review within 14 business days of the family’s request.

If the informal review will be conducted remotely, at the time the DCHA notifies the family of the informal review, the family will be informed:

Regarding the processes to conduct a remote informal review;

That, if needed, the DCHA will provide technical assistance prior to and during the informal review; and

That if the family or any individual witness has any technological, resource, or accessibility barriers preventing them from fully accessing the remote informal review, the family may inform the DCHA and the DCHA will assist the family in either resolving the issues or allow the family to participate in an in-person informal review, as appropriate.

Informal Review Procedures [24 CFR 982.554(b)]

The informal review must be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to present written or oral objections to the decision of the DCHA.
Remote Informal Reviews [Notice PIH 2020-32]

There is no requirement that informal reviews be conducted in-person and, as such, HUD allows PHAs to conduct all or a portion of their informal review remotely either over the phone, via video conferencing, or through other virtual platforms. If the DCHA chooses to conduct remote informal reviews, applicants may still request an in-person informal review, as applicable.

DCHA Policy

The DCHA has the sole discretion to require that informal reviews be conducted remotely.

The DCHA will conduct an informal review remotely upon request of the applicant as a reasonable accommodation for a person with a disability, if an applicant does not have child care or transportation that would enable them to attend the informal review, or if the applicant believes an in-person informal review would create an undue health risk. The DCHA will consider other reasonable requests for a remote informal review on a case-by-case basis.

Ensuring Accessibility for Persons with Disabilities and LEP Individuals

As with in-person informal reviews, the platform for conducting remote informal reviews must be accessible to persons with disabilities and the informal review must be conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote informal hearings.

PHAs are required to make reasonable accommodations in policies, practices, and procedures to ensure persons with disabilities have a full and equal opportunity to participate in and benefit from all aspects of the informal review process. See Chapter 2 for a more detailed discussion of reasonable accommodation requirements.

If no method of conducting a remote informal review is available that appropriately accommodates an individual’s disability, the DCHA may not hold against the individual their inability to participate in the remote informal review, and the DCHA should consider whether postponing the remote informal review to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation, will depend on the specific circumstances and requirements.

As with in-person reviews, Limited English Proficiency (LEP) requirements also apply to remote informal reviews, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote informal reviews.
Conducting Remote Informal Reviews

The CDHA must ensure that the lack of technology or inability to use technology for remote informal reviews does not pose a disadvantage to families that may not be apparent to the DCHA. The DCHA should determine through a survey or other means if these barriers exist prior to conducting the remote informal review and, if the family does not have the proper technology to fully participate, either postpone the informal review or provide an alternative means of access.

As with in-person informal reviews, the DCHA must provide all materials presented, whether paper or electronic, to the family prior to the remote informal review. The family must also be provided with an accessible means by which to transmit their own evidence.

The DCHA must ensure that the applicant has the right to hear and be heard. All DCHA policies and processes for remote informal reviews must be conducted in accordance with due process requirements and be in compliance with HUD regulations at 24 CFR 982.554 and guidance specified in Notice PIH 2020-32.

DCHA Policy

The DCHA will conduct remote informal reviews via a video conferencing platform. This may be via the family’s own electronic devices, or through the family utilizing a DCHA customer service center, where an electronic means of attending the informal review will be provided.

At least five business days prior to the scheduled remote review, the DCHA will provide the family with login information and/or conferencing call-in information and an electronic and/or physical copy of all materials being presented via first class mail and/or email, and/or make the materials available through a tenant portal. The notice will advise the family of technological requirements for the review and request the family notify the DCHA of any known barriers. The DCHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person review.

The DCHA will require the family to provide any documents directly relevant to the informal review through the mail or electronically so that they will be received by the DCHA at least 3 business days before the scheduled review. The DCHA will provide copies of these documents to the DCHA representative(s) the same day.

Documents will be shared electronically whenever possible.

The DCHA will follow up the email with a phone call and/or email to the applicant at least one business day prior to the remote informal review to ensure that the applicant received all information and is comfortable accessing the video conferencing or call-in platform.

The DCHA will ensure that all electronic information stored or transmitted with respect to the informal review is secure, including protecting personally identifiable information (PII), and meets the requirements for accessibility for persons with disabilities and persons with LEP.
Informal Review Decision [24 CFR 982.554(b)]

The DCHA must notify the applicant of the DCHA’s decision, including a brief statement of the reasons for the decision.

**DCHA Policy**

In rendering a decision, the DCHA will evaluate the following matters:

- Whether or not the grounds for denial were stated factually in the notice to the family.

- The validity of the grounds for denial of assistance. If the grounds for denial are not specified in the regulations/policy, then the decision to deny assistance will be overturned.

- The validity of the evidence. The DCHA will evaluate whether the facts presented prove the grounds for denial of assistance. If the facts prove that there are grounds for denial, and the denial is required by HUD, the DCHA will uphold the decision to deny assistance.

- If the facts prove the grounds for denial, and the denial is discretionary, the DCHA will consider the recommendation of the person conducting the informal review in making the decision whether to deny assistance.

The DCHA will notify the applicant of the DCHA’s decision, including a statement explaining the reason(s) for the decision. The notice will be mailed within 10 business days of the informal review, to the applicant and their representative, if any, along with proof of mailing. If the DCHA’s decision is upheld, the notice will advise the applicant that they may request an informal hearing, and include instructions on how to request the informal hearing.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

If the family fails to appear for their informal review, the denial of admission will stand and the family will be so notified.
16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555]

PHAs must offer an informal hearing for certain PHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to the DCHA’s HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether the DCHA’s decisions related to the family’s circumstances are in accordance with the law, HUD regulations and DCHA policies.

The DCHA is not permitted to terminate a family’s assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed. Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

**Decisions Subject to Informal Hearing**

Circumstances for which the DCHA must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family’s annual or adjusted income, and the use of such income to compute the housing assistance payment
- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the DCHA utility allowance schedule
- A determination of the family unit size under the DCHA’s subsidy standards
- A determination to terminate assistance for a participant family because of the family’s actions or failure to act
- A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under DCHA policy and HUD rules
- A determination to terminate a family’s Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family’s escrow account [24 CFR 984.303(i)]
Circumstances for which an informal hearing is not required are as follows:

- Discretionary administrative determinations by the DCHA
- General policy issues or class grievances
- Establishment of the DCHA schedule of utility allowances for families in the program
- A DCHA determination not to approve an extension of a voucher term
- A DCHA determination not to approve a unit or tenancy
- A DCHA determination that a unit selected by the applicant is not in compliance with the HQS
- A DCHA determination that the unit is not in accordance with HQS because of family size
- A determination by the DCHA to exercise or not to exercise any right or remedy against an owner under a HAP contract

DCHA Policy

The DCHA will only offer participants the opportunity for an informal hearing when required to by the regulations as mentioned above, and if the DCHA denies a request for a reasonable accommodation (see Chapter 2).

Remote Informal Hearings [Notice PIH 2020-32]

There is no requirement that informal hearings be conducted in-person, and as such, HUD allows PHAs to conduct all or a portion of their informal hearings remotely either over the phone, via video conferencing, or through other virtual platforms. If the DCHA chooses to conduct remote informal hearings, applicants may still request an in-person informal hearing, as applicable.

DCHA Policy

The DCHA has the sole discretion to require that informal hearings be conducted remotely.

The DCHA will conduct an informal hearing remotely upon request as a reasonable accommodation for a person with a disability, if a participant does not have child care or transportation that would enable them to attend the informal hearing, or if the participant believes an in-person hearing would create an undue health risk. The DCHA will consider other reasonable requests for a remote informal hearing on a case-by-case basis.
Ensuring Accessibility for Persons with Disabilities and LEP Individuals

As with in-person informal hearings, the platform for conducting remote informal hearings must be accessible to persons with disabilities and the informal hearings must be conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote informal hearings.

PHAs are required to make reasonable accommodations in policies, practices, and procedures to ensure persons with disabilities have a full and equal opportunity to participate in and benefit from all aspects of the informal hearing process. See Chapter 2 for a more detailed discussion of reasonable accommodation requirements.

If no method of conducting a remote informal hearings is available that appropriately accommodates an individual’s disability, the DCHA may not hold against the individual their inability to participate in the remote informal hearing, and the DCHA should consider whether postponing the remote hearing to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation will depend on the specific circumstances and requirements.

As with in-person reviews, Limited English Proficiency (LEP) requirements also apply to remote informal hearings, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote informal hearings.
Conducting Informal Hearings Remotely

The DCHA must ensure that the lack of technology or inability to use technology for remote informal hearings does not pose a disadvantage to families that may not be apparent to the DCHA. The DCHA should determine through a survey or other means if these barriers exist prior to conducting the remote informal hearing and, if the family does not have the proper technology to fully participate, either postpone the informal hearing or provide an alternative means of access.

As with in-person informal hearings, the DCHA must provide all materials presented, whether paper or electronic, to the family prior to the remote informal hearing. The family must also be provided with an accessible means by which to transmit their own evidence.

The DCHA’s essential responsibility is to ensure informal hearings meet the requirements of due process and comply with HUD regulations. Therefore, all DCHA policies and processes for remote informal hearings will be conducted in accordance with due process requirements, and will be in compliance with HUD regulations at 24 CFR 982.555 and the guidance for conducting remote hearings specified in Notice PIH 2020-32.

**DCHA Policy**

The DCHA will conduct remote informal hearings via a video conferencing platform. This may be via the family’s own electronic devices, or through the family utilizing a DCHA customer service center, where an electronic means of attending the informal hearing will be provided.

At least five business days prior to scheduling the remote hearing, the DCHA will provide the family with login information and/or conferencing call-in information and an electronic and/or physical copy of all materials being presented via first class mail and/or email, and/or make the materials available through a tenant portal. The notice will advise the family of technological requirements for the hearing and request the family notify the DCHA of any known barriers. The DCHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person hearing.

The DCHA will follow up with a phone call and/or email to the family at least one business day prior to the remote informal hearing to ensure that the family received all information and is comfortable accessing the video conferencing or call-in platform.

The DCHA will ensure that all electronic information stored or transmitted with respect to the informal hearing is secure, including protecting personally identifiable information (PII), and meets the requirements for accessibility for persons with disabilities and persons with LEP.
Informal Hearing Procedures

Notice to the Family [24 CFR 982.555(c)]

When the DCHA makes a decision that is subject to informal hearing procedures, the DCHA must inform the family of its right to an informal hearing at the same time that it informs the family of the decision.

For decisions related to the family’s annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, the DCHA must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family’s assistance, or the denial of a family’s request for an exception to the DCHA’s subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

DCHA Policy

In cases where the DCHA makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:

- The proposed action or decision of the DCHA.
- A brief statement of the reasons for the decision, including the regulatory and/or policy reference.
- The date the proposed action will take place.
- A statement of the family’s right to an explanation of the basis for the DCHA’s decision, where appropriate.
- A statement that if the family does not agree with the decision the family may request an informal hearing of the decision.
- A deadline for the family to request the informal hearing.
- To whom the hearing request should be addressed.
- A copy of the DCHA’s hearing procedures.
**Scheduling an Informal Hearing [24 CFR 982.555(d)]**

When an informal hearing is required, the DCHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

**DCHA Policy**

A request for an informal hearing must be made in writing and delivered to the DCHA electronically, in person, or by first class mail, by the close of the business day, no later than 35 calendar days from the date of the DCHA’s written notice of the DCHA’s decision.

The DCHA will send written notification to any family whose request for an informal hearing was received by the DCHA after the deadline stating no hearing will be granted.

If the family is being terminated from the HCV program, and the request for informal hearing was received no later than 60 days after written notice of termination of assistance, the family will also be provided notice they may request a good cause hearing to determine whether the family had good cause to miss the deadline. The opportunity for a good cause hearing is not provided if the DCHA action is for other than termination of assistance.

If the family requests a good cause hearing, and the hearing officer determines that the family did have good cause to miss the deadline, an informal hearing will be scheduled.

If it is determined that the family did not have good cause, no informal hearing will be scheduled and the DCHA’s decision to terminate assistance will stand.

The DCHA must schedule and send written notice of the informal hearing to the family within 14 business days of the family’s request.

If the DCHA hearing will be conducted remotely, at the time the notice is sent to the family, the family will be notified:

Regarding the processes involved in a remote informal hearing:

That the DCHA will provide technical assistance prior to and during the informal hearing, if needed; and

That if the family or any individual witness has any technological, resource, or accessibility barriers, the family may inform the DCHA and the DCHA will assist the family in either resolving the issue or allow the family to participate in an in-person hearing, as appropriate.

The family may request to reschedule a hearing for good cause for failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause for not appearing to a scheduled informal hearing is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, the DCHA may request documentation of the “good cause” prior to rescheduling the hearing.
If the family does not appear within 20 minutes of the scheduled time, and was unable to
reschedule the hearing in advance due to the nature of the conflict, the family must
contact the DCHA within 24 hours of the scheduled hearing date, excluding weekends
and holidays. The DCHA will reschedule the hearing only if the family can show good
cause for the failure to appear, or if it is needed as a reasonable accommodation for a
person with disabilities. If the family cannot show good cause for the failure to appear, or
a rescheduling is not needed as a reasonable accommodation, the DCHA’s decision
will stand.

Pre-Hearing Right to Discovery [24 CFR 982.555(e)]
Participants and the DCHA are permitted pre-hearing discovery rights. The family must be given
the opportunity to examine before the hearing any DCHA documents that are directly relevant to
the hearing. The family must be allowed to copy any such documents at their own expense. If the
DCHA does not make the document available for examination on request of the family, the
DCHA may not rely on the document at the hearing.

For the purpose of informal hearings, documents include records and regulations.

DCHA Policy
The DCHA will compile a hearing packet, consisting of all documents the DCHA intends
to produce at the informal hearing. The DCHA will deliver copies of the hearing packet
to the family, the family’s representatives, if any, and the hearing officer at least three
days before the scheduled remote informal hearing. The original hearing packet will be in
the possession of the DCHA representative and retained by the DCHA.

Documents will be shared electronically whenever possible.

The DCHA hearing procedures may provide that the DCHA must be given the opportunity to
examine at the DCHA offices before the hearing any family documents that are directly relevant
to the hearing. The DCHA must be allowed to copy any such document at the DCHA’s expense.
If the family does not make the document available for examination on request of the DCHA, the
family may not rely on the document at the hearing.

DCHA Policy
If the informal hearing is to be conducted remotely, the DCHA will require the family to
provide any documents directly relevant to the informal hearing through the mail or
electronically so that they will be received by the DCHA at least 3 business days before
the scheduled informal hearing. The DCHA will provide copies of these documents to the
hearing officer and the DCHA representative(s) the same day.

Documents will be shared electronically whenever possible.

Participant’s Right to Bring Counsel [24 CFR 982.555(e)(3)]
At its own expense, the family may be represented by a lawyer or other representative at the
informal hearing.
Informal Hearing Officer [24 CFR 982.555(e)(4)]
Informal hearings will be conducted by a person or persons approved by the DCHA, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

Attendance at the Informal Hearing

DCHA Policy
Hearings may be attended by a hearing officer and the following applicable persons:

- A DCHA representative(s) and any witnesses for the DCHA
- The participant and any witnesses for the participant
- The participant’s counsel or other representative
- Any other person approved by the DCHA as a reasonable accommodation for a person with a disability or if language services are needed.

Conduct at Hearings

The person who conducts the hearing may regulate the conduct of the hearing in accordance with the DCHA’s hearing procedures [24 CFR 982.555(4)(ii)].

DCHA Policy
The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.
Evidence [24 CFR 982.555(e)(5)]

The DCHA and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

**DCHA Policy**

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

- **Oral evidence**: the testimony of witnesses relevant to the case
- **Documentary evidence**: a writing which is relevant to the case, for example, a letter written to the DCHA. Writings include all forms of recorded communication or representation, including letters, words, pictures, sounds, videotapes or symbols or combinations thereof.
- **Demonstrative evidence**: Evidence relevant to the case created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.
- **Real evidence**: A tangible item relating directly to the case.

**Hearsay Evidence** is evidence based not on a witness’ personal knowledge. In and of itself, hearsay evidence carries no weight when making a finding of fact. The hearing officer may include hearsay evidence when considering their decision if it is corroborated by other evidence. Even though hearsay evidence is generally admissible in a hearing, the hearing officer will not base a hearing decision on hearsay alone unless there is clear probative value and credibility of the evidence, and the party presenting the evidence has met the burden of proof.

The hearing officer has the authority to overrule any objections to evidence.

**Procedures for Rehearing or Further Hearing**

**DCHA Policy**

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision.

- If the family misses an appointment to provide additional information established by the hearing officer, the hearing officer will make a determination based on what information/documentation has been received.
- If the family misses an appointment to reconvene, the action of the DCHA will take effect and another hearing will not be granted.
Hearing Officer’s Decision [24 CFR 982.555(e)(6)]

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing.

DCHA Policy

In rendering a decision, the hearing officer will consider the following matters:

- **DCHA Notice to the Family**: The hearing officer will determine if the reasons for the PHA’s decision are factually stated in the Notice.

- **Document Review**: The hearing officer will determine if the DCHA and the family were given the opportunity to examine any relevant documents in accordance with DCHA policy.

- **DCHA Evidence to Support the DCHA Decision**: The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support the DCHA’s conclusion.

- **Validity of Grounds for Termination of Assistance (when applicable)**: The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and DCHA policies. If the grounds for termination are not specified in the regulations or in compliance with DCHA policies, then the decision of the DCHA will be overturned.

The hearing officer will issue a written decision to the family and the DCHA no later than 14 business days after the hearing. The report will contain the following information:

**Hearing information:**
- Name of the participant;
- Date, time and place/type of the hearing;
- Name of the hearing officer;
- Name of the DCHA representative(s); and
- Name of family representative (if any).

**Background**: A brief, impartial statement of the reason for the hearing.

**Summary of the Evidence**: The hearing officer will summarize the testimony of each witness and identify any documents that were produced and that are admitted into evidence.

**Findings of Fact**: The hearing officer will include all findings of fact, based on a preponderance of the evidence. *Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.
Conclusions: The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold the DCHA’s decision.

Order: The hearing report will include a statement of whether the DCHA’s decision is upheld or overturned. If it is overturned, the hearing officer will instruct the DCHA to change the decision in accordance with the hearing officer’s determination. In the case of termination of assistance, the hearing officer will instruct the DCHA to restore the participant’s program status.

Issuance of Decision [24 CFR 982.555(e)(6)]

A copy of the hearing must be furnished promptly to the family.

DCHA Policy

The hearing officer will send a “Notice of Hearing Decision” to the DCHA, and the DCHA will promptly mail the “Notice of Hearing Decision” to the participant. This notice of proposed decision will be sent by first-class mail and email. A copy of the “Notice of Hearing Decision” will be maintained in the DCHA’s file.

Effect of Final Decision [24 CFR 982.555(f)]

The DCHA is not bound by the decision of the hearing officer for matters in which the DCHA is not required to provide an opportunity for a hearing, decisions that exceed the authority of the hearing officer, decisions that conflict with or contradict HUD regulations, requirements, or are otherwise contrary to federal, state, or local laws.

If the DCHA determines it is not bound by the hearing officer’s decision in accordance with HUD regulations, the DCHA must promptly notify the family of the determination and the reason for the determination.

DCHA Policy

The Executive Director has the authority to determine that the DCHA is not bound by the decision of the hearing officer because the DCHA was not required to provide a hearing, the decision exceeded the authority of the hearing officer, the decision conflicted with or contradicted HUD regulations, requirements, or the decision was otherwise contrary to federal, state, or local laws.

The proposed decision will become final on the tenth (10th) day following the postmark of the proposed decision unless one of the parties has submitted a written request to the Executive Director requesting the Executive Director to reconsider the proposed decision before issuing a final decision. That request must include the basis for such review.

If the Executive Director does review the decision of the hearing officer, after the review a “Notice of Final Decision” will be mailed to the DCHA and the participant on the same day. The “Notice of Final Decision” will be sent by first-class mail and email. A copy of this notice will be maintained in the DCHA’s file.
Notice of Appeal Right

DCHA Policy

The family has the right to appeal the DCHA’s final decision to the District of Columbia’s Court of Appeals. The DCHA shall include within the Hearing Officer’s decision (proposed Decision), and the Notice of Final Decision information advising the family of their right to appeal. ¹

¹District of Columbia Administrative Procedure Act (“DCAPA”), D.C.Code § 2–510(a) (2012 Repl.).
16-III.D. HEARING AND APPEAL PROVISIONS FOR NONCITIZENS [24 CFR 5.514]

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while the DCHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or the DCHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]

The notice of denial or termination of assistance for noncitizens must advise the family:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with the DCHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.
USCIS Appeal Process [24 CFR 5.514(e)]

When the DCHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, the DCHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide the DCHA with a copy of the written request for appeal and the proof of mailing.

**DCHA Policy**

The DCHA will notify the family in writing of the results of the USCIS secondary verification within 14 business days of receiving the results.

The family must provide the DCHA with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to the DCHA, of its decision. When the USCIS notifies the DCHA of the decision, the DCHA must notify the family of its right to request an informal hearing.

**DCHA Policy**

The DCHA will send written notice to the family of its right to request an informal hearing within 14 business days of receiving notice of the USCIS decision regarding the family’s immigration status.

Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the DCHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the DCHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

**Informal Hearing Officer**

The DCHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C. for a listing of positions that serve as informal hearing officers.
Evidence

The family must be provided the opportunity to examine and copy at the family’s expense, at a reasonable time in advance of the hearing, any documents in the possession of the DCHA pertaining to the family’s eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

DCHA Policy

The family will be allowed to obtain any documents related to the hearing at no cost. The family must request discovery of DCHA documents no later than 12:00 p.m. on the business day prior to the hearing. Documents will be shared electronically whenever possible.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by the DCHA, and to confront and cross-examine all witnesses on whose testimony or information the DCHA relies.

Representation and Interpretive Services

The family is entitled to be represented by an attorney or other designee, at the family’s expense, and to have such person make statements on the family’s behalf.

The family is entitled to request an interpreter. Upon request, the DCHA will provide competent interpretation services, free of charge.

DCHA Policy

The family must request an interpreter for the DCHA to provide the interpretation services.

Recording of the Hearing

The family is entitled to have the hearing recorded by audiotape. The DCHA may, but is not required to provide a transcript of the hearing.

DCHA Policy

If the family desires a transcript, the family must notify the DCHA in writing. The DCHA will secure the services of a qualified transcriber service. The family is responsible for all costs incurred.

Hearing Decision

The DCHA must provide the family with a written final decision, based solely on the facts presented at the hearing, within 14 calendar days of the date of the informal hearing. The decision must state the basis for the decision.
Informal Hearing Procedures for Residents [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the DCHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the DCHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.

For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

Retention of Documents [24 CFR 5.514(h)]

The DCHA must retain for a minimum of 5 years the following documents that may have been submitted to the DCHA by the family, or provided to the DCHA as part of the USCIS appeal or the DCHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision
PART IV: OWNER OR FAMILY DEBTS TO THE PHA

16-IV.A. OVERVIEW

PHAs are required to include in the administrative plan, policies concerning repayment by a family of amounts owed to the PHA [24 CFR 982.54]. If the family breaches an agreement with the PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA, the PHA, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a PHA or amounts paid to an owner by a PHA. The PHA may prescribe the terms of the agreement [24 CFR 982.552(c)(1)(vii)]. This part describes the PHA’s policies for recovery of monies owed to the PHA by families or owners.

DCHA Policy

When an action or inaction of an owner or participant results in the overpayment of housing assistance, the DCHA holds the owner or participant liable to return any overpayments to the DCHA.

The DCHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.

16-IV.B. REPAYMENT POLICY

Owner Debts to the DCHA

DCHA Policy

Any amount due to the DCHA by an owner must be repaid by the owner within 30 days of the DCHA determination of the debt. If repayment is not made, repayment will be taken from next HAP check.

If the owner fails to repay the debt within the required time frame and is entitled to future HAP payments, the DCHA will reduce the future HAP payments by the amount owed until the debt is paid in full.

If the owner is not entitled to future HAP payments the DCHA may, in its sole discretion, offer to enter into a repayment agreement on terms prescribed by the DCHA.

If the owner refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the DCHA will ban the owner from future participation in the program and pursue other modes of collection.

When an owner refuses to repay monies owed to the DCHA, the DCHA will utilize other available collection alternatives including, but not limited to, the following:

Collection agencies
Small claims court
Civil lawsuit
State income tax set-off program
Family Debts to the DCHA

Families are required to reimburse the DCHA if they were charged less rent than required because the family either underreported or failed to report income. PHAs are required to determine retroactive rent amounts as far back as the DCHA has documentation of family unreported income [Notice PIH 2018-18].

DCHA Policy

Any amount owed to the DCHA by an HCV family must be repaid by the family. If the family is unable to repay the debt within 30 days, the DCHA will offer to enter into a repayment agreement in accordance with the policies below.

Refusal to Enter into an Agreement

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the DCHA must terminate assistance [Notice PIH 2018-18].

DCHA Policy

When a family refuses to repay monies owed to the DCHA, in addition to termination of program assistance, the DCHA will utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies
- Small claims court
- Civil lawsuit
- State income tax set-off program

Repayment Agreement [24 CFR 792.103]

The term repayment agreement refers to a formal written document signed by a tenant or owner and provided to the DCHA in which a tenant or owner acknowledges a debt in a specific amount and agrees to repay the amount due at specific time periods.

General Repayment Agreement Guidelines for Families

Down Payment Requirement

DCHA Policy

The DCHA will require no down payment of amounts owed at the time of entering into a repayment agreement with the family.

Before executing a repayment agreement with a family, DCHA will generally require a down payment based on the amount owed as reflected below: Amount Owed % of Total Amount

- Owed 20% $0 - $500
- 15% $501 - $1,000
- 10% $1,001 - $2,500
- 5% $2,501 - $5,000
**Payment Thresholds**

Notice PIH 2018-18 recommends that the total amount that a family must pay each month—the family’s monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family’s monthly adjusted income. However, a family may already be paying 40 percent or more of its monthly adjusted income in rent. Moreover, Notice PIH 2018-18 acknowledges that PHAs have the discretion to establish “thresholds and policies” for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

**DCHA Policy**

The DCHA has established the following thresholds for repayment of debts:

- Amounts between $3,000 and the federal or state threshold for criminal prosecution must be repaid within 36 months.
- Amounts between $2,000 and $2,999 must be repaid within 30 months.
- Amounts between $1,000 and $1,999 must be repaid within 24 months.
- Amounts under $1,000 must be repaid within 12 months.

If a family can provide evidence satisfactory to the DCHA that the threshold applicable to the family’s debt would impose an undue hardship, the DCHA may, in its sole discretion, determine that a lower monthly payment amount is reasonable. In making its determination, the DCHA will consider all relevant information, including the following:

- The amount owed by the family to the DCHA
- The reason for the debt, including whether the debt was the result of family action/inaction or circumstances beyond the family’s control
- The family’s current and potential income and expenses
- The family’s current family share, as calculated under 24 CFR 982.515
- The family’s history of meeting its financial responsibilities

**Execution of the Agreement**

All repayment agreements must be in writing, dated, and signed by both the family and the DCHA [Notice PIH 2018-18].

**DCHA Policy**

Any repayment agreement between the DCHA and a family must be signed and dated by the DCHA and by the head of household and spouse/cohead (if applicable). If another adult member is responsible for the debt owed, the DCHA may require that adult to also sign the repayment agreement.

**Due Dates**

**DCHA Policy**

All payments are due by the close of business on the 15th day of the month. If the 15th does not fall on a business day, the due date is the close of business on the first business day after the 15th.
Late or Missed Payments

DCHA Policy

If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by the DCHA, the DCHA will send the family a delinquency notice giving the family 10 business days to make the late payment. If the payment is not received by the due date of the delinquency notice, it will be considered a breach of the agreement and the DCHA will terminate assistance in accordance with the policies in Chapter 12.

If a family receives three delinquency notices for unexcused late payments in a 12-month period, the repayment agreement will be considered in default, and the DCHA will terminate assistance in accordance with the policies in Chapter 12.

No Offer of Repayment Agreement

DCHA Policy

The DCHA generally will not enter into a repayment agreement with a family if there is already a repayment agreement in place with the family or if the amount owed by the family exceeds the federal or state threshold for criminal prosecution.

Repayment Agreement Terms

All repayment agreements must be in writing, dated, signed by both the family and the DCHA, include the total retroactive rent amount owed, any amount of lump sum payment made at time of execution, if applicable, and the monthly repayment amount. Notice PIH 2018-18 requires certain provisions, at a minimum, be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the family briefing packet that state the family’s obligation to provide true and complete information at every reexamination and the grounds on which the DCHA may terminate assistance because of a family’s action or failure to act

- A statement clarifying that each month the family not only must pay to the DCHA the monthly payment amount specified in the agreement but must also pay to the owner the family’s monthly share of the rent to owner

- A statement that the terms of the repayment agreement may be renegotiated if the family’s income decreases or increases

- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of assistance
PART V: SECTION 8 MANAGEMENT ASSESSMENT PROGRAM (SEMAP)

Under the authority granted to the DCHA under its Moving to Work status, the DCHA is not scored under SEMAP.

16-V.A. OVERVIEW

The Section 8 Management Assessment Program (SEMAP) is a tool that allows HUD to measure DCHA performance in key areas to ensure program integrity and accountability. SEMAP scores translate into a rating for each PHA as high performing, standard, or troubled. Scores on individual SEMAP indicators, as well as overall SEMAP ratings, can affect the DCHA in several ways.

- High-performing PHAs can be given a competitive advantage under notices of funding availability [24 CFR 985.103].
- PHAs with deficiencies on one or more indicators are required to correct the deficiencies and report to HUD [24 CFR 985.106].
- PHAs with an overall rating of “troubled” are subject to additional HUD oversight, including on-site reviews by HUD staff, a requirement to develop a corrective action plan, and monitoring to ensure the successful implementation of the corrective action plan. In addition, PHAs that are designated “troubled” may not use any part of the administrative fee reserve for other housing purposes [24 CFR 985.107].
- HUD may determine that a PHA’s failure to correct identified SEMAP deficiencies or to prepare and implement a corrective action plan required by HUD constitutes a default under the ACC [24 CFR 985.109].
16-V.B. SEMAP CERTIFICATION [24 CFR 985.101]

PHAs must submit the HUD-required SEMAP certification form within 60 calendar days after the end of its fiscal year. The certification must be approved by PHA board resolution and signed by the PHA executive director. If the PHA is a unit of local government or a state, a resolution approving the certification is not required, and the certification must be executed by the Section 8 program director.

PHAs with less than 250 voucher units are only required to be assessed every other PHA fiscal year. HUD will assess such PHAs annually if the PHA elects to have its performance assessed on an annual basis; or is designated as “troubled” [24 CFR 985.105].

Failure of a PHA to submit its SEMAP certification within the required time frame will result in an overall performance rating of “troubled.”

A PHA’s SEMAP certification is subject to HUD verification by an on-site confirmatory review at any time.

Upon receipt of the PHA’s SEMAP certification, HUD will rate the PHA’s performance under each SEMAP indicator in accordance with program requirements.

HUD Verification Method

Several of the SEMAP indicators are scored based on a review of a quality control sample selected for this purpose. The DCHA or the Independent Auditor must select an unbiased sample that provides an adequate representation of the types of information to be assessed, in accordance with SEMAP requirements [24 CFR 985.2].

If the HUD verification method for the indicator relies on data in the Form-50058 module (formerly known as MTCS) in the PIH Information Center (PIC), and HUD determines that those data are insufficient to verify the DCHA's certification on the indicator due to the DCHA's failure to adequately report family data, HUD will assign a zero rating for the indicator [24 CFR 985.3].
16-V.C. SEMAP INDICATORS [24 CFR 985.3 and form HUD-52648]

The table below lists each of the SEMAP indicators, contains a description of each indicator, and explains the basis for points awarded under each indicator.

A PHA that expends less than $300,000 in Federal awards and whose Section 8 programs are not audited by an independent auditor, is not be rated under SEMAP indicators 1-7.

<table>

<tr>
<th>SEMAP Indicators</th>
<th>Indicator 1: Selection from the waiting list</th>
<th>Maximum Score: 15</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>• This indicator shows whether the PHA has written policies in its administrative plan for selecting applicants from the waiting list and whether the PHA follows these policies when selecting applicants from the waiting list.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Points are based on the percent of families that are selected from the waiting list in accordance with the PHA’s written policies, according to the PHA’s quality control samples.</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Indicator 2: Rent reasonableness</th>
<th>Maximum Score: 20</th>
</tr>
</thead>
<tbody>
<tr>
<td>• This indicator shows whether the PHA has and implements a reasonable written method to determine and document for each unit leased that the rent to owner is reasonable based on current rents for comparable unassisted units at the required times.</td>
<td></td>
</tr>
<tr>
<td>• Points are based on the percent of units for which the PHA follows its written method to determine reasonable rent and has documented its determination that the rent to owner is reasonable, according to the PHA’s quality control sample.</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Indicator 3: Determination of adjusted income</th>
<th>Maximum Score: 20</th>
</tr>
</thead>
<tbody>
<tr>
<td>• This indicator measures whether the PHA verifies and correctly determines adjusted income for each assisted family, and where applicable, uses the appropriate utility allowances for the unit leased in determining the gross rent.</td>
<td></td>
</tr>
<tr>
<td>• Points are based on the percent of files that are calculated and verified correctly, according to the PHA’s quality control sample.</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Indicator 4: Utility allowance schedule</th>
<th>Maximum Score: 5</th>
</tr>
</thead>
<tbody>
<tr>
<td>• This indicator shows whether the PHA maintains an up-to-date utility allowance schedule.</td>
<td></td>
</tr>
<tr>
<td>• Points are based on whether the PHA has reviewed the utility allowance schedule and adjusted it when required, according to the PHA’s certification.</td>
<td></td>

</thead>
<tbody>
<tr>
<td>• This indicator shows whether the PHA completes a reexamination for each participating family at least every 12 months.</td>
<td></td>
</tr>
<tr>
<td>• Points are based on the percent of reexaminations that are less than two months overdue, according to data from PIC.</td>
<td></td>
</tr>
</tbody>
</table>
## Indicator 10: Correct tenant rent calculations
**Maximum Points: 5**
- This indicator shows whether the PHA correctly calculates the family’s share of the rent to owner.
- Points are based on the percent of correct calculations of family share of the rent, according to data from PIC.

## Indicator 11: Pre-contract HQS inspections
**Maximum Points: 5**
- This indicator shows whether newly leased units pass HQS inspection on or before the effective date of the assisted lease and HAP contract.
- Points are based on the percent of newly leased units that passed HQS inspection on or before the effective date of the lease and HAP contract, according to data from PIC.

## Indicator 12: Annual HQS inspections
**Maximum Points: 10**
- This indicator shows whether the PHA inspects each unit under contract at least annually.
- Points are based on the percent of annual HQS inspections of units under contract that are more than 2 months overdue, according to data from PIC.

## Indicator 13: Lease-up
**Maximum Points: 20 points**
- This indicator shows whether the PHA enters HAP contracts for at least 98 percent of the number of the PHA’s baseline voucher units in the ACC for the calendar year ending on or before the PHA’s fiscal year, or whether the PHA has expended at least 98 percent of its allocated budget authority for the same calendar year. The PHA can receive 15 points if 95 to 97 percent of vouchers are leased or budget authority is utilized.
- Points are based on utilization of vouchers and HAP expenditures as reported in the voucher management system (VMS) for the most recently completed calendar year.

## Indicator 14: Family self-sufficiency (FSS) enrollment and escrow account balances
**Maximum Points: 10**
- Only applies to PHAs with mandatory FSS programs.
- This indicator shows whether the PHA has enrolled families in the FSS program as required, and measures the percent of current FSS participants that have had increases in earned income which resulted in escrow account balances.
- Points are based on the percent of mandatory FSS slots that are filled and the percent of families with escrow account balances, according to data from PIC.
### Success Rate of Voucher Holders
**Maximum Points: 5**
- Only applies to PHAs that have received approval to establish success rate payment standard amounts, and isn’t effective until the second full PHA fiscal year following the date of HUD approval of success rate payment standard amounts.
- This indicator shows whether voucher holders were successful in leasing units with voucher assistance.
- Points are based on the percent of families that were issued vouchers, and that became participants in the voucher program.

### Deconcentration Bonus Indicator
**Maximum Points: 5**
- Submission of data for this indicator is mandatory for a PHA using one or more payment standard amount(s) that exceed(s) 100 percent of the published FMR set at the 50 percentile rent, starting with the second full PHA fiscal year following initial use of payment standard amounts based on the FMRs set at the 50th percentile.
- Additional points are available to PHAs that have jurisdiction in metropolitan FMR areas and that choose to submit the required data.
- Points are based on whether the data that is submitted meets the requirements for bonus points.
PART VI: RECORD KEEPING

16-VI.A. OVERVIEW

The DCHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, the DCHA must ensure that all applicant and participant files are maintained in a way that protects an individual’s privacy rights.

16-VI.B. RECORD RETENTION [24 CFR 982.158; 24 CFR 908.101]

During the term of each assisted lease, and for at least three years thereafter, the DCHA must keep:

- A copy of the executed lease;
- The HAP contract; and
- The application from the family.

In addition, the DCHA must keep the following records for at least three years:

- Records that provide income, racial, ethnic, gender, and disability status data on program applicants and participants;
- An application from each ineligible family and notice that the applicant is not eligible;
- HUD-required reports;
- Unit inspection reports;
- Lead-based paint records as required by 24 CFR 35, Subpart B.
- Accounts and other records supporting DCHA budget and financial statements for the program;
- Records to document the basis for DCHA determination that rent to owner is a reasonable rent (initially and during the term of a HAP contract); and
- Other records specified by HUD.

The DCHA must keep the last three years of the Form HUD-50058 and supporting documentation during the term of each assisted lease, and for a period of at least three years from the end of participation (EOP) date [24 CFR 908.101].

The DCHA must maintain Enterprise Income Verification (EIV) system Income Reports in the tenant file for the duration of the tenancy but for a period not to exceed three years from the EOP date [Notice PIH 2018-18].

Notice PIH 2014-20 requires PHAs to keep records of all complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act or the equal access final rule.
The DCHA must keep confidential records of all emergency transfer requested by victims of domestic violence, dating violence, sexual assault, and stalking under the DCHA’s Emergency Transfer Plan, as well as the outcomes of such requests, and retain the records for a period of three years [24 CFR 5.2002(e)(12)].

If an informal hearing to establish a family’s citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 16-III.D., Retention of Documents.

16-VI.C. RECORDS MANAGEMENT

PHAs must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

**DCHA Policy**

All applicant and participant information will be kept in a secure location and access will be limited to authorized DCHA staff.

DCHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

**Privacy Act Requirements [24 CFR 5.212 and Form-9886]**

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or the DCHA may release the information collected.

**Upfront Income Verification (UIV) Records**

PHAs that access UIV data through HUD’s Enterprise Income Verification (EIV) system are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD-issued document, *Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification data.*

**DCHA Policy**

Prior to utilizing HUD’s EIV system, the DCHA will adopt and implement EIV security procedures required by HUD. Please see at Appendix B.
Criminal Records

The DCHA may only disclose the criminal conviction records which the DCHA receives from a law enforcement agency to officers or employees of the DCHA, or to authorized representatives of the DCHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

The DCHA must establish and implement a system of records management that ensures that any criminal record received by the DCHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the DCHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

The DCHA must establish and implement a system of records management that ensures that any sex offender registration information received by the DCHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the DCHA action without institution of a challenge or final disposition of any such litigation. However, a record of the screening, including the type of screening and the date performed must be retained [Notice PIH 2012-28]. This requirement does not apply to information that is public information, or is obtained by a PHA other than under 24 CFR 5.905.

Medical/Disability Records

PHAs are not permitted to inquire about the nature or extent of a person’s disability. The DCHA may not inquire about a person’s diagnosis or details of treatment for a disability or medical condition. If the DCHA receives a verification document that provides such information, the DCHA should not place this information in the tenant file. The DCHA should destroy the document.

Documentation of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

For requirements and DCHA policies related to management of documentation obtained from victims of domestic violence, dating violence, sexual assault, or stalking, see section 16-IX.E.
PART VII: REPORTING AND RECORD KEEPING FOR CHILDREN WITH ELEVATED BLOOD LEAD LEVEL

16-VII.A. OVERVIEW
The DCHA has certain responsibilities relative to children with elevated blood lead levels that are receiving HCV assistance. The notification, verification, and hazard reduction requirements are discussed in Chapter 8. This part deals with the reporting requirements, and data collection and record keeping responsibilities that the DCHA is subject to.

16-VII.B. REPORTING REQUIREMENT [24 CFR 35.1225(e); Notice PIH 2017-13]
The owner must report the name and address of a child identified as having an elevated blood lead level to the public health department within five business days of being so notified by any other medical health care professional. The owner must also notify the HUD field office and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child’s address within five business days. The DCHA may collaborate with the owner on the notification process, such as by agreeing with the owner to provide the required notifications on the owner’s behalf.

DCHA Policy

District of Columbia Department of Energy and the Environment (DOEE), which is the local authority in charge of collecting all lead blood level tests in the District of Columbia works with DCHA to inform of EBLLs at addresses in DCHA’s programs.

When notified by DOEE, medical professionals, or program participants of an EBLL, DCHA provides the owner written notification and holds the owner responsible for performing the required notifications to the District of Columbia Department of Energy and the Environment, the HUD field office, and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child’s address within five (5) business days.
16-VII.C. DATA COLLECTION AND RECORD KEEPING [24 CFR 35.1225(f)]

At least quarterly, the DCHA must attempt to obtain from the public health department(s) with a similar area of jurisdiction, the names and/or addresses of children less than 6 years old with an elevated blood lead level.

If the DCHA obtains names and addresses of elevated blood lead level children from the public health department(s), the DCHA must match this information with the names and addresses of families receiving HCV assistance, unless the public health department performs such a procedure. If a match occurs, the DCHA must carry out the notification, verification, and hazard reduction requirements discussed in Chapter 8, and the reporting requirement discussed above.

At least quarterly, the DCHA must also report an updated list of the addresses of units receiving assistance under the HCV program to the same public health department(s), unless the public health department(s) states that it does not wish to receive such a report.

DCHA Policy

As described in Section 16-VII.B., DCHA works with DOEE, the local public authority on EBLLs, to match addresses of EBLL cases to DCHA HCVP program matches. When a match is found, DCHA completes the Environmental Investigation Requirements outlined in Chapter 8 and holds the owner responsible for any required lead hazard remediation and HQS violations.
PART VIII: DETERMINATION OF INSUFFICIENT FUNDING

DCHA Policy:

The DCHA will determine if there is sufficient funding to issue vouchers, approve moves and to continue subsidizing all families currently under a HAP contract, pursuant to HUD regulations.

16-VIII.A. OVERVIEW

The HCV regulations allow PHAs to deny families permission to move and to terminate Housing Assistance Payments (HAP) contracts if funding under the consolidated ACC is insufficient to support continued assistance [24 CFR 982.354(e)(1) and 982.454]. If a PHA denies a family a portability move based on insufficient funding, the DCHA is required to notify the local HUD office within 10 business days [24 CFR 982.354]. Insufficient funding may also impact the DCHA’s ability to issue vouchers to families on the waiting list. This part discusses the methodology the DCHA will use to determine whether or not the DCHA has sufficient funding to issue vouchers, approve moves, and to continue subsidizing all families currently under a HAP contract.

16-VIII.B. METHODOLOGY

DCHA Policy

Total HAP needs for the calendar year should be established in DCHA’s annual MYW plan under Section II: General Housing Authority Operating Information

The DCHA will determine whether there is adequate funding to issue vouchers, approve moves to higher cost units and areas, and continue subsidizing all current participants by comparing the DCHA’s annual budget authority to the annual total HAP needs on a monthly basis. The total HAP needs for the calendar year will be projected by establishing the actual HAP costs year to date. To that figure, the DCHA will add anticipated HAP expenditures for the remainder of the calendar year. Projected HAP expenditures will be calculated by multiplying the projected number of units leased per remaining months by the most current month’s average HAP. The projected number of units leased per month will take into account the average monthly turnover of participant families.

If the total annual HAP needs equal or exceed the annual budget authority and funding reserves, or if the DCHA cannot support the cost of the proposed subsidy commitment (voucher issuance or move) based on the funding analysis, the DCHA will be considered to have insufficient funding.
PART IX: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, CONFIDENTIALITY

16-IX.A. OVERVIEW

The Violence against Women Act of 2022 (VAWA) provides special protections for victims of domestic violence, dating violence, sexual assault and stalking who are applying for or receiving assistance under the housing choice voucher (HCV) program. If your state or local laws provide greater protection for such victims, those laws apply in conjunction with VAWA.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and DCHA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and DCHA policies are located primarily in the following sections: 3-I.C, “Family Breakup and Remaining Member of Tenant Family”; 3-III.G, “Prohibition against Denial of Assistance to Victims of Domestic Violence, Dating Violence, and Stalking”; 10-I.A, “Allowable Moves”; 10-I.B, “Restrictions on Moves”; 12-I.E, “Terminations Related to Domestic Violence, Dating Violence, or Stalking”; and 12-II.F, “Termination Notice.”

16-IX.B. DEFINITIONS [24 CFR 5.2003, 42 USC 13925]

As used in VAWA:

- The term bifurcate means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.

- The term dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - The length of the relationship
  - The type of relationship
  - The frequency of interaction between the persons involved in the relationship

- The term domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabited with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.
• The term *affiliated individual* means, with respect to a person:
  - A spouse, parent, brother or sister, or child of that individual, or an individual to whom that individual stands in the position or place of a parent; or
  - Any other individual, tenant, or lawful occupant living in the household of the victim of domestic violence, dating violence, sexual assault, or stalking.

• The term *sexual assault* means:
  - Any nonconsensual sexual act proscribed by federal, tribal, or state law, including when the victim lacks the capacity to consent

• The term *stalking* means:
  - To engage in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others, or suffer substantial emotional distress.
16-IX.C. NOTIFICATION [24 CFR 5.2005(a)]

Notification to Public

The DCHA adopts the following policy to help ensure that all actual and potential beneficiaries of its HCV program are aware of their rights under VAWA.

DCHA Policy

The DCHA will post the following information regarding VAWA in its offices and on its website. It will also make the information readily available to anyone who requests it.

- A copy of the notice of occupancy rights under VAWA to housing choice voucher program applicants and participants who are or have been victims of domestic violence, dating violence, sexual assault, or stalking (Form HUD-5380, see Exhibit 16-1)
- A copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation (see Exhibit 16-2)
- A copy of the DCHA’s emergency transfer plan (Exhibit 16-3)
- A copy of HUD’s Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, Form HUD-5383 (Exhibit 16-4)
- The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) (included in Exhibits 16-1 and 16-2)
- Contact information for local victim advocacy groups or service providers
Notification to Program Applicants and Participants [24 CFR 5.2005(a)(1)]

PHAs are required to inform program applicants and participants of their rights under VAWA, including their right to confidentiality and the limits thereof, when they are denied assistance, when they are admitted to the program, and when they are notified of an eviction or termination of housing benefits.

**DCHA Policy**

The DCHA will provide all applicants with information about VAWA at the time they apply for housing assistance and as part of the written briefing packet in preparation for admission (lease-up) to the program. The DCHA will also include information about VAWA in all notices of denial of assistance (see section 3-III.G).

The DCHA will provide all participants with information about VAWA at reexamination. The DCHA will also include information about VAWA in notices of termination of assistance, as provided in section 12-II.F.

The VAWA information provided to applicants and participants will consist of the notices in Exhibits 16-1 and 16-2.

The DCHA is not limited to providing VAWA information at the times specified in the above policy. If the DCHA decides to provide VAWA information to a participant following an incident of domestic violence, Notice PIH 2017-08 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases the DCHA make alternative delivery arrangements that will not put the victim at risk.

**DCHA Policy**

Whenever the DCHA has reason to suspect that providing information about VAWA to a participant might place a victim of domestic violence at risk, it will attempt to deliver the information by hand directly to the victim by having the victim come to an office or other space that may be safer for the individual, making reasonable accommodations as necessary. For example, the DCHA may decide not to send mail regarding VAWA protections to the victim’s unit if the DCHA believes the perpetrator may have access to the victim’s mail, unless requested by the victim.

When discussing VAWA with the victim, the DCHA will take reasonable precautions to ensure that no one can overhear the conversation, such as having conversations in a private room.

The victim may, but is not required to, designate an attorney, advocate, or other secure contact for communications regarding VAWA protections.
Notification to Owners and Managers

While PHAs are no longer required by regulation to notify owners and managers participating in the HCV program of their rights and obligations under VAWA, the DCHA may still choose to inform them.

**DCHA Policy**

The DCHA will provide owners and managers with information about their rights and obligations under VAWA upon request.

The VAWA information provided to owners will consist of the notice in Exhibit 16-5 and a copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, and Stalking and Alternate Documentation.
16-IX.D. DOCUMENTATION [24 CFR 5.2007]

A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, sexual assault, stalking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. The DCHA may extend this time period at its discretion. [24 CFR 5.2007(a)]

The individual may satisfy the DCHA’s request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

(1) A completed and signed HUD-approved certification form (HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim. The form may be filled out and submitted on behalf of the victim.

(2) A federal, state, tribal, territorial, or local police report or court record, or an administrative record

(3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; a mental health professional; or a medical professional. The person signing the documentation must attest under penalty of perjury to the person’s belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The DCHA may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under “Conflicting Documentation,” nor may it require certification in addition to third-party documentation [VAWA final rule].

DCHA Policy

Any request for documentation of domestic violence, dating violence, sexual assault or stalking will be in writing, will specify a deadline of 14 business days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

The DCHA may, in its discretion, extend the deadline for 10 business days. In determining whether to extend the deadline, the DCHA will consider factors that may contribute to the victim’s inability to provide documentation in a timely manner, including cognitive limitations, disabilities, limited English proficiency, absence from the unit, administrative delays, the danger of further violence, and the victim’s need to address health or safety issues. Any extension granted by the DCHA will be in writing.

Once the victim provides documentation, the DCHA will acknowledge receipt of the documentation within 10 business days.
Conflicting Documentation [24 CFR 5.2007(e)]

In cases where the DCHA receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the DCHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3). The DCHA may also request third-party documentation when submitted documentation contains information that conflicts with existing information already available to the DCHA. Individuals have 30 calendar days to return third-party verification to the DCHA. If the DCHA does not receive third-party documentation, and the DCHA will deny or terminate assistance as a result, the DCHA must hold separate hearings for the tenants [Notice PIH 2017-08].

The DCHA must honor any court orders issued to protect the victim or to address the distribution of property.

DCHA Policy

If presented with conflicting certification documents from members of the same household, the DCHA will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007(e) and by following any HUD guidance on how such determinations should be made.

When requesting third-party documents, the DCHA will provide contact information for local domestic violence and legal aid offices. In such cases, applicants or tenants will be given 30 calendar days from the date of the request to provide such documentation.

If the DCHA does not receive third-party documentation within the required timeframe (and any extensions) the DCHA will deny VAWA protections and will notify the applicant or tenant in writing of the denial. If, as a result, the applicant or tenant is denied or terminated from the program, the DCHA will hold separate hearings for the applicants or tenants.

Once the third-party documentation is received, it will be reviewed by a designated review panel to determine what further action will be taken by the DCHA, if any.

Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]

The DCHA has the discretion to provide benefits to an individual based solely on the individual’s statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b). HUD recommends documentation in a confidential manner when a verbal statement or other evidence is accepted.

DCHA Policy

Generally, the DCHA will require documentation of abuse as outlined in 16-IX.D.

If the DCHA accepts an individual’s statement or other corroborating evidence (as determined by the victim) of domestic violence, dating violence, sexual assault or stalking, the DCHA will document acceptance of the statement or evidence.
Failure to Provide Documentation [24 CFR 5.2007(c)]

In order to deny relief for protection under VAWA, a PHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as the DCHA may allow, the DCHA may deny relief for protection under VAWA.

16-IX.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]

All information provided to the DCHA regarding domestic violence, dating violence, sexual assault or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence. This means that the DCHA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

DCHA Policy

If disclosure is required for use in an eviction proceeding, termination of assistance, or is otherwise required by applicable law, the DCHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.
EXHIBIT 16-1: SAMPLE NOTICE OF OCCUPANCY RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT, FORM HUD-5380

[Insert Name of Housing Provider]

Notice of Occupancy Rights under the Violence Against Women Act

To all Tenants and Applicants

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation. The U.S. Department of Housing and Urban Development (HUD) is the federal agency that oversees that the housing choice voucher program is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA."

Protections for Applicants

If you otherwise qualify for assistance under the housing choice voucher program, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Protections for Tenants

If you are receiving assistance under the housing choice voucher program, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under the housing choice voucher program solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

---

2 Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

3 Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.
Removing the Abuser or Perpetrator from the Household

The DCHA may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If the DCHA chooses to remove the abuser or perpetrator, the DCHA may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, the DCHA must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, the DCHA must follow federal, state, and local eviction procedures. In order to divide a lease, the DCHA may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

Moving to Another Unit

Upon your request, the DCHA may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, the DCHA may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

1. **You are a victim of domestic violence, dating violence, sexual assault, or stalking.** If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.

2. **You expressly request the emergency transfer.** Your housing provider may choose to require that you submit a form, or may accept another written or oral request.

3. **You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

   **OR**

   **You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer.** If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.
The DCHA will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families. The DCHA’s emergency transfer plan provides further information on emergency transfers, and the DCHA must make a copy of its emergency transfer plan available to you if you ask to see it.

**Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

The DCHA can, but is not required to, ask you to provide documentation to “certify” that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from the DCHA must be in writing, and the DCHA must give you at least 14 business days (Saturdays, Sundays, and federal holidays do not count) from the day you receive the request to provide the documentation. The DCHA may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to the DCHA as documentation. It is your choice which of the following to submit if the DCHA asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by the DCHA with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.

- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.

- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, “professional”) from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that they believe that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.

- Any other statement or evidence that the DCHA has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, the DCHA does not have to provide you with the protections contained in this notice.

If the DCHA receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), the DCHA has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, the DCHA does not have to provide you with the protections contained in this notice.
Confidentiality
The DCHA must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA. The DCHA must not allow any individual administering assistance or other services on behalf of the DCHA (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

The DCHA must not enter your information into any shared database or disclose your information to any other entity or individual. The DCHA, however, may disclose the information provided if:

- You give written permission to the DCHA to release the information on a time limited basis.
- The DCHA needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires the DCHA or your landlord to release the information.

VAWA does not limit the DCHA’s duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated
You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, the DCHA cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if the DCHA can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

1. Would occur within an immediate time frame, and
2. Could result in death or serious bodily harm to other tenants or those who work on the property.

If the DCHA can demonstrate the above, the DCHA should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

Other Laws
VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.
Non-Compliance with The Requirements of This Notice
You may report a covered housing provider’s violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with [insert contact information for any intermediary, if applicable] or [insert HUD field office].

For Additional Information
You may view a copy of HUD’s final VAWA rule at: https://www.gpo.gov/fdsys/pkg/FR-2016-11-16/pdf/2016-25888.pdf.
Additionally, the DCHA must make a copy of HUD’s VAWA regulations available to you if you ask to see them.
For questions regarding VAWA, please contact [insert name of program or rental assistance contact information able to answer questions on VAWA].
For help regarding an abusive relationship, you may call the National Domestic Violence Hotline at 1-800-799-7233 or, for persons with hearing impairments, 1-800-787-3224 (TTY). You may also contact [Insert contact information for relevant local organizations].
For tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime’s Stalking Resource Center at https://www.victimsofcrime.org/our-programs/stalking-resource-center.
For help regarding sexual assault, you may contact [Insert contact information for relevant organizations]
Victims of stalking seeking help may contact [Insert contact information for relevant organizations].

Attachment: Certification form HUD-5382 [form approved for this program to be included]
EXHIBIT 16-2: CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING AND ALTERNATE DOCUMENTATION, FORM HUD-5382

CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING, AND ALTERNATE DOCUMENTATION

Purpose of Form: The Violence Against Women Act ("VAWA") protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

Use of This Optional Form: If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

1. A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, "professional") from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of "domestic violence," "dating violence," "sexual assault," or "stalking" in HUD’s regulations at 24 CFR 5.2003.

2. A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or

3. At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

Submission of Documentation: The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation, if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.
TO BE COMPLETED BY OR ON BEHALF OF THE VICTIM OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING

1. Date the written request is received by victim: _________________________________________

2. Name of victim: ____________________________

3. Your name (if different from victim’s):_________________________________________________

4. Name(s) of other family member(s) listed on the lease: ___________________________________

5. Residence of victim: ________________________________________________________________

6. Name of the accused perpetrator (if known and can be safely disclosed):____________________

7. Relationship of the accused perpetrator to the victim:___________________________________

8. Date(s) and times(s) of incident(s) (if known):___________________________________________

10. Location of incident(s):_____________________________________________________________

In your own words, briefly describe the incident(s):
_________________________________________________________________________________
_________________________________________________________________________________
_________________________________________________________________________________

This is to certify that the information provided on this form is true and correct to the best of my knowledge and recollection, and that the individual named above in Item 2 is or has been a victim of domestic violence, dating violence, sexual assault, or stalking. I acknowledge that submission of false information could jeopardize program eligibility and could be the basis for denial of admission, termination of assistance, or eviction.

Signature __________________________________Signed on (Date) ___________________________

Public Reporting Burden: The public reporting burden for this collection of information is estimated to average 1 hour per response. This includes the time for collecting, reviewing, and reporting the data. The information provided is to be used by the housing provider to request certification that the applicant or tenant is a victim of domestic violence, dating violence, sexual assault, or stalking. The information is subject to the confidentiality requirements of VAWA. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget control number.
EXHIBIT 16-3: EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING
(HCV VERSION)

Attachment: Certification form HUD-5382

[Insert name of covered housing provider]

Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

Housing Choice Voucher Program

Emergency Transfers
The DCHA is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA), the DCHA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant’s current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation. The ability of the DCHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether the DCHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the federal agency that oversees that the public housing and housing choice voucher (HCV) programs are in compliance with VAWA.

Eligibility for Emergency Transfers
A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD’s regulations at 24 CFR part 5, subpart L, is eligible for an emergency transfer if the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

4 Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

5 Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.
A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation
To request an emergency transfer, the tenant shall notify the DCHA’s management office and submit a written request for a transfer to any DCHA office. The DCHA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant’s written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the DCHA’s program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant’s request for an emergency transfer.

Confidentiality
The DCHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives the DCHA written permission to release the information on a time-limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person or persons that committed an act of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence against Women Act for All Tenants for more information about the DCHA’s responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability
The DCHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The DCHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. The DCHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the DCHA has no safe and available units for which a tenant who needs an emergency transfer is eligible, the DCHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant’s request, the DCHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.
Emergency Transfers: Housing Choice Voucher (HCV) Program

Tenant-based assistance: If you are a participant in the tenant-based HCV program and request an emergency transfer as described in this plan, the DCHA will assist you to move to a safe unit quickly using your existing voucher assistance. The DCHA will make exceptions to program regulations restricting moves as required.

At your request, the DCHA will refer you to organizations that may be able to further assist you.

Project-based assistance: If you are assisted under the project-based voucher (PBV) program, you may request an emergency transfer under the following programs for which you are not required to apply:

- Project-based assistance in the same project (if a vacant unit is available and you determine that the vacant unit is safe)
- Project-based assistance in another development owned by the DCHA
- Tenant-based voucher, if available

Emergency transfers under VAWA will take priority over waiting list admissions for these types of assistance.

You may also request an emergency transfer under the following programs for which you are required to apply:

- Public housing program
- PBV assistance in another development not owned by the DCHA
- Other programs administered by the DCHA (additional information provided upon request)

Emergency transfers will not take priority over waiting list admissions for these programs. At your request, the DCHA will refer you to organizations that may be able to further assist you.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse, and Incest National Network’s National Sexual Assault Hotline at 1-800-656-HOPE, or visit the online hotline at: https://ohl.rainn.org/online/.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime’s Stalking Resource Center at: https://www.victimsofcrime.org/our-programs/stalking-resource-center.

Attachment: Local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking.
EXHIBIT 16-4: EMERGENCY TRANSFER REQUEST FOR CERTAIN VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING, FORM HUD-5383

**Purpose of Form:** If you are a victim of domestic violence, dating violence, sexual assault, or stalking, and you are seeking an emergency transfer, you may use this form to request an emergency transfer and certify that you meet the requirements of eligibility for an emergency transfer under the Violence Against Women Act (VAWA). Although the statutory name references women, VAWA rights and protections apply to all victims of domestic violence, dating violence, sexual assault or stalking. Using this form does not necessarily mean that you will receive an emergency transfer. See your housing provider’s emergency transfer plan for more information about the availability of emergency transfers.

**The requirements you must meet are:**

(1) **You are a victim of domestic violence, dating violence, sexual assault, or stalking.** If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation. In response, you may submit Form HUD-5382, or any one of the other types of documentation listed on that Form.

(2) **You expressly request the emergency transfer.** Submission of this form confirms that you have expressly requested a transfer. Your housing provider may choose to require that you submit this form, or may accept another written or oral request. Please see your housing provider’s emergency transfer plan for more details.

(3) **You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

**You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer.** If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you submit this form or otherwise expressly request the transfer.

**Submission of Documentation:** If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you should submit that documentation to your housing provider if it is safe for you to do so. Examples of third party documentation include, but are not limited to: a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom you have sought assistance; a current restraining order; a recent court order or other court records; a law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts.
Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking, and concerning your request for an emergency transfer shall be kept confidential. Such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections or an emergency transfer to you. Such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

TO BE COMPLETED BY OR ON BEHALF OF THE PERSON REQUESTING A TRANSFER
1. Name of victim requesting an emergency transfer: ________________________________

2. Your name (if different from victim’s)___________________________________________

3. Name(s) of other family member(s) listed on the lease:____________________________

4. Name(s) of other family member(s) who would transfer with the victim:_____________

5. Address of location from which the victim seeks to transfer: _________________________

6. Address or phone number for contacting the victim:______________________________

7. Name of the accused perpetrator (if known and can be safely disclosed):_____________

8. Relationship of the accused perpetrator to the victim:_____________________________

9. Date(s), Time(s) and location(s) of incident(s):_________________________________

10. Is the person requesting the transfer a victim of a sexual assault that occurred in the past 90 days on the premises of the property from which the victim is seeking a transfer? If yes, skip question 11. If no, fill out question 11. ______________

11. Describe why the victim believes they are threatened with imminent harm from further violence if they remain in their current unit.

_________________________________________________________________________________

_________________________________________________________________________________

12. If voluntarily provided, list any third-party documentation you are providing along with this notice: ______________________________________________________________________
This is to certify that the information provided on this form is true and correct to the best of my knowledge, and that the individual named above in Item 1 meets the requirement laid out on this form for an emergency transfer. I acknowledge that submission of false information could jeopardize program eligibility and could be the basis for denial of admission, termination of assistance, or eviction.

Signature __________________________________Signed on (Date) ___________________________
MODEL OWNER NOTIFICATION OF RIGHTS AND OBLIGATIONS

[Insert Name of Housing Provider]

NOTIFICATION OF YOUR RIGHTS AND OBLIGATIONS

UNDER THE VIOLENCE AGAINST WOMEN ACT (VAWA)

VAWA provides protections for Section 8 Housing Choice Voucher (HCV) and PBV applicants, tenants, and participants from being denied assistance on the basis or as a direct result of being a victim of domestic violence, dating violence, sexual assault and stalking.

Purpose

Many of VAWA’s protections to victims of domestic violence, dating violence, sexual assault and stalking involve action by the public housing agency (DCHA), but some situations involve action by owners of assisted housing. The purpose of this notice (herein called “Notice”) is to explain your rights and obligations under VAWA, as an owner of housing assisted through [insert name of housing provider] HCV program. Each component of this Notice also provides citations to HUD’s applicable regulations.

Denial of Tenancy

*Protection for applicants:* Owners cannot deny tenancy based on the applicant having been or currently being a victim of domestic violence, dating violence, sexual assault, or stalking. However, the applicant must be otherwise eligible for tenancy. (See 24 Code of Federal Regulations (CFR) 982.452(b)(1).)

Eviction

*Protection for HCV participants:* Incidents or threats of domestic violence, dating violence, sexual assault, or stalking will not be considered a serious or repeated lease violation by the victim, or good cause to terminate the tenancy of the victim (24 CFR 5.2005(c)). Protection also applies to criminal activity related directly to domestic violence, dating violence, sexual assault, or stalking, conducted by a member of a tenant’s household or any guest or other person under the tenant’s control, if the tenant or an affiliated individual of the tenant is the victim or threatened victim of such domestic violence, dating violence, sexual assault, or stalking (24 CFR 5.2005(b)(2)).

*Limitations of VAWA protections:*

a. Nothing in the VAWA Final Rule limits the authority of an owner, when notified of a court order, to comply with a court order with respect to (24 CFR 5.2005(d)(1)):
   1) The rights of access or control of property, including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking; or
   2) The distribution or possession of property among members of a household in a case.

b. Nothing in the VAWA Final Rule limits an owner from evicting a victim of domestic violence, dating violence, sexual assault, or stalking for a lease violation that is not premised on an act of domestic violence, dating violence, sexual assault, or stalking, as long as the owner does not subject the victim to more demanding standards than other tenants when deciding whether to evict. (See 24 CFR 5.2005(d)(2).)

c. Nothing in the VAWA Final Rule limits an owner from evicting a tenant (including the victim of domestic violence, dating violence, sexual assault, or stalking) if the owner can demonstrate an actual and imminent threat to other tenants or those employed at or providing services to the HCV property would be present if the tenant or lawful occupant is not evicted. (See 24 CFR 5.2005(d)(3).)
i. In this context, words, gestures, actions, or other indicators will be considered an “actual and imminent threat” if they meet the following standards: An actual and imminent threat consists of a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur. (See 24 CFR 5.2003.)

ii. Any eviction due to “actual and imminent threat” should be utilized by an owner only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence or develop other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents. (See 24 CFR 5.2005(d)(4).)

**Documentation of Domestic Violence, Dating Violence, Sexual Assault, or Stalking**

If an applicant or tenant requests VAWA protection based on status as a victim of domestic violence, dating violence, sexual assault, or stalking, the owner has the option to request that the victim document or provide written evidence to demonstrate that the violence occurred. However, nothing in HUD’s regulation requires a covered housing provider to request this documentation. (See 24 CFR 5.2007(b)(3).)

If the owner chooses to request this documentation, the owner must make such request in writing. The individual may satisfy this request by providing any one document type listed under 24 CFR 5.2007(b)(1):

a. Form HUD-55383 (Self-Certification Form); or

b. A document: 1) Signed by an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional or a mental health professional (collectively, “professional”) from whom the victim has sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse:
   2) Signed by the applicant or tenant; and
   3) That specifies, under penalty of perjury, that the professional believes in the occurrence of the incident of domestic violence, dating violence, sexual assault, or stalking that is the ground for protection and remedies under 24 CFR part 5, subpart L, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, or stalking under 24 CFR 5.2003; or

c. A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or

d. At the discretion of a covered housing provider, a statement or other evidence provided by the applicant or tenant.

The owner must accept any of the above items (a – c). The owner has discretion to accept a statement or other evidence (d).

The owner is prohibited from requiring third-party documentation of the domestic violence, dating violence, sexual assault, or stalking, unless the submitted documentation contains conflicting information.
If the owner makes a written request for documentation, the owner may require submission of that documentation within 14 business days after the date that the individual received the written request for documentation. (24 CFR 5.2007(a)(2)). The owner may extend this time period at its discretion. During the 14 business day period and any granted extensions of that time, no adverse actions, such as evictions or terminations, can be taken against the individual requesting VAWA protection.

Once a victim provides documentation of domestic violence, dating violence, sexual assault, or stalking, the owner is encouraged to acknowledge receipt of the documentation in a timely manner.

If the applicant or tenant fails to provide documentation that meets the criteria in 24 CFR 5.2007 within 14 business days after receiving the written request for that documentation or within the designated extension period, nothing in VAWA Final Rule may be construed to limit the authority of the covered housing provider to:

a. Deny admission by the applicant or tenant to the housing or program;

b. Deny assistance under the covered housing program to the applicant or tenant;

c. Terminate the participation of the tenant in the covered housing program; or

d. Evict the tenant, or a lawful occupant that commits a violation of a lease.

An individual’s failure to timely provide documentation of domestic violence, dating violence, sexual assault, or stalking does not result in a waiver of the individual’s right to challenge the denial of assistance or termination, nor does it preclude the individual’s ability to raise an incident of domestic violence, dating violence, sexual assault, or stalking at eviction or termination proceedings.

**Moves**

A victim of domestic violence, dating violence, sexual assault, or stalking may move in violation of their lease if the move is required to protect their safety. If a move results in the termination of the Housing Assistance Payment Contract, the lease is automatically terminated.

**Lease Bifurcation**

Owners may choose to bifurcate a lease, or remove a household member from a lease in order to evict, remove, terminate occupancy rights, or terminate assistance to such member who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual. (See 24 CFR 5.2009(a).) If an owner chooses to bifurcate the lease, the owner must comply with the reasonable time to establish eligibility under the covered housing program or find alternative housing following lease bifurcation provision in 24 CFR 5.2009(b). VAWA protections, including bifurcation, do not apply to guests or unreported members of a household or anyone else residing in a household who is not a tenant.

Eviction, removal, termination of occupancy rights, or termination of assistance must be effected in accordance with the procedures prescribed by federal, state, or local law for termination of leases.

To avoid unnecessary delay in the bifurcation process, HUD recommends that owners seek court-ordered eviction of the perpetrator pursuant to applicable laws. This process results in the underlying lease becoming null and void once the owner regains possession of the unit. The owner would then execute a new lease with the victim.
Evictions Due to “Actual and Imminent Threat” or Violations Not Premised on Abuse

The VAWA Final Rule generally prohibits eviction on the basis or as a direct result of the fact that the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for assistance, participation or occupancy. (See 24 CFR 5.2005.)

However, the VAWA Final Rule does not prohibit an owner from evicting a tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, or stalking that is in question against the tenant or an affiliated individual of the tenant. Nor does the VAWA Final Rule prohibit an owner from evicting a tenant if the owner can demonstrate an actual and imminent threat to other tenants or those employed at or providing services to property of the owner would be present if that tenant or lawful occupant is not evicted or terminated from assistance. (See 5.2005(d)(2) and (3).)

In order to demonstrate an actual and imminent threat to other tenants or employees at the property, the covered housing provider must have objective evidence of words, gestures, actions, or other indicators that meet the standards in the following definition:

Actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk;
- The nature and severity of the potential harm;
- The likelihood that the potential harm will occur; and
- The length of time before the potential harm would occur.

(See 24 CFR 5.2003 and 5.2005(d)(2).)

Confidentiality

Any information submitted to a covered housing provider under 24 CFR 5.2007, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, or stalking, must be maintained in strict confidence by the covered housing provider. (See 24 CFR 5.2007(c).)

Employees of the owner (or those within their employ, e.g., contractors) must not have access to the information unless explicitly authorized by the owner for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law (e.g., the information is needed by an employee to provide the VAWA protections to the victim).

The owner must not enter this information into any shared database, or disclose this information to any other entity or individual, except to the extent that disclosure is:

a. Requested or consented to in writing by the individual (victim) in a time-limited release;

b. Required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program; or

c. Otherwise required by applicable law.

When communicating with the victim, owners must take precautions to ensure compliance with these confidentiality requirements.
Service Providers

[insert name of housing provider] has extensive relationships with local service providers. [insert name of housing provider] staff are available to provide referrals to shelters, counselors, and advocates. These resources are also provided in [insert name of housing provider] Annual and 5-Year Plan, Administrative Plan, VAWA Notice of Occupancy Rights, and Emergency Transfer Plan. A list of local service providers is attached to this Notice.

Definitions

**Actual and imminent threat** refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

**Affiliated individual**, with respect to an individual, means:
(1) A spouse, parent, brother, sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual); or
(2) Any individual, tenant, or lawful occupant living in the household of that individual.

**Bifurcate** means to divide a lease as a matter of law, subject to the permissibility of such process under the requirements of the applicable HUD-covered program and State or local law, such that certain tenants or lawful occupants can be evicted or removed and the remaining tenants or lawful occupants can continue to reside in the unit under the same lease requirements or as may be revised depending upon the eligibility for continued occupancy of the remaining tenants and lawful occupants.

**Dating violence** means violence committed by a person:
(1) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
(2) Where the existence of such a relationship shall be determined based on a consideration of the following factors:
   (i) The length of the relationship;
   (ii) The type of relationship; and
   (iii) The frequency of interaction between the persons involved in the relationship.

**Domestic violence** includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person whom the victim shares a child in common, by a person who is cohabitating with or has cohabited with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction. The term “spouse or intimate partner of the victim” includes a person who is or has been in a social relationship of a romantic or intimate nature with the victim, as determined by the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.
Sexual assault means any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
(1) Fear for the person’s individual safety or the safety of others; or
(2) Suffer substantial emotional distress.

PROJECT-BASED VOUCHERS

INTRODUCTION

This chapter describes HUD regulations and DCHA policies related to the project-based voucher (PBV) program in nine parts:

Part I: General Requirements. This part describes general provisions of the PBV program including maximum budget authority requirements, relocation requirements, and equal opportunity requirements.

Part II: PBV Owner Proposals. This part includes policies related to the submission and selection of owner proposals for PBV assistance. It describes the factors the DCHA will consider when selecting proposals, the type of housing that is eligible to receive PBV assistance, the cap on assistance at projects receiving PBV assistance, subsidy layering requirements, site selection standards, and environmental review requirements.

Part III: Dwelling Units. This part describes requirements related to housing quality standards, the type and frequency of inspections, and housing accessibility for persons with disabilities.

Part IV: Rehabilitated and Newly Constructed Units. This part describes requirements and policies related to the development and completion of rehabilitated and newly constructed housing units that will be receiving PBV assistance.

Part V: Housing Assistance Payments Contract. This part discusses HAP contract requirements and policies including the execution, term, and termination of the HAP contract. In addition, it describes how the HAP contract may be amended and identifies provisions that may be added to the HAP contract at the DCHA’s discretion.

Part VI: Selection of PBV Program Participants. This part describes the requirements and policies governing how the DCHA and the owner will select a family to receive PBV assistance.

Part VII: Occupancy. This part discusses occupancy requirements related to the lease and describes under what conditions families are allowed or required to move. In addition, exceptions to the occupancy cap (which limits PBV assistance to 25 percent of the units in any project) are also discussed.

Part VIII: Determining Rent to Owner. This part describes how the initial rent to owner is determined, and how rent will be redetermined throughout the life of the HAP contract. Rent reasonableness requirements are also discussed.

Part IX: Payments to Owner. This part describes the types of payments owners may receive under this program.
PART I: GENERAL REQUIREMENTS

17-I.A. OVERVIEW [24 CFR 983.5; FR Notice 1/18/17; Notice PIH 2017-21]

The project-based voucher (PBV) program allows PHAs that already administer a tenant-based voucher program under an annual contributions contract (ACC) with HUD to take up to 20 percent of its authorized units and attach the funding to specific units rather than using it for tenant-based assistance [24 CFR 983.6]. PHAs may only operate a PBV program if doing so is consistent with the DCHA’s MTW Plan, and the goal of deconcentrating poverty and expanding housing and economic opportunities [42 U.S.C. 1437f(o)(13)].

DCHA Policy

The DCHA will administer its PBV program in accordance with its Moving to Work (MTW) Plan: Under the authority granted to the DCHA under its MTW status, the DCHA is not subject to the PBV cap. However, the DCHA will maintain a 20 percent cap unless the cap is adjusted as approved by the Board of Commissioners.

See Exhibit 17-1 for a list of developments to which the DCHA has attached PBV assistance. Exhibits 17-2 provides details on each HAP Contract.

PBV assistance may be attached to existing housing or newly constructed or rehabilitated housing [24 CFR 983.52]. If PBV units are already selected for project-based assistance either under an agreement to enter into HAP Contract (Agreement) or a HAP contract, the DCHA is not required to reduce the number of these units if the number of authorized units is subsequently reduced. However, the DCHA is responsible for determining the amount of budget authority that is available for project-based vouchers and ensuring that the amount of assistance that is attached to units is within the amounts available under the ACC, regardless of whether the DCHA has vouchers available for project-basing [FR Notice 1/18/17].

Additional Project-Based Units [FR Notice 1/18/17; Notice PIH 2017-21; FR Notice 1/24/22]

The DCHA may project-base an additional 10 percent of its units above the 20 percent program limit. The units may be distributed among one, all, or a combination of the categories as long as the total number of units does not exceed the 10 percent cap.

For units under a HAP contract that was first executed on or after April 18, 2017, units qualify under this exception if the units:

- Are specifically made available to house individuals and families that meet the definition of homeless under section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302) and contained in the Continuum of Care Interim Rule at 24 CFR 578.3.
- Are specifically made available to house families that are comprised of or include a veteran. Veteran means an individual who has served in the United States Armed Forces.
- Provide supportive housing to persons with disabilities or elderly persons as defined in 24 CFR 5.403.
- Are located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year Estimates.
PBV units that house eligible youth receiving FUPY/FYI assistance are also covered by this 10 percent exception authority if the units are under a HAP contract that became effective after December 27, 2020, and if the unit is occupied by an eligible youth receiving FUPY/FYI assistance. FYI TPVs that were awarded under Notice PIH 2019-20 are not part of this exception since PHAs are prohibited from project-basing FYI TPVs. Units added after December 27, 2020, through an amendment of a HAP contract that became effective after December 27, 2020, are eligible for this 10 percent exception authority. In contrast, units added after December 27, 2020, through an amendment of a HAP contract that became effective on or prior to December 27, 2020, are not eligible for this 10 percent exception authority [FR Notice 1/24/22]. See Chapter 19 for policies specific to project-basing FUPY vouchers.

**DCHA Policy**

While, under the authority granted to the DCHA under its MTW status, the DCHA is not subject to the PBV cap, the DCHA may project-base up to an additional 10 percent of its authorized units, up to 30 percent, in accordance with standard HUD regulations and requirements.

**Units Not Subject to the PBV Program Limitation [FR Notice 1/18/17]**

PBV units under the RAD program and HUD-VASH PBV set-aside vouchers do not count toward the 20 percent limitation when PBV assistance is attached to them.

In addition, units that were previously subject to certain federal rent restrictions or were receiving another type of long-term housing subsidy provided by HUD are not subject to the cap. The unit must be covered under a PBV HAP contract that first became effective on or after April 18, 2017.

**DCHA Policy**

The DCHA may project-base units not subject to the 20 percent cap in accordance with HUD regulations and requirements.
17-I.B. TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE
[24 CFR 983.2]

Much of the tenant-based voucher program regulations also apply to the PBV program. Consequently, many of the DCHA policies related to tenant-based assistance also apply to PBV assistance. The provisions of the tenant-based voucher regulations that do not apply to the PBV program are listed at 24 CFR 983.2.

DCHA Policy

Except as otherwise noted in this chapter, or unless specifically prohibited by PBV program regulations, the DCHA policies for the tenant-based voucher program contained in this administrative plan also apply to the PBV program and its participants.

17-I.C. RELOCATION REQUIREMENTS [24 CFR 983.7]

Any persons displaced as a result of implementation of the PBV program must be provided relocation assistance in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA)[42 U.S.C. 4201-4655] and implementing regulations at 49 CFR part 24.

The cost of required relocation assistance may be paid with funds provided by the owner, local public funds, or funds available from other sources. PHAs may not use voucher program funds to cover relocation costs, except that PHAs may use their administrative fee reserve to pay for relocation expenses after all other program administrative expenses are satisfied, and provided that payment of the relocation benefits is consistent with district and local law. Use of the administrative fee for these purposes must also be consistent with other legal and regulatory requirements, including the requirement in 24 CFR 982.155 and other official HUD issuances.

The acquisition of real property for a PBV project is subject to the URA and 49 CFR part 24, subpart B. It is the responsibility of the DCHA to ensure the owner complies with these requirements.

17-I.D. EQUAL OPPORTUNITY REQUIREMENTS [24 CFR 983.8]

The DCHA must comply with all equal opportunity requirements under federal law and regulations in its implementation of the PBV program. This includes the requirements and authorities cited at 24 CFR 5.105(a). In addition, the DCHA must comply with the DCHA Plan certification on civil rights and affirmatively furthering fair housing, submitted in accordance with 24 CFR 903.7(o).
PART II: PBV OWNER PROPOSALS

17-II.A. OVERVIEW

With certain exceptions, the DCHA must describe the procedures for owner submission of PBV proposals and for DCHA selection of PBV proposals [24 CFR 983.51]. Before selecting a PBV proposal, the DCHA must determine that the PBV proposal complies with HUD program regulations and requirements, including a determination that the property is eligible housing [24 CFR 983.53 and 983.54], complies with the cap on the number of PBV units per project [24 CFR 983.56], and meets the site selection standards [24 CFR 983.57]. The DCHA may not commit PBVs until or unless it has followed the proposal selection requirements defined in 24 CFR 983.51 [Notice PIH 2011-54].

17-II.B. OWNER PROPOSAL SELECTION PROCEDURES [24 CFR 983.51(b)]

The DCHA must select PBV proposals in accordance with the selection procedures in the DCHA administrative plan. The DCHA must select PBV proposals by either of the following two methods.

- **DCHA request for PBV Proposals.** The DCHA may solicit proposals by using a request for proposals to select proposals on a competitive basis in response to the DCHA request. The DCHA may not limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV housing on different sites.

- **The DCHA may select proposal that were previously selected based on a competition.** This may include selection of a proposal for housing assisted under a federal, district, or local government housing assistance program that was subject to a competition in accordance with the requirements of the applicable program, community development program, or supportive services program that requires competitive selection of proposals (e.g., HOME, and units for which competitively awarded LIHTCs have been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance. The DCHA need not conduct another competition.

**Units Selected Non-Competitively [FR Notice 1/18/17; Notice PIH 2017-21; 24 CFR 983.51(b)]**

For certain public housing projects where the DCHA has an ownership interest or control, the DCHA may attach PBV assistance non-competitively without following one of the two processes above.

This exception applies when the DCHA is engaged in an initiative to improve, develop, or replace a public housing property or site. The public housing units may either currently be in the public housing inventory or may have been removed from the public housing inventory within five years of the date on which the DCHA entered into the AHAP or HAP.

If the DCHA is planning rehabilitation or new construction on the project, a minimum threshold of $25,000 per unit in hard costs must be expended.
If the DCHA plans to replace public housing by attaching PBV assistance to existing housing in which the DCHA has an ownership interest or control, then the $25,000 per unit minimum threshold does not apply as long as the existing housing substantially complies with HQS.

The DCHA must include in the administrative plan what work it plans to do on the property or site and how many PBV units will be added to the site.

**DCHA Policy**

DCHA may attach PBVs to public housing projects when the following circumstances are met:

1) The DCHA has an ownership interest or control;
2) The DCHA is engaged in an initiative to improve, develop, or replace a public housing property or site; or
3) the DCHA is planning rehabilitation or new construction where at least $25,000 in hard costs per unit will be expended.
Solicitation and Selection of PBV Proposals [24 CFR 983.51(c)]

DCHA procedures for selecting PBV proposals must be designed and actually operated to provide broad public notice of the opportunity to offer PBV proposals for consideration by the DCHA. The public notice procedures may include publication of the public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice. The public notice of the DCHA request for PBV proposals must specify the submission deadline. Detailed application and selection information must be provided at the request of interested parties.

DCHA Policy

DCHA Request for Proposals for Rehabilitated and Newly Constructed Units

The DCHA will advertise its request for proposals (RFP) for rehabilitated and newly constructed housing in The Washington Post Sunday Edition, other minority media and posting on the DCHA website.

The advertisement will state the number of vouchers available to be project-based, the type of units that will be considered, the submission deadline, and will note how to obtain the full RFP with information on the application and selection process. Advertisements will also contain a statement that participation in the PBV program requires compliance with Fair Housing and Equal Opportunity (FHEO) requirements.

In addition, the DCHA will post the RFP and proposal submission and rating and ranking procedures on its website.

The DCHA will publish its advertisement in the newspapers and trade journals mentioned above for at least one day per week for three consecutive weeks. The advertisement will specify the number of units the DCHA estimates that it will be able to assist under the funding the DCHA is making available. The deadline date for submission of proposals will be included in the notice.

In order for the proposal to be considered, the owner must submit the proposal to the DCHA by the published deadline date, and the proposal must respond to all requirements as outlined in the RFP. Incomplete proposals will not be reviewed.

In addition to including information specific to the development, the RFP will include information regarding the following requirements:

- SNS,
- Davis-Bacon;
- Accessibility;
- Subsidy layering reviews; and
- Environmental reviews.

In addition, the RFP will clearly state that DCHA will administer the wait list and that the project will be subject to underwriting standards.
The DCHA will rate and rank proposals for rehabilitated and newly constructed housing using the following criteria:

- Owner experience and capability to build or rehabilitate housing as identified in the RFP, including experience of the owner and development team in successful completion of one or more mixed income, HUD subsidized residential development projects;
- The experience and professionalism of the proposed management company in providing high quality management of innovative projects and the quality of the proposed Management and Maintenance Plan;
- Extent to which the project furthers the DCHA goal of deconcentrating poverty and expanding housing and economic opportunities (see Section 17-II.G. Site Selection Standards);
- The convenience of the facilities and amenities of the neighborhood and, if the property is located in a poverty impacted neighborhood, whether a comprehensive neighborhood revitalization strategy is underway or realistically expected to begin implementation in the next three (3) years;
- If applicable, the extent to which services for special populations are provided on site or in the immediate area for occupants of the property;
- In order to promote partially assisted projects, projects where less than 25 percent of the units will be assisted will be rated higher than projects where 25 percent or more of the units will be assisted. In the case of projects for occupancy by the elderly, persons with disabilities or families needing other services, the DCHA will rate partially assisted projects on the percentage of units assisted. Projects with the lowest percentage of assisted units will receive the highest score;
- The owner’s ability and commitment to meet unit accessibility requirements as established by HUD and the DCHA;
- The owner’s ability and commitment to meet Labor Standards (see Section 17-IV.C. Conduct of Development work;
- Project financials (to determine if the project needs all of the vouchers);
- The owner’s Tenant Selection Plan (TSP);
- Supportive services offered to the resident populations; and
- Such other factors as are published in the announcement.

**DCHA Requests for Proposals for Existing Housing Units**

The DCHA will advertise its request for proposals (RFP) for existing housing in *The Washington Post Sunday Edition*, other minority media and posting on the DCHA website.
The advertisement will state the number of vouchers available to be project-based, the type of units that will be considered, the submission deadline, and will note how to obtain the full RFP with information on the application and selection process. Advertisements will also contain a statement that participation in the PBV program requires compliance with Fair Housing and Equal Opportunity (FHEO) requirements.

In addition, the DCHA will post the notice inviting such proposal submission and the rating and ranking procedures on its website.

The DCHA will periodically publish its advertisement in the newspapers and trade journals mentioned above for at least one day per week for three consecutive weeks. The advertisement will specify the number of units the DCHA estimates that it will be able to assist under the funding the DCHA is making available. Owner proposals will be accepted on a first-come first-served basis and will be evaluated using the following criteria:

- Experience as an owner in the tenant-based voucher program and owner compliance with the owner’s obligations under the tenant-based program;
- Extent to which the project furthers the DCHA goal of deconcentrating poverty and expanding housing and economic opportunities (see Section 17-II.G. Site Selection Standards);
- The convenience of the facilities and amenities of the neighborhood and, if the property is located in a poverty impacted neighborhood, whether a comprehensive neighborhood revitalization strategy is underway or realistically expected to begin implementation in the next three (3) years;
- If applicable, extent to which services for special populations are provided on site or in the immediate area for occupants of the property; and
- Extent to which units are occupied by families that are eligible to participate in the PBV program;
- Project financials (to determine if the project needs all of the vouchers);
- The owner’s Tenant Selection Plan (TSP);
- Supportive services offered to the resident populations; and
- Such other factors as are published in the announcement.
DCHA Selection of Proposals Subject to a Previous Competition under a Federal, District, or Local Housing Assistance Program

The DCHA will accept proposals for PBV assistance on an ongoing basis from owners that were competitively selected under another federal, district or local housing assistance program, including projects that were competitively awarded 9% Low-Income Housing Tax Credits.

Proposals will be reviewed on a first-come first-served basis. The DCHA will evaluate each proposal on a quarterly basis, subject to PBV availability.

Proposals will be evaluated on merits using the following factors:

- Extent to which the project furthers the DCHA goal of deconcentrating poverty and expanding housing and economic opportunities (see Section 17-II.G. Site Selection Standards);
- Extent to which the proposal complements other local activities such as the redevelopment of a public housing site under the HOPE VI program, the HOME program, CDBG activities, other development activities in a HUD-designated Enterprise Zone, Economic Community, Choice Neighborhood, or Renewal Community;
- Project financials (to determine if the project needs all of the vouchers);
- The owner’s Tenant Selection Plan (TSP);
- Supportive services offered to the resident populations; and
- Such other factors as are published in the announcement.

The DCHA may directly contact specific owners that have already been selected for Federal, district, or local housing assistance based on a previously held competition, to inform them of available PBV assistance.
DCHA-Owned Units [24 CFR 983.51(e), 983.59, FR Notice 1/18/17, and Notice PIH 2017-21]

A DCHA-owned unit may be assisted under the PBV program only if the HUD field office or HUD-approved independent entity reviews the selection process and determines that the DCHA-owned units were appropriately selected based on the selection procedures specified in the DCHA administrative plan. This also applies to noncompetitive selections. If the DCHA selects a proposal for housing that is owned or controlled by the DCHA, the DCHA must identify the entity that will review the DCHA proposal selection process and perform specific functions with respect to rent determinations, the term of the HAP contract, and inspections.

In the case of DCHA-owned units, the term of the HAP contract and any HAP contract renewal must be agreed upon by the DCHA and a HUD-approved independent entity. In addition, an independent entity must determine the initial rent to owner, the redetermined rent to owner, and reasonable rent. Housing quality standards inspections must also be conducted by an independent entity.

The independent entity that performs these program services may be the unit of general local government for the DCHA jurisdiction (unless the DCHA is itself the unit of general local government or an agency of such government) or another HUD-approved public or private independent entity.

DCHA Policy

The DCHA may submit a proposal for project-based housing that is owned or controlled by the DCHA. If the proposal for DCHA-owned housing is selected, the DCHA will use a HUD-approved independent entity to review the DCHA selection process, when required. The DCHA will obtain HUD approval of the entity prior to selecting the proposal for DCHA-owned housing.

The DCHA may only compensate the independent entity from DCHA ongoing administrative fee income (including amounts credited to the administrative fee reserve). The DCHA may not use other program receipts to compensate the independent entity for its services. The DCHA and independent entity may not charge the family any fee for the appraisal or the services provided by the independent entity.
DCHA Notice of Owner Selection [24 CFR 983.51(d)]

The DCHA must give prompt written notice to the party that submitted a selected proposal and must also give prompt public notice of such selection. Public notice procedures may include publication of public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice.

DCHA Policy

Within 10 business days of the DCHA making the selection, the DCHA will notify the selected owner in writing of the owner’s selection for the PBV program. The DCHA will also notify in writing all owners that submitted proposals that were not selected and advise such owners of the name of the selected owner.

In addition, the DCHA will publish its notice for selection of PBV proposals for two consecutive days in the same newspapers and trade journals the DCHA used to solicit the proposals. The announcement will include the name of the owner that was selected for the PBV program. The DCHA will also post the notice of owner selection on its electronic web site.

The DCHA will not make available sensitive owner information that is privileged, such as financial statements and similar information about the owner.

17-II.C. HOUSING TYPE [24 CFR 983.52]

The DCHA may attach PBV assistance for units in existing housing or for newly constructed or rehabilitated housing developed under and in accordance with an agreement to enter into a housing assistance payments contract that was executed prior to the start of construction. A housing unit is considered an existing unit for purposes of the PBV program, if, at the time of notice of DCHA selection, the units substantially comply with HQS. Units for which new construction or rehabilitation began after the owner's proposal submission but prior to the execution of the HAP do not subsequently qualify as existing housing. Units that were newly constructed or rehabilitated in violation of program requirements also do not qualify as existing housing.

The DCHA must decide what housing type, new construction, rehabilitation, or existing housing, will be used to develop project-based housing. The DCHA choice of housing type must be reflected in its solicitation for proposals.
17-ILD. PROHIBITION OF ASSISTANCE FOR CERTAIN UNITS

Ineligible Housing Types [24 CFR 983.53]

The DCHA may not attach or pay PBV assistance to shared housing units; units on the grounds of a penal reformatory, medical, mental, or similar public or private institution; nursing homes or facilities providing continuous psychiatric, medical, nursing services, board and care, or intermediate care (except that assistance may be provided in assisted living facilities); units that are owned or controlled by an educational institution or its affiliate and are designated for occupancy by students; manufactured homes; and transitional housing. In addition, the DCHA may not attach or pay PBV assistance for a unit occupied by an owner and the DCHA may not select or enter into an agreement to enter into a HAP contract or HAP contract for a unit occupied by a family ineligible for participation in the PBV program. A member of a cooperative who owns shares in the project assisted under the PBV program is not considered an owner for purposes of participation in the PBV program. Finally, PBV assistance may not be attached to units for which construction or rehabilitation has started after the proposal submission and prior to the execution of an AHAP.

Subsidized Housing [24 CFR 983.54]

A PHA may not attach or pay PBV assistance to units in any of the following types of subsidized housing:

- A public housing unit;
- A unit subsidized with any other form of Section 8 assistance;
- A unit subsidized with any governmental rent subsidy;
- A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- A unit subsidized with Section 236 rental assistance payments (except that a PHA may attach assistance to a unit subsidized with Section 236 interest reduction payments);
- A Section 202 project for non-elderly with disabilities;
- Section 811 project-based supportive housing for persons with disabilities;
- Section 202 supportive housing for the elderly;
- A Section 101 rent supplement project;
- A unit subsidized with any form of tenant-based rental assistance;
- A unit with any other duplicative federal, district, or local housing subsidy, as determined by HUD or the PHA in accordance with HUD requirements.

The subsidy layering review is intended to prevent excessive public assistance by combining (layering) housing assistance payment subsidy under the PBV program with other governmental housing assistance from federal, district, or local agencies, including assistance such as tax concessions or tax credits.

HUD requires new construction and rehabilitation housing that will include forms of governmental assistance other than PBVs to undergo a subsidy layering review (SLR) prior to entering into an Agreement to Enter into Housing Assistance Payments Contract (AHAP). Subsidy layering requirements do not apply to existing housing, when PBV is the only governmental assistance, or for projects already subject to a PBV HAP contract, even if the project is recapitalized with outside sources of funding.

When a PHA selects a new construction or rehabilitation project, the PHA must require information regarding all HUD and/or other federal, district, or local governmental assistance to be disclosed by the project owner using Form HUD-2880. Appendix A of FR Notice 2/28/20 contains a list of all required documentation.

Either HUD or a HUD-approved housing credit agency (HCA) in the DCHA’s jurisdiction performs the subsidy layering review. The DCHA must request an SLR through their local HUD Field Office or, if eligible, through a participating HCA.

If the SLR request is submitted to an approved HCA, and the proposed project-based voucher assistance meets HUD subsidy layering requirements, the HCA must submit a certification to HUD and notify the DCHA. The DCHA may proceed to execute an AHAP at that time if the environmental approval is received.

The HAP contract must contain the owner's certification that the project has not received and will not receive (before or during the term of the HAP contract) any public assistance for acquisition, development, or operation of the housing other than assistance disclosed in the subsidy layering review in accordance with HUD requirements.
17-ILF. CAP ON NUMBER OF PBV UNITS IN EACH PROJECT

25 Percent per Project Cap [24 CFR 983.56, FR Notice 1/18/17, and Notice PIH 2017-21]

In general, the DCHA may not select a proposal to provide PBV assistance for units in a project or enter into an agreement to enter into a HAP or a HAP contract to provide PBV assistance for units in a project, if the total number of dwelling units in the project that will receive PBV assistance during the term of the PBV HAP contract is more than the greater of 25 units or 25 percent of the number of dwelling units (assisted or unassisted) in the project.

Exceptions to 25 Percent per Project Cap [FR Notice 1/18/17; Notice PIH 2017-21; FR Notice 1/24/22]

As of April 18, 2017, units are not counted against the 25 percent or 25-unit per project cap if:

- The units are exclusively for elderly families
- The units are for households eligible for supportive services available to all families receiving PBV assistance in the project
  - If the project is located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year estimates, the project cap is the greater of 25 units or 40 percent (instead of 25 percent) of the units in the project [FR Notice 7/14/17].

The Housing Opportunity Through Modernization Act of 2016 (HOTMA) eliminated the project cap exemption for projects that serve disabled families and modified the exception for supportive services.

Under the Fostering Stable Housing Opportunities (FSHO) amendments, units exclusively made available to youth receiving FUPY/FYI assistance may be excepted from the project cap for HAP contracts first effective after December 27, 2020. For more information on excepted units for FUPY, see Chapter 19.

Projects where these caps were implemented prior to HOTMA (HAP contracts executed prior to April 18, 2017) or FSHO (contract in effect on or prior to December 27, 2020) may continue to use the former exceptions and may renew their HAP contracts under the old requirements, unless the DCHA and owner agree to change the conditions of the HAP contract. However, this change may not be made if it would jeopardize an assisted family’s eligibility for continued assistance in the project.
Supportive Services

PHAs must include in the PHA administrative plan the type of services offered to families for a project to qualify for the exception and the extent to which such services will be provided. As of April 18, 2017, the project must make supportive services available to all families receiving PBV assistance in the project, but the family does not actually have to accept and receive supportive services for the exception to apply to the unit, although the family must be eligible to receive the supportive services. It is not necessary that the services be provided at or by the project but must be reasonably available to families receiving PBV assistance at the project and designed to help families in the project achieve self-sufficiency or live in the community as independently as possible. A PHA may not require participation in the supportive service as a condition of living in the excepted unit, although such services may be offered.

DCHA Policy

Subject to approval by the Board of Commissioners, PBVs may be provided for up to one hundred percent (100%) of the units in a qualified property. “Qualified property” is defined as a single-family house or contiguous properties comprised of units that are specifically for households consisting of elderly families, disabled families, families qualifying for supportive services, to the extent permitted under federal funding restrictions.

Families will not be required to accept and receive supportive services for the exception to apply to the unit, although they will be required to be eligible to receive supportive services. The following types of services may be provided depending on the needs of the family:

- Meal service adequate to meet nutritional needs;
- Housekeeping aid;
- Personal assistance;
- Transportation services;
- Health-related services;
- Case management;
- Child care;
- Educational and employment services;
- Job training;
- Counseling; or
- Other services designed to help the recipient live in the community as independently as possible.
Projects not Subject to a Project Cap [FR Notice 1/18/17; Notice PIH 2017-21]

PBV units that were previously subject to certain federal rent restrictions or receiving another type of long-term housing subsidy provided by HUD are exempt from the project cap. In other words, 100 percent of the units in these projects may receive PBV assistance.

Promoting Partially Assisted Projects [24 CFR 983.56(c)]

A PHA may establish local requirements designed to promote PBV assistance in partially assisted projects. A partially assisted project is a project in which there are fewer units covered by a HAP contract than residential units [24 CFR 983.3].

A PHA may establish a per-project cap on the number of units that will receive PBV assistance or other project-based assistance in a multifamily project containing excepted units or in a single-family building. A PHA may also determine not to provide PBV assistance for excepted units, or the PHA may establish a per-project cap of less than 25 units or 25 percent of units.

DCHA Policy:

The DCHA will not impose any further cap on the number of PBV units assisted per project.
17-II.G. SITE SELECTION STANDARDS

Compliance with PBV Goals, Civil Rights Requirements, and HQS Site Standards
[24 CFR 983.57(b)]

The DCHA may not select a proposal for existing, newly constructed, or rehabilitated PBV housing on a site or enter into an agreement to enter into a HAP contract or HAP contract for units on the site, unless the DCHA has determined that PBV assistance for housing at the selected site is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities. The standard for deconcentrating poverty and expanding housing and economic opportunities must be consistent with the DCHA Plan under 24 CFR 903 and the DCHA administrative plan.

In addition, prior to selecting a proposal, the DCHA must determine that the site is suitable from the standpoint of facilitating and furthering full compliance with the applicable Civil Rights Laws, regulations, and Executive Orders, and that the site meets the HQS site and neighborhood standards at 24 CFR 982.401(l).

DCHA Policy

It is the DCHA goal to select sites for PBV housing that provide for deconcentrating poverty and expanding housing and economic opportunities. In complying with this goal the DCHA will seek to approve sites for PBV housing in census tracts with lower poverty concentrations within its jurisdiction.

The DCHA may also prioritize sites where the DCHA determines that the PBV assistance will complement other local redevelopment activities designed to deconcentrate poverty and expand housing and economic opportunities in census tracts with higher poverty concentrations, such as sites in:

- A census tract in which the proposed PBV development will be located in a HUD-designated Enterprise Zone, Economic Community, Choice Neighborhood, or Renewal Community;
- A census tract where the concentration of assisted units will be or has decreased as a result of public housing demolition and HOPE VI redevelopment;
- A census tract in which the proposed PBV development will be located is undergoing significant revitalization as a result of district, local, or federal dollars invested in the area;
- A census tract where new market rate units are being developed where such market rate units will positively impact the poverty rate in the area;
- A census tract where there has been an overall decline in the poverty rate within the past five years; or
- A census tract where there are meaningful opportunities for educational and economic advancement.
Existing and Rehabilitated Housing Site and Neighborhood Standards [24 CFR 983.57(d)]
The DCHA may not enter into an agreement to enter into a HAP contract nor enter into a HAP contract for existing or rehabilitated housing until it has determined that the site complies with the HUD required site and neighborhood standards. The site must:

- Be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- Have adequate utilities and streets available to service the site;
- Promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

New Construction Site and Neighborhood Standards [24 CFR 983.57(e)]
In order to be selected for PBV assistance, a site for newly constructed housing must meet the following HUD required site and neighborhood standards:

- The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- The site must have adequate utilities and streets available to service the site;
- The site must not be located in an area of minority concentration unless the DCHA determines that sufficient, comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside areas of minority concentration or that the project is necessary to meet overriding housing needs that cannot be met in that housing market area;
- The site must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to non-minority residents in the area.
- The site must promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate;
- The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Except for housing designed for elderly persons, the housing must be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.
17-II.H. ENVIRONMENTAL REVIEW [24 CFR 983.58]

The DCHA activities under the PBV program are subject to HUD environmental regulations in 24 CFR parts 50 and 58. The responsible entity is responsible for performing the federal environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). The DCHA may not enter into an agreement to enter into a HAP contract nor enter into a HAP contract until it has complied with the environmental review requirements.

In the case of existing housing, the responsible entity that is responsible for the environmental review under 24 CFR part 58 must determine whether or not PBV assistance is categorically excluded from review under the National Environmental Policy Act and whether or not the assistance is subject to review under the laws and authorities listed in 24 CFR 58.5.

The DCHA may not enter into an agreement to enter into a HAP contract or a HAP contract with an owner, and the DCHA, the owner, and its contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct real property or commit or expend program or local funds for PBV activities under this part, until the environmental review is completed.

The DCHA must supply all available, relevant information necessary for the responsible entity to perform any required environmental review for any site. The DCHA must require the owner to carry out mitigating measures required by the responsible entity (or HUD, if applicable) as a result of the environmental review.
PART III: DWELLING UNITS

17-III.A. OVERVIEW
This part identifies the special housing quality standards that apply to the PBV program, housing accessibility for persons with disabilities, and special procedures for conducting housing quality standards inspections.

17-III.B. HOUSING QUALITY STANDARDS [24 CFR 983.101]
The housing quality standards (HQS) for the tenant-based program, including those for special housing types, generally apply to the PBV program. HQS requirements for shared housing, manufactured home space rental, and the homeownership option do not apply because these housing types are not assisted under the PBV program.

The physical condition standards at 24 CFR 5.703 do not apply to the PBV program.

Lead-based Paint [24 CFR 983.101(c)]

17-III.C. HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES
The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8. The DCHA must ensure that the percentage of accessible dwelling units complies with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as implemented by HUD's regulations at 24 CFR 8, subpart C.

Housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable. (24 CFR 983.102)
17-III.D. INSPECTING UNITS

Pre-selection Inspection [24 CFR 983.103(a)]

The DCHA must examine the proposed site before the proposal selection date. If the units to be assisted already exist, the DCHA must inspect all the units before the proposal selection date, and must determine whether the units substantially comply with HQS. To qualify as existing housing, units must substantially comply with HQS on the proposal selection date. However, the DCHA may not execute the HAP contract until the units fully comply with HQS.

Pre-HAP Contract Inspections [24 CFR 983.103(b), FR Notice 1/18/17, and Notice PIH 2017-20]

The DCHA must inspect each contract unit before execution of the HAP contract. The DCHA may not provide assistance on behalf of the family until the unit fully complies with HQS, unless the DCHA has adopted a policy to enter into a HAP contract for units that fail the initial HQS inspection as a result of only non-life-threatening conditions, or if the unit passed an alternative inspection.

DCHA Policy

The HA will not provide assistance on behalf of the family until the unit fully complies with HQS.

Turnover Inspections [24 CFR 983.103(c)]

Before providing assistance to a new family in a contract unit, the DCHA must inspect the unit. The DCHA may not provide assistance on behalf of the family until the unit fully complies with HQS.

Annual/Biennial Inspections [24 CFR 983.103(d); FR Notice 6/25/14]

At least once every 24 months during the term of the HAP contract, the DCHA must inspect a random sample consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with HQS. Turnover inspections are not counted toward meeting this inspection requirement. The DCHA also has the option in certain mixed finance properties to rely on alternative inspections conducted at least triennially.

DCHA Policy

The DCHA will inspect at least once every 24 months a random sample consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with HQS.

If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, the DCHA must reinspect 100 percent of the contract units in the building.
Other Inspections [24 CFR 983.103(e)]

The DCHA must inspect contract units whenever needed to determine that the contract units comply with HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The DCHA must take into account complaints and any other information coming to its attention in scheduling inspections.

The DCHA must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an HQS violation, and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of HQS.

In conducting DCHA supervisory quality control HQS inspections, the DCHA should include a representative sample of both tenant-based and project-based units.

Inspecting DCHA-Owned Units [24 CFR 983.103(f)]

In the case of DCHA-owned units, the inspections must be performed by an independent entity designated by the DCHA and approved by HUD. The independent entity must furnish a copy of each inspection report to the DCHA and to the HUD field office where the project is located. The DCHA must take all necessary actions in response to inspection reports from the independent entity, including exercise of contractual remedies for violation of the HAP contract by the DCHA-owner.

DCHA Policy

As authorized under its Moving to Work (MTW) status, the DCHA may conduct HQS inspections of DCHA-owned units or DCHA-affiliate units.
PART IV: REHABILITATED AND NEWLY CONSTRUCTED UNITS

17-IV.A. OVERVIEW [24 CFR 983.151]

There are specific requirements that apply to PBV assistance for newly constructed or rehabilitated housing that do not apply to PBV assistance in existing housing. This part describes the requirements unique to this type of assistance.

Housing selected for this type of assistance may not at a later date be selected for PBV assistance as existing housing.

17-IV.B. AGREEMENT TO ENTER INTO HAP CONTRACT

In order to offer PBV assistance in rehabilitated or newly constructed units, the DCHA must enter into an agreement to enter into HAP contract (Agreement) with the owner of the property. The Agreement must be in the form required by HUD [24 CFR 983.152(b)]. The DCHA may not enter into an Agreement if commencement of construction or rehabilitation has commenced after proposal submission [24 CFR 983.152(c)]. Construction begins when excavation or site preparation (including clearing of the land) begins for the housing. Rehabilitation begins with the physical commencement of rehabilitation activity on the housing.

In the Agreement the owner agrees to develop the PBV contract units to comply with HQS, and the DCHA agrees that upon timely completion of such development in accordance with the terms of the Agreement, the DCHA will enter into a HAP contract with the owner for the contract units [24 CFR 983.152(a)].

Content of the Agreement [24 CFR 983.152(d)]

At a minimum, the Agreement must describe the following features of the housing to be developed and assisted under the PBV program:

- Site and the location of the contract units;
- Number of contract units by area (size) and number of bedrooms and bathrooms;
- Services, maintenance, or equipment to be supplied by the owner without charges in addition to the rent;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner and utility services to be paid by the tenant;
- An indication of whether or not the design and construction requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973 apply to units under the Agreement. If applicable, any required work item resulting from these requirements must be included in the description of work to be performed under the Agreement;
- Estimated initial rents to owner for the contract units;
- Description of the work to be performed under the Agreement. For rehabilitated units, the description must include the rehabilitation work write up and, where determined necessary by the DCHA, specifications and plans. For new construction units, the description must include the working drawings and specifications.
- Any additional requirements for quality, architecture, or design over and above HQS.
Execution of the Agreement [24 CFR 983.153]

The Agreement must be executed promptly after DCHA notice of proposal selection to the selected owner. The DCHA may not enter into the Agreement if construction or rehabilitation has started after proposal submission. Generally, the DCHA may not enter into the Agreement with the owner until the subsidy layering review is completed. Likewise, the DCHA may not enter into the Agreement until the environmental review is completed and the DCHA has received environmental approval. However, the DCHA does not need to conduct a subsidy layering review in the case of a HAP contract for existing housing or if the applicable district or local agency has conducted such a review. Similarly, environmental reviews are not required for existing structures unless otherwise required by law or regulation.

DCHA Policy

The DCHA will enter into the Agreement with the owner promptly upon receiving both environmental approval, notice that subsidy layering requirements have been met, any financial closing requirements have been met, and before construction or rehabilitation work is started.
17-IV.C. CONDUCT OF DEVELOPMENT WORK

Labor Standards [24 CFR 983.154(b)]

If an Agreement covers the development of nine or more contract units (whether or not completed in stages), the owner and the owner’s contractors and subcontractors must pay Davis-Bacon wages to laborers and mechanics employed in the development of housing. The HUD-prescribed form of the Agreement will include the labor standards clauses required by HUD, such as those involving Davis-Bacon wage rates.

The owner, contractors, and subcontractors must also comply with the Contract Work Hours and Safety Standards Act, Department of Labor regulations in 29 CFR part 5, and other applicable federal labor relations laws and regulations. The DCHA must monitor compliance with labor standards.

Owner Disclosure [24 CFR 983.154(d) and (e)]

The Agreement and HAP contract must include a certification by the owner that the owner and other project principals are not on the U.S. General Services Administration list of parties excluded from federal procurement and non-procurement programs.

The owner must also disclose any possible conflict of interest that would be a violation of the Agreement, the HAP contract, or HUD regulations.
17-IV.D. COMPLETION OF HOUSING

The Agreement must specify the deadlines for completion of the housing, and the owner must develop and complete the housing in accordance with these deadlines. The Agreement must also specify the deadline for submission by the owner of the required evidence of completion.

Evidence of Completion [24 CFR 983.155(b)]

At a minimum, the owner must submit the following evidence of completion to the DCHA in the form and manner required by the DCHA:

- Owner certification that the work has been completed in accordance with HQS and all requirements of the Agreement; and
- Owner certification that the owner has complied with labor standards and equal opportunity requirements in development of the housing.

At the DCHA’s discretion, the Agreement may specify additional documentation that must be submitted by the owner as evidence of housing completion.

DCHA Policy

The DCHA will require an owner certification per the requirements above and determine the need for the owner to submit additional documentation as evidence of housing completion on a case-by-case basis depending on the nature of the PBV project. The DCHA will specify any additional documentation requirements in the Agreement to enter into HAP contract.

DCHA Acceptance of Completed Units [24 CFR 983.156]

Upon notice from the owner that the housing is completed, the DCHA must inspect to determine if the housing has been completed in accordance with the Agreement, including compliance with HQS and any additional requirements imposed under the Agreement. The DCHA must also determine if the owner has submitted all required evidence of completion.

If the work has not been completed in accordance with the Agreement, the DCHA must not enter into the HAP contract.

If the DCHA determines the work has been completed in accordance with the Agreement and that the owner has submitted all required evidence of completion, the DCHA must submit the HAP contract for execution by the owner and must then execute the HAP contract.
PART V: HOUSING ASSISTANCE PAYMENTS CONTRACT (HAP)

17-V.A. OVERVIEW

The DCHA must enter into a HAP contract with an owner for units that are receiving PBV assistance. The purpose of the HAP contract is to provide housing assistance payments for eligible families. Housing assistance is paid for contract units leased and occupied by eligible families during the HAP contract term. With the exception of single-family scattered-site projects, a HAP contract shall cover a single project. If multiple projects exist, each project is covered by a separate HAP contract. The HAP contract must be in the form required by HUD [24 CFR 983.202(a)].

17-V.B. HAP CONTRACT REQUIREMENTS

Contract Information [24 CFR 983.203]

The HAP contract must specify the following information:

- The total number of contract units by number of bedrooms;
- The project’s name, street address, city or county, district and zip code, block and lot number (if known), and any other information necessary to clearly identify the site and the building;
- The number of contract units in each building, the location of each contract unit, the area of each contract unit, and the number of bedrooms and bathrooms in each contract unit;
- Services, maintenance, and equipment to be supplied by the owner and included in the rent to owner;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner (included in rent) and utility services to be paid by the tenant;
- Features provided to comply with program accessibility requirements of Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8;
- The HAP contract term;
- The number of units in any project that will exceed the 25 percent per project cap, which will be set aside for occupancy by qualifying families (elderly and/or disabled families and families receiving supportive services); and
- The initial rent to owner for the first 12 months of the HAP contract term.
Execution of the HAP Contract [24 CFR 983.204]

The DCHA may not enter into a HAP contract until each contract unit has been inspected and the DCHA has determined that the unit complies with the Housing Quality Standards (HQS), unless the DCHA has adopted a policy to enter into a HAP contract for units that fail the initial HQS inspection as a result of only non-life-threatening conditions. For existing housing, the HAP contract must be executed promptly after the DCHA selects the owner proposal and inspects the housing units. For newly constructed or rehabilitated housing the HAP contract must be executed after the DCHA has inspected the completed units and has determined that the units have been completed in accordance with the agreement to enter into HAP, and the owner furnishes all required evidence of completion.

DCHA Policy

For existing housing, the HAP contract will be executed within 10 business days of the DCHA determining that all units pass HQS.

For rehabilitated or newly constructed housing, the HAP contract will be executed within 10 business days of the DCHA determining that the units have been completed in accordance with the agreement to enter into HAP, all units meet HQS, and the owner has submitted all required evidence of completion.

Term of HAP Contract [24 CFR 983.205, FR Notice 1/18/17, and Notice PIH 2017-21]

The DCHA may enter into a HAP contract with an owner for an initial term of no less than one year and no more than 20 years for each contract unit. The length of the term of the HAP contract for any contract unit may not be less than one year, nor more than 20 years. In the case of HA-owned units, the term of the HAP contract must be agreed upon by the DCHA and the independent entity approved by HUD [24 CFR 983.59(b)(2)].

DCHA Policy

The term of all PBV HAP contracts will be no less than one year and no more than 20 years for each contract unit per HUD regulations. Each contract will negotiated with the owner on a case-by-case basis.

At the time of the initial HAP contract term or any time before expiration of the HAP contract, the DCHA may extend the term of the contract for an additional term of up to 20 years if the DCHA determines an extension is appropriate to continue providing affordable housing for low-income families. A HAP contract extension may not exceed 20 years. A PHA may provide for multiple extensions; however, in no circumstances may such extensions exceed 20 years, cumulatively. Extensions after the initial extension are allowed at the end of any extension term, provided that not more than 24 months prior to the expiration of the previous extension contract the DCHA agrees to extend the term, and that such extension is appropriate to continue providing affordable housing for low-income families or to expand housing opportunities. Extensions after the initial extension term shall not begin prior to the expiration date of the previous extension term. Subsequent extensions are subject to the same limitations. All extensions must be on the form and subject to the conditions prescribed by HUD at the time of the extension. In the case of DCHA-owned units, any extension of the term of the HAP contract must be agreed upon by the DCHA and the independent entity approved by HUD [24 CFR 983.59(b)(2)].
DCHA Policy

When determining whether or not to extend an expiring PBV contract, the DCHA will consider several factors including, but not limited to:

- The cost of extending the contract and the amount of available budget authority;
- The condition of the contract units;
- The owner’s record of compliance with obligations under the HAP contract and lease(s);
- Whether the location of the units continues to support the goals of deconcentrating poverty and expanding housing opportunities; and
- Whether the funding could be used more appropriately for tenant-based assistance.

**Termination by DCHA [24 CFR 983.205(c) and FR Notice 1/18/17]**

The HAP contract must provide that the term of the DCHA’s contractual commitment is subject to the availability of sufficient appropriated funding as determined by HUD or by the DCHA in accordance with HUD instructions. For these purposes, sufficient funding means the availability of appropriations, and of funding under the ACC from such appropriations, to make full payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP contract.

In times of insufficient funding, HUD requires that PHAs first take all cost-saving measures prior to failing to make payments under existing PBV HAP contracts.

If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the DCHA may terminate the HAP contract by notice to the owner. The termination must be implemented in accordance with HUD instructions.

**Termination by Owner [24 CFR 983.205(d)]**

If in accordance with program requirements the amount of rent to an owner for any contract unit is reduced below the amount of the rent to owner at the beginning of the HAP contract term, the owner may terminate the HAP contract by giving notice to the DCHA. In this case, families living in the contract units must be offered tenant-based assistance.
Statutory Notice Requirements: Contract Termination or Expiration [24 CFR 983.206, FR Notice 1/18/17, and Notice PIH 2017-21]

Not less than one year before the HAP contract terminates, or if the owner refuses to renew the HAP contract, the owner must notify the DCHA and assisted tenants of the termination. The notice must be provided in the form prescribed by HUD. If the owner does not give timely notice, the owner must permit the tenants in assisted units to remain in their units for the required notice period with no increase in the tenant portion of their rent, and with no eviction as a result of the owner's inability to collect an increased tenant portion of rent. An owner may renew the terminating contract for a period of time sufficient to give tenants one-year advance notice under such terms as HUD may require.

Upon termination or expiration of the contract, a family living at the property is entitled to receive a tenant-based voucher. Tenant-based assistance would not begin until the owner’s required notice period ends. The DCHA must provide the family with a voucher and the family must also be given the option by the DCHA and owner to remain in their unit with HCV tenant-based assistance as long as the unit complies with inspection and rent reasonableness requirements. The family must pay their total tenant payment (TTP) and any additional amount if the gross rent exceeds the applicable payment standard. The family has the right to remain in the project as long as the units are used for rental housing and are otherwise eligible for HCV assistance. The owner may not terminate the tenancy of a family that exercises its right to remain except for serious or repeated lease violations or other good cause. Families that receive a tenant-based voucher at the expiration or termination of the PBV HAP contract are not new admissions to the DCHA HCV tenant-based program and are not subject to income eligibility requirements or any other admission requirements. If the family chooses to remain in their unit with tenant-based assistance, the family may do so regardless of whether the family share would initially exceed 40 percent of the family’s adjusted monthly income.

Remedies for HQS Violations [24 CFR 983.208(b)]

The DCHA may not make any HAP payment to the owner for a contract unit during any period in which the unit does not comply with HQS. If the DCHA determines that a contract does not comply with HQS, the DCHA may exercise any of its remedies under the HAP contract, for any or all of the contract units. Available remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

DCHA Policy

The DCHA will abate and terminate PBV HAP contracts for non-compliance with HQS in accordance with the policies used in the tenant-based voucher program. These policies are contained in Section 8-II.G., Enforcing Owner Compliance.
17-V.C. AMENDMENTS TO THE HAP CONTRACT

Substitution of Contract Units [24 CFR 983.207(a)]

At the DCHA’s discretion and subject to all PBV requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same project for a previously covered contract unit. Before any such substitution can take place, the DCHA must inspect the proposed unit and determine the reasonable rent for the unit.

Addition of Contract Units [FR Notice 1/18/17 and Notice PIH 2017-21]

The DCHA and owner may amend the HAP contract to add additional PBV contract units in projects that already have a HAP contract without having to fulfill the selection requirements found at 24 CFR 983.51(b) for those additional PBV units, regardless of when the HAP contract was signed. The additional PBV units, however, are still subject to the PBV program cap and individual project caps. Prior to attaching additional units without competition, the DCHA must submit to the local field office information outlined in FR Notice 1/18/17. The DCHA must also detail in the administrative plan their intent to add PBV units and the rationale for adding units to the specific PBV project.

DCHA Policy

The DCHA will add units to the contract on a case-by-case basis to ensure the availability of affordable housing as long as the addition of units does not exceed allowable project caps.

17-V.D. HAP CONTRACT YEAR, ANNIVERSARY AND EXPIRATION DATES [24 CFR 983.207(b) and 983.302(e)]

The HAP contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year.

There is a single annual anniversary and expiration date for all units under a particular HAP contract, even in cases where contract units are placed under the HAP contract in stages (on different dates) or units are added by amendment. The anniversary and expiration dates for all units coincide with the dates for the contract units that were originally placed under contract.
17-V.E. OWNER RESPONSIBILITIES UNDER THE HAP CONTRACT
[24 CFR 983.210]

When the owner executes the HAP contract s/he certifies that at such execution and at all times during the term of the HAP contract:

• All contract units are in good condition and the owner is maintaining the premises and contract units in accordance with HQS;

• The owner is providing all services, maintenance, equipment and utilities as agreed to under the HAP contract and the leases;

• Each contract unit for which the owner is receiving HAP, is leased to an eligible family referred by the DCHA, and the lease is in accordance with the HAP contract and HUD requirements;

• To the best of the owner’s knowledge the family resides in the contract unit for which the owner is receiving HAP, and the unit is the family’s only residence;

• The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit;

• The amount of the HAP the owner is receiving is correct under the HAP contract;

• The rent for contract units does not exceed rents charged by the owner for comparable unassisted units;

• Except for HAP and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit;

• The family does not own or have any interest in the contract unit (does not apply to family’s membership in a cooperative); and

• Repair work on the project selected as an existing project that is performed after HAP execution within such post-execution period as specified by HUD may constitute development activity, and if determined to be development activity, the repair work undertaken shall be in compliance with Davis-Bacon wage requirements.
17-V.F. ADDITIONAL HAP REQUIREMENTS

Housing Quality and Design Requirements [24 CFR 983.101(e) and 983.208(a)]

The owner is required to maintain and operate the contract units and premises in accordance with HQS, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance, equipment, and utilities specified in the HAP contract with the DCHA and in the lease with each assisted family. In addition, maintenance, replacement and redecoration must be in accordance with the standard practice for the building as established by the owner.

The DCHA may elect to establish additional requirements for quality, architecture, or design of PBV housing. Any such additional requirements must be specified in the Agreement to enter into a HAP contract and the HAP contract. These requirements must be in addition to, not in place of, compliance with HQS.

DCHA Policy

The DCHA will identify the need for any special features on a case-by-case basis depending on the intended occupancy of the PBV project. The DCHA will specify any special design standards or additional requirements in the invitation for PBV proposals, the agreement to enter into HAP contract, and the HAP contract.

Vacancy Payments [24 CFR 983.352(b)]

At the discretion of the DCHA, the HAP contract may provide for vacancy payments to the owner for a DCHA-determined period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The amount of the vacancy payment will be determined by the DCHA and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant’s security deposit).

DCHA Policy

Based on the circumstances of the projects being development, the DCHA will decide on a case-by-case basis if the DCHA will provide vacancy payments to the owner. The HAP contract with the owner will contain any such agreement, including the amount of the vacancy payment and the period for which the owner will qualify for these payments.
PART VI: SELECTION OF PBV PROGRAM PARTICIPANTS

17-VI.A. OVERVIEW

Many of the provisions of the tenant-based voucher regulations [24 CFR 982] also apply to the PBV program. This includes requirements related to determining eligibility and selecting applicants from the waiting list. Even with these similarities, there are requirements that are unique to the PBV program. This part describes the requirements and policies related to eligibility and admission to the PBV program.

17-VI.B. ELIGIBILITY FOR PBV ASSISTANCE [24 CFR 983.251(a) and (b)]

The DCHA may select families for the PBV program from those who are participants in the DCHA’s tenant-based voucher program and from those who have applied for admission to the voucher program. For voucher participants, eligibility was determined at original admission to the voucher program and does not need to be re-determined at the commencement of PBV assistance. For all others, eligibility for admission must be determined at the commencement of PBV assistance.

Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program. Applicants must qualify as a family as defined by HUD and the DCHA, have income at or below HUD-specified income limits, and qualify on the basis of citizenship or the eligible immigration status of family members [24 CFR 982.201(a) and 24 CFR 983.2(a)]. In addition, an applicant family must provide social security information for family members [24 CFR 5.216 and 5.218] and consent to the DCHA’s collection and use of family information regarding income, expenses, and family composition [24 CFR 5.230]. The DCHA may also not approve a tenancy if the owner (including a principal or other interested party) of the unit is the parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless needed as a reasonable accommodation. An applicant family must also meet HUD requirements related to current or past criminal activity.

DCHA Policy

The DCHA will determine an applicant family’s eligibility for the PBV program in accordance with the policies in Chapter 3.
In-Place Families [24 CFR 983.251(b)]

An eligible family residing in a proposed PBV contract unit on the date the proposal is selected by the DCHA is considered an “in-place family.” These families are afforded protection from displacement under the PBV rule. If a unit to be placed under contract (either an existing unit or a unit requiring rehabilitation) is occupied by an eligible family on the date the proposal is selected, the in-place family must be placed on the DCHA’s waiting list. Once the family’s continued eligibility is determined (the DCHA may deny assistance to an in-place family for the grounds specified in 24 CFR 982.552 and 982.553), the family must be given an absolute selection preference and the DCHA must refer these families to the project owner for an appropriately sized PBV unit in the project. Admission of eligible in-place families is not subject to income targeting requirements.

This regulatory protection from displacement does not apply to families that are not eligible to participate in the program on the proposal selection date.
17-VI.C. ORGANIZATION OF THE WAITING LIST [24 CFR 983.251(c)]

The DCHA may establish a separate waiting list for PBV units or it may use the same waiting list for both tenant-based and project-based assistance. The DCHA may also merge the PBV waiting list with a waiting list for other assisted housing programs offered by the DCHA. If the DCHA chooses to offer a separate waiting list for PBV assistance, the DCHA must offer to place applicants who are listed on the tenant-based waiting list on the waiting list for PBV assistance.

If a DCHA decides to establish a separate PBV waiting list, the DCHA may use a single waiting list for the DCHA’s whole PBV program, or it may establish separate waiting lists for PBV units in particular projects or buildings or for sets of such units.

**DCHA Policy**

The DCHA will use one waiting list for both the tenant-based and project-based voucher programs.
17-VI.D. SELECTION FROM THE WAITING LIST [24 CFR 983.251(c)]

Applicants who will occupy units with PBV assistance must be selected from the DCHA’s waiting list. The DCHA may establish selection criteria or preferences for occupancy of particular PBV units. The DCHA may place families referred by the PBV owner on its PBV waiting list.

**DCHA Policy**

Under the authority granted to the DCHA under its Moving to Work (MTW) status, public housing residents/applicants requiring accessible units may be offered an appropriate PBV unit.

**Income Targeting [24 CFR 983.251(c)(6)]**

At least 75 percent of the families admitted to the DCHA’s tenant-based and project-based voucher programs during the DCHA fiscal year from the waiting list must be extremely low-income families. The income targeting requirement applies to the total of admissions to both programs.

**Units with Accessibility Features [24 CFR 983.251(c)(7)]**

When selecting families to occupy PBV units that have special accessibility features for persons with disabilities, the DCHA must first refer families who require such features to the owner.

**DCHA Policy**

Under the authority granted to the DCHA under its Moving to Work (MTW) status, public housing residents/applicants requiring accessible units may be offered an appropriate PBV unit. If there are no applicants on the waiting list, an agreement may be made with a participant to move if the accessible unit is needed.
Preferences [24 CFR 983.251(d), FR Notice 11/24/08]

The DCHA may use the same selection preferences that are used for the tenant-based voucher program, establish selection criteria or preferences for the PBV program as a whole, or for occupancy of particular PBV developments or units. The DCHA must provide an absolute selection preference for eligible in-place families as described in Section 17-VI.B. above.

The DCHA may establish a selection preference for families who qualify for voluntary services, including disability-specific services, offered in conjunction with assisted units, provided that preference is consistent with the DCHA plan. The DCHA may not, however, grant a preference to a person with a specific disability [FR Notice 1/18/17].

In advertising such a project, the owner may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible disabled persons who may benefit from services provided in the project. In these projects, disabled residents may not be required to accept the particular services offered as a condition of occupancy.

If the DCHA has projects with “excepted units” for elderly families or supportive services, the DCHA must give preference to such families when referring families to these units [24 CFR 983.261(b); FR Notice 1/18/17].

**DCHA Policy**

The DCHA will provide a selection preference when required by the regulation (e.g., eligible in-place families, impaired persons for accessible units). The DCHA will not offer any additional preferences for the PBV program or for particular PBV projects or units.
17-VI.E. OFFER OF PBV ASSISTANCE

Refusal of Offer [24 CFR 983.251(e)(3)]

The DCHA is prohibited from taking any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:

- Refuse to list the applicant on the waiting list for tenant-based voucher assistance;
- Deny any admission preference for which the applicant qualifies;
- Change the applicant’s place on the waiting list based on preference, date, and time of application, or other factors affecting selection under the DCHA’s selection policy;
- Remove the applicant from the tenant-based voucher waiting list.

Disapproval by Landlord [24 CFR 983.251(e)(2)]

If a PBV owner rejects a family for admission to the owner’s units, such rejection may not affect the family’s position on the tenant-based voucher waiting list.

Acceptance of Offer [24 CFR 983.252]

Family Briefing

When a family accepts an offer for PBV assistance, the DCHA must give the family an oral briefing. The briefing must include information on how the program works and the responsibilities of the family and owner. In addition to the oral briefing, the DCHA must provide a briefing packet that explains how the DCHA determines the total tenant payment for a family, the family obligations under the program, and applicable fair housing information.

Persons with Disabilities

If an applicant family’s head or spouse is disabled, the DCHA must assure effective communication, in accordance with 24 CFR 8.6, in conducting the oral briefing and in providing the written information packet. This may include making alternative formats available (see Chapter 2). In addition, the DCHA must have a mechanism for referring a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

Persons with Limited English Proficiency

The DCHA should take reasonable steps to assure meaningful access by persons with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964 and Executive Order 13166 (see Chapter 2).
17-VI.F. OWNER SELECTION OF TENANTS

The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant’s ability to fulfill their obligations under the lease. An owner must promptly notify in writing any rejected applicant of the grounds for any rejection [24 CFR 983.253(a)(2) and (a)(3)].

Leasing [24 CFR 983.253(a)]

During the term of the HAP contract, the owner must lease contract units to eligible families that are selected and referred by the DCHA from the DCHA’s waiting list. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on the DCHA’s subsidy standards.

Filling Vacancies [24 CFR 983.254(a)]

The owner must promptly notify the DCHA of any vacancy or expected vacancy in a contract unit. After receiving such notice, the DCHA must make every reasonable effort to promptly refer a sufficient number of families for the owner to fill such vacancies. The DCHA and the owner must make reasonable efforts to minimize the likelihood and length of any vacancy.

DCHA Policy

The owner must notify the DCHA in writing electronically within five business days of learning about any vacancy or expected vacancy.

The DCHA will make every reasonable effort to refer families to the owner within 14 business days of receiving such notice from the owner.

Reduction in HAP Contract Units Due to Vacancies [24 CFR 983.254(b)]

If any contract units have been vacant for 120 or more days since owner notice of the vacancy, the DCHA may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (according to the bedroom size) that have been vacant for this period.

DCHA Policy

If any contract units have been vacant for 120 days, the DCHA may give notice to the owner that the HAP contract will be amended to reduce the number of contract units that have been vacant for this period. The DCHA will provide prompt written notice to the owner. The amendment to the HAP contract will be effective the 1st day of the month following the date of the DCHA’s notice.
17-VI.G. TENANT SCREENING [24 CFR 983.255]

DCHA Responsibility

The DCHA is not responsible or liable to the owner or any other person for the family’s behavior or suitability for tenancy. However, the DCHA may opt to screen applicants for family behavior or suitability for tenancy and may deny applicants based on such screening.

DCHA Policy

The DCHA will not conduct screening to determine a PBV applicant family’s suitability for tenancy but, it will screen for program eligibility.

The DCHA must provide the owner with an applicant family’s current and prior address (as shown in DCHA records) and the name and address (if known by the DCHA) of the family’s current landlord and any prior landlords.

In addition, the DCHA may offer the owner other information the DCHA may have about a family, including information about the tenancy history of family members or about drug trafficking and criminal activity by family members. The DCHA must provide applicant families a description of the DCHA policy on providing information to owners, and the DCHA must give the same types of information to all owners.

The DCHA may not disclose to the owner any confidential information provided in response to a request for documentation of domestic violence, dating violence, sexual assault, or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(a)(4)].

DCHA Policy

The DCHA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the turnover HQS inspection or before. The DCHA will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

Owner Responsibility

The owner is responsible for screening and selection of the family to occupy the owner’s unit. When screening families the owner may consider a family’s background with respect to the following factors:

- Payment of rent and utility bills;
- Caring for a unit and premises;
- Respecting the rights of other residents to the peaceful enjoyment of their housing;
- Drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others; and
- Compliance with other essential conditions of tenancy.
PART VII: OCCUPANCY

17-VII.A. OVERVIEW

After an applicant has been selected from the waiting list, determined eligible by the DCHA, referred to an owner and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

17-VII.B. LEASE [24 CFR 983.256]

The tenant must have legal capacity to enter a lease under district and local law. Legal capacity means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

Form of Lease [24 CFR 983.256(b)]

The tenant and the owner must enter into a written lease agreement that is signed by both parties. If an owner uses a standard lease form for rental units to unassisted tenants in the locality or premises, the same lease must be used for assisted tenants, except that the lease must include a HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease, such as a DCHA model lease.

The DCHA may review the owner’s lease form to determine if the lease complies with district and local law. If the DCHA determines that the lease does not comply with district or local law, the DCHA may decline to approve the tenancy.

DCHA Policy

The DCHA will not review the owner’s lease for compliance with district or local law.

Lease Requirements [24 CFR 983.256(c)]

The lease for a PBV unit must specify all of the following information:

- The names of the owner and the tenant;
- The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- The term of the lease (initial term and any provision for renewal);
- The amount of the tenant rent to owner, which is subject to change during the term of the lease in accordance with HUD requirements;
- A specification of the services, maintenance, equipment, and utilities that will be provide by the owner; and
- The amount of any charges for food, furniture, or supportive services.
Tenancy Addendum [24 CFR 983.256(d)]

The tenancy addendum in the lease must state:

- The program tenancy requirements;
- The composition of the household as approved by the DCHA (the names of family members and any DCHA-approved live-in aide);
- All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of the tenancy addendum prevail over other provisions of the lease.

Initial Term and Lease Renewal [24 CFR 983.256(f)]

The initial lease term must be for at least one year. The lease must provide for automatic renewal after the initial term of the lease in either successive definitive terms (e.g. month-to-month or year-to-year) or an automatic indefinite extension of the lease term. For automatic indefinite extension of the lease term, the lease terminates if any of the following occur:

- The owner terminates the lease for good cause
- The tenant terminates the lease
- The owner and tenant agree to terminate the lease
- The DCHA terminates the HAP contract
- The DCHA terminates assistance for the family

Changes in the Lease [24 CFR 983.256(e)]

If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give the DCHA a copy of all changes.

The owner must notify the DCHA in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by the DCHA and in accordance with the terms of the lease relating to its amendment. The DCHA must redetermine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The redetermined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.
Owner Termination of Tenancy [24 CFR 983.257]

With two exceptions, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the tenant-based voucher program (see Section 12-III.B. and 24 CFR 982.310). In the PBV program, terminating tenancy for “good cause” does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose.

Tenant Absence from the Unit [24 CFR 983.256(g) and 982.312(a)]

The lease may specify a maximum period of family absence from the unit that may be shorter than the maximum period permitted by DCHA policy. According to program requirements, the family’s assistance must be terminated if they are absent from the unit for more than 180 consecutive days. DCHA termination of assistance actions due to family absence from the unit are subject to 24 CFR 981.312, except that the unit is not terminated from the HAP contract if the family is absent for longer than the maximum period permitted.

Continuation of Housing Assistance Payments [24 CFR 982.258]

Housing assistance payments shall continue until the tenant rent equals the rent to owner. The cessation of housing assistance payments at such point will not affect the family's other rights under its lease, nor will such cessation preclude the resumption of payments as a result of later changes in income, rents, or other relevant circumstances if such changes occur within 180 days following the date of the last housing assistance payment by the DCHA. After the 180-day period, the unit shall be removed from the HAP contract pursuant to 24 CFR 983.211.

DCHA Policy

Under the authority granted to the DCHA under its Moving to Work status, if the amount of assistance provided by the DCHA is reduced to zero, the family’s assistance terminates automatically twelve months after the last HAP payment.

If a participating family receiving zero assistance experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify the DCHA of the change and request an interim reexamination before the expiration of the one year period.
Security Deposits [24 CFR 983.259]

The owner may collect a security deposit from the tenant. The DCHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

**DCHA Policy**

The DCHA will allow the owner to collect a security deposit amount the owner determines is appropriate.

When the tenant moves out of a contract unit, the owner, subject to district and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. The DCHA has no liability or responsibility for payment of any amount owed by the family to the owner.
17-VII.C. MOVES

Overcrowded, Under-Occupied, and Accessible Units [24 CFR 983.260]

If the DCHA determines that a family is occupying a wrong size unit, based on the DCHA’s subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, the DCHA must promptly notify the family and the owner of this determination, and the DCHA must offer the family the opportunity to receive continued housing assistance in another unit.

DCHA Policy

The DCHA will notify the family and the owner of the family’s need to move based on the occupancy of a wrong-size or accessible unit within 14 business days of the DCHA’s determination. The DCHA will offer the family the following types of continued assistance in the following order, based on the availability of assistance:

- PBV assistance in the same building or project;
- PBV assistance in another project; and
- Tenant-based voucher assistance.

If the DCHA offers the family a tenant-based voucher, the DCHA must terminate the housing assistance payments for a wrong-sized or accessible unit at the earlier of the expiration of the term of the family’s voucher (including any extension granted by the DCHA) or the date upon which the family vacates the unit. If the family does not move out of the wrong-sized unit or accessible unit by the expiration of the term of the family's voucher, the DCHA must remove the unit from the HAP contract.

If the DCHA offers the family another form of assistance that is not a tenant-based voucher, and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by the DCHA, or both, the DCHA must terminate the housing assistance payments for the unit at the expiration of a reasonable period as determined by the DCHA and remove the unit from the HAP contract.

DCHA Policy

When the DCHA offers a family another form of assistance that is not a tenant-based voucher, the family will be given 30 days from the date of the offer to accept the offer and move out of the PBV unit. If the family does not move out within this 30-day time frame, the DCHA will terminate the housing assistance payments at the expiration of this 30-day period.

The DCHA may make exceptions to this 30-day period if needed for reasons beyond the family’s control such as death, serious illness, or other medical emergency of a family member.
Family Right to Move [24 CFR 983.261]

The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to the DCHA. If the family wishes to move with continued tenant-based assistance, the family must contact the DCHA to request the rental assistance prior to providing notice to terminate the lease.

If the family terminates the lease in accordance with these requirements, the DCHA is required to offer the family the opportunity for continued tenant-based assistance, in the form of a voucher or other comparable tenant-based rental assistance. If voucher or other comparable tenant-based assistance is not immediately available upon termination of the family’s lease in the PBV unit, the DCHA must give the family priority to receive the next available opportunity for continued tenant-based assistance.

If the family terminates the assisted lease before the end of the first year, the family relinquishes the opportunity for continued tenant-based assistance.
Emergency Transfers under VAWA [Notice PIH 2017-08]

Except where special consideration is needed for the project-based voucher program, the DCHA will follow VAWA policies as outlined in Chapter 16 Part IX of this administrative plan, including using the Emergency Transfer Plan as the basis for PBV transfers under VAWA (Exhibit 16-4).

HUD requires that the DCHA include policies that address when a victim has been living in a unit for less than a year or when a victim seeks to move sooner than a tenant-based voucher is available.

**DHA Policy**

When the victim of domestic violence, dating violence, sexual assault, or stalking has lived in the unit for less than one year, the DCHA will provide several options for continued assistance.

The DCHA will first try to transfer the participant to another PBV unit in the same development or transfer to a different development where the DCHA has PBV units. The DCHA will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

If no units are available for an internal transfer, or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to either tenant-based rental assistance (HCV) or assistance in the DCHA’s public housing program. Such a decision will be made by the DCHA based on the availability of tenant-based vouchers and/or vacancies in public housing units. Such families must be selected from the waiting list for the applicable program.

If a victim wishes to move after a year of occupancy in the unit, but no tenant-based vouchers are available, the DCHA will offer the participant an internal transfer to another PBV unit in the same development or a transfer to a different development where the DCHA has PBV units. The DCHA will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

If no units are available for an internal transfer, or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to the DCHA’s public housing program.
17-VII.D. EXCEPTIONS TO THE OCCUPANCY CAP [24 CFR 983.262]

As of April 17, 2018, the DCHA may not pay housing assistance under a PBV HAP contract for more than the greater of 25 units or 25 percent of the number of dwelling units in a project unless:

- The units are exclusively for elderly families
- The units are for households eligible for supportive services available to all families receiving PBV assistance in the project

If the project is located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year estimates, the project cap is the greater of 25 units or 40 percent (instead of 25 percent) of the units in the project [FR Notice 7/14/17].

If a family at the time of initial tenancy is receiving and while the resident of an excepted unit has received Family Self-Sufficiency (FSS) supportive services or any other service as defined by the DCHA and successfully completes the FSS contract of participation or the supportive services requirement, the unit continues to count as an excepted unit for as long as the family resides in the unit. However, if the FSS family fails to successfully complete the FSS contract of participation or supportive services objective and consequently is no longer eligible for the supportive services, the family must vacate the unit within a reasonable period of time established by the DCHA, and the DCHA shall cease paying HAP on behalf of the family.

Further, when a family (or remaining members of a family) residing in an excepted unit no longer meets the criteria for a “qualifying family” because the family is no longer an elderly family due to a change in family composition, the DCHA has the discretion to allow the family to remain in the excepted unit. If the DCHA does not exercise this discretion, the family must vacate the unit within a reasonable period of time established by the DCHA, and the DCHA must cease paying housing assistance payments on behalf of the non-qualifying family.

Individuals in units with supportive services who choose to no longer participate in a service or who no longer qualify for services they qualified for at the time of initial occupancy cannot subsequently be denied continued housing opportunity because of this changed circumstance. A DCHA or owner cannot determine that a participant’s needs exceed the level of care offered by qualifying services or require that individuals be transitioned to different projects based on service needs.

If the family fails to vacate the unit within the established time, the unit must be removed from the HAP contract unless the project is partially assisted, and it is possible for the HAP contract to be amended to substitute a different unit in the building in accordance with program requirements; or the owner terminates the lease and evicts the family. The housing assistance payments for a family residing in an excepted unit that is not in compliance with its family obligations to comply with supportive services requirements must be terminated by the DCHA.
The DCHA may allow a family that initially qualified for occupancy of an excepted unit based on elderly family status to continue to reside in a unit, where through circumstances beyond the control of the family (e.g., death of the elderly family member or long-term or permanent hospitalization or nursing care), the elderly family member no longer resides in the unit. In this case, the unit may continue to be counted as an excepted unit for as long as the family resides in that unit. Once the family vacates the unit, in order to continue as an excepted unit under the HAP contract, the unit must be made available to and occupied by a qualified family.

DCHA Policy

The DCHA will allow families who initially qualified to live in an excepted unit to remain when circumstances change due to circumstances beyond the remaining family members’ control.
PART VIII: DETERMINING RENT TO OWNER

17-VIII.A. OVERVIEW
The amount of the initial rent to an owner of units receiving PBV assistance is established at the beginning of the HAP contract term. Although for rehabilitated or newly constructed housing, the agreement to enter into HAP Contract (Agreement) states the estimated amount of the initial rent to owner, the actual amount of the initial rent to owner is established at the beginning of the HAP contract term.

During the term of the HAP contract, the rent to owner is redetermined at the owner’s request in accordance with program requirements, and at such time that there is a ten percent or greater decrease in the published FMR.

17-VIII.B. RENT LIMITS [24 CFR 983.301]
Except for certain tax credit units (discussed below), the rent to owner must not exceed the lowest of the following amounts:

- An amount determined by the DCHA, not to exceed 110 percent of the applicable fair market rent (or any HUD-approved exception payment standard) for the unit bedroom size minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

Certain Tax Credit Units [24 CFR 983.301(c)]
For certain tax credit units, the rent limits are determined differently than for other PBV units. Different limits apply to contract units that meet all of the following criteria:

- The contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986;
- The contract unit is not located in a qualified census tract;
- There are comparable tax credit units of the same bedroom size as the contract unit in the same project, and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and
- The tax credit rent exceeds 110 percent of the fair market rent or any approved exception payment standard;

For contract units that meet all of these criteria, the rent to owner must not exceed the lowest of:

- The tax credit rent minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.
Definitions

A qualified census tract is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI), or where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

Tax credit rent is the rent charged for comparable units of the same bedroom size in the project that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

Reasonable Rent [24 CFR 983.301(e) and 983.302(c)(2)]

The DCHA must determine reasonable rent in accordance with 24 CFR 983.303. The rent to owner for each contract unit may at no time exceed the reasonable rent, except in cases where the DCHA has elected within the HAP contract not to reduce rents below the initial rent to owner and, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent. However, the rent to owner must be reduced in the following cases:

- To correct errors in calculations in accordance with HUD requirements
- If additional housing assistance has been combined with PBV assistance after the execution of the initial HAP contract and a rent decrease is required pursuant to 24 CFR 983.55
- If a decrease in rent to owner is required based on changes in the allocation of the responsibility for utilities between owner and tenant

If the DCHA has not elected within the HAP contract to establish the initial rent to owner as the rent floor, the rent to owner shall not at any time exceed the reasonable rent.

DCHA Policy

The DCHA may elect within the HAP contract not to reduce rents below the initial level, with the exception of circumstances listed in 24 CFR 983.302(c)(2) on a case by case basis. If, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent, the DCHA will use the higher initial rent to owner amount.

Use of FMRs, Exception Payment Standards, and Utility Allowances [24 CFR 983.301(f)]

When determining the initial rent to owner, the DCHA must use the most recently published FMR in effect and the utility allowance schedule in effect at execution of the HAP contract. When redetermining the rent to owner, the DCHA must use the most recently published FMR and the utility allowance schedule in effect at the time of redetermination. At its discretion, the DCHA may for initial rent, use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract, or for redeterminations of rent, the 30-day period immediately before the redetermination date.

Any HUD-approved exception payment standard amount under the tenant-based voucher program also applies to the project-based voucher program. HUD will not approve a different exception payment stand amount for use in the PBV program.

Likewise, the DCHA may not establish or apply different utility allowance amounts for the PBV program. The same utility allowance schedule applies to both the tenant-based and project-based voucher programs.
DCHA Policy
Upon written request by the owner, the DCHA will consider using the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or redetermination of rent. The owner must explain the need to use the previous FMRs or utility allowances and include documentation in support of the request. The DCHA will review and make a decision based on the circumstances and merit of each request.

In addition to considering a written request from an owner, the DCHA may decide to use the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or redetermination of rent, if the DCHA determines it is necessary due to DCHA budgetary constraints.

Use of Small Area FMRs (SAFMRs) [24 CFR 888.113(h)]
While small area FMRs (SAFMRs) do not apply to PBV projects, PHAs that operate a tenant-based program under SAFMRs may apply SAFMRs to all future PBV HAP contracts. If the DCHA adopts this policy, it must apply to all future PBV projects and the PHA’s entire jurisdiction. The DCHA and owner may not subsequently choose to revert back to use of the FMRs once the SAFMRs have been adopted, even if the DCHA subsequently changes its policy.

Further, the DCHA may apply SAFMRs to current PBV projects where the notice of owner selection was made on or before the effective date of DCHA implementation, provided the owner is willing to mutually agree to doing so and the application is prospective. The DCHA and owner may not subsequently choose to revert back to use of the FMRs once the SAFMRs have been adopted, even if the DCHA subsequently changes its policy. If rents increase as a result of the use of SAFMRs, the rent increase may not be effective until the first anniversary of the HAP contract.

DCHA Policy
The DCHA will not apply SAFMRs to the DCHA’s PBV program.
Redetermination of Rent [24 CFR 983.302]

The DCHA must redetermine the rent to owner upon the owner’s request or when there is a 10 percent or greater decrease in the published FMR.

Rent Increase

If an owner wishes to request an increase in the rent to owner from the DCHA, it must be requested at the annual anniversary of the HAP contract (see Section 17-V.D.). The request must be in writing and in the form and manner required by the DCHA. The DCHA may only make rent increases in accordance with the rent limits described previously. There are no provisions in the PBV program for special adjustments (e.g., adjustments that reflect increases in the actual and necessary expenses of owning and maintaining the units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs).

DCHA Policy

An owner’s request for a rent increase must be submitted to the DCHA 60 days prior to the anniversary date of the HAP contract and must include the new rent amount the owner is proposing.

The DCHA will not approve any increase of rent to owner for any unit within the development unless all inspected units comply with HQS.

The DCHA may not approve and the owner may not receive any increase of rent to owner until and unless the owner has complied with requirements of the HAP contract, including compliance with HQS. The owner may not receive any retroactive increase of rent for any period of noncompliance.

Rent Decrease

If there is a decrease in the rent to owner, as established in accordance with program requirements such as a change in the FMR or exception payment standard, or reasonable rent amount, the rent to owner must be decreased regardless of whether the owner requested a rent adjustment, except where the DCHA has elected within the HAP contract to not reduce rents below the initial rent under the initial HAP contract.

Notice of Rent Change

The rent to owner is redetermined by written notice by the DCHA to the owner specifying the amount of the redetermined rent. The DCHA notice of rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract. The adjusted amount of rent to owner applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

DCHA Policy

The DCHA will provide the owner with at least 30 days written notice of any change in the amount of rent to owner.

DCHA-Owned Units [24 CFR 983.301(g)]

For DCHA-owned PBV units, the initial rent to owner and the annual redetermination of rent at the anniversary of the HAP contract are determined by the independent entity approved by HUD. The DCHA must use the rent to owner established by the independent entity.
17-VIII.C. REASONABLE RENT [24 CFR 983.303]

At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by the DCHA, except where the DCHA has elected within the HAP contract to not reduce rents below the initial rent under the initial HAP contract.

When Rent Reasonable Determinations Are Required

The DCHA must redetermine the reasonable rent for a unit receiving PBV assistance whenever any of the following occur:

- There is a 10 percent or greater decrease in the published FMR in effect 60 days before the contract anniversary (for the unit sizes specified in the HAP contract) as compared with the FMR that was in effect one year before the contract anniversary date;
- The DCHA approves a change in the allocation of responsibility for utilities between the owner and the tenant;
- The HAP contract is amended to substitute a different contract unit in the same building or project; or
- There is any other change that may substantially affect the reasonable rent.

How to Determine Reasonable Rent

The reasonable rent of a unit receiving PBV assistance must be determined by comparison to rent for other comparable unassisted units. When making this determination, the DCHA must consider factors that affect market rent. Such factors include the location, quality, size, type and age of the unit, as well as the amenities, housing services maintenance, and utilities to be provided by the owner.

Comparability Analysis

For each unit, the comparability analysis must use at least three comparable units in the private unassisted market. This may include units in the premises or project that is receiving project-based assistance. The analysis must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units, and must be retained by the DCHA. The comparability analysis may be performed by DCHA staff or by another qualified person or entity. Those who conduct these analyses or are involved in determining the housing assistance payment based on the analyses may not have any direct or indirect interest in the property.

DCHA-Owned Units

For DCHA-owned units, the amount of the reasonable rent must be determined by an independent agency approved by HUD in accordance with PBV program requirements. The independent entity must provide a copy of the determination of reasonable rent for DCHA-owned units to the DCHA and to the HUD field office where the project is located.
Owner Certification of Reasonable Rent

By accepting each monthly housing assistance payment, the owner certifies that the rent to owner is not more than rent charged by the owner for other comparable unassisted units in the premises. At any time, the DCHA may require the owner to submit information on rents charged by the owner for other units in the premises or elsewhere.

17-VIII.D. EFFECT OF OTHER SUBSIDY AND RENT CONTROL

In addition to the rent limits discussed in Section 17-VIII.B above, other restrictions may limit the amount of rent to owner in a PBV unit. In addition, certain types of subsidized housing are not even eligible to receive PBV assistance (see Section 17-II.D).

Other Subsidy [24 CFR 983.304]

To comply with HUD subsidy layering requirements, at the discretion of HUD or its designee, a DCHA shall reduce the rent to owner because of other governmental subsidies, including tax credits or tax exemptions, grants, or other subsidized funding.

For units receiving assistance under the HOME program, rents may not exceed rent limits as required by that program.

For units in any of the following types of federally subsidized projects, the rent to owner may not exceed the subsidized rent (basic rent) or tax credit rent as determined in accordance with requirements for the applicable federal program:

- An insured or non-insured Section 236 project;
- A formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
- A Section 221(d)(3) below market interest rate (BMIR) project;
- A Section 515 project of the Rural Housing Service;
- Any other type of federally subsidized project specified by HUD.

Combining Subsidy

Rent to owner may not exceed any limitation required to comply with HUD subsidy layering requirements.

Rent Control [24 CFR 983.305]

In addition to the rent limits set by PBV program regulations, the amount of rent to owner may also be subject to rent control or other limits under local, district, or federal law.
PART IX: PAYMENTS TO OWNER

17-IX.A. HOUSING ASSISTANCE PAYMENTS [24 CFR 983.351]

During the term of the HAP contract, the DCHA must make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments must be made for each month that a contract unit complies with HQS and is leased to and occupied by an eligible family. The housing assistance payment must be paid to the owner on or about the first day of the month for which payment is due, unless the owner and the DCHA agree on a later date.

Except for discretionary vacancy payments, the DCHA may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

The amount of the housing assistance payment by the DCHA is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract. Unless the owner complies with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.

17-IX.B. VACANCY PAYMENTS [24 CFR 983.352]

If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if the DCHA determines that the vacancy is the owner’s fault.

DCHA Policy

If the HA determines that the owner is responsible for a vacancy and, as a result, is not entitled to the keep the housing assistance payment, the DCHA will notify the landlord of the amount of housing assistance payment that the owner must repay. The DCHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.
At the discretion of the DCHA, the HAP contract may provide for vacancy payments to the owner. The DCHA may only make vacancy payments if:

- The owner gives the DCHA prompt, written notice certifying that the family has vacated the unit and identifies the date when the family moved out (to the best of the owner’s knowledge);
- The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
- The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
- The owner provides any additional information required and requested by the DCHA to verify that the owner is entitled to the vacancy payment.

The owner must submit a request for vacancy payments in the form and manner required by the DCHA and must provide any information or substantiation required by the DCHA to determine the amount of any vacancy payment.

**DCHA Policy**

If an owner’s HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified the DCHA of the vacancy in accordance with the policy in Section 17-VI.F. regarding filling vacancies.

In order for a vacancy payment request to be considered, it must be made within 10 business days of the end of the period for which the owner is requesting the vacancy payment. The request must include the required owner certifications and the DCHA may require the owner to provide documentation to support the request. If the owner does not provide the information requested by the DCHA within 10 business days of the DCHA’s request, no vacancy payments will be made.
**17-IX.C. TENANT RENT TO OWNER [24 CFR 983.353]**

The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by the DCHA in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in the DCHA notice to the family and owner.

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The amount of the tenant rent determined by the DCHA is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the DCHA. The owner must immediately return any excess payment to the tenant.

**Tenant and DCHA Responsibilities**

The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by the DCHA.

Likewise, the DCHA is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. The DCHA is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. The DCHA may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

**Utility Reimbursements**

If the amount of the utility allowance exceeds the total tenant payment, the DCHA must pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner must be zero.

The DCHA may pay the utility reimbursement directly to the family or to the utility supplier on behalf of the family. If the DCHA chooses to pay the utility supplier directly, the DCHA must notify the family of the amount paid to the utility supplier.

**DCHA Policy**

The DCHA will make utility reimbursements to the family.
17-IX.D. OTHER FEES AND CHARGES [24 CFR 983.354]

Meals and Supportive Services

With the exception of PBV assistance in assisted living developments, the owner may not require the tenant to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

In assisted living developments receiving PBV assistance, the owner may charge for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. However, non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

Other Charges by Owner

The owner may not charge extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.

**Target Population:** [Describe targeted population in accordance with HAP contract or enter “None”]

**Excepted Units:** [Identify excepted unit types below or enter “None”]

- **Supportive Services:** [Enter “Yes, see Exhibit D of HAP Contract” or enter “No”]
- **Elderly Units:** [Enter “Yes” or “No.” If yes, identify which units are elderly units.]
- ** Disabled Units** (only for HAP contracts executed prior to April 18, 2017) [Enter “Yes” or “No.” If yes, identify which units are for persons with disabilities.]
- **FUPY/FYI Units:** [Enter “Yes” or “No.” If yes, identify which units are FUP units]
- **Are units excepted because they are located in a low-poverty census tract area?:** [Enter “Yes” or “No”]
WAITING LIST AND SELECTION

Waiting List Type: [ Enter “Site-based waiting list,” “Combined with HCV,” “Waiting list for entire PBV program,” or “Merged with another assisted housing program”]

Preferences: [Enter “Same as HCV; see Chapter 4” or describe preferences offered. If different from HCV, also note in Section 17.1.B of this policy.]

Preference Verification: [Enter “Same as HCV; see Chapter 7” or describe for each preference listed above. If different from HCV, note in Section 17.1.B of this policy.]

For the PBV program, is the income limit the same as the HCV program? (Note: In mixed finance developments, other income limits may also apply.) [Enter “Same as HCV; see Chapter 3” or clearly describe. If different from HCV, note in Section 17.1.B of this policy.]

OCCUPANCY

Subsidy Standards: [Enter “Same as HCV; see Chapter 5” or describe. If different from HCV, note in Section 17.1.B of this policy]

Vacancy Payments: [Enter in accordance with HAP contract Part 1, e, 2 and Section 17-V.F. within this chapter]
EXHIBIT 17-3: Special Provisions Applying to TPVs Awarded as Part of a Voluntary Conversion of Public Housing Units in Projects that Include RAD PBV Units

Under certain circumstances, HUD allows small PHAs to reposition a public housing project (or portion of a project) by voluntarily converting units to tenant-based housing choice voucher assistance. In order to preserve affordable housing for residents of the project, the PHA is given priority to receive replacement tenant protection vouchers (TPVs). As part of the voluntary conversion, the PHA has the option to continue to operate it as rental housing. If so, the PHA or subsequent owner must allow existing families to remain in their units using the TPV in the form of tenant-based assistance. In this situation, however, the PHA may choose to project-base these TPVs in the former public housing project. Families must still be provided with the option to remain in their unit using tenant-based assistance. In order for the PHA to project-base the assistance and include these units on the PBV HAP contract, the family must voluntarily consent in writing to PBV assistance following the requirements in Appendix A of Notice PIH 2019-05. If the family fails to consent to PBV assistance and chooses to remain using tenant-based assistance, the family’s unit is excluded from the PBV HAP contract until the family moves out or consents to switching to PBV assistance. In general, all applicable program regulations and guidance for the standard PBV program apply to these units.

The PHA may also convert units in the same former public housing project to the PBV program under the rental assistance demonstration (RAD) program. The RAD statute authorizes HUD to waive certain statutory and regulatory provisions governing the standard PBV program and specify alternative requirements. In order to facilitate the uniform treatment of residents and units at the project, Notice PIH 2019-23 extended some of the alternative requirements to non-RAD PBV units in the converted project (i.e., the TPV units in the project). As such, while PBV TPV units in the converted project generally follow the requirements for the standard PBV program listed in this chapter, where HUD has specified alternative requirements for non-RAD PBV units in the project, PBV TPV units will instead follow the requirements outlined in Chapter 18 of this policy for the RAD PBV program.

RAD Requirements Applicable to Non-RAD units in the Project

Note, while Notice PIH 2019-05 states that the PHA must screen families for eligibility for a tenant protection voucher and that families must be below the low-income limit (80 percent of AMI), Notice PIH 2019-23 waives these requirements for residents in projects that include RAD PBV units.
Chapter 18

PROJECT BASED VOUCHERS (PBV) UNDER THE RENTAL ASSISTANCE DEMONSTRATION (RAD) PROGRAM

INTRODUCTION

This chapter describes HUD regulations and DCHA policies related to the Project-Based Voucher (PBV) program under the Rental Assistance Demonstration (RAD) program in eight parts:

Part I: General Requirements. This part describes general provisions of the PBV program, including maximum budget authority requirements, relocation requirements, and equal opportunity requirements.

Part II: PBV Project Selection. This part describes the cap on assistance at projects receiving PBV assistance, ownership and control, and site selection standards.

Part III: Dwelling Units. This part describes requirements related to housing quality standards, the type and frequency of inspections, and housing accessibility for persons with disabilities.

Part IV: Housing Assistance Payments Contract. This part discusses HAP contract requirements and policies including the execution and term of the HAP contract.

Part V: Selection of PBV Program Participants. This part describes the requirements and policies governing how the DCHA and the owner will select a family to receive PBV assistance.

Part VI: Occupancy. This part discusses occupancy requirements related to the lease and describes under what conditions families are allowed or required to move.

Part VII: Determining Contract Rent. This part describes how the initial rent to owner is determined, and how rent will be redetermined throughout the life of the HAP contract.

Part VIII: Payments to Owner. This part describes the types of payments owners may receive under this program.
PART I: GENERAL REQUIREMENTS

18-I.A. OVERVIEW AND HISTORY OF THE RAD PROGRAM

The Rental Assistance Demonstration (RAD) program was authorized in 2012 in order to assess the effectiveness of converting public housing, moderate rehabilitation properties, and units under the rent supplement and rental assistance payments programs to long-term, project-based Section 8 rental assistance. The program’s four primary objectives are to:

- Preserve and improve public and other assisted housing.
- Standardize the administration of the plethora of federally subsidized housing programs and rules. The conversions are intended to promote operating efficiency by using a Section 8 project-based assistance model that has proven successful and effective for over 30 years. In other words, RAD aligns eligible properties more closely with other affordable housing programs.
- Attract private market capital for property renovations. Through the use of this model, properties may be able to leverage private debt and equity to make capital repairs.
- Increase tenant mobility opportunities.

Under the first component, a PHA with public housing units may submit an application to HUD to convert some or all of their public housing units to long-term, project-based Section 8 HAP contracts under either:

- Project-based rental assistance (PBRA) under HUD’s Office of Multifamily Housing Programs.
- Project-based vouchers (PBVs) under HUD’s Office of Public and Indian Housing (PIH).

This chapter will focus on public housing conversions to the PBV program under RAD. In order to distinguish between requirements for public housing conversion under RAD and PBV units under the standard PBV program, we will refer to the standard PBV program and the RAD PBV program.
18-I.B. APPLICABLE REGULATIONS

On the whole, the regulations for both the standard and RAD PBV programs generally follow the regulations for the tenant-based HCV program found at 24 CFR Part 982. However, important parts of the tenant-based regulations do not apply to the project-based program. 24 CFR Part 983 outlines the sections of 24 CFR Part 982 that are not applicable to the project-based program.

For the RAD PBV program, Congress authorized HUD to waive certain statutory and regulatory provisions or establish alternative requirements from the standard PBV program. These provisions are identified in Notice PIH 2019-23 (issued September 5, 2019). Any non-RAD PBV units located in the covered project are subject to the same waivers and alternative requirements where noted in Notice PIH 2019-23 and in this policy.

Otherwise, all regulatory and statutory requirements for the standard PBV program in 24 CFR Part 983 and Section 8(o)(13) of the Housing Act of 1937, and all applicable standing and subsequent Office of Public and Indian Housing (PIH) notices and guidance, including related handbooks, apply to RAD PBV. This includes environmental review, Davis-Bacon, and fair housing requirements.

RAD is authorized by the Consolidated and Further Continuing Appropriations Act of 2012 (Public Law 112-55, approved November 18, 2011), as amended by the Consolidated Appropriations Act of 2014 (Public Law 113-76, approved January 17, 2014), the Consolidated and Further Continuing Appropriations Act of 2015 (Public Law 114-335, approved December 6, 2014), the Consolidated Appropriations Act of 2016 (Public Law 114-113, approved December 18, 2015), the Consolidated Appropriations Act, 2017 (Public Law 115-31, approved May 5, 2017), and section 237 of Title II, Division L, Transportation, Housing and Urban Development, and Related Agencies, of the Consolidated Appropriations Act, 2018 (Public Law 115-141, approved March 23, 2018) collectively, the “RAD Statute.”

Requirements specific to the RAD program may be found in the following:

• Generally, public housing projects converting assistance under RAD are bound by the terms of the notice in effect at the time of closing.
  - Notice PIH 2019-23 was immediately applicable at the time of closing to all projects converting assistance (notwithstanding execution of a commitment for conversion). Notice PIH 2019-23 was published on September 5, 2019.
    ▪ Except with respect to changes in the project eligibility and selection criteria, not included in this policy, which are effective after a 30-day comment period.
  - Notice PIH 2012-32, REV-3 was applicable to projects that were seeking conversion of assistance through RAD, including those where a CHAP had already been issued when it was published January 12, 2017.
    ▪ Except with respect to changes in the project eligibility and selection criteria, not included in this policy, which were effective after a 30-day comment period.
- Notice PIH 2012-32, REV-2 was applicable to projects that were seeking conversion of assistance through RAD, including those where a CHAP had already been issued when it was published June 15, 2015.
  - Except with respect to changes in the project eligibility and selection criteria, not included in this policy, which are effective after a 30-day comment period.

- RAD Quick Reference Guide for Public Housing Converting to PBV Assistance (6/20)
- Notice PIH 2016-17, Rental Assistance Demonstration (RAD) Notice Regarding Fair Housing and Civil Rights Requirements and Relocation Requirements Applicable to RAD First Component – Public Housing Conversions.
  - This Notice applies to all projects that have applied for RAD conversion but have not yet converted as of November 10, 2016.

- Notice PIH 2014-17, Relocation Requirements under the RAD Program, Public Housing in the First Component.
  - This notice may apply to projects that have converted to RAD prior to November 10, 2016, AND who have requested and received approval from HUD to be governed by this notice. See PIH Notice 2016-17, Section 1, Paragraph 1.3 for applicability.

NOTE: The policies in this chapter follow Notice PIH 2016-17. If your project falls under PIH 2014-17, applicable policies may be found in Section 18-I.D.

In other words, the standard PBV program follows many of the same regulations as the tenant-based HCV program, but not all of them, and the RAD PBV program follows many of the same regulations as the standard PBV program, but not all of them.

MTW agencies are able to apply activities impacting the PBV program that are approved in the MTW Plan to properties converting under RAD, provided they do not conflict with RAD requirements.
18-I.C. TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE
[24 CFR 983.2]

Much of the tenant-based voucher program regulations also apply to the PBV program. Consequently, many of the DCHA policies related to tenant-based assistance also apply to RAD PBV assistance. The provisions of the tenant-based voucher regulations that do not apply to the PBV program are listed at 24 CFR 983.2.

DCHA Policy

Except as otherwise noted in this chapter, or unless specifically prohibited by RAD PBV program regulations, the DCHA policies for the PBV program contained in this administrative plan also apply to the RAD PBV program and its participants. This chapter is intended to address requirements specific to the RAD PBV program only.

See Exhibit 18-1 for information on projects to which the DCHA has attached RAD PBV assistance.

18-I.D. RELOCATION REQUIREMENTS

For projects that apply for conversion of assistance under the First Component of RAD and will convert November 10, 2016 or later, the following applies [Notice PIH 2016-17]:

- In some developments, in-place residents may need to be relocated as a result of properties undergoing repairs, being demolished and rebuilt, or when assistance is transferred from one site to another. RAD program rules prohibit the permanent, involuntary relocation of residents as a result of conversion. Residents that are temporarily relocated retain the right to return to the project once it has been completed. Any non-RAD PBV units located in the same project are also subject to the right to return.

- Relocation assistance provided to residents will vary depending on the length of time relocation is required. Residents must be properly notified in advance of relocation requirements in accordance with RAD program rules and Uniform Relocation Act (URA) requirements, and other requirements which may be applicable such as Section 104(d) of the Housing and Community Development Act of 1974, as amended. Sample informing notices are provided in Appendices 2–5 of Notice PIH 2014-17. A written relocation plan is required if the RAD conversion involves permanent relocation (including a move in connection with a transfer of assistance) or temporary relocation anticipated to last longer than a year. While the DCHA is not required to have a written relocation plan for temporary relocation lasting one year or less, HUD strongly encourages PHAs to prepare one. Appendix II of Notice PIH 2016-17 contains recommended contents for a relocation plan.

- In addition, PHAs must undertake a planning process that complies with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), although not all relocations under RAD will trigger requirements under URA. URA statute and implementing regulations may be found at 49 CFR Part 24. The obligation due to relocating residents under RAD are broader than URA relocation assistance and payments.
• Any residents that may need to be temporarily relocated to facilitate rehabilitation or construction will have a right to return to either: a) a unit at the development once rehabilitation or construction is completed, provided the resident’s household is not under-housed; or b) a unit in the development which provides the same major features as the resident’s unit in the development prior to the implementation of the RAD conversion.

• Where the transfer of assistance to a new site is warranted and approved, residents of the converting development will have the right to reside in an assisted unit at the new site once rehabilitation or construction is complete.

• If the PHA’s proposed plans for conversion would preclude a resident from returning to the development, the resident must be given an opportunity to comment and/or object to such plans. PHAs must alter the project plans to accommodate the resident’s right to return to the development if the resident would be precluded from returning to the development.

• Examples of project plans that may preclude a resident from returning to the development include, but are not limited to:
  - Changes in the development’s bedroom distribution that decrease the size of the units, resulting in the resident being under-housed;
  - The resident cannot be accommodated in the remaining assisted units due to a reduction in the number of assisted units at the development;
  - Income limit eligibility requirements associated with the LIHTC program or another program; and
  - Failure to provide a reasonable accommodation, in violation of applicable law, where reasonable accommodation may include installation of accessibility features that are needed by the resident.

• Residents of a development undergoing conversion that would be precluded from returning to the development may voluntarily accept a PHA or owner’s offer to permanently relocate to alternative housing, and thereby waive their right to return to the development after rehabilitation or construction is completed. In this event, the PHA must secure the resident’s written consent to a voluntary permanent relocation in lieu of returning to the development. PHAs are prohibited from employing any tactics to pressure residents into relinquishing their right to return or accepting other housing options. Additionally, a PHA may not terminate a resident’s lease if the PHA fails to obtain the resident’s consent and the resident seeks to exercise the right to return.
• In the case of multi-phase RAD transactions, the resident has a right to return to the development or to other converted phases of the development that are available for occupancy at the time the resident is eligible to exercise their right of return. Generally, the resident’s right to return must be accommodated within the development associated with the resident’s original unit, however, the DCHA may treat multiple converted developments on the same site as one for purposes of right to return. Should the DCHA seek to have the resident exercise the right to return at a future phase, the DCHA must secure the resident’s consent in writing.

• Alternative housing options may involve a variety of housing options, including but not limited to:
  - Transfers to public housing
  - Admission to other affordable housing properties subject to the applicable program rules
  - Housing choice voucher (HCV) assistance
  - Homeownership programs subject to the applicable program rules
  - Other options identified by the DCHA

However, for projects that applied for conversion prior to November 10, 2016, the following applies [Notice PIH 2014-17]:

• In some developments, in-place residents may need to be relocated as a result of properties undergoing repairs, being demolished and rebuilt, or when assistance is transferred from one site to another. RAD program rules prohibit the permanent, involuntary relocation of residents as a result of conversion. Residents that are temporarily relocated retain the right to return to the project once it has been completed.

• Relocation assistance provided to residents will vary depending on the length of time relocation is required. Residents must be properly notified in advance of relocation requirements in accordance with RAD program rules and Uniform Relocation Act (URA) requirements. Sample informing notices are provided in Appendices 2–5 of Notice PIH 2014-17. While the DCHA is not required to have a written relocation plan, HUD strongly encourages DCHAs to prepare one. Appendix I of Notice PIH 2014-17 contains recommended contents for a relocation plan.

• In addition, PHAs must undertake a planning process that complies with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), although not all relocations under RAD will trigger requirements under URA. URA statute and implementing regulations may be found at 49 CFR Part 24.

• Any residents that may need to be temporarily relocated to facilitate rehabilitation or construction will have a right to return to an assisted unit at the development once rehabilitation or construction is completed. Where the transfer of assistance to a new site is warranted and approved, residents of the converting development will have the right to reside in an assisted unit at the new site once rehabilitation or construction is complete. Residents of a development undergoing conversion of assistance may voluntarily accept a DCHA or owner’s offer to permanently relocate to another assisted unit, and thereby waive their right to return to the development after rehabilitation or construction is completed.
18-I.E. EQUAL OPPORTUNITY REQUIREMENTS [24 CFR 983.8; 24 CFR 5.105; Notice PIH 2016-17]

RAD conversions are governed by the same civil rights authorities that govern HUD-assisted activities in general. These authorities prohibit discrimination and impose affirmative obligations on HUD program participants. PHAs must comply with all applicable fair housing and civil rights laws, including but not limited to the Fair Housing Act, Title VI of the Civil Rights Act of 1964, and Section 504 of the Rehabilitation Act of 1973, when conducting relocation planning and providing relocation assistance. For example, persons with disabilities returning to the RAD project may not be turned away or placed on a waiting list due to a lack of accessible units. Their need for an accessible unit must be accommodated. See the RAD Fair Housing, Civil Rights, and Relocation Notice [Notice PIH 2016-17] for more information.
PART II: PBV PROJECT SELECTION

18-II.A. OVERVIEW

Unlike in the standard PBV program where the DCHA typically selects the property through an owner proposal selection process, projects selected for assistance under RAD PBV are selected in accordance with the provisions in Notice PIH 2019-23. Therefore, 24 CFR 983.51 does not apply since HUD selects RAD properties through a competitive selection process.

18-II.B. OWNERSHIP AND CONTROL [Notice PIH 2019-23]

For projects governed by Notice PIH 2019-23, the following language applies:

- Under the PBV program, the contract administrator and the owner listed on the contract cannot be the same legal entity (i.e., the DCHA cannot execute a contract with itself). To avoid this situation, the DCHA may either: 1) Transfer the ownership of the project to a nonprofit affiliate or instrumentality of the DCHA (including to a “single-purpose entity” that owns nothing other than the property, which will typically be a requirement of a lender or investor), or 2) The DCHA can form a related entity that is responsible for management and leasing and can serve as the owner for purposes of the Section 8 HAP contract; in this scenario, the HAP is then executed between the DCHA (as the contract administrator) and the DCHA’s related entity (as the owner for HAP contract purposes). Note that in the second scenario, both the DCHA and the entity serving as the owner for HAP contract purposes will be required to sign the RAD Use Agreement [RAD Resource Desk FAQ 01/24/19].

- Except where permitted to facilitate the use of low-income housing tax credits, during both the initial term and renewal terms of the HAP contract, ownership must be by a public or nonprofit entity. HUD may also allow ownership of the project to be transferred to a tax credit entity controlled by a for-profit entity to facilitate the use of tax credits for the project, but only if HUD determines that the DCHA or a nonprofit entity preserves an interest in the profit. The requirement for a public or nonprofit entity, or preservation of an interest by a DCHA or nonprofit in a property owned by a tax credit entity controlled by a for-profit entity, is satisfied if a public or nonprofit entity (or entities), directly or through a wholly owned affiliate (1) holds a fee simple interest in the property; (2) is the lessor under a ground lease with the property owner; (3) has the direct or indirect legal authority to direct the financial and legal interest of the property owner with respect to the RAD units, (4) owns 51 percent or more of the general partner interests in a limited partnership or 51 percent or more of the managing member interests in a limited liability company with all powers of a general partner or managing member, as applicable; (5) owns a lesser percentage of the general partner or managing member interests and holds certain control rights as approved by HUD; (6) owns 51 percent or more of all ownership interests in a limited partnership or limited liability company and holds certain control rights as approved by HUD; or (7) demonstrates other ownership and control arrangements approved by HUD.
• Control may be established through the terms of the project owner’s governing documents or through a Control Agreement, provided that in either case amendment of the terms of control requires consent from HUD.

For projects subject to the requirements of Notice PIH 2012-32, REV-3, the following language applies:

• Except where permitted to facilitate the use of low-income housing tax credits, during both the initial term and renewal terms of the HAP contract, ownership must be by a public or nonprofit entity. The requirement for a public or nonprofit entity is satisfied if a public or nonprofit entity (or entities), directly or through a wholly owned affiliate (1) holds a fee simple interest in the property; (2) is the lessor under a ground lease with the property owner; (3) has the direct or indirect legal authority to direct the financial and legal interest of the property owner with respect to the RAD units, (4) owns 51 percent or more of the general partner interests in a limited partnership or 51 percent or more of the managing member interests in a limited liability company with all powers of a general partner or managing member, as applicable; (5) owns a lesser percentage of the general partner or managing member interests and holds certain control rights as approved by HUD; (6) owns 51 percent or more of all ownership interests in a limited partnership or limited liability company and holds certain control rights as approved by HUD; or (7) other ownership and control arrangements approved by HUD.

• If low-income housing tax credits will be used, HUD may allow ownership of the property to be transferred to a tax credit entity controlled by a for-profit entity if HUD determines that the DCHA preserves its interest in the property. Preservation of DCHA interest in the property includes but is not limited to the following:
  - The DCHA, or an affiliate under its sole control, is the general partner or managing member;
  - The DCHA retains fee ownership and leases the real estate to the tax credit entity pursuant to a long-term ground lease;
  - The DCHA retains control over leasing the property and determining program eligibility;
  - The DCHA enters into a control agreement by which the DCHA retains consent rights over certain acts of the project owner and retains certain rights over the project;
  - Other means that HUD finds acceptable

For projects that converted assistance prior to the implementation of Notice PIH 2012-32, REV-3, the following language applies:

• During both the initial term and renewal terms of the HAP contract, ownership must be either of the following:
  - A public or nonprofit entity that has legal title to the property. The entity must have the legal authority to direct the financial, legal, beneficial, and other interests of the property; or
  - A private entity, if the property has low-income tax credits. The DCHA must maintain control via a ground lease.
18-II.C. DCHA-OWNED UNITS [24 CFR 983.59, FR Notice 1/18/17, and Notice PIH 2017-21]

If the project is DCHA-owned, rent-setting and inspection functions set out in 24 CFR 983.59 must be conducted by an independent entity approved by HUD.

The definition of *ownership or control* provided under Notice PIH 2019-23 (listed above) is used specifically to determine whether a PHA retains control over a project for purposes of HUD’s requirement for ownership or control of the covered project under RAD. For purposes of determining whether an independent entity will perform certain functions for the project, the definition of *PHA-owned* under Notice PIH 2017-21 is used. This is the same definition used for standard PBV units. In some cases, a project may meet the RAD definition of *ownership or control* but may not be considered PHA-owned for purposes of requiring an independent entity.

The independent entity that performs the program services may be the unit of general local government for the DCHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government), or another HUD-approved public or private independent entity.

The DCHA may compensate the independent entity from DCHA ongoing administrative fee income (including amounts credited to the administrative fee reserve). The DCHA may not use other program receipts to compensate the independent entity for its services. The DCHA, and the independent entity, may not charge the family any fee for the services provided by the independent entity.

**DCHA Policy**

If units converted to PBV under RAD are DCHA-owned housing, the DCHA will use an entity approved by HUD for rent setting activities.

Under the authority granted to the DCHA as a Moving to Work status, the DCHA conducts its own HQS inspections.

For projects governed by Notice PIH 2019-23, the following language applies:

- In the case of a PHA that will no longer have ACC units as a result of the pending or simultaneous closing, or have less than 50 units remaining and have initiated procedures to dispose of their final ACC units, there is no restriction on the amount of public housing funds that may be contributed to the covered project or projects though the conversion. However, the DCHA must estimate and plan for outstanding liabilities and costs and must follow Notice PIH 2016-23 or successor notice regarding the administrative activities required to terminate the ACC if it has no plans to develop additional public housing.

- In the case where the DCHA will continue to maintain other units in its inventory under a public housing ACC, a contribution of operating funds to the covered project that exceeds the average amount the project has held in operating reserves over the past three years will trigger a subsidy layering review under 24 CFR 4.13. Similarly, any contribution of capital funds, including Replacement Housing Factor (RHF) or Demolition Disposition Transitional Funding (DDTF), will trigger a subsidy layering review. Notwithstanding the subsidy layering review, PHAs should be mindful of how the capital funds or operating reserves used in the financing of its RAD properties may impact the physical and financial health of properties that will remain in its public housing inventory.

- Following execution of the HAP contract, PHAs are authorized to use operating and capital funds to make HAP payments for the remainder of the first calendar year in which the HAP contract is effective. Otherwise, a PHA may not contribute public housing program funds to the covered project unless those funds have been identified in the RCC and converted at closing for Section 8 RAD purposes.

For projects governed by Notice PIH 2012-32, REV-3, the following language applies:

- In the case of a PHA that is converting all of its ACC units, there is no restriction on the amount of public housing funds that may be contributed to the covered project at closing; the DCHA may convey all program funds to the covered projects. In order to cover the cost of administrative activities required to terminate the ACC, once it no longer has units under the ACC and has no plans to develop additional public housing, the DCHA may:
  - Designate that a reserve associated with the project be available to fund any public housing closeout costs (such as an operating deficit reserve or a specific DCHA closeout reserve). Any funds not needed for public housing closeout costs would remain in such reserve or may be transferred to another reserve associated with the project (such as the replacement reserve). Thereafter, these funds may be used at the project pursuant to the authorized use of the applicable reserve; or
  - Retain funds under the public housing program for this purpose. However, HUD will recapture any public housing funds that a PHA does not expend for closeout costs.
• In the case where the DCHA will continue to maintain other units in its inventory under a
public housing ACC, a contribution of operating funds to the covered project that exceeds the
average amount the project has held in operating reserves over the past three years will
trigger a subsidy layering review under 24 CFR 4.13. Similarly, any contribution of capital
funds, including Replacement Housing Factor (RHF) or Demolition Disposition Transitional
Funding (DDTF), will trigger a subsidy layering review. Notwithstanding the subsidy
layering review, PHAs should be mindful of how the capital funds or operating reserves used
in the financing of its RAD properties may impact the physical and financial health of
properties that will remain in its public housing inventory.

• In addition, following execution of the HAP contract, PHAs are authorized to use operating
and capital funds to make HAP payments for the remainder of the first calendar year in
which the HAP contract is effective. Otherwise, a PHA may not contribute public housing
program funds to the covered project unless such funding has been identified in the approved
financing plan and included in the approved “sources and uses” attached to the RCC.

For projects governed by the requirements of Notice PIH 2012-32, REV-2, the following
language applies:

• In the case of a PHA that is converting all of its ACC units, there is no restriction on the
amount of public housing funds that may be contributed to the covered project at closing; the
DCHA may convey all program funds to the covered project. HUD will recapture any public
housing funds that a PHA has not expended once it no longer has units under ACC. In the
case where the DCHA will continue to maintain other units in its inventory under a public
housing ACC, a contribution of operating funds to the covered project that exceeds the
average amount the project has held in operating reserves over the past three years will
trigger a subsidy layering review under 24 CFR 4.13. Similarly, any contribution of capital
funds, including Replacement Housing Factor (RHF) or Demolition Disposition Transitional
Funding (DDTF), will trigger a subsidy layering review. Notwithstanding the subsidy
layering review, PHAs should be mindful of how the capital funds or operating reserves used
in the financing of its RAD properties may impact the physical and financial health of
properties that will remain in its public housing inventory.
18-II.E. PBV PERCENTAGE LIMITATION AND UNIT CAP [Notice PIH 2019-23]

**PBV Percentage Limitation**

Covered projects do not count against the maximum amount of assistance a PHA may utilize for the PBV program, which under the standard PBV program is set at 20 percent of the authorized units allocated to a PHA under the HCV program. To implement this provision, HUD is waiving section 8(o)(13)(B) of the 1937 Act as well as 24 CFR 983.6.

**Unit Cap Limitation**

When HUD published REV-3 of Notice PIH 2012-32, the cap on the number of assisted units in each project was eliminated. Under the standard PBV program the cap is set at the greater of 25 units or 25 percent of the units in the project. HUD is waiving this requirement, and projects governed by Notice PIH 2019-23 and Notice PIH 2012-32, REV-3 have no cap on the number of units that may receive PBV assistance in a project.

However, for projects that are governed by REV-2 of Notice PIH 2012-32, the cap on the number of PBV units in the project is increased to 50 percent. In these projects, however, provided units met certain exception criteria, the DCHA may have converted a larger number of units to RAD PBV. For projects governed by the requirements of Notice PIH 2012-32, REV-2 only, the following language applies:

- In general, the DCHA may not provide PBV assistance for units in a project if the total number of dwelling units in the project that will receive PBV assistance during the term of the PBV HAP contract is more than 50 percent of the number of dwelling units (assisted or unassisted) in the project. However, PHAs may exceed the 50 percent limitation when units in the project are occupied by elderly and/or disabled families or families that will receive supportive services. These units are known as “excepted units” and do not count toward the project cap.

- For projects governed by the requirements of Notice PIH 2012-32, REV-2 choosing to include excepted units, additional policy decisions may be required.

  **DCHA Policy**

  For projects governed by Notice PIH 2012-32, REV-2, the DCHA may provide RAD PBV assistance for excepted units.
18-II.F. SITE SELECTION STANDARDS [Notice PIH 2019-23; Notice PIH 2016-17]

Site selection requirements set forth in 24 CFR 983.57 apply to RAD PBV, with the exception of 983.57(b)(1) and (c)(2). HUD waives the provisions regarding deconcentration of poverty and expanding housing and economic opportunity for existing housing sites.

To facilitate the uniform treatment of residents and units, any non-RAD PBV units located in the same project are subject to the terms of this provision.

HUD will conduct a front-end civil rights review of the DCHA’s proposed site in certain circumstances. For RAD PBV conversions that involve new construction located in an area of minority concentration (whether on the existing public housing site or on a new site) HUD will determine whether it meets one of the exceptions that would allow for new construction in an area of minority concentration.

The DCHA must ensure that its RAD PBV conversion, including any associated new construction, is consistent with its certification to affirmatively further fair housing and complies with civil rights laws.

18-II.G. ENVIRONMENTAL REVIEW [Notice PIH 2019-23; Environmental Review Requirements for RAD Conversions, March 2019]

HUD cannot approve an applicant’s financing plan submission unless and until the required environmental review has been completed for the applicant’s proposed conversion project and found to meet environmental review requirements. Environmental documents must be submitted no later than the applicant’s financing plan. HUD will not issue a RAD Conversion Commitment (RCC) if the project plan does not meet the environmental review requirements described in Attachment 1A of Notice PIH 2019-23. Once an awardee has submitted an application for a specific project, they may not make any choice limiting actions before the completion of the environmental review.
PART III: DWELLING UNITS

18-III.A. OVERVIEW

This part identifies the special housing quality standards that apply to the RAD PBV program, housing accessibility for persons with disabilities, and special procedures for conducting housing quality standards inspections.

18-III.B. HOUSING QUALITY STANDARDS [24 CFR 983.101]

The housing quality standards (HQS) for the tenant-based program generally apply to the PBV program. HQS requirements for shared housing, manufactured home space rental, and the homeownership option do not apply because these housing types are not assisted under the PBV program.

Uniform physical condition standards (UPCS) at 24 CFR 5.703 do not apply to the PBV program.

Lead-based Paint [24 CFR 983.101(c); Notice PIH 2019-23]

18-III.C. HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES [Notice PIH 2016-17]

Federal accessibility requirements apply to all conversions, whether they entail new construction, alternations, or existing facilities. The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8. The DCHA must ensure that the percentage of accessible dwelling units complies with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as implemented by HUD’s regulations at 24 CFR 8, subpart C.

Housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable. (24 CFR 983.102)
18-III.D. INSPECTING UNITS

Initial Inspection [RAD Quick Reference Guide; Notice PIH 2019-23]

Under standard PBV regulations at 24 CFR 983.103(b), a PHA may not enter into a HAP contract until the DCHA has determined all units comply with HQS. It is the responsibility of the contract administrator to perform this initial inspection (unless units are DCHA-owned). In order to accommodate projects in which repairs are conducted, however, HUD has waived this requirement when units are undergoing rehabilitation. In this case, units must meet HQS by the date indicated in the RAD Conversion Commitment (RCC).

Turnover Inspections [24 CFR 983.103(c), FR Notice 1/18/17, and Notice PIH 2017-20]

Before providing assistance to a new family in a contract unit, the DCHA must inspect the unit. The DCHA may not provide assistance on behalf of the family until the unit fully complies with HQS.

Annual/Biennial Inspections [24 CFR 983.103(d); FR Notice 6/25/14]

At least once every 24 months during the term of the HAP contract, the DCHA must inspect a random sample consisting of at least 20 percent of the contract units in each building, to determine if the contract units and the premises are maintained in accordance with HQS. Turnover inspections are not counted toward meeting this inspection requirement.

**DCHA Policy**

The DCHA will inspect at least once every 24 months a random sample consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with HQS.

If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, the DCHA must reinspect 100 percent of the contract units in the building.

Alternative Inspections [24 CFR 983.103(g); Notice PIH 2016-05]

In the case of mixed-finance properties that are subject to alternative inspections, the DCHA may rely upon an alternative inspection conducted at least triennially to demonstrate compliance with inspection requirements.

**DCHA Policy**

The DCHA will not rely on alternative inspection standards.
Other Inspections [24 CFR 983.103(e)]

The DCHA must inspect contract units whenever needed to determine that the contract units comply with HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The DCHA must take into account complaints and any other information coming to its attention in scheduling inspections.

The DCHA must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an HQS violation, and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of HQS.

In conducting DCHA supervisory quality control HQS inspections, the DCHA should include a representative sample of both tenant-based and project-based units.

Inspecting DCHA-Owned Units [24 CFR 983.103(f); Notice PIH 2017-21]

In the case of DCHA-owned units, all required inspections must be performed by an independent entity designated by the DCHA and approved by HUD. The independent entity must furnish a copy of each inspection report to the DCHA and to the HUD field office where the project is located. The DCHA must take all necessary actions in response to inspection reports from the independent agency, including exercise of contractual remedies for violation of the HAP contract by the DCHA-owner.
PART IV: HOUSING ASSISTANCE PAYMENTS (HAP) CONTRACT

Public housing projects converting under RAD do not employ the PBV Agreement to Enter into a Housing Assistance Payments (AHAP) contract. Instead, following the execution of all requirements contained in the Commitment to Enter into a HAP (CHAP) contract and the RAD Conversion Commitment (RCC), a project is converted immediately to the RAD PBV HAP contract following the closing of any construction financing. Owners of public housing projects converted to PBV assistance via RAD enter into a HAP contract with the DCHA that will administer the PBV assistance. Units assisted under a RAD PBV HAP contract must be subject to long-term, renewable use and affordability restrictions.

18-IV.B. HAP CONTRACT REQUIREMENTS

The RAD PBV program uses the PBV HAP contract for new construction or rehabilitated housing (Form HUD-52530A), as modified by the RAD rider (Form HUD-52621). For closings on or after January 1, 2018, HUD incorporated the RAD rider directly into the standard PBV HAP contract. For closing that occurred prior to January 1, 2018, the RAD rider must be attached to the PBV HAP contract.

The distinction between “existing housing” and “rehabilitated and newly constructed housing” is overridden by RAD requirements. The project must also have an initial RAD use agreement. All public housing RAD conversion properties financed with LIHTC are also required to include an LIHTC rider.

Execution and Effective date of the HAP Contract [RADBlast! 7/11/16]

RAD PBV projects do not employ an Agreement to Enter into a Housing Assistance Payments (AHAP) contract like in the standard PBV program. Rather, when the conditions of the CHAP and the RCC are met and the conversion has closed, the DCHA executes the HAP contract. Project owners may select the effective date of the HAP contract as the first day of either of the two months following the completed closing.

Term of HAP Contract [Notice PIH 2019-23]

The initial term of the HAP contract may not be for less than 15 years and may be for a term of up to 20 years upon request of the owner and with approval of the administering voucher agency. Upon expiration of the initial term of the contract, and upon each renewal term of the contract, the owner must accept each offer to renew the contract, for the prescribed number and mix of units, either on the site of the project subject to the expiring contract or, upon request of the project owner and subject to DCHA and HUD approval, at another site through a future transfer of assistance. Contracts are subject to the terms and conditions applicable at the time of each offer and further subject to the availability of appropriations for each year of each such renewal. To implement this provision, HUD is waiving section 8(o)(13)(F) of The United States Housing Act of 1937, which permits a minimum term of one year, as well as 24 CFR 983.205(a), which governs the contract term.
Agreement to Enter into a HAP (AHAP) Contract [Notice PIH 2019-23]

For public housing conversions to PBV, there will be no agreement to enter into a Housing Assistance Payments (AHAP) contract. Therefore, all regulatory references to the Agreement (AHAP), including regulations under 24 CFR Part 983 Subpart D, are waived. The definitions for proposal selection date, new construction, rehabilitation, and existing housing are not applicable.

Mandatory Contract Renewal [Notice PIH 2019-23]

By statute, upon contract expiration, the agency administering the vouchers will offer, and the DCHA will accept, renewal of the contract for the prescribed number and mix of units, either on the site of the project subject to the expiring contract or, upon request of the project owner and subject to DCHA and HUD approval, at another site through a future transfer of assistance. The contract is subject to the terms and conditions applicable at the time of renewal and the availability of appropriations each year for such renewal. Consequently 24 CFR 983.205(b), governing the DCHA discretion to renew the contract, will not apply.

In the event that the HAP contract is removed due to breach, non-compliance or insufficiency of appropriations, for all units previously covered under the HAP contract, new tenants must have incomes at or below 80 percent of the area median income at the time of admission and rents may not exceed 30 percent of 80 percent of median income for an appropriate size unit for the remainder of the term of the RAD use agreement.

Remedies for HQS Violations [24 CFR 983.208(b)]

The DCHA may not make any HAP payment to the owner for a contract unit during any period in which the unit does not comply with HQS. If the DCHA determines that a contract unit does not comply with HQS, the DCHA may exercise any of its remedies under the HAP contract, for any or all of the contract units. Available remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

DCHA Policy

The DCHA will abate and terminate PBV HAP contracts for noncompliance with HQS in accordance with the policies used in the tenant-based voucher program. These policies are contained in Section 8-II.G., Enforcing Owner Compliance.
18-IV.C. AMENDMENTS TO THE HAP CONTRACT

Floating Units [Notice PIH 2019-23]

Upon request of the owner to the voucher agency that will administer the project, HUD will permit assistance to float among units within the project that are the same bedroom size. The unit to which assistance is floated must be comparable to the unit being replaced in quality and amenities.

If the DCHA chooses to float units, units are not specifically identified on the HAP contract, rather the HAP contract must specify the number and type of units in the property that are RAD PBV units. The property must maintain the same number and type of RAD units from the time of the initial HAP contract execution forward.

DCHA Policy

The DCHA may float assistance among unoccupied units within the project. Tracking of the number and type of units at the property, as well as identification of comparable units when assistance is floated, will be maintained by each property.

Reduction in HAP Contract Units [Notice PIH 2019-23]

Project owners are required to make available for occupancy by eligible tenants the number of assisted units under the terms of the HAP contract.

The DCHA may not reduce the number of assisted units without written HUD approval. Any HUD approval of a PHA’s request to reduce the number of assisted units under contract is subject to conditions that HUD may impose. MTW agencies may not alter this requirement.

If units are removed from the HAP contract because a new admission’s TTP comes to equal or exceed the gross rent for the unit and if the project is fully assisted, the DCHA must reinstate the unit after the family has vacated the property. If the project is partially assisted, the DCHA may substitute a different unit for the unit on the HAP contract in accordance with 24 CFR 983.207, or where the development has “floating” units.

18-IV.D. HAP CONTRACT YEAR AND ANNIVERSARY DATES [24 CFR 983.302(e)]

The HAP contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year. There is a single annual anniversary date for all units under a particular HAP contract.
18-IV.E. OWNER RESPONSIBILITIES UNDER THE HAP CONTRACT
[24 CFR 983.210]

When the owner executes the HAP contract, they certify that at such execution and at all times during the term of the HAP contract:

- All contract units are in good condition and the owner is maintaining the premises and contract units in accordance with HQS;
- The owner is providing all services, maintenance, equipment, and utilities as agreed to under the HAP contract and the leases;
- Each contract unit for which the owner is receiving HAP is leased to an eligible family referred by the DCHA, and the lease is in accordance with the HAP contract and HUD requirements;
- To the best of the owner’s knowledge, the family resides in the contract unit for which the owner is receiving HAP, and the unit is the family’s only residence;
- The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit;
- The amount of the HAP the owner is receiving is correct under the HAP contract;
- The rent for contract units does not exceed rents charged by the owner for comparable unassisted units;
- Except for HAP and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit;
- The family does not own or have any interest in the contract unit (this does not apply to the family’s membership in a cooperative); and
- Repair work on the project selected as an existing project that is performed after HAP contract execution within such post-execution period as specified by HUD may constitute development activity, and if determined to be development activity, the repair work undertaken shall be in compliance with Davis-Bacon wage requirements.

18-IV.F. VACANCY PAYMENTS [24 CFR 983.352(b)]

At the discretion of the DCHA, the HAP contract may provide for vacancy payments to the owner for a DCHA-determined period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The amount of the vacancy payment will be determined by the DCHA and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner, including amounts available from the tenant’s security deposit.

**DCHA Policy**

The DCHA may provide vacancy payments to the owner. The HAP contract with the owner will contain any amount of the vacancy payment and the period for which the owner will qualify for these payments.
PART V: SELECTION OF PBV PROGRAM PARTICIPANTS

18-V.A. OVERVIEW

Many of the provisions of the tenant-based voucher regulations [24 CFR 982] also apply to the PBV program. This includes requirements related to determining eligibility and selecting applicants from the waiting list. Even with these similarities, there are requirements that are unique to the PBV program. This part describes the requirements and policies related to eligibility and admission to the PBV program.

18-V.B. PROHIBITED RESCREENING OF EXISTING TENANTS UPON CONVERSION [Notice PIH 2019-23]

Current households cannot be excluded from occupancy at the covered project based on any rescreening, income eligibility, or income targeting provisions. Consequently, current households will be grandfathered for application of any eligibility criteria to conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion. Post-conversion, the tenure of all residents of the covered project is protected pursuant to PBV requirements regarding continued occupancy unless explicitly modified by Notice PIH 2019-23 (e.g., rent phase-in provisions). For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, 24 CFR 982.201, concerning eligibility and targeting, will not apply for current households. Once that remaining household moves out, the unit must be leased to an eligible family. Existing residents at the time of conversion may not be rescreened for citizenship status or have their social security numbers reverified.

Further, so as to facilitate the right to return to the assisted property, this provision must apply to current public housing residents of the converting project that will reside in non-RAD PBV units placed in a project that contain RAD PBV units. Such families and such contract units will otherwise be subject to all requirements of the applicable program, specifically 24 CFR 983 for non-RAD PBV. Any non-RAD PBV units located in the same project are also subject to the right to return.

For the RAD PBV program, *in-place family* means a family who lived in a pre-conversion property at the time assistance was converted from public housing to PBV under RAD.
18-V.C. ELIGIBILITY FOR PBV ASSISTANCE [24 CFR 983.251(a) and (b)]

Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program. Applicants must qualify as a family as defined by HUD and the DCHA, have income at or below HUD-specified income limits, and qualify on the basis of citizenship or the eligible immigration status of family members [24 CFR 982.201(a) and 24 CFR 983.2(a)]. In addition, an applicant family must provide social security information for family members [24 CFR 5.216 and 5.218] and consent to the DCHA’s collection and use of family information regarding income, expenses, and family composition [24 CFR 5.230]. The DCHA may also not approve a tenancy if the owner (including a principal or other interested party) of the unit is the parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless needed as a reasonable accommodation. An applicant family must also meet HUD requirements related to current or past criminal activity.

DCHA Policy

The DCHA will determine an applicant family’s eligibility for the RAD PBV program in accordance with the policies in Chapter 3.
18-V.D. ORGANIZATION OF THE WAITING LIST [24 CFR 983.251(c); Notice PIH 2019-23]

The standard PBV regulations at 24 CFR 983.251 set out program requirements related to establishing and maintaining a voucher-wide, PBV program-wide, or site-based waiting list from which residents will be admitted. These provisions will apply unless the project is covered by a remedial order or agreement that specifies the type of waiting list and other waiting list policies. Any non-RAD PBV units located in the same project are also subject to these requirements.

DCHA Policy.

The DCHA will establish and manage separate waiting lists for individual projects or buildings that are receiving RAD PBV assistance.

For any applicants on the public housing waiting list that are likely to be ineligible for admission to a covered project converting to PBV because the household’s TTP is likely to exceed the RAD gross rent, the DCHA will consider transferring such household, consistent with program requirements for administration of waiting lists, to the DCHA’s remaining public housing waiting lists or to another voucher waiting list, in addition to transferring such household to the waiting list for the covered project.

To the extent any wait list relies on the date and time of application, the applicants shall have priority on the wait lists to which their application was transferred in accordance with the date and time of their application to the original waiting list.

The DCHA will maintain the project-specific waiting list in accordance with all applicable civil rights and fair housing regulations found at 24 CFR 903.7(b)(2)(ii)-(iv). The DCHA will provide applicants full information about each development, including an estimate of the wait time, location, occupancy, number and size of accessible units, and amenities like day care, security, transportation, and training programs at each development with a site-based waiting list. The system for selection will be consistent with all applicable civil rights and fair housing laws and regulations and may not be in conflict with any imposed or pending court order, settlement agreement, or complaint brought by HUD.

The DCHA will give priority to participants moving under a VAWA emergency transfer from one PBV development to another in accordance with Section 18-VI.E.
18-V.E. SELECTION FROM THE WAITING LIST [24 CFR 983.251(c)]

After conversion to RAD PBV, applicants who will occupy units with RAD PBV assistance must be selected from the DCHA’s waiting list. The DCHA may establish selection criteria or preferences for occupancy of particular PBV units.

**Income Targeting** [24 CFR 983.251(c)(6); Notice PIH 2019-23]

At least 75 percent of the families admitted to the DCHA’s tenant-based and project-based voucher programs during the DCHA fiscal year from the waiting list must be extremely-low income families. The income targeting requirement applies to the total of admissions to both programs.

Families in place at the time of the conversion are exempt from income targeting requirements. New admissions follow standard PBV requirements. Any non-RAD PBV units located in the same project are also subject to these requirements.

**Units with Accessibility Features** [24 CFR 983.251(c)(7)]

When selecting families to occupy PBV units that have special accessibility features for persons with disabilities, the DCHA must first refer families who require such features to the owner.

**Preferences** [24 CFR 983.251(d); FR Notice 11/24/08; Notice PIH 2019-23]

The DCHA may use the same selection preferences that are used for the tenant-based voucher program, establish selection criteria or preferences for the PBV program as a whole, or for occupancy of particular PBV developments or units.

**DCHA Policy**

The DCHA will not offer any preferences for the RAD PBV program.

However, the DCHA will give priority to participants moving under a VAWA emergency transfer from one PBV development to another in accordance with Section 18-VI.E.
18-V.F. OFFER OF PBV ASSISTANCE

Refusal of Offer [24 CFR 983.251(e)(3)]

The DCHA is prohibited from taking any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:

- Refusing to list the applicant on the waiting list for tenant-based voucher assistance
- Denying any admission preference for which the applicant qualifies
- Changing the applicant’s place on the waiting list based on preference, date, and time of application, or other factors affecting selection under the DCHA’s selection policy
- Removing the applicant from the tenant-based voucher waiting list

Disapproval by Landlord [24 CFR 983.251(e)(2)]

If a PBV owner rejects a family for admission to the owner’s units, such rejection may not affect the family’s position on the tenant-based voucher waiting list.

Acceptance of Offer [24 CFR 983.252]

Family Briefing

When a family accepts an offer for PBV assistance, the DCHA must give the family an oral briefing. The briefing must include information on how the program works and the responsibilities of the family and owner. In addition to the oral briefing, the DCHA must provide a briefing packet that explains how the DCHA determines the total tenant payment for a family, the family obligations under the program, and applicable fair housing information.

Persons with Disabilities

If an applicant family’s head or spouse is disabled, the DCHA must assure effective communication, in accordance with 24 CFR 8.6, in conducting the oral briefing and in providing the written information packet. This may include making alternative formats available (see Chapter 2). In addition, the DCHA must have a mechanism for referring a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

Persons with Limited English Proficiency

The DCHA should take reasonable steps to assure meaningful access by persons with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964 and Executive Order 13166 (see Chapter 2).
18-V.G. OWNER SELECTION OF TENANTS [24 CFR 983.253]

The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant’s ability to fulfill their obligations under the lease. An owner must promptly notify in writing any rejected applicant of the grounds for any rejection.

Leasing [24 CFR 983.253(a)]

During the term of the HAP contract, the owner must lease contract units to eligible families that are selected and referred by the DCHA from the DCHA’s waiting list. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on the DCHA’s subsidy standards.

Filling Vacancies [24 CFR 983.254(a)]

The owner must promptly notify the DCHA of any vacancy or expected vacancy in a contract unit. After receiving such notice, the DCHA must make every reasonable effort to promptly refer a sufficient number of families for the owner to fill such vacancies. The DCHA and the owner must make reasonable efforts to minimize the likelihood and length of any vacancy.

DCHA Policy

The owner must notify the DCHA in writing electronically within five business days of learning about any vacancy or expected vacancy.

The DCHA will make every reasonable effort to refer families to the owner within 14 business days of receiving such notice from the owner.
**18-V.H. TENANT SCREENING [24 CFR 983.255]**

**DCHA Responsibility**

The DCHA is not responsible or liable to the owner or any other person for the family’s behavior or suitability for tenancy. However, the DCHA may opt to screen applicants for family behavior or suitability for tenancy and may deny applicants based on such screening.

**DCHA Policy**

The DCHA will not conduct screening to determine a PBV applicant family’s suitability for tenancy, DCHA will only screen for program eligibility.

The DCHA must provide the owner with an applicant family’s current and prior address (as shown in DCHA records) and the name and address (if known by the DCHA) of the family’s current landlord and any prior landlords.

In addition, the DCHA may offer the owner other information the DCHA may have about a family, including information about the tenancy history of family members or about drug trafficking and criminal activity by family members. The DCHA must provide applicant families a description of the DCHA policy on providing information to owners, and the DCHA must give the same types of information to all owners.

The DCHA may not disclose to the owner any confidential information provided in response to a request for documentation of domestic violence, dating violence, sexual assault, or stalking, except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(c)].

**DCHA Policy**

The DCHA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the turnover HQS inspection or before. The DCHA will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

**Owner Responsibility**

The owner is responsible for screening and selection of the family to occupy the owner’s unit. When screening families the owner may consider a family’s background with respect to the following factors:

- Payment of rent and utility bills
- Caring for a unit and premises
- Respecting the rights of other residents to the peaceful enjoyment of their housing
- Drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others
- Compliance with other essential conditions of tenancy
PART VI: OCCUPANCY

18-VI.A. OVERVIEW

After an applicant has been selected from the waiting list, determined eligible by the DCHA, referred to an owner, and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

18-VI.B. LEASE [24 CFR 983.256]

The tenant must have legal capacity to enter into a lease under district and local law. Legal capacity means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

The tenant and the owner must enter into a written lease agreement that is signed by both parties. The tenancy addendum must include, word-for-word, all provisions required by HUD.

Lease Requirements [24 CFR 983.256(c); Notice PIH 2019-23]

The lease for a PBV unit must specify all of the following information:

- The names of the owner and the tenant;
- The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- The term of the lease (initial term and any provision for renewal);
- The amount of the tenant rent to owner, which is subject to change during the term of the lease in accordance with HUD requirements;
- A specification of the services, maintenance, equipment, and utilities that will be provided by the owner;
- The amount of any charges for food, furniture, or supportive services; and
- For any family admitted following conversion, the lease must specify what will happen if the family elects to remain in its unit after increasing its income such that it requires zero HAP. Specifically, the lease must make clear how the tenant rent will be calculated, and it must address the transition to a new lease. The DCHA must include resident procedural rights for termination notification and grievance procedures in the owner’s lease. These requirements are not part of the regular PBV program but are required under RAD.

Tenancy Addendum [24 CFR 983.256(d)]

The tenancy addendum in the lease must state:

- The program tenancy requirements
- The composition of the household as approved by the DCHA (the names of family members and any DCHA-approved live-in aide)

All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of the tenancy addendum prevail over other provisions of the lease.
Initial Term and Lease Renewal [24 CFR 983.256(f); RAD PBV Quick Reference Guide 6/20]

Leases for residents who will remain in place (i.e., who will not be relocated solely as a result of conversion) must have an effective date that coincides with—and must be signed on or before—the effective date of the RAD PBV HAP contract.

The initial lease term must be for at least one year. The lease must provide for automatic renewal after the initial term of the lease in either successive definitive terms (e.g., month-to-month or year-to-year) or an automatic indefinite extension of the lease term. For automatic indefinite extension of the lease term, the lease terminates if any of the following occur:

- The owner terminates the lease for good cause
- The tenant terminates the lease
- The owner and tenant agree to terminate the lease
- The DCHA terminates the HAP contract
- The DCHA terminates assistance for the family

Changes in the Lease [24 CFR 983.256(e)]

If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give the DCHA a copy of all changes.

The owner must notify the DCHA in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by the DCHA and in accordance with the terms of the lease relating to its amendment. The DCHA must redetermine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The redetermined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.
Owner Termination of Tenancy [24 CFR 983.257; Notice PIH 2019-23]

With two exceptions, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the tenant-based voucher program (see Section 12-III.B. and 24 CFR 982.310). In the PBV program, terminating tenancy for “good cause” does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose.

Projects converting from public housing to PBV under RAD have additional procedural rights that do not apply to the standard PBV program. These procedural rights must be included in the owner’s lease as well as the DCHA’s administrative plan. In addition to the regulations at 24 CFR 983.257 related to project owner termination of tenancy and eviction (which MTW agencies may not alter) the termination procedure for RAD conversions to PBV will require that PHAs provide adequate written notice of termination of the lease, which may not be less than:

- A reasonable period of time, but not to exceed 30 days:
  - If the health or safety of other tenants, DCHA employees, or persons residing in the immediate vicinity of the premises is threatened; or
  - In the event of any drug-related or violent criminal activity or any felony conviction
- Not less than 14 days in the case of nonpayment of rent
- Not less than 30 days in any other case, except that if a district or local law provides for a shorter period of time, such shorter period will apply

These provisions apply to non-RAD PBV units located in the project as well.

Tenant Absence from the Unit [24 CFR 983.256(g) and 982.312(a)]

The lease may specify a maximum period of family absence from the unit that may be shorter than the maximum period permitted by DCHA policy. According to program requirements, the family’s assistance must be terminated if they are absent from the unit for more than 180 consecutive days. DCHA termination of assistance actions due to family absence from the unit are subject to 24 CFR 982.312, except that the unit is not terminated from the HAP contract if the family is absent for longer than the maximum period permitted.

Current residents living in the property prior to conversion are placed on and remain under the HAP contract when TTP equals or exceeds gross rent. In this case, until such time as the family’s TTP falls below the gross rent, the family will pay the owner the lesser of their TTP minus the utility allowance or any applicable maximum rent under the LIHTC program. The family will continue to pay this amount until/if circumstances change, and HAP is paid on their behalf. In other words, assistance may subsequently be reinstated if the tenant becomes eligible for assistance. In such cases, the resident is still considered a program participant. All of the family obligations and protections under RAD and standard PBV apply to the resident. Likewise, all requirements with respect to the unit, such as compliance with the HQS requirements, apply as long as the unit is under HAP contract. Any non-RAD PBV units located in the same project are also subject to these requirements.

Unless a waiver is requested and approved, following conversion, 24 CFR 983.53(d) applies, and any new admission referred to the RAD PBV project must be initially eligible for a HAP payment at admission to the program. The DCHA may request a waiver from HUD in order to admit otherwise eligible families whose TTP exceeds gross rent and to allow the units those families occupy to remain under the HAP contract even if the DCHA has not paid HAP for the family in 180 days.

Further, for any new families admitted after the conversion, assistance will be terminated 180 days after the last housing assistance payment on their behalf. The cessation of housing assistance payments does not affect the family’s other rights under its lease, nor does it preclude the resumption of payments as a result of later changes in income, rents, or other relevant circumstances if such changes occur within the 180-day window. If a family’s assistance is terminated as a result of their zero HAP status, the DCHA must remove the unit from the HAP contract. If the project is fully assisted, the DCHA must reinstate the unit after the family has vacated the property. If the project is partially assisted, the DCHA may substitute a different unit for the unit on the HAP contract in accordance with 24 CFR 983.207.

Per the RAD Use Agreement, the owner may charge the family a rent that does not exceed 30 percent of 80 percent of the area median income. If a unit is removed from the RAD PBV HAP contract, then the lease terminates automatically, as stated in the tenancy addendum, as though the RAD PBV HAP contract had been terminated. The tenant must be offered a new lease, which must reflect the new tenant rent. A tenant in this circumstance is no longer a program participant and therefore no longer benefits from any of the rights or protections specific to RAD, or to the PBV program. Should the family subsequently lose employment, the owner may choose to reduce the family’s rent, but if the family wishes to be admitted to the HCV/PBV program, then it must be admitted through the waiting list like any other applicant.
DCHA Policy

The DCHA will not request a waiver from HUD to allow families whose TTP initially exceeds gross rent to occupy units.

Under the authority granted to the DCHA under its Moving to Work status, if the amount of assistance provided by the DCHA is reduced to zero, the family’s assistance terminates automatically twelve months after the last HAP payment.

If a participating family who was admitted after the RAD conversion receive zero assistance and subsequently experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify the DCHA of the change and request an interim reexamination before the expiration of the one year period.

Owners are permitted to recognize security deposit amounts that have been previously provided by tenants who are in-place at the time of the RAD conversion. If a tenant residing in a converting project has not previously provided a security deposit, then the owner may collect a security deposit at the time of initial lease execution. Otherwise, the security deposit requirements for standard PBV apply.

The owner may collect a security deposit from the tenant. The DCHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

DCHA Policy

The DCHA will allow the owner to collect a security deposit amount the owner determines is appropriate.

When the tenant moves out of a contract unit, the owner, subject to district and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. The DCHA has no liability or responsibility for payment of any amount owed by the family to the owner.
18-VI.C. PUBLIC HOUSING FSS AND ROSS PARTICIPANTS [Notice PIH 2019-23]

Current PH FSS participants will continue to participate in the DCHA’s FSS program, and PHAs will be allowed to use any PH FSS funds granted previously or pursuant to the current fiscal year (FY) PH FSS notice of funding availability (NOFA) to serve those FSS participants who live in units converted to RAD and who will as a result be moving to the HCV FSS program. A PHA must convert the PH FSS program participants at the covered project to their HCV FSS program.

Residents who were converted from the PH FSS program to the HCV FSS program through RAD may not be terminated from the HCV FSS program or have HCV assistance withheld due to the participant’s failure to comply with the contract of participation. Consequently, 24 CFR 984.303(b)(5)(iii) does not apply to FSS participants in converted properties.

At the completion of the FSS grant, PHAs should follow the normal closeout procedures outlined in the grant agreement. If the PHA continues to run an FSS program that serves PH and/or HCV participants, the PHA will continue to be eligible (subject to NOFA requirements) to apply for FSS funding.

Current Resident Opportunities and Self-Sufficiency–Service Coordinators (ROSS–SC) program grantees will be able to finish out their current ROSS–SC grants once their housing is converted under RAD. However, once the property is converted, it will no longer be eligible to be counted towards the unit count for future public housing ROSS–SC grants.

At the completion of the ROSS-SC grant, PHAs should follow the normal closeout procedures outlined in the grant agreement. Please note that ROSS-SC grantees may be a nonprofit or local resident association and this consequence of a RAD conversion may impact those entities.

Any non-RAD PBV units located in the same project are also subject to these requirements.

18-VI.D. RESIDENT PARTICIPATION AND FUNDING [Notice PIH 2019-23]

Residents of covered projects converting assistance to PBVs will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment and be eligible for resident participation funding.
18-VI.E. MOVES

Overcrowded, Under-Occupied, and Accessible Units [24 CFR 983.260; Notice PIH 2019-23]

All in-place tenants at the time of conversion are eligible to remain in the project. Over-housed families should be moved into appropriately sized units if such units are available in the new or rehabbed project. If appropriately sized units are not available, the existing tenants may continue to be over-housed until an appropriately sized unit becomes available or until the tenant leaves the project. Once the unit turns over, it must be leased to an appropriately sized family. Any non-RAD PBV units located in the same project are also subject to these requirements.

Following conversion, the standard PBV regulations apply. If the DCHA determines that a family is occupying a wrong-size unit, based on the DCHA’s subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, the DCHA must promptly notify the family and the owner of this determination, and the DCHA must offer the family the opportunity to receive continued housing assistance in another unit.

DCHA Policy

The DCHA will notify the family and the owner of the family’s need to move based on the occupancy of a wrong-size or accessible unit within 14 business days of the DCHA’s determination. The DCHA will offer the family the following types of continued assistance in the following order, based on the availability of assistance:

- PBV assistance in the same building or project
- PBV assistance in another project

If the DCHA offers the family a tenant-based voucher, the DCHA must terminate the housing assistance payments for a wrong-size or accessible unit at the earlier of the expiration of the term of the family’s voucher, including any extension granted by the DCHA, or the date upon which the family vacates the unit. If the family does not move out of the wrong-size unit or accessible unit by the expiration of the term of the family’s voucher, the DCHA must remove the unit from the HAP contract.
If the DCHA offers the family another form of assistance that is not a tenant-based voucher, and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by the DCHA, or both, the DCHA must terminate the housing assistance payments for the unit at the expiration of a reasonable period as determined by the DCHA and remove the unit from the HAP contract.

DCHA Policy

When the DCHA offers a family another form of assistance that is not a tenant-based voucher, the family will be given 30 days from the date of the offer to accept the offer and move out of the PBV unit. If the family does not move out within this 30-day time frame, the DCHA will terminate the housing assistance payments at the expiration of this 30-day period.

The DCHA may make exceptions to this 30-day period if needed for reasons beyond the family’s control such as death, serious illness, or other medical emergency of a family member.

Family Right to Move [24 CFR 983.261]

The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to the DCHA.
Choice Mobility [Notice PIH 2019-23; PRRAC Choice Mobility Implementation Guidance, 8/20]

**Family’s Right to Choice Mobility**

Under RAD PBV, the choice mobility option provides families with the opportunity to move with continued assistance any time after 12 months of occupancy. All residents in converted properties should be aware of their housing mobility rights and of their options in a range of neighborhoods.

**DCHA Policy**

To ensure that residents are fully aware of and understand their rights under choice mobility, the DCHA will inform families of their rights under the choice mobility option and the benefits to moving to lower poverty areas, and provide a summary of the steps necessary to exercise this option, at the time the family signs the lease for the RAD PBV unit and during their annual recertification.

Information on choice mobility will be made accessible to persons with disabilities, ensuring any information, electronic or otherwise, is accessible for persons with vision, hearing, and other disabilities. This information will also be made available in accordance with Limited English Proficiency (LEP) requirements, including document translation and user of interpretation services. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements.

**Moving with Continued Assistance under Choice Mobility**

If the family wishes to move with continued tenant-based assistance under choice mobility, the family must contact the DCHA to request the rental assistance prior to providing notice to terminate the lease. If the family terminates the lease in accordance with lease requirements, the DCHA is required to offer the family the opportunity for continued tenant-based assistance, in the form of a voucher or other comparable tenant-based rental assistance. If a voucher or other comparable tenant-based assistance is not immediately available, the DCHA must give the family priority to receive the next available opportunity for continued tenant-based assistance.

Families are eligible to move with continued assistance under choice mobility after 12 months of occupancy. If the family terminates the assisted lease before the end of the first year, the family relinquishes the opportunity for continued tenant-based assistance.
DCHA Policy

Prior to providing notice to the owner to terminate the lease, the family may submit a written request to the DCHA for a choice mobility voucher at any time after completing the 12-month occupancy requirement.

The family will remain eligible to request a choice mobility voucher as long as they continue living at the same covered project. If a family moves from one covered project to another covered project prior to completing their 12-month occupancy requirement, their 12-month clock will reset. The family must wait 12 months from the date of move at the new property before they may request another choice mobility voucher. If a family transfers to a different unit within the same covered project, the 12-month clock does not reset.

The DCHA will maintain a combined, agency-wide waiting list for all standard PBV and RAD PBV families wishing to exercise mobility after one year of tenancy. This list will be maintained separately from the tenant-based HCV list. Families on the choice mobility waiting list will be given priority over families on the tenant-based waiting list. The choice mobility waiting list will be organized by date and time of the family’s written request to exercise choice mobility. The list will also identify whether families live in standard or RAD PBV units.

The DCHA will not subject RAD PBV families applying for choice mobility vouchers to any additional rescreening requirements in order to receive a tenant-based voucher.

Families exercising choice mobility will not be required to vacate their units before a lease has been entered into using their tenant-based voucher. At the time the DCHA issues a choice mobility voucher, the DCHA will notify the family of their right to remain in their unit if they are unable find a rental unit using the tenant-based voucher.

Turnover Cap

If as a result of RAD, the total number of PBV units (including RAD PBV units) administered by the DCHA exceeds 20 percent of the DCHA’s authorized units under its HCV ACC with HUD, the DCHA may establish a turnover cap. The DCHA is not required to provide more than three-quarters of its turnover vouchers in any single year to the residents of covered projects. If the DCHA chooses to establish a turnover cap and the cap is implemented, the DCHA must create and maintain a waiting list in the order requests from eligible households were received.

DCHA Policy

At such point that, as a result of RAD, the total number of PBV units (including RAD PBV units) administered by the DCHA exceeds 20 percent of the DCHA’s authorized units under its HCV ACC with HUD, the DCHA will establish a choice mobility cap. In this case, the DCHA will not provide more than three-quarters of its turnover vouchers in a single year to residents of covered projects.

Families who requested a choice mobility voucher and are denied due to the cap will be given priority the following year when choice mobility vouchers are again issued since the choice mobility list will be organized by the date and time of the family’s request.
Emergency Transfers under VAWA [Notice PIH 2017-08]

Except where special consideration is needed for the project-based voucher program, the DCHA will follow VAWA policies as outlined in Chapter 16 Part IX of this administrative plan, including using the Emergency Transfer Plan as the basis for PBV transfers under VAWA (Exhibit 16-4).

HUD requires that the DCHA include policies that address when a victim has been living in a unit for less than a year or when a victim seeks to move sooner than a tenant-based voucher is available.

**DCHA Policy**

When the victim of domestic violence, dating violence, sexual assault, or stalking has lived in the unit for less than one year, the DCHA will provide several options for continued assistance.

The DCHA will first try to transfer the participant to another PBV unit in the same development or transfer to a different development where the DCHA has PBV units. The DCHA will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible. If assistance is transferred to another development, the DCHA will give priority to the participant on the other development’s waiting list.

If no units are available for an internal transfer to a PBV development or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to either tenant-based rental assistance (HCV) or assistance in the DCHA’s public housing program. Such a decision will be made by the DCHA based on the availability of tenant-based vouchers and/or vacancies in public housing units. Such families must be selected from the waiting list for the applicable program.

If a victim wishes to move after a year of occupancy in the unit, but no tenant-based vouchers are available, the DCHA will offer the participant an internal transfer to another PBV unit in the same development or a transfer to a different development where the DCHA has PBV units. The DCHA will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

If no units are available for an internal transfer, or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to the DCHA’s public housing program. The DCHA has adopted a waiting list preference for victims of domestic violence, dating violence, sexual assault, and stalking as part of the public housing ACOP in order to expedite this process.

A family living in a unit converted from public housing to RAD PBV may retain its certification date. Unless a family’s annual reexamination is due at the same time as the effective date of the RAD PBV HAP contract, the DCHA does not need to recertify tenants at the point of conversion. For each family residing in a unit undergoing conversion of assistance under RAD, the administering DCHA will have to submit a form HUD-50058 reflecting the family’s admission to the voucher program. The effective date of the new admission will be the same as the effective date of the RAD PBV HAP contract. The form should include the same information previously found on the public housing form 50058, including the next annual reexamination date.

18-VI.G. EARNED INCOME DISALLOWANCE [Notice PIH 2019-23]

Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID after conversion, in accordance with regulations at 24 CFR 5.617. Upon the expiration of the EID for such families, the rent adjustment will not be subject to rent phase-in; instead, the rent will automatically rise to the appropriate rent level based upon tenant income at that time. Any non-RAD PBV units located in the same project are also subject to these requirements.

Under the HCV program, the EID exclusion is limited to only persons with disabilities [24 CFR 5.617(b)]. In order to allow all tenants (including non-disabled persons) who are employed and currently receiving the EID at the time of conversion to continue to benefit from this exclusion in the PBV project, the provision in section 5.617(b) limiting EID to only persons with disabilities is waived. The waiver and resulting alternative requirement only applies to tenants receiving the EID at the time of conversion. No other tenant, such as tenants who at one time received the EID but are not receiving the EID exclusion at the time of conversion (e.g., due to loss of employment), tenants that move into the property following conversion, etc., is covered by this waiver.

18-VI.H. RESIDENTS’ PROCEDURAL RIGHTS [Notice PIH 2019-23]

HUD is incorporating additional termination notification requirements for public housing projects that convert assistance under RAD to PBV and to non-RAD PBV units located in the same project beyond those for the standard PBV program. In addition to the regulations at 24 CFR 983.257 related to owner termination of tenancy and eviction (which MTW agencies may not alter), the termination procedure for RAD conversions to PBV requires that PHAs provide adequate written notice of termination of the lease, which is:

- A reasonable period of time, but not to exceed 30 days:
  - If the health or safety of other tenants, project owner employees, or persons residing in the immediate vicinity of the premises is threatened; or
  - In the event of any drug-related or violent criminal activity or any felony conviction.

- Not less than 14 days in the case of nonpayment of rent

- Not less than 30 days in any other case, except that if a district or local law provides for a shorter period of time, such shorter period will apply
18-VII. INFORMAL REVIEWS AND HEARINGS [Notice PIH 2019-23]

In addition to reasons for an informal hearing listed at 24 CFR 982.555(a)(1)(i)–(v) (See 16-III.C. Informal Hearings for Participants), an opportunity for an informal hearing must be given to residents for any dispute that a resident may have with respect to an owner action in accordance with the individual’s lease or the contract administrator in accordance with RAD PBV requirements that adversely affect the resident’s rights, obligations, welfare, or status.

- For any hearing required under 24 CFR 982.555(a)(1)(i)–(v), the contract administrator will perform the hearing in accordance with Chapter 16 Part III: Informal Reviews and Hearings, as is the current standard in the program.

- For any additional hearings required under RAD, the DCHA (as owner) will perform the hearing.

An informal hearing will not be required for class grievances or for disputes between residents not involving the DCHA (as owner) or contract administrator. This hearing requirement does not apply to and is not intended as a forum for initiating or negotiating policy changes between a group or groups of residents and the DCHA (as owner) or contract administrator.

The owner must give residents notice of their ability to request an informal hearing as outlined in 24 CFR 982.555(c)(1) for informal hearings that will address circumstances that fall outside of the scope of 24 CFR 982.555(a)(1)(i)–(v). (See Chapter 16)

The owner must provide an opportunity for an informal hearing before an eviction.
PART VII: DETERMINING CONTRACT RENT

18-VII.A. INITIAL CONTRACT RENTS [Notice PIH 2019-23]

RAD conversions are intended to be cost-neutral, and therefore, should not exceed current public housing funding as adjusted for unit size. Since public housing units do not currently have contract rents, HUD provides an estimate of current contract rents for each PHA’s public housing units based on current funding as adjusted by bedroom size. Current funding includes operating subsidy, tenant rents, capital funds, replacement housing factor funds (RHF), and demolition disposition transitional funding (DDTF). The funding may limit the amount of initial rent for a property. A detailed explanation of the determination of current funding may be found in Attachment 1C of Notice PIH 2019-23. Once the current funding amount is calculated, the amount is adjusted by bedroom size to determine the current funding rent. HUD uses the same bedroom adjustment factors as in the metropolitan FMR schedules where the project is located.

PHAs may adjust subsidy (and contract rents) across multiple projects as long as the DCHA does not exceed the aggregate subsidy for all of the projects the DCHA has submitted for conversion under RAD.

Notwithstanding HUD’s calculation of the initial contract rent based on the project’s subsidy under the public housing program and any modifications made to the initial contact rent, the initial rents are set at the lower of:

- An amount determined by the DCHA, not to exceed 110 percent of the fair market rent (FMR) or the DCHA’s exception payment standard approved by HUD, or the alternate rent cap in a PHA’s MTW agreement minus any utility allowance
- The reasonable rent
- The rent requested by the owner

RAD PBV contract rents are adjusted differently than contract rents in the standard PBV program. At each annual anniversary of the HAP contract, contract rents will be adjusted only by HUD’s operating cost adjustment factor (OCAF) that is applied to the current contract rent, less the portion of the rent paid for debt service, subject to the availability of appropriations for each year of the contract term. As such, section 8(o)(13)(I) of the 1937 Act, and 24 CFR 983.301 and 983.302, concerning rent determinations, do not apply when adjusting rents. The rent to owner may at no time exceed the reasonable rent charged for comparable unassisted units in the private market, as determined by the contract administrator in accordance with 24 CFR 983.303.

Contract rents may not exceed the reasonable rent (as determined by the DCHA that administers the contract or the independent entity, as applicable), with the exception that the contract rent for each unit may not be reduced below the initial contract rent under the initial HAP contract.

However, the rent to owner may fall below the initial contract rent in the following situations:

- To correct errors in calculations in accordance with HUD requirements
- If additional housing assistance has been combined with PBV assistance after the execution of the initial HAP contract and a rent decrease is required pursuant to 983.55 (prohibition of excess public assistance)
- If a decrease in rent to owner is required based on changes in the allocation of responsibility for utilities between the owner and the tenant

The contract rent adjustment will be the lesser of:

- The current contract rent increased by the operating cost adjustment factor (OCAF), which is published annually in the Federal Register; or
- The reasonable rent

The administering DCHA (or independent entity, if the project is DCHA-owned) is responsible for processing rent adjustments at each contract anniversary date in accordance with the prevailing OCAF. The DCHA who administers the contract (directly or via an independent entity) must maintain records to demonstrate how OCAF amounts were determined and how rent adjustments were calculated. HUD approval of rent adjustments is not required.

Properties are eligible to receive prior years’ OCAF adjustments for years in which the OCAF was not taken. The OCAF must be applied retroactively if it was missed. The DCHA administering the contract (or the independent entity) must make sure that all OCAFs have been applied correctly since the RAD closing and calculate the current rents accordingly, including making sure that the RAD PBV contract rents do not exceed the PBV program caps.
DCHA Policy

The owner will request a contract rent adjustment from the DCHA who administers the contract within 120 days, but no less than 60 days, prior to the HAP contract anniversary date by submitting a completed OCAF rent adjustment worksheet (Form HUD-9624). The independent entity will validate the data on the form and determine whether the rent exceeds the reasonable rent charged for comparable unassisted units in the private market, in accordance with 24 CFR 983.303. If rents would be unreasonable following application of the requested OCAF, then the rent will only be increased up to the reasonable rent. The independent entity will notify the DCHA who administers the contract in writing of the results of its review of the rent adjustment request. The DCHA who administers the contract will retain a copy of the worksheet and any other records necessary to demonstrate how the OCAF was used to make rent adjustments for audit purposes. The approved rent adjustment will go into effect via written notice from the DCHA that administers the project to the owner. This notice will constitute an amendment to the rents specified on Exhibit A of the RAD PBV HAP contract. The new rents to owner will take effect on the date of the contract anniversary.

Rent Decrease

Rents must not be reduced below the initial rent except to correct errors, for additional subsidy to the property, or to realign utility responsibilities.

When contract rent amounts are set initially, the amount does not include a utility allowance. In general, the utility allowances that are used on the initial HAP contract at closing are the public housing utility allowances that are in effect prior to conversion. The CHAP must be updated prior to conversion to reflect current public housing utility allowances. At its discretion, a PHA may use the FMRs and utility allowances in effect during the 30-day period immediately before the beginning date of the HAP contract.

After conversion, the PHA that administers the contract must maintain the utility allowance schedule. The PHA may either maintain a utility allowance schedule for tenant-paid utilities in accordance with standard PBV and HCV utility allowance regulations at 24 CFR 983.301(f)(2)(ii) and 24 CFR 982.517, respectively, or the PHA may instead apply site-specific utility allowances. HUD waived the requirement for the standard PBV program that the HCV utility allowance be used. If a site-specific utility allowance is used, the utility allowance is applicable to non-RAD PBV units in the project and is calculated consistent with Notice H 2015-04.

Each family transitions to the new utility allowance at their first recertification following conversion.

DCHA Policy

The DCHA will determine on a case-by-case basis whether to use the HCV utility allowance schedule for a RAD PBV development or whether a site-specific utility allowance will be used.
18-VII.D. REASONABLE RENT [24 CFR 983.303]

At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by the DCHA, except rents must not be reduced below the initial rent except to correct errors, for additional subsidy to the property, or to realign utility responsibilities.

**How to Determine Reasonable Rent**

The reasonable rent of a unit receiving PBV assistance must be determined by comparison to rent for other comparable unassisted units. When making this determination, the DCHA must consider factors that affect market rent. Such factors include the location, quality, size, type and age of the unit, as well as the amenities, housing services maintenance, and utilities to be provided by the owner.

**Comparability Analysis**

For each unit, the comparability analysis must use at least three comparable units in the private unassisted market. This may include units in the premises or project that is receiving project-based assistance. The analysis must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units, and must be retained by the DCHA. The comparability analysis may be performed by DCHA staff or by another qualified person or entity. Those who conduct these analyses or are involved in determining the housing assistance payment based on the analyses may not have any direct or indirect interest in the property.

**DCHA-Owned Units**

For DCHA-owned units, the amount of the reasonable rent must be determined by an independent entity approved by HUD in accordance with PBV program requirements. The independent entity must provide a copy of the determination of reasonable rent for DCHA-owned units to the DCHA and to the HUD field office where the project is located.
PART VIII: PAYMENTS TO OWNER

18-VIII.A. HOUSING ASSISTANCE PAYMENTS

During the term of the HAP contract, the DCHA must make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments must be made for each month that a contract unit complies with HQS and is leased to and occupied by an eligible family. The housing assistance payment must be paid to the owner on or about the first day of the month for which payment is due, unless the owner and the DCHA agree on a later date.

Except for discretionary vacancy payments, the DCHA may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

The amount of the housing assistance payment by the DCHA is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract. Unless the owner complies with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.
18-VIII.B. VACANCY PAYMENTS [24 CFR 983.352]

If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if the DCHA determines that the vacancy is the owner’s fault.

**DCHA Policy**

If the DCHA determines that the owner is responsible for a vacancy and as a result is not entitled to keep the housing assistance payment, the DCHA will notify the landlord of the amount of housing assistance payment that the owner must repay. The DCHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

At the discretion of the DCHA, the HAP contract may provide for vacancy payments to the owner. The DCHA may only make vacancy payments if:

- The owner gives the DCHA prompt, written notice certifying that the family has vacated the unit and identifies the date when the family moved out (to the best of the owner’s knowledge);
- The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
- The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
- The owner provides any additional information required and requested by the DCHA to verify that the owner is entitled to the vacancy payment.

The owner must submit a request for vacancy payments in the form and manner required by the DCHA and must provide any information or substantiation required by the DCHA to determine the amount of any vacancy payment.

**DCHA Policy**

If an owner’s HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified the DCHA of the vacancy in accordance with the policy in Section 18-V.G. regarding filling vacancies.

In order for a vacancy payment request to be considered, it must be made within 10 business days of the end of the period for which the owner is requesting the vacancy payment. The request must include the required owner certifications and the DCHA may require the owner to provide documentation to support the request. If the owner does not provide the information requested by the DCHA within 10 business days of the DCHA’s request, no vacancy payments will be made.
18-VIII.C. TENANT RENT TO OWNER [24 CFR 983.353; Notice PIH 2019-23]

The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by the DCHA in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in the DCHA notice to the family and owner.

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The amount of the tenant rent determined by the DCHA is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the DCHA. The owner must immediately return any excess payment to the tenant.

Initial Certifications [Notice PIH 2019-23]

For the initial certification, the DCHA will use the family’s public housing tenant rent (reflected on line 10f of the family’s most recent 50058) at the date of conversion to calculate HAP and tenant rent for the PBV program. The DCHA will use this amount until the effective date of the earlier of the family’s first regular or interim recertification following the conversion. At that point, the DCHA will use the family’s TTP based on the recertification and the applicable utility allowance (HCV or RAD PBV site-based, as applicable) to determine PBV HAP and tenant rent. Any non-RAD PBV units located in the same project are subject to the same requirements.

Tenant and DCHA Responsibilities

The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by the DCHA.

Likewise, the DCHA is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. The DCHA is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. The DCHA may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

Utility Reimbursements

If the amount of the utility allowance exceeds the total tenant payment, the DCHA must pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner must be zero.

The DCHA may pay the utility reimbursement directly to the family or to the utility supplier on behalf of the family. If the DCHA chooses to pay the utility supplier directly, the DCHA must notify the family of the amount paid to the utility supplier.

DCHA Policy

The DCHA will make utility reimbursements directly to the family.
18-VIII.D. PHASE-IN OF TENANT RENT INCREASES [Notice PIH 2019-23; DCHA Asset Repositioning “Phase-in of Tenant Rents” Webinar]

For in-place tenants, if the amount the tenant would pay for rent and utilities (TTP) would increase by more than the greater of 10 percent or $25 purely as a result of conversion, the rent increase will be phased in over three years. To implement this provision, HUD is waiving section 3(a)(1) of the 1937 Act, as well as 24 CFR 983.3 (definition of total tenant payment (TTP)) only to the extent necessary to allow for the phase-in of tenant rent increases. For families who were on EID at the time of conversion to RAD PBV, upon the expiration of the EID, the rent adjustment is not subject to rent phase-in.

The DCHA must communicate this policy in writing to affected residents. Any non-RAD PBV units located in the same covered project are subject to the terms of the phase-in provisions.

**DCHA Policy**

The DCHA will use the family’s public housing tenant rent (reflected on line 10f of the family’s most recent 50058) at the date of conversion to calculate the family’s tenant rent in PBV. The DCHA will implement a five-year phase-in for in-place families whose TTP increases by more than the greater of 10 percent or $25 purely as a result of the conversion as follows:

- **Year 1:** Any recertification (interim or annual) performed prior to the second annual recertification after conversion: 20 percent of difference between the most recently paid TTP or flat rent and the standard TTP
- **Year 2:** Year 2 any recertification (interim or annual) prior to Year 3 AR: 25 percent of the difference between the most recently paid TTP and the calculated PBV TTP
- **Year 3:** Year 3 any recertification (interim or annual) prior to Year 4 AR: 33 percent of the difference between the most recently paid TTP and the calculated PBV TTP
- **Year 4:** Year 4 any recertification (interim or annual) prior to Year 5 AR: 50 percent of the difference between the most recently paid TTP and the calculated PBV TTP
- **Year 5:** Annual recertification and all subsequent recertifications: Full calculated TTP

Once the standard TTP is equal to or less than the previous TTP, the phase-in ends, and tenants will pay full TTP from that point forward.

If the family’s income falls during the phase-in period such that the currently calculated PBV TTP falls below the amount that would otherwise be the phased-in rent, the family pays the currently calculated PBV TTP and the phase-in ends.

The DCHA will communicate the DCHA’s phase-in policy in writing to the family at the time the DCHA first determines that the family qualifies for a rent phase-in.

Any non-RAD PBV units located in the same project are also subject to rent phase-in requirements.
18.VIII.E. OTHER FEES AND CHARGES [24 CFR 983.354]

Meals and Supportive Services

With the exception of PBV assistance in assisted living developments, the owner may not require the tenant to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

In assisted living developments receiving PBV assistance, the owner may charge for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. However, non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

Other Charges by Owner

The owner may not charge extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.
EXHIBIT 18-1: PBV DEVELOPMENT INFORMATION
(Fill out one for each development)

Date: [Enter the date on which this form was completed]

DEVELOPMENT INFORMATION

Development Name: [Insert name of PBV development]
Address: [Insert full address of PBV development]
Owner Information: [Insert PBV development owner name and contact information. If development is PHA-owned, enter “PHA-owned.”]
Property Management Company: [Insert property management company name and contact information, or enter “None”]
PHA-Owned: [Enter “Yes” or “No.” If yes, enter name of independent entity.]
Mixed-Finance Development: [Enter “Yes” or “No.” If yes, list other types of funding and units to which other funding applies.]

HAP CONTRACT

Closing Date: [Enter closing date of RAD conversion]
Effective Date of Contract: [Enter start date of HAP contract]
HOTMA Requirements: [If HAP contract was signed prior to April 18, 2017, enter “Pre-HOTMA.” If HAP contract was signed on or after April 18, 2017, enter “Post-HOTMA.”]
Term of HAP Contract: [Enter term from HAP contract]
Expiration Date of Contract: [Enter expiration date from HAP contract]

PBV UNITS

Unit Designation: [Enter “Fixed” or “Floating”]
Accessible Units and Features: [Identify which units are accessible and describe accessibility features or enter “None”]
Target Population: [Describe targeted population in accordance with HAP contract or enter “None”]

Excepted Units (Notice PIH 2012-32, REV-2 Developments Only): [Identify excepted unit types below or enter “None”]

Supportive Services: [Enter “Yes, see Exhibit D of HAP contract” or enter “No”]

Elderly Units: [Enter “Yes” or “No.” If yes, identify which units are elderly units.]

Disabled Units [Enter “Yes” or “No.” If yes, identify which units are for persons with disabilities.]

WAITING LIST AND SELECTION

Waiting List Type: [Enter “Site-based waiting list,” “Combined with HCV,” “Waiting list for entire PBV program,” or “Merged with another assisted housing program”]

Preferences: [Enter “Same as HCV; see Chapter 4” or describe preferences offered. If different from HCV, note in Section 18.1.C. of this policy.]

Preference Verification: [Enter “Same as HCV; see Chapter 7” or describe for each preference listed above. If different from HCV, note in Section 18.1.C. of this policy.]

For the PBV program, is the income limit the same as the HCV program? (Note: In mixed-finance developments, other income limits may also apply.) [Enter “Same as HCV; see Chapter 3” or clearly describe]

OCCUPANCY

Subsidy Standards: [Enter “Same as HCV; see Chapter 5” or describe. If different from HCV, note in Section 18.1.C. of this policy.]

Utilities: [Enter in accordance with HAP contract Exhibit C]

Vacancy Payments: [Enter in accordance with HAP contract Part 1, e, 2 and Section 18-IV.F. within this chapter]
Chapter 19

SPECIAL PURPOSE VOUCHERS

INTRODUCTION

Special purpose vouchers are specifically funded by Congress in separate appropriations from regular HCV program funding in order to target specific populations. Special purpose vouchers include vouchers for the following programs:

- Family Unification Program (FUP)
- Foster Youth to Independence (FYI) program
- Veterans Affairs Supportive Housing (VASH)
- Mainstream
- Non-Elderly Disabled (NED)
- Stability Voucher program

DCHA Policy

The DCHA will administer the following types of special purpose vouchers:

- Family Unification Program (FUP)
- Foster Youth to Independence (FYI) program
- Veterans Affairs Supportive Housing (VASH)
- Mainstream
- Non-Elderly Disabled (NED)

This chapter describes HUD regulations and DCHA policies for administering special purpose vouchers. The policies outlined in this chapter are organized into five sections, as follows:

Part I: Family Unification Program (FUP)
Part II: Foster Youth to Independence (FYI) program
Part III: Veterans Affairs Supportive Housing (VASH)
Part IV: Mainstream voucher program
Part V: Non-Elderly Disabled (NED) vouchers
Part VI: Stability Voucher program

Except as addressed by this chapter and as required under federal statute and HUD requirements, the general requirements of the HCV program apply to special purpose vouchers.
PART I: FAMILY UNIFICATION PROGRAM (FUP)

19-I.A. PROGRAM OVERVIEW [Fact Sheet, Housing Choice Voucher Program Family Unification Program (FUP)]

Overview

The Family Unification Program (FUP) was authorized by Congress in 1990 to help preserve and reunify families. PHAs that administer the program provide vouchers to two different populations—FUP families and FUP youth.

Families eligible for FUP are families for whom the lack of adequate housing is a primary factor in:

- The imminent placement of the family’s child or children in out-of-home care; or
- The delay in the discharge of the child or children to the family from out-of-home care.

There is no time limitation on FUP family vouchers, and the family retains their voucher as long as they are HCV-eligible. There is no requirement for the provision of supportive services for FUP family vouchers.

Youth eligible for FUP are those who:

- Are at least 18 years old and not more than 24 years of age;
- Have left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act at age 16 and older; and
- Are homeless or at risk of becoming homeless.

FUP youth vouchers are limited by statute to a period between 36 and 60 months of housing assistance. Supportive services must also be provided to FUP-eligible youth by the Public Child Welfare Agency (PCWA) or by another agency or organization under contract with the PCWA for the period of time defined in the notice or Notice of Funding Availability/Opportunity (NOFA/O) for which funding was made available.

PHAs that wish to administer FUP vouchers must apply to HUD by submitting an application under an active Notice of Funding Opportunity (NOFO). While the FUP program is administered in accordance with HCV regulations, the FUP NOFOs issued by HUD provide specific program information and requirements.

In order to administer the program, the DCHA must also form a partnership with a local PCWA who is responsible for determining the family or youth meets FUP eligibility requirements and referring them to the DCHA. Once the referral is received, the DFHA is responsible for placing the FUP family or youth on the DCHA’s waiting list and determining whether they are eligible to receive assistance under the DCHA’s HCV program.
Assigning Vouchers [FUP FAQs]

The DCHA may, but is not required to, assign a specific number or percentage of FUP vouchers for FUP youths and FUP families. Unless the DCHA assigns a specific number or percentage of FUP vouchers to a designated FUP population, the DCHA must serve any referrals (youths or families) that meet all program eligibility requirements up to the DCHA’s designated FUP program size.

**DCHA Policy**

The DCHA has not designated any specific number or percentage of FUP vouchers for youths or families. The DCHA will serve all referrals that meet program eligibility requirements, up to the DCHA’s FUP voucher allocation.

19-I.B. PUBLIC CHILD WELFARE AGENCY (PCWA)

Families and youth do not apply directly to the DCHA for FUP vouchers. They are instead referred by a PCWA with whom the DCHA has entered into a Memorandum of Understanding (MOU). The partnering PCWA initially determines whether the family or youth meets the FUP program eligibility requirements listed in 19-I.C. and 19-I.D. and then refers those families or youths to the DCHA.

HUD strongly encourages PHAs and PCWAs to make decisions collaboratively on the administration of the program and to maintain open and continuous communication. The PCWA must have a system for identifying FUP-eligible youth within the agency’s caseload and for reviewing referrals from a Continuum of Care (COC) if applicable.

**DCHA Policy**

The DCHA has entered into an MOU with the DC Child and Family Services Agency (CFSA), MOU is attached in Appendix C.
Supportive Services

The PCWA must provide supportive services for the period of time defined in the notice or NOFA/O for which the funding was made available to all FUP-eligible youth regardless of their age. The MOU between the DCHA and the PCWA should identify the period of time in which supportive services will be provided.

**DCHA Policy**

The PCWA will provide supportive services for all FUP youth for a period of 36 months. Supportive services may be provided to FUP-eligible youth by the PCWA or by another agency or organization under agreement or contract with the PCWA, including the DCHA. The organization providing the services and resources must be identified in the MOU. The following services must be offered:

- Basic life skills information or counseling on money management, use of credit, housekeeping, proper nutrition or meal preparation, and access to health care (e.g., doctors, medication, and mental and behavioral health services);
- Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance or referrals for assistance on security deposits, utility hook-up fees, and utility deposits;
- Providing such assurances to owners of rental property as are reasonable and necessary to assist a FUP-eligible youth to rent a unit with a FUP voucher;
- Job preparation and attainment counseling (where to look and how to apply, dress, grooming, relationships with supervisory personnel, etc.); and
- Educational and career advancement counseling regarding attainment of general equivalency diploma (GED), or attendance or financing of education at a technical school, trade school, or college, including successful work ethic and attitude models.

**DCHA Policy**

Additional supportive services may be offered.

A FUP-eligible youth cannot be required to participate in these services as condition of receipt of the FUP voucher.
19-I.C. FUP FAMILY VOUCHER ELIGIBILITY CRITERIA

FUP family assistance is reserved for eligible families that the PCWA has certified are a family for whom a lack of adequate housing is a primary factor in:

- The imminent placement of the family’s child or children in out-of-home care, or
- The delay in the discharge of the child or children to the family from out-of-home care.

*Lack of adequate housing* means the family meets any one of the following conditions:

- Living in substandard housing, which refers to a unit that meets any one of the following conditions:
  - Does not have operable indoor plumbing
  - Does not have a usable flush toilet inside the unit for the exclusive use of a family or youth
  - Does not have a usable bathtub or shower inside the unit for the exclusive use of a family or youth
  - Does not have electricity, or has inadequate or unsafe electrical service
  - Does not have a safe or adequate source of heat
  - Should, but does not, have a kitchen
  - Has been declared unfit for habitation by an agency or unit of government, or in its present condition otherwise endangers the health, safety, or well-being of the family or youth
  - Has one or more critical defects, or a combination of intermediate defects in sufficient number or to the extent that it requires considerable repair or rebuilding. The defects may result from original construction, from continued neglect or lack of repair, or from serious damage to the structure
- Being homeless as defined in 24 CFR 578.3
- Living in a unit where the presence of a household member with certain characteristics (i.e., conviction for certain criminal activities) would result in the imminent placement of the family’s child or children in out-of-home care, or the delay in the discharge of the child or children to the family from out-of-home care
- Living in housing not accessible to the family’s disabled child or children due to the nature of the disability
• Living in an overcrowded unit, which is defined as living in a unit where one of the following conditions has been met:
  - The family is separated from its child or children and the parents are living in an otherwise standard housing unit, but, after the family is reunited, the parents’ housing unit would be overcrowded for the entire family and would be considered substandard; or
  - The family is living with its child or children in a unit that is overcrowded for the entire family and this overcrowded condition may result, in addition to other factors, in the imminent placement of its child or children in out-of-home care.
  - For purposes of this definition, the determination as to whether the unit is overcrowded is made in accordance with the DCHA subsidy standards in Chapter 5, Part III of this policy.

Since HUD does not define *imminent placement*, the partnering PCWA may use its discretion to determine whether the potential out of home placement of the family’s child or children is imminent [FUP FAQs].
19-I.D. FUP YOUTH VOUCHER ELIGIBILITY CRITERIA

While FUP family vouchers operate as regular HCVs after the family is referred from the PCWA, there are several aspects of the FUP youth vouchers that make them distinct from the FUP family vouchers and from regular HCVs.

Eligibility Criteria

A FUP-eligible youth is a youth the PCWA has certified:

- Is at least 18 years old and not more than 24 years of age (has not yet reached their 25\textsuperscript{th} birthday);
  - The FUP youth must be no more than 24 years old at the time the PCWA certifies them as eligible and at the time of HAP contract execution.
- Has left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act;
  - Foster care placement can include, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and pre-adoptive homes in accordance with 24 CFR 5.576.
- Is homeless or at risk of becoming homeless at age 16 or older;
  - \textit{At risk of being homeless} is fully defined at 24 CFR 576.2.
    - This includes a person that is exiting a publicly funded institution, or system of care (such as a healthcare facility, a mental health facility, foster care or other youth facility, or correction program or institution).
    - Therefore, youth being discharged from an institution may be eligible for a FUP voucher [FUP FAQs].
- Has an annual income at or below 30 percent of area median income; and
- Does not have sufficient resources or support networks (e.g., family, friends, faith-based or other social networks) immediately available to prevent them from moving to a supervised publicly or privately operated shelter designed to provide temporary living arrangements.
19-I.E. ASSISTANCE PERIOD [FR Notice 1/24/22]

Maximum Assistance Period

Although there is no time limit on FUP family vouchers, FUP youth vouchers are limited by statute. Unless the FUP youth meets an exception outlined below, after 36 months of assistance, the FUP youth voucher must be terminated. However, any period of time for which no subsidy (HAP) is being paid on behalf of the youth does not count toward the 36-month limitation.

If the FUP youth does meet the requirements outlined below, the statutory limit on FUP assistance is a total of 60 months of FUP voucher assistance [FR Notice 1/24/22].

Extension of Assistance

FUP youth who first leased or lease a unit after December 27, 2020, may be eligible for an extension of assistance up to 24 months beyond the 36-month time limit (for a total of 60 months of assistance).

While FUP youth cannot be required to participate in the Family Self-Sufficiency (FSS) program as a condition of receipt of assistance, an eligible youth who participates in the FSS program and is in compliance with the applicable terms and conditions of the program is entitled to receive assistance for up to an additional 24 months. A FUP youth must accept an FSS slot if it is offered to them prior to the 36-month mark in order to receive an extension of assistance (unless the youth meets one of the statutory exceptions described below).
Statutory Exceptions

A FUP youth will be entitled to receive an extension of assistance for up to 24 months beyond the 36-month time limit without participating in the DCHA’s FSS program if they certify that they meet one of the exceptions below:

- The FUP youth is a parent or other household member responsible for the care of a dependent child under the age of six or for the care of an incapacitated person.

  **DCHA Policy**

  As defined under the Code of the District of Columbia 21-2401.2, the DCHA defines *incapacitated person* as an adult for whom a guardian has been appointed.

  The DCHA will apply this exception in a manner that provides extensions of FUP youth assistance to the broadest population possible consistent with the statutory requirements. The FUP youth will be required to self-certify that they meet this exception on a DCHA-provided form. This certification is the only documentation that the FUP youth must submit.

  The child or incapacitated person is not required to reside in the household in order for the youth to certify they meet this exception. For example, a child in a joint custody arrangement under the age of six who resides in the household only part-time may qualify the youth for this exception.

- The FUP youth is a person who is regularly and actively participating in a drug addiction or alcohol treatment and rehabilitation program.

  **DCHA Policy**

  The DCHA will define *regular and active participation* in a manner that provides extensions of FUP youth assistance to the broadest population possible consistent with the statutory requirements.

  The FUP youth will be required to self-certify that they meet this exception on a DCHA-provided form. This certification is the only documentation that the FUP youth must submit.
• The FUP youth is a person who is incapable of complying with the requirement to participate in a FSS program as described above or engage in education, workforce development, or employment activities as described below, as applicable, due to a documented medical condition.

**DCHA Policy**

The DCHA will apply this requirement in a manner that provides extensions of FUP youth assistance to the broadest population possible consistent with statutory requirements.

The FUP youth will be required to self-certify that they meet this exception on a DCHA-provided form. This certification is the only documentation that the FUP youth must submit.

A FUP youth that meets one of the above exceptions must still be offered an opportunity to enroll in the DCHA’s FSS program (if it is available to them) and receive any supportive services available to FUP youth. A FUP youth may choose to participate in an FSS program or engage in education, workforce development, or employment activities, even if they meet one of the above statutory exceptions.
Education, Workforce Development, or Employment Activities

If a PHA that carries out an FSS program is unable to offer a FUP youth an FSS slot during their first 36 months of receiving FUP youth assistance, the youth is considered to have been “unable to enroll” in the program and may have their voucher extended by meeting the education, workforce development, or employment criteria described below:

- The youth was engaged in obtaining a recognized postsecondary credential or a secondary school diploma or its recognized equivalent.

  **DCHA Policy**

  The DCHA will use the definitions of *recognized postsecondary credential* and *secondary school diploma or its recognized equivalent* under the Workforce Innovation and Opportunity Act (WIOA). WIOA defines a *recognized postsecondary credential* as a credential consisting of an industry-recognized certificate or certification, a certificate of completion of an apprenticeship, a license recognized by the state involved or federal government, or an associate or baccalaureate degree (29 U.S.C. 3102). Examples of a recognized postsecondary credential include, but are not limited to, an associate’s degree, bachelor’s degree, occupational licensure, or occupational certification (see U.S. Department of Labor, Training and Employment Guidance Letter No. 10–16, Change 1).

  For the purpose of WIOA, the U.S. Department of Labor defines a *secondary school diploma or its recognized equivalent* as a secondary school diploma (or alternate diploma) that is recognized by a state and that is included for accountability purposes under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA). A secondary school equivalency certification signifies that a student has completed the requirement for a high school education. Examples of a secondary school diploma or its recognized equivalent include, but are not limited to, obtaining certification of attaining passing scores on a state-recognized high school equivalency test, earning a secondary school diploma or state-recognized equivalent, or obtaining certification of passing a state-recognized competency-based assessment.

- The youth was enrolled in an *institution of higher education*, as such term is defined in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)) or an institution that meets the definition of a *proprietary institution of higher education* or a *postsecondary vocational institution* under sections 102(b)(1) and (c)(1) of the Higher Education Act of 1965 (20 U.S.C. 1002(b)(1) and (c)(1)), respectively.

  **DCHA Policy**

  Youth must be enrolled in education activities on at least a half-time basis, as defined by the institution that they attend. However, the DCHA may make exceptions to this requirement if the youth is unable to enroll in a sufficient number of classes due to a lack of course offerings by the educational institution where the youth is enrolled.
• The youth was participating in a career pathway, as such term is defined in Section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102). The term career pathway means a combination of rigorous and high-quality education, training, and other services that:
  - Aligns with the skill needs of industries in the economy of the state or regional economy involved;
  - Prepares an individual to be successful in any of a full range of secondary or postsecondary education options, including apprenticeships registered under the Act of August 16, 1937 (commonly known as the “National Apprenticeship Act”; 50 Stat. 664, chapter 663; 29 U.S.C. 50 et seq.) (referred to individually in this Act as an apprenticeship, except in section 3226 of this title);
  - Includes counseling to support an individual in achieving the individual’s education and career goals;
  - Includes, as appropriate, education offered concurrently with and in the same context as workforce preparation activities and training for a specific occupation or occupational cluster;
  - Organizes education, training, and other services to meet the particular needs of an individual in a manner that accelerates the educational and career advancement of the individual to the extent practicable;
  - Enables an individual to attain a secondary school diploma or its recognized equivalent, and at least one recognized postsecondary credential; and
  - Helps an individual enter or advance within a specific occupation or occupational cluster.
• The youth was employed.
  **DCHA Policy**
  The DCHA will consider the youth to be employed if they work a minimum of 20 hours per week. The DCHA may make exceptions to this requirement if the youth’s hours are reduced due to circumstances beyond their control or the youth must temporarily reduce their work hours due to a verified family emergency.

**FSS Enrollment at 24 Months**

If the FUP youth has not been provided an opportunity to enroll in the FSS program during the first 24 months of FUP assistance, HUD encourages the DCHA to remind the youth at the 24-month reexamination of the education, workforce development, and employment requirements described above so that the youth has enough time to meet these requirements prior to the expiration of the 36-month time period for FUP assistance.

  **DCHA Policy**
  If the FUP youth has not been provided an opportunity to enroll in the FSS program during the first 24 months of FUP assistance, the DCHA will remind the youth at their second regular reexam of the education, workforce development, and employment requirements described above.
FSS Enrollment Between 36 and 48 Months

If an FSS slot becomes available between the 36-month and 48-month mark:

- The DCHA must offer the slot to a FUP youth who had their voucher extended based on meeting the education, workforce development, or employment requirement listed above, or one of the statutory exceptions listed above (even if the youth previously declined an FSS slot because they met one of the statutory exceptions).

- The DCHA must work with the youth to determine whether enrollment in FSS is feasible and in their best interest given any education, workforce development, or employment activities that the youth is engaged in and any statutory exceptions that apply to the youth, as well as the remaining time on their voucher.

- If the FUP youth accepts the FSS slot, the DCHA must work with the youth to establish Contract of Participation goals and an Individual Training and Services Plan (ITSP) that can be accomplished within the time period left on the voucher.

If the FUP youth is offered an FSS slot prior to the 36-month mark, the youth:

- Will be required to enroll in the FSS program in order to receive an extension of assistance at the end of the 36-month time period (unless they meet one of the statutory exceptions described above).

- Will not be considered to have been “unable to enroll” in the FSS program as described above, and as a result, will not be eligible to receive an extension of assistance based on meeting the education, workforce development, or employment requirements described above.

FSS Enrollment After 48 Months

The DCHA may, but is not required to, offer a FUP youth an FSS slot that becomes available between the 48-month mark and the 60-month mark, since the youth will have already received their second and final extension.

**DCHA Policy**

If an FSS slot becomes available between the 48 and 60-month marks, the DCHA will not offer the FSS slot to a FUP youth.

Extensions of Assistance

At the 36-month and 48-month reexamination, the DCHA must extend FUP youth assistance if the youth is participating in and in compliance with the FSS program as long as the youth is still eligible for the HCV program.

In any case, the FUP youth cannot receive more than a total of 60 months of FUP youth voucher assistance, even if the FSS Contract of Participation time period extends beyond the voucher 60-month mark.
No FSS Program or Unable to Enroll in FSS

If a PHA does not carry out an FSS program or the FUP youth has been unable to enroll in the program during the first 36 months of receiving FUP assistance, the FUP youth is entitled to receive an extension of assistance for up to two successive 12-month periods beyond the 36-month time limit provided that the youth engaged in at least one of the education, workforce development, or employment activities described above for not less than nine months of the 12-month period preceding each extension. In order to meet the nine months out of the preceding 12 months requirement, the youth may have engaged in one of the education, workforce development, or employment activities described above or a combination of these activities.

Verification Prior to Annual Reexam

In order to provide an extension of assistance, the DCHA must verify compliance with the above requirements at the end of the 36-month time period and the 48-month time periods. The DCHA does not need to verify compliance with these requirements at the end of the 60-month time period since the maximum length of assistance is 60 months.

To verify compliance with the education, workforce development, or employment requirement or one of the statutory exceptions, the DCHA must provide the FUP youth written notification informing them that they may receive an extension of their FUP assistance and providing instructions on how the youth may demonstrate that they meet one of these conditions. This notification must be provided sufficiently in advance of the end of the 36-month or 48-month time periods, as applicable, to allow the FUP youth to demonstrate that they meet the education, workforce development, or employment requirement, or one of the statutory exceptions, and for the DCHA to conduct an annual reexamination prior to the expiration of the FUP assistance.

DCHA Policy

The DCHA will verify compliance with the education, workforce development, or employment requirement, or one of the statutory exceptions, at the end of the 36-month and 48-month time periods prior to the FUP youth’s scheduled annual reexamination. The DCHA will not verify compliance at the end of the 60-month time period.

The DCHA will provide each FUP youth on the DCHA’s program with a written notification informing them that they may receive an extension of their FUP assistance if they meet conditions outlined in this chapter and providing them with instructions on how they may demonstrate compliance at least 60 days prior to their scheduled annual reexam date. When necessary, the DCHA will provide this notification in a format accessible to FUP youth with disabilities and in a translated format for FUP youth with limited English proficiency in accordance with Chapter 2.
The DCHA will use the following verification methods to verify a FUP youth’s eligibility for voucher extensions:

To verify compliance with the FSS requirement, the DCHA will examine its records to confirm, or obtain confirmation from the DCHA’s FSS program staff, that the FUP youth participant is in compliance with FSS program requirements and has not been terminated from the FSS program.

To meet the education, workforce development, or employment requirement, the DCHA will verify that the FUP youth was engaged in at least one education, workforce development, or employment activity for at least nine months of the 12-month period immediately preceding the end of 36-month or 48-month time period, as applicable.

Due to the timing of when the DCHA verifies compliance and conducts the annual reexamination, the FUP youth may have not yet met the nine-month requirement but may be able to demonstrate that they will meet the nine-month requirement as of the end of the 36-month or 48-month time period. In such cases, the FUP/FYI youth will still be considered to have met the requirements.

In order for the FUP youth to meet one of the statutory exceptions described above, the youth must submit a certification to the DCHA that they meet one of these exceptions. This certification is the only documentation that the FUP youth must submit in order to demonstrate that they meet one of the statutory exceptions.

A FUP youth who received an extension of voucher assistance at the end of the 36-month time period based on meeting one of the conditions described in this chapter does not have to meet the same conditions when they reach the end of the 48-month time period. The FUP youth may demonstrate that they meet a different condition in order to receive an extension of their assistance.

If the DCHA determines that the youth meets one of the statutory conditions, the DCHA would then conduct an annual reexamination. If the annual reexamination determines that the youth is still eligible for the HCV program, the DCHA must provide the FUP youth the extension of voucher assistance.
Termination of Assistance for Failure to Meet Conditions

Failure of the FUP youth to meet one of the above conditions will only impact their ability to receive subsequent extensions of assistance. It will not serve as a basis for terminating the FUP assistance prior to the annual reexam.

If the FUP youth does not meet any of the conditions described in this chapter, the youth is subject to the statutory time limit of 36 months or the time limit of any extension that the youth has already received, and the FUP youth voucher must be terminated once the youth reaches this time limit. The calculation of the time limit begins from the date the first HAP contract is signed (for tenant-based vouchers) or from the date the youth entered into the initial lease agreement (for project-based vouchers). The number of months is calculated based on the number of months that HAP subsidy is being paid on behalf of the youth, not the number of months that the youth is in the FUP youth program. Prior to termination, the DCHA must offer the FUP youth the opportunity to request an informal hearing, in accordance with Chapter 16.
19-I.F. REFERRALS AND WAITING LIST MANAGEMENT

Referrals

The PCWA must establish and implement a system to identify FUP-eligible families and youths within the agency’s caseload and make referrals to the DCHA. The PCWA must certify that the FUP applicants they refer to the DCHA meet FUP eligibility requirements. The DCHA is not required to maintain full documentation that demonstrates the family’s or youth’s FUP eligibility as determined by the PCWA but should keep the referral or certification from the PCWA.

DCHA Policy

As part of the MOU, the DCHA and PCWA have identified staff positions to serve as lead FUP liaisons. These positions will be responsible for transmission and acceptance of FUP referrals. The PCWA must commit sufficient staff and resources to ensure eligible families and youths are identified and determined eligible in a timely manner.

When FUP vouchers are available, the DCHA liaison responsible for acceptance of referrals will contact the PCWA FUP liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than 10 business days from the date the PCWA receives this notification, the PCWA liaison will provide the DCHA with a list of eligible referrals include the name, address, and contact phone number for each adult individual who is being referred; a completed release form for each adult family member; and a written certification for each referral indicating the youth or family is FUP-eligible.

The DCHA will maintain a copy of the referral or certification from the PCWA in the participant’s file along with other eligibility paperwork.

A PHA must serve any referrals (youths or families) that meet all program eligibility requirements. If a PHA determines that it has received a sufficient number of referrals from the PCWA so that the PHA will be able to lease all FUP vouchers awarded, the PHA may request that the PCWA suspend transmission of referrals. If the DCHA determines that additional referrals will be needed after it has made such a request, the DCHA may request that the PCWA resume transmission of referrals [Notice PIH 2011-52].
Waiting List Placement

A family that is already participating in the regular HCV program cannot be transferred to a FUP voucher.

Once a referral is made, the DCHA must compare the list of PCWA referrals to its HCV waiting list to determine if any applicants on the PCWA’s referral list are already on the DCHA’s HCV waiting list. Applicants already on the DCHA’s HCV waiting list retain the order of their position on the list. Applicants not already on the DCHA’s HCV waiting list must be placed on the HCV waiting list.

If the DCHA’s HCV waiting list is closed, the DCHA must open its HCV waiting list in order to accept new FUP applicants. If necessary, the DCHA may open its waiting list solely for FUP applicants, but this information must be included in the DCHA’s notice of opening its waiting list (see section 4-II.C., Opening and Closing the Waiting List of this administrative plan).

DCHA Policy

Within 10 business days of receiving the referral from the PCWA, the DCHA will review the HCV waiting list and will send the PCWA a list confirming whether or not referrals are on the waiting list.

Referrals who are already on the list will retain their position and the list will be notated to indicate the family or youth is FUP-eligible.

For those referrals not already on the waiting list, the DCHA will work with the PCWA to ensure they receive and successfully complete a pre-application or application, as applicable. Once the pre-application or application has been completed, the DCHA will place the referral on the HCV waiting list with the date and time of the original referral and an indication that the referral is FUP-eligible.

Waiting List Selection

The DCHA selects FUP-eligible families or youths based on the DCHA’s regular HCV waiting list selection policies in Chapter 4, including any preferences that may apply.
19.IG. DCHA HCV ELIGIBILITY DETERMINATION

Once a FUP-eligible family or youth is selected from the HCV waiting list, the DCHA must determine whether the family or youth meets HCV program eligibility requirements. Applicants must be eligible under both FUP family or youth eligibility requirements, as applicable, and HCV eligibility requirements as outlined in Chapter 3 of this policy.

The PCWA may, but is not obligated to, provide information to the DCHA on the family’s criminal history.

**DCHA Policy**

Subject to privacy laws, the PCWA will provide any available information regarding the applicant’s criminal history to the DCHA.

The DCHA will consider the information in making its eligibility determination in accordance with the DCHA’s policies in Chapter 3, Part III.

**Additional FUP Eligibility Factors [FUP FAQs]**

For FUP family vouchers, the family must remain FUP-eligible thorough lease-up.

- If, after a family is referred by the PCWA but prior to issuing a family FUP voucher, the DCHA discovers that the lack of adequate housing is no longer a primary factor for the family not reunifying, the FUP voucher may not be issued to the family.

- Similarly, if the FUP voucher has already been issued before the DCHA discovers that the reunification will not happen, but the family has not yet leased up under the voucher, the DCHA must not execute the HAP contract, as the family is no longer FUP-eligible.

FUP-eligible youth must be no more than 24 years old both at the time of PCWA certification and at the time of the HAP execution. If a FUP youth is 24 at the time of PCWA certification but will turn 25 before the HAP contract is executed, the youth is no longer eligible for a FUP youth voucher.

**DCHA Policy**

Any applicant that does not meet the eligibility criteria for the HCV program listed in Chapter 3 or any eligibility criteria listed in this section will be notified by the DCHA in writing following policies in Section 3-III.F., including stating the reasons the applicant was found ineligible and providing an opportunity for an informal review.
19.I.H. LEASE UP [FR Notice 1/24/22]

Once the DCHA determines that the family or youth meets HCV eligibility requirements, the family or youth will be issued a FUP voucher in accordance with DCHA policies.

During the family briefing, DCHAs must inform the FUP youth of:

- The extension of assistance provisions and requirements;
- The availability of the FSS program and offer them an FSS slot, if available, or offer to place them on the FSS waiting list (provided the DCHA has an FSS program); and
- Supportive services available to them, the existence of any other programs or services, and their eligibility for such programs and services. However, participation in supportive services cannot be required as a condition of receiving FUP youth assistance.

DCHA Policy

Eligible applicants will be notified by the DCHA in writing following policies in Section 3-III.F. of this administrative plan. FUP families will attend a standard HCV briefing in accordance with DCHA policies in Part I of Chapter 5 of this administrative plan. FUP youth will be briefed individually. The DCHA will provide all aspects of the written and oral briefing as outlined in Part I of Chapter 5 but will also provide an explanation of the required items listed above, as well as discussing supportive services offered by the PCWA.

For both FUP youth and FUP families, vouchers will be issued in accordance with DCHA policies in Chapter 5 Part II, except that the DCHA will consider one additional 30-day extension beyond the first automatic extension for any reason, not just those listed in the policy in Section 5-II.E.

Once the family or youth locate a unit, the DCHA conducts all other processes relating to voucher issuance and administration per HCV program regulations and the DCHA’s policies (including, but not limited to: HQS inspection, determination of rent reasonableness, etc.).
19-I.I. TERMINATION OF ASSISTANCE

General Requirements

With the exception of terminations of assistance for FUP youth after the statutorily required time period, terminations of FUP assistance are handled in the same way as the regular HCV program. Termination of a FUP voucher must be consistent with regulations for termination in 24 CFR Part 982, Subpart L and be in compliance with DCHA policies (Chapter 12).

If the person who qualifies for the FUP voucher passes away, the family retains the FUP voucher. In the case of a FUP-youth voucher, assistance will terminate after the statutorily required time period, even if the FUP-eligible youth is no longer included in the household.

If the person who qualifies for the FUP voucher moves, the remaining family members may keep the FUP voucher based on DCHA policy (see administrative plan, Section 3-I.C., Family Breakup and Remaining Member of Tenant Family).

FUP Family Vouchers

If parents lose their parental rights or are separated from their children after voucher lease-up (or their children reach adulthood), the family is still eligible to keep their FUP assistance, as the regulations do not permit HCV termination for a family losing parental rights or the children reaching adulthood. However, the DCHA may transfer the assistance of a FUP family voucher holder to regular HCV assistance if there are no longer children in the household.

DCHA Policy

Depending on the availability of housing choice vouchers and FUP vouchers, the DCHA may transfer the assistance of a FUP family voucher holder to regular HCV assistance if there are no longer children in the household and there is no prospect of any minor child being returned to the household.

If the DCHA intends to transfer the assistance of the FUP family voucher holder to regular HCV assistance, but has no regular HCV vouchers available at the time this determination is made, including if no vouchers are available due to lack of funding, the DCHA will issue the family the next available regular HCV voucher after those being issued to families residing in PBV units claiming Choice Mobility.
FUP Youth Vouchers

A PHA cannot terminate a FUP youth’s assistance for noncompliance with PCWA case management, nor may the DCHA terminate assistance for a FUP youth for not accepting services from the PCWA.

The DCHA may not transfer the assistance of a FUP youth voucher holder to regular HCV assistance upon the expiration of the statutorily required time period. However, the DCHA may issue a regular HCV to FUP youth if they were selected from the waiting list in accordance with DCHA policies and may also adopt a preference for FUP youth voucher holders who are being terminated for this reason.

DCHA Policy

The DCHA will not provide a selection preference on the DCHA’s HCV waiting list for FUP youth who are terminated due to the time limit on assistance.

Upon the expiration of the statutorily required time period, a FUP youth voucher holder who has children and who lacks adequate housing may qualify for a FUP family voucher provided they are referred by the PCWA as an eligible family and meet the eligibility requirements for the DCHA’s HCV program.
9-I.J. FUP PORTABILITY

Portability for a FUP family or youth is handled in the same way as for a regular HCV family. A PHA may not restrict or deny portability for a FUP family or youth for reasons other than those specified in the HCV program regulations, as reflected in Chapter 10 of the administrative plan.

A FUP family or youth does not have to port to a jurisdiction that administers FUP.

If the receiving PHA administers the FUP voucher on behalf of the initial PHA, the voucher is still considered a FUP voucher regardless of whether the receiving PHA has a FUP program.

If the receiving PHA absorbs the voucher, the receiving PHA may absorb the incoming port into its FUP program (if it has one) or into its regular HCV program (if the receiving PHA has vouchers available to do so) and the family or youth become regular HCV participants. In either case, when the receiving PHA absorbs the voucher, a FUP voucher becomes available to the initial PHA.

Considerations for FUP Youth Vouchers

If the voucher is a FUP youth voucher and remains such upon lease-up in the receiving PHA’s jurisdiction, termination of assistance must still take place once the youth has received assistance for the statutorily required time period. If the receiving PHA is administering the FUP youth voucher on behalf of the initial PHA, the two PHAs must work together to initiate termination upon expiration of the statutorily required time period.

19-I.K. PROJECT-BASING FUP VOUCHERS [Notice PIH 2017-21; FR Notice 1/24/22]

The DCHA may project-base FUP vouchers without HUD approval in accordance with Notice PIH 2017-21, FR Notice 1/24/22, and all statutory and regulatory requirements for the PBV program. Project-based FUP vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A.

The DCHA may limit PBVs to one category of FUP-eligible participants (families or youth) or a combination of the two.

While FUP vouchers can be used for either families or youth, a PBV unit may only be counted towards the DCHA’s 10 percent exception authority under the program cap and the project’s income-mixing requirement if the FUP PBV assistance is provided on behalf of an eligible youth. The DCHA must amend its administrative plan to include the limitation of these FUP PBV units to eligible youth.

DCHA Policy

The DCHA will not project-base FUP vouchers. All FUP vouchers will be used to provide tenant-based assistance.
PART II: FOSTER YOUTH TO INDEPENDENCE INITIATIVE

19-II.A. PROGRAM OVERVIEW [Notice PIH 2020-28; Notice PIH 2021-26; FR Notice 1/24/22]

The Foster Youth to Independence (FYI) initiative was announced in 2019. The FYI initiative allows PHAs who partner with a Public Child Welfare Agency (PCWA) to request targeted HCVs to serve eligible youth with a history of child welfare involvement that are homeless or at risk of being homeless. Rental assistance and supportive services are provided to qualified youth for a period of between 36 and 60 months.

Funding is available either competitively though an FYI NOFA or noncompetitively on a rolling basis in accordance with the application requirements outlined in Notice PIH 2020-28 or Notice PIH 2021-26, as applicable. Under the noncompetitive process, PHAs are limited to 25 vouchers in a fiscal year with the ability to request additional vouchers for those PHAs with 90 percent or greater utilization or utilization of its FUP and/or FYI vouchers, as applicable. For competitive awards, the number of vouchers is dependent on PHA program size and need.
19-II.B. PARTNERING AGENCIES [Notice PIH 2021-26; FYI Updates and Partnering Opportunities Webinar]

Public Child Welfare Agency (PCWA)

The DCHA must enter into a partnership agreement with a PCWA in the DCHA’s jurisdiction in the form of a Memorandum of Understanding (MOU) or letter of intent. The PCWA is responsible for identifying and referring eligible youth to the DCHA and providing or securing a commitment for the provision of supportive services once youth are admitted to the program.

DCHA Policy

The DCHA will implement a Foster Youth to Independence (FYI) program in partnership with the Child and Family Services Agency (CFSA).

The PCWA is responsible for:

- Identifying FYI-eligible youth;
- Developing a system of prioritization based on the level of need of the youth and the appropriateness of intervention;
- Providing a written certification to the DCHA that the youth is eligible; and
- Providing or securing supportive services for 36 months.

Continuum of Care (CoC) and Other Partners

HUD strongly encourages PHAs to add other partners into the partnership agreement with the PCWA such as state, local, philanthropic, faith-based organizations, and the CoC, or a CoC recipient it designates.

DCHA Policy

In addition to the PCWA, the DCHA will implement the FYI program in partnership with District of Columbia Continuum of Care (COC)

19-ILC. YOUTH ELIGIBILITY CRITERIA [Notice PIH 2021-26; FYI Q&As; FYI FAQs]

The PCWA is responsible for certifying that the youth has prior qualifying foster care involvement. As determined by the PCWA, eligible youth:

- Are at least 18 years of age and not more than 24 years of age (have not yet reached their 25th birthday);
  - Youth must be no more than 24 years of age at the time the PCWA certifies them as eligible and at the time of HAP contract execution.
- Have left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act;
  - Placements can include, but are not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and pre-adoptive homes in accordance with 24 CFR 5.576;
• Are homeless or at risk of becoming homeless at age 16 and older;
  - *At risk of being homeless* is fully defined at 24 CFR 576.2.
    - This includes a person that is exiting a publicly funded institution, or system of care (such as a healthcare facility, a mental health facility, foster care or other youth facility, or correction program or institution). Therefore, youth being discharged from an institution may be eligible for an FYI voucher [FYI FAQs].

Eligibility is not limited to single persons. For example, pregnant and/or parenting youth are eligible to receive assistance assuming they otherwise meet eligibility requirements.
19-II.D. SUPPORTIVE SERVICES [Notice PIH 2021-26; FYI Updates and Partnering Opportunities Webinar; FYI Q&As]

Supportive services may be provided by the DCHA, PCWA or a third party. The PCWA must provide or secure a commitment to provide supportive services for participating youth for the period of time defined in the NOFA/O for which the funding was made available. At a minimum, the following supportive services must be offered:

- Basic life skills information/counseling on money management, use of credit, housekeeping, proper nutrition/meal preparation, and access to health care (e.g., doctors, medication, and mental and behavioral health services);
- Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance/referrals for assistance on security deposits, utility hook-up fees, and utility deposits;
- Providing such assurances to owners of rental property as are reasonable and necessary to assist eligible youth to rent a unit with a voucher;
- Job preparation and attainment counseling (where to look/how to apply, dress, grooming, relationships with supervisory personnel, etc.); and
- Educational and career advancement counseling regarding attainment of general equivalency diploma (GED) or attendance/financing of education at a technical school, trade school, or college, including successful work ethic and attitude models.

**DCHA Policy**

Additional supportive services may be offered.

Since participation in supportive services is optional, but strongly encouraged, an FYI participant may decline supportive service.
Referrals

The PCWA is responsible for certifying that the youth has prior qualifying foster care involvement. Once the PCWA sends the DCHA the referral certifying the youth is program-eligible, the DCHA determines HCV eligibility.

The PCWA must have a system for identifying eligible youth within the agency’s caseload and reviewing referrals from other partners, as applicable. The PCWA must also have a system for prioritization of referrals to ensure that youth are prioritized for an FYI voucher based upon their level of need and appropriateness of the intervention.

Referrals may come from other organizations in the community who work with the population, but the PCWA must certify that the youth meets eligibility requirements, unless the PCWA has vested another organization with this authority.

The DCHA is not required to maintain full documentation that demonstrates the youth’s eligibility as determined by the PCWA but should keep the referral or certification from the PCWA. The PCWA is not required to provide the DCHA with HCV eligibility documents.

DCHA Policy

The DCHA and PCWA have identified staff positions to serve as lead FYI liaisons. These positions will be responsible for transmission and acceptance of referrals. The PCWA must commit sufficient staff and resources to ensure eligible youths are identified, prioritized, and determined eligible in a timely manner.

When vouchers are available, the DCHA liaison responsible for acceptance of referrals will contact the PCWA liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than 10 business days from the date the PCWA receives this notification, the PCWA liaison must provide the DCHA with a list of eligible referrals, a completed release form, and a written certification for each referral indicating the referral is eligible. The list will include the name, address, and contact phone number for each adult individual who is being referred.

The DCHA will maintain a copy of each certification from the PCWA in the participant’s file along with other eligibility paperwork.
Waiting List Placement [Notice PIH 2021-26 and FYI FAQs]

The DCHA must use the HCV waiting list for the FYI program. Youth already on the HCV program may not be transferred to an FYI voucher since they are not homeless or at-risk of homelessness.

Once a referral is made, the DCHA must compare the list of PCWA referrals to its HCV waiting list to determine if any applicants on the PCWA’s referral list are already on the DCHA’s HCV waiting list. Applicants already on the DCHA’s HCV waiting list retain the order of their position on the list. Applicants not already on the DCHA’s HCV waiting list must be placed on the HCV waiting list.

If the DCHA’s HCV waiting list is closed, the DCHA must open its HCV waiting list in order to accept new referrals. The DCHA may reopen the waiting list to accept an FYI eligible youth without opening the waiting list for other applicants; however, the requirements at 24 CFR 982.206 for giving public notice when opening and closing the waiting list apply (see section 4-II.C., Opening and Closing the Waiting List of this administrative plan).

**DCHA Policy**

Within 10 business days of receiving the referral from the PCWA, the DCHA will review the HCV waiting list and will send the PCWA a list confirming whether or not referrals are on the waiting list.

Referrals who are already on the list will retain their position and the list will be notated to indicate the applicant is FYI-eligible.

For those referrals not already on the waiting list, the DCHA will work with the PCWA to ensure they receive and successfully complete a pre-application or application, as applicable. Once the pre-application or application has been completed, the DCHA will place the referral on the HCV waiting list with the date and time of the original referral and an indication that the referral is FYI-eligible.

**Waiting List Selection**

The DCHA selects eligible youths based on the DCHA’s regular HCV waiting list selection policies in Chapter 4, including any preferences that may apply.
19-II.F. DCHA HCV ELIGIBILITY DETERMINATION [FYI FAQs]

Once an eligible youth is selected from the HCV waiting list, the DCHA must determine whether the youth meets HCV program eligibility requirements. Applicants must be eligible under both FYI eligibility requirements and HCV eligibility requirements as outlined in Chapter 3 of this policy.

The PCWA may, but is not obligated to, provide information to the DCHA on the youth’s criminal history.

DCHA Policy

Subject to privacy laws, the PCWA will provide any available information regarding the applicant’s criminal history to the DCHA.

The DCHA will consider the information in making its eligibility determination in accordance with the DCHA’s policies in Chapter 3, Part III.

Additional Eligibility Factors

Youth must be no more than 24 years old both at the time of PCWA certification and at the time of the HAP execution. If a youth is 24 at the time of PCWA certification but will turn 25 before the HAP contract is executed, the youth is no longer eligible for a FYI voucher.

DCHA Policy

Any applicant that does not meet the eligibility criteria for the HCV program listed in Chapter 3 or any eligibility criteria listed in this section will be notified by the DCHA in writing following policies in Section 3-III.F, including stating the reasons the applicant was found ineligible and providing an opportunity for an informal review.
19-II.G. LEASE UP [FR Notice 1/24/22]

Once the DCHA determines that the family or youth meets HCV eligibility requirements, the youth will be issued an FYI voucher in accordance with DCHA policies.

During the family briefing, PHAs must inform the FYI voucher holder of:

- The extension of assistance provisions and requirements;
- The availability of the FSS program and offer them an FSS slot, if available, or offer to place them on the FSS waiting list (provided the DCHA has an FSS program); and
- The supportive services available to them, the existence of any other programs or services, and their eligibility for such programs and services. However, participation in supportive services cannot be required as a condition of receiving FYI assistance.

DCHA Policy

Eligible applicants will be notified by the DCHA in writing following policies in Section 3-III.F. of this policy. FYI youth will be briefed individually. The DCHA will provide all aspects of the written and oral briefing as outlined in Part I of Chapter 5.

Vouchers will be issued in accordance with DCHA policies in Chapter 5, Part II, except that the DCHA will consider one additional 30-day extension beyond the first automatic extension for any reason, not just those listed in the policy in Section 5-II.E.

Once the youth locates a unit, the DCHA conducts all other processes relating to voucher issuance and administration per HCV program regulations and the DCHA policy in Chapter 9.

Should a youth fail to use the voucher, the DCHA may issue the voucher to another eligible youth if one has been identified [Notice PIH 2021-26].

Turnover [FYI FAQs]

For PHAs awarded FYI Tenant Protection Vouchers (TPVs) under Notice PIH 2019-20 where the recipient of the FYI TPV leaves the program, the DCHA may request an FYI voucher under the requirements of Notice PIH 2021-26.

For PHAs awarded FYI vouchers under Notices PIH 2020-28 and PIH 2021-26, where the recipient of the FYI voucher leaves the program, the DCHA must continue to use the FYI voucher for eligible youth upon turnover. Where there are more eligible youth than available FYI turnover vouchers, the DCHA may request an FYI voucher under the requirements of Notice PIH 2021-26. If another eligible youth is not available, the DCHA must notify HUD, and HUD will reduce the DCHA’s HCV assistance to account for the removal of the FYI assistance from the DCHA’s HCV baseline.
19-II.H. MAXIMUM ASSISTANCE PERIOD [Notice PIH 2021-26 and FYI FAQs; FR Notice 1/24/22]

Vouchers are limited by statute to a total of between 36 months and 60 months of housing assistance. At the end of the statutory time period, assistance must be terminated. However, any period of time for which no subsidy (HAP) is being paid on behalf of the youth does not count toward the limitation. It is not permissible to reissue another FYI TPV to the same youth upon expiration of their FYI assistance.

Participants do not “age out” of the program. A participant may continue with the program until they have received the period of assistance for which they are eligible. Age limits are only applied for entry into the program.

Extension of Assistance

FYI voucher holders who first leased or lease a unit after December 27, 2020, may be eligible for an extension of assistance up to 24 months beyond the 36-month time limit (for a total of 60 months of assistance).

While FYI voucher holders cannot be required to participate in the Family Self-Sufficiency (FSS) program as a condition of receipt of assistance, an eligible youth who participates in the FSS program and is in compliance with the applicable terms and conditions of the program is entitled to receive assistance for up to an additional 24 months. A FYI voucher holders must accept an FSS slot if it is offered to them prior to the 36-month mark in order to receive an extension of assistance (unless the youth meets one of the statutory exceptions described below).

Statutory Exceptions

FYI voucher holders will be entitled to receive an extension of assistance for up to 24 months beyond the 36-month time limit without participating in the DCHA’s FSS program if they certify that they meet one of the exceptions below:

- The FYI voucher holder is a parent or other household member responsible for the care of a dependent child under the age of six or for the care of an incapacitated person.

**DCHA Policy**

As defined under the Code of the District of Columbia 21-2401.2, the DCHA defines *incapacitated person* as an adult for whom a guardian has been appointed.

The DCHA will apply this exception in a manner that provides extensions of FYI assistance to the broadest population possible consistent with the statutory requirements.

The FYI voucher holder will be required to self-certify that they meet this exception on a DCHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

The child or incapacitated person is not required to reside in the household in order for the FYI voucher holder to certify they meet this exception. For example, a child in a joint custody arrangement under the age of six who resides in the household only part time may qualify the FYI voucher holder for this exception.
• The FYI voucher holder is a person who is regularly and actively participating in a drug addiction or alcohol treatment and rehabilitation program.

  **DCHA Policy**

  The DCHA will define *regular and active participation* in a manner that provides extensions of FYI voucher holder assistance to the broadest population possible consistent with the statutory requirements.

  The FYI voucher holder will be required to self-certify that they meet this exception on a DCHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

• The FYI voucher holder is a person who is incapable of complying with the requirement to participate in a FSS program as described above or engage in education, workforce development, or employment activities as described below, as applicable, due to a documented medical condition.

  **DCHA Policy**

  The DCHA will apply this requirement in a manner that provides extensions of FYI voucher holder assistance to the broadest population possible consistent with statutory requirements.

  The FYI voucher holder will be required to self-certify that they meet this exception on a DCHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

An FYI voucher holder that meets one of the above exceptions must still be offered an opportunity to enroll in the DCHA’s FSS program (if it is available to them) and receive any supportive services available to FYI voucher holders. An FYI voucher holder may choose to participate in an FSS program or engage in education, workforce development, or employment activities, even if they meet one of the above statutory exceptions.
Education, Workforce Development, or Employment Activities

If a DCHA that carries out an FSS program is unable to offer a FYI voucher holder an FSS slot during their first 36 months of receiving FYI assistance, the FYI voucher holder is considered to have been “unable to enroll” in the program and may have their voucher extended by meeting the education, workforce development, or employment criteria described below:

- The FYI voucher holder was engaged in obtaining a recognized postsecondary credential or a secondary school diploma or its recognized equivalent.

**DCHA Policy**

The DCHA will use the definitions of *recognized postsecondary credential* and *secondary school diploma or its recognized equivalent* under the Workforce Innovation and Opportunity Act (WIOA). WIOA defines a *recognized postsecondary credential* as a credential consisting of an industry-recognized certificate or certification, a certificate of completion of an apprenticeship, a license recognized by the state involved or federal government, or an associate or baccalaureate degree (29 U.S.C. 3102). Examples of a recognized postsecondary credential include, but are not limited to, an associate’s degree, bachelor’s degree, occupational licensure, or occupational certification (see U.S. Department of Labor, Training and Employment Guidance Letter No. 10–16, Change 1). For the purpose of WIOA, the U.S. Department of Labor defines a *secondary school diploma or its recognized equivalent* as a secondary school diploma (or alternate diploma) that is recognized by a state and that is included for accountability purposes under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA). A secondary school equivalency certification signifies that a student has completed the requirement for a high school education. Examples of a secondary school diploma or its recognized equivalent include, but are not limited to, obtaining certification of attaining passing scores on a state-recognized high school equivalency test, earning a secondary school diploma or state-recognized equivalent, or obtaining certification of passing a state-recognized competency-based assessment.

- The FYI voucher holder was enrolled in an *institution of higher education*, as such term is defined in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)) or an institution that meets the definition of a *proprietary institution of higher education* or a *postsecondary vocational institution* under sections 102(b)(1) and (c)(1) of the Higher Education Act of 1965 (20 U.S.C. 1002(b)(1) and (c)(1)), respectively.

**DCHA Policy**

The FYI voucher holder must be enrolled in education activities on at least a half-time basis, as defined by the institution which they attend. However, the DCHA may make exceptions to this requirement if the FYI voucher holder is unable to enroll in a sufficient number of classes due to a lack of course offerings by the educational institution where they are enrolled.
• The FYI voucher holder was participating in a career pathway, as such term is defined in Section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102).

• The FYI voucher holder was employed.

DCHA Policy

The DCHA will consider the FYI voucher holder to be employed if they work a minimum of 20 hours per week. The DCHA may make exceptions to this requirement if the FYI voucher holder’s hours are reduced due to circumstances beyond their control or the FYI voucher holder must temporarily reduce their work hours due to a verified family emergency.

FSS Enrollment at 24 Months

If the FYI voucher holder has not been provided an opportunity to enroll in the FSS program during the first 24 months of FYI assistance, HUD encourages the DCHA to remind the FYI voucher holder at the 24-month reexamination of the education, workforce development, and employment requirements described above so that they have enough time to meet these requirements prior to the expiration of the 36-month time period for FYI assistance.

DCHA Policy

If the FYI voucher holder has not been provided an opportunity to enroll in the FSS program during the first 24 months of FYI assistance, the DCHA will remind the FYI voucher holder at their second regular reexam of the education, workforce development, and employment requirements described above.

FSS Enrollment Between 36 and 48 Months

If an FSS slot becomes available between the 36-month and 48-month mark:

• The DCHA must offer the slot to an FYI voucher holder who had their voucher extended based on meeting the education, workforce development, or employment requirement listed above, or one of the statutory exceptions listed above (even if the FYI voucher holder previously declined an FSS slot because they met one of the statutory exceptions).

• The DCHA must work with the FYI voucher holder to determine whether enrollment in FSS is feasible and in their best interest given any education, workforce development, or employment activities that the FYI voucher holder is engaged in and any statutory exceptions that apply to the FYI voucher holder, as well as the remaining time on their voucher.

• If the FYI voucher holder accepts the FSS slot, the DCHA must work with them to establish Contract of Participation goals and an Individual Training and Services Plan (ITSP) that can be accomplished within the time period left on the voucher.
If the FYI voucher holder is offered an FSS slot prior to the 36-month mark, the FYI voucher holder:

- Will be required to enroll in the FSS program in order to receive an extension of assistance at the end of the 36-month time period (unless they meet one of the statutory exceptions described above).
- Will not be considered to have been “unable to enroll” in the FSS program, and as a result, will not be eligible to receive an extension of assistance based on meeting the education, workforce development, or employment requirements described above.

**FSS Enrollment After 48 Months**

The DCHA may, but is not required, to offer an FYI voucher holder an FSS slot that becomes available between the 48-month mark and the 60-month mark, since the FYI voucher holder will have already received their second and final extension.

**DCHA Policy**

If an FSS slot becomes available between the 48 and 60-month marks, the DCHA will not offer the FSS slot to an FYI voucher holder.

**Extensions of Assistance**

At the 36-month and 48-month reexamination, the DCHA must extend FYI assistance if the FYI voucher holder is participating in and in compliance with the FSS program as long as the FYI voucher holder is still eligible for the HCV program.

In any case, the FYI voucher holder cannot receive more than a total of 60 months of FYI assistance even if the FSS Contract of Participation time period extends beyond the voucher 60-month mark.

**No FSS Program or Unable to Enroll in FSS**

If a PHA does not carry out an FSS program or the FYI voucher holder has been unable to enroll in the program during the first 36 months of receiving FYI assistance, the FYI voucher holder is entitled to receive an extension of assistance for up to two successive 12-month periods beyond the 36-month time limit provided that the FYI voucher holder engaged in at least one of the education, workforce development, or employment activities described above for not less than nine months of the 12-month period preceding each extension. In order to meet the nine months out of the preceding 12 months requirement, the FYI voucher holder may have engaged in one of the education, workforce development, or employment activities described above or a combination of these activities.
Verification Prior to Annual Reexam

In order to provide an extension of assistance, the DCHA must verify compliance with the above requirements at the end of the 36-month time period and the 48-month time periods. The DCHA does not need to verify compliance with these requirements at the end of the 60-month time period since the maximum length of assistance is 60 months.

To verify compliance with the education, workforce development, or employment requirement or one of the statutory exceptions, the DCHA must provide the FYI voucher holder written notification informing them that they may receive an extension of their FYI assistance and providing instructions on how the FYI voucher holder may demonstrate that they meet one of these conditions. This notification must be provided sufficiently in advance of the end of the 36-month or 48-month time periods, as applicable, to allow the FYI voucher holder to demonstrate that they meet the education, workforce development, or employment requirement, or one of the statutory exceptions, and for the DCHA to conduct an annual reexamination prior to the expiration of the FYI assistance.
DCHA Policy

The DCHA will verify compliance with the education, workforce development, or employment requirement, or one of the statutory exceptions, at the end of the 36-month and 48-month time periods prior to the FYI voucher holder’s scheduled annual reexamination. The DCHA will not verify compliance at the end of the 60-month time period.

The DCHA will provide each FYI voucher holder on the DCHA’s program with a written notification informing them that they may receive an extension of their FYI assistance if they meet conditions outlined in this chapter and providing them with instructions on how they may demonstrate compliance at least 60 days prior to their scheduled annual reexam date. When necessary, the DCHA will provide this notification in a format accessible to FYI voucher holders with disabilities and in a translated format for FYI voucher holders with limited English proficiency in accordance with Chapter 2.

The DCHA will use the following verification methods to verify an FYI voucher holder’s eligibility for voucher extensions:

To verify compliance with the FSS requirement, the DCHA will examine its records to confirm, or obtain confirmation from the DCHA’s FSS program staff, that the FYI participant is in compliance with FSS program requirements and has not been terminated from the FSS program.

To meet the education, workforce development, or employment requirement, the DCHA will verify that the FYI voucher holder was engaged in at least one education, workforce development, or employment activity for at least nine months of the 12-month period immediately preceding the end of the 36-month or 48-month time period, as applicable.

Due to the timing of when the DCHA verifies compliance and conducts the annual reexamination, the FYI voucher holder may have not yet met the nine-month requirement but may be able to demonstrate that they will meet the nine-month requirement as of the end of the 36-month or 48-month time period. In such cases, the FYI voucher holder will still be considered to have met the requirements.

In order for the FYI voucher holder to meet one of the statutory exceptions described above, the FYI voucher holder must submit a certification to the DCHA that they meet one of these exceptions. This certification is the only documentation that the FYI voucher holder must submit in order to demonstrate that they meet one of the statutory exceptions.

An FYI voucher holder who received an extension of voucher assistance at the end of the 36-month time period based on meeting one of the conditions described in this chapter does not have to meet the same conditions when they reach the end of the 48-month time period. The FYI voucher holder may demonstrate that they meet a different condition in order to receive an extension of their assistance.
If the DCHA determines that the FYI voucher holder meets one of the statutory conditions, the DCHA would then conduct an annual reexamination. If the annual reexamination determines that the FYI voucher holder is still eligible for the HCV program, the DCHA must provide the FYI voucher holder the extension of voucher assistance.

**Termination of Assistance for Failure to Meet Conditions**

Failure of the FYI voucher holder to meet one of the above conditions will only impact their ability to receive subsequent extensions of assistance. It will not serve as a basis for terminating the FYI assistance prior to the annual reexam.

If the FYI voucher holder does not meet any of the statutory conditions described in this chapter, the youth is subject to the statutory time limit of 36 months or the time limit of any extension that the youth has already received, and the FYI voucher must be terminated once they reach this time limit. The calculation of the time limit begins from the date the first HAP contract is signed (for tenant-based vouchers) or from the date the FYI voucher holder entered into the initial lease agreement (for project-based vouchers). The number of months is calculated based on the number of months that HAP subsidy is being paid on behalf of the FYI voucher holder, not the number of months that they are in the FYI program. Prior to termination, the DCHA must offer the FYI voucher holder the opportunity to request an informal hearing, in accordance with Chapter 16.

**19-III. TERMINATION OF ASSISTANCE [FYI FAQs]**

Termination of a FYI voucher is handled in the same way as with any HCV; therefore, termination of a FYI voucher must be consistent with HCV regulations at 24 CFR Part 982, Subpart L and DCHA policies in Chapter 12. Given the statutory time limit that requires FYI vouchers to sunset, a PHA must terminate the youth’s assistance once the limit on assistance has expired.

A PHA cannot terminate a FYI youth’s assistance for noncompliance with PCWA case management, nor may the DCHA terminate assistance for a FYI youth for not accepting services from the PCWA.

The DCHA may not transfer the assistance of FYI voucher holders to regular HCV assistance upon the expiration of the limit on assistance. However, the DCHA may issue a regular HCV to FYI voucher holders if they were selected from the waiting list in accordance with DCHA policies. The DCHA may also adopt a waiting list preference for FYI voucher holders who are being terminated for this reason.

**DCHA Policy**

The DCHA will not provide a selection preference on the DCHA’s HCV waiting list for FYI voucher holders who are terminated due to the time limit on assistance.
19-II.J. PORTABILITY [FYI FAQs]

Portability for an FYI youth is handled in the same way as for a regular HCV family. A PHA may not restrict or deny portability for an FYI youth for reasons other than those specified in the HCV program regulations, as reflected in Chapter 10 of the administrative plan.

An FYI youth does not have to port to a jurisdiction that administers FYI vouchers.

If the receiving PHA absorbs the voucher, the DCHA may absorb the youth into its regular HCV program if it has vouchers available to do so. If the receiving DCHA absorbs the youth into its regular HCV program, that youth becomes a regular HCV participant with none of the limitations of an FYI voucher.

The initial and receiving PHA must work together to initiate termination of assistance upon expiration of the time limit on assistance.

19-II.K. PROJECT-BASING FYI VOUCHERS [FYI FAQs; FR Notice 1/24/22]

The DCHA may project-base certain FYI vouchers without HUD approval in accordance with all applicable PBV regulations and DCHA policies in Chapter 17. This includes FYI vouchers awarded under Notices PIH 2020-28 and PIH 2021-26. Assistance awarded under Notice PIH 2019-20 is prohibited from being project-based.

**DCHA Policy**

The DCHA will not project-base FYI vouchers. All FYI vouchers will be used to provide tenant-based assistance.
PART III: VETERANS AFFAIRS SUPPORTIVE HOUSING (VASH) PROGRAM

19-III.A. OVERVIEW

Since 2008, HCV program funding has provided rental assistance under a supportive housing program for homeless veterans. The Veterans Affairs Supportive Housing (VASH) program combines HCV rental assistance with case management and clinical services provided by the Department of Veterans Affairs (VA) at VA medical centers (VAMCs) and Community-Based Outpatient Clinics (CBOCs), or through a designated service provider (DSP) as approved by the VA Secretary. Eligible families are homeless veterans and their families that agree to participate in VA case management and are referred to the VAMC’s partner PHA for HCV assistance. The VAMC or DSP’s responsibilities include:

- Screening homeless veterans to determine whether they meet VASH program participation criteria;
- Referring homeless veterans to the PHA;
  - The term homeless veteran means a veteran who is homeless (as that term is defined in subsection (a) or (b) of Section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302)). See 38 U.S.C. 2002.
- Providing appropriate treatment and supportive services to potential VASH participants, if needed, prior to PHA issuance of a voucher;
- Providing housing search assistance to VASH participants;
- Identifying the social service and medical needs of VASH participants, and providing or ensuring the provision of regular ongoing case management, outpatient health services, hospitalization, and other supportive services as needed throughout the veterans’ participation period; and
- Maintaining records and providing information for evaluation purposes, as required by HUD and the VA.

VASH vouchers are awarded noncompetitively based on geographic need and PHA administrative performance. Eligible PHAs must be located within the jurisdiction of a VAMC and in an area of high need based on data compiled by HUD and the VA. When Congress funds a new allocation of VASH vouchers, HUD invites eligible PHAs to apply for a specified number of vouchers.

Generally, the HUD-VASH program is administered in accordance with regular HCV program requirements. However, HUD is authorized to waive or specify alternative requirements to allow PHAs to effectively deliver and administer VASH assistance. Alternative requirements are established in the HUD-VASH Operating Requirements, which were originally published in the Federal Register on May 6, 2008, and updated September 27, 2021. Unless expressly waived by HUD, all regulatory requirements and HUD directives regarding the HCV program are applicable to VASH vouchers, including the use of all HUD-required contracts and other forms, and all civil rights and fair housing requirements. In addition, the PHA may request additional
statutory or regulatory waivers that it determines are necessary for the effective delivery and administration of the program.

The VASH program is administered in accordance with applicable Fair Housing requirements since civil rights requirements cannot be waived under the program. These include applicable authorities under 24 CFR 5.105(a) and 24 CFR 982.53 including, but not limited to, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act, and the Age Discrimination Act and all PHA policies as outlined in Chapter 2 of this document.

When HUD-VASH recipients include veterans with disabilities or family members with disabilities, reasonable accommodation requirements in Part II of Chapter 2 of this policy apply.

19-III.B. REFERRALS [FR Notice 9/27/21 and HUD-VASH Qs and As]

VAMC case managers will screen all families in accordance with VA screening criteria and refer eligible families to the PHA for determination of program eligibility and voucher issuance. The PHA has no role in determining or verifying the veteran’s eligibility under VA screening criteria, including determining the veteran’s homelessness status. The PHA must accept referrals from the partnering VAMC and must maintain written documentation of referrals in VASH tenant files. Upon turnover, VASH vouchers must be issued to eligible veteran families as identified by the VAMC.

DCHA Policy

In order to expedite the screening process, the DCHA will provide all forms and a list of documents required for the VASH application to the VAMC. Case managers will work with veterans to fill out the forms and compile all documents prior to meeting with the DCHA and submitting an application. When feasible, the VAMC case manager should email or fax copies of all documents to the DCHA prior to the meeting in order to allow the DCHA time to review them and start a file for the veteran.

After the VAMC has given the DCHA a complete referral, the DCHA will perform an eligibility screening within five business days of receipt of a VAMC referral.
19-III.C. HCV PROGRAM ELIGIBILITY [FR Notice 9/27/21]

Eligible participants are homeless veterans and their families who agree to participate in case management from the VAMC.

- A **VASH Veteran** or **veteran family** refers to either a single veteran or a veteran with a household composed of two or more related persons. It also includes one or more eligible persons living with the veteran who are determined to be important to the veteran’s care or well-being.

- A veteran for the purpose of VASH is a person whose length of service meets statutory requirements, and who served in the active military, naval, or air service, was discharged or released under conditions other than dishonorable, and is eligible for VA health care.

Under VASH, PHAs do not have authority to determine family eligibility in accordance with HCV program rules and DCHA policies. The only reasons for denial of assistance by the DCHA are failure to meet the income eligibility requirements and/or that a family member is subject to a lifetime registration requirement under a state sex offender registration program. Under portability, the receiving PHA must also comply with these VASH screening requirements.

**Social Security Numbers**

When verifying Social Security numbers (SSNs) for homeless veterans and their family members, an original document issued by a federal or state government agency, which contains the name and SSN of the individual along with other identifying information of the individual, is acceptable in accordance with Section 7-II.B. of this policy.

In the case of the homeless veteran, the DCHA must accept the Certificate of Release or Discharge from Active Duty (DD-214) or the VA-verified Application for Health Benefits (10-10EZ) as verification of SSN and cannot require the veteran to provide a Social Security card. A VA-issued identification card may also be used to verify the SSN of a homeless veteran.

**Proof of Age**

The DD-214 or 10-10EZ must be accepted as proof of age in lieu of birth certificates or other DCHA-required documentation as outlined in Section 7-II.C. of this policy. A VA-issued identification card may also be used to verify the age of a homeless veteran.

**Photo Identification**

A VA-issued identification card must be accepted in lieu of another type of government-issued photo identification. These cards also serve as verification of SSNs and date of birth.
Income Eligibility

The DCHA must determine income eligibility for VASH families in accordance with 24 CFR 982.201 and policies in Section 3-II.A. If the family is over-income based on the most recently published income limits for the family size, the family will be ineligible for HCV assistance.

While income-targeting does not apply to VASH vouchers, the DCHA may include the admission of extremely low-income VASH families in its income targeting numbers for the fiscal year in which these families are admitted.

DCHA Policy

While income-targeting requirements will not be considered by the DCHA when families are referred by the partnering VAMC, the DCHA will include any extremely low-income VASH families that are admitted in its income targeting numbers for the fiscal year in which these families are admitted.

Screening

The DCHA may not screen any potentially eligible family members or deny assistance for any grounds permitted under 24 CFR 982.552 and 982.553 with one exception: the PDCHA is still required to prohibit admission if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program. Accordingly, with the exception of denial for registration as a lifetime sex offender under state law and PDCHA policies on how sex offender screenings will be conducted, PDCHA policy in Sections 3-III.B. through 3-III.E. do not apply to VASH. The prohibition against screening families for anything other than lifetime sex offender status applies to all family members, not just the veteran.

If a family member is subject to lifetime registration under a state sex offender registration program, the remaining family members may be served if the family agrees to remove the sex offender from its family composition. This is true unless the family member subject to lifetime registration under a state sex offender registration program is the homeless veteran, in which case the family would be denied admission to the program [New HCV GB, HUD-VASH, p. 6].

Denial of Assistance [Notice PIH 2008-37]

Once a veteran is referred by the VAMC, the DCHA must either issue a voucher or deny assistance. If the DCHA denies assistance, it must provide the family with prompt notice of the decision and a brief statement of the reason for denial in accordance with Section 3-III.F. Like in the standard HCV program, the family must be provided with the opportunity for an informal review in accordance with policies in Section 3-III.F. In addition, a copy of the denial notice must be sent to the VAMC case manager.
19-III.D. CHANGES IN FAMILY COMPOSITION

Adding Family Members [FR Notice 9/27/21]

When adding a family member after the family has been admitted to the program, DCHA policies in Section 3-II.B. apply. Other than the birth, adoption, or court-awarded custody of a child, the DCHA must approve additional family members and will apply its regular screening criteria in doing so.

Remaining Family Members [HUD-VASH Qs and As]

If the homeless veteran dies while the family is being assisted, the voucher would remain with the remaining members of the tenant family. The DCHA may use one of its own regular vouchers, if available, to continue assisting this family and free up a VASH voucher for another VASH-eligible family. If a regular voucher is not available, the family would continue utilizing the VASH voucher. Once the VASH voucher turns over, however, it must go to a homeless veteran family.

Family Break Up [HUD-VASH Qs and As]

In the case of divorce or separation, since the set-aside of VASH vouchers is for veterans, the voucher must remain with the veteran. This overrides the DCHA’s policies in Section 3-I.C. on how to determine who remains in the program if a family breaks up.
19-III.E. LEASING [FR Notice 9/27/21]

Waiting List

The DCHA does not have the authority to maintain a waiting list or apply local preferences for HUD–VASH vouchers. Policies in Chapter 4 relating to applicant selection from the waiting list, local preferences, special admissions, cross-listing, and opening and closing the waiting list do not apply to VASH vouchers.

Exception Payment Standards

To assist VASH participants in finding affordable housing, especially in competitive markets, HUD allows PHAs to establish a HUD-VASH exception payment standard. PHAs may go up to but no higher than 120 percent of the published area-wide fair market rent (FMR) or small area fair market rent (SAFMR) specifically for VASH families. PHAs who want to establish a VASH exception payment standard over 120 percent must still request a waiver from HUD through the regular waiver process outlined in Notice PIH 2018-16.

Voucher Issuance

Unlike the standard HCV program which requires an initial voucher term of at least 60 days, VASH vouchers must have an initial search term of at least 120 days. DCHA policies on extensions as outlined in Section 5-II.E. will apply.

DCHA Policy

All VASH vouchers will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period unless the DCHA grants an extension.

The DCHA must track issuance of HCVs for families referred by the VAMC or DSP in PIC as required in Notice PIH 2011-53.

Initial Lease Term

Unlike in the standard the HCV program, VASH voucher holders may enter into an initial lease that is for less than 12 months. Accordingly, DCHA policy in Section 9-I.E., Term of Assisted Tenancy, does not apply.

Ineligible Housing [FR Notice 6/18/14]

Unlike in the standard HCV program, VASH families are permitted to live on the grounds of a VA facility in units developed to house homeless veterans. This applies to both tenant-based assistance and PBV. Therefore, 24 CFR 982.352(a)(5) and 983.53(a)(2), which prohibit units on the physical grounds of a medical, mental, or similar public or private institution, do not apply to VASH for this purpose only. Accordingly, DCHA policy in 9-I.D., Ineligible Units, does not apply for this purpose only.
HQS Pre-Inspections

To expedite the leasing process, PHAs may pre-inspect available units that veterans may be interested in leasing in order to maintain a pool of eligible units. If a VASH family selects a unit that passed an HQS inspection (without intervening occupancy) within 45 days of the date of the Request for Tenancy Approval (Form HUD-52517), the unit may be approved if it meets all other conditions under 24 CFR 982.305. However, the veteran must be free to select their unit and cannot be steered to these units.

**DCHA Policy**

To expedite the leasing process, the DCHA may pre-inspect available units that veterans may be interested in leasing to maintain a pool of eligible units. If a VASH family selects a unit that passed a HQS pre-inspection (without intervening occupancy) within 45 days of the date of the RTA, the unit may be approved provided that it meets all other conditions under 24 CFR 982.305. The veteran will be free to select their unit.

When a pre-inspected unit is not selected, the DCHA will make every effort to fast-track the inspection process, including adjusting the normal inspection schedule for both initial and any required reinspections.

General Requirements

Portability policies under VASH depend on whether the family wants to move within or outside of the initial VA facility’s catchment area (the area in which the VAMC or DSP operates). In all cases, the initial VA facility must be consulted prior to the move and provide written confirmation that case management will continue to be provided in the family’s new location. VASH participant families may only reside in jurisdictions that are accessible to case management services, as determined by case managers at the partnering VAMC or DSP.

Under VASH, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial PHA when they applied. As a result, DCHA policies in Section 10-II.B. about nonresident applicants do not apply.

If the family no longer requires case management, there are no portability restrictions. Normal portability rules apply.

Portability within the Initial VAMC or DSP’s Catchment Area

A VASH family can move within the VAMC’s catchment area as long as case management can still be provided, as determined by the VA. If the initial PHA’s partnering VAMC will still provide the case management services, the receiving PHA must process the move in accordance with portability procedures:

- If the receiving PHA has been awarded VASH vouchers, it can choose to either bill the initial PHA or absorb the family if it has a VASH voucher available to do so.
  - If the PHA absorbs the family, the VAMC or DSP providing the initial case management must agree to the absorption and the transfer of case management.

- If the receiving PHA does not administer a VASH program, it must always bill the initial PHA.

Portability Outside of the Initial VAMC or DSP’s Catchment Area

If a family wants to move to another jurisdiction where it will not be possible for the initial PHA’s partnering VAMC or DSP to provide case management services, the initial VAMC or DSP must first determine that the VASH family could be served by another VAMC or DSP that is participating in the VASH program, and the receiving PHA has an available VASH voucher.

In these cases, the family must be absorbed by the receiving PHA either as a new admission or as a portability move-in, as applicable. Upon absorption, the initial PHA’s VASH voucher will be available to lease to a new VASH-eligible family, and the absorbed family will count toward the number of VASH slots awarded to the receiving PHA.
Portability Outside of the Initial VAMC or DSP’s Catchment Area under VAWA

Veterans who request to port beyond the catchment area of the VAMC or DSP where they are receiving case management to protect the health or safety of a person who is or has been the victim of domestic violence, dating violence, sexual assault, or stalking, and who reasonably believes they are threatened with imminent harm from further violence by remaining in the unit may port prior to receiving approval from the receiving VAMC or DSP. The initial PHA must follow its emergency transfer plan (see Exhibit 16-3). PHAs may require verbal self-certification or a written request from a participant seeking a move beyond the catchment area of the VAMC or DSP.

The verbal self-certification or written request must include either a statement expressing why the participant reasonably believes that there is a threat of imminent harm from further violence if they were to remain in the same unit or a statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-day period preceding the participants request for the move.

The participant must still port to a PHA that has a VASH program. If the receiving PHA does not have a VASH voucher available to lease, they may bill the initial PHA until a VASH voucher is available, at which point the porting veteran must be absorbed into the receiving PHA’s program.
19-III.G. TERMINATION OF ASSISTANCE [FR Notice 9/27/21]

With the exception of terminations for failure to receive case management, HUD has not established any alternative requirements for termination of assistance for VASH participants. However, prior to terminating VASH participants, HUD strongly encourages PHAs to exercise their discretion under 24 CFR 982.552(c)(2) as outlined in Section 12-II.D. of this policy and consider all relevant circumstances of the specific case. This includes granting reasonable accommodations for persons with disabilities, as well as considering the role of the case manager and the impact that ongoing case management services can have on mitigating the conditions that led to the potential termination.

VASH participant families may not be terminated after admission for a circumstance or activities that occurred prior to admission and were known to the DCHA but could not be considered at the time of admission due to VASH program requirements. The DCHA may terminate the family’s assistance only for program violations that occur after the family’s admission to the program.

Cessation of Case Management

As a condition of receiving HCV rental assistance, a HUD-VASH-eligible family must receive case management services from the VAMC or DSP. A VASH participant family’s assistance must be terminated for failure to participate, without good cause, in case management as verified by the VAMC or DSP.

However, a VAMC or DSP determination that the participant family no longer requires case management is not grounds for termination of voucher or PBV assistance. In such a case, at its option, the DCHA may offer the family continued assistance through one of its regular vouchers. If the DCHA has no voucher to offer, the family will retain its VASH voucher or PBV unit until such time as the DCHA has an available voucher for the family.

VAWA [FR Notice 9/27/21]

When a veteran’s family member is receiving protection under VAWA because the veteran is the perpetrator of domestic violence, dating violence, sexual assault, or stalking, the victim must continue to be assisted. Upon termination of the perpetrator’s VASH assistance, the victim must be given a regular HCV if one is available, and the perpetrator’s VASH voucher must be used to serve another eligible veteran family. If a regular HCV is not available, the perpetrator must be terminated from assistance and the victim will continue to use the VASH voucher.
19-III.H. PROJECT-BASING VASH VOUCHERS

PHAs are authorized to project-base their tenant-based VASH vouchers without additional HUD review or approval in accordance with Notice PIH 2017-21 and all PBV program requirements provided that the VAMC will continue to make supportive services available. In addition, since 2010, HUD has awarded VASH vouchers specifically for project-based assistance in the form of PBV HUD-VASH set-aside vouchers. While these vouchers are excluded from the PBV program cap as long as they remain under PBV HAP contract at the designated project, all other VASH vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A. Note that VASH supportive services only need to be provided to VASH families receiving PBV assistance in the project, not all families receiving PBV assistance in the project. If a VASH family does not require or no longer requires case management, the unit continues to count as an excepted PBV unit as long as the family resides in the unit.

If the DCHA project-bases VASH vouchers, the DCHA must consult with the partnering VAMC or DSP to ensure approval of the project or projects. PHAs may project-base VASH vouchers in projects alongside other PBV units and may execute a single HAP contract covering both the VASH PBVs and the other PBVs. The DCHA must refer only VASH families to PBV units exclusively made available to VASH families and to PBV units funded through a HUD set-aside award.

If a VASH family is referred to the DCHA and there is an available PBV unit that is not exclusively made available to VASH families, the DCHA may offer to refer the family to the owner if allowable under the selection policy for that project, and the owner and DCHA may amend the HAP contract to designate the PBV unit as a VASH PBV unit.

The DCHA and owner may agree to amend a PBV HAP contract to redesignate a regular PBV unit as a unit specifically designated for VASH families so long as the DCHA first consults with the VAMC or DSP. Additionally, the DCHA and owner may agree to amend a PBV HAP contract to redesignate a unit specifically designated for VASH families as a regular PBV unit, so long as the unit is not funded through a VASH PBV set-aside award and is eligible for regular PBV (i.e., the unit is not on the grounds of a medical facility and the unit is eligible under the PHA’s program and project caps).

Policies for VASH PBV units will generally follow DCHA policies for the standard PBV program as listed in Chapter 17, with the exception of the policies listed below.
Failure to Participate in Case Management [FR Notice 9/27/21]

Upon notification by the VAMC or DSP of the family’s failure to participate, without good cause, in case management, the DCHA must provide the family a reasonable time period to vacate the unit. The DCHA must terminate assistance to the family at the earlier of either the time the family vacates or the expiration of the reasonable time period given to vacate.

DCHA Policy

Upon notification by the VAMC or DSP that a VASH PBV family has failed to participate in case management without good cause, the DCHA will provide written notice of termination of assistance to the family and the owner within 10 business days. The family will be given 60 days from the date of the notice to move out of the unit.

The DCHA may make exceptions to this 60-day period if needed for reasons beyond the family’s control such as death, serious illness, or other medical emergency of a family member.

If the family fails to vacate the unit within the established time, the owner may evict the family. If the owner does not evict the family, the DCHA must remove the unit from the HAP contract or amend the HAP contract to substitute a different unit in the project if the project is partially assisted. The DCHA may add the removed unit to the HAP contract after the ineligible family vacates the property.

Moves [HUD-VASH Qs and As, FR Notice 9/27/21]

When a VASH PBV family is eligible to move from its PBV unit in accordance with Section 17-VIII.C. of this policy, but there is no other comparable tenant-based rental assistance, the following procedures must be implemented:

- If a VASH tenant-based voucher is not available at the time the family wants (and is eligible) to move, the DCHA may require a family who still requires case management to wait for a VASH tenant-based voucher for a period not to exceed 180 days;

- If a VASH tenant-based voucher is still not available after that period, the family must be allowed to move with its VASH voucher. Alternatively, the DCHA may allow the family to move with its VASH voucher without having to meet this 180-day period. In either case, the DCHA is required to replace the assistance in the PBV unit with one of its regular vouchers, unless the DCHA and owner agree to temporarily remove the unit from the HAP contract; and

- If a VASH veteran is determined to no longer require case management, the DCHA must allow the family to move with the first available tenant-based voucher if no VASH voucher is immediately available and cannot require the family to wait for a VASH voucher to become available.
PART IV: MAINSTREAM VOUCHER PROGRAM

19-IV.A. PROGRAM OVERVIEW [Notice PIH 2020-01]

Mainstream vouchers assist non-elderly persons with disabilities and their families in the form of either project-based or tenant-based voucher assistance.

Aside from separate funding appropriations and serving a specific population, Mainstream vouchers follow the same program requirements as standard vouchers. The DCHA does not have special authority to treat families that receive a Mainstream voucher differently from other applicants and participants. For example, the DCHA cannot apply different payment standards, establish conditions for allowing portability, or apply different screening criteria to Mainstream families.

The Mainstream voucher program, (previously referred to as the Mainstream 5-Year program or the Section 811 voucher program) was originally authorized under the National Affordable Housing Act of 1990. Mainstream vouchers operated separately from the regular HCV program until the passage of the Frank Melville Supportive Housing Investment Act of 2010. Funding for Mainstream voucher renewals and administrative fees was first made available in 2012. In 2017 and 2019, incremental vouchers were made available for the first time since the Melville Act (in addition to renewals and administrative fees), and PHAs were invited to apply for a competitive award of Mainstream vouchers under the FY17 and FY19 NOFAs. In 2020, Notice PIH 2020-22 provided an opportunity for any DCHA administering an HCV program to apply for Mainstream vouchers noncompetitively, while Notice PIH 2020-09 authorized an increase in Mainstream voucher units and budget authority for those PHAs already awarded Mainstream vouchers under the FY17 and FY19 NOFAs.

Funds for Mainstream vouchers may be recaptured and reallocated if the DCHA does not comply with all program requirements or fails to maintain a utilization rate of 80 percent for the PHA’s Mainstream vouchers.
19-IV.B. ELIGIBLE POPULATION [Notice PIH 2020-01 and Notice PIH 2020-22]

All Mainstream vouchers must be used to serve non-elderly persons with disabilities and their families, defined as any family that includes a person with disabilities who is at least 18 years old and not yet 62 years old as of the effective date of the initial HAP contract. The eligible disabled household member does not need to be the head of household.

The definition of person with disabilities for purposes of Mainstream vouchers is the statutory definition under section 3(b)(3)(E) of the 1937 Act, which is the same as is used for allowances and deductions in the HCV program and is provided in Exhibit 3-1 of this policy.

Existing families receiving Mainstream vouchers, where the eligible family member is now age 62 or older, will not “age out” of the program as long as the family was eligible on the day it was first assisted under a HAP contract.

The DCHA may not implement eligibility screening criteria for Mainstream vouchers that is different from that of the regular HCV program.

19-IV.C. PARTNERSHIP AND SUPPORTIVE SERVICES [Notice PIH 2020-01]

PHAs are encouraged but not required to establish formal and informal partnerships with a variety of organizations that assist persons with disabilities to help ensure eligible participants find and maintain stable housing.

**DCHA Policy**

The DCHA has implement a Mainstream program in partnership with District of Columbia’s Department of Aging and Community Living (DACL) and the District of Columbia’s Department of Behavioral Health. The DCHA may identify other partners within the community as appropriate.
19-IV.D. WAITING LIST ADMINISTRATION

General Waiting List Requirements [Notice PIH 2020-01 and Mainstream Voucher Basics Webinar, 10/15/20]

PHAs must not have a separate waiting list for Mainstream voucher assistance since the DCHA is required by the regulations to maintain one waiting list for tenant-based assistance [24 CFR 982.204(f)]. All DCHA policies on opening, closing, and updating the waiting list, as well as waiting list preferences in Chapter 4, apply to the Mainstream program.

When the DCHA is awarded Mainstream vouchers, these vouchers must be used for new admissions to the DCHA’s program from the waiting list. The DCHA must lease these vouchers by pulling the first Mainstream-eligible family from its tenant-based waiting list. PHAs are not permitted to reassign existing participants to the program in order to make regular tenant-based vouchers available. Further, the DCHA may not skip over Mainstream-eligible families on the waiting list because the DCHA is serving the required number of Mainstream families.

Upon turnover, vouchers must be provided to Mainstream-eligible families. If a Mainstream turnover voucher becomes available, the DCHA must determine if the families at the top of the waiting list qualify under program requirements.

Admission Preferences [Notice PIH 2020-01; FY17 Mainstream NOFA; FY19 Mainstream NOFA]

If the DCHA claimed points for a preference in a NOFA application for Mainstream vouchers, the DCHA must adopt a preference for at least one of the targeted groups identified in the NOFA.

DCHA Policy

The DCHA selects families from the waiting list based on date and time of application.
19-IV.E. PORTABILITY [Notice PIH 2020-01 and Mainstream Voucher Basics Webinar, 10/15/20]

Mainstream voucher participants are eligible for portability under standard portability rules and all DCHA policies regarding portability in Chapter 10, Part II apply to Mainstream families.

The following special considerations for Mainstream vouchers apply under portability:

- If the receiving DCHA has a Mainstream voucher available, the participant may remain a Mainstream participant.
  - If the receiving DCHA chooses to bill the initial DCHA, then the voucher will remain a Mainstream voucher.
  - If the receiving DCHA chooses to absorb the voucher, the voucher will be considered a regular voucher, or a Mainstream voucher if the receiving PHA has a Mainstream voucher available, and the Mainstream voucher at the initial PHA will be freed up to lease to another Mainstream-eligible family.

- If the receiving PHA does not have a Mainstream voucher available, the participant may receive a regular voucher.

19-IV.F. PROJECT-BASING MAINSTREAM VOUCHERS [FY19 Mainstream Voucher NOFA Q&A]

The DCHA may project-base Mainstream vouchers in accordance with all applicable PBV regulations and DCHA policies in Chapter 17. PHAs are responsible for ensuring that, in addition to complying with project-based voucher program requirements, the project complies with all applicable federal nondiscrimination and civil rights statutes and requirements. This includes, but is not limited to, Section 504 of the Rehabilitation Act (Section 504), Titles II or III of the Americans with Disabilities (ADA), and the Fair Housing Act and their implementing regulations at 24 CFR Part 8; 28 CFR Parts 35 and 36; and 24 CFR Part 100. Mainstream vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A.
PART IV: NON-ELDERLY DISABLED (NED) VOUCHERS

19-V.A. PROGRAM OVERVIEW [Notice PIH 2013-19]

NED vouchers help non-elderly disabled families lease suitable, accessible, and affordable housing in the private market. Aside from separate funding appropriations and serving a specific population, NED vouchers follow the same program requirements as standard vouchers. The DCHA does not have special authority to treat families that receive a NED voucher differently from other applicants and participants.

Some NED vouchers are awarded to PHAs through competitive NOFAs. The NOFA for FY2009 Rental Assistance for NED made incremental funding available for two categories of NED families:

- **Category 1** vouchers enable non-elderly persons or families with disabilities to access affordable housing on the private market.

- **Category 2** vouchers enable non-elderly persons with disabilities currently residing in nursing homes or other healthcare institutions to transition into the community. PHAs with NED Category 2 vouchers were required to partner with a state Medicaid or health agency or the state Money Follows the Person (MFP) Demonstration agency.

Since 1997, HCVs for NED families have been also awarded under various special purpose HCV programs: Rental Assistance for Non-Elderly Persons with Disabilities in Support of Designated Housing Plans (Designated Housing), Rental Assistance for Non-Elderly Persons with Disabilities Related to Certain Types of Section 8 Project-Based Developments (Certain Developments), One-Year Mainstream Housing Opportunities for Persons with Disabilities, and the Project Access Pilot Program (formerly Access Housing 2000).

- **Designated Housing** vouchers enable non-elderly disabled families, who would have been eligible for a public housing unit if occupancy of the unit or entire project had not been restricted to elderly families only through an approved Designated Housing Plan, to receive rental assistance. These vouchers may also assist non-elderly disabled families living in a designated unit/project/building to move from that project if they so choose. The family does not have to be listed on the DCHA’s voucher waiting list. Instead, they may be admitted to the program as a special admission. Once the impacted families have been served, the DCHA may begin issuing these vouchers to non-elderly disabled families from their HCV waiting list. Upon turnover, these vouchers must be issued to non-elderly disabled families from the DCHA’s HCV waiting list.
• **Certain Developments** vouchers enable non-elderly families having a person with disabilities, who do not currently receive housing assistance in certain developments where owners establish preferences for, or restrict occupancy to, elderly families, to obtain affordable housing. These non-elderly families with a disabled person do not need to be listed on the DCHA’s HCV waiting list in order to be offered and receive housing choice voucher rental assistance. It is sufficient that these families' names are on the waiting list for a covered development at the time their names are provided to the DCHA by the owner. Once the impacted families have been served, the DCHA may begin issuing these vouchers to non-elderly disabled families from their HCV waiting list. Upon turnover, these vouchers must be issued to non-elderly disabled families from the DCHA’s HCV waiting list.

• **One-Year Mainstream Housing Opportunities for Persons with Disabilities (One-Year Mainstream) vouchers** enable non-elderly disabled families on the DCHA’s waiting list to receive a voucher. After initial leasing, turnover vouchers must be issued to non-elderly disabled families from the DCHA’s voucher waiting list.

**19-V.B. ELIGIBLE POPULATION**

**General Requirements [Notice PIH 2013-19]**

Only eligible families whose head of household, spouse, or cohead is non-elderly (under age 62) and disabled may receive a NED voucher. Families with only a minor child with a disability are not eligible.

In cases where the qualifying household member now qualifies as elderly due to the passage of time since the family received the NED voucher, existing NED participant families do not “age out,” as the family was eligible on the day it was first assisted under a housing assistance payments (HAP) contract.

The definition of person with disabilities for purposes of NED vouchers is the statutory definition under Section 3(b)(3)(E) of the 1937 Act, which is the same as is used for allowances and deductions in the HCV program and is provided in Exhibit 3-1 of this policy.

The DCHA may not implement eligibility screening criteria for NED vouchers that is different from that of the regular HCV program.

**NED Category 2 [Notice PIH 2013-19 and NED Category 2 FAQs]**

In addition to being eligible for the DCHA’s regular HCV program and a non-elderly person with a disability, in order to receive a Category 2 voucher, the family’s head, spouse, cohead, or sole member must be transitioning from a nursing home or other healthcare institution and provided services needed to live independently in the community.

Nursing homes or other healthcare institutions may include intermediate care facilities and specialized institutions that care for those with intellectual disabilities, developmentally disabled, or mentally ill, but do not include board and care facilities (e.g., adult homes, adult day care, adult congregate living).
The DCHA cannot limit who can apply to just those persons referred or approved by a Money Follows the Person (MFP) Demonstration agency or state health agency. Other individuals could be placed on the waiting list if they can show, with confirmation by an independent agency or organization that routinely provides such services (this can be the MFP or partnering agency, but need not be), that the transitioning individual will be provided with all necessary services, including care or case management.

For each Category 2 family, there must be documentation (e.g., a copy of a referral letter from the partnering or referring agency) in the tenant file identifying the institution where the family lived at the time of voucher issuance.

19-V.C. WAITING LIST

**General Requirements [Notice PIH 2013-19]**

Families must be selected for NED vouchers from the DCHA’s waiting list in accordance with all applicable regulations and DCHA policies in Chapter 4.

Regardless of the number of NED families the DCHA is required to serve, the next family on the waiting list must be served. Further, the DCHA may not skip over NED-eligible families on the waiting list because the DCHA is serving the required number of NED families.

**NED Category 2 Referrals [NED Category 2 FAQs]**

For NED Category 2 families, the partnering agency may make referrals of eligible families to the DCHA for placement on the waiting list. The DCHA will then select these families from the waiting list for voucher issuance. Because language in the NOFA established that vouchers awarded under the NOFA must only serve non-elderly disabled families transitioning from institutions, the DCHA does not need to establish a preference in order to serve these families ahead of other families on the DCHA’s waiting list.

PHAs must accept applications from people living outside their jurisdictions or from people being referred from other Medicaid or MFP service agencies in their state.

If the DCHA’s waiting list is closed, the DCHA must reopen its waiting list to accept referrals from its partnering agency. When opening the waiting list, PHAs must advertise in accordance with 24 CFR 982.206 and DCHA policies in Section 4-II.C. In addition, the DCHA must ensure that individuals living in eligible institutions are aware when the DCHA opens its waiting list by reaching out to social service agencies, nursing homes, intermediate care facilities and specialized institutions in the local service area.
Reissuance of Turnover Vouchers [Notice PIH 2013-19]

All NED turnover vouchers must be reissued to the next NED family on the DCHA’s waiting list with the following exception: A Category 2 voucher must be issued to another Category 2 family upon turnover if a Category 2 family is on the DCHA’s waiting list. If there are no Category 2 families on the DCHA’s waiting list, the DCHA must contact its partnering agency as well as conduct outreach through appropriate social service agencies and qualifying institutions to identify potentially eligible individuals. Only after all means of outreach have been taken to reach Category 2 families can the DCHA reissue the voucher to another Category 2 NED family on the DCHA’s waiting list. Any subsequent turnover of that voucher must again be used for a Category 2 family on the CDHA’s waiting list, and the DCHA is under the same obligation to conduct outreach to Category 2 families if no such families are on the DCHA’s waiting list.

For PHAs that received both Category 1 and Category 2 vouchers, if at any time the DCHA is serving fewer Category 2 families than the number of Category 2 HCVs awarded under the NOFA, when a Category 2 family applies to the waiting list and is found eligible, the DCHA must issue the next NED voucher to that family. HUD monitors the initial leasing and reissuance of Category 2 HCVs. These vouchers may be recaptured and reassigned if not leased properly and in a timely manner.

All NED vouchers should be affirmatively marketed to a diverse population of NED-eligible families to attract protected classes least likely to apply. If at any time following the turnover of a NED HCV a PHA believes it is not practicable to assist NED families, the DCHA must contact HUD.
19-V.D. LEASE UP [Notice PIH 2013-19]

**Briefings**

In addition to providing families with a disabled person a list of accessible units known to the
DCHA, HUD encourages, but does not require, PHAs to provide additional resources to NED
families as part of the briefing.

**DCHA Policy**

In addition to providing families with a disabled person a list of accessible units known to
the DCHA, the DCHA will provide a list of local supportive service and disability
organizations that may provide such assistance as counseling services and funding for
moving expenses or security deposits in the briefing packet. These organizations include
state protection and advocacy agencies, Centers for Independent Living, state Medicaid
agencies, and disability advocacy groups that represent individuals with a variety of
disabilities.

Further, if other governmental or non-governmental agencies provide available resources
such as housing search counseling, moving expenses, security deposits, and utility
deposits, the DCHA will include this information in the briefing packet.

The DCHA will also offer specialized housing search assistance to families with a
disabled person to locate accessible units if requested. Trained DCHA staff or a local
supportive service or disability organization may be able to provide this service.

**Voucher Term**

While the DCHA is not required to establish different policies for the initial term of the voucher
for NED vouchers, HUD has encouraged PHAs with NED vouchers to be generous in
establishing reasonable initial search terms and subsequent extensions for families with a
disabled person.

**DCHA Policy**

All NED vouchers will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the
120-day period unless the DCHA grants an extension.

All other DCHA policies on extensions and suspension of vouchers in Section 5-II.E.
will apply.
Special Housing Types [Notice PIH 2013-19 and NED Category 2 FAQs]

In general, a PHA is not required to permit families to use any of the special housing types and may limit the number of families using such housing. However, the DCHA must permit the use of a special housing type if doing so provides a reasonable accommodation so that the program is readily accessible to and usable by a person with disabilities.

Such special housing types include single room occupancy housing, congregate housing, group homes, shared housing, cooperative housing, and manufactured homes when the family owns the home and leases the manufactured home space.

Persons with disabilities transitioning out of institutional settings may choose housing in the community that is in a group or shared environment or where some additional assistance for daily living is provided for them on site. Under HUD regulations, group homes and shared housing are considered special housing types and are not excluded as an eligible housing type in the HCV program. Assisted living facilities are also considered eligible housing under the normal HCV program rules, as long as the costs for meals and other supportive services are not included in the housing assistance payments (HAP) made by the DCHA to the owner, and as long as the person does not need continual medical or nursing care.

19-V.E. PORTABILITY [NED Category 2 FAQs]

NED voucher participants are eligible for portability under standard portability rules and all DCHA policies regarding portability in Chapter 10, Part II apply to NED families. However, the DCHA may, but is not required to, allow applicant NED families to move under portability, even if the family did not have legal residency in the initial PHA’s jurisdiction when they applied.

DCHA Policy

If neither the head of household nor the spouse or cohead of a NED applicant family had a domicile (legal residence) in the DCHA’s jurisdiction at the time that the family’s initial application for assistance was submitted, the family must lease a unit within the initial PHA’s jurisdiction for at least 12 months before requesting portability.

The DCHA will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2) or reasons related to domestic violence, dating violence, sexual assault, or stalking.
PART VI: STABILITY VOUCHER PROGRAM

DCHA Policy

The DCHA has applied for Stability Vouchers. Until such time as the DCHA is awarded Stability Vouchers, the below policies do not apply.

19-VI.A. PROGRAM OVERVIEW [Notice PIH 2022-24]

The Consolidated Appropriations Act, 2021 (Public Law 116-260) (2021 Act) provided new incremental funding for voucher assistance through Stability Vouchers (SVs) for households who are:

- Homeless, as defined in section 103(a) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302(a));
- At-risk of homelessness;
- Those fleeing or attempting to flee domestic violence dating violence, sexual assault, stalking, or human trafficking; and
- Veterans and families that include a veteran family member that meet one of the above criteria.

HUD may waive certain statutory and regulatory provisions to administer the SVs (except for requirements related to tenant rights and protections, rent setting, fair housing, nondiscrimination, labor standards and the environment) upon a finding that any such waivers or alternative requirements are necessary to facilitate the use of funds made available for SVs. Unless expressly waived below, all statutory and regulatory requirements and HUD directives regarding the HCV program are applicable to SVs, including the use of all HUD required contracts and other forms. A PHA may request additional good cause regulatory waivers as established in Notice PIH 2018-16 in connection with the use of the SVs, which HUD will consider and assess upon the request of the DCHA.

19-VI.B. PARTNERING ORGANIZATION [Notice PIH 2022-24]

SV funding is only awarded to PHAs that partner with eligible Continuums of Care (CoCs) or other entities that serve the targeted population, such as Victim Service Providers (VSPs) and Veteran Service Organizations (VSOs) serving the targeted population in the DCHA’s jurisdiction to implement coordinated approaches to reduce the prevalence of homelessness, improve service engagement, and promote housing stability while ensuring geographical need of assistance.

The DCHA must enter into a Memorandum of Understanding (MOU) with the CoC to establish a partnership with the CoC to pair SVs with CoC-funded supportive services, and to collaborate with the CoC and other stakeholders to develop a prioritization plan for these vouchers.
19-VI.C. REFERRALS [Notice PIH 2022-24]

In general, families are issued SVs as the result of either:

- The direct referral process from the CoC or other partnering organizations; or
- A situation where the DCHA makes an SV available in order to facilitate an emergency transfer for victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking.

CoC Referrals

The primary responsibility of the CoC under the MOU is to make direct referrals of qualifying individuals and families to the DCHA and to identify any CoC-funded available supportive services that may be paired with SVs.

The CoC or other partnering agency must certify that the SV applicants they refer to the DCHA meet the definition of a qualifying individual or family for SV assistance.

The referring agency must provide documentation to the DCHA of the referring agency’s verification that the family meets one of the four eligible categories for SV assistance. The DCHA must retain this documentation as part of the family’s file.

Referrals from Outside the CoC

The DCHA must also take direct referrals from outside the CoC process if:

- The CoC does not have a sufficient number of eligible families to refer to the DCHA; or
- The CoC does not identify families that may be eligible for SV assistance because they are fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking.

If a direct referral is taken from outside of the CoC, the DCHA must enter into a partnership to receive direct referrals from another entity, assuming there are such additional organizations that can certify that an individual or family is eligible for an SV.

The DCHA must enter into an MOU with a partnering referral agency or may add the partnering referral agency to the MOU between the DCHA and CoC.
19-VI-D. WAITING LIST [Notice PIH 2022-24]

HCV Waiting List

The regulation that requires the DCHA to admit applicants as waiting list admissions or special admissions in accordance with admission policies in Chapter 4 does not apply to PHAs operating the SV program. Direct referrals are not added to the DCHA’s HCV waiting list.

The DCHA must inform families on the HCV waiting list of the availability of SVs by, at a minimum, either by posting the information to their website or providing public notice in their respective communities in accordance with the requirements listed in Notice PIH 2022-24.

SV Waiting List

The HCV regulations requiring the DCHA to operate a single waiting list for admission to the HCV program do not apply to DCHAs operating the SV program. Instead, when the number of applicants referred by the CoC or partnering agency exceeds the SVs available, the DCHA must maintain a separate waiting list for SV referrals. Upon turnover, SV vouchers must continue to remain available for eligible families.

Further, the SV waiting list is not subject to DCHA policies in Chapter 4 regarding opening and closing the HCV waiting list. The DCHA will work directly with its CoC and other referral agency partners to manage the number of referrals and the size of the SV waiting list.

HCV Waiting List Preferences

If local preferences are established by the DCHA for HCV in Chapter 4, they do not apply to SVs. However, if the DCHA has a homelessness preference or a preference for survivors of domestic violence, dating violence, sexual assault, stalking, or human trafficking for the regular HCV program, the DCHA must refer any applicant on the waiting list that indicated they qualified for this preference to the CoC, or the applicable partnering referral agency.

SV Waiting List Preferences

With the exception of a residency preference, which may not be applied to the DCHA’s SV waiting list, the DCHA may choose, in coordination with the CoC and other referral partners, to establish separate local preferences for SVs, or may simply choose to not establish any local preferences for the SV waiting list. The preference system may not prohibit SV admissions from any of the four qualifying categories of eligibility.
19-VI.E. FAMILY ELIGIBILITY [Notice PIH 2022-24]

Referring Agency Determination of Eligibility

The CoC or referring agency determines whether the individual or family meets any one of the eligibility criteria described in Notice PIH 2022-24 and then refers the family to the DCHA. The DCHA determines that the family meets other eligibility criteria for the HCV program, as modified for the SV program and outlined below.

In order to be eligible for an SV, a household must meet one of four eligibility criteria:

- Homeless, as defined in section 103(a) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302(a)) and 24 CFR 578.3;

- At-risk of homelessness as defined in 24 CFR 5.78.3;

- Those fleeing or attempting to flee domestic violence dating violence, sexual assault, stalking, or human trafficking; and

- Veterans [as defined in 38 U.S.C. 101(2); 38 CFR 3.1(d)] and families that include a veteran family member that meet one of the above criteria.

Mandatory Denials

HUD waived 24 CFR 982.552 and 982.553 in part for the SV applicants and established alternative requirements for mandatory and permissive prohibitions of admissions. Except where applicable, DCHA policies regarding denials in Chapter 3 of this policy do not apply to screening individuals and families for eligibility for an SV. Instead, the SV alternative requirement listed in this section will apply to all SV applicants.

The mandatory and permissive prohibitions listed in Notice PIH 2022-24 and in this chapter, however, apply only when screening the individual or family for eligibility for an SV. When adding a family member after the family has been placed under a HAP contract with SV assistance, the regulations at 24 CFR 982.551(h)(2) apply. Other than the birth, adoption, or court-awarded custody of a child, the DCHA must approve additional family members and may apply its regular HCV screening criteria in Chapter 3 in doing so.

Under alternative requirements for the SV program, mandatory denials for SV applicants include:

- 24 CFR 982.553(a)(1)(ii)(C), which prohibits admission if any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

- 24 CFR 982.553(a)(2)(i), which prohibits admission to the program if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program.
The DCHA will also deny assistance to household members already receiving assistance from another program.

The DCHA must deny admission to the program if any member of the family fails to sign and submit consent forms for obtaining information as required by 24 CFR 982.552(b)(3) but should notify the family of the limited SV grounds for denial of admission first.

**Permissive Denial**

Notice PIH 2022-24 lists permissive prohibitions for which the DCHA may, but is not required to, deny admission to SV families. The notice also lists prohibitions that, while allowable under the HCV program, may not be used to deny assistance for SV families.

If the DCHA intends to establish permissive prohibition policies for SV applicants, the DCHA must first consult with its CoC partner to understand the impact that the proposed prohibitions may have on referrals and must take the CoC’s recommendations into consideration.

**Self-Certification of Income at Admission**

The requirement to obtain third-party verification of income in accordance with Notice PIH 2018-18 does not apply to the SV program applicants at admission, and alternatively, PHAs may consider self-certification the highest form of income verification at admission. As such, DCHA policies related to the verification of income in Section 7-I.B. do not apply to SV families at admission. Instead, applicants must submit an affidavit attesting to their reported income, assets, expenses, and other factors that would affect an income eligibility determination.

Additionally, applicants may provide third-party documentation that represents the applicant’s income within the 60-day period prior to admission or voucher issuance but is not dated within 60 days of the DCHA’s request.

**Recently Conducted Income Determinations**

PHAs may accept income calculations and verifications from third-party providers or from an examination that the DCHA conducted on behalf of the family for another subsidized housing program in lieu of conducting an initial examination of income as long as:

- The income was calculated in accordance with rules outlined at 24 CFR Part 5 and within the last six months; and
- The family certifies there has been no change in income or family composition in the interim.

At the time of the family’s annual reexamination, the DCHA must conduct the annual reexamination of income as outlined at 24 CFR 982.516 and the DCHA policies in Chapter 11.

**EIV Income Validation**

Once HUD makes the EIV data available to PHAs under this waiver and alternative requirement, the DCHA must:

- Review the EIV Income and Income Validation Tool (IVT) reports to confirm and validate family-reported income within 90 days of the PIC submission date;
- Print and maintain copies of the EIV Income and IVT Reports in the tenant file; and
• Resolve any income discrepancy with the family within 60 days of the EIV Income or IVT Report dates.

Prior to admission, PHAs must continue to use HUD’s EIV system to search for all household members using the Existing Tenant Search in accordance with DCHA policies in Chapter 3. If a PHA later determines that an ineligible family received assistance, the DCHA must take steps to terminate that family from the program in accordance with Chapter 12.

**Social Security Number and Citizenship Status Verification**

For the SV program, the DCHA is not required to obtain and verify SSN documentation and documentation evidencing eligible noncitizen status before admitting the family to the SV program. Instead, PHAs may adopt policies to admit SV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. As an alternative requirement, such individuals must provide the required documentation within 180 days of admission to be eligible for continued assistance, pending verification, unless the DCHA provides an extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation. If a PHA determines that an ineligible family received assistance, the DCHA must take steps to terminate that family from the program.

**Age and Disability Verifications**

PHAs may accept self-certification of date of birth and disability status if a higher level of verification is not immediately available. If self-certification is used, the DCHA must obtain a higher level of verification within 90 days of admission or verify the information in EIV. If a PHA determines that an ineligible family received assistance, the DCHA must take steps to terminate that family from the program.

**Income Targeting**

The DCHA must determine income eligibility for SV families in accordance with 24 CFR 982.201 and DCHA policy in Chapter 3; however, income targeting requirements do not apply for SV families. The DCHA may still choose to include the admission of extremely low-income SV families in its income targeting numbers for the fiscal year in which these families are admitted.
19-VI.F. HOUSING SEARCH AND LEASING

Initial Voucher Term
Unlike the standard HCV program, which requires an initial voucher term of at least 60 days, SV vouchers must have an initial search term of at least 120 days. DCHA policies on extensions as outlined in Section 5-II.E. will apply.

HQS Pre-Inspections
To expedite the leasing process, PHAs may pre-inspect available units that SV families may be interested in leasing in order to maintain a pool of eligible units.

Initial Lease Term
Unlike in the standard the HCV program, SV voucher holders may enter into an initial lease that is for less than 12 months, regardless of the DCHA policy in Section 9-I.E., Term of Assisted Tenancy.

Portability
The normal HCV portability procedures and requirements outlined in Chapter 10 generally apply to SVs. Exceptions are addressed below.

- Under SV, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial DCHA when they applied, regardless of DCHA policy in Section 10-II.B.

- A receiving DCHA cannot refuse to assist an incoming SV family, regardless of whether the DCHA administers SVs under its own ACC.

- If the SV family moves under portability to another PHA that administers SVs under its own ACC:
  - The receiving PHA may only absorb the incoming SV family with an SV (assuming it has an SV voucher available to do so).
  - If the PHA does not have an SV available to absorb the family, it must bill the initial PHA. The receiving PHA must allow the family to lease the unit with SV assistance and may not absorb the family with a regular HCV when the family leases the unit.
  - Regardless of whether the receiving PHA absorbs or bills the initial PHA for the family’s SV assistance, the SV administration of the voucher is in accordance with the receiving PHA’s SV policies.

- If the SV family moves under portability to another PHA that does not administer SVs under its own ACC, the receiving PHA may absorb the family into its regular HCV program or may bill the initial PHA.
Family Briefing

In addition to the applicable family briefing requirements at 24 CFR 982.301(a)(2) as to how portability works and how portability may affect the family’s assistance, the initial PHA must inform the family how portability may impact the special SV services and assistance that may be available to the family.

The initial PHA is required to help facilitate the family’s portability move to the receiving PHA and inform the family of this requirement in writing, taking reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP).

19-VI.G. PAYMENT STANDARDS

Overview

For the SV program, HUD has waived the regulation requiring a single payment standard for each unit size. Instead, the DCHA may, but is not required to, establish separate higher payment standards for SVs. Lower SV payment standards are not permitted. If the DCHA is increasing the regular HCV payment standard, the DCHA must also increase the SV payment standard if it would be otherwise lower than the new regular HCV payment standard. The separate SV payment standard must comply with all other HCV requirements with the exception of the alternative requirements discussed below.

Further, if the DCHA chooses to establish higher payments standards for SVs, HUD has provided other regulatory waivers:

- Defining the “basic range” for payment standards as between 90 and 120 percent of the published Fair Market Rent (FMR) for the unit size (rather than 90 to 110 percent).

- Allowing a PHA that is not in a designated Small Area FMR (SAFMR) area or has not opted to voluntarily implement SAFMRs to establish exception payment standards for a ZIP code area above the basic range for the metropolitan FMR based on the HUD-published SAFMRs. The DCHA may establish an exception payment standard up to 120 percent (as opposed to 110 percent) of the HUD published Small Area FMR for that ZIP code area. The exception payment standard must apply to the entire ZIP code area.

Increases in Payment Standards

The requirement that the DCHA apply increased payment standards at the family’s first regular recertification on or after the effective date of the increase does not apply to SV. The DCHA may, but is not required to, establish an alternative policy on when to apply the increased payment standard, provided the increased payment standard is used to calculate the HAP no later than the effective date of the family’s first regular reexamination following the change.
19-VI.H. PROJECT-BASED UNITS

All tenant-based SV awards can be converted to Project-Based Vouchers (PBV) at any time after award without HUD approval provided all the established PBV regulations and requirements are followed.

All PBV requirements in 24 CFR Part 983 and in Chapter 17 apply to project-based SVs with the exception of 24 CFR 983.251(c)(1), which requires PHAs to select families for project-based units from its HCV or PBV waiting list. HUD is waiving this requirement and establishing an alternative requirement that PHAs receive SV referrals from CoC partners for vouchers as well as project-based assistance.
EXHIBIT 19-1: SAMPLE STABILITY VOUCHER (SV) HOMELESS PROVIDER’S CERTIFICATION

Stability Voucher (SV)
HOMELESS CERTIFICATION

SV Applicant Name: ____________________________________________________________

☐ Household without dependent children (complete one form for each adult in the household)

☐ Household with dependent children (complete one form for household)

Number of persons in the household: _____________

This is to certify that the above named individual or household meets the following criteria based on the check mark, other indicated information, and signature indicating their current living situation

Check only one box and complete only that section

Living Situation: place not meant for human habitation (e.g., cars, parks, abandoned buildings, streets/sidewalks)

☐ The person(s) named above is/are currently living in (or, if currently in hospital or other institution, was living in immediately prior to hospital/institution admission) a public or private place not designed for, or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus station, airport, or campground.

Description of current living situation:
________________________________________________________
________________________________________________________
________________________________________________________

Homeless Street Outreach Program Name: ___________________________________________

This certifying agency must be recognized by the local Continuum of Care (CoC) as an agency that has a program designed to serve persons living on the street or other places not meant for human habitation. Examples may be street outreach workers, day shelters, soup kitchens, Health Care for the Homeless sites, etc.

Authorized Agency Representative Signature: ________________________________________

Date: ________________________________
Living Situation: Emergency Shelter

☐ The person(s) named above is/are currently living in (or, if currently in hospital or other institution, was living in immediately prior to hospital/institution admission) a supervised publicly or privately operated shelter as follows:

Emergency Shelter Program Name: _______________________________________________

This emergency shelter must appear on the CoC’s Housing Inventory Chart submitted as part of the most recent CoC Homeless Assistance application to the U.S. Department of Housing and Urban Development (HUD) or otherwise be recognized by the CoC as part of the CoC inventory (e.g., newly established Emergency Shelter).

Authorized Agency Representative Signature: _________________________________
Date: ________________________________

Living Situation: Recently Homeless

☐ The person(s) named above is/are currently receiving financial and supportive services for persons who are homeless. Loss of such assistance would result in a return to homelessness (e.g., households in rapid rehousing programs, residents of permanent supportive housing programs participating in Moving On, etc.)

Authorized Agency Representative Signature: _________________________________
Date: ________________________________

This referring agency must appear on the CoC’s Housing Inventory Chart submitted as part of the most recent CoC Homeless Assistance application to HUD or otherwise be recognized by the CoC as part of the CoC inventory.

Immediately prior to entering the household’s current living situation, the person(s) named above was/were residing in:

☐ Emergency shelter  OR  ☐ A place unfit for human habitation

Authorized Agency Representative Signature: _________________________________
Date: ________________________________
EXHIBIT 19-2: SAMPLE VICTIM SERVICE PROVIDER’S CERTIFICATION

Stability Voucher (SV)

SAMPLE CERTIFICATION FOR SURVIVORS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, STALKING, AND/OR HUMAN TRAFFICKING

Use of this Optional Form:

Service providers may utilize this form to certify a family’s eligibility for SV to document households who are fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, and/or human trafficking. In response to this request, the service provider may complete this form and submit it to the Public Housing Agency (DCHA) to certify eligibility for the U.S. Department of Housing and Urban Development’s (HUD) Stability Voucher program.

Confidentiality:

All information provided during the referral process concerning the incident(s) of domestic violence, dating violence, sexual assault, stalking, and human trafficking shall be kept confidential and such details shall not be entered into any shared database. Employees of the DCHA will not have access to these details, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

TO BE COMPLETED ON BEHALF OF SURVIVORS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, STALKING, AND/OR HUMAN TRAFFICKING

SV Applicant Name: ____________________________________________________________

The applicant named above is a survivor of (please check from the list all that apply):

☐ Domestic Violence
☐ Dating Violence
☐ Sexual Assault
☐ Stalking
☐ Human Trafficking
This certifies that the above named individual or household meets the definition for persons who are fleeing, or attempting to flee domestic violence, dating violence, sexual assault, stalking and/or human trafficking as these terms are defined under 34 U.S.C. Section 12291 of the Violence Against Women Act\(^1\) and 22 U.S.C. Section 7102(11) of the Trafficking Victims Protection Act.\(^2\)

I acknowledge that submission of false information could jeopardize program eligibility and could be the basis for denial of admission, termination of assistance, or eviction.

Authorized Agency Representative Signature: _______________________________

Date: _______________________________

\(^1\) The Violence Against Women Act ("VAWA") 2022 protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

\(^2\) The Victims of Trafficking and Violence Protection Act of 2000 provides assistance to victims of trafficking making housing, educational health care, job training and other federally-funded social service programs available to assist victims in rebuilding their lives.
EXHIBIT 19-3: SAMPLE SV MEMORANDUM OF UNDERSTANDING

[** This sample document demonstrates the Memorandum of Understanding requirements for
the administration of Stability Vouchers. Unless otherwise noted, all elements are required. **]

Memorandum of Understanding – Stability Vouchers

This Memorandum of Understanding (MOU) has been created and entered on [Insert execution
date] by The District of Columbia Housing Authority, 300 Seventh St. SW, Washington
D.C., 20024 and [insert CoC/VSP name and address].

I. Introduction and Goals

The District of Columbia Housing Authority, and [insert CoC/VSP name] through the
Stability Voucher (SV) Program seek to prevent and end homelessness among individuals and
families who are experiencing or at-risk of homelessness, those fleeing or attempting to flee
domestic violence, dating violence, sexual assault, stalking, and human trafficking, and veterans
and families that include a veteran family member that meets one of the proceeding criteria.

The Consolidated Appropriations Act, 2021 (Public Law 116-260) (2021 Act), makes available
$43,343,000 for new incremental voucher assistance under Section 8(o) of the United States
Housing Act of 1937 for use by individuals and families experiencing or at-risk of homelessness;
those fleeing or attempting to flee domestic violence, dating violence, sexual assault, and
stalking; and veterans and families that include a veteran family member that meets one of the
proceeding criteria.

The Further Consolidated Appropriations Act, 2022 (Public Law 117-103 (2022 Act) further
provides that HUD may waive certain statutory and regulatory provisions to administer the SVs
(except for requirements related to tenant rights and protections, rent setting, fair housing,
nondiscrimination, labor standards and the environment) upon a finding that any such waivers or
alternative requirements are necessary to facilitate the use of funds made available for SVs.

This Memorandum of Understanding (MOU) outlines the collaboration and commitment
between The District of Columbia Housing Authority, and [insert CoC/VSP name] to pair
Stability Vouchers with CoC-funded supportive services; and to collaborate with the CoC/VSP
and other stakeholders to develop a prioritization plan for these vouchers.

Lead Agency Liaisons:
Name and title of DCHA staff position:
Name and title CoC and/or VSP staff position:

3 If PHA policy in Section 19-VI.B. of this administrative plan states that a copy of the MOU will be attached at the
end of this chapter as Exhibit 19-3, you may either fill in the language shown here or replace the text with the PHA’s
own MOU, then delete the word sample. If the PHA does not wish to attach its own MOU to the chapter, this
statement should be removed from the policy in Section 19-VI.B.

Unlimited copies may be made for internal use.
II. Individuals and Families Eligibility under the Qualifying Categories

In order to be eligible for an SV, an individual or family must meet one of four eligibility categories:

- Homeless
- At risk of homelessness
- Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking
- Veterans

III. SV Roles and Responsibilities

A. DCHA Roles and Responsibilities [**The following responsibilities are listed for example purposes. **]

1. Coordinate and consult with the CoC in developing the services and assistance to be offered under the SV services fee.

2. Accept direct referrals for eligible individuals and families through the CoC Coordinated Entry System.

3. Commit a sufficient number of staff and necessary resources to ensure that the application, certification, and voucher issuance processes are completed in a timely manner.

4. Commit a sufficient number of staff and resources to ensure that inspections of units are completed in a timely manner.

5. Designate a staff to serve as the lead SV liaison.

6. Comply with the provisions of this MOU.

B. CoC Roles and Responsibilities [**The following responsibilities are listed for example purposes. **]

1. Designate and maintain a lead SV liaison to communicate with the DCHA.

2. Refer eligible individuals and families to DCHA using the community’s coordinated entry system.
3. Support eligible individuals and households in completing and applying for supportive documentation to accompany admissions application to the DCHA (i.e., self-certifications, birth certificate, social security card, etc.).

4. Attend SV participant briefings when needed.

5. Assess all households referred for SV for mainstream benefits and supportive services available to support eligible individuals and families through their transition.

6. Identify and provide supportive services to SV families. (While SV participants are not required to participate in services, the CoC should assure that services are available and accessible.)

7. Comply with the provisions of this MOU.

IV. CoC-funded supportive services that will be paired with SVs

CoCs are encouraged to outline any existing partnerships with health and behavioral health care providers and agencies, state Medicaid agencies and agencies and organizations that may be leveraged to provide ongoing tenancy and wrap-around supportive services for those that may benefit from such services to maintain housing stability. All services provided by the CoC must be outlined in the MOU with the CoC and should demonstrate the community’s strategy to coordinate assistance through available resources. HUD recommends that PHAs and partnering CoCs seek a diverse range of supportive services by partnering with organizations trusted by people experiencing homelessness.

V. DCHA Adopted Waivers and Alternative Requirements

Notice PIH 2022-24 provides The District of Columbia Housing Authority, with authority to adopt certain statutory and regulatory requirements and alternative requirements for Stability Vouchers. The District of Columbia Housing Authority, and [insert CoC/VSP name] have agreed to adopt the following waivers and alternative requirements:

[List all waivers and alternative requirements discussed, agreed upon by the PHA and CoC for the administration of SVs]

VI. DCHA Permissive Prohibition Policies agreed upon by the DCHA and CoC

The District of Columbia Housing Authority, in consultation with [insert CoC/VSP name] have agreed to adopt the following permissive prohibitions for the Stability Voucher program:

[List any permissive prohibition policies agreed upon by the DCHA and CoC]
VII. Program Evaluation

The District of Columbia Housing Authority, and [insert CoC /VSP] agree to cooperate with HUD, provide requested data to HUD or HUD-approved contractor delegated the responsibility of program evaluation protocols established by HUD or HUD-approved contractor.

Public Housing Agency Executive Director           Date

________________________________________  ____________________
CoC/VSP Executive Director             Date
INTRODUCTION

On March 11, 2021, President Biden signed the American Rescue Plan Act of 2021 (ARP) (P.L. 117-2). Section 3202 of the ARP appropriated $5 billion for the creation, administration, and renewal of new incremental emergency housing vouchers (EHVs) and other eligible expenses related to COVID-19.

On May 5, 2021, HUD issued Notice PIH 2021-15, which described HUD’s process for allocating approximately 70,000 EHV to eligible PHAs and set forth the operating requirements for PHAs who administer them. Based on criteria outlined in the notice, HUD notified eligible PHAs of the number of EHV allocated to their agency, and PHAs were able to accept or decline the invitation to participate in the program.

PHAs may not project-base EHV; EHV are exclusively tenant-based assistance.

All applicable nondiscrimination and equal opportunity requirements apply to the EHV program, including requirements that the DCHA grant reasonable accommodations to persons with disabilities, effectively communicate with persons with disabilities, and ensure meaningful access for persons with limited English proficiency (LEP).

This chapter describes HUD regulations and DCHA policies for administering EHV. The policies outlined in this chapter are organized into seven sections, as follows:

Part I: Funding
Part II: Partnering Agencies
Part III: Waiting List Management
Part IV: Family Eligibility
Part V: Housing Search and Leasing
Part VI: Use of Funds, Reporting, and Financial Records

Except as addressed by this chapter and as required under federal statute and HUD requirements, the general requirements of the HCV program apply to EHV.
PART I: FUNDING

TPS-I.A. FUNDING OVERVIEW

The American Rescue Plan Act of 2021 (ARP) provides administrative fees and funding for the costs of administering emergency housing vouchers (EHVs) and other eligible expenses defined in Notice PIH 2021-15. These fees may only be used for EHV administration and other eligible expenses and must not be used for or applied to other DCHA programs or vouchers. The DCHA must maintain separate financial records from its regular HCV funding for all EHV funding.

Housing Assistance Payments (HAP) Funding

ARP funding obligated to the DCHA as housing assistance payments (HAP) funding may only be used for eligible EHV HAP expenses (i.e., rental assistance payments). EHV HAP funding may not be used for EHV administrative expenses or for the eligible uses under the EHV service fee.

The initial funding term will expire December 31, 2022. HUD will provide renewal funding to the DCHA for the EHV service fee program on a calendar year (CY) basis commencing with CY 2023. The renewal funding allocation will be based on the DCHA’s actual EHV HAP costs in leasing, similar to the renewal process for the regular HCV program. EHV renewal funding is not part of the annual HCV renewal funding formula; EHV service fees are renewed separately from the regular HCV program. All renewal funding for the duration of the EHV service fee program has been appropriated as part of the ARP funding.

Administrative Fee and Funding

The following four types of fees and funding are allocated as part of the EHV service fee program:

- **Preliminary fees** support immediate start-up costs that the DCHA will incur in implementing alternative requirements under EHV, such as outreach and coordination with partnering agencies:
  - $400 per EHV allocated to the DCHA, once the consolidated annual contributions contract (CACC) is amended.
  - This fee may be used for any eligible administrative expenses related to EHV service fees.
  - The fee may also be used to pay for any eligible activities under EHV service fees (TPS-I.B).
Placement fees/expedited issuance reporting fees will support initial lease-up costs and the added cost and effort required to expedite leasing of EHV:

- $100 for each EHV initially leased, if the DCHA reports the voucher issuance date in Public Housing Information Center–Next Generation (PIC–NG) system within 14 days of voucher issuance or the date the system becomes available for reporting.

- Placement fees:
  o $500 for each EHV family placed under a HAP contract effective within four months of the effective date of the ACC funding increment; or
  o $250 for each EHV family placed under a HAP contract effective after four months but less than six months after the effective date of the ACC funding increment.
  o HUD will determine placement fees in the event of multiple EHV allocations and funding increment effective dates.

- Placement/expedited issuance fees only apply to the initial leasing of the voucher; they are not paid for family moves or to turnover vouchers.

Ongoing administrative fees, which are calculated in the same way as the standard HCV program:

- DCHAs are allocated administrative fees using the full column A administrative fee amount for each EHV under contract as of the first day of each month.

- Ongoing EHV administrative fees may be subject to proration in future years, based on available EHV funding.

Services fees, which are a one-time fee to support DCHAs’ efforts to implement and operate an effective EHV services program in its jurisdiction (TPS-I.B):

- The fee is allocated once the DCHA’s CACC is amended to reflect EHV funding.

- The amount allocated is $3,500 for each EHV allocated.
TPS-I.B. SERVICE FEES

Services fee funding must be initially used for defined eligible uses and not for other administrative expenses of operating the EHV program. Service fees fall into four categories:

- Housing search assistance
- Security deposit/utility deposit/rental application/holding fee uses
- Owner-related uses
- Other eligible uses such as moving expenses or tenant-readiness services

The DCHA must establish the eligible uses and the parameters and requirements for service fees in the DCHA’s administrative plan.

DCHA Policy

The eligible uses for service fees include:

**Housing search assistance**, which may include activities such as, but not limited to, helping a family identify and visit potentially available units during their housing search, helping to find a unit that meets the household’s disability-related needs, providing transportation and directions, assisting with the completion of rental applications and DCHA forms, and helping to expedite the EHV leasing process for the family.

**Application fees/non-refundable administrative or processing fees/refundable application deposit assistance.** The DCHA may choose to assist the family with some or all these expenses.

**Holding fees** are fees an owner requests that are rolled into the security deposit after an application is accepted but before a lease is signed. The DCHA may cover part or all of the holding fee for units where the fee is required by the owner after a tenant’s application has been accepted but before the lease signing. The DCHA and owner must agree how the holding fee gets rolled into the deposit, and under what conditions the fee will be returned. In general, owners need to accept responsibility for making needed repairs to a unit required by the initial housing quality standards (HQS) inspections and can only keep the holding fee if the client is at fault for not entering into a lease.

**Security deposit assistance.** The amount of the security deposit assistance may not exceed the lesser of one month rent to owner, the maximum security deposit allowed under applicable district and/or local law, or the actual security deposit required by the owner. The DCHA may pay the security deposit assistance directly to the owner or may pay the assistance to the family. If paid to the family, the DCHA will require documentation that the family paid the security deposit.
**Utility deposit assistance/utility arrears.** The DCHA may provide utility deposit assistance for some or all of the family’s utility deposit expenses. Assistance can be provided for deposits (including connection fees) required for the utilities to be supplied by the tenant under the lease. The DCHA may pay the utility deposit assistance directly to the utility company or may pay the assistance to the family. If paid to the family, the DCHA will require documentation the family paid the utility deposit. The DCHA will require the utility supplier or family to return the utility deposit assistance to the DCHA at such time the deposit is returned by the utility supplier (less any amounts retained by the utility supplier). In addition, some families may have large balances with gas, electric, water, sewer, or trash companies that will make it difficult if not impossible to establish services for tenant-supplied utilities. The DCHA may also provide the family with assistance to help address these utility arrears to facilitate leasing. Utility deposit assistance returned to the DCHA will be used for either services fee eligible uses or other EHV administrative costs, as required by HUD.

**Owner recruitment and outreach for EHV.** The DCHA may use the service fee funding to conduct owner recruitment and outreach specifically for EHV. In addition to traditional owner recruitment and outreach, activities may include conducting pre-inspections or otherwise expediting the inspection process, providing enhanced customer service, and offering owner incentive and/or retention payments.

**Owner incentive and/or retention payments.** The DCHA may make incentive or retention payments to owners that agree to initially lease their unit to an EHV family and/or renew the lease of an EHV family.

Payments will be made as a single payment at the beginning of the assisted lease term (or lease renewal if a retention payment). Owner incentive and retentions payments are not housing assistance payments, are not part of the rent to owner, and are not taken into consideration when determining whether the rent for the unit is reasonable.

**Moving expenses (including move-in fees and deposits).** The DCHA may provide assistance for some or all of the family’s reasonable moving expenses when they initially lease a unit with the EHV. The DCHA will not provide moving expenses assistance for subsequent moves unless the family is required to move for reasons other than something the family did or failed to do (e.g., the DCHA is terminating the HAP contract because the owner did not fulfill the owner responsibilities under the HAP contract or the owner is refusing to offer the family the opportunity to enter a new lease after the initial lease term, as opposed to the family choosing to terminate the tenancy in order to move to another unit), or a family has to move due to domestic violence, dating violence, sexual assault, or stalking.

**Tenant-readiness services.** The DCHA may use fees to help create a customized plan to address or mitigate barriers that individual families may face in renting a unit with an EHV, such as negative credit, lack of credit, negative rental or utility history, or to connect the family to other community resources (including COVID-related resources) that can assist with rental arrears.
**Essential household items.** The DCHA may use services fee funding to assist the family with some or all of the costs of acquiring essential household items such as tableware, cooking equipment, beds or bedding, and essential sanitary products such as soap and toiletries.

**Renter’s insurance if required by the lease.** The DCHA may choose to assist the family with some or all this cost.

Any services fee assistance that is returned to the DCHA after its initial or subsequent use may only be applied to the eligible services fee uses defined in Notice PIH 2021-15 (or subsequent notice) or other EHV administrative costs. Any amounts not expended for these eligible uses when the DCHA’s EHV program ends must be remitted to HUD.
PART II: PARTNERING AGENCIES

TPS-II.A. CONTINUUM OF CARE (CoC)

PHAs that accept an allocation of EHV$s are required to enter into a Memorandum of Understanding (MOU) with the Continuum of Care (CoC) to establish a partnership for the administration of EHV$s.

DCHA Policy

The DCHA has entered into an MOU with the Community Partnership for the Prevention of Homelessness and the District Department of Human Services. See Exhibit TPS-1 for a copy of the MOU.

TPS-II.B. OTHER PARTNERING ORGANIZATIONS

The DCHA may, but is not required to, partner with other organizations trusted by persons experiencing homelessness, such as victim services providers (VSP$s) and other community partners. If the DCHA chooses to partner with such agencies, the DCHA must either enter into an MOU with the partnering agency or the partnering agency may be added to the MOU between the DCHA and CoC.

TPS-II.C. REFERRALS

CoC and Partnering Agency Referrals

The primary responsibility of the CoC under the MOU with the DCHA is to make direct referrals of qualifying individuals and families to the DCHA. The DCHA must generally refer a family that is seeking EHV assistance directly from the DCHA to the CoC or other referring agency for initial intake, assessment, and possible referral for EHV assistance. Partner CoCs are responsible for determining whether the family qualifies under one of the four eligibility categories for EHV$s. The CoC or other direct referral partner must provide supporting documentation to the DCHA of the referring agency’s verification that the family meets one of the four eligible categories for EHV assistance.
DCHA Policy

The CoC or partnering agency must establish and implement a system to identify EHV-eligible individuals and families within the agency’s caseload and make referrals to the DCHA. The CoC or other partnering agency must certify that the EHV applicants they refer to the DCHA meet at least one of the four EHV eligibility criteria. The DCHA will maintain a copy of the referral or certification from the CoC or other partnering agency in the participant’s file along with other eligibility paperwork. Homeless service providers may, but are not required to, use the certification form found in Exhibit TPS-2 of this chapter. Victim services providers may, but are not required to, use the certification form found in Exhibit TPS-3 of this chapter when identifying eligible families who qualify as victims of human trafficking.

As part of the MOU, the DCHA and CoC or other partnering agency will identify staff positions to serve as lead EHV liaisons. These positions will be responsible for transmission and acceptance of referrals. The CoC or partnering agency must commit sufficient staff and resources to ensure eligible individuals and families are identified and determined eligible in a timely manner.

The DCHA liaison responsible for acceptance of referrals will contact the CoC or partnering agency liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than five business days from the date the CoC or partnering agency receives this notification, the CoC or partnering agency liaison will provide the DCHA with a list of eligible referrals including the name, address, and contact phone number for each adult individual who is being referred; a completed release form for each adult family member; and a written certification for each referral indicating they are EHV-eligible.

Offers of Assistance with CoC Referral

The DCHA may make an EHV available without a referral from the CoC or other partnering organization in order to facilitate an emergency transfer under VAWA in accordance with the DCHA’s Emergency Transfer Plan (ETP) in Chapter 16.

The DCHA must also take direct referrals from outside the CoC if:

- The CoC does not have a sufficient number of eligible families to refer to the DCHA; or
- The CoC does not identify families that may be eligible for EHV assistance because they are fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking or human trafficking.

If at any time the DCHA is not receiving enough referrals or is not receiving referrals in a timely manner from the CoC or other partner referral agencies (or the DCHA and CoC cannot identify any such alternative referral partner agencies), HUD may permit the DCHA on a temporary or permanent basis to take EHV applications directly from applicants and admit eligible families to the EHV program in lieu of or in addition to direct referrals in those circumstances.
PART III: WAITING LIST MANAGEMENT

TPS-III. A. HCV WAITING LIST

The regulation that requires the DCHA to admit applicants as waiting list admissions or special admissions in accordance with admission policies in Chapter 4 does not apply to PHAs operating the EHV program. Direct referrals are not added to the DCHA’s HCV waiting list.

The DCHA must inform families on the HCV waiting list of the availability of EHVs by, at a minimum, either by posting the information to their website or providing public notice in their respective communities in accordance with the requirements listed in Notice PIH 2021-15.

DCHA Policy

The DCHA will post information about the EHV program for families on the PHA’s HCV waiting list on their website. The notice will:

- Describe the eligible populations to which EHVs are limited
- Clearly state that the availability of these EHVs is managed through a direct referral process
- Advise the family to contact the CoC (or any other PHA referral partner, if applicable) if the family believes they may be eligible for EHV assistance

The DCHA will ensure effective communication with persons with disabilities, including those with vision, hearing, and other communication-related disabilities in accordance with Chapter 2. The DCHA will also take reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP) in accordance with Chapter 2.

TPS-III.B. EHV WAITING LIST

The HCV regulations requiring the DCHA to operate a single waiting list for admission to the HCV program do not apply to PHAs operating the EHV program. Instead, when the number of applicants referred by the CoC or partnering agency exceeds the EHVs available, the DCHA must maintain a separate waiting list for EHV referrals, both at initial leasing and for any turnover vouchers that may be issued prior to September 30, 2023.

Further, the EHV waiting list is not subject to DCHA policies in Chapter 4 regarding opening and closing the HCV waiting list. The DCHA will work directly with its CoC and other referral agency partners to manage the number of referrals and the size of the EHV waiting list.
TPS-III.C. PREFERENCES

HCV Waiting List Preferences

If local preferences are established by the DCHA for HCV, they do not apply to EHV's. However, if the DCHA has a homeless preference or a VAWA preference for the HCV waiting list, the DCHA must adopt additional policies related to EHV's in accordance with Notice PIH 2021-15.

DCHA Policy

The DCHA does not offer either a homeless or a VAWA preference for the HCV waiting list.

EHV Waiting List Preferences

With the exception of a residency preference, the DCHA may choose, in coordination with the CoC and other referral partners, to establish separate local preferences for EHV's. The DCHA may, however, choose to not establish any local preferences for the EHV waiting list.

DCHA Policy

No local preferences have been established for the EHV waiting list.
PART IV: FAMILY ELIGIBILITY

TPS-IV.A. OVERVIEW

The CoC or referring agency determines whether the individual or family meets any one of the four eligibility criteria described in Notice PIH 2021-15 and then refers the family to the DCHA. The DCHA determines that the family meets other eligibility criteria for the HCV program, as modified for the EHV program and outlined below.

TPS-IV.B. REFERRING AGENCY DETERMINATION OF ELIGIBILITY

In order to be eligible for an EHV, an individual or family must meet one of four eligibility criteria:

- Homeless as defined in 24 CFR 578.3;
- At risk of homelessness as defined in 24 CFR 578.3;
- Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking (as defined in Notice PIH 2021-15), or human trafficking (as defined in the 22 U.S.C. Section 7102); or
- Recently homeless and for whom providing rental assistance will prevent the family’s homelessness or having high risk of housing instability as determined by the CoC or its designee in accordance with the definition in Notice PIH 2021-15.

As applicable, the CoC or referring agency must provide documentation to the DCHA of the referring agency’s verification that the family meets one of the four eligible categories for EHV assistance. The DCHA must retain this documentation as part of the family’s file.
TPS-IV.C. DCHA SCREENING

Overview

HUD waived 24 CFR 982.552 and 982.553 in part for the EHV applicants and established alternative requirement for mandatory and permissive prohibitions of admissions. Except where applicable, DCHA policies regarding denials in Chapter 3 of this policy do not apply to screening individuals and families for eligibility for an EHV. Instead, the EHV alternative requirement listed in this section will apply to all EHV applicants.

The mandatory and permissive prohibitions listed in Notice PIH 2021-15 and in this chapter, however, apply only when screening the individual or family for eligibility for an EHV. When adding a family member after the family has been placed under a HAP contract with EHV assistance, the regulations at 24 CFR 982.551(h)(2) apply. Other than the birth, adoption, or court-awarded custody of a child, the DCHA must approve additional family members and may apply its regular HCV screening criteria in Chapter 3 in doing so.

Mandatory Denials

Under alternative requirements for the EHV program, mandatory denials for EHV applicants include:

- 24 CFR 982.553(a)(1)(ii)(C), which prohibits admission if any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

- 24 CFR 982.553(a)(2)(i), which prohibits admission to the program if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program.

The DCHA must deny admission to the program if any member of the family fails to sign and submit consent forms for obtaining information as required by 24 CFR 982.552(b)(3) but should notify the family of the limited EHV grounds for denial of admission first.

DCHA Policy

While the DCHA will deny admission to the program if any adult member (or head of household or spouse, regardless of age) fails to sign and submit consent forms, the DCHA will first notify the family of the limited EHV grounds for denial of admission as part of the notice of denial that will be mailed to the family.
Permissive Denial

Notice PIH 2021-15 lists permissive prohibitions for which the DCHA may, but is not required to, deny admission to EHV families. The notice also lists prohibitions that, while allowable under the HCV program, may not be used to deny assistance for EHV families.

If the DCHA intends to establish permissive prohibition policies for EHV applicants, the DCHA must first consult with its CoC partner to understand the impact that the proposed prohibitions may have on referrals and must take the CoC’s recommendations into consideration.

DCHA Policy

In consultation with the CoC, the DCHA will apply permissive prohibition to the screening of EHV applicants. Determinations using permissive prohibitions will be made based on an individualized assessment of relevant mitigating information in accordance with policies in Section 3-III.E.

The DCHA will establish the following permissive prohibitions:

If the DCHA determines that any household member is currently engaged in, or has engaged in within the previous 12 months:

   - Violent criminal activity
   - Other criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity

If any member of the family has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program within the previous 12 months.

If the family engaged in or threatened abusive or violent behavior toward DCHA personnel within the previous 12 months.

The DCHA will also deny assistance to household members already receiving assistance from another program in accordance with Section 9.h. of Notice PIH 2021-15.

Prohibitions based on criminal activity for the eligible EHV populations regarding drug possession will be considered apart from criminal activity against persons (i.e., violent criminal activity).
In compliance with PIH 2021-15, the DCHA will not deny an EHV applicant admission regardless of whether:

- Any member of the family has been evicted from federally assisted housing in the last five years;
- A DCHA has ever terminated assistance under the program for any member of the family;
- The family currently owes rent or other amounts to the DCHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act;
- The family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease;
- The family breached an agreement with the DCHA to pay amounts owed to a DCHA, or amounts paid to an owner by a DCHA;
- The family would otherwise be prohibited admission under alcohol abuse standards established by the DCHA in accordance with 24 CFR 982.553(a)(3);
- The DCHA determines that any household member is currently engaged in or has engaged in during a reasonable time before the admission, drug-related criminal activity.
TPS-IV.D. INCOME VERIFICATION AT ADMISSION

Self-Certification at Admission

The requirement to obtain third-party verification of income in accordance with Notice PIH 2018-18 does not apply to the EHV program applicants at admission, and alternatively, PHAs may consider self-certification the highest form of income verification at admission. As such, DCHA policies related to the verification of income in Section 7-I.B. do not apply to EHV families at admission. Instead, applicants must submit an affidavit attesting to their reported income, assets, expenses, and other factors that would affect an income eligibility determination.

Additionally, applicants may provide third-party documentation that represents the applicant’s income within the 60-day period prior to admission or voucher issuance but is not dated within 60 days of the DCHA’s request.

DCHA Policy

Any documents used for verification must be dated within the 60-day period prior to admission. The documents must not be damaged, altered, or in any way illegible.

Printouts from webpages are considered original documents.

Any family self-certifications must be made in a format acceptable to the DCHA and must be signed by the family member whose information or status is being verified.

The DCHA will incorporate additional procedures to remind families of the obligation to provide true and complete information in accordance with Chapter 14. The DCHA will address any material discrepancies (i.e., unreported income or a substantial difference in reported income) that may arise later. The DCHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, the DCHA will terminate the family’s assistance in accordance with the policies in Chapter 12.
Recently Conducted Income Determinations

PHAs may accept income calculations and verifications from third-party providers or from an examination that the DCHA conducted on behalf of the family for another subsidized housing program in lieu of conducting an initial examination of income as long as:

- The income was calculated in accordance with rules outlined at 24 CFR Part 5 and within the last six months; and
- The family certifies there has been no change in income or family composition in the interim.

**DCHA Policy**

The DCHA will accept income calculations and verifications from third-party providers provided they meet the criteria outlined above.

The family certification must be made in a format acceptable to the DCHA and must be signed by all adult family members whose information or status is being verified.

At the time of the family’s annual reexamination the DCHA must conduct the annual reexamination of income as outlined at 24 CFR 982.516 and DCHA policies in Chapter 11.

**EIV Income Validation**

Once HUD makes the EIV data available to PHAs under this waiver and alternative requirement, the DCHA must:

- Review the EIV Income and Income Validation Tool (IVT) reports to confirm and validate family-reported income within 90 days of the PIC submission date;
- Print and maintain copies of the EIV Income and IVT Reports in the tenant file; and
- Resolve any income discrepancy with the family within 60 days of the EIV Income or IVT Report dates.

Prior to admission, PHAs must continue to use HUD’s EIV system to search for all household members using the Existing Tenant Search in accordance with DCHA policies in Chapter 3.

If a PHA later determines that an ineligible family received assistance, the DCHA must take steps to terminate that family from the program in accordance with Chapter 12.
TPS-IV.E. SOCIAL SECURITY NUMBER AND CITIZENSHIP STATUS VERIFICATION

For the EHV program, the DCHA is not required to obtain and verify SSN documentation and documentation evidencing eligible noncitizen status before admitting the family to the EHV program. Instead, PHAs may adopt policies to admit EHV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. As an alternative requirement, such individuals must provide the required documentation within 180 days of admission to be eligible for continued assistance, pending verification, unless the DCHA provides an extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

DCHA Policy

The DCHA will admit EHV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. These individuals must provide the required documentation in accordance with policies in Chapter 7 within 180 days of admission. The DCHA may provide an additional 60-day extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation.

If the DCHA determines that an ineligible family received assistance, the DCHA will take steps to terminate that family from the program in accordance with policies in Chapter 12.

TPS-IV.F. AGE AND DISABILITY VERIFICATION

PHAs may accept self-certification of date of birth and disability status if a higher level of verification is not immediately available. If self-certification is used, the PHA must obtain a higher level of verification within 90 days of admission or verify the information in EIV.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

DCHA Policy

The DCHA will accept self-certification of date of birth and disability status if a higher form of verification is not immediately available. The certification must be made in a format acceptable to the DCHA and must be signed by the family member whose information or status is being verified. If self-certification is accepted, within 90 days of admission, the DCHA will verify the information in EIV or through other third-party verification if the information is not available in EIV. The DCHA will note the family’s file that self-certification was used as initial verification and include an EIV printout or other third-party verification confirming the applicant’s date of birth and/or disability status.
If the DCHA determines that an ineligible family received assistance, the DCHA will take steps to terminate that family from the program in accordance with policies in Chapter 12.
TPS-IV.G. INCOME TARGETING

The DCHA must determine income eligibility for EHV families in accordance with 24 CFR 982.201 and DCHA policy in Chapter 3; however, income targeting requirements do not apply for EHV families. The DCHA may still choose to include the admission of extremely low-income EHV families in its income targeting numbers for the fiscal year in which these families are admitted.

DCHA Policy

The DCHA may include the admission of extremely low-income EHV families in its income targeting numbers for the fiscal year in which these families are admitted.
PART V: HOUSING SEARCH AND LEASING

TPS-V.A. INITIAL VOUCHER TERM

Unlike the standard HCV program, which requires an initial voucher term of at least 60 days, EHV vouchers must have an initial search term of at least 120 days. DCHA policies on extensions as outlined in Section 5-II.E. will apply.

DCHA Policy

All EHV's will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period unless the DCHA grants an extension.

TPS-V.B. HOUSING SEARCH ASSISTANCE

The DCHA must ensure housing search assistance is made available to EHV families during their initial housing search. The housing search assistance may be provided directly by the DCHA or through the CoC or another partnering agency or entity.

At a minimum, housing search assistance must:

- Help individual families identify potentially available units during their housing search, including physically accessible units with features for family members with disabilities, as well as units in low-poverty neighborhoods;
- Provide transportation assistance and directions to potential units;
- Conduct owner outreach;
- Assist with the completion of rental applications and DCHA forms; and
- Help expedite the EHV leasing process for the family
**DCHA Policy**

As identified in the MOU between the DCHA and CoC, the following housing search assistance will be provided to each EHV family:

The DCHA will:

- Conduct owner outreach in accordance with policies in Chapter 13
- Provide directions to potential units as part of the EHV briefing packet
- Expedite the EHV leasing process for the family to the extent practicable and in accordance with policies in this chapter
- At least every 30 days, conduct proactive check-ins via email and telephone with families who are searching with an EHV and remind them of their voucher expiration date
- Assign a dedicated landlord liaison for EHV voucher families

The CoC will:

- Help families identify potentially available units during their housing search, including physically accessible units with features for family members with disabilities, as well as units in low-poverty neighborhoods
- Provide transportation assistance to potential units
- Assist the family with the completion of rental applications and DCHA forms

**TPS-V.C. HQS PRE-INSPECTIONS**

To expedite the leasing process, PHAs may pre-inspect available units that EHV families may be interested in leasing in order to maintain a pool of eligible units.

**DCHA Policy**

To expedite the leasing process, the DCHA may pre-inspect available units that EHV families may be interested in leasing to maintain a pool of eligible units. If an EHV family selects a unit that passed a HQS pre-inspection (without intervening occupancy) within 45 days of the date of the Request for Tenancy Approval, the unit may be approved provided that it meets all other conditions under 24 CFR 982.305.

The family will be free to select his or her unit.

When a pre-inspected unit is not selected, the DCHA will conduct the HQS inspection within 2 business days of the request, if the owner and the unit are available.
TPS-V.D. INITIAL LEASE TERM
Unlike in the standard the HCV program, EHV voucher holders may enter into an initial lease that is for less than 12 months, regardless of the DCHA policy in Section 9-I.E., Term of Assisted Tenancy.

TPS-V.E. PORTABILITY
The normal HCV portability procedures and requirements outlined in Chapter 10 generally apply to EHVs. Exceptions are addressed below.

Nonresident Applicants
Under EHV, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial PHA when they applied, regardless of DCHA policy in Section 10-II.B.

Billing and Absorption
A receiving PHA cannot refuse to assist an incoming EHV family, regardless of whether the PHA administers EHVs under its own ACC.

- If the EHV family moves under portability to another PHA that administers EHVs under its own ACC:
  - The receiving PHA may only absorb the incoming EHV family with an EHV (assuming it has an EHV voucher available to do so).
  - If the PHA does not have an EHV available to absorb the family, it must bill the initial PHA. The receiving PHA must allow the family to lease the unit with EHV assistance and may not absorb the family with a regular HCV when the family leases the unit.
  - Regardless of whether the receiving PHA absorbs or bills the initial PHA for the family’s EHV assistance, the EHV administration of the voucher is in accordance with the receiving PHA’s EHV policies.

- If the EHV family moves under portability to another PHA that does not administer EHV under its own ACC, the receiving PHA may absorb the family into its regular HCV program or may bill the initial PHA.
Family Briefing

In addition to the applicable family briefing requirements at 24 CFR 982.301(a)(2) as to how portability works and how portability may affect the family’s assistance, the initial PHA must inform the family how portability may impact the special EHV services and assistance that may be available to the family.

The initial PHA is required to help facilitate the family’s portability move to the receiving PHA and inform the family of this requirement in writing, taking reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP).

DCHA Policy

In addition to following DCHA policy on briefings in Chapter 5, as part of the briefing packet for EHV families, the DCHA will include a written notice that the DCHA will assist the family with moves under portability.

For limited English proficient (LEP) applicants, the DCHA will provide interpretation services in accordance with the DCHA’s LEP plan (See Chapter 2).

Coordination of Services

If the portability move is in connection with the EHV family’s initial lease-up, the receiving PHA and the initial PHA must consult and coordinate on the EHV services and assistance that will be made available to the family.

DCHA Policy

For EHV families who are exercising portability, when the DCHA contacts the receiving PHA in accordance with Section 10-II.B. Preapproval Contact with Receiving PHA, the DCHA will consult and coordinate with the receiving PHA to ensure there is no duplication of EHV services and assistance, and ensure the receiving PHA is aware of the maximum amount of services fee funding that the initial PHA may provide to the receiving PHA on behalf of the family.
Services Fee

Standard portability billing arrangements apply for HAP and ongoing administrative fees for EHV families.

For service fees funding, the amount of the service fee provided by the initial PHA may not exceed the lesser of the actual cost of the services and assistance provided to the family by the receiving PHA or $1,750, unless the initial PHA and receiving PHA mutually agree to change the $1,750 cap. Service fees are paid as follows:

- If the receiving PHA, in consultation and coordination with the initial PHA, will provide eligible services or assistance to the incoming EHV family, the receiving PHA may be compensated for those costs by the initial PHA, regardless of whether the receiving PHA bills or absorbs.

- If the receiving PHA administers EHV, the receiving PHA may use its own services fee and may be reimbursed by the initial PHA, or the initial PHA may provide the services funding upfront to the receiving PHA for those fees and assistance.

- If the receiving PHA does not administer EHV, the initial PHA must provide the services funding upfront to the receiving PHA. Any amounts provided to the receiving PHA that are not used for services or assistance on behalf of the EHV family must promptly be returned by the receiving PHA to the initial PHA.

Placement Fee/Issuance Reporting Fee

If the portability lease-up qualifies for the placement fee/issuance reporting fee, the receiving PHA receives the full amount of the placement component of the placement fee/issuing reporting fee. The receiving PHA is eligible for the placement fee regardless of whether the receiving PHA bills the initial PHA or absorbs the family into its own program at initial lease-up. The initial PHA qualifies for the issuance reporting component of the placement fee/issuance reporting fee, as applicable.
TPS-V.F. PAYMENT STANDARDS

Payment Standard Schedule

For the EHV program, HUD has waived the regulation requiring a single payment standard for each unit size. Instead, the DCHA may, but is not required to, establish separate higher payment standards for EHV units. Lower EHV payment standards are not permitted. If the DCHA is increasing the regular HCV payment standard, the DCHA must also increase the EHV payment standard if it would be otherwise lower than the new regular HCV payment standard. The separate EHV payment standard must comply with all other HCV requirements with the exception of the alternative requirements discussed below.

Further, if the DCHA chooses to establish higher payments standards for EHV units, HUD has provided other regulatory waivers:

- Defining the “basic range” for payment standards as between 90 and 120 percent of the published Fair Market Rent (FMR) for the unit size (rather than 90 to 110 percent).

- Allowing a PHA that is not in a designated Small Area FMR (SAFMR) area or has not opted to voluntarily implement SAFMRs to establish exception payment standards for a ZIP code area above the basic range for the metropolitan FMR based on the HUD published SAFMRs. The DCHA may establish an exception payment standard up to 120 percent (as opposed to 110 percent) of the HUD published Small Area FMR for that ZIP code area. The exception payment standard must apply to the entire ZIP code area.

  - The DCHA must notify HUD if it establishes an EHV exception payment standard based on the SAFMR.

  DCHA Policy

  The DCHA may establish a higher payment standard amount for EHV units.

Rent Reasonableness

All rent reasonableness requirements apply to EHV units, regardless of whether the DCHA has established an alternative or exception EHV payment standard.

Increases in Payment Standards

The requirement that the DCHA apply increased payment standards at the family’s first regular recertification on or after the effective date of the increase does not apply to EHV. The DCHA may, but is not required to, establish an alternative policy on when to apply the increased payment standard, provided the increased payment standard is used to calculate the HAP no later than the effective date of the family’s first regular reexamination following the change.

  DCHA Policy

  The DCHA will not establish an alternative policy for increases in the payment standard. DCHA policy in Section 11-III.B. governing increases in payment standards will apply to EHV.
TPS-V.G. TERMINATION OF VOUCHERS

After September 30, 2023, a PHA may not reissue EHV's when assistance for an EHV-assisted family ends. This means that when an EHV participant (a family that is receiving rental assistance under a HAP contract) leaves the program for any reason, the DCHA may not reissue that EHV to another family unless it does so no later than September 30, 2023.

If an applicant family that was issued the EHV is unsuccessful in finding a unit and the EHV expires after September 30, 2023, the EHV may not be reissued to another family.

All EHV's under lease on or after October 1, 2023, may not under any circumstances be reissued to another family when the participant leaves the program for any reason.

An EHV that has never been issued to a family may be initially issued and leased after September 30, 2023, since this prohibition only applies to EHV's that are being reissued upon turnover after assistance to a family has ended. However, HUD may direct PHAs administering EHV's to cease leasing any unleased EHV's if such action is determined necessary by HUD to ensure there will be sufficient funding available to continue to cover the HAP needs of currently assisted EHV families.
PART VI: USE OF FUNDS, REPORTING, AND FINANCIAL RECORDS

EHV funds allocated to the DCHA for HAP (both funding for the initial allocation and HAP renewal funding) may only be used for eligible EHV HAP purposes. EHV HAP funding obligated to the DCHA may not be used for EHV administrative expenses or the other EHV eligible expenses under this notice. Likewise, EHV administrative fees and funding obligated to the DCHA are to be used for those purposes and must not be used for HAP.

The appropriated funds for EHV's are separate from the regular HCV program and may not be used for the regular HCV program but may only be expended for EHV eligible purposes. EHV HAP funds may not roll into the regular HCV restricted net position (RNP) and must be tracked and accounted for separately as EHV RNP. EHV administrative fees and funding for other eligible expenses permitted by Notice PIH 2021-15 may only be used in support of the EHV’s and cannot be used for regular HCV’s. EHV funding may not be used for the repayment of debts or any amounts owed to HUD by HUD program participants including, but not limited to, those resulting from Office of Inspector General (OIG), Quality Assurance Division (QAD), or other monitoring review findings.

The DCHA must comply with EHV reporting requirements in the Voucher Management System (VMS) and Financial Data Schedule (FDS) as outlined in Notice PIH 2021-15.

The DCHA must maintain complete and accurate accounts and other records for the program and provide HUD and the Comptroller General of the United States full and free access to all accounts and records that are pertinent the administration of the EHV’s in accordance with the HCV program requirements at 24 CFR 982.158.
MEMORANDUM OF AGREEMENT

BETWEEN

THE DISTRICT OF COLUMBIA
DEPARTMENT OF HUMAN SERVICES

AND

THE DISTRICT OF COLUMBIA HOUSING AUTHORITY

FOR

FISCAL YEAR 2020

I. INTRODUCTION

This Memorandum of Agreement (MOA) is entered into on this 10th day of September, 2019, by and between the District of Columbia (District) Department of Human Services (DHS), the buyer agency, and the District Housing Authority (DCHA), an independent authority of the District, the seller agency, to administer rental assistance payments to participating landlords on behalf of the DHS Family Rehousing and Stabilization Program (hereinafter referred to as "FRSP"). DHS and DCHA are each referred to herein as a "Party" and collectively referred to herein as the "Parties." The "Commencement Date" of this MOA shall be the 1st of October, 2019.

II. PROGRAM GOALS AND OBJECTIVES

In accordance with the provisions of the Homeless Services Reform Act of 2005 effective October 22, 2005 (D.C. Law 16-35; D.C. Official Code 4-751.01, et seq.), as amended (HSRA), FRSP provides time-limited housing subsidies and wrap-around supportive services to individuals and families in the District with histories of homelessness to ensure housing stabilization, maximum levels of self sufficiency, and an overall better quality of life.

DHS received the Federal Emergency Solutions Grants Program (ESG) funding in accordance with Subtitle B of the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), as amended (42 U.S.C. et seq.), and the accompanying regulations codified at 24 C.F.R. "576.1 et seq. (the "McKinney Act Regulations" or "ESG Regulations"), as amended. DHS will utilize the Federal Emergency Solutions Grant ("ESG") funds received from the United States Department of Housing and Urban Development (HUD) (HUD grant numbers "HUD- 16-MC-I I 0001 " and "HUD-17-MC-11-0001 ") in addition to the local FRSP funding provided to DCHA to cover eligible activities listed under 42 U.S.C. 911374 for the ESG Program. DCHA shall utilize ESG funding provided by DHS pursuant to this MOA to pay the first month rents and security deposits to rapidly rehouse individuals and families experiencing homelessness within the District’s Continuum of Care as defined in the HSRA (See D.C. Official Code 4-751.01 (8) and 4-753.01).
The FRSP and ESG-funded program is targeted to individuals, unaccompanied youth, and families who are at risk of becoming homeless or are homeless. DHS requires that recipients of ESG assistance be eligible for homeless services under the HSRA. Verification of this eligibility must be maintained in the Homeless Management Information System (HMIS) by the DHS Family Services Administration (FSA) staff requesting the assistance. Funding shall be prioritized to serve the following:

1. Households who are at risk of homelessness or chronically homeless as defined by HUD in 24 C.F.R.§578.3.
2. Households who are currently being served in FRSP and require additional financial assistance or housing stabilization services. FRSP is designed to assist families with exiting shelter as quickly as possible. The FRSP provides a short-term rental subsidy to assist families with obtaining and maintaining permanent housing.

DHS and DCHA are working together in a joint effort to stabilize the housing of FRSP families and streamline the monthly rental payments of FRSP subsidies to participating landlords. The Rental Partnership Initiative (RPI) will allow DHS to pre-pay the entirety of each client's monthly rent to their respective landlords, and clients will pay their monthly rental portions directly to DCHA.

III. SCOPE OF SERVICES

In order to achieve the goals and objectives described in Section II of this MOA, DHS and DOHA have agreed that DHS shall provide funding and oversight to DCHA as described in Section III.A of this MOA. DHS and DCHA have further agreed that DCHA shall provide administrative and other services as described in Section III.B of this MOA.

A. DHS Obligations and Responsibilities

1. DHS RRSP Contact Person:
   Noah Abraham
   Deputy Administrator
   Family Services Administration
   64 New York Avenue, N.E.
   Washington, DC 20002
   Phone: (202) 698-3910
   Email: Noah.abraham@dc.gov

2. DHS ESG Contact Person:
   Nada Mohamed
3. **Resources and Payment Schedule**

DHS shall provide the following resources to fulfill its obligations under this MOA:

3.1 The total cost for services under this MOA shall not exceed thirty seven million five hundred thousand dollars ($37,500,000.00) for Fiscal Year (FY) 2020 as follows:

   - **Local Funding:**
     - Up to thirty-six million five hundred thousand dollars ($36,500,000.00) in local funding.

   - **Federal ESG Funding:**
     - Up to one million dollars ($1,000,000.00) in Federal ESG grant funding.

3.2 DHS shall make payments under this MOA pursuant to the following payment schedule:

   - DHS shall transfer up to nine million three hundred seventy-five thousand dollars ($9,375,000.00) in local funding to DCHA through a bank check, Automated Clearing House Payment (ACH) or electronic wire on or before October 15, 2019, which will cover rents and security deposits for the months of October 2019 to December 2019. Of this initial payment in local funding, DHS shall transfer up to three million five hundred thousand dollars ($3,500,000.00) on or before September 29, 2019, as an initial advance to cover one month’s rental subsidy, security deposits and an administrative fee for the month of October 2019.

   - Based on the invoices submitted to DCHA, DHS shall subsequently transfer up to nine million three hundred seventy-five thousand dollars ($9,375,000.00) in local funding for the following three quarters with payments to be made on or before the following dates: December 29, 2019, March 30, 2020, and June 30, 2020. Up to one million dollars ($1,000,000.00) of the total payments shall be utilized to pay the first three months’ of rent and security deposits for ESG-eligible clients, as verified by
DHS shall make payments with local funds and subsequently be reimbursed with ESG federal funds.

- Within ten (10) business days of the end of each quarter, DCHA shall provide an invoice and reconciliation of the payments made for rental subsidies and security deposits to the DHS/FSA Program Analyst, Rebecca Worrell, and Grants Management Specialist, Nada Mohamed. The funds for rental subsidies and security deposits may be supplemented by amendments to this MOA throughout the fiscal year if DHS identifies additional monies to be used for this program. Additionally, the quarterly payments provided for in this MOA are estimates for projected monthly payments and may be reduced or adjusted following review of actual expenditures detailed in quarterly reconciliation reports. Contingent upon the availability of funding, the Parties may extend the term of this MOA in accordance with Section V of this MOA. Any unused funds remaining after final payments have been made pursuant to this MOA shall be either: 1) applied to payments for first month’s rent and security deposits for October 2020, assuming this MOA is extended for another term; or, 2) returned to DHS prior to October 1, 2020.

3.3 As part of the funds transferred in accordance with Section 3.2 above, DCHA shall earn and be entitled to payment of an administrative fee in an amount equal to eight percent (8%) of the total amount paid by DCHA for rental payments under this MOA, including any modifications, for rental subsidies, and security deposits in the administration of DHS' FRSP and ESG ("Administrative Fee"). Within ten (10) business days of the end of each quarter, DCHA shall provide a statement to Rebecca Worrell and Nada Mohamed at DHS/FSA confirming the amount of the administrative fee earned by DCHA and to be retained for that quarter. Any unused funds at the end of the quarter shall be credited to the next quarter payments,

3.4 Total DHS proposed activities under this MOA shall include:

a. Payment of security deposits and first month’s rent as one time assistance for up to 2300 families enrolled in FRSP for FY 2020.

b. Payment of a monthly Administrative Fee, to cover issuance of monthly payments to landlords, collection of FRSP client rental payments, issuance of funds to clients (in accordance with FRSP protocol), housing inspections, and coordination with DHS which eight percent (8%) of the total amount paid by DCHA for rental payments under this MOA shall not
exceed thirty seven million five hundred thousand dollars ($37,500,000.00) for FY 2020.

4. Services
DHS shall provide the following services to DCHA:

4.1 Make available to DCHA all federal and local laws, regulations, handbooks, directives, documents, data, or other information necessary for DCHA to comply with the requirements of this MOA.

4.2 Provide DCHA with the total rental payment amount to be paid to the landlords, along with the amount of any security deposit. In addition, DHS shall determine and provide DCHA with the tenant portion of the rent obligation for all ESG- and locally-funded FRSP participants referred through September 30, 2020. Current and new FRSP participants will pay the tenant portion of the rent through a Wells Fargo lock-box to DCHA. Existing FRSP families and landlords will be enrolled into the FRSP progressively. DHS shall provide DCHA with a listing of participating FRSP families and their updated monthly rental payment portions.

4.3 Provide to DCHA no later than the fifteenth (15th) calendar day of each month, notification of required rental subsidy payments and payments to be made on or to be terminated before the first (1st) day of the next month.

4.4 Request a special check-run for ESG and locally funded FRSP participants entering into leases with landlords ("lease ups") throughout the month on a as needed basis. A special check-run occurs when DCHA processes a payment or payments upon DHS’ request as an off-cycle payment in addition to the ongoing payments for rental subsidies made to landlords at the beginning of every month.

4.5 Provide information, as necessary, to DCHA for emergency FRSP payments with all necessary and relevant information in order for DOHA to process such payments within two (2) business days of the notification to DCHA from DHS for a FRSP participant with an existing record with DCHA; and within five (5) business days of notification to DCHA from DHS for a FRSP customer without an existing record with DCHA.

4.6 Provide an email response within three (3) business days following notification from DCHA that an address on the FRSP rental subsidy payment documents does not match the FRSP unit address in DCHA’s unit files.
4.7 Determine FRSP participants' eligibility for ESG assistance in accordance with HUD eligibility requirements and provide DCHA with a separate tracking list of ESG funded clients.

4.8 Determine FRSP participants' eligibility for FRSP in accordance with DHS eligibility requirements. DHS or its designee shall conduct interim and annual re-certifications (as applicable) and shall provide DCHA with any changes to rental payment amounts by the fifteenth (15th) calendar day of each month.

4.9 Provide a complete landlord leasing package of information, as required by DCHA, for each FRSP unit requiring a DCHA Housing Quality Standards (HQS) inspection.

4.10 Make every effort to ensure that the FRSP participant's case manager is available for any special FRSP unit inspection.

4.11 Notify DCHA of the continued eligibility of the FRSP participants utilizing DHS's own recertification process. If the FRSP participant's monthly rental portion is updated during the recertification process, DHS
shall notify DCHA to reflect the family's updated monthly rental payments. Subsequently, DCHA will, update the program participant's monthly rental payment invoice accordingly.

4.12 Provide all necessary training to designated DCHA staff on the DHS Step Tool Quick-Base (STEP) data applications and ESG regulations to ensure electronic document transmission and communication between agencies.

4.13 Establish with DCHA a mutually agreed upon process, procedure, and protocol for executing all HQS inspection requests.

4.14 Ensure that the landlord has provided DCHA with all information necessary to allow the rental subsidy payment to be made in accordance with the requirements of the ESG and FRSP programs.

4.15 Ensure that all FRSP unit and landlord information entered into the STEP is accurate and complete prior to request for inspection.

4.16 Collaborate with DCHA to enhance automation of the monthly and midmonth payment process, including the implementation of payments through direct deposit.

5. Program and Financial Records

DHS shall maintain separated program and financial records regarding the FRSP and ESG funded services provided under this MOA at 64 New York Avenue, N.E., Washington, DC 20002. DHS shall retain a copy of all books, records, documents and other documents pertaining to the services provided under this MOA, in such detail as shall properly reflect all costs, direct and indirect, labor, materials, equipment, supplies and other items for a three (3) year period after the termination of this MOA, except that in the case of an audit or investigation relating to the services provided under this MOA, records shall be retained until the audit or investigation has been completed.

B. DCHA Obligations and Responsibilities

DCHA shall be responsible for inspecting properties to ensure that each FRSP unit meets all federal Housing Quality Standards and DHS requirements; making security deposit, rental subsidy payments for ESG funded clients; providing activity and financial reports for FRSP; and other responsibilities agreed to by the Parties to this MOA. The obligations and responsibilities of DCHA shall be made in accordance with this MOA, except as modified by DHS and agreed to in writing by DCHA.

1. DCHA Contact Person Carolyn Punter
   Director, Housing Choice Voucher Program
   1133 North Capitol Street, N.E.
   Washington, DC 20002.
   Phone: (202) 435-3303
2. **Staffing**
   DCHA shall provide qualified staff dedicated to each DHS specific program and service as required by this MOA, to include a current contact person to serve as the liaison to DHS. This contact person shall participate in scheduled conference calls and meetings with FRSP staff.

3. **Services**
   DCHA shall provide the following services to DHS:

   3.1 Maintain the local FRSP funds in a designated FRSP account separate from other DCHA account(s) and ensure that any interest on the funds is deposited back into the FRSP account for use in the FRSP.

   3.2 Maintain the Federal ESG grant funds in a designated ESG account separate from other DCIA account(s) and ensure that any interest on the funds is deposited back into the FRSP account for use in the FRSP.

   3.3 Process DHS requests for rental subsidy and security deposit payments for all FRSP participants that DHS has determined to be eligible upon confirmation of DCHA receipt of all required documentation.

   3.4 Process payment disbursements to DHS authorized landlords, on the first (1st) and fifteenth (15th) business day of each month, for rents, prorated rents, security deposits, adjustments, and related costs authorized by DHS for FRSP. DCHA shall ensure that these FRSP payments are disbursed in a timely fashion and no later than the first (1st) business day of the month after DHS notification of the needed payment by the fifteenth 15th day of the previous month. DCHA shall notify the DHS contact of any pending delays to processing that will result in delayed disbursement at least 72 hours before scheduled disbursement date.

   3.5 DCHA shall mail rental payment invoices to FRSP participants on behalf of DHS. The invoices will be sent with a pre-paid return mail envelope to assist participants with the mailing costs. DCHA shall also facilitate mechanisms for participants to drop off their payment at DCHA during work hours.

   3.6 Develop and implement procedures for processing emergency requests for FRSP payments. An "emergency request" is defined by DHS as an unanticipated, unplanned, and unscheduled need for FRSP payment(s) that will result in an adverse impact, such as eviction or threat to health and safety, on a consumer/family if response is delayed. Emergency
FRSP payments must be processed and paid within two (2) business days of notification to DCHA by DHS for a FRSP participant with an existing record with DCHA, and within five (5) business days of notification to DCHA by DHS of a FRSP participant without an existing record with DCHA.

3.7 Provide DHS with participant payment information (which may be in the form of monthly invoices, perforated statements, or similar) on or before October 15, 2019, after DHS provides written notice to its active landlords and participants, so that DHS can provide its FRSP participants with information that will enable them to pay their monthly tenant portion of the rent to a DCHA designated account.

3.8 Establish a dedicated payment lockbox to accept payments from FRSP participants in time for tenants to make their payment to their tenant portion which is due October 1, 2019. The lockbox shall have the following address: Wells Fargo, Department of Human Services, c/o DCHA, FRSP, P.O. Box 49002, Baltimore, MD 212974902.

3.9 Provide staff on site for at least FOUR (4) days to collect rental payments at a designated location based on a schedule negotiated with DHS.

3.10 Upon successful exit from the FRSP program, DCHA shall make exit bonus payment disbursement(s) to FRSP participants, from the tenant portion of lease rent paid to the DCHA/DHS account by that FRSP participant, as authorized by DHS.

3.11 Assist DHS in the development and issuance of solicitations for available FRSP units, providing landlords with program information, viewing available FRSP units, conducting unit inspections and securing FRSP units by making payments for security deposits.

3.12 Schedule to inspect rental units prior to occupancy by FRSP consumers within two (2) business days of the request for inspection by DHS and inform DHS via STEP of all efforts made to schedule the inspection date; and annually thereafter (if applicable), to ensure compliance with the United States Department of Housing and Urban Development (HUD) HQS or any applicable federal statutes, regulations, and ordinances.

3.13 Provide at a minimum the following reports to DHS, in a format agreed to by both parties:

a. Annual certification of segregation of ESG and local FRSP funding from other DCHA funding (due within thirty (30) days of end of the fiscal year).

b. Annual report on end-of-fiscal year ESG and local FRSP funds to be carried over into current fiscal year funds (due within thirty (30) days of end of the fiscal year).
c. Monthly payment report to include all security deposits, Federal
    ESG and local FRSP funded first month rental payments made
    Monthly variance report listing payments authorized but not
    made, and the reason for any payment delays (due by the tenth
    (10)) of each month for the previous month).

d. Monthly summary report of ESG and local FRSP funded which
    includes the following: deposits to account, payments and
    withdrawals, service charges, interest earned and remaining
    balance.

e. Monthly Payment Report to include Rental Partnership
    Initiative (RPI) payments made by FRSP clients to DCHA (due
    by the tenth of each month for the current month). The RPI report
    should be in provided in Microsoft Excel (non-PDF) and include
    (not limited to the following information:

    • Payee Name
    • Payee Address
    • Zip Code
    • Charge Month
    • Client Monthly Charge
    • Client Payment Amount
    • Ending Balance
    • Money Order or Check Payment #

    Additionally, the report should include an Aged Accounts
    Receivable Report to show past balances in 30-day increments
    for FRPS families.

f. Monthly report of all inspections requested, scheduled,
    completed, and not completed with current status, specified by
    ESG funded clients.

g. Quarterly invoice and reconciliation of payments, as described
    in Section IILB.2 above (due within ten (10) business days of
    the end of the quarter).

3.14 Provide the necessary training to DHS or its designee that shall
    familiarize DHS or designee staff with any new DCHA procedures or
    policy changes that impact DCHA’s obligations under this MOA.

3.15 Input all complete and required landlord and FRSP locally and
    federally funded participant family information in its system provided by
    DHS or its contractors for payment purposes. DCHA shall notify DHS
    whether any required document or package is incomplete and shall enter
the information in its database as soon as the document or package is complete.

3.16 Process and schedule routine and complaint HQS inspections within forty-eight (48) hours or two (2) business days, whichever is later, of the request for inspection. All requests for initial HQS inspections should be scheduled to be conducted within two (2) business days.

3.17 Notify DHS through STEP tool of the status of a conducted or attempted inspection within twenty-four (24) hours or the next business day after conducting the HQS inspection. All re-inspections of failed units should be completed no more than ten (10) business days of the initial inspection. Ensure that all inspection results are entered into the STEP tool no later than 24 hours or the next business day after the completion of the inspection to include the inspection report and outcome of the inspection.

3.18 Notify and obtain permission from DHS to make an attempt to recover from landlords participating in FRSP and ESG any overpayments of rents or security deposits.

3.19 Conduct a quarterly financial accounting that includes an expenditure report. The format and content of the reconciliation shall be mutually agreed upon by the Parties.

3.20 Return to DHS any funds provided to DCHA through this MOA that are not used either due to lower tenant rents, recovered rents, fees, security deposits or unused administrative fee due to lower than expected inspections or rental payments.

3.21 DCHA shall identify and provide an annual staff allocation plan to inform DHS the following: specific staff designated to this agreement, percentage of time allocated and specific duties.

4. Exceptions
DCHA shall not be responsible for the enforcement of any terms of a lease between local FRSP- and ESG- funded participant tenants and landlords.

5. Program and Financial Records
DCHA shall maintain local FRSP and ESG funds and financial records regarding the services provided under this MOA at 1 133 North Capitol Street, N.E. Washington, DC. 20002. DCHA shall retain a copy of all books, records, documents, and other documents pertaining to the services provided under this MOA for a three (3) year period after the termination of this MOA, except that in the case of an audit or investigation relating to the services provided under this MOA, records shall be retained until the audit or investigation has been completed whenever that shall take place.

C. Mutual Obligations of DHS and DCHA
The Parties shall do everything within their respective powers to coordinate and cooperate with each other toward the mutual goal of compliance with all applicable federal and District laws.

V. AUTHORITY FOR MOA

The authority for this MOA is the HSRA*, 42 U.S.C. 51 1371 el seq.; 24 C.F.R. "576.1 el seq.; DC. Official Code 1-301.01 the Fiscal Year 2020 Local Budget Act of 20195 D.C. Law 23-001 1, effective August 31, 2019; and any other applicable District and Federal law and regulation.

v. TERM OF AGREEMENT

The term of this MOA shall begin on October 1, 2019, also known as effective date, The MOA shall end on September 30, 2020, unless continued by amendment or terminated earlier, in accordance with the provisions of Section IX and XII herein.
The Parties may extend the term of this MOA by exercising a maximum of four (4) one (1) year option periods. Option periods may consist of a year, a fraction thereof, or multiple successive fractions of a year. DHS shall provide a notice of its intent to renew an option prior to the expiration of the MOA.

The exercise of an option period is subject to the availability of federal funds at the time of the exercise of the option.

VI. FUNDING PROVISIONS

A. Cost of Services

The total cost for services under this MOA shall not exceed thirty-seven million five hundred thousand dollars ($37,500,000.00); thirty-six million five hundred thousand dollars and zero cents ($36,500,000.00), of which shall be from local funding, and one million dollars ($1,000,000.00) shall be from Federal ESG grant funding, which includes reimbursement to DCHA of the administrative fee associated with administering FRSP and ESG as provided in section III.A.3.3.

B. Transfer of Funds

DHS shall make payments under this MOA pursuant to the schedule and terms contained in Section III.A.3, above.

C. Payments

Any expenditure disallowed by audit or other DHS or federal government review shall be subject to repayment by DCHA.

DCHA and DHS shall reconcile the funding under this MOA on a quarterly basis or as needed. If DHS chooses to not exercise the option to continue the services of DCHA, then DCHA shall return any unused funds to DHS within thirty (30) days of the end of the fiscal year.

Notwithstanding anything contained herein to the contrary, the Parties understand, acknowledge, and agree that if DHS fails to make timely payments to DCHA of the funds set forth in this MON including payment of the administrative fee due to DOHA, then DCHA shall not be required to render services or make payments to landlords or other persons.

D. Dispute Resolution

The Parties shall work diligently and in good faith to strengthen inter-agency collaboration to administer FRSP. Disputes that cannot be resolved between the representatives of DHS and DCHA directly involved in the activities covered by this MOA shall be referred to the Director of DHS and the Executive Director of DCHA. The decision of the Directors shall be binding. In the event that the Parties are unable to resolve a financial issue, the matter shall be referred to the DC. Office of the Chief Financial Officer, Office of Financial Operations and Systems.
E. Monthly Review

Pursuant to the Financial Review Process (FRP) mandated by the Office of the Chief Financial Officer of the District (OCFO), all services provided under this MOA shall be reported monthly in the Purchasing Agency FRP submission, submitted to the OCFO Office of Budget and Planning by DHS.

F. Anti-Deficiency Considerations

The Parties acknowledge and agree that their respective obligations to fulfill financial obligations of any kind pursuant to any and all provisions of this MOA, or any subsequent agreement entered into by the parties pursuant to this MOA, are and shall remain subject to the provisions of (i) the federal Anti-Deficiency Act, 31 U.S.C. #1341, 1342, 1349, 1351, (ii) the District of Columbia Anti-Deficiency Act, D.C. Official Code 47-355.01-355.08 (2001), (iii) D.C. Official Code 47-105 (2001), and (iv) D.C. Official Code 1-204.46 (2006 Supp.), as the foregoing statutes may be amended from time to time, regardless of whether a particular obligation has been expressly so conditioned.

Notwithstanding anything in this MOU to the contrary, DCHA's legal liability for the payment of any amounts due under this MOU (i) shall not arise or obtain in advance of the lawful availability of duly authorized and appropriated funds for the applicable fiscal year as approved by Congress and (ii) shall be limited to eligible non-public housing assets (i.e., assets not subject to any Declaration of Trust and not acquired or merged with assets acquired with public housing funding under the United States Housing Act of 1937).

VII. COMPLIANCE AND ASSURANCE

As this MOA is funded by federal and District funds, DCHA shall be subject to scheduled and unscheduled monitoring reviews to ensure compliance with all applicable requirements.

VIII. PRIVACY COMPLIANCE

The Parties and their designees shall use, restrict, safeguard and dispose of all information related to services provided by this MOU; shall comply with the confidentiality provisions of the HSRA (D.C. Official Code 4-754.11 (7) and 4-754.21 (12)); and, where required, the Privacy Act of 1974 (5 U.S.C. 552a); and shall comply with any other relevant federal and local confidentiality statutes, regulations, or policies regarding the confidentiality of protected information, including names and social security numbers. Information received by either Party in the performance of responsibilities associated with the performance of this MOU shall remain the property of the buyer agency.

IV. TERMINATION
This MOA may be terminated by either Party by a written notice provided thirty (30) calendar days before the date of termination, for the following reasons:

A. Lack of funding;
B. Lack of Congressionally approved budget;
C. Changes in applicable law;
D. Changes in a District or federal policy affecting the services described in this agreement;
E. Changes in the structure or the nature of the program covered by this MOA;
F. Elimination of the program or services covered by this MOA;
G. Failure of the other Party to comply of roles and responsibilities described in this MOA, District laws, rules, or regulations; or
H. When either Party determines, in good faith, that the continuation of this MOA is infeasible or contrary to the interests of that Party under this MOA.

In addition, DCHA shall have the right to terminate this MOA for failure of DHS to provide funding pursuant to the terms of this MOA, including quarterly payments of amounts to be paid by DCHA to landlords and payments of administrative fees due to DCHA.

X. NOTICES

Any notice required pursuant to this MOA shall be in writing and shall be deemed to have been delivered and given for all purposes: (a) on the delivery date if delivered by confirmed facsimile, e-mail or delivered personally to the Party to whom the notice is addressed; (b) one (1) business day after deposit with a commercial overnight carrier with written verification of receipt; or (c) five (5) business days after the mailing date, whether or not actually received, if sent by United States Postal Service, return receipt requested, postage and charges prepaid or any other means of rapid mail delivery for which a receipt is available. Notice shall be sent to the following addresses:

DISTRICT OF COLUMBIA HOUSING AUTHORITY:
Tyrone Garrett, Executive Director
1133 North Capitol Street, N.E.
Washington, DC 20002
Telephone: (202) 535-1500
Facsimile: (202) 535-1740
Email: tgarrett@dchousing.org

With a copy to:
1133 North Capitol Street, N.E., Suite 210
Washington, DC 20002
Attn: Office of the General Counsel
Phone: (202) 535-2835
Fax: (202) 535-2521
XI. SEVERABILITY

In the event that any provision of this MOA shall be held unenforceable under District of federal law or equity, all remaining provisions of this MOA shall be valid, binding and enforceable against the Parties hereto.

XII. MODIFICATIONS

This MOA may only be modified or amended by a written instrument which shall be signed by both Parties.

XIII. NOTICE OF CLAIMS

Each Party shall promptly inform the other Party of any information related to the provision of services under this MOA that could reasonably lead to a claim, demand, or liability of or against the other Party or the District by any third party.

XIV. AUTHORITY OF THE PARTIES

By executing this MOA, each Party represents to the other Party that it is authorized to enter into this MOA, that the person signing on its behalf is duly authorized to execute this MOA and that no other signatures are necessary.

XV. NON-ASSIGNMENT

Neither Party may assign this MOA, in whole or in part, without the other Party's written consent.

XVI. RIGHTS NOT WAIVED

The failure of the Parties to insist upon strict performance of any of the terms or conditions of this MOA shall not be deemed to be a waiver of any rights or remedies that the Parties may have, nor shall it be deemed to be a waiver in the event of any subsequent breach or default.

XVII. ENTIRE AGREEMENT

This MOA contains the entire understanding of the Parties with respect to the matters contained herein, and supersedes any and all other agreements between the Parties relating to the matters contained herein. No oral or written statements not specifically incorporated or referenced herein shall be of any force or effect,
XVIII. NO JOINT VENTURE OR THIRD PARTY BENEFICIARIES

Nothing contained in this MOA shall be deemed or construed by the Parties or by any third party to create the relationship of principal and agent, partnership, joint venture, or any association between the Parties except as specifically stated herein. This MOA is made for the benefit of the Parties hereto and not for the benefit of any third party.

IN WITNESS WHEREOF, the undersigned have executed this MOA on behalf of their respective organizations as follows.

Exhibit TPS-2: HOMELESS PROVIDER’S CERTIFICATION

Attachment 3 of Notice PIH 2021-15  Example of a Homeless Provider’s Certification

Emergency Housing Voucher (EHV)

HOMELESS CERTIFICATION

EHV Applicant Name: __________________________________________

☐ Household without dependent children (complete one form for each adult in the household)

☐ Household with dependent children (complete one form for household)

Number of persons in the household: ___

This is to certify that the above named individual or household meets the following criteria based on the check mark, other indicated information, and signature indicating their current living situation-

Check only one box and complete only that section

________________________________________

Living Situation: place not meant for human habitation (e.g., cars, parks, abandoned buildings, streets/sidewalks)

☐ The person(s) named above is/are currently living in (or, if currently in hospital or other institution, was living in immediately prior to hospital/institution admission) a public or private place not designed for, or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus station, airport, or camp ground.

Description of current living situation:

________________________________________

________________________________________

Homeless Street Outreach Program
Name: __________________________________________

This certifying agency must be recognized by the local Continuum of Care (CoC) as an agency that has a program designed to serve persons living on the street or other places not meant for human habitation. Examples may be street outreach workers, day shelters, soup kitchens, Health Care for the Homeless sites, etc.

Authorized Agency Representative Signature: __________________________
Date: ______________________
Living Situation: Emergency Shelter

☐ The person(s) named above is/are currently living in (or, if currently in hospital or other institution, was living in immediately prior to hospital/institution admission) a supervised publicly or privately operated shelter as follows:

Emergency Shelter Program Name:

This emergency shelter must appear on the CoC’s Housing Inventory Chart submitted as part of the most recent CoC Homeless Assistance application to HUD or otherwise be recognized by the CoC as part of the CoC inventory (e.g., newly established Emergency Shelter).

Authorized Agency Representative Signature: ________________________________ Date: _________________

Living Situation: Recently Homeless

☐ The person(s) named above is/are currently receiving financial and supportive services for persons who are homeless. Loss of such assistance would result in a return to homelessness (ex. Households in Rapid Rehousing Programs, residents of Permanent Supportive Housing Programs participating in Moving On, etc.)

Authorized Agency Representative Signature:

This referring agency must appear on the CoC’s Housing Inventory Chart submitted as part of the most recent CoC Homeless Assistance application to HUD or otherwise be recognized by the CoC as part of the CoC inventory.

Immediately prior to entering the household’s current living situation, the person(s) named above was/were residing in:

☐ emergency shelter  OR  ☐ a place unfit for human habitation

Authorized Agency Representative Signature: ________________________________ Date: _________________
Emergency Housing Voucher (EHV)

SAMPLE HUMAN TRAFFICKING CERTIFICATION

Purpose of Form:
The Victims of Trafficking and Violence Protection Act of 2000 provides assistance to victims of trafficking making housing, educational health care, job training and other Federally-funded social service programs available to assist victims in rebuilding their lives.

Use of This Optional Form:
In response to this request, the service provider may complete this form and submit it to the Public Housing Agency (PHA) to certify eligibility for EHV assistance.

Confidentiality: All information provided to the service provider concerning the incident(s) of human trafficking shall be kept confidential and such details shall not be entered into any shared database. Employees of the PHA will not have access to these details, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

TO BE COMPLETED ON BEHALF OF HUMAN TRAFFICKING SURVIVOR

EHV Applicant Name: ________________________________

This is to certify that the above named individual or household meets the definition for persons who are fleeing or attempting to flee human trafficking under section 107(b) of the Trafficking Victims Protection Act of 2000.

Immediately prior to entering the household’s current living situation, the person(s) named above was/were residing in:

________________________________________________________________________

This is to certify that the information provided on this form is true and correct to the best of my knowledge and recollection, and that the individual(s) named above is/has been a victim of human trafficking. I acknowledge that submission of false information could jeopardize program eligibility and could be the basis for denial of admission, termination of assistance, or eviction.

Authorized Agency Representative Signature: _____________________ Date: ________________

B. GLOSSARY OF SUBSIDIZED HOUSING TERMS

Absorption. In portability (under subpart H of this part 982): the point at which a receiving PHA stops billing the initial PHA for assistance on behalf of a portability family. The receiving PHA uses funds available under the receiving PHA consolidated ACC.

Accessible. The facility or portion of the facility can be approached, entered, and used by persons with disabilities.

Adjusted income. Annual income, less allowable HUD deductions and allowances.

Administrative fee. Fee paid by HUD to the PHA for administration of the program. See §982.152.

Administrative plan. The plan that describes PHA policies for administration of the tenant-based programs. The Administrative Plan and any revisions must be approved by the PHA’s board and included as a supporting document to the PHA Plan. See §982.54.

Admission. The point when the family becomes a participant in the program. The date used for this purpose is the effective date of the first HAP contract for a family (first day of initial lease term) in a tenant-based program.

Affiliated individual. With respect to an individual, a spouse, parent, brother, sister, or child of that individual, or an individual to whom that individual stands in loco parentis (in the place of a parent), or any individual, tenant, or lawful occupant living in the household of that individual.

Amortization payment. In a manufactured home space rental: The monthly debt service payment by the family to amortize the purchase price of the manufactured home.

Annual. Happening once a year.

Annual contributions contract (ACC). The written contract between HUD and a PHA under which HUD agrees to provide funding for a program under the 1937 Act, and the PHA agrees to comply with HUD requirements for the program.

Annual income. The anticipated total income of an eligible family from all sources for the 12-month period following the date of determination of income, computed in accordance with the regulations.

Applicant (applicant family). A family that has applied for admission to a program but is not yet a participant in the program.

Area exception rent. An amount that exceeds the published FMR. See 24 CFR 982.504(b).

As-paid states. States where the welfare agency adjusts the shelter and utility component of the welfare grant in accordance with actual housing costs.

Assets. (See net family assets.)

Auxiliary aids. Services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities receiving federal financial assistance.

Biennial. Happening every two years.
**Bifurcate.** With respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.

**Budget authority.** An amount authorized and appropriated by the Congress for payment to PHAs under the program. For each funding increment in a PHA program, budget authority is the maximum amount that may be paid by HUD to the PHA over the ACC term of the funding increment.

**Child.** A member of the family other than the family head or spouse who is under 18 years of age.

**Child care expenses.** Amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further their education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

**Citizen.** A citizen or national of the United States.

**Cohead.** An individual in the household who is equally responsible for the lease with the head of household. A family may have a cohead or spouse but not both. A cohead never qualifies as a dependent. The cohead must have legal capacity to enter into a lease.

**Common space.** In shared housing, the space available for use by the assisted family and other occupants of the unit.

**Computer match.** The automated comparison of databases containing records about individuals.

**Confirmatory review.** An on-site review performed by HUD to verify the management performance of a PHA.

**Consent form.** Any consent form approved by HUD to be signed by assistance applicants and participants to obtain income information from employers and SWICAs; return information from the Social Security Administration (including wages, net earnings from self-employment, and retirement income); and return information for unearned income from the IRS. Consent forms expire after a certain time and may authorize the collection of other information to determine eligibility or level of benefits.

**Congregate housing.** Housing for elderly persons or persons with disabilities that meets the HQS for congregate housing. A special housing type: see 24 CFR 982.606–609.

**Contiguous MSA.** In portability (under subpart H of part 982): An MSA that shares a common boundary with the MSA in which the jurisdiction of the initial PHA is located.

**Continuously assisted.** An applicant is continuously assisted under the 1937 Act if the family is already receiving assistance under any 1937 Housing Act program when the family is admitted to the voucher program.

**Contract authority.** The maximum annual payment by HUD to a PHA for a funding increment.
Cooperative (term includes mutual housing). Housing owned by a nonprofit corporation or association, and where a member of the corporation or association has the right to reside in a particular apartment, and to participate in management of the housing. A special housing type (see 24 CFR 982.619).

Covered families. Statutory term for families who are required to participate in a welfare agency economic self-sufficiency program and who may be subject to a welfare benefit sanction for noncompliance with this obligation. Includes families who receive welfare assistance or other public assistance under a program for which federal, state or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for the assistance.

Dating violence. Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship

Dependent. A member of the family (except foster children and foster adults) other than the family head or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student.

Dependent child. In the context of the student eligibility restrictions, a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of dependent as specified above.

Disability assistance expenses. Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member, and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

Disabled family. A family whose head, cohead, spouse, or sole member is a person with disabilities; two or more persons with disabilities living together; or one or more persons with disabilities living with one or more live-in aides.

Disabled person. See person with disabilities.

Disallowance. Exclusion from annual income.

Displaced family. A family in which each member, or whose sole member, is a person displaced by governmental action, or a person whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to federal disaster relief laws.
**Domestic violence.** Felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

**Domicile.** The legal residence of the household head or spouse as determined in accordance with state and local law.

**Drug-related criminal activity.** The illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute, or use the drug.

**Economic self-sufficiency program.** Any program designed to encourage, assist, train or facilitate the economic independence of assisted families, or to provide work for such families. Can include job training, employment counseling, work placement, basic skills training, education, English proficiency, Workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as treatment for drug abuse or mental health treatment). Includes any work activities as defined in the Social Security Act (42 U.S.C. 607(d)). Also see 24 CFR 5.603(c).

**Elderly family.** A family whose head, cohead, spouse, or sole member is a person who is at least 62 years of age; two or more persons who are at least 62 years of age living together; or one or more persons who are at least 62 years of age living with one or more live-in aides.

**Elderly person.** An individual who is at least 62 years of age.

**Eligible family** A family that is income eligible and meets the other requirements of the 1937 Act and Part 5 of 24 CFR. See also family.

**Employer identification number (EIN).** The nine-digit taxpayer identifying number that is assigned to an individual, trust, estate, partnership, association, company, or corporation.

**Evidence of citizenship or eligible status.** The documents which must be submitted as evidence of citizenship or eligible immigration status. See 24 CFR 5.508(b).

**Extremely low-income family.** A family whose annual income does not exceed the federal poverty level or 30 percent of the median income for the area, whichever number is higher. Area median income is determined by HUD, with adjustments for smaller and larger families. HUD may establish income ceilings higher or lower than 30 percent of median income if HUD finds such variations are necessary due to unusually high or low family incomes. See 24 CFR 5.603.

**Facility.** All or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock, or other real or personal property or interest in the property.

**Fair Housing Act.** Title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendments Act of 1988.
**Fair market rent (FMR).** The rent, including the cost of utilities (except telephone), as established by HUD for units of varying sizes (by number of bedrooms), that must be paid in the housing market area to rent privately owned, existing, decent, safe, and sanitary rental housing of modest (non-luxury) nature with suitable amenities. See periodic publications in the *Federal Register* in accordance with 24 CFR Part 888.

**Family.** Includes but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status, and can be further defined in PHA policy.

- A family with or without children (the temporary absence of a child from the home due to placement in foster care is not considered in determining family composition and family size)
- An elderly family or a near-elderly family
- A displaced family
- The remaining member of a tenant family
- A single person who is not an elderly or displaced person, or a person with disabilities, or the remaining member of a tenant family.

**Family rent to owner.** In the voucher program, the portion of rent to owner paid by the family.

**Family self-sufficiency program** (FSS program). The program established by a PHA within its jurisdiction to promote self-sufficiency among participating families, including the coordination of supportive services to these families (24 CFR 984.103).

**Family share.** The portion of rent and utilities paid by the family. For calculation of family share, see 24 CFR 982.515(a).

**Family unit size.** The appropriate number of bedrooms for a family, as determined by the PHA under the PHA subsidy standards.

**Federal agency.** A department of the executive branch of the federal government.

**Foster child care payment.** A payment to eligible households by state, local, or private agencies appointed by the state to administer payments for the care of foster children.

**Full-time student.** A person who is attending school or vocational training on a full-time basis (carrying a subject load that is considered full-time for day students under the standards and practices of the educational institution attended). See 24 CFR 5.603.

**Funding increment.** Each commitment of budget authority by HUD to a PHA under the consolidated annual contributions contract for the PHA program.

**Gender identity.** Actual or perceived gender-related characteristics.

**Gross rent.** The sum of the rent to owner plus any utility allowance.

**Group home.** A dwelling unit that is licensed by a state as a group home for the exclusive residential use of two to twelve persons who are elderly or persons with disabilities (including any live-in aide). (A special housing type: see 24 CFR 982.610–614.)

**Handicap.** Any condition or characteristic that renders a person an individual with handicaps. (See person with disabilities.)
**HAP contract.** The housing assistance payments contract. A written contract between the PHA and an owner for the purpose of providing housing assistance payments to the owner on behalf of an eligible family.

**Head of household.** The adult member of the family who is the head of the household for purposes of determining income eligibility and rent.

**Household.** A household includes additional people other than the family who, with the PHA’s permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.

**Housing assistance payment.** The monthly assistance payment by a PHA, which includes: (1) A payment to the owner for rent to the owner under the family's lease; and (2) An additional payment to the family if the total assistance payment exceeds the rent to owner.

**Housing agency (HA).** See public housing agency.

**Housing quality standards (HQS).** The HUD minimum quality standards for housing assisted under the voucher program.

**HUD.** The U.S. Department of Housing and Urban Development.

**Imputed asset.** An asset disposed of for less than fair market value during the two years preceding examination or reexamination.

**Imputed asset income.** The PHA-established passbook rate multiplied by the total cash value of assets. The calculation is used when net family assets exceed $5,000.

**Imputed welfare income.** An amount of annual income that is not actually received by a family as a result of a specified welfare benefit reduction, but is included in the family’s annual income and therefore reflected in the family’s rental contribution.

**Income.** Income from all sources of each member of the household, as determined in accordance with criteria established by HUD.

**Income for eligibility.** Annual income.

**Income information** means information relating to an individual’s income, including:

- All employment income information known to current or previous employers or other income sources

- All information about wages, as defined in the state's unemployment compensation law, including any social security number; name of the employee; quarterly wages of the employee; and the name, full address, telephone number, and, when known, employer identification number of an employer reporting wages under a state unemployment compensation law

- Whether an individual is receiving, has received, or has applied for unemployment compensation, and the amount and the period received

- Unearned IRS income and self-employment, wages, and retirement income

- Wage, social security, and supplemental security income data obtained from the Social Security Administration.
**Individual with handicaps.** See *person with disabilities.*

**Initial PHA.** In portability, the term refers to both: (1) A PHA that originally selected a family that later decides to move out of the jurisdiction of the selecting PHA; and (2) A PHA that absorbed a family that later decides to move out of the jurisdiction of the absorbing PHA.

**Initial payment standard.** The payment standard at the beginning of the HAP contract term.

**Initial rent to owner.** The rent to owner at the beginning of the HAP contract term.

**Institution of higher education.** An institution of higher education as defined in 20 U.S.C. 1001 and 1002. See Exhibit 3-2 in this Administrative Plan.

**Jurisdiction.** The area in which the PHA has authority under state and local law to administer the program.

**Landlord.** Either the owner of the property or their representative, or the managing agent or their representative, as shall be designated by the owner.

**Lease.** A written agreement between an owner and a tenant for the leasing of a dwelling unit to the tenant. The lease establishes the conditions for occupancy of the dwelling unit by a family with housing assistance payments under a HAP contract between the owner and the PHA.

**Live-in aide.** A person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who:

- Is determined to be essential to the care and well-being of the persons;
- Is not obligated for the support of the persons; and
- Would not be living in the unit except to provide the necessary supportive services.

**Living/sleeping room.** A living room may be used as sleeping (bedroom) space, but no more than two persons may occupy the space. A bedroom or living/sleeping room must have at least one window and two electrical outlets in proper operating condition. See HCV GB p. 10-6 and 24 CFR 982.401.

**Local preference.** A preference used by the PHA to select among applicant families.

**Low-income family.** A family whose income does not exceed 80 percent of the median income for the area as determined by HUD with adjustments for smaller or larger families, except that HUD may establish income limits higher or lower than 80 percent for areas with unusually high or low incomes.

**Manufactured home.** A manufactured structure that is built on a permanent chassis, is designed for use as a principal place of residence, and meets the HQS. (A special housing type: see 24 CFR 982.620 and 982.621.)

**Manufactured home space.** In manufactured home space rental: A space leased by an owner to a family. A manufactured home owned and occupied by the family is located on the space. See 24 CFR 982.622 to 982.624.
Medical expenses. Medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance (a deduction for elderly or disabled families only). These allowances are given when calculating adjusted income for medical expenses in excess of 3 percent of annual income.

Minor. A member of the family household other than the family head or spouse, who is under 18 years of age.

Mixed family. A family whose members include those with citizenship or eligible immigration status, and those without citizenship or eligible immigration status.

Monthly adjusted income. One twelfth of adjusted income.

Monthly income. One twelfth of annual income.

Mutual housing. Included in the definition of cooperative.

National. A person who owes permanent allegiance to the United States, for example, as a result of birth in a United States territory or possession.

Near-elderly family. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62; or two or more persons, who are at least 50 years of age but below the age of 62, living together; or one or more persons who are at least 50 years of age but below the age of 62 living with one or more live-in aides.

Net family assets. (1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

- In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under §5.609.

- In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefore. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

Noncitizen. A person who is neither a citizen nor national of the United States.
Notice of funding availability (NOFA). For budget authority that HUD distributes by competitive process, the Federal Register document that invites applications for funding. This document explains how to apply for assistance and the criteria for awarding the funding.

Office of General Counsel (OGC). The General Counsel of HUD.

Overcrowded. A unit that does not meet the following HQS space standards: (1) Provide adequate space and security for the family; and (2) Have at least one bedroom or living/sleeping room for each two persons.

Owner. Any person or entity with the legal right to lease or sublease a unit to a participant.

PHA Plan. The annual plan and the 5-year plan as adopted by the PHA and approved by HUD.

PHA’s quality control sample. An annual sample of files or records drawn in an unbiased manner and reviewed by a PHA supervisor (or by another qualified person other than the person who performed the original work) to determine if the work documented in the files or records conforms to program requirements. For minimum sample size see CFR 985.3.

Participant (participant family). A family that has been admitted to the PHA program and is currently assisted in the program. The family becomes a participant on the effective date of the first HAP contract executed by the PHA for the family (first day of initial lease term).

Payment standard. The maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family).

Person with disabilities. For the purposes of program eligibility. A person who has a disability as defined under the Social Security Act or Developmental Disabilities Care Act, or a person who has a physical or mental impairment expected to be of long and indefinite duration and whose ability to live independently is substantially impeded by that impairment but could be improved by more suitable housing conditions. This includes persons with AIDS or conditions arising from AIDS but excludes persons whose disability is based solely on drug or alcohol dependence. For the purposes of reasonable accommodation. A person with a physical or mental impairment that substantially limits one or more major life activities, a person regarded as having such an impairment, or a person with a record of such an impairment.

Portability. Renting a dwelling unit with a Section 8 housing choice voucher outside the jurisdiction of the initial PHA.

Premises. The building or complex in which the dwelling unit is located, including common areas and grounds.

Previously unemployed. With regard to the earned income disallowance, a person with disabilities who has earned, in the 12 months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

Private space. In shared housing, the portion of a contract unit that is for the exclusive use of an assisted family.

Processing entity. The person or entity that, under any of the programs covered, is responsible for making eligibility and related determinations and any income reexamination. In the HCV program, the “processing entity” is the “responsible entity.”
**Project owner.** The person or entity that owns the housing project containing the assisted dwelling unit.

**Public assistance.** Welfare or other payments to families or individuals, based on need, which are made under programs funded, separately or jointly, by federal, state, or local governments.

**Public housing agency (PHA).** Any state, county, municipality, or other governmental entity or public body, or agency or instrumentality of these entities, that is authorized to engage or assist in the development or operation of low-income housing under the 1937 Act.

**Qualified family** (under the earned income disallowance). A family participating in an applicable assisted housing program or receiving HCV assistance:

- Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

- Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or

- Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance--provided that the total amount over a six-month period is at least $500.

**Qualified census tract.** With regard to certain tax credit units, any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI), or where the poverty rate is at least 25 percent, and where the census tract is designated as a qualified census tract by HUD.

**Reasonable rent.** A rent to owner that is not more than rent charged: (1) For comparable units in the private unassisted market; and (2) For comparable unassisted units in the premises.

**Reasonable accommodation.** A change, exception, or adjustment to a rule, policy, practice, or service to allow a person with disabilities to fully access the PHA’s programs or services.

**Receiving PHA.** In portability: A PHA that receives a family selected for participation in the tenant-based program of another PHA. The receiving PHA issues a voucher and provides program assistance to the family.

**Recertification.** Sometimes called *reexamination.* The process of securing documentation of total family income used to determine the rent the tenant will pay for the next 12 months if there are no additional changes to be reported.
**Remaining member of the tenant family.** The person left in assisted housing who may or may not normally qualify for assistance on their own circumstances (i.e., an elderly spouse dies, leaving widow age 47 who is not disabled).

**Rent to owner.** The total monthly rent payable to the owner under the lease for the unit (also known as contract rent). Rent to owner covers payment for any housing services, maintenance, and utilities that the owner is required to provide and pay for.

**Residency preference.** A PHA preference for admission of families that reside anywhere in a specified area, including families with a member who works or has been hired to work in the area (See residency preference area).

**Residency preference area.** The specified area where families must reside to qualify for a residency preference.

**Responsible entity.** For the public housing and the Section 8 tenant-based assistance, project-based voucher assistance, and moderate rehabilitation programs, the responsible entity means the PHA administering the program under an ACC with HUD. For all other Section 8 programs, the responsible entity means the Section 8 owner.

**Secretary.** The Secretary of Housing and Urban Development.

**Section 8.** Section 8 of the United States Housing Act of 1937.

**Section 8 covered programs.** All HUD programs which assist housing under Section 8 of the 1937 Act, including Section 8 assisted housing for which loans are made under Section 202 of the Housing Act of 1959.

**Section 214.** Section 214 of the Housing and Community Development Act of 1980, as amended.

**Section 214 covered programs.** The collective term for the HUD programs to which the restrictions imposed by Section 214 apply. These programs are set forth in 24 CFR 5.500.

**Security deposit.** A dollar amount (maximum set according to the regulations) which can be used for unpaid rent or damages to the owner upon termination of the lease.

**Set-up charges.** In a manufactured home space rental, charges payable by the family for assembling, skirting, and anchoring the manufactured home.

**Sexual assault.** Any nonconsensual sexual act proscribed by federal, tribal, or state law, including when the victim lacks capacity to consent (42 U.S.C. 13925(a)).

**Sexual orientation.** Homosexuality, heterosexuality or bisexuality.

**Shared housing.** A unit occupied by two or more families. The unit consists of both common space for shared use by the occupants of the unit and separate private space for each assisted family. (A special housing type: see 24 CFR 982.615–982.618.)

**Single person.** A person living alone or intending to live alone.

**Single room occupancy housing (SRO).** A unit that contains no sanitary facilities or food preparation facilities, or contains either, but not both, types of facilities. (A special housing type: see 24 CFR 982.602–982.605.)
Small rural public housing agency (PHA). Section 38 defines the term “small public housing agency” as a public housing agency “for which the sum of the number of public housing dwelling units administered by the agency and the number of vouchers under section 8(o) administered by the agency is 550 or fewer” and “that predominantly operates in a rural area, as described in section 1026.35(b)(2)(iv)(A) of title 12, Code of Federal Regulations.” After consideration of the public comments discussed above, HUD is interpreting “predominantly operates in a rural area” to mean a small PHA that:

(1) Has a primary administrative building with a physical address in a rural area as described in 12 CFR 1026.35(b)(2)(iv)(A); or

(2) more than 50 percent of its combined public housing units and voucher units under section 8(o) are in rural areas as described in 12 CFR 1026.35(b)(2)(iv)(A). HUD also clarifies that voucher units under section 8(o) include those in the tenant-based Housing Choice Voucher (HCV) program and the Project-Based Voucher (PBV) program.

Social security number (SSN). The nine-digit number that is assigned to a person by the Social Security Administration and that identifies the record of the person’s earnings reported to the Social Security Administration. The term does not include a number with a letter as a suffix that is used to identify an auxiliary beneficiary.

Special admission. Admission of an applicant that is not on the PHA waiting list or without considering the applicant’s waiting list position.

Special housing types. See subpart M of part 982. Subpart M states the special regulatory requirements for: SRO housing, congregate housing, group homes, shared housing, cooperatives (including mutual housing), and manufactured homes (including manufactured home space rental).

Specified welfare benefit reduction. Those reductions of welfare benefits (for a covered family) that may not result in a reduction of the family rental contribution. A reduction of welfare benefits because of fraud in connection with the welfare program, or because of welfare sanction due to noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

Spouse. The marriage partner of the head of household.

Stalking. To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.

State wage information collection agency (SWICA). The state agency, including any Indian tribal agency, receiving quarterly wage reports from employers in the state, or an alternative system that has been determined by the Secretary of Labor to be as effective and timely in providing employment-related income and eligibility information.

Subsidy standards. Standards established by a PHA to determine the appropriate number of bedrooms and amount of subsidy for families of different sizes and compositions.
Suspension. The term on the family’s voucher stops from the date the family submits a request for PHA approval of the tenancy, until the date the PHA notifies the family in writing whether the request has been approved or denied. This practice is also called tolling.

Tax credit rent. With regard to certain tax credit units, the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

Tenancy addendum. For the housing choice voucher program, the lease language required by HUD in the lease between the tenant and the owner.

Tenant. The person or persons (other than a live-in aide) who executes the lease as lessee of the dwelling unit.

Tenant rent to owner. See family rent to owner.

Term of lease. The amount of time a tenant agrees in writing to live in a dwelling unit.

Total tenant payment (TTP). The total amount the HUD rent formula requires the tenant to pay toward rent and utilities.

Unit. Residential space for the private use of a family. The size of a unit is based on the number of bedrooms contained within the unit and generally ranges from zero (0) bedrooms to six (6) bedrooms.

Utilities. Water, electricity, gas, other heating, refrigeration, cooking fuels, trash collection, and sewage services. Telephone service is not included.

Utility allowance. If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a PHA or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Utility reimbursement. In the voucher program, the portion of the housing assistance payment which exceeds the amount of rent to owner.

Utility hook-up charge. In a manufactured home space rental: Costs payable by a family for connecting the manufactured home to utilities such as water, gas, electrical and sewer lines.

Very low-income family. A low-income family whose annual income does not exceed 50 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families. HUD may establish income limits higher or lower than 50 percent of the median income for the area on the basis of its finding that such variations are necessary because of unusually high or low family incomes. This is the income limit for the housing choice voucher program.

Veteran. A person who has served in the active military or naval service of the United States at any time and who shall have been discharged or released therefrom under conditions other than dishonorable.
**Violence Against Women Reauthorization Act (VAWA) of 2022.** Prohibits denying admission to the program to an otherwise qualified applicant or terminating assistance on the basis that the applicant or program participant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

**Violent criminal activity.** Any illegal criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against the person or property of another.

**Voucher (housing choice voucher).** A document issued by a PHA to a family selected for admission to the housing choice voucher program. This document describes the program and the procedures for PHA approval of a unit selected by the family. The voucher also states obligations of the family under the program.

**Voucher holder.** A family holding a voucher with an unexpired term (search time).

**Voucher program.** The housing choice voucher program.

**Waiting list.** A list of families organized according to HUD regulations and PHA policy who are waiting for a unit to become available.

**Waiting list admission.** An admission from the PHA waiting list.

**Welfare assistance.** Income assistance from federal or state welfare programs, including assistance provided under TANF and general assistance. Does not include assistance directed solely to meeting housing expenses, nor programs that provide health care, child care or other services for working families. For the FSS program (24 CFR 984.103), welfare assistance includes only cash maintenance payments designed to meet a family’s ongoing basic needs. Does not include nonrecurring short term benefits designed to address individual crisis situations, work subsidies, supportive services such as child care and transportation provided to families who are employed, refundable earned income tax credits, contributions to and distributions from Individual Development Accounts under TANF, services such as counseling, case management, peer support, child care information and referral, financial empowerment, transitional services, job retention, job advancement, and other employment-related services that to not provide basic income support, amounts solely directed to meeting housing expenses, amounts for health care, Supplemental Nutrition Assistance Program (SNAP) and emergency rental and utilities assistance, SSI, SSDI, or social security, and child-only or non-needy TANF grants made to or on behalf of a dependent child solely on the basis of the child’s need and not the need of the child’s current non-parental caretaker.
I. PURPOSE

The purpose of this plan is to reflect the District of Columbia Housing Authority (DCHA’s) compliance with the requirements of Law 15-167, the “Language Access Act of 2004.” Law 15-167, enacted on April 21, 2004, promotes greater public access and participation in government services, programs, and activities. D.C. Official Code § 2-1931 designates DCHA as a covered entity under this law. DCHA, pursuant to relevant law, will provide equal access to programs and services to all persons living in, working in, or visiting the District of Columbia, regardless of their ability to speak English. Specifically, DCHA:

   i. Identifies a Language Access Team;

   ii. Offers interpretation services;

   iii. Collects and analyzes data on the demand for agency services in languages other than English;

   iv. Submits a yearly implementation report on the data collected and resulting analysis to the D.C. Office of Human Rights;

   v. Provides written translations of vital documents into non-English languages that meet the language threshold; and

   vi. Trains staff on language access compliance.

   vii. Establish and implement a Biennial Language Access Plan, and report the plan’s progress on a quarterly basis to the D.C. Office of Human Rights.

   viii. Conduct outreach to limited and non-English proficient communities.

II. AUTHORITY

This plan is consistent with DCHA’s mission, as well as applicable federal and District of Columbia laws, rules, and regulations. These laws, rules, and regulations include but are not limited to DC Code § 6-201 et seq.; the Civil Rights Act of 1964; the Language Access Act of 2004, D.C. Law 15-167, D.C. Official Code §2-1931 et seq., effective June 19, 2004; and D.C. Municipal Regulations 4-12 (Language Access Act).
III. APPLICABILITY

This plan will apply to all DCHA members, defined as all employees as well as volunteers, contractors, and affiliates providing direct services to the public on the agency’s behalf.

IV. DEFINITIONS

For the purpose of this plan, the following definitions apply:

A. “Bilingual” refers to the ability to use two languages proficiently.

B. “Biennial Language Access Plan (BLAP)” is a set of tailored goals and action items meant to improve a DC government agency’s language access services. The BLAP contains specific and measurable action plans in areas of data collection, translation of vital documents, training of public contact staff, outreach initiatives, and hiring of bilingual staff that the agency commits to implement within a set timeline over a two-year period.

C. “Customer” means an individual who may attempt to benefit from or receive services that DCHA provides.

D. “Interpretation” is the conversion of oral wording from one language (the source language) into equivalent oral wording in another language (the target language). Interpretation may occur in-person or over the phone. Although the public and media often use the term interchangeably with “translation,” the word “interpretation” refers to oral speech and “translation” refers to written texts.

E. “I Speak’ Cards” are a resource with which limited or non-English proficient individuals may identify their primary language. The wallet-sized cards are promulgated by the D.C. Office of Human Rights and state the following in both English and the applicable non-English language: “I speak *non-English language]. I need assistance and have the right to receive assistance in my spoken language. Please provide me with an interpreter and note my spoken language in your permanent records. Thank you.”

F. “Language Access Point of Contact” or “Language Access Coordinator” refers to the official within DCHA who coordinates and supervises DCHA’s activities undertaken to comply with the provisions of this plan.

G. “Language access services” entail assessing the need for assistance in a language other than English and offering interpretation and/or translation to facilitate communication.

H. “Language Identification Guide” or “Language Identification Sign” is a tool that helps identify a customer’s primary language. The Language Access Coordinator supplies this tool to members.

I. “Language threshold” denotes DCHA’s exposure to a non-English language spoken by a
limited or non-English proficient population that constitutes 3% of the agency’s customers or 500 individuals, whichever is less. Once DCHA reaches the threshold for a language, the agency must provide translations of vital documents in that language.

J. “Limited English proficient (LEP)” describes an individual who does not use English as a primary language and who has a limited ability to speak, read, write, or understand English.

K. “Members” are all agency employees, as well as volunteers, grantees, contractors, and affiliates providing direct services to the public on behalf of DCHA.

L. “Non-English proficient (NEP)” describes an individual who does not speak, read, write, or understand English.

M. “Primary language” indicates the language that a customer is most comfortable using. It is usually (but not always) the person’s first or native language.

N. “Staff language facilitator” is a DCHA employee who is bilingual and who agreed to act as an interpreter for the LEP/NEP population whose primary language they speak. Staff language facilitators serve as interpreters in addition to the duties of their job position.

O. “Translation” is the conversion of written wording from one language (the source language) into an equivalent wording in another language (the target language). Although the public and media often use the term interchangeably with “interpretation,” the word “translation” refers to written texts and “interpretation” refers to oral speech. There are two forms of translation:

(1) Written translation is the conversion of written text from the source language into written text in the target language.

(2) Sight translation is the oral rendering of a written text from the source into the target language; it is not normally a direct word-for-word translation.

P. “Vital documents” include the applications, notices, forms, agreements, and outreach materials that DCHA publishes or distributes to inform customers about their rights or eligibility requirements for participation in agency programs.

V. PROCESSES

A. Data collection

DCHA will collect data on the demand for agency services in non-English languages. This data collection serves two purposes:

(1) To determine whether DCHA has reached the language threshold for a given non-English language, establishing the language(s) into which the agency must translate
its vital documents; and

(2) To record the customer’s primary language in DCHA’s files, ensuring that further interactions with previously identified LEP/NEP customers include appropriate language accommodations.

Accordingly, members will document all agency encounters with LEP/NEP customers. The Language Access Coordinator will report the resulting data to the D.C. Office of Human Rights on a quarterly basis. At the end of each fiscal year, the Language Access Coordinator will submit an implementation report identifying the non-English languages that meet the agency’s language threshold, as well as the resources available to the LEP/NEP populations who speak these languages.

B. Signage

Members will ensure that all DCHA facilities that are open to the public – including mobile locations – feature visible signage informing customers of their rights to obtain assistance in a language they can understand, free of charge. Signage must include information in all non-English languages that meet the agency’s language threshold. To inform the public of language access services, DCHA’s facilities will feature the following signs and posters:

(1) Desktop Language ID Guides

(2) Language Access posters/signs at DCHA’s Headquarters and public housing properties.

C. Translation

DCHA will provide written translations of vital documents into all non-English languages that meet the agency’s language threshold. These documents include but are not limited to applications, notices, complaint forms, outreach materials, and other documents regarding customer rights or program eligibility requirements. Translations of vital documents must be as accessible to the public as the English versions are. To this end, members will distribute the translations within DCHA, make them accessible at the entry points of agency facilities, and post them online.

D. Interpretation

Members will establish and maintain full and effective communication with customers of all English proficiency levels. To this end, members will offer interpretation services either over the phone or in person in the primary languages of all customers identified as LEP/NEP. In so doing, members will:

(1) Avoid assumptions about a customer’s primary language and make every effort to ascertain it (for example, some Central Americans use an indigenous dialect as their
(2) Provide interpretation whenever requested by a customer, regardless of the customer’s perceived level of English proficiency;

(3) Neither discourage LEP/NEP customers from seeking services at DCHA, nor refuse services to such customers;

(4) Deliver services in a timely manner, i.e., without delays that are significantly greater than those that English proficient customers experience;

(5) Exclusively use professional and qualified interpreters to interpret for LEP/NEP persons, and not family, friends, neighbors, volunteers, bystanders, or children;

(6) Provide interpretation for LEP/NEP customers attending DCHA’s public meetings if the agency receives notice of their presence at least five (5) business days in advance of the public meeting; and

(7) Make interpretation services available to LEP/NEP customers who participate directly in DCHA’s administrative hearings, whether or not the customer is accompanied by an advocate or attorney.

E. Waiver of language access rights

LEP/NEP customers may insist on using a family member or friend as their interpreter, or may otherwise refuse DCHA’s language access services. In such cases, DCHA will obtain written consent that waives the customer’s rights to translation and interpretation services. To do so, agency members will provide customers with a waiver form in their primary language, which the Office of Human Rights supplies. If a written translation is not available in the customer’s primary language or if the customer is unable to read, DCHA may use sight translation to convey the contents of the waiver form to the customer.

F. Bilingual staff

The Language Access Coordinator will maintain a list of bilingual staff members who agree to act as interpreters for the LEP/NEP population whose primary language they speak (where applicable). Staff language facilitators must be able to:

(1) Communicate fluently and accurately in the non-English language(s) in which they claim proficiency;

(2) Interpret exact concepts without distorting meaning in either language; and

(3) Understand the obligations of confidentiality as appropriate.

DCHA shall take reasonable steps to screen self-identified bilingual staff members who
request to be placed on a list of staff language facilitators.

G. Language access training

All DCHA members in public contact positions will be proficient in the requirements and legal obligations for serving LEP/NEP customers. To this end, members will attend either web-based or in-person trainings provided by DCHA or the D.C. Office of Human Rights.

Training will occur as part of the onboarding process for new members, and as part of continued professional development for existing members.

H. Outreach

DCHA will develop a plan for conducting outreach to LEP/NEP communities in order to disseminate information about its language access services. Outreach activities may include, but are not limited to, the following:

(1) Conducting public meetings;

(2) Organizing events such as fairs, forums, and educational workshops;

(3) Partnering with community-based organizations for the implementation of projects and/or delivery of services;

(4) Distributing flyers, brochures, and other printed material in diverse languages and at diverse locations;

(5) Disseminating information through the agency’s websites;

(6) Implementing a topic-specific campaign to raise awareness of a particular service or project in an LEP/NEP community;

(7) Inviting LEP/NEP community members to visit agency service site(s) and facilities;

(8) Organizing regular needs assessment meetings with LEP/NEP community-based organizations

I. Funded entities and contractors

Funded entities, or contractors hired by DCHA to carry out services, programs, or activities directly to the public are required to a) collect data regarding contact with LEP/NEP customers and report this data to DCHA on a quarterly basis, b) provide oral interpretation services, c) translate vital documents, d) train personnel on all compliance requirements according to the same standards required of DCHA, e) by agreement, certify in writing that
Language Access Act of 2004 compliance requirements will be satisfied by contractors, and f) display signage in multiple languages.

J. Language access complaints

Any person or organization may file a public complaint alleging a violation of the Language Access Act. The D.C. Office of Human Rights addresses these complaints, which may regard both individual and systemic noncompliance. A customer may file the complaint directly, but a person or organization with an interest in the customer’s welfare may also file a complaint on the customer’s behalf. Members shall in no way retaliate against complainants and/or their representatives, and will provide these persons or organizations with the same level of service that other customers receive. Should a customer wishing to file a language access complaint contact DCHA, members will report the incident to the Language Access Coordinator, and provide the customer with the following resources:

(1) The Office of Human Rights Language Access Complaint Form;

(2) The URL for the online Office of Human Rights Language Access Complaint Form (http://ohr.dc.gov/webform/language-access-public-complaint-form); and/or

(3) The Office of Human Rights phone number (202-727-4559).

K. Resources

Members will have the following resources available to better serve LEP/NEP customers: digital and hard-copy translations of vital documents; access to contracted in-person and telephonic interpreters, as well as to the list of DCHA bilingual staff language facilitators (if any); materials from the Office of Human Rights, such as “I Speak” Cards and Language ID Guides; and training.

VI. PROCEDURES

A. Identifying LEP/NEP persons

Members must keep in mind the fact that LEP/NEP designations are context-specific; LEP/NEP persons may possess sufficient English language skills to function in certain types of communication (e.g., speaking or listening), but still be LEP/NEP for other purposes (e.g., reading or writing). When members suspect or are told that customers they encounter are LEP/NEP, they will use the following protocol to determine whether or not the customers are actually LEP/NEP:

1. Ask: “Do you speak English very well?”

   a. If the person answers “Yes,” continue communicating with the person in English.
Individuals who speak any non-English language and also report speaking English “very well” should be regarded as English proficient and should not be considered LEP/NEP persons.

b. If the person answers “No,” appears not to understand what the member is saying, otherwise indicates a lack of comprehension, or states “I speak it a little” or “I speak it okay,” the member may assume that the person is LEP/NEP and attempt to identify the primary language following the procedures described in part IV.B of this plan. Individuals who report speaking English as anything less than “very well” (i.e., “well,” “not well,” or “not at all”) will be regarded as LEP/NEP and eligible to receive language access services.

2. If the LEP/NEP person can speak or understand some English, the member will state: “I can request an interpreter in your language to interpret for you in person or over the phone. Would you like me to get an interpreter?”

a. If the LEP/NEP person answers “Yes,” the member will:

1) Proceed to identify the LEP/NEP person’s primary language as specified in Part VI.B below; and

2) Obtain an interpreter to facilitate communication with the LEP/NEP person.

b. If the LEP/NEP person answers “No,” the member will:

1) Ensure that the LEP/NEP person understood the question and confirm that the customer does not want an interpreter.

2) If the LEP/NEP person confirms that an interpreter is not wanted, the member shall proceed with communicating in English.

B. Identifying the primary language

Members will attempt to identify an LEP/NEP customer’s primary language using the following three approaches:

1. Ask the LEP/NEP person and check for an “I Speak” Card.

Members may ask an LEP/NEP person: “What language do you speak?” or “What language do you speak the best?” If the LEP/NEP person understands and answers the question, and/or displays an “I Speak” Card, the member will immediately follow the procedures in part VI.C.2 of this plan to obtain an interpreter for the primary language.

2. Use the Language ID Guide/Sign.

The Office of Human Rights provides a guide for identifying a customer’s primary language. Members obtain this guide from the Language Access Coordinator, and will
display it to LEP/NEP customers who are unable to identify their primary language in response to a member’s questions. If the customer successfully identifies a language using the guide, members should follow procedures in part VI.C.2 of this plan to obtain an interpreter for this language.

3. Contact interpretation service provider.

If LEP/NEP customers do not appear able to read or understand the Language ID Guide or are otherwise unable to identify their primary language, members will contact DCHA’s interpretation service provider by following the procedure outlined in part VI.C.2.b below. With assistance from the service provider, members will attempt to ascertain the LEP/NEP customer’s language in order to obtain a suitable interpreter.

C. Obtaining an interpreter

Whenever a DCHA member contacts or is contacted by an LEP/NEP customer by telephone or in person, the member will:

1. Ascertain the LEP/NEP customer’s English proficiency and primary language as described in parts VI.A and VI.B above, respectively.

2. Request an interpreter.

   a. Request an interpreter from DCHA’s Interpretation Services Provider by calling the number provided or through the application and providing DCHA’s Client ID, Organization Name, and Access Code. For more information, see Attachment I.

   b. For in-person meetings, Members may request an in-person interpreter before the scheduled appointment.

      • To request an in-person interpreter, Members will submit a complete request to the Language Access Coordinator at least three (3) business days before the scheduled appointment.
      • Requests may be submitted at www.dchousing.org/language
      • Requests may include the following information: customer’s name, date and time of the appointment, location of the appointment, topic and purpose of the appointment, duration of the appointment, and what language is needed.

D. Collecting data

DCHA will use the following mechanisms to collect data:

1. Service provider Reports and Invoices;

2. Reception area or Information desk sign-in sheets that include multilingual language
preferences;

3. Flags/tags/specialized labels for LEP/NEP case files within DCHA’s record management system (e.g., Voyager);

4. Requests for translation services submitted via DCHA’s website;

5. Reports from bilingual staff on the number of times they are asked to assist an LEP/NEP individual; and

6. Tally of customers who use interpretation equipment at outreach events.

E. Translating vital documents

1. The Language Access Coordinator will identify and maintain a record of all vital document translations.

2. If a vital document translation is not available on the agency Internet or Intranet websites, members will request a translation of that document at www.dchousing.org/language. The request should include: the document(s), target language for translation, and date needed.

3. Should LEP/NEP persons require a vital document that has not been translated into their primary language, members will follow the procedures outlined in part VI.C.2.b to contact ACSI or DCHA’s Translation and Interpretation Contractor. Members will request a sight translation by reading the document to the interpreter.

4. Multilingual Taglines may be utilized for documents that have not yet been translated.

F. Written communication

1. If a member receives a letter or other written communication in a non-English language, and the member is not bilingual in that language, the written communication will be promptly submitted at www.dchousing.org/language.

2. The Language Access Coordinator, or his/her designee, will provide the member with an acknowledgement letter in the sender’s language, and arrange to have the original correspondence translated into English.

3. The member will send the acknowledgement letter to the sender.

4. Once the written communication is translated into English, the Language Access Coordinator, or his/her designee, will forward the English version of the communication to the intended agency recipient for response.
5. The member responsible for writing the response will do so and then forward the response to the Language Access Team.

6. The Language Access Coordinator, or his/her designee, will arrange to have the response translated into the target language and return the translated response to the member.

7. The member will mail or email, as appropriate, the response to the sender.

G. Funded entities and contractors

DCHA will use the following procedures to ensure that funded entities and contractors hired by the agency to provide services directly to the public comply with the requirements of the Act, according to the same standards required of the agency.

1. Include language access compliance requirements for funded entities and contractors in all Notices of Funding Availability (NOFA) and Requests for Proposal (RFP) for direct public services issued by DCHA.

2. Ensure that all funded entities and contractors certify in writing that they will meet language access compliance requirements in contracts, memorandums of understanding, or work agreements signed between funded entity/contractor and DCHA.

3. Ensure that funded entities and contractors that provide services directly to the public receive language access compliance training through OHR, or using training material approved by OHR.

4. Provide guidance on language access compliance to funded entities and contractors that provide services directly to the public by connecting them to translation and interpretation vendors, and by providing them with a clear process for collecting data and for reporting all encounters with LEP/NEP customers to DCHA.

VII. ROLES AND RESPONSIBILITIES

A. Executive Director

1. Establish (or designate a member or team to establish) procedures for:

   a. Providing interpretation over the phone and in person;

   b. Engaging in written communication with LEP/NEP customers;

   c. Translating vital documents; and

   d. Collecting data on LEP/NEP encounters.

B. Language Access Coordinator

1. Ensure DCHA’s compliance with the Language Access Act of 2004 and corresponding guidelines and regulations.

2. Submit a yearly implementation report that details how determination of language threshold languages was made to the Language Access Director at the Office of Human Rights.

3. Provide guidance, advice, resources, and training to DCHA members regarding the language access services.

4. Identify and screen bilingual staff members to serve as agency interpreters.

5. Identify and maintain a record of DCHA’s vital documents.

6. Track, monitor, and investigate public complaints regarding alleged language access violations at DCHA.

7. Offer guidance on corrective measures for conduct contrary to this plan.

8. Language Access Coordinator (“LAC”) shall establish and be responsible for ensuring implementation of the agency’s Biennial Language Access Plan (“BLAP”).

C. Language Access Team Assist the LAC with data collection, annual reporting, customer complaints, training of personnel in public contact positions, and other elements of compliance.

VIII. APPROVAL

This plan is effective as of March 14, 2023.

Cheryl Robinson 3/14/2023

November 2005
1.0 Introduction

The Enterprise Income Verification System (EIV) is a system intended to provide a single source of income-related data to PHAs and HUD (hereafter referred to as program administrators) for use in verifying the income reported by tenants participating in the various assisted housing programs. The Office of Public and Indian Housing (PIH) is responsible for administering and maintaining the EIV system. The EIV system assists the program administrators in the upfront verification of tenant income by comparing the tenant income data obtained from various sources including:

- Tenant-supplied income data is captured on Form HUD-50058 – Family Report and maintained in the Public Housing Information Center (PIC) database;
- Department of Health and Human Services’ National Directory of New Hires Data (NDNH);
- Social Security and Supplemental Security Income from the Social Security Administration; and,
- User Profile information from the PIC database.

Upfront income verification (UIV) tenant data should only be used to verify a tenant’s eligibility for participation in a HUD rental assistance program and to determine the level of assistance the tenant is entitled to receive. Any other use, unless approved by the HUD Headquarters EIV Coordinator or EIV Security Officer, is specifically prohibited and may result in the imposition of civil or criminal penalties on the responsible person or persons. Further, no adverse action can be taken against a tenant until the program administrator has independently verified the UIV information and the tenant has been granted an opportunity to contest any adverse findings through the established grievance hearing, or other legal procedures.

1.1 Applicability

The procedures outlined in this document apply to program administrators that have access to the EIV system and UIV data and administering the: Public Housing and the Housing Choice Voucher Programs. The procedures outlined in this document apply to all UIV data, regardless of the media on which they are recorded. Computerized media containing UIV data must be afforded the same levels of protection given to paper documents or any other media with UIV data.

1.2 Purpose

The purpose of this document is to provide guidance to assure that the practices, controls and safeguards used by program administrators adequately protect the confidentiality of the tenant wage data and are in compliance with the Federal laws regarding the protection of this information. Program administrators should integrate UIV documents and/or actions into
1.3 Privacy Act Considerations

The data provided via the EIV system must be protected to ensure that it is only used for official purposes and not disclosed in any way that would violate the privacy of the individuals represented in the system data. Privacy of data and data security for computer systems are covered by a variety of Federal laws and regulations, government bulletins, and other guiding documents. The Privacy Act of 1974 as amended, 5 U.S.C. § 552 (a) is one such regulation and EIV data require careful handling in order to assure program administrators’ compliance with the Privacy Act. (See Appendix 1. Safeguards Provided by the Privacy Act.) The Act also describes the criminal penalties associated with violation of policy supporting the Act. (See Appendix 2. Criminal Penalties Associated with the Privacy Act.)

HUD has interagency agreements with:

- the Social Security Administration for the social security (ss) and the supplemental security income (ssi) data and
- the HHS’s Office of Child Support Enforcement for information furnished from the National Directory of New Hires (NDNH) data.

Under the Privacy Act, tenants have the right to challenge the accuracy of information maintained by the Federal government that concerns them. If a tenant disputes the employment and/or income information, the tenant must contact the employer. If the information is incorrect, the employer must correct the information and resubmit it to the state, IRS and HHS. The employer is the originator of the data.

If the tenant disputes the SS/SSI information, the tenant must contact SSA. If the SS/SSI information is incorrect, SSA must correct the information and update its database. SSA is the originator of the data.

The program administrator’s Security Officer, or designated staff, must assure that a copy of Form HUD-9886 - Authorization for the Release of Information/Privacy Act Notice, or an equivalent consent form that meets the requirements under 24 CFR 5.230, has been signed by each member of the household age 18 years old or older and is in the household file. By signing this form, the tenant authorizes HUD and the program administrator to obtain and verify income and unemployment compensation information from various sources including current and former employers, State agencies, SSA and HHS. HUD is relying on program administrators to have this authorization form on file as required by 24 CFR Part 5.230. Information obtained is protected under the Privacy Act. (See Appendix 3 Form HUD-9886, Authorization for the Release of Information/Privacy Act Notice.)
2.0 Safeguarding EIV Data

The information processed by the EIV system includes but may not be limited to income data about private individuals; it may identify such information as Social Security Number, Address, and employment information. Once information from the EIV system becomes a part of a system maintained by the program administrator, that system and the information it contains becomes the responsibility of the program administrator. This section focuses on the procedures to be followed when UIV data becomes part of the program administrator’s case files as part of the recertification process.

As a condition of receiving the UIV data, program administrators must establish and maintain certain safeguards designed to prevent unauthorized use of the information and to protect the confidentiality of that information.

The program administrator’s Security Officer, or other designated staff, will have the responsibility of ensuring compliance with the program administrator’s security policies and procedures outlined in this document. These responsibilities include:

- Maintaining and enforcing the security procedures;
- Keeping records and monitoring security issues;
- Communicating security information and requirements to appropriate staff, including coordinating and conducting security awareness training sessions;
- Conducting a quarterly review of all User IDs issued to determine if the users still have a valid need to access the EIV data and taking the necessary steps to ensure that access rights are revoked or modified as appropriate; and
- Reporting any evidence of unauthorized access or known security breaches to the PHA Executive Director and taking immediate action to address the impact of the breach including but not limited to prompt notification to appropriate authorities including the HUD Field Office’s Public Housing Director (See Section 5.0 – Reporting Improper Disclosures)

2.1 Limiting Access to EIV Data

The program administrators should restrict access to UIV data only to persons whose duties or responsibilities require access. Appendix 5 provides a copy of the EIV Access Authorization Form. The program administrators should maintain a record of users who have approved access to UIV data. Further, the program administrators should revoke the access rights of those users who no longer require such access or modify the access rights if a change in the user’s duties or responsibilities indicates a change in the current level of privilege – see Section 2.1.2 – User Accounts. Ensure that users sign the EIV
Rules of Behavior and User Agreement form (Appendix 4) which provides general instructions on the appropriate use of the EIV resources and apply to all EIV users, including all program administrators and contractors.

UIV data should be handled in such a manner that it does not become misplaced or available to unauthorized personnel. Files containing UIV information should be color-coded or labeled clearly with the following statement “Confidential” or “For Official Use Only.” To avoid inadvertent disclosures, the program administrator staff may keep the UIV information separate from other information and files.

2.1.1 Physical Security Requirements

Program administrators may use a combination of methods to provide physical security for UIV data. These include, but are not limited to, locked containers of various types, locked rooms that have reinforced perimeters, and a locked building with guards. The UIV data may also be maintained in locked metal file cabinets within a locked room.

Access to the areas where UIV data is maintained should be limited even during regular work hours. This may be accomplished by the use of restricted areas, a security room, or locked office space. By controlling the movement of individuals and eliminating unnecessary traffic through these critical areas, program administrators may reduce the opportunity for unauthorized disclosure of UIV data.

**Restricted Areas:** Program administrators should have any restricted areas clearly identified by the use of prominently posted signs or other indicators. For instance, a “For Authorized Personnel Only” or “Warning: Restricted Area” sign may be posted on the door or in the area. The restricted areas should be separated from non-restricted areas by physical barriers that control access and/or should have limited points of entry.

If the UIV data is maintained in a security room or locked space, the program administrator, security officer or designated staff should establish and maintain a key control log to track the inventory of keys available, the number of keys issued and to whom the keys are issued. All employees and contractors who have been issued keys to security rooms or locked spaces should complete a form acknowledging the receipt of the key. Combination locks should be changed or reset regularly, including whenever an employee leaves the program administrator’s staff or office (See Appendix 6. Key Accountability Record and Appendix 7. Acknowledgement of Receipt of Keys.)

The program administrator security officer or designated staff should establish and maintain the list of users who can access the restricted area. The list should indicate the type of access that the user may have to the restricted area; it should indicate which users—such as contractors, maintenance, and janitorial/cleaning staff—must be escorted when entering the restricted area. The restricted area must be cleaned only during regular office hours or in the...
presence of an employee with authorized access. (See Appendix 8. Restricted Area Access Register.)

2.1.2 Computer System Security Requirements

Program administrators should avoid saving UIV data to a computer hard drive or any other automated information system. If UIV data is saved to a local machine at the program administrator's office, the UIV data should be stored in a separate directory from other data maintained by the program administrator. Access to this directory should be restricted to authorized users of the UIV data. Diskettes or CDs may be used to record and store remarks or comments for the sole purpose of income verification. If used, the disk or CD must be handled and secured in the same manner as the hard copy of the UIV data and must have a label which indicates “Confidential” or “For Official Use Only.”

If UIV data is recorded on magnetic media with other data, it should be protected as if it were entirely UIV data. Such commingling of data sources on a single data source or tape should be avoided, if practicable.

Users should retrieve computer printouts as soon as they are generated so that UIV data is not left lying unattended in printers where unauthorized users may access them. If possible, the program administrator should assign a dedicated printer for UIV data use only in order to minimize the unauthorized interception of printed outputs from the EIV system.

Authorized users of UIV data should be directed to avoid leaving UIV data displayed on their computer screens where unauthorized users may view it. A computer should never be left unattended with UIV data displayed on the screen. If an authorized user is viewing UIV data and an unauthorized user approaches the work area, the authorized user should lessen the chance of inadvertent disclosure of UIV data by minimizing or closing out the screen on which the UIV data is being displayed.

User Accounts: User accounts for the EIV system should be provided on a need-to-know basis, with appropriate approval and authorization. The level of access granted determines the functionalities, features, and amounts of data within a specified program administrator jurisdiction or area of authority that the user can see. The EIV Access Authorization Form should be used to request additions, deletions, or modifications of user accounts with access rights to the WASS system. The EIV User and Operations manuals (http://hudstage.hud.gov/offices/pih/programs/ph/rhlii/uivsystem.cfm) provide instructions on the use of the EIV system. It also focuses on the end user functionality and administration used for viewing tenant income.

All program administrator employees and contractors who access the EIV system should have a current signed Rules of Behavior and User Agreement on file. Users should maintain the security of their user Accounts by not disclosing their passwords to other staff members and not sharing user
accounts with other employees or contractors. Users should not, deliberately or inadvertently, override the authorized access levels by providing UIV data to others who have limited or no access to the data. For instance, Mary has access to Projects A and B and Betty has access only to Project A. Mary should not provide Betty with printed copies of Report B. Nor should Mary allow Betty to access the system using her User Account to have access as this would provide Betty with unauthorized access to Project B.

2.2 Destruction of Records and Clearing of Various Types of Automated Media

EIV data should be destroyed as soon as it has served its purpose or as prescribed by the program administrators's policy and procedures. (See Appendix 9 and 10) All UIV originals and any documents created in association with their use can be either shredded or burned to prevent the reconstruction of the contents.

It is essential that the methods used to dispose of records are thorough. This applies to both the destruction of record copies pursuant to records schedules as well as copies of records that are no longer needed (See HUD Handbook Nos. 2225.6 REV-1, CHG-49, 2228.1 and 2229.1 for HUD Records Disposition Schedules and Scheduling for Automated Systems.)

If shredding is the process used for disposition: paper should be shredded to effect 5/16 inch wide or smaller strips and microfilm should be shredded to effect 1/35-inch by 3/8 – inch strips. The industry standard is currently ½”, however the strips can be larger than 5/16”; the strips must be unreadable. Large amounts of shredded paper should not be allowed to accumulate in the bin.

Magnetic tape containing UIV data must not be made available for reuse by other offices or released for destruction without first being subjected to repeated electromagnetic erasing (not less than three complete passes). It should also be noted what type of machine was used for the electromagnetic erasing. If reuse of the tapes is not intended, the tapes should be destroyed by cutting into lengths of 18 inches or less or by burning them to get a complete incineration.

If disk media is used, any UIV data on it must be destroyed by completely overwriting all data tracks a minimum of three times, using maximum current that will not damage or impair the recording equipment or by running a magnetic strip of sufficient length to reach all areas of the disk over and under each surface a minimum of three times. If the information on the disk cannot be destroyed, the disk should be damaged in a manner that would prevent its use in any disk drive unit and then discarded.

Optical disks that are not re-writable such as CDs and DVDs must be shredded in a manner similar to paper shredding. A media disposal checklist should be used to indicate if the media was destroyed, to be used for surplus
or reuse. **Hand tearing, recycling or burying information in a landfill is an unacceptable method of disposal of UIV data.**

If the agency uses a contractor for the shredding or other record destruction process, it is recommended that the contractor certify to the destruction. If shredding is not to take place on site in the presence of an agency employee, then it is important that the terms of the contract notify the contractor of their responsibility to protect sensitive information and potential liability for unauthorized use or disclosure of personal information. Contractor personnel are to certify that they have knowledge or have receive training in security procedures (regarding Privacy Act data) used to protect documents prior to their destruction.

(See Appendix 9 for suggested methods of cleaning or sanitizing various types of media and sample media disposal checklist. This information was obtained from the Department of Health and Human Services Information Security Program Handbook [11-12-04], Appendices I and J).

**Burning precautions:** If burning is the process for disposition of the UIV material, it may be burned in an incinerator that produces enough heat to burn the entire bundle or the bundle should be separated to ensure that all pages are consumed.

It is important that a log or register be maintained of all documents and media that have been burned, shredded or destroyed. (See Appendix 10A and 10B for samples of EIV disposal/destruction logs.)
3.0 Security Awareness Training

Security awareness training is a crucial aspect of ensuring the security of the EIV system and UIV data. Users and potential users should be made aware of the importance of respecting the privacy of data, following established procedures to maintain privacy and security, and notifying management in the event of a security or privacy violation.

Before granting employees and contractors access to UIV information, each employee and contractor must be trained in EIV security policies and procedures. Additionally, all employees having access to UIV data should be briefed at least annually on the program administrator's security policy and procedures that require their awareness and compliance. The program administrator security officer or designated staff should record on a program administrator form or record of Security Training all the users attending each briefing. (See Appendix 11. Security Awareness Training Attendance Record.)

On completion of security awareness training program administrators should make sure that employees or contractors who access the UIV data have completed a Rules of Behavior and User Agreement indicating that they are aware of the safeguards and responsibilities associated with using the EIV system. Further, program administrator employees should be advised of the penalties associated with the provisions of the Privacy Act of 1974, Section 552(a), which makes unauthorized disclosure or misuse of tenant wage data a crime punishable by a fine of up to $5,000. (See Section 1.3 Privacy Act Considerations and Appendix 2. Criminal Penalties Associated with the Privacy Act.)

The program administrator security officer may communicate security information and requirements to appropriate personnel using a variety of methods outside of the formal training and awareness sessions. These methods may include:

- Discussions at group and managerial meetings; and
- Security bulletins posted throughout the work areas.
4.0 Record Keeping and Reporting Requirements

The records that are maintained by program administrators in implementing the EIV system are to be consistent with HUD records schedules that have been created to meet legal requirements for records management as administered by the National Archives and Records Service pursuant to 42 U.S.C. 21. The records are to be maintained for at least five years or as prescribed by the applicable program administrator’s records control policy or procedures, whichever is longer. In addition, UIV records (both electronic and paper) and the information contained in them must be used only for their intended purpose (the administration of Federal rental assistance programs and determining tenant income eligibility) to avoid unintentional disclosures of personal private information, which would be a violation the Privacy Act of 1974.

The agreement with the Social Security Administration (SSA) to provide the social security and supplemental security information data and the HHS’s Office of Child Support Enforcement to provide the income data from the National Directory of New Hires (NDNH) specifies that any incorrect information or challenge to the accuracy of information that these agencies furnish is to be referred to the agencies for disposition and not the program administrators.

Once information from UIV information becomes part of a system maintained by the program administrator, that system and the information that it contains becomes the responsibility of the program administrator. This document focuses on the policies and procedures to be followed when UIV information becomes part of program administrator’s case files as part of the recertification process or the review thereof.

Record Keeping Requirements

The EIV system presently does not support downloading of information by users. At such time as it does, it will be the responsibility of the program administrator to securely maintain that information from unauthorized access and unwarranted disclosure. Reports and screen prints of UIV information are to be maintained securely. (See Section 6 – Program Administrator Security Assessment, subsection 3 – Administrative Safeguards.

Protection of copies of records and the information within them

Xerox copies, spreadsheets, files or records that contain personal information derived from the UIV data are to be protected from unauthorized access and inadvertent disclosure. These documents are to be destroyed in accordance with the information in Section 2.2 – Disposal of EIV Information.

UIV screens that contain personal information and reports are also covered by the Privacy Act. Labeling documents as private is a protection against
 inadvertent disclosure. All documents, file folders/cabinets or electronic storage media created by program administrators containing personal information from UIV or derived using UIV data are to be labeled “Confidential.” An exception from the labeling requirement is for documents derived from UIV data that are purely summary in nature, such as data aggregated at the program administrator level. The files, when not in use, are to be locked away from physical access and are to be password protected if they are on a computer.

Official file copies of Public Housing program records, UIV user administration and UIV security administration records are only to be disposed of not sooner than within 5 years of creation and following the approved program administration schedule.

**Access to UIV information.**

UIV information is available to program administrator staff within the scope of their responsibilities for the administration of Public Housing and Housing Choice Voucher Programs and for the administration of the EIV system itself. Thus, program administrator staff may only access records within the scope of their duties, which typically concern only their own PHA and program area. The scope of individual responsibilities may be assigned within the scope of specific Public Housing developments or projects.

Some program administrators administer rental assistance programs for other program administrators under a contract(s) or cooperative agreement(s) and individual assignments covering more than one PHA are to be documented in the application for access in the User Administration file.

When a program administrator services more than one PHA, project and/or contract, the records from the different program administrators are not to be co-mingled with other program administrators file records and/or data.

The scope of responsibility of anyone who accesses the EIV system is documented in the EIV User Administration file and the User Administrator or Security Administrator/Officer should be consulted if there is an issue. The Security Administrator/Officer also is to be consulted if there is an issue regarding access by individuals who do not have access to EIV system but who may be responsible for occupancy specialist type functions.

Any issue regarding the possible disclosure to third parties of information from UIV files, including records derived from those files and case files in which UIV data has been incorporated should be referred to the program administrator security officer or designee responsible (in writing). If a security violation may already have occurred such as improper disclosure of information to a third party, the program administrator’s security officer or designee should notify program administrator’s security administrator and/or the HUD Office of Inspector General. See Section 5.0 – Reporting Improper Disclosures.

Program administrator staff should not re-disclose the UIV data it receives without proper authorization from the program administrator’s security officer or designee. When the re-disclosure of the UIV data is authorized,
information disclosed outside of the program administrator’s office/agency must be recorded on a list, which reflects to whom the disclosure was made, what was disclosed, why and when it was disclosed and when and if it was returned.
5.0 Reporting Improper Disclosures

Recognition, reporting, and disciplinary action in response to security violations are crucial to successfully maintaining the security and privacy of the EIV system. These security violations may include the disclosure of private data as well as attempts to access unauthorized data and the sharing of User IDs and passwords. Upon the discovery of a possible improper disclosure of UIV information or another security violation by a program administrator employee or any other person, the individual making the observation or receiving the information should contact the program administrator’s security officer and/or the Field Office’s Office of Public Housing Director. The program administrator security officer or designated staff should document all improper disclosures in writing providing details including who was involved, what was disclosed, how the disclosure occurred, and where and when it occurred.

The following contacts should be made:

- The program administrator security officer should contact and provide the PHA Executive Director or the designee with the written documentation;
- The PHA Executive Director or the designee should provide the HUD Field Office Public Housing Director with the written documentation; and,
- The HUD Field Office Public Housing Director upon receipt of the written documentation will make a determination regarding the referral and the provision of the written documentation to the Headquarters EIV Coordinator and/or EIV Security Officer for further review and follow-up action.
6.0 Program Administrator Security Assessment

Introduction
The practices and controls used by HUD and program administrators to secure upfront income verification information may be grouped into three categories: technical safeguards, administrative safeguards, and physical safeguards. Various technical safeguards have been built into the EIV system to mitigate the risk of security violations. However, technical safeguards alone, without complementary physical safeguards and/or administrative safeguards do not meet HUD’s standard for the protection of private data.

HUD has implemented various physical and administrative safeguards to complement the technical safeguards. Program administrators are strongly encouraged to take all reasonable steps to implement a combination of technical, physical, and administrative safeguards in order to assure that EIV data is appropriately secured. The physical and administrative safeguards that are implemented by a program administrator must be appropriate when considered in combination with the technical safeguards available to the program administrator through the EIV system.

The security safeguards described throughout this Security Guide are consolidated below. Program administrators should assess their Privacy Act-related safeguards by reviewing the following safeguard options.

1. Technical Safeguards

A. Purposes of the Technical Safeguards
   - Reduce the risk of a security violation related to the EIV system’s software, network, or applications
   - Identify and authenticate all users seeking access to the UIV data
   - Deter and detect attempts to access the system without authorization
   - Monitor the user activity on the EIV system

B. Description of the Technical Safeguards
The technical controls that have been built into the EIV system address the following:
   - User Identification and Authentication
     - Each user is required to have their own User ID and Password
     - The User ID identifies the program administrators and tenant information that the
user is authorized to access

- Passwords are encrypted and the password file is protected from unauthorized access
- The system forces all users to change their password every 21 days and limits the reuse of previous passwords
- After three unsuccessful attempts to log in, the User ID is locked and the user has to contact the System Administrator to have the password reset

- Online User Alerts
  - Online warning messages that inform the user of the civil and criminal penalties associated with unauthorized use of the UIV data

2. Physical Safeguards

A program administrator may implement any combination of the following physical safeguards that (a) meets acceptable standards for the protection provided by the specific safeguard, (b) accomplishes the purpose of the safeguards, and (c) conforms to standards of security stated here and elsewhere in this document.

A. Purposes of the physical safeguards

- Provide barriers between unauthorized persons and documents containing private data
- Provide barriers between unauthorized persons and computer media containing files that contain private data
- Prevent undetected entry to protected areas and/or to protected documents or computer media
- Provide immediate notification, noticeable under normal operating conditions, if the barrier is penetrated by unauthorized persons
- Prevent viewing or sensing of private information by any person by any means from outside the area confined by the barrier
- Allow authorized persons to have monitored and controlled access to protected private data

B. Alternatives for physical safeguards

- Locked and monitored buildings, offices, or storage rooms
- Locked and monitored metal file cabinets
- Designated secure areas and equipment
- Security rooms or locked office space with limited (minimum required) points of entry (e.g., doors)
- Security rooms or locked office space with limited (minimum required) means of entry (e.g., keys)
- Restricted areas with prominently posted signs or other indicators identifying them and limited points of entry
- Physical and administrative means for monitoring access to the secure areas and access and use of the protected data
- Restricted use printers, copiers, facsimile machines, etc.

- Secure computer systems and output
  - Store UIV data in a separate, restricted-access directory if files are saved to local machine
  - Label all diskettes containing UIV data “Confidential” or “For Official Use Only”
  - Retrieve all computer printouts as soon as they are generated so that UIV data is not left lying unattended in printers
  - Avoid leaving a computer unattended with UIV data displayed on the screen

- Secure disposal of UIV information
  - Destroy as soon as it has served its purpose or as prescribed by the PHA’s policy and procedures
  - All UIV originals and copies should either be burned or shredded

3. Administrative Safeguards

A program administrator may implement any combination of the following administrative safeguards that (a) meets acceptable standards for the protection provided by the specific safeguard, (b) accomplishes the purpose of the safeguards, and (c) conforms to standards of security stated here and elsewhere in this document.

A. Purposes of the administrative safeguards

- Ensure that access rights, roles, and responsibilities are appropriately and adequately assigned
- Maintain security-related records
- Monitor programmatic security issues
B. Alternatives for administrative safeguards

Program administrators should implement administrative safeguards to address the following:

- Assigning and Monitoring Access Rights
  - Determine which users should have access to UIV information
  - Maintain a record of all users who have approved access to UIV data including the date the access was granted and the date access was terminated
  - Ensure that all users who access the EIV system have a current signed User Agreement on file
  - Conduct a quarterly review of all User IDs to determine if the user still has a valid need to access the UIV data
  - Ensure that access rights are modified or revoked as appropriate

- Keeping Records and Monitoring Security Issues
  - Assure that a copy of Forms HUD-9886 or HUD 9887 has been signed by each adult member of the household and is kept in the household file
  - Maintain a key control log to track the inventory of keys available for secure buildings, rooms, or file cabinets, the number of keys issued and to whom the keys are issued
  - Ensure that all employees and contractors who have been issued keys to secure areas complete a form acknowledging the receipt of the key
  - Maintain a log of all users who access designated secure areas including the date and time of entry and exit and the purpose of the access
  - Ensure that combination locks are reset regularly, including whenever an employee leaves the program administrator’s staff or office
  - Ensure that UIV information is disposed of in an appropriate manner
  - Maintain a log of all documents that have been burned or shredded including the name of the employee who conducted the disposal, a description of the documents, the method of disposal, and the date of the disposal.
- Conducting Security Awareness Training
  - Ensure that all users of UIV data receive training in UIV security policies and procedures at the time of employment and at least annually afterwards
  - Maintain a record of all personnel who have attended training sessions
  - Communicate security information and requirements to appropriate personnel using various methods including discussions at group and managerial meetings and security bulletins posted throughout the work areas
  - Distribute all User Guides and Security Procedures to personnel using UIV data

- Reporting Improper Disclosures
  - Report any evidence of unauthorized access or known security breaches to the PHA Executive Director and the HUD Field Office Public Housing Director
  - Document all improper disclosures in writing
  - Report all security violations regardless of whether the security violation was intentional or unintentional
Appendix 1. Safeguards Provided by the Privacy Act

The Privacy Act provides safeguards for individuals against invasions of privacy by requiring Federal agencies, except as otherwise provided by law or regulation, to:

1. Permit individuals to know what records pertaining to them are collected, maintained, used, or disseminated;
2. Allow individuals to prevent records pertaining to them, obtained for a particular purpose, from being used or made available for another purpose without their consent;
3. Permit individuals to gain access to information pertaining to them, obtain a copy of all or any portions thereof, and correct or amend such records;
4. Collect, maintain, use, or disseminate personally identifiable information in a manner that ensures the information is current and accurate, and that adequate safeguards are provided to prevent misuse of such information;
5. Permit exemption from the requirements of the Act only where an important public policy need exists as determined by specific statutory authority; and
6. Be subject to a civil suit for any damages that occur as a result of action that violates any individual’s rights under this Act.
Appendix 2.  Criminal Penalties Associated with the Privacy Act

(i)

1. CRIMINAL PENALTIES.--Any officer or employee of an agency, who by virtue of his employment or official position, has possession of, or access to, agency records which contain individually identifiable information the disclosure of which is prohibited by this section or by rules or regulations established there under, and who knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than $5,000.

2. Any officer or employee of any agency who willfully maintains a system of records without meeting the notice requirements of subsection (e)(4) of this section shall be guilty of a misdemeanor and fined not more than $5,000.

3. Any person who knowingly and willfully requests or obtains any record concerning an individual from an agency under false pretenses shall be guilty of a misdemeanor and fined not more than $5,000.

Warnings in the EIV system welcome page provide a reminder each time the user logs in of the security considerations of the EIV system.
Appendix 3. Form HUD-9886, Authorization for the Release of Information/Privacy Act Notice

**Authorization for the Release of Information/Privacy Act Notice**

To the U.S. Department of Housing and Urban Development (HUD) and the Housing Authority/Authority (HA).

PHA requesting release of information: (Give out space if none)

(Full address, name of contact person, and data)

HA requesting release of information: (Give out space if none)

(Full address, name of contact person, and data)

**Authority:** Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by Section 902 of the Housing and Community Development Act of 1992 and Section 3003 of the Omnibus Budget Reconciliation Act of 1993. This law is found at 42 U.S.C. 5344.

This law requires that you sign a consent form authorizing: (1) HUD and the Housing Authority (HA) to request verification of salary and wages from current or previous employers; (2) HUD and the HA to request wage and unemployment compensation claim information from the state agency responsible for keeping that information; (3) HUD to request certain tax return information from the U.S. Social Security Administration and the U.S. Internal Revenue Service. The law also requires independent verification of income information. Therefore, HUD or the HA may request information from financial institutions to verify your eligibility and level of benefits.

**Purpose:** In signing this consent form, you are authorizing HUD and the above-named HA to request income information from the sources listed on the form. HUD and the HA need this information to verify your household's income in order to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct level. HUD and the HA may participate in computer matching programs with these sources in order to verify your eligibility and level of benefits.

**Uses of Information to be Obtained:** HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. HUD may disclose information (other than tax return information) for certain routine uses, such as to other government agencies for law enforcement purposes, to Federal agencies for employment suitability purposes, and to HAs for the purpose of determining housing assistance. The HA is also required to protect the income information it obtains in accordance with any applicable State privacy law. HUD and HA employees may be subject to penalties for unauthorized disclosure or improper uses of the income information that is obtained based on the consent form. Private owners may not request or receive information authorized by this form.

**Who Must Sign the Consent Form:** Each member of your household who is 18 years of age or older must sign the consent form. Additional signatures must be obtained from new adult members joining the household or whenever members of the household become 18 years of age.

Persons who apply for or receive assistance under the following programs are required to sign this consent form:

- PHA-owned rental public housing
- Turnkey III Homeownership Opportunities
- Mutual Help Homeownership Opportunity
- Section 23 and 19(c) leased housing
- Section 23 Housing Assistance Payments
- HA-owned rental Indian housing
- Section 8 Rental Certificate
- Section 8 Rental Voucher
- Section 8 Moderate Rehabilitation

**Failure to Sign Consent Form:** Your failure to sign the consent form may result in the denial of eligibility or termination of assisted housing benefits, or both. Denial of eligibility or termination of benefits is subject to the HA's grievance procedures and Section 8 informal hearing procedures.

**Sources of Information To Be Obtained:**

- State Wage Information Collection Agencies. (This consent is limited to wages and unemployment compensation I have received during period(s) within the last 5 years when I have received assisted housing benefits.)
- U.S. Social Security Administration (HUD only). This consent is limited to the wage and self employment information and payments of self employment income as referenced at Section 6106(c)(7)(A) of the Internal Revenue Code.
- U.S. Internal Revenue Service (HUD only). This consent is limited to unearned income (i.e., interest and dividends).

Information may also be obtained directly from: (a) current and former employers concerning salary and wages and (b) financial institutions concerning unearned income (i.e., interest and dividends). I understand that income information obtained from these sources will be used to verify information that I provide in determining eligibility for assisted housing programs and the level of benefits. Therefore, this consent form only authorizes release directly from employers and financial institutions of information regarding any period(s) within the last 5 years when I have received assisted housing benefits.
Consent: I consent to allow HUD or the HA to request and obtain income information from the sources listed on this form for the purpose of verifying my eligibility and level of benefits under HUD's assisted housing programs. I understand that HAs that receive income information under this consent form cannot use it to deny, reduce or terminate assistance without first independently verifying what the amount was, whether I actually had access to the funds and when the funds were received. In addition, I must be given an opportunity to contest those determinations.

This consent form expires 15 months after signed.

Signatures:

Head of Household

Privacy Act Notice. Authority: The Department of Housing and Urban Development (HUD) is authorized to collect this information by the U.S. Housing Act of 1957 (42 U.S.C. 1437 et. seq.), Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d), and by the Fair Housing Act (42 U.S.C. 3601-19). The Housing and Community Development Act of 1987 (42 U.S.C. 3543) requires applicants and participants to submit the Social Security Number of each household member who is six years old or older. Purpose: Your income and other information are being collected by HUD to determine your eligibility, the appropriate bedroom size, and the amount your family will pay toward rent and utilities. Other Uses: HUD uses your family income and other information to assist in managing and monitoring HUD-assisted housing programs, to protect the Government's financial interest, and to verify the accuracy of the information you provide. This information may be released to appropriate Federal, State, and local agencies, when relevant, and to civil, criminal, or regulatory investigators and prosecutors. However, the information will not be otherwise disclosed or released outside of HUD, except as permitted or required by law. Penalty: You must provide all of the information requested by the HA, including all Social Security Numbers you, and all other household members age six years and older, have and use. Giving the Social Security Numbers of all household members six years of age and older is mandatory, and not providing the Social Security Numbers will affect your eligibility. Failure to provide any of the requested information may result in a delay or rejection of your eligibility approval.

Penalties for Misusing this Consent:

HUD, the HA and any owner (or any employee of HUD, the HA or the owner) may be subject to penalties for unauthorized disclosures or improper uses of information collected based on the consent form.

Use of the information collected based on the form HUD 9986 is restricted to the purposes cited on the form HUD 3866. Any person who knowingly or willfully requests, obtains, or discloses any information under false pretenses concerning an applicant or participant is subject to a misdemeanor and fined not more than $5,000.

Any applicant or participant affected by negligent disclosure or improper use of information may bring civil action for damages, and seek other relief, as may be appropriate, against the officer or employee of HUD, the HA or the owner responsible for the unauthorized disclosure or improper use.

Original is retained by the requesting organization.

Enterprise Income Verification (EIV) System
Rules of Behavior and User Agreement

HUD Office or Field
Office Name: ___________________________ HUD Field Office Code: ______________
(To be completed by HUD employees/contractors)
PHA Name: ___________________________ PHA Code: __________________
(To be completed by PHA employees/contractors)

A. Rules of Behavior

1. Introduction

The U.S. Department of Housing and Urban Development (HUD), Public and Indian Housing Real Estate Assessment Center (PIH-REAC) is actively involved in implementing and maintaining Office Departmental policies and procedures to keep PIH-REAC Systems secure from unauthorized access and inappropriate use. In compliance with various security-related Federal laws and regulations, PIH-REAC created these rules of behavior for the Enterprise Income Verification (EIV) system. This document was created to ensure that EIV system users comply with HUD and PIH-REAC security policies. In addition, this document ensures that system accounts remain secure and are used in the appropriate manner.

PIH-REAC may grant limited system access to users (e.g. HUD employees, contractors, clients/customers, and program participants) who have a need to utilize the PIH-REAC information resources. EIV resources are for official use only. As a condition of receiving access, you are required to understand and abide by the HUD and PIH-REAC’s EIV system security policies and procedures. The purpose of these policies and procedures is to safeguard the PIH-REAC’s valuable information resources.

All EIV users must adhere to the Rules of Behavior outlined in this document. The rules clearly delineate responsibilities of, and expectations for, all individuals with access to the EIV system. Non-compliance with these rules will be disciplined through sanctions commensurate with the level of infraction. This may include removal of system access for a specific period of time or termination depending on the severity of the violation. See Section B for potential civil and criminal penalties.
2. Responsibilities

The System Owner is responsible for ensuring that an adequate level of protection is afforded to the EIV system through an appropriate implementation of technical, operational, and managerial security controls.

EIV system users are responsible for the protection of passwords, information, equipment, systems, networks, and communication pathways to which they have access. All HUD computer resources including hardware, software, programs, files, paper reports, and data are the sole property of HUD.

3. Other Policies and Procedures

The Rules of Behavior do not replace existing HUD or PIH-REAC policy, rather they are intended to enhance and further define the specific rules each user must follow while accessing the EIV system. The rules are consistent with the policy and procedures described in the following security documents:

HUD Security Program Policy The policy, HUD Handbook 2400.25, Rev. 1 dated May 2005, prescribes responsibilities, practices, and conditions that directly or indirectly promote security in the development, operation, maintenance, and support of all HUD IT resources.

4. Application Rules

The Web Access Security System (WASS) user identification (userID) and password issued to you are to be used solely in connection with the performance of your responsibilities in support of HUD’s mission and may not be used for personal or private gain. You agree to be responsible for the confidentiality of the assigned information and accountable for all activity with your userID. Furthermore, you agree that you will not provide this confidential userID/password to another user during employment and upon leaving the employment of the Department. Additional rules of the EIV system are as follows:

System Access (on-site only) – Users are required to use only approved HUD software, software settings, and comply with vendor software license agreements. Users are allowed to access the system only using the mechanisms specified by PIH-REAC.

Unofficial use of government information – Users must be aware that personal use of information resources is prohibited. EIV data is personal information covered by the Privacy Act and penalties apply to the misuse of that data.
Information protection – Users must avoid leaving system output records or reports unattended or unsecured. Users should lock the computer or log-out of the system when leaving work areas unattended. Users shall not violate Public Law 93-579, Privacy Act of 1974, which requires confidentiality of personal data contained in government and contractor data files. Users should back up their data, test the data backups, and securely store the data in accordance with PIH-REAC policy.

Use of passwords – User passwords and userIDs are for your individual use only and are confidential HUD information. Users are required to change passwords every 21 days. Users are encouraged to avoid creating passwords that can be easily associated with.

System privileges – Users are given access to the system based on a need to perform specific work. Users shall only access the information for which they are authorized.

Individual accountability – Users shall be held accountable for their actions while accessing the system. Be aware that all computer resources are monitored and audited.

Incident Response – Users should contact their supervisor and the PIH-REAC Security Officer immediately regarding any suspected violation or breach of system security.

B. User Agreement

I have read the above policy regarding system security awareness and practices when accessing PIH-REAC’s information technology resources. I understand the policies and procedures as set forth above, and I agree to comply with these requirements as a condition of being granted limited access to the Enterprise Income Verification System and data.

As an authorized user of the Enterprise Income Verification System, I understand the information obtained may only be used for official HUD/PHA business. I understand that only authorized HUD or PHA employees may access, disclose, inspect and use upfront income verification (UIV) data.

I also understand that willful unauthorized inspection of UIV data can result in civil and criminal penalties. The penalties are as follows:

- **Unauthorized disclosure** can result in a felony conviction and a fine of up to $5,000 and/or imprisonment up to five (5) years, as well as civil penalties.
• **Unauthorized inspection** of UIV data can result in a misdemeanor penalty of up to $1,000 and/or one (1)-year imprisonment, as well as civil damages.

I understand that my user ID and password are to be used only by me. Under no circumstances will I reveal or allow use of my password by another person. Nor will I use another person’s password and user ID.

I understand and agree to follow all HUD/IPA standards, policies and procedures.

Table Key

(a) Degauss with a Type I deguasser. Type I degaussers are equipment rated to
degauss magnetic media having a maximum coercivity of 350 Oersteds.
(b) Degauss with a Type II deguasser. Type II degaussers are equipment rated to
degauss magnetic media having a maximum coercivity of 750 Oersteds.
(c) Overwrite all addressable locations with a single character.
(d) Overwrite all addressable locations with a character, its complement, and then
a random character. Verify. This method is NOT approved for sanitizing media
containing Top Secret information.
(e) Overwrite all addressable locations with a character, its complement, and then
a random character.
(f) Each overwrite must reside in memory for a period longer than the period
during which the classified data resided.
(g) Remove all power including battery power.
(h) Overwrite all locations with a random pattern, all locations with binary zeros,
and all locations with binary ones.
(i) Perform a full chip erase as directed by the manufacturer’s data sheets.
(j) Perform (i) above, then (c) above, for a total of three times.
(k) Perform an ultraviolet erase as directed by the manufacturer’s data sheets.
(l) Perform (k) above, but increase the time by a factor of three.
(m) Destroy—disintegrate, incinerate, pulverize, shred, or melt.
(n) Perform the required destruction only if classified information is contained.
(o) Run five pages of unclassified text (font test acceptable).
(p) Destroy ribbons and clean platens.
(q) Inspect and/or test screen surface for evidence of burned-in information. If a
CRT is present, it must be destroyed.
