The screenshot shows a Zoom meeting interface with five participants in the top bar: Brenda Donald, Alethea McNeil, Denise Blackson, Melissa Lee, and Dionne Bussey. The main window displays a presentation titled "Accelerated Maintenance Plan" from the DC HOUSING AUTHORITY. The presentation content is as follows:

- 1. Work Orders**
 - Use contractors to work in partnership with DCHA staff to complete outstanding work orders
- 2. Unit Inspection & Unit Condition Moves**
 - Inspect every unit within the portfolio with partner contractors
 - Identify units with conditions that warrant a resident to move units
- 3. Vacant Unit Rehab (Increase Occupancy)**
 - Renovated vacant units to increased occupancy
- 4. DCHA will be on an accelerated timeline by using contractors already vetted by the Department of General Services. DCHA expects to be able to present the contractors to the Board for approval in January**

The DC HOUSING AUTHORITY logo is visible in the bottom right corner of the presentation slide. A small "+45" icon is located in the bottom right corner of the Zoom window.
